#### Memorandum

DATE September 6, 2023

TO Honorable Mayor and Members of the City Council

#### SUBJECT FY 2023-24 and FY 2024-25 Budget Discussion and Amendments

Today's City Council meeting will include on-going discussion of the FY24 and FY25 biennial budget and consideration of proposed amendments. For budget purposes, the City Council will be sitting as a Committee of the Whole and able to take straw votes on the proposed amendments.

Attached are the 63 amendments submitted by City Council members plus one amendment submitted by the City Manager that were distributed late Friday evening (September 1). Three of Council Member Ridley's amendments have been updated to correct for staff misunderstanding.

Following the discussion and straw votes on amendments, you are asked to approve the budget on First Reading as required by the City Charter. Following approval of the budget on First Reading, the appropriation ordinance will be published in the official newspaper of the City. After at least 10 days have passed, City Council will be asked to approve the budget upon Final Reading on September 20. At that time, you will also consider the property tax rate ordinance and other budget-related action items.

If you have any questions or need additional information, please contact me or Janette Weedon, Director of Budget and Management Services.
