General Information

The Dallas City Council regularly meets on Wednesdays beginning at 9:00 a.m. in the Council Chambers, 6th floor, City Hall, 1500 Marilla. Council agenda meetings are broadcast live on WRR-FM radio (101.1 FM) and on Time Warner City Cable Channel 16. Briefing meetings are held the first and third Wednesdays of each month. Council agenda (voting) meetings are held on the second and fourth Wednesdays. Anyone wishing to speak at a meeting should sign up with the City Secretary's Office by calling (214) 670-3738 by 5:00 p.m. of the last regular business day preceding the meeting. Citizens can find out the name of their representative and their voting district by calling the City Secretary's Office.

If you need interpretation in Spanish language, please contact the City Secretary's Office at 214-670-3738 with a 48 hour advance notice.

Sign interpreters are available upon request with a 48-hour advance notice by calling (214) 670-3738 V/TDD. The City of Dallas is committed to compliance with the Americans with Disabilities Act.

The Council agenda is available in alternative formats upon request.

If you have any questions about this agenda or comments or complaints about city services, call 311.

Rules of Courtesy

City Council meetings bring together citizens of many varied interests and ideas. To insure fairness and orderly meetings, the Council has adopted rules of courtesy which apply to all members of the Council, administrative staff, news media, citizens and visitors. These procedures provide:

- That no one shall delay or interrupt the proceedings, or refuse to obey the orders of the presiding officer.
- All persons should refrain from private conversation, eating, drinking and smoking while in the Council Chamber.
- Posters or placards must remain outside the Council Chamber.
- No cellular phones or audible beepers allowed in Council Chamber while City Council is in session.

"Citizens and other visitors attending City Council meetings shall observe the same rules of propriety, decorum and good conduct applicable to members of the City Council. Any person making personal, impertinent, profane or slanderous remarks or who becomes boisterous while addressing the City Council or while attending the City Council meeting shall be removed from the room if the sergeant-at-arms is so directed by the presiding officer, and the person shall be barred from further audience before the City Council during that session of the City Council. If the presiding officer fails to act, any member of the City Council may move to require enforcement of the rules, and the affirmative vote of a majority of the City Council shall require the presiding officer to act." Section 3.3(c) of the City Council Rules of Procedure.

Reglas de Cortesía

Las asambleas del Ayuntamiento Municipal reúnen a ciudadanos de diversos intereses e ideologías. Para asegurar la imparcialidad y el orden durante las asambleas, el Ayuntamiento ha adoptado ciertas reglas de cortesía que aplican a todos los miembros del Ayuntamiento, al personal administrativo, personal de los medios de comunicación, a los ciudadanos, y a visitantes. Estos reglamentos establecen lo siguiente:

- Ninguna persona retrasará o interrumpirá los procedimientos, o se negará a obedecer las órdenes del oficial que preside la asamblea.
- Todas las personas deben abstenerse de entablar conversaciones, comer, beber y fumar dentro de la cámara del Ayuntamiento.
- Anuncios y pancartas deben permanecer fuera de la cámara del Ayuntamiento.
- No se permite usar teléfonos celulares o enlaces electrónicos (*paggers*) audibles en la cámara del Ayuntamiento durante audiencias del Ayuntamiento Municipal.

"Los ciudadanos y visitantes presentes durante las asambleas del Ayuntamiento Municipal deben obedecer las mismas reglas de comportamiento, decoro y buena conducta que se aplican a los miembros del Ayuntamiento Municipal. Cualquier persona que haga comentarios impertinentes, utilice vocabulario obsceno o difamatorio, o que al dirigirse al Ayuntamiento lo haga en forma escandalosa, o si causa disturbio durante la asamblea del Ayuntamiento Municipal, será expulsada de la cámara si el oficial que esté presidiendo la asamblea así lo ordena. Además, se le prohibirá continuar participando en la audiencia ante el Ayuntamiento Municipal. Si el oficial que preside la asamblea no toma acción, cualquier otro miembro del Ayuntamiento Municipal puede tomar medidas para hacer cumplir las reglas establecidas, y el voto afirmativo de la mayoría del Ayuntamiento Municipal precisará al oficial que esté presidiendo la sesión a tomar acción." Según la sección 3.3(c) de las reglas de procedimientos del Ayuntamiento.

SUBJECT

Authorize a three-year professional services contract, with two one-year renewal options, for spay/neuter services - Spay Neuter Network, most qualified respondent of three - Not to exceed \$2,037,978 - Financing: Current Funds (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a professional services contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This professional services contract will supplement staff in providing spay/neuter services. This professional services contract provides quality spay/neuter services to control the animal population. A spayed/neutered animal is easier to train, less territorial, reduces certain animal health risks, a calmer, and gentler pet.

Approximately 8,400 animals were spayed/neutered in FY 2014-15. This reflects a 31% increase in comparison to FY 2013-14. The capacity to perform these services in-house with the available staff has been maximized. In an effort to shorten the length of time a pet waits for surgery, the City is subcontracting services to maximize its efficiency.

Chapter 7 of the Dallas City Code requires that all animals that are adopted from Dallas Animal Services be spayed/neutered. All animals that are returned to their owners are also to be spayed and neutered, unless an intact animal permit exists.

BACKGROUND (Continued)

A five member committee from the following departments reviewed and evaluated the proposals:

- Police (2)
- Fire-Rescue (1)
- Code Compliance (1)
- Business Development and Procurement Services (1)*

*Business Development and Procurement Services only evaluated the Business Inclusion and Development Plan.

