The Sanborn Insurance Maps

The Sanborn Insurance Maps, drafted in the early 1920s, can be used as property reference guides and for various historic-documentation purposes when a structure in the district is being renovated. To access the full collection of Sanborn Insurance Maps for The Swiss Avenue Historic District, go here:

<http://www.lib.utexas.edu/maps/sanborn/d.html>

Once there, scroll down to the directory listing titled:

Dallas 1922 - Volume 3 (Vickery, Belmont, Munger Place, Junius Heights, and Mt. Auburn area)

Then, to find the numbered map sheet that contains your street name and address, click on the item titled:
