OWNER'S DEDICATION:

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That Devonshire (Dallas) ASLI VIII, LLC, acting by and through its duly authorized agent, does hereby adopt this plat, designating the herein described property as DEVONSHIRE VILLAGE 11 an addition to the County of Kaufman, Texas, and do hereby dedicate in fee simple the streets, alleys, and common areas shown thereon to Kaufman County Municipal Utility District No. 2 and Municipal Utility District No. 3 (in congruence with the District boundaries shown). The streets, alleys, and utility easements shall be open to the public, fire and police units, garbage and rubbish collection agencies. The maintenance of common areas and of paving on the streets is the responsibility of Kaufman County Municipal Utility District No. 2 and Municipal Utility District No. 3. The maintenance of paving on the utility easements is the responsibility of the property owner. No buildings, fences, trees, shrubs, or other improvements or growths shall be constructed, reconstructed or placed upon, over or across the easements as shown. The easements shown shall be for Kaufman County Municipal Utility District No. 2 and Municipal Utility District No. 3's exclusive use, provided, however, that at the sole and exclusive discretion of the district and subject to its written approval, easements may also be used for the mutual use and accommodation of all public utilities desiring to use the same unless the easement limits the use to a particular utility or utilities, said use by other public utilities being subordinate to the district's use thereof, if approved by Kaufman County Municipal Utility District No. 2 and Municipal Utility District No. 3, public utilities shall place utilities only in designated easements shown thereon reserved for the purposes indicated. All and any public utilities given the right by Kaufman County Municipal Utility District No. 2 and Municipal Utility District No. 3 to use said easements shall have the right to remove and keep removed all or parts of any building, fences, trees, shrubs, or other improvements or growths which in any way may endanger or interfere with the construction, maintenance or efficiency of its respective system on the easements, and all public utilities shall at all times have the full right of ingress and egress to or from the said easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining and adding to or removing all or parts of its respective systems without the necessity at any time of procuring the permission of anyone. (Any public utility shall have the right of ingress and egress to private property for the purpose of reading meters and any maintenance or service required or ordinarily performed by that utility).

Water main and wastewater easements shall also include additional area of working space for construction and maintenance of the systems. Additional easement area is also conveyed for installation and maintenance of manholes, cleanouts, fire hydrants, water services and wastewater services from the main to the curb or pavement line, and description of such additional easements herein granted shall be determined by their location as installed.

This plat approved subject to all platting ordinances, rules, regulations, and resolutions of the City of Dallas.
