Request: 1) Replace chain link fence with wood fence and add additional fence at driveway.

Applicant: Robert Thomas

Representative: N/A

Date Filed: February 4, 2010

Staff Recommendation: 1) Replace chain link fence with wood fence and add additional fence at driveway. - Approve - The fence is typical of the district, is necessary to insure privacy and security and the fence does not screen any significant architectural features with the finding that it is consistent with Ordinance No.18563, Section 14(b)(2)(D)(iii) and City Code Section 51A-4.501(g)(6(C)(i). The fence must to match the fence located at 6003 Bryan Parkway as shown in the photo on pages C9-4. Approve replacing the cornerside fence in the location of the existing fence that is not setback 2 feet from the sidewalk. The fence location is consistent with City Code Section 51A-4.501(6)(B) in that it does not strickly comply with the preservation criteria but the proposed work is historically accurate, is consistent with the spirit and intent of the preservation criteria and the work will not have an adverse affect on the district.

Task Force Recommendation: 1) Replace chain link fence with wood fence and add additional fence at driveway. - Approve - Approve wooden fence no higher than 8' 3" high to be constructed as per submitted plan with a sliding gate facing Glendale Street. Fence design as per submitted photo. Note: Fence is requested for security reasons.
