## Introduction

This booklet provides a list of Blue Cross Group Medicare Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Cross Group Medicare Advantage's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means HCSC Insurance Services Company (HISC) and GHS Insurance Company (GHS). When it refers to "plan" or "our plan," it means Blue Cross Group Medicare Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Cross Group Medicare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 08/2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with "**SAVE**" to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the State of Texas which may include the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory please contact Blue Cross Group Medicare Advantage Customer Service, at 1-877-299-1008 or, for TTY users, 711. We are open 8:00 a.m.- 8:00 p.m., local time, 7 days a week. If you are calling from April 1 through September 30, alternate technologies (for example, voicemail) will be used on weekends and holidays, or visit [bluemembertx.com](http://bluemembertx.com).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Blue Cross Group Medicare Advantage.
