MESSAGE FROM THE SECRETARY

It my pleasure to present to you the 2021 City of Dallas Civil Service Board Annual Report. As we grappled to respond and serve in a global pandemic, almost everyone readily acknowledges 2020 taught us so many unexpected lessons in organizational innovation and agility. In many ways, 2021 was a continuation of those lessons and opportunities, requiring us to still pivot and remain agile amidst continued uncertainty and unpredictability. The Civil Service Department is proud of the results and progress made toward meeting its 2021 priorities, while also directly supporting the urgent hiring needs that directly impact public safety and the delivery of key neighborhood services.

Both the department and Board remain steadfast in their commitment to that charter-driven mission to hire and retain the best and brightest workforce for Dallas. In so doing, last year we collaborated with the Dallas Police Department and the Department of Code Compliance and Neighborhood Services to design and execute city-wide hiring events to staff critical 911 Telecommunicator and Code Compliance Officer positions. Additionally, the department was able to resume and complete all Dallas Fire-Rescue Operational promotional exams and assessment centers, while also successfully transitioning to virtual employee hearings, and launching online employment skill assessments.

This year we are excited to continue our work, guided by our three Strategic Focus Areas: Talent Attraction, Talent Assessment and Planning, and Operational Excellence. As you review this report, I also encourage you to review our operational priorities as they establish our continued intention to transform and evolve the Civil Service talent acquisition and hiring processes to better attract highly talented public servants to join us at the City of Dallas!

Sincerely,

Jarred D. Davis, MS, Sr. CAAP
Board Secretary & Director

The Civil Service Department provides employment services for approximately 83% of the positions in the City workforce, including administering promotion systems for the Dallas Police and Fire Departments. Civil Service is committed to establishing a model merit system for our city and providing quality customer service to our internal and community stakeholders.

Civil Service staff evaluates and processes over 70,000 applications annually for approximately 1,700 positions. HEARING ACTIVITY

Trial Board/Administrative Law Judge Appeals

Employees who have been demoted or discharged and have pursued all available hearing opportunities at levels defined in the Personnel Rules and Civil Service Rules may request a final administrative hearing before an Administrative Law Judge (ALJ) or a Trial Board that is comprised of one Civil Service Board member as Chair and two Adjunct Panel members. The ALJ and Trial Board panels are empowered to hear testimony and evidence from both the City and employee about the employee's demotion or discharge. It is a quasi-judicial process that results in a decision by the ALJ or panel as to whether the discipline is sustained or modified.

Members of the Civil Service Board and Adjunct Panel were assigned sixteen Trial Boards that resulted in two terminations being sustained, one being settled, and thirteen being postponed due to COVID-19 Emergency Declaration. Two Administrative Law Judges were assigned and postponed due to COVID-19 Emergency Declaration during this fiscal year.

Board Governance

No new Civil Service Board members were appointed by the Dallas City Council during this fiscal year.

Grievances/Complaints/Motions

Grievance appeal hearings are conducted by the Civil Service Board to consider current employees' complaints concerning an employee's working conditions that the employee claims have been adversely affected by a violation, misinterpretation, or misapplication of a specific law, ordinance, resolution, policy, rule, or regulation. The Civil Service Board did not consider any grievance appeals for a current City employee during this fiscal year.

Rehire Eligibility Appeal Hearings

Rehire eligibility appeal hearings are conducted by the Civil Service Board to consider former employees' requests to reapply for City jobs. The Board considers the reasons the former employee was unsuccessful in his/her previous employment with the City, assesses the person's work record in the two or more years since he/she has been gone from City service, and discusses the changes the former employee has made so that the same past behavior or circumstances will not be repeated. The conversation with the former employee is thorough and insightful, providing the Board with a basis to make an informed decision to grant or deny the request. The Civil Service Board considered five rehire eligibility appeals for former City employees during this fiscal year. Four appeals were approved, and one appellant did not appear for the hearing.
