Request: 1) This submission is to clarify that the Bas Relief pieces shown on the original 1941 drawings were never built on the facade of Main Street or on the Commerce Street face of the building.

Applicant: Beeler Guest Owens Architects

Representative: N/A

Date Filed: July 6, 2006

Staff Recommendation: 1) Clarity Bas Relief pieces. - Approve - The bas relief figures were shown on the original blueprints. However, they do not appear on any photos of the building and there is no evidence of them when the areas were recently uncovered. Since this building was developed during WWII there has been discussion of items deleted as budget cuts. We assume that the bass relief was deleted from the proposal.

Task Force Recommendation: 1) Clarity Bas Relief pieces. - Approve - Approved as submitted.

Request: 1) Original one over one wood windows and wood siding removed and replaced with multi-lite aluminum windows and aluminum siding. Work completed without a CA form.

Applicant: CLINTON GARLAND

Representative: N/A

Date Filed: June 28, 2006

Staff Recommendation: 1) Original windows and wood siding removed and replaced with aluminum windows and siding. No prev. CA. - Deny - Work was completed without CA approval. Original windows and wood siding were removed and replaced with inappropriate multi-lite windows and vinyl siding. Removal of original material (siding) on protected facades is not allowed per Ordinance 24432, Section 4.1 (a) (b), 4.2, 4.3, 4.5 and 4.7. Removal of existing windows is not allowed per Section 5.1. Dallas City Code 51A-4.501(l)(2) states " No...certificates of appropriateness or building permits will be issued for construction on the site except to restore or replicate the structure." Also, "Any person who adversely affects or demolishes a structure on property subject to the predesignation moratorium or in a historic overlay district in violation of this section is liable pursuant to Texas Local Government Code Section 315.006 for damages to restore or replicate, using as many of the original materials as possible, the structure to its appearance and setting prior to the violation." Secretary of the Interior's Standard #2, "The historic character of a property shall be retained and preserved. The removal of historic materials or alteration of features and spaces that characterize a property shall be avoided."

Task Force Recommendation: 1) Original windows and wood siding removed and replaced with aluminum windows and siding. No prev. CA. - Task Force member did not attend. No comments.
