

Plan Consideration Date: Tuesday, August 2, 2011

GENERAL INFORMATION

PlanID: cPlan01

Plan Submitter: Commissioner Domingo Garcia (D1)

Date of receipt: July 14, 2011

REVIEW CRITERIA

1. Population Equality: All districts should have substantially equal population.

- Meets criteria
 Does not meet criteria

This plan submission does not meet the population equality test. The total range of deviation is **51.99%** exclusive of the unassigned areas.

2. Minority Representation: Voting strength of minorities should not be diluted.

- Meets criteria
 Does not meet criteria

This plan submission does not meet the minority representation test. While this plan includes 7 minority districts and 2 minority coalition districts, many of the districts exceed the population deviation for population equality. Because all areas of the city were not assigned to a district, additional evaluation of the plan cannot be completed.

3. Contiguity and Compactness: All districts should be geographically compact and contiguous.

- Meets criteria
 Does not meet criteria

This plan does not meet the contiguity and compactness test. The plan does not assign all areas of the city to one of fourteen districts. Additionally, the districts are not contiguous. Due to these discrepancies, compactness scores and boundaries were not developed.

Other considerations

1. Incumbents: The configuration of districts shall be neutral to incumbents.

2. Communities of Interest: Where possible, communities of interest shall be maintained in a single district.
