## Development Services Monthly Technology and Metrics Review

Government Performance \& Financial Management Committee January 23, 2023

## City of Dallas

Andrew Espinoza Director/Chief Building Official

Development Services City of Dallas

## Presentation Overview

- Technology
- Residential Permits
- Recruitment and Onboarding
- Outreach and Communications
- Next Steps

## Technology

- Development Services continues to work with ITS on a list of proposed enhancements to Project Dox.
- The enhancements that can be developed and implemented internally by ITS staff, are currently in progress. These primarily include improvements to the Online Application System.
- Those enhancements that cannot be developed by ITS staff, have been sent to the vendor for cost and time estimates to determine implementation timeline.

## Residential Permit Volume

New Single Family Permits Created

## Residential Permit Average Turnaround

Residential New Single Family Permits-Average Days to Issue YTD Comparison
