If the Aldredge House loses its legal non-conforming use status, it will revert to single-family use: the DCMSAF will lose its headquarters; the neighborhood, community and non-profit organizations will lose their meeting space; and the people of Dallas will lose one of the most important architectural residences in the city that is open to the public.

I urge you to deny the application to terminate the Aldredge House legal non-conforming use. If they lose, we all lose.

Dear Members of the Dallas Board of Adjustment:

For forty years, DCMSAF has restored and preserved the Aldredge House and has operated without incident as a good neighbor in the Swiss Avenue Historic District, providing a free venue for neighborhood, community, and non-profit organizations throughout Dallas for meetings and events.

If the Aldredge House loses its legal non-conforming use status, it will revert to single-family use: the DCMSAF will lose its headquarters; the neighborhood, community and non-profit organizations will lose their meeting space; and the people of Dallas will lose one of the most important architectural residences in the city that is open to the public.

I urge you to deny the application to terminate the Aldredge House legal non-conforming use. If they lose, we all lose.