The successful proposer was selected by the committee on the basis of demonstrated competence and qualifications under the following criteria:

- Capability of proposer 30%
- Overall approach 30%
- Qualification 25%
- Business Inclusion and Development Plan 15%

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 284 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, BDPS' ResourceLINK Team (RLT) sent notifications to 25 chambers of commerce, the DFW Minority Business Council, and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

The recommended vendor meets the wage floor rate of \$10.37 approved by City Council on November 10, 2015, by Resolution No. 15-2141.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That the City Manager is authorized to execute a professional services contract with Spay Neuter Network (VS0000026296) for spay/neuter services for a term of three years, with two one-year renewal options, in an amount not to exceed \$2,037,978.00, upon approval as to form by the City Attorney. If the service was bid or proposed on an as needed, unit price basis for performance of specified tasks, payment to Spay Neuter Network shall be based only on the amount of services directed to be performed by the City and properly performed by Spay Neuter Network under the contract.

Section 2. That the Chief Financial Officer is hereby authorized to disburse funds in an amount not to exceed \$2,037,978.00 (subject to annual appropriations) from Service Contract number BAZ1513.

Section 3. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

Authorize a three-year service contract for the purchase and application of hydro-mulch - 814 Solutions, LLC, lowest responsible bidder of two - Not to exceed \$186,060 - Financing: Stormwater Drainage Management Current Funds (\$181,800) and Water Utilities Current Funds (\$4,260) (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will allow for the purchase and application of hydro-mulch to maintain the grounds of City facilities and outdoor venues. This service contract will be used for erosion control to provide hydro-mulch services in levees, sumps, and other properties where traditional seeding would be impractical. Hydro-mulching provides a seed, fertilizer, mulch slurry-type mixture which is distributed onto the affected area. This type of distribution method is more effective on sloped surfaces, as it is more evenly distributed and requires a single application. Additionally, this method is more cost efficient than traditional seeding because it provides custom blended seeds to match the soil, which prevents overlapping of areas and is completed in a shorter time period. Germination typically occurs within a week of application.

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 1,770 email bid notifications to vendors registered under respective commodities. SUBJECT

Authorize a three-year service contract for digitization services - DRS Imaging Services of Texas, Inc., most advantageous proposer of twelve - Not to exceed \$663,660 - Financing: Building Inspection Current Funds (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will provide digitization services for Sustainable Development and Construction (SDC). SDC has over 10,000,000 images stored on microfilm, microfiche and aperture cards, and 600,000 documents which are physically archived at the Oak Cliff Municipal Center. These records include building plans, permits, applications, authorization forms, plats, zoning maps, and licenses. The records are accessible to the public and are often utilized by customers when researching properties for development/redevelopment. In order to access these documents customers must search the archives in person.

The digitized records will utilize the Electronic Document Management System (EDMS) to make the records easily accessible to staff and the public. The EDMS is a database for digital media currently accessible by City staff and the public via computers at the Oak Cliff Municipal Center. This service contract will allow additional documents to be added to the existing document management system.

The intent of this service contract is to enhance customer service by making documents available online, thereby reducing the need for customers to do business or conduct research in person.

BACKGROUND (Continued)

A seven member committee from the following departments reviewed and evaluated the qualifications:

- Sustainable Development & Construction (3)
- Communication and Information Services (2)
- Business Development and Procurement Services (2)*

*Business Development and Procurement Services only evaluated the Business Inclusion and Development Plan and cost.

The successful proposer was selected by the committee on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 30%
- Capability, creditability and expertise of the proposer 25%
- Functional match to the City’s requirements 20%
- Business Inclusion and Development Plan 15%
- Overall approach/methodology 10%

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 1,173 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, BDPS’ ResourceLINK Team (RLT) sent notifications to 25 chambers of commerce, the DFW Minority Business Council, and the Women’s Business Council – Southwest, to ensure maximum vendor outreach.

The recommended vendor meets the wage floor rate of \$10.37 approved by City Council on November 10, 2015, by Resolution No. 15-2141.

SUBJECT

Authorize a three-year service contract for database access to downloadable digital media for the Dallas Public Library - OverDrive, Inc. for group a,c,e, & f in the amount of \$882,150, Bibliotheca, LLC for group d in the amount of \$202,500, and ProQuest, LLC for group b in the amount of \$147,062, most advantageous proposers of eight - Total not to exceed \$1,231,712 - Financing: Current Funds (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will provide Library patrons access to downloadable digital media such as:

- Books
- Audiobooks
- Comics
- Film
- Movie and television shows
- Magazines

Library patrons with a valid Dallas Public Library card will have the ability to download items (24 hours a day), through the Library's webpage. The material can be downloaded to a variety of devices, including personal computers, laptops, tablets and phones (iOS and Android), iPods, MP3 players, and e-book readers.

BACKGROUND (Continued)

Currently the Library offers downloadable e-books, e-magazines, and audiobooks. In FY 2014-15, 155,113 items were downloaded. Additionally, the Library will now offer downloadable film, television, comics, and graphic novels. This service will allow the Library to provide a wide variety of enhanced digital material that can be utilized to conduct research for school, workforce readiness, and lifelong learning.

Patrons will be able to check out and download items for books, magazines, comics, graphic novels, and audiobooks for up to 21 days; film and television can be checked out for up to 7 days. At the end of the check-out period, the material expires and the patron can no longer access the material from their playback device. There is nothing to return and no late fees will be incurred through this service. The Library expects to purchase approximately 60,000 downloadable media titles during this contract term.

A seven member committee from the following departments reviewed and evaluated the proposals:

SUBJECT

Authorize a three-year service contract for temporary day labor - Lane Staffing, Inc., most advantageous proposer of five - Not to exceed \$14,783,393 - Financing: Current Funds (\$11,380,493), Convention and Event Services Current Funds (\$1,947,450), Water Utilities Current Funds (\$1,067,452), and Aviation Current Funds (\$387,998) (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will provide temporary day labor on an as needed basis throughout the City. This service contract will also provide flexibility and cost effectiveness with workers supplied by a temporary agency. Workers will remain employees of the temporary agency but receive daily work supervision from City staff.

BACKGROUND (Continued)

Temporary labor will allow for various City projects to be completed, which include, but are not limited to:

- Installation, repair, and maintenance of Water Utilities projects
- Assist Park & Recreation in maintaining services at buildings and grounds
- Maintenance and organization of property and equipment at Dallas Auto Pound

Other City departments needing temporary labor occasionally may also use this contract. Temporary labor for Sanitation Services is covered under a separate service contract.

