

The Traffic Safety and Field Operations Divisions have been working in collaboration with other City departments to address the dangers of street racing and truck driving. Traffic calming measures and signs have been placed in problematic areas throughout the City to assist in curbing this illegal activity.

An ordinance passed by Dallas City Council in May 2020 makes it illegal to be a spectator, be present in the planning of a racing and/or trick driving event, or if you knowingly allow street racing and reckless driving exhibition on any premise you own, operate or control. In some circumstances it even allows the seizing of vehicles used in a street race .
