

City of Dallas

City Plan Commission – July 9, 2020

Public Speakers

Members of the public wishing to speak on an agenda item must register with the Sustainable Development and Construction Department at 214-670-4209 by the close of business **Tuesday, July 7, 2020**. Speakers registering to speak will need to state whether they are the applicant's representative, proponent, or opponent. Speakers will need to provide the spelling of the first name and last name along with their address, daytime phone, email address and item(s)/case(s) they wish to comment on during the CPC meeting. Speakers who wish to make a presentation at the CPC hearing have two options:

1. Submit a pdf or scan of the presentation to staff no later than the end of the day **Tuesday, July 7, 2020**; or
2. Present the presentation during the videoconference the day of the meeting. Instructions on how to participate during the meeting will be provided.

During the CPC meeting, the speakers will receive a telephone call from WebEx prior to the item being read into the record. The number will depict a California area code. When you receive the call follow the prompts to join the meeting. It is important that when called, the speaker remains on the line until the case in which they are interested has been concluded.

If a registered speaker wishes to present a presentation in the video conference, inform Sustainable Development and Construction staff and instructions will be provided prior to the hearing.

Public viewing of the CPC hearing can be accessed on Spectrum Cable Channel 95, 96 or via the WebEx link provided below:
