

Memorandum

CITY OF DALLAS

DATE 20 February 2015

TO Transportation and Trinity River Project Committee Members: Vonciel Jones Hill (Chair), Lee Kleinman (Vice Chair), Deputy Mayor Pro Tem Monica Alonzo, Mayor Pro Tem Tennell Atkins, Sandy Greyson, and Sheffie Kadane

SUBJECT Mill Creek/Peaks Branch/State-Thomas Drainage Relief Tunnel Update

The 2006 and 2012 Bond Programs provided funding for design and construction of storm drainage relief improvements for the Mill Creek / Peaks Branch / State-Thomas watersheds. A map of the project area is attached.

Trinity Watershed Management is moving forward with the subject project. The project involves approximately 170 real estate transactions. Transactions over \$10,000 or those that could require eminent domain will be presented on an on-going basis through the City Council Agenda. It is the intent to put as many items on each agenda to maximize the number of tracts in order to meet the project schedule. While efforts will be made to limit the number of addendum items on the City Council Agenda, transactions will be placed on either the regular agenda or addendum as soon as they are ready. Therefore, you will see eight items on next week's regular agenda and nine items on the addendum.

These items will not be included as "upcoming Agenda items" on future Committee Agendas.

If you have additional questions, please let me know.

A handwritten signature in black ink, appearing to read 'Jill Jordan'.

Jill A. Jordan, P.E.

Assistant City Manager
