

HollyFrontier Aviation
7344 Aviation Place
Dallas, Texas 75235

HollyFrontier Aviation is a corporate flight facility. All aircraft and vehicle maintenance and cleaning is performed inside the enclosed hanger space. All chemical storage is in the enclosed hanger area and in sealed containers. De-icing of aircraft and ramp areas is not performed. There are no underground or above ground storage tanks located at the facility. Waste oil and fuel are removed by hazmat contractor. Aircraft are fueled on the ramp area by fixed base operators. HollyFrontier Aviation has not had any reportable spills.
