Memorandum

DATE April 21, 2023

Honorable Members of the City Council Housing and Homelessness Solutions
TO Committee: Casey Thomas II (Chair), Jesse Moreno (Vice Chair), Carolyn King Arnold,
Paula Blackmon, Cara Mendelsohn, Paul Ridley, Jaynie Schultz

Department of Housing & Neighborhood Revitalization Performance Measure Update

The attached Quarterly Report contains information to track the performance, progress, and status of ongoing and completed projects in the second quarter of fiscal year 2022-23. The reports consist of development projects approved by City Council, under construction, or complete; home buyer assistance projects that are prequalified or closed; and home repairs that are in the predevelopment phase, under construction, or have been completed. This report will be provided to the Housing and Homelessness Solutions Committee each quarter this fiscal year.

Should you have any questions or require any additional information, please contact David Noguera, Director, Department of Housing & Neighborhood Revitalization at david.noguera@dallas.gov or 214-670-3619.

Majed A. Al-Ghafry, P.E. Assistant City Manager

EXECUTIVE SUMMARY

This Quarterly Report provides the Housing and Homelessness Solutions Committee (HHSC) an update on Housing activities during the second three months (Q2) of FY 2022-2023 (January 1 through March 31, 2023).

- On March 1, 2023, Community Equity Strategies (CES) briefed HHSC on the proposed Dallas Housing Policy 2033 (DHP33) which incorporates the eleven racial equity strategy recommendations City Council approved in March 2022. These recommendations informed the seven Housing Equity Pillars that provided the framework of the new housing policy. The Dallas Housing Resource Catalog (DHRC) was briefed to HHSC on March 21, 2023. The DHP33 and DHRC were adopted by City Council on April 12, 2023.
- The Department of Housing and Neighborhood Revitalization (Housing) staff launched the 2023 9% Housing Tax Credit application process for Low-Income Housing Tax Credit

- (LIHTC) projects in Q1 and received six applications for review. In Q2, Council approved one application out of the two that were initially identified by staff to move forward.
- Overall, Housing programs, along with Office of Economic Development, supported 18,638 new housing units that have been completed, are under construction, or are in pre-development stages.
- 46% of the housing units in all stages of development are reserved as affordable housing units.
- Twenty-one housing units were completed or acquired in Q2 through the Land Bank and Land Transfer programs.
- A total of 29 homes have been repaired as of Q2 through the Home Improvement and Preservation Program (HIPP)
- The Dallas Homebuyer Assistance Program (DHAP) assisted seven homebuyers to close on their homes as of Q2.
- DHAP launched the Anti-Displacement Homebuyer Assistance Program (DHAP 10) for Dallas residents living in the city for at least 10 years. Housing staff has prequalified 10 applicants to date in Q2. The average household income is approximately \$45,000.
- Repair launched the Senior Home Repair Program from February to March 2023 and received over 500 applications and are starting the eligibility review.
- Golden S.E.E.D.S. Foundation, Innovan, and Housing held a ribbon-cutting ceremony for 22 new single-family homes in The Bottom.

INTRODUCTION

The Department of Housing and Neighborhood Revitalization (Housing) administers thirteen housing programs and has three corporations to help preserve the existing affordable housing stock, support the development of new affordable and market rate housing, and provide homebuyer assistance for qualified Dallas residents.

This Quarterly Report provides the Housing and Homelessness Solutions Committee (HHSC) an update on Housing activities during the second three months (Q2) of FY 2022-2023 (January 1 through March 31, 2023). The report includes activities from a selection of thirteen housing programs and the three corporations. Two new programs were added in Q2: the Anti-Displacement Homebuyer Assistance Program (DHAP 10) and the Senior Home Repair Program.

Programs for preservation and new development:

- 1. Home Improvement and Preservation Program (HIPP)
- 2. Dallas Homebuyer Assistance Program (DHAP) and the Anti-Displacement Homebuyer Assistance Program (DHAP 10) (New Program)
- 3. Title Clearing and Clouded Title Prevention Program
- 4. Targeted Rehab Program West Dallas
- 5. Targeted Rehab Program Historic 10th Street
- 6. Dallas Tomorrow Fund
- 7. Healthy Homes Lead Reduction Program
- 8. American Rescue Plan Act Neighborhood Revitalization Program

- 9. New Construction and Substantial Rehabilitation Program (NOFA)
- 10. Mixed Income Housing Development Bonus (MIHDB)
- 11. Community Land Trust Program (CLT)
- 12. Land Transfer Program
- 13. Senior Home Rehabilitation Program (New Program)