This solicitation was structured in a manner which required bidders to submit a response using unit pricing. This bid resulted in a 43% increase on comparable unit prices for the bid awarded in 2011.

A five member committee from the following departments reviewed and evaluated the proposals:

- Code Compliance (2)
- Water Utilities (2)
- Business Development and Procurement Services (1)*

*Business Development and Procurement Services only evaluated the cost.

The successful proposer was selected by the committee on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 30%
- Approach to filling positions 30%
- Experience and capabilities 25%
- Business Inclusion and Development Plan 15%

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 525 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, BDPS' ResourceLINK Team (RLT) sent notifications to 25 chambers of commerce, the DFW Minority Business Council, and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

A five member evaluation committee from the following departments reviewed and evaluated the proposals:

- City Controller's Office (1)
- Convention and Event Services (1)
- Water Utilities (1)
- Business Development and Procurement Services (2)*

*Business Development and Procurement Services (BDPS) with the assistance of the City Controller's Office evaluated cost. BDPS evaluated the Business Inclusion and Development Plan.

The successful proposer was selected by the committee on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 30%
- Capability and expertise 30%
- Overall approach and methodology 25%
- Business Inclusion and Development Plan 15%

BACKGROUND (Continued)

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 1,059 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, BDPS' ResourceLINK Team (RLT) sent notifications to 25 chambers of commerce, the DFW Minority Business Council, and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

The recommended vendors meet the wage floor rate of \$10.37 approved by City Council on November 10, 2015, by Resolution No. 15-2141.

SUBJECT

Authorize **(1)** rescinding the service contract with Technical Testing International, LLC dba TTI Environmental Laboratories, previously approved on December 11, 2013, by Resolution No. 13-2048, for analytical laboratory testing services; and **(2)** a service contract for analytical laboratory testing services through December 10, 2017 - Pace Analytical Services, Inc., second lowest responsible bidder of eight - Not to exceed \$948,211 - Financing: Current Funds (\$2,955), Water Utilities Current Funds (\$761,564), Stormwater Drainage Management Current Funds (\$165,357), and Sanitation Current Funds (\$18,335) (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

The City has exercised the termination for convenience clause with the contract awarded to Technical Testing International, LLC dba TTI Environmental Laboratories, awarded on December 11, 2013, by Resolution No. 13-2048. The contract shall be awarded to Pace Analytical Services, Inc., the second lowest bidder. This service contract will continue to allow City departments such as Water Utilities, Trinity Watershed Management, and Code Compliance to utilize certified, independent laboratories to conduct analytical laboratory testing services.

BACKGROUND (Continued)

The contractor will analyze samples for compliance with state and federal regulations including The Clean Water Act, Safe Drinking Water Act, Clean Air Act, Comprehensive Environmental Response, Compensation and Liability Act, Resource Conservation and Recovery Act, and Solid Waste Disposal Act.

The analytical services will be used to support stormwater monitoring, illicit discharge investigations, enforcement investigations, hazardous and non-hazardous waste management, industrial waste monitoring, publicly owned treatment works influent and effluent monitoring, enforcement investigations, and other water/wastewater testing for the City. The independent laboratories under this contract will be required to perform mandated Environmental Protection Agency analysis in situations where the City of Dallas laboratories lack the proper equipment, lab instrumentation, and resources to perform the needed tasks.

This contract will allow BDPS sufficient time to complete the solicitation process.

PRIOR ACTION/REVIEW COUNCIL, BOARDS, COMMISSIONS

On June 27, 2012, City Council authorized Supplemental Agreement No. 1 to exercise a one year renewal with forty-three professional service contracts for geotechnical studies and construction materials testing, analytical laboratory testing, and asbestos environmental and non-asbestos environmental testing services by Resolution No. 12-1617.

On December 11, 2013, City Council authorized a three-year service contract for analytical laboratory testing services by Resolution No. 13-2048.

Information about this item will be provided to the Budget, Finance and Audit Committee on October 17, 2016.

SUBJECT

Authorize the purchase of one heavy duty snow blower, with attachments, for Aviation - M-B Companies, Inc. through the National Joint Powers Alliance - Not to exceed \$1,241,368 - Financing: Aviation Current Funds

BACKGROUND

This item will authorize the purchase of one heavy duty snow blower, with attachments, for Aviation.

Dallas Love Field is required to meet Federal Aviation Administration (FAA) Regulations Part 139.313 governing snow and ice control. This regulation, in part, requires any air carrier airport that is located where snow and icing conditions occur must prepare, maintain, and carry out a snow and ice control plan that provides for the prompt removal or control of snow, ice, and slush on the airports runways and taxiways. Currently, FAA regulations require airport operations to maintain approximately 15 million square feet of paved surfaces utilized by aircraft and other equipment. This purchase of one additional heavy duty snow blower, with attachments, will provide an effective and efficient method to continue to meet FAA regulations.

The National Joint Powers Alliance (NJPA) conforms to the requirements of Texas Statutes that are applicable for competitive bids and proposals, in accordance with the Interlocal Cooperation Act, Chapter 791, Texas Government Code. In addition, the NJPA receive bids from manufacturers and dealers throughout the United States.

Authorize **(1)** the purchase of one medium duty explosives robot - Remotec, Inc., in the amount of \$200,703, sole source; and **(2)** the purchase of medium duty explosives robot accessories - Remotec, Inc., in the amount of \$100,468 through the General Services Administration - Total not to exceed \$301,171 - Financing: U.S. Department of Homeland Security Grant Funds

BACKGROUND

This action will allow for the purchase of one medium duty explosives robot and medium duty explosive robot accessories for the Dallas Police Department (DPD). The robot will be used by the Explosive Ordnance Disposal (EOD) team composed of Police and Fire personnel. Personnel on this team are uniquely trained in identifying, handling, deactivating, and disposing of explosive devices. The team requires specialized clothing, tools, and equipment to effectively handle explosive devices to ensure their safety as well, as the safety of others.

