There is no earthly reason why you can't be more attractive and younger looking . . . if you wish to be.

This question & answer book is based on actual consultations patients have had with the authors and other plastic surgeons over a number of years. You can change the way you look and, subsequently, the way you feel.

All vital questions re discomforts in surgery, length of hospitalization, time required away from job, fees, etc. are covered in one book! You can search out answers to questions that concern you in privacy.
