

Plan Consideration Date: Thursday, July 14, 2011

GENERAL INFORMATION

PlanID: wPlan55

Date of receipt: June 30, 2011

Plan Submitter: Keith McPhail

Submitter District: District 2

Organization: N/A

Submitter Address: 4503 Junius St.
Dallas, TX 75243

REVIEW CRITERIA

1. Population Equality: All districts should have substantially equal population.

- Meets criteria – **Deviation exceeds 5%**
 Does not meet criteria

This plan submission meets the population equality test. All districts have less than a 3.00% percent deviation from the optimal district size, with an average deviation of **1.47%**. The total range of deviation is **5.38%**.

2. Minority Representation: Voting strength of minorities should not be diluted.

- Meets criteria
 Does not meet criteria

This plan submission meets the minority representation test. This plan includes 8 minority districts and 1 minority coalition districts. No retrogression of minority representation from the 2001 District Plan is noted.

No packing is noted.

3. Contiguity and Compactness: All districts should be geographically compact and contiguous.

- Meets criteria
 Does not meet criteria

This plan meets the contiguity and compactness test. All districts are contiguous. On the following page are the compactness scores based on four measures of geographic compactness compared to the City as a whole.

Other considerations

1. Incumbents: The configuration of districts shall be neutral to incumbents.

2. Communities of Interest: Where possible, communities of interest shall be maintained in a single district.

wPlan55 (plan 1 of 2) - revision 1
Keith McPhail
4503 Junius - District 2

Population Equality - This map meets the population equality standard, with total deviation between the largest and smallest district is less than 10 percent.

- District 8 is the largest district exceeding the target 2,462
- District 3 is the smallest, short of the target 2,137
- total deviation is 4,599, well within the legal requirement.

Minority Representation - This map meets the standard for minority representation.

- (5) voting age majority Hispanic districts - 1, 2, 3, 5, & 6
- (3) voting age majority Black districts - 4, 7, & 8
- (5) voting age majority White districts - 9, 11, 12, 13, 14
- (1) minority coalition district - 10

This plan protects the voting interests of the Black community by maximizing the Black voting age population in 3 districts with voting age majorities 65.84%, 62.02%, 53.29%. Attempts to spread the Black population into 4 majority districts produced voting age majorities which may erode with population shifts.

This plan answers the call for a quantity of Hispanic districts reasonably proportional to the city population, with 5 majority districts at 64.89%, 64.58%, 62.49%, 60.75%, & 60.17%

Contiguity and Compactness - All districts are contiguous and reasonably compact compared to previous district maps.

Added compactness comes in dramatic changes to districts 4 & 5, which now hold together populations either west or east of the Trinity with shapes more contiguous and compact than their previous forms.

Districts 14 and 2 have become more compact by curving inward. Each now makes a single main curve as they receptively hug the entertainment districts and the working class minority neighborhoods surrounding downtown and love field. District 14 sees a new western boundary at the tollway instead of Love Field, and District 2s eastern bound is now at Tenison Parkway from White Rock Creek.

The least compact districts 8, 6, & 2 bear a strong resemblance to their historical shapes.

Communities of Interest - The majority of most districts remain intact and these maps serve to hold together communities of interest as much as can be met within the guidelines. The Social, cultural, and ethnic interests play a strong role in the shapes. Significant weight was given to the interest of the Hispanic majority in South East Dallas. Weight was also given to preserving the common interests of District 2s working class Hispanic population, and the Arts and Entertainment community in 14.
