

Memorandum

CITY OF DALLAS

DATE January 7, 2022

TO Honorable Mayor and Members of the City Council

SUBJECT **Taking Care of Business – January 6, 2022**

New Updates

Temporary Inclement Weather Shelters

The Office of Homeless Solutions activated the opening of temporary inclement weather shelters (TWIS) in the City of Dallas on Saturday, January 1, 2022 and Sunday, January 2, 2022, based on the National Oceanic and Atmospheric forecast, in accordance with Chapter 45 of the City Code. Those experiencing homelessness were directed to Oak Lawn United Methodist Church (UMC) and OurCalling.

Both sites performed rapid response Covid testing with those testing positive sent to the City Covid Quarantine site opened for inclement weather sheltering at Reverchon Park Recreation Center with approval from the Parks Department. The second night of inclement weather shelter, capacity at Oak Lawn and OurCalling was reached, so an overflow shelter for Covid negative individuals was also opened at the Bachman Lake Recreation Center. After the closure of inclement weather shelter, Covid positive guests were transferred to hotel partners under the management of Catholic Charities, with assistance from OHS staff, as needed. These guests will remain in hotels for the duration of their quarantine period.

Through a tremendous amount of preparation and planning, this well-organized operation provided shelter for our unsheltered neighbors this weekend and is prepared to do so again later in the week should temperatures trigger Chapter 45 of the City Code. This work would not have been possible without support from the Office of Emergency Management, the Parks Department, Dallas Fire Rescue, Oak Lawn UMC, OurCalling, Stewpot, Metro Dallas Homeless Alliance (MDHA), Downtown Dallas Inc., Catholic Charities, Austin Street Center, Kessler Park UMC, CitySquare, and all of the area homeless services providers. Collectively, they provided medical services, meals, and transportation throughout this period.

City Manager's Corner

Lisa Blouin has been a City of Dallas employee for over fifteen years, since moving from New Orleans' parish and the devastation of Hurricane Katrina. She started her career working with the homeless population at the DRC Homeless Shelter, as an intake coordinator, which gave her the opportunity to get to know individuals on a one-on-one basis. Lisa credits this position in building the soft skills needed to build relationships with individuals suffering from mental illness and/ or substance abuse. Her ability to build and maintain relationships has allowed her to successfully assist over one thousand individuals with obtaining their ID's, SS cards, and birth certificates. Lisa has also assisted over three hundred individuals in obtaining housing through the Rapid Rehousing, HOWPA, and SPC Programs. She is currently employed as an Office of Homeless Solutions Street Outreach and Advocacy Specialist, working directly with unsheltered homeless to get them into shelters and/or housing. Lisa also works closely with Community Courts to get tickets expunged and allow for individuals to start on a clean state. In Lisa's own words, "Working with this new program, the [Dallas R.E.A.L. Time Rapid Rehousing Initiative], has really made a difference with the homeless population. We can move them from the streets into housing. I really enjoy what I do, it's my passion. I am the voice for the homeless and I can make things happen."

[Government Finance Officers Association's \(GFOA\) Certificate of Achievement for Excellence Award](#)

The City of Dallas has been awarded the Government Finance Officers Association's (GFOA) Certificate of Achievement for Excellence in Financial Reporting for the Annual Comprehensive Financial Report for fiscal year ending September 30, 2020. The GFOA established the Certificate of Achievement for Excellence in Financial Reporting Program in 1945 to encourage and assist state and local governments to go beyond the minimum requirements of generally accepted accounting principles to prepare annual comprehensive financial reports that evidence the spirit of transparency and full disclosure. The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting. The City of Dallas has received this honor 15 consecutive years. Should you have any questions, please contact Sheri Kowalski, City Controller.

[Equity Indicators Symposium](#)

The Office of Equity and Inclusion in partnership with Communities Foundation of Texas will host the 3rd Annual Equity Indicators Symposium - The City and Community Collaborating to Advance Equity Through Measures and Accountability. Media Requests

December 28 – January 3

Dec. 30, 2021 - (Univision, Dallas Morning News, KRLD, WFAA) Do you have any information on a gas leak at the Highland Hill Apt, 5800 Highland Hills Dr., in Dallas? Univision has recently become aware of this situation and in the past, the same location was victim of a gas explosion. How is the city getting involved in this situation? Are you working with the owners of the apartment complex to remedy the ongoing issue? Thank you for your time and hope to hear from you soon.

City Response: Those are questions best directed to Atmos. Thanks.

Jan. 2, 2022 – Lourdes Vasquez (WFAA) Can you provide information on how many people were housed at the shelters overnight? Also, will the shelters close on Monday but reopen Thursday if need be?

City Response: 178 were sheltered last night; shelters are expected to be open through at least Monday night in keeping with City policy as noted below.

In accordance with [Chapter 45](#) of the Dallas City Code, the city makes an inclement weather shelter declaration and opens temporary inclement weather shelters during the winter in the temperature is forecasted by the National Oceanic and Atmospheric Administration's National Weather Service to be 36 degrees Fahrenheit in wet weather and 32 degrees Fahrenheit in dry weather for 3 hours or more.

Jan. 3, 2022 (Dallas Morning News, Spectrum 1) Is it possible to get a number of City of Dallas employees out due to COVID-19? Is there a chart/graph which has been tracking the number of Dallas employees out due to COVID since the pandemic started?

City Response: The City doesn't track this information for civilian employees as we are still in Phase 3 of Return to Work plans with many still working remotely.

DPD and DFR PIOs are copied to provide this information for uniformed personnel.