Corporations for new development

- 1. Dallas Housing Acquisition and Development Corporation (DHADC)
- 2. Dallas Housing Finance Corporation (DHFC)
- 3. Dallas Public Facility Corporation (DPFC)

DRAFT HOUSING POLICY

In March 2022, City Council approved 11 recommendations based on the 2021 Racial Equity Assessment of the Comprehensive Housing Policy. In June 2022, Community Equity Strategies (CES) was engaged to draft a new housing policy for the City that would turn these eleven recommendations into a policy and lay out the strategic direction for housing equity in the city over the next ten years. The proposed policy, named Dallas Housing Policy 2033 (DHP33), is structured around seven pillars: Equity Strategy Targets, Citywide Production, Citywide Preservation, Infrastructure, Collaboration and Coordination, Engagement, and Education. DHP33 is also proposed to include SMARTIE (Strategic, Measurable, Ambitious, Realistic, Time-bound, Inclusive, and Equitable) goals to be used to gauge progress over the next ten years.

The current Comprehensive Housing Policy, with its compendium of programs, corporations, and compliance resources, was included in a new Dallas Housing Resource Catalog (DHRC). On March 1, 2023, City Council was briefed on the proposed DHP33 and the new structure of the DHRC. The DHP33 draft and the DHRC were adopted by Council on April 12, 2023 (Q3).

ONGOING AND RECENTLY COMPLETED DEVELOPMENT PROJECTS

As of Q2, there are 18,638 housing units in the Completed, Under Construction, and Predevelopment project phases in Housing and the Office of Economic Development (OED) programs¹. This is a 13% increase from 16,499 housing units in Q1. The quarterly measures presented for Housing development projects in this report follow three different phases of work.

- *Predevelopment* correlates with the "Units Approved" accomplishment measure and represents units that have been approved by City Council or the associated committees and have not yet begun construction.
- *Under Construction* includes all developments that have begun construction, measured by receipt of a building permit.
- Completed is taken either at final Certificate of Occupancy, Green Tag, or final payment disbursement, depending on the program, and represents a new or fully rehabilitated unit on the ground.

These housing units are distributed in all City Council districts as shown in Exhibit 1. City Council Districts 2, 6, and 8 have the most housing units in production. More detail on the housing projects may be found in the Appendix.

¹ Note: Units per housing project may change from one month to the next based upon changes to the development. For projects still in pre-development or under construction, housing unit numbers are subject to change.

LIHTC

The 2023 application process for the 9% Competitive Housing Tax Credit cycle for the Low-Income Housing Tax Credit (LIHTC) program was completed in Q1. Out of six applications received, one was approved in Q2 by Council with a resolution of support. Five out of the six applications were withdrawn because of community feedback and low scores on the TDHCA Qualified Allocation Plan.

DHFC

In Q2, the DHFC completed construction on The Galbraith and completed rehabilitation of The Citizen. The Galbraith is located at 2400 Bryan Street in the heart of downtown Dallas. The property has a total of 202 mixed-income units, of which 111 units are reserved for residents earning at or below 80% of Area Median Income (AMI) and 106 units are at market rate/non-income restricted.

DHFC received the prestigious National Association of Local Finance Agencies' **Award of Redevelopment Excellence** for The Citizen. DHFC will receive this award in May 2023 at a ceremony at the national conference in Tampa, Florida. The Citizen (formerly known as Midpark Towers) is a 202-unit, 2-tower property located in the NW quadrant off of 635 & 75. The property was acquired in June 2021 through a partnership between Elizabeth Property Group (developer) and Dallas Housing Finance Corporation (DHFC). This kicked off an 18-month long renovation plan to the property completed in February 2023. The property is all 1-bedroom units and is restricted to 92.6% (187 units) at 60% AMI and 7.4% (15 units) at 30% AMI.

DPFC

The DPFC began construction on the Oak Cliff (Council District 1) project, Oakhouse at Colorado, a 215-unit mixed income development that will reserve 50% of the units for residents earning less than 80% AMI. There was a groundbreaking in February 2023 with the City of Dallas and the development partners, Mintwood Real Estate and MSquared, both woman-owned businesses. This project offers mixed-income housing units in a proximity to the Bishop Arts District and Downtown Dallas.

MIHDB

Currently, 4,570 housing units in 21 projects are under construction in the Mixed Income Housing Development Bonus (MIHDB) program. Housing developers use MIHDB on its own as well as in combination with other Housing programs. They receive a zoning bonus to build affordable units or pay the fee in lieu. Another 17 projects, representing 3,182 units, are in the predevelopment process. The MIHDB program supports mixed income developments across the city, including large recent projects such as 5050 Keeneland Project with 336 units in Council District 3 and 2811 Maple Avenue with "fee in lieu" for 180 market rate units in Council District 14. Lenox Oak Lawn in Council District 2 was just completed in March 2023 in obtaining its Certificate of Occupancy with 293 housing units, twelve of which are reserved for affordable housing.