The EOD team utilizes the mobilization of robots when assessing explosive devices and is a critical component during the disposition process of any explosive unit. Due to the nature of this complex and hazardous process, the team requires uniformity in their clothing, tools, and equipment to ensure no operation is compromised due to unfamiliarity with any of the team's equipment. Additionally, because other surrounding municipal agencies use the same equipment, during multiple incidents, large-scale events or mutual aid situations, bomb technicians from other agencies can operate the equipment collaboratively.

BACKGROUND (Continued)

This purchase will replace a unit that has been in operation since 1994. The current robot has reached the end of its useful life and is no longer supported by the manufacturer. DPD will continue to utilize the current robot in training scenarios. The new robot will make available many of the newer technologies needed to assist the EOD team in managing explosive threats.

The General Services Administration (GSA) conforms to the requirements of Texas Statutes that are applicable for competitive bids and proposals, in accordance with the Interlocal Cooperation Act, Chapter 791, Texas Government Code. In addition, GSA receives bids from manufacturers and dealers throughout the United States.

SUBJECT

Authorize the purchase of twenty-six fleet vehicles for Code Compliance - Sam Pack's Five Star Ford through the Texas Smartbuy - Not to exceed \$622,160 - Financing: Current Funds

BACKGROUND

This item will allow for the purchase of twenty-six vehicles for various divisions in Code Compliance. Four trucks are replacing older animal vans and twenty-two vehicles are new additions to the fleet to accommodate new staff in the single family inspection program and the multi-tenant inspection program. Furthermore, vans being replaced have gone through an evaluation process using an established criterion which includes life-to-date maintenance costs, recommended replacement mileage, and recommended replacement life.

Texas Smartbuy conforms to the requirements of Texas Statutes that are applicable for competitive bids and proposals, in accordance with the Interlocal Cooperation Act, Chapter 791, Texas Government Code. In addition, Texas Smartbuy receive bids from manufacturers and dealers throughout the United States.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On June 12, 2013, City Council authorized a one-year master agreement for the purchase of two-hundred seventy-two pieces of fleet and equipment; a one -year master agreement for the purchase of eight pieces of fleet equipment; and a one-year master agreement for the purchase of four pieces of fleet equipment by Resolution No. 13-0936.

SUBJECT

Authorize **(1)** a three-year master agreement for the purchase of mulch materials - The LETCO Group, LLC dba Living Earth in the amount of \$549,010, GWG Wood Group, Inc. in the amount of \$308,644, and Blackson, Inc. in the amount of \$75,600; and **(2)** a three-year service contract for the delivery and installation of playground chips - Naturomulch, LLC in the amount of \$1,431,000, lowest responsible bidders of six - Total not to exceed \$2,364,254 - Financing: Current Funds (\$1,890,813), Water Utilities Current Funds (\$338,078), Aviation Current Funds (\$135,000), and 2016-17 Community Development Block Grant Funds (\$363) (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a master agreement and service contract is to establish firm pricing for goods and services, for a specific term, which are ordered on an as needed basis.

This agreement will be used to supply mulching materials for horticulture beds and tree plantings, top dressing for weed, moisture control, and playground chips.

The master agreement will provide wood fiber playground chips to replace existing wood chips in City-owned playgrounds. The playground chips provide a safe play surface under and around outdoor playground equipment and are certified by the International Playground Equipment Manufacturers Association (IPEMA) prior to delivery.

BACKGROUND (Continued)

IPEMA certification verifies that the playground chips meet applicable American Society of the International Association for Testing and Materials (ASTM) standards F2075 and F1487 with regard to composition, particle size, consistency, purity, and impact attenuation (critical fall height).

The Park and Recreation Department maintains grounds at six 18-hole golf courses, over 21,000 acres of park property and 43 recreation centers.

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 1,382 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, BDPS' ResourceLINK Team (RLT) sent notifications to 25 chambers of commerce, the DFW Minority Business Council, and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

The recommended vendor meets the wage floor rate of \$10.37 (for applicable service component) approved by City Council on November 10, 2015, by Resolution No. 15-2141.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On May 28, 2014, City Council authorized a three-year master agreement for mulching materials and playground chips by Resolution No. 14-0818.

The Park and Recreation Board approved this item on September 1, 2016.

Information about this item will be provided to the Budget, Finance and Audit Committee on October 17, 2016.

WHEREAS, on May 28, 2014, City Council authorized a three-year master agreement for mulching materials and playground chips by Resolution No. 14-0818;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

Section 1. That a master agreement for the purchase of mulch materials is authorized with The LETCO Group, LLC dba Living Earth (239731) in the amount of \$549,009.25, GWG Wood Group, Inc. (515537) in the amount of \$308,644.00, and Blackson, Inc. (VS90931) in the amount of \$75,600.00, for a term of three years in a total amount not to exceed \$933,253.25.

Section 2. That the Purchasing Agent is authorized, upon appropriate request and documented need by a user department, to issue a purchase order for mulch materials. If a written contract is required or requested for any or all purchases of mulch materials under the master agreement instead of individual purchase orders, the City Manager is authorized to execute the contract upon approval as to form by the City Attorney.

Section 3. That the City Manager is authorized to execute a service contract with Naturomulch, LLC (VS0000074476) for the delivery and installation of playground chips in an amount not to exceed \$1,431,000.00, upon approval as to form by the City Attorney. If the service was bid or proposed on an as needed, unit price basis for performance of specified tasks, payment to Naturomulch, LLC shall be based only on the amount of the services directed to be performed by the City and properly performed by Naturomulch, LLC under the contract.

Section 4. That the Chief Financial Officer is hereby authorized to disburse funds in an amount not to exceed \$2,364,253.25 (subject to annual appropriations) from Master Agreement/Service Contract number BC1608.

