

Community Forester Academy Fall 2024

*Do you remember some of your
favorite trees?*

Your first treehouse?

*That tree in the park that
marked the perfect picnic spot?*

Show your love for our urban forest. Become a **Community Forester**.

What is the Community Forester Academy? Students will learn basic tree physiology, tree identification, proper planting and maintenance, and more!

Registration begins July 1 and ends August 31.

Six classes will be held on Saturdays, from mid-September to mid-November, including Dallas Arbor Day on November 5.

**To register or for more information,
please email or call.**
