

Memorandum

CITY OF DALLAS

DATE May 3, 2024

TO Honorable Mayor and Members of the City Council

SUBJECT **Violence Intervention Program Overview**

The purpose of this memorandum is to provide an history and current overview of Violence Intervention programming.

Violence Intervention programming was identified as an area for investment under the [Mayor's Task Force on Safe Communities](#) and the [City Manager's R.E.A.L. Change plan](#). The FY2021 budget allocated \$800,000 towards violence intervention programming and has since been expanded. For FY2024, the planned allocation is \$1,200,000. This funding increase is due to securing a grant from the National League of Cities and IPS' plan to expand violence intervention services. Full details of all briefings and contracts authorized by the City Council are provided and linked in the table below.

Current Programming:

As referenced above, the City has [expanded violence intervention funding and programming](#) into four initiatives:

- Initiative #1: Direct services to persons affected by gun violence
- Initiative #2: Summer enrichment programming
- Initiative #3: Parent investment program
- Initiative #4: Focused deterrence support

Currently, the Office of Integrated Public Safety Solutions administers two contracts that support these initiatives. First, [Youth Guidance Inc.](#), is contracted to provide summer enrichment programming to youth following the "Becoming a Man & Working on Womanhood (BAM/WOW)" curriculum. The goals of this program are to:

- Serve up to 600 students 5 days per week during summer break at community centers.
- Provide field trips and experiences to students.
- Offer social and emotional skill-building on topics such as Integrity, Self-determination, Positive Anger Expression, Accountability, and Goal Setting.

In addition, IPS has recently entered a contract with [Urban Specialists Inc.](#) for the following services:

- Increase community engagement by developing and supporting credible community members.
- Strengthen the relationship between law enforcement and the community.

- Deploy outreach workers to provide social services and opportunities to change community norms and behaviors.
- Change behavioral norms that support violence in target communities through planning and participating in community activities and public education efforts.
- Delivery of an activity-based curriculum allowing parents to learn and practice behavior management techniques at home.