Authorize a three-year master agreement for large concrete water pipes and accessories - Forterra Pressure Pipe, Inc. in the amount of \$4,469,223 and Forterra Pipe & Precast, LLC in the amount of \$1,113,936, most advantageous proposers of two - Total not to exceed \$5,583,159 - Financing: Current Funds (\$1,012,007), Water Utilities Current Funds (\$4,246,528), and Stormwater Drainage Management Current Funds (\$324,624)

BACKGROUND

This action does not encumber funds; the purpose of a master agreement is to establish firm pricing for goods, for a specific term, which are ordered on an as needed basis.

This master agreement will provide large pressurized and precast concrete water pipes with accessories. Dallas Water Utilities (DWU) uses prestressed concrete cylinder pressurized pipe for repairs and replacement activities within untreated and potable water systems. The pressurized pipe is a watertight material that has a steel cylinder, steel joint rings, and a steel wire or rod wrap. This pipe material is utilized for the purpose of pressurized water application such as water transmission mains, water treatment plants, or other application where a watertight product is critical. DWU purchases large diameter pipe sections ranging from 20" - 96" in diameter and lengths from 16' - 24' linear feet. The availability of pipe will enable timely repairs to critical infrastructure; eliminating long lead time or extended customer outages.

BACKGROUND (Continued)

DWU maintains approximately 4,900 miles of water mains throughout the water distribution system.

Trinity Watershed Management (TWM), Park and Recreation, and Mobility & Street Services utilizes reinforced precast concrete pipes for rerouting water, water drainage, and replacement of collapsed or broken pipe structures as needed. Precast pipe is not a watertight pipe and is generally used for gravity applications. TWM currently maintains approximately 2,000 miles of storm sewers and manholes which carries storm water run-off from City streets.

A five member evaluation committee was selected from the following departments:

- Trinity Watershed Management (1)
- Water Utilities (1)
- Mobility & Street Services (1)
- Business Development and Procurement Services (2)*

*Business Development and Procurement Services only evaluated cost and the Business Inclusion and Development Plan.

The successful proposer was selected by the committee on the basis of the following criteria:

- Cost 35 points
- Experience 30 points
- Business Inclusion and Development Plan 15 points
- Approach 10 points
- Functional Match 10 points

As part of the solicitation process and in an effort to increase competition, Business Development and Procurement Services (BDPS) used its procurement system to send out 936 email bid notifications to vendors registered under respective commodities. To further increase competition, BDPS uses historical solicitation information, the internet, and vendor contact information obtained from user departments to contact additional vendors by phone. Additionally, in an effort to secure more bids, BDPS' ResourceLINK Team (RLT) sent notifications to 25 chambers of commerce, the DFW Minority Business Council, and the Women's Business Council – Southwest, to ensure maximum vendor outreach.

The recommended vendors meet the wage floor rate of \$10.37 (for applicable service component) approved by City Council on November 10, 2015, by Resolution No. 15-2141.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On April 27, 2011, City Council authorized a three-year master agreement for concrete pipe by Resolution No. 11-1109.

Authorize Supplemental Agreement No. 1 to increase the service contract for temporary information technology professionals - EJES, Inc. in the amount of \$665,309 from \$2,661,237 to \$3,326,546, Global Information Systems, Inc. in the amount of \$248,119 from \$992,478 to \$1,240,597, and Sierra Infosys, Inc. in the amount of \$87,807 from \$351,228 to \$439,035 - Total not to exceed \$1,001,235, from \$4,004,943 to \$5,006,178 - Financing: Current Funds (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This increase to the service contract will allow the City to continue to provide temporary Information Technology (IT) professionals to Communication and Information Services (CIS) while a new service contract is established. Additionally, the contract allows the City the flexibility to utilize temporary resources on an as needed basis.

Temporary IT resources supplied under this contract have specialized skills to assist short-term and time sensitive projects, and are utilized to architect, design, develop, and implement various infrastructure and software system projects. IT temporary professionals are utilized to assist CIS with various IT projects, which include, but are not limited to:

- Love Field Modernization Project Phase II
- Increased network bandwidth for recreation centers
- Enhanced IT support for Water Utilities projects
- Data Center support

Authorize **(1)** final approval of funding for the Air Rights/Public Parking Garage Purchase and Sale Agreement with FM City Park, LLC, as specified in Resolution No. 15-1105, previously approved on June 10, 2015, and allowing for adjustment of budget categories to provide the total funding of \$8,149,535, as previously authorized; and **(2)** an amendment to Resolution No.16-1090, previously approved on June 22, 2016, approving a Chapter 380 economic development grant in the amount of \$670,000 for Farmers Market streetscape and infrastructure, to direct \$498,156 of the funds for the public parking garage purchase - Financing: No cost consideration to the City

BACKGROUND

As part of the Farmers Market Redevelopment Project, Brian Bergersen (FM City Park, LLC) funded up-front costs for the construction of a public parking garage (300 spaces) as part of Harvest Lofts Mixed Use Project (Sheds 3 and 4). Upon completion, City agreed to purchase air rights and 300 parking spaces for \$8,149,535. Payment of initial funding is due five business days after substantial completion of garage improvements, which includes inspection and completion of punchlist, if necessary, and City will take ownership at such time.

On June 10, 2015, City Council approved and encumbered funding sources for the purchase including 2006 bond funds, Farmers Market land sale proceeds, Public Private Partnership (PPP) Grant funds and Farmers Market TIF District funds. Since the June 2015 approval, additional interest earnings generated from the bonds and land sale proceeds total \$171,844. This City Council action will reallocate funds which include interest earnings on 2006 Farmers Market bonds in the amount of \$160,465, include interest earnings on land sale proceeds in the amount of \$11,379 (total of \$171,844) and use \$498,156 in PPP funds previously authorized. TIF total funding and total purchase price remains the same.