Housing launched the fee in lieu portion of the program in Q1 quarter and accepted the first check in the amount of \$2,450,362.74 for 2811 Maple Avenue in October 2022. As of March 2023 in Q2, the program accepted \$5,505,854 in fee in lieu payments (See Summary Table in Appendix).

In March 2023, Housing presented to HHSC options for use of the MIHDB fee in lieu funds. Since then staff has made \$1M of this available for Senior Home Repair and \$2.5M for developments prioritizing homeownership.

LAND BANK AND LAND TRANSFER PROGRAMS

The Land Bank and Land Transfer programs have 325 lots that will be sold over the next three years. In Q2, developers started construction on 22 single-family homes and completed construction on 21 homes. Council approved the sale of 51 lots for the Land Transfer program. The Land Transfer program developers started construction on 18 homes and completed 16 homes. The Land Bank program developers started construction on four homes and completed 5 homes. These homes are in Council Districts 4 and 7.

REPAIR PROGRAMS

Photo Credit: REKJ ARPA home repair

In Q1, Housing launched a Notice of Funding Availability (NOFA) related to the HIPP Major Home Rehabilitation and Home Reconstruction Programs. GrantWorks, Inc. was awarded the contract and met with staff to finalize program staff and sub-contractors on compliance, monitoring, construction and invoicing. GrantWorks will be doing eligibility review and home repairs in Q3.

Housing received more ARPA funding for home repair of \$1.2M in Council Districts 7 and 9. In all home repair programs, there were 83 homes are under construction and 177 homes are in predevelopment processes. Contractors completed construction on 38 homes. The distribution of repair projects by City Council district is shown in Exhibit 2 and accomplishments are shown in Exhibit 3. A majority of repairs are in targeted areas and southern and western portions of Dallas (Council Districts 4, 5, 6, 7, and 8).

Note: At least 27 homes are not yet defined by Council District

West Dallas Targeted Repair Program (TRP) currently has 19 homes under construction for this program and 43 homes are in the predevelopment processes.

Nine homes are in the predevelopment process in the *Healthy Homes Lead Reduction (HHLR)* Program.

The Dallas Tomorrow Fund (DTF) continues to process applications. As of Q2, Housing has completed three homes, eight homes are under construction, and 33 homes are in the predevelopment process.

The American Rescue Plan Act Neighborhood Revitalization Program (ARPA NRP) qualified 10 households in Q1. In Q2 currently eleven homes are under construction and 54 homes are in the predevelopment process for all ARPA programs. Staff worked with Dallas Water Utilities (DWU) to align the Septic Tank conversation project and will begin applications in neighborhoods where DWU has installed new sewar/water lines in under-served areas.

The Senior Home Repair program was launched in February to March 2023. Applications were available online and at Dallas libraries and recreation centers. Housing received over 500 applications from residents aged 65 years and older.

Exhibit 3: Housing Repair Accomplishments Completed as of Q2 FY 2022-2023						
Program	FY To Date					
HIPP	17 households qualified* 25 homes under construction 29 homes completed construction					
HHLR	9 households qualified					
DTF	33 households qualified 8 homes under construction 3 homes completed construction					
ARPA NRP	54 households qualified 11 homes under construction 4 homes completed construction					
West Dallas TRP	43 households are qualified 19 homes under construction					
Senior Home Repair Program	Over 500 applications received and under review					
*Qualified: application is not	cancelled and the inspection is completed to begin work					

DALLAS HOMEBUYER ASSISTANCE PROGRAM(DHAP)

Staff launched the Anti-Displacement Homebuyer Assistance Program (DHAP 10) on February 22, 2023. The program targets resident homebuyers who have lived in the City of Dallas for 10 or more years (collectively) and with household incomes between 50% to 120% AMI. The maximum subsidy amounts are \$50,000. As of March 23, 2023, out of 14 applications received, 8 were prequalified. A majority are African-American (71%) and the remainder are Hispanic/Latino (29%). A majority are single in marital status (12), the average age is 45, and the average household income is approximately \$45,000. The program has \$1M to fund 20 closings in total. Staff prequalified a total of 10 applicants by the end of Q2.

