Code Compliance and Code Weather Event

As temperatures plummeted, the volume of emergency outage cases at apartments, condominiums, and rental properties city-wide skyrocketed. Since the beginning of the year, Code Compliance staff has investigated 409 emergency outage calls for service. Those calls consisted of 10 Atmos-reported gas outages affecting the entire property with at least one utility. Of these calls, 17 involved properties under Community Prosecution. Code staff operate 7 days a week year-round to respond to these types of emergencies for service including during inclement weather such as the recent freezing conditions. Code staff provides rapid response in contacting afflicted residents and ensuring property managers/ owners are held accountable for making every effort possible for rapid restoration.

Emergency violations investigated this month include:

- Hot water outage (274)
- Heat outage (168)
- Electrical hazard/utility outage (15).

The department's Procurement division successfully curated and hosted the event on January 18, 2024 at Dallas Love Field's Flight Deck Conference Center with the help of other teams, including AVI's Capital Development division and the COD's Small Business Center. With almost 50 vendors from varying industries in attendance online and in person, each gained valuable insights and enjoyed a great networking opportunity. Office of Homeless Solutions Updates **R.E.A.L. Time Rehousing**

The R.E.A.L. Time Rehousing (RTR) team of homeless service providers, co-led by the Office of Homeless Solutions (OHS) and Housing Forward [has successfully rehoused 2,700 \(and counting\) unique individuals as of October 17, 2023](#). The City and its partners now have a new goal of housing 6,000 unique individuals by 2025 across the expanse of the metroplex.

OHS Street Outreach Update

Outreach is currently targeting several encampments, which will result in closure through the housing of those unsheltered individuals throughout the year via RTR. The team will outreach to these sites and meet with various persons experiencing homelessness to assess their needs in preparation for site closure via housing. During this time, the OHS Street Outreach Team will continue to engage with unsheltered residents through normal street outreach, connecting people with the needed resources, such as: getting IDs, working with Community Courts on expunging eligible tickets and offenses from their records, identifying medical needs, and getting them access to the Coordinated Access System (CAS). The RTR Community Dashboard is live and may be found [here](#).

Please see the attached schedule for homeless encampment cleaning the week of January 22 through January 26, 2024. Please note that these will be for debris removal and outreach only. All encampment cleaning requests are being resolved as time and weather allows and are subject to modification in response to special requests by City leadership.

Give Responsibly Campaign Outreach Update

The Office of Homeless Solutions and Code Compliance work together to promote the Give Responsibly Campaign (GRC). This initiative aims to prevent street charity and illegal solicitation in the community through education and engagement. While providing alternative solutions for our residents experiencing homelessness.

The Office of Homeless Solutions Community Liaison and Code Compliance Neighborhood Code Representatives are partnering to visit businesses in hot spots across all districts. This joint effort aims to address issues related to homelessness and the adverse effects street charity and illegal solicitation have on the community. It will provide education on sustainably supporting those in need while ensuring a safer and more comfortable environment for businesses and their patrons. For more information on the GRC, to request GRC materials, or to request event/meeting presence, please reach out to the OHS Community Liaison, Marci Jackson, at Marci.Jackson@dallas.gov.

H.A.R.T/eam Update

The Homeless Action Response Team (H.A.R.T/eam) is led by the Office of Homeless Solutions (OHS) and encompasses four teams comprised of a core team of the following: Crisis Intervention Team (CIT), Dallas Animal Services (DAS), Dallas Marshals, and Code Compliance (Code). This team is supplemented by Parks and Recreation, Dallas Fire & Rescue, and Public Works as needed. The purpose of H.A.R.T/eam. is to provide a quick response to immediate safety concerns around homeless encampments and hot spots. To report a critical issue regarding an encampment or panhandling, please submit a service request to 311 or the OurDallas smartphone app. For any questions or concerns please reach out to the H.A.R.T. Supervisor, Anthony Virgil, at Anthony.Virgil@dallas.gov.

The teams are assigned and respond to time-sensitive, critical issues received via 311 and via email which are defined as:

- Issues raised by City Leadership and members of City Council requests
- Issues presenting an immediate safety concern (the presence of firearms, uncontrolled fires, reports of threatening behavior)
- Any issues which would derail the normal street outreach service resolution process
- Panhandling

Please see the attached the H.A.R.T/eam's performance measures for the week of January 15 through January 20, 2024, and the H.A.R.T/eam's encampment resolution schedule for January 22 through January 27, 2024. OHS staff will also send individual H.A.R.T. encampment resolution reports bi-weekly to applicable Districts for a more comprehensive report out on the data outside of the TCB.

OHS continues to urge people who see an encampment to report it via 311 or 311's OurDallas smartphone app to ensure strategic alignment with comprehensive OHS

Acompaña el administrador de la ciudad T.C. Broadnax, líder de la equidad racial y profesional Amber Sims, y arquitecta de preservación renombrada Marcel Quimby para una mesa redonda sobre el futuro de preservación cultural e histórica equitativa en Dallas.

Con el paso del Plan de Equidad Racial (2022), y la Policía de Desarrollo Económico Equitativo (2023), la ciudad de Dallas priorizo eliminar las disparidades para residentes de Dallas, promover participación total en la vida cívica y cultural, y eliminar la brecha de riqueza racial.

- ¿Como se traducen estas prioridades en el programa de preservación histórica de la ciudad, y la preservación de la cultura e historia de las comunidades diversas?
- ¿Qué técnicas y recursos son necesarios para conservar la historia y la cultura en nuestros barrios, ciudades de Freedman, y otras comunidades únicas?
- ¿Como podemos proteger lo que haga Dallas especial?
- ¿Qué significa la “identidad” de Dallas para cada uno de nosotros?