BACKGROUND (Continued)

On June 22, 2016, City Council approved Resolution No. 16-1090, to use the PPP funds for infrastructure costs associated with the Farmers Market Redevelopment Project. This item will redirect \$498,156 of those funds to the purchase of the Farmers Market public parking garage.

The public parking garage is intended to be free. For special events, the operator may charge a fee, with City approval. The City is entitled to a percentage of all gross revenues generated (if any) from the public parking.

The following is a summary of Farmers Market Redevelopment Project Components and Status:

- Shed 1 is renovated and now operating as a marketplace for local farmers, farm merchants and vendors to sell produce and other farm-related products. It has a capacity for 119 stalls
- Shed 2 has been renovated and contains 24,148 square feet of retail space. It is active with restaurants, specialty food vendors and other retail vendors. Part of the Shed 2 redevelopment is the Mudhen restaurant, located just north of the Shed 2 parking lot. Shed 2 grand opening was May 6, 2016
- Harvest Lofts Mixed Use Project (Sheds 3 and 4) is currently under construction and will have 240 residential units, 16,000 square feet of retail space and 300 public parking spaces. Residential and retail space is expected to be delivered in first quarter of calendar year 2017
- 2101 and 2111 Taylor Street project will include 60 residential units and 25,000 square feet of commercial space. Construction will begin in first quarter of calendar year 2017
- North Texas Food Bank purchased the Farmers Market Administration Building in 2014 and relocated its administration office to that site in 2015
- Construction of the futsal fields and community gardens on land east of southbound Cesar Chavez Boulevard is scheduled to begin in the first quarter of calendar year 2017

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

Authorize amendments to Resolution No. 15-2104, previously approved on November 10, 2015, which authorized a 75 percent real property tax abatement agreement for 8-years with TCDFW Industrial Development, Inc. for improvements to approximately 35.582 acres of land fronting Chalk Hill Road within a Texas Enterprise Zone to change **(1)** the name of the contracting party from TCDFW Industrial Development, Inc. to Chalk Hill Distribution, LLC; and **(2)** the physical address noted for the property from 900 Chalk Hill Road to 1350 Chalk Hill Road - Financing: This action has no cost consideration to the City

BACKGROUND

On November 10, 2015, pursuant to Resolution No. 15-2104, the City Council authorized a 75 percent real property tax abatement agreement for 8-years with TCDFW Industrial Development, Inc. (an affiliate company of Trammell Crow Company). The project entails the development of a speculative industrial/warehouse facility of approximately 475,000 square feet on approximately 35.582 acres located at 1350 Chalk Hill Road, Dallas, Texas in a Texas Enterprise Zone. Trammell Crow secured a contract to purchase two parcels making up the development site in the name of TCDFW Industrial Development, Inc. and transferred the properties at closing to a joint venture entity created with its financial partner called Chalk Hill Distribution, LLC. Prior to assembly, the property was previously noted to be 900 Chalk Hill Road but the address for the property was updated to 1350 Chalk Hill Road when an address was assigned by the City in the building permit process.

With the project, the developer is required to invest a minimum of \$10,000,000 constructing the approximately 475,000 square foot facility with substantial completion by September 31, 2018. Furthermore, TCDFW Industrial must have at least 51 percent of the facility leased in order to receive the real property tax abatement upon the value of the new real property improvements proposed. If the required space is not occupied during a given year within the 8-year tax abatement period, the abatement is lost for that year.

BACKGROUND (Continued)

Net fiscal impact from the project after incentives, is estimated at \$318,696 over 10 years and \$1,516,052 over 20 years. This proposed project conforms to minimum eligibility criteria for the City's Public/Private Partnership Program Guidelines and Criteria as it has a private investment exceeding \$1 million. Staff recommends approval of the proposed incentive.

Trammell Crow, founded in Dallas in 1948, is a full-service real estate development company which has developed or acquired over \$60 billion in property. Trammell Crow is headquartered in Kansas City, Missouri with regional offices in Columbus, Dallas, Houston and Phoenix. The company's diverse product expertise includes office, industrial, residential, retail, and health care.

Authorize **(1)** approval of the development plan submitted to the Dallas Housing Acquisition and Development Corporation by B & J Custom Homes Inc. DBA Redline Development Group for the construction of houses; **(2)** the sale of 7 vacant lots (list attached) from Dallas Housing Acquisition and Development Corporation to B & J Custom Homes Inc. DBA Redline Development Group; and **(3)** execution of a release of lien for any non-tax liens on the 7 properties that may have been filed by the City - Financing: No cost consideration to the City

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of housing developments. The City Council then established the Dallas Housing Acquisition and Development Corporation (DHADC) as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C on January 28, 2004.

B & J Custom Homes Inc. DBA Redline Development Group has submitted a proposal and development plan to DHADC for 7 lots shown on the attached list. The DHADC board of directors has approved the development plan and sale of the 7 lots, subject to City Council approval. This item will authorize City Council approval of the development plan submitted by B & J Custom Homes Inc. DBA Redline Development Group to DHADC, the sale of those lots from DHADC to B & J Custom Homes Inc. DBA Redline Development Group and the release of lien for any non-tax liens that may have been filed by the City.

BACKGROUND (continued)

The vacant lots were purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens. DHADC's Deed without Warranty to B & J Custom Homes Inc. DBA Redline Development Group will contain a reverter that returns the property to DHADC if a construction permit is not applied for by B & J Custom Homes Inc. DBA Redline Development Group and construction financing is not closed within three years of conveyance.

B & J Custom Homes Inc. DBA Redline Development Group will build single family houses on the lots. The approximate square footage and sales price of the houses will be from 1,400 to 2,000 square feet and from \$175,000 up. The lots will be deed restricted for sale to eligible families.

DHADC will receive \$35,000.00 for the sales price of the vacant lots to B & J Custom Homes Inc. DBA Redline Development Group, as calculated from the 2015-16 Land Bank Plan approved by City Council.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 28, 2004, by Resolution No. 04-0458, City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of housing as allowed under Chapter 379C of the Texas Local Government Code.

