 Mark Doty

Request: A Certificate of Eligibility (CE) for a tax exemption on 100 percent of land and improvements for a period of ten years and approval of \$27,000 in expenditures spent on rehabilitation within the three years prior to the CE approval.

Applicant: Jessica Guillory

Application Filed: April 1, 2010

Staff Recommendations: Approval of the Certificate of Eligibility and approval of \$27,000 in expenditures spent on rehabilitation prior to the issuance of the Certificate of Eligibility.

2. 701 DUMONT ST
 Junius Heights
 CA090-285(JA)
 Jim Anderson

Request:

- 1) Repair/replace missing/damaged siding and foundation skirt.
- 2) Repair roof overhang.
- 3) Install lattice in place of metal vent in front gable.
- 4) Add porch railing and new porch column.
- 5) Replace/repair windows.

Landmark Commission Agenda
Monday, May 3, 2010

Applicant: Barry Reynolds

Application Filed: March 31, 2010

Staff Recommendations:

- 1) Repair/replace missing/damaged siding and foundation skirt. – Approve - The lower 10 inches of the skirt siding can be cementitious siding; overlap to match existing siding with the finding that it is consistent with preservation criteria in Ordinance #26331, Section 4.1(b) and City Code Section 51A-4.501(g)(6(C)(i). New siding elsewhere on structure must not cover any historic window opening.
- 2) Repair roof overhang. – Approve - The depth of the proposed new decking under roof overhang must not exceed 1 and 5/16 inches and emulate the historic overhang. The eaves on the back of the house can be enclosed with wood because it is not a protected facade and it is structurally necessary with the finding that it is consistent with preservation criteria in Ordinance #26331, Section 4.1(a) and 6.3 and City Code Section 51A-4.501(g)(6(C)(i).
- 3) Install lattice in place of metal vent in front gable. – Deny without prejudice - The metal vent may be original and there is no evidence that a different vent existed in the past. The proposed vent is not consistent with preservation criteria in Ordinance #26331, Section 4.1(b) and City Code Section 51A-4.501(g)(6(C)(i).
- 4) Add porch railing and new porch column. – Approve - The proposed railing and columns are appropriate with the finding that they are consistent with preservation criteria in Ordinance #26331, Section 7 and City Code Section 51A-4.501(g)(6(C)(i).
- 5) Replace/repair windows. – Approve with conditions - Repair/replace with wood windows that match the historic profile on the front, the side facade facing Junius Street and the front 50% of the interior facade. Strongly recommend replacing and restoring the 3 window unit in the dining room that was closed up. Recommend replacing and restoring the window on Junius Street that was closed up. Approve the vinyl replacement windows, as shown, on the back and the rear 50% of the interior side (Side not facing Junius Street). This work is consistent with preservation criteria in Ordinance #26331, Section 5.1, 5.2, and 5.3 and City Code Section 51A-4.501(g)(6(C)(i).

Task Force Recommendations:

- 1) Repair/replace missing/damaged siding and foundation skirt. – Approve up to 10 inches cementitious siding on bottom (skirt) of house. Overlap to match existing siding. New siding (elsewhere) on structure not to cover any historic window opening.
- 2) Repair roof overhang. – Approve - The depth of the proposed new soffit boards under roof overhang must not exceed 1 and 5/16 inches and emulate the historic overhang per 4.1b and 6.3. Approve boxing in eaves with wood on the back of the house because it is not a protected facade and it is structurally necessary.
- 3) Install lattice in place of metal vent in front gable. – Deny - Approve leaving metal vent on the front gable.
- 4) Add porch railing and new porch column. Approve railing and columns as shown.
- 5) Replace/repair windows. – Approve with conditions - Approve having wood windows that match the historic profile on the front, the

Landmark Commission Agenda

side facade facing Junius St. and the front 50% of the interior facade. Strongly recommend replacing and restoring the window unit in the dining room that was closed up. Recommend replacing and restoring the window on Junius St. that was closed up recently. Recommend allowing the vinyl replacement windows, as shown, on the back and the rear 50% of the interior side (Side not facing Junius St.). Must document to the city that the window that replaced the door was originally a window as advocated by the applicant.
