## Instructions

Dial **214-670-5313** (24 hours a day).

- Listen to the **Welcome Message**. For **English**, press “1”. For **Spanish**, press “2”.
- Follow the instructions. If you are familiar with the system, enter your choice at any time without listening to the messages.
- To **schedule an inspection**, you will need the validation number and inspection code found on your contractor’s authorization (inspection codes are within this brochure).
- To **obtain inspection results** for one trade, enter the 13 digit validation number found on your contractor’s authorization. For results for all trades enter the 10 digit permit number.
- To **validate your trade** as a registered contractor, your trade must be listed on the permit. You will need:
  - Your “contractor registration number” (for example, if your registration is ME006789, your

## HOW CAN I CONTACT BUILDING INSPECTION?

For telephone assistance, call 214-948-4480.

Our helpful staff will answer your general questions or route you to appropriate staff for technical questions. For direct access to the Interactive Voice Response System, call 214-670-5313 or access the system online at **www.dallascityhall.com** by locating City Departments then click on Building Inspection. You can obtain more information about the processes described in this brochure, access the Dallas Development Code, see zoning maps, and download the forms used for permit applications.
