Sidewalk Replacement Program

To replace existing sidewalks we offer the [Cost Share Program](#). **You may access the program by calling (214) 948-4127 or (214) 948-4287**

General Information

- The City secures all necessary permits. The program has a one year warranty on workmanship.
- Property owners may experience delays in sod replacement (if required) due to seasonal availability.
- City ordinance requires property owners to replace sidewalks, drive approaches or any other associated element when they become defective, unsafe or hazardous.
- For request to install new sidewalks where none exist, please contact (214) 948-4125.

Cost Share Program

- The City partners with residents to share the cost 50/50 for existing residential sidewalk removal and replacement. All single family residences are eligible to participate in this program including condominiums and townhomes.
- In addition, the property owner will pay 100% for the cost of drive approach removal and replacement. The City pays for all other miscellaneous items including barrier free ramps.
- Sidewalk removal and replacement are logged in by the date received.
- From the initial inquiry it takes two to three months to assess the property and provide a quote by mail. From the time of payment it is approximately three(3) to nine(9) months depending on demand to project completion.
