Section 1 – Introduction

This directory provides a list of Blue Cross Group Medicare Advantage’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Blue Cross Group Medicare Advantage is a Preferred Provider Organization (PPO) plan. All Blue Cross Medicare Advantage plan providers are available to members through self-referral, with the exception of services that require prior authorization.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. Other providers are available in our network. If you have been going to one network provider, you are not required to continue to go to the same provider. In some cases, you may get covered services from non-network providers. If you use providers within the Blue Cross Group Medicare Advantage network your copay and/or coinsurance will be less than going to non-network providers.

Out-of-network providers are under no obligation to treat Blue Cross Group Medicare Advantage enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 1-877-299-1008, we are open 8:00 a.m. - 8:00 p.m., local time, 7 days a week. If you are calling from April 1 through September 30, alternate technologies (for example, voicemail) will be used on the weekends and holidays. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

You do not need prior authorization to seek medical help in an urgent or emergency situation.

If an out-of-network provider asks you to pay for covered services you receive, please call Customer Service at 1-877-299-1008 (TTY 711) or send the bill(s) with a note explaining the situation to:

Blue Cross Group Medicare Advantage
P.O. Box 660044
Dallas, TX 75266-0044

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know the amount, if any, you must pay.

Emergency Care Services

Emergency Care services are health care services provided in a hospital or comparable facility to evaluate and stabilize medical conditions of a recent onset and severity, including but not limited to severe pain, that would lead a prudent layperson possessing an average knowledge of medicine and health to believe that his or her condition, sickness, or injury is of such a nature that failure to receive immediate medical care could result in:

- Serious jeopardy of the patient’s health;
- Serious impairment to bodily functions;
- Serious dysfunction of any bodily organ or part;
- Serious disfigurement; or
- Serious jeopardy to the health of the fetus, in the case of a pregnant patient.

Emergency Care services necessary to evaluate and stabilize an emergency medical condition are covered by Blue Cross Group Medicare Advantage. Members with an emergency medical condition should be instructed to go to the nearest Emergency Provider. Evaluation and stabilization of an emergency medical condition in a hospital or comparable facility does not require precertification. Emergency Care services will be covered at the in-network benefit level. If you obtain routine care, other than Emergency Care services, from out-of-network providers, your cost of care may be more.

Telehealth Services

For behavioral health services and urgent care services, such as sore throat, fever, cough, nausea and other non-emergency illnesses, you can talk live with an MDLIVE telehealth provider. To learn more about this benefit contact MDLIVE at 1-888-680-8646 or visit the MDLIVE website at www.mdlive.com. Access to telehealth services can be completed through computer, tablet, smartphone, traditional phone and web-based video.

What is the service area for Blue Cross Group Medicare Advantage?

Our service area is nationwide.

How do you find Blue Cross Group Medicare Advantage providers that serve your area?

The directory includes hospitals, physicians and other providers participating in the Blue Cross Group Medicare Advantage plan. Please refer to the provider listings for section names. Each section is organized alphabetically by city.

Within each city, the city and/or physician names are listed in alphabetical order along with the address and phone number. For the most updated Blue Cross Group Medicare Advantage provider information, please visit our Provider Finder at bluemembertx.com. While every provider listed in this directory is affiliated with or employed by a contracted medical group, not every provider listed will be accepting new patients. Although Blue Cross Group Medicare Advantage has identified those providers who were not accepting patients at the time this directory was created, the status of any physician's practice may have changed. For the most current information regarding the status of any physician's practice, please contact either the physician or the medical group you have selected at the phone number listed in this directory.

If you have questions about Blue Cross Group Medicare Advantage or require assistance in selecting a PCP, please call our Customer Service Department at 1-877-299-1008. TTY users should call 711. Or, visit bluemembertx.com.