The established DHAP and Targeted Occupation DHAP programs had 7 closings as of Q2. Three of those closings were in the Targeted Occupation program. Thirty-one applicants were prequalified in those programs in addition to the 10 prequalified in the DHAP 10 program. With \$40,000 of DHAP assistance, a family of four successfully purchased a Builders of Hope home on a land bank lot in Council District 7 (See below in Highlighted Projects).

PROJECTED VERSUS ACTUAL HOUSING PRODUCTION

Housing staff estimated the number of units that would be produced in housing production programs, preserved in repair programs, or completed in homebuyer assistance programs (Exhibits 4-6). These estimations or projections are compared with actual accomplishments as of Q2 FY 2022-2023. The DHAP 10 and the Senior Home Repair programs are new, and thus initial applications are still in the review process.

HIGHLIGHTED PROJECTS

The Galbraith, DHAP/Land Bank Home, Golden S.E.E.D.S. Foundation Single-Family Homes, and the Citizen exemplify the variety of projects needed to support mixed-income housing and home ownership in Dallas (Exhibit 7). The Galbraith is a 217-unit, new construction mixed-income housing development in a rapidly changing neighborhood of East Dallas. The single-family homes in The Bottom and in Council District 7 demonstrate how a combination of Housing programs can be used to promote home ownership. The Citizen, an award-winning project in Council District 11, is an innovative use of 4% Tax Credits to renovate an existing building in North Dallas and provide 202 needed affordable housing units.

Photo credit: Craig Boeglin with Matthews Southwest

THE GALBRAITH

The Galbraith is located at 2400 Bryan Street in the heart of downtown Dallas. The property has a total of 217 mixed-income units, of which 111 units are reserved for residents earning at or below 80% of Area Median Income (AMI) and 106 units are at market rate/non-income restricted. The development is a 15-story construction with structured parking with 312 spaces. Class A amenities include resort style pool, multipurpose clubhouse with fitness center, business center, stainless steel appliances, early childhood education or childcare facility, and 10,000 square feet of retail space. This is a \$77,000,000+ investment into mixed-income, workforce housing for the City Dallas.

DHAP/LAND BANK HOME

Photo Credit: Builders of Hope

Photo Credit: Builders of Hope

The Land Bank Program aligns with the City's goal of developing quality, sustainable housing that is affordable to Dallas city residents by selling city-owned real estate to non-profit and for-profit developers at below market values. Developers work closely with mortgage lenders in identifying buyers who meet the income requirements for home purchases and recommend DHAP to those buyers to help make the home purchase more affordable. DHAP supported this family to purchase a new construction home built by Builders of Hope on a land bank lot in Council District 7.

Photo Credit: Golden S.E.E.D.S. Foundation

GOLDEN S.E.E.D.S. FOUNDATION SINGLE-FAMILY HOMES

The Golden S.E.E.D.S. Foundation held a ribbon cutting ceremony on March 3, 2023 at 610 and 614 N. Denley Drive, Dallas, TX 75203 in The Bottom. This project includes the construction of 22 single family homes with 60% to 80% AMI. The City has allocated \$1,400,000 in 2012 General Obligation Bond funds for the single-family development project located in the Historic Bottom District. This project is supported by ongoing infrastructure improvements in The Bottom, and the City is still finishing Phase 2 of these improvements.

THE CITIZEN

The Citizen (formerly known as Midpark Towers) is a 202-unit, 2-tower property located in the NW quadrant off of 635 & 75. The property was acquired in June 2021 through a partnership between Elizabeth Property Group (developer) and Dallas Housing Finance Corporation (DHFC). This kicked off an 18-month long renovation plan to the property completed in February 2023. The property is all 1-bedroom units and is restricted to 92.6% (187 units) at 60% AMI and 7.4% (15 units) at 30% AMI. Through 4% tax credit financing and HUD 221d4 loan proceeds, the partnership was able to reinvest over \$10 million of hard costs (\$50,000/unit) back into the property, addressing long overdue deferred maintenance, essential life safety and health issues, including full replacement of elevators, roofs, generator, landscaping, and HVAC. The owners have also upgraded the property substantially to make it a safe, clean, and bright living environment for its residents by renovating the units completely, including new paint, flooring, black and stainless-steel kitchen appliances (adding a dishwasher), bathroom fixtures, AC units, doors, and ceiling fans. Lastly, as part of the renovation, the owners have also added several new amenities to the property for the benefit of its residents, including property-wide Wi-Fi (throughout the common areas and in the units, complimentary to residents), fitness center, business center, lobby/seating area, 11th floor activity room/meeting room, dog park, and an updated gazebo with covered seating. Elizabeth Property Group is very proud to have partnered with DHFC in order to preserve affordable housing in a transforming area of North Dallas and to better serve a highly vulnerable population.
