

Memorandum

CITY OF DALLAS

DATE February 5, 2016

TO The Honorable Mayor and Members of the City Council

SUBJECT FY 2015-16 Community Development Block Grant
Extensions and Reprogramming

The Community Development Block Grant (CDBG) Extensions and Reprogramming was scheduled to be presented during the combined Economic Development and Housing Committee meeting on Monday, February 1st. Due to time constraints, the presentation was not made. However, the committee voted to move the February 10th agenda item forward for City Council approval. The agenda item will authorize a one year extension for 28 CDBG projects to allow additional time to complete the projects.

CDBG reprogrammed funds from prior years are included as a "source of funds" along with new CDBG, HOME, HOPWA and ESG grant funds for the FY 2016-17 HUD Consolidated Plan Budget. The City Manager's Proposed FY 2016-17 HUD Consolidated Plan Budget will be presented to the Community Development Commission on March 3rd and to the City Council on April 20th.

If there are questions or additional information is needed, please let me know.
