REVIEW CRITERIA

1. Population Equality: All districts should have substantially equal population.

Meets criteria

Does not meet criteria – **Deviation exceeds 10%**

This plan submission does not meet the population equality test. All districts have less than a 6.5% percent deviation from the optimal district size, with an average deviation of **3.36%**. The total range of deviation is **11.81%**.

2. Minority Representation: Voting strength of minorities should not be diluted.

Meets criteria

Does not meet criteria

This plan submission does not meet the minority representation test. This plan includes 5 minority districts and 3 minority coalition districts. **The demographic makeup of this testimony represents retrogression of minority representation from the 2001 District Plan.**

Packing is noted in the Hispanic Total Population and Voting Age Population in District 1, Black Total Population and Voting Age Population in District 8, and Hispanic Total Population in District 6 (District 6 Hispanic Voting Age Population falls below 70%).

3. Contiguity and Compactness: All districts should be geographically compact and contiguous.

Meets criteria

Does not meet criteria

This plan meets the contiguity and compactness test. All districts are contiguous. On the following page are the compactness scores based on four measures of geographic compactness compared to the City as a whole.

Other considerations

1. Incumbents: The configuration of districts shall be neutral to incumbents.

2. Communities of Interest: Where possible, communities of interest shall be maintained in a single district.

City of Dallas 2011 Redistricting

Redistricting Plan Testimony Submission Statement - PlanID: wPlan02

I have submitted plan wPlan02. I have attempted to apply the guideline requirements to the best of my abilities considering the web application (or my own) limitations. Therefore, I do not know if this plan meets all the guideline requirements.

My original intent in attempting this plan was based on my opinion and those of many residents in our community (Ferguson/Lakeland/North of I-30 and south of White Rock Lake) that our neighborhood is part of East Dallas. As such, our neighborhood should be united to the other East Dallas neighborhoods (Big and Little Forest Hill, Casa Linda, etc.) surrounding us and North of I-30.

Thank you for your consideration and the opportunity for me to provide some input into this very important and complicated process.

Sincerely,
H. McKinney
