

**Checklist 4- Daily Deicing Form  
(Must be completed daily when deicing occurs)**

This requirement applies for all deicing chemicals, in addition to glycols.

PLEASE FILL OUT FORM COMPLETELY

To: DOA- Environmental Division  
(214) 670-6654

EMAIL: AVIEnvironmental@dallascityhall.com

In accordance with the BMPs for deicing/anti-icing listed below and within permittee activity summary, I submit the following:

Name of Company: \_\_\_\_\_

Contact Name: \_\_\_\_\_

Date/Time	Type of Deicing/Anti-icing Fluid Used (indicate mixture proportion)	Quantity Used (Gal)	Quantity Recovered (Gal)	Location	Dry Weather Event?	Did the deicing/anti-icing agent enter the storm drain
/					Yes/No	Yes/No
/					Yes/No	Yes/No
/					Yes/No	Yes/No

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Signature \_\_\_\_\_ Date \_\_\_\_\_

- Contact Airport Operations **each day** that you conduct deicing/anti-icing, at (214) 670-6156.
- At the end of each day of deicing, **EMAIL** this form to the DOA Environmental Division. When stating type of fluid used, please indicate dilution proportion. (i.e 50-50, 45-55, etc)
- DEICING FLUID IS PROHIBITED FROM ENTERING STORM DRAINS DURING DRY WEATHER EVENTS.** Cover all storm drains where the deicing/anti-icing process will occur. Collect and remove the deicing/anti-icing residual remaining on the ground to the full extent in which pooling no longer exists. This should take place as soon as possible after the completion of each deicing procedure.
- Properly dispose of the collected material.
- Keep daily forms in your SWPPP addendum along with the SDS. ***This requirement applies for all deicing chemicals, in addition to glycols. All SDS forms must be provided to the DOA.***
