***Died in Care: In an effort to increase transparency, DAS began publishing died in care numbers on this fact sheet and including them in live release rate calculations From March 2019. Prior year live release rate numbers included on this fact sheet for comparison do not include died in care numbers in their calculations.**In Oct. 2019, a calculation error was located and corrected; 2018 year end numbers are updated with missing numbers and corrected 2018 fiscal year to date numbers; numbers may vary from previous versions of this sheet.**

This data is reflective of the Chameleon database on the date of this report.

Reports dated after this report may reflect a slight variance in the numbers.
