

SPECIAL PROVISION SIGN DISTRICT - SIGN PERMIT APPLICATION CHECKLIST

CITY OF DALLAS

REQUIRED DOCUMENTS FOR SIGN PERMITS IN A SPECIAL PROVISION SIGN DISTRICT

(All signs located in a special provision sign district other than the Victory Sign District and the West Commerce St./Fort Worth Ave. Sign District)

Some signs may be expedited (see page 3). Signs located in a historic overlay district, such as the West End, or on a historic facade require additional approval by the Landmark Commission.

By checking each requirement you are stating that you have supplied the correct and complete information. In the event that the required information is not contained in the submitted documents, you will be notified of the deficiency. Failure to supply the additional information requested within five (5) working days after the notification and/or before the monthly cutoff date may result in your application being delayed and eventually discarded. A new application, the original application, complete plans, and a new checklist will be required for re-submittal for plan review. This re-submittal will be treated as a new application and will be processed in the order of receipt.

REQUIREMENTS & SPECIAL PROVISIONS

- (1) All drawings must be drawn to scale on paper not larger than 11 inches wide by 17 inches long and suitable for copying.
- (2) All permits for illuminated signs must be obtained by a registered electrical sign contractor or a registered electrical contractor.
- (3) The applicant must provide specific information in the form of perspectives, renderings, and representations sufficient to show the nature of the proposed sign and its effect on the immediate premises.

1. Completed permit application form and checklist
2. Two (2) location maps showing the property and location of the sign/s under review
3. Two (2) Site plans showing:
 - For **Detached signs**, show the location of the sign with setbacks from all property lines and structure, and all existing, or proposed, detached signs on the property.
 - For **Projecting or Canopy signs**, show the location of the building on the property, how far the sign or canopy will project from the building, and how far behind a vertical line drawn from the back of the street curb, the sign or canopy will be located.
 - For **Flat Attached or Painted signs**, show the location of the building on the property and on which side of the building the sign will be located.

SPECIAL PROVISION SIGN DISTRICT - CERTIFICATE OF APPROPRIATENESS PROCESS

CITY OF DALLAS

The Building Official shall forward a completed copy of the application and required drawings to the Director of Planning within five working days after receipt thereof.

Any applicant is entitled to appear before the Special Provision Sign District Advisory Committee, and the Plan Commission, and to be present when any vote is taken.

If the Committee finds the proposed sign to be consistent with the special character of the Special Provision Sign District, the Committee shall make a recommendation of approval to the City Plan Commission.

The committee shall consider the proposed sign in terms of its "appropriateness" to the Special Provision Sign District with particular attention to the effect of the proposed sign upon the economic structure of the Special Provision Sign District and the effect of the sign upon adjacent and surrounding premises without regard to any consideration of the message conveyed by the sign.

Upon receipt of a recommendation of approval, the Commission may indicate its concurrence by forwarding a "Certificate of Appropriateness" to the Building Official within 15 days. In the event of denial, the Commission shall so inform the Building Official in writing. Upon receipt thereof, the Building Official shall so advise the applicant within five working days.

Nothing herein shall be construed to affect or modify the authority of the Building Official to refuse to grant a sign permit in any case in which the proposed sign does not conform to specific provisions of height, effective area, setback or similar restrictions established in this article or the modified restrictions applicable to the Special Provision Sign District, or to the structural requirements of the Building Code or other codes which the Building Official is required by law to enforce.

If no action has been taken by the committee and the City Plan Commission within 60 days from receipt of a complete application, (including the required drawings) by the Building Official, a Certificate of Appropriateness shall be deemed issued by the Commission and the Building Official shall so advise the applicant.

No change shall be made in any permit application subsequent to action by the Commission without re-submittal to the Committee and approval thereof as here in above provided.

An applicant may appeal a denial of a Certificate of Appropriateness by the Commission to the City Council within 60 days. (Ord. 19455)