On September 22, 2016, the DHADC board of directors approved the development plan and sale of 7 lots from DHADC to B & J Custom Homes Inc. DBA Redline Development Group.

On September 19, 2016, the Housing Committee was briefed regarding the Urban Land Bank Demonstration Program which outlined the process and status of the program.

King Home Builders, LLC will build single family houses on the lots. The approximate square footage and sales price of the houses will be from 1,300 to 1,650 square feet and from \$135,000 to \$175,000. The lots will be deed restricted for sale to eligible families.

DHADC will receive \$20,000.00 for the sales price of the vacant lots to King Home Builders, LLC, as calculated from the 2015-16 Land Bank Plan approved by City Council.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 28, 2004, by Resolution No. 04-0458, City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of housing as allowed under Chapter 379C of the Texas Local Government Code.

On August 25, 2016, the DHADC board of directors approved the development plan and sale of 4 lots from DHADC to King Home Builders, LLC.

On September 19, 2016, the Housing Committee was briefed regarding the Urban Land Bank Demonstration Program which outlined the process and status of the program.

Information about this item will be provided to the Housing Committee on October 17, 2016.

Authorize Supplemental Agreement No. 2 to the FY 2015-16 contract with Health Services of North Texas, Inc. to provide scattered site housing assistance for persons with HIV/AIDS, to revise the Statement of Services and budget to reallocate funding in the total amount of \$27,175 from the Emergency/Tenant Based Rental Assistance - Housing Services and Program Administration/Project Sponsors budget categories to the Emergency/Tenant Based Rental Assistance - Financial Assistance budget category with no net change in the contract amount - Financing: No cost consideration to the City

BACKGROUND

On August 12, 2015, City Council by Resolution No. 15-1369 approved the contract with Health Services of North Texas, Inc. to enter into the second twelve month renewal option to provide scattered site housing under the Housing Opportunities for Persons with AIDS (HOPWA) Program.

Under the HOPWA program, Health Services of North Texas, Inc. provides short-term emergency assistance and long-term tenant based rental assistance to low income persons living with HIV/AIDS primarily in Collin, Delta, Denton, Ellis, Hunt, Kaufman, and Rockwall counties. In addition to housing assistance, HOPWA clients also receive supportive services through case managers at each location who ensure that clients have access to other services in the Dallas area.

Health Services of North Texas, Inc. is a non-profit agency located in Denton, with offices also located in Plano, providing quality medical and support services to persons living with HIV/AIDS in the rural and outer urban communities of North Texas. The agency was founded in 1988, and has been providing HOPWA scattered site housing assistance through Tarrant County since 1995, and through Dallas County since 1996.

BACKGROUND (Continued)

The agency's programs include outpatient medical care assistance; prescription and insurance assistance; HOPWA housing assistance; behavioral health counseling; medical and comprehensive case management assistance; food pantries; and transportation.

The agency will have funds remaining in the Emergency/Tenant Based Rental Assistance E/TBRA - Housing Services and Program Administration/Project Sponsors budget categories, and will use those funds to meet rental assistance needs. Accordingly, the agency has requested to reallocate funding to the appropriate budget category. Approval of this item will reallocate funding as listed below, with no net change in the contract amount.

	Original	Change	Revised
E/TBRA - Financial Assistance	\$405,000	\$27,175	\$432,175
E/TBRA - Housing Services	\$134,000	(\$22,919)	\$111,081
Prog Admin/Project Sponsors	<u>\$ 37,730</u>	<u>(\$ 4,256)</u>	<u>\$ 33,474</u>
	\$576,730	\$ 0	\$576,730

PERFORMANCE MEASURES

Number of Persons Assisted	2015-16 <u>Goal</u>	2015-16 <u>Actual</u>
Emergency-unduplicated clients served	45	57
Tenant-based-unduplicated clients served	40	49
Total-unduplicated clients served	85	106

OUTCOME MEASURES

The intended outcome of HOPWA facility based housing assistance, as required by HUD, is: Housing Stability, measured by the percentage of clients who remain in stable housing at the end of each program year.

	2015-16 <u>Goal</u>	2015-16 <u>Actual</u>
Emergency - percent in stable housing	92%	TBD%
Tenant-based - percent in stable housing	92%	98%

In FY 2015-16, the agency also reported data on access to care and support per HOPWA requirements.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On August 13, 2014, City Council authorized the first twelve-month renewal option to the contract with Health Services of North Texas, Inc. for scattered site housing assistance, by Resolution No. 14-1224.

On August 12, 2015, City Council authorized the second twelve-month renewal option to the contract with Health Services of North Texas, Inc. for scattered site housing assistance, by Resolution No. 15-1369.

On April 27, 2016, City Council authorized Supplemental Agreement No. 1 to the FY 2014-15 contract with Health Services of North Texas, Inc. for scattered site housing assistance, by Resolution No. 16-0634.

On October 11, 2016, City Council authorized a twelve-month contract, with two twelve-month renewal options, with Health Services of North Texas, Inc. for scattered site housing assistance, by Resolution No. 16-1663.

WHEREAS, many legislative issues affecting local government will be considered; and,

WHEREAS, the City of Dallas has historically adopted a legislative program for consideration by the Legislature;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the City of Dallas Legislative Program for the 85th Session of the Texas Legislature is adopted.

SECTION 2. That the City Attorney is directed to communicate the items included in the state legislative program to members of the Texas Legislature.

SECTION 3. That the City Attorney is directed to support legislation that upholds the City of Dallas' home-rule authority, as well as oppose legislation that diminishes resources or home-rule authority.

SECTION 4. That for those issues that arise during or prior to the Session for which there is no official City position and there is insufficient time to convene a meeting of the Legislative Ad Hoc Committee or the City Council, the Chair of the Legislative Ad Hoc Committee is authorized to represent and protect the interests of the City.

Authorize a professional services contract with CapitalEdge Strategies, LLC to provide federal legislative services to the City for the period October 1, 2016 through September 30, 2017 - Not to exceed \$160,000 - Financing: Current Funds

BACKGROUND

CapitalEdge Strategies, LLC, led by Ralph Garboushian, operates a Washington, D.C. office which monitors federal action affecting Dallas, working with the Texas Congressional delegation and the Executive Branch to advance City interests and priorities. In addition, the office works closely with national municipal organizations, including the National League of Cities (NLC), the U.S. Conference of Mayors (USCM), the International City-County Management Association (ICMA), and others to make sure they are aware of the City's positions and agendas.

Under the contract, CapitalEdge Strategies, LLC contacts City staff regularly, by telephone, through visits to Dallas, written reports, bulletins and memoranda. Briefings on federal issues are presented to Council members during meetings of NLC, as well as at any other time requested by the City. Supplemental information necessary to understanding the effect and impact of federal legislation and regulations is also provided. Timely information about government grant programs, frequently based on personal contact with federal program managers, is sent directly to the appropriate staff to facilitate Dallas funding applications.

CapitalEdge Strategies, LLC has frequently assisted the City by connecting high-level members of the Administration with Dallas leadership. CapitalEdge Strategies, LLC has also advised on working with federal agencies such as the U.S. Department of Housing and Urban Development, Transportation, Homeland Security, Federal Transit Administration, and The White House.

BACKGROUND

Goodnight Lane from Joe Field Road to Royal Lane was included in the 2006 Bond Program under the category of Thoroughfares. A professional services contract for the design of this project was authorized by City Council on June 10, 2009, by Resolution No. 09-1463, and this action will authorize the project, partial payment of cost by assessment, and a benefit assessment hearing. The improvements will consist of a 44-foot wide concrete pavement with curbs, sidewalk, bike trail, drive approaches, and installation of a storm drainage system and water and wastewater main improvements.

The paving assessment process requires the following three steps:

1. Authorize paving improvements.
2. Authorize a benefit assessment hearing.
3. Benefit assessment hearing, ordinance levying assessments and authorize contract for construction.

These actions are the 1st and 2nd steps in the process.

GOODNIGHT LANE FROM JOE FIELD ROAD TO ROYAL LANE PROJECT

MAPSCO 22G

October 26, 2016

WHEREAS, the City of Dallas deems it necessary to permanently improve the hereinafter named street within the City of Dallas.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the following street

Goodnight Lane from Joe Field Road to Royal Lane

shall be improved in the following manner, to wit:

- (1) That said street shall be profiled so as to bring same to design grade.
- (2) That said street shall be paved from curb to curb with 11-inch thick 4000-pounds per square inch reinforced concrete pavement; with 8-inch thick lime treated subgrade stabilization; with 6-inch high integral curbs; with 8-inch thick reinforced concrete drive approaches; with 4-inch thick reinforced concrete sidewalk 6 feet wide, with a 10-foot wide bike trail, so that the roadway shall be 44 feet in width; and,

That any permanent improvements in place, meeting these specifications, or which can be utilized, shall be left in place, if any, and corresponding credits to the property owners shall be allowed on the assessments.

That bids shall be taken for the construction of the work for the type of construction enumerated above, and the work shall be done with the materials and according to plans and methods selected by the City Council after the bids are opened.

That the cost of said improvements shall be paid for as follows, to wit:

- (a) That the City of Dallas shall pay only an amount equal to the cost of storm sewers, and also all the cost of improving intersections of said street with other street, and partial adjusted frontages on side property, except so much thereof as shall be borne by streets.
- (b) That after deducting the proportion of the cost provided for in said Subsection (a) above, the whole remaining cost, including the cost of concrete curbs or curbs and gutters, driveways, sidewalks shall be paid by the owners of property abutting on said street named to be paved, in the following manner, to wit:

October 26, 2016

That the cost shall be assessed against said owners and their property respectively, in accordance with what is known as the "Front-Foot Plan", in proportion as the frontage of the property of each owner is to the whole frontage improved and shall be payable in monthly installments not to exceed one hundred twenty (120) in number, the first of which shall be payable within thirty (30) days from the date of the completion of said improvements and their acceptance by the City of Dallas, and one installment each month thereafter until paid, together with interest thereon at the current rate established and adopted by the City Council applicable to Public Improvement Assessment Accounts being paid by installments and not to exceed the statutory rate, with the provision that any of said installments may be paid at any time before maturity by the payment of the principal and the accrued interest thereon. Any property owner against whom and whose property an assessment has been levied may pay the whole assessment chargeable to him without interest within thirty (30) days after the acceptance and completion of said improvements.

Provided that, if the application of the above-mentioned rule of apportionment between property owners would, in the opinion of the City Council, in particular cases be unjust or unequal, it shall be the duty of the said Council to assess and apportion said cost in such manner as it may deem just and equitable, having in view the special benefits in enhanced value to be received by each owner of such property, the equities of owners, and the adjustment of such apportionment, so as to produce a substantial equality of benefits received by and burdens imposed upon such owners.

That no such assessment shall be made against any owner of abutting property, if any, until after the notice and hearing provided by law, and no assessment shall be made against an owner of abutting property in excess of the benefits to such property in enhanced value thereof by means of such improvements.

That the contractor shall be paid for the work performed under the specifications, upon monthly estimates to be prepared by the Director of Mobility and Street Services. That there shall be deducted as a retainage fee, five (5%) percent of such monthly estimates, to be held by the City of Dallas until the contract is performed and executed to the satisfaction of the Director of Mobility and Street Services. The monthly estimates shall be paid on or before the 10th day of the next succeeding month for the work performed during the previous month.

October 26, 2016

For that part of the cost of the improvements that shall be determined to be levied against the owners of abutting property and their property shall be levied by assessment as herein provided, and said improvements may further be secured by Mechanic's Liens to be executed in favor of the City of Dallas, provided by law in accordance with the terms and provisions of this resolution. Paving certificates evidencing the assessment shall be issued in favor of the City of Dallas for the amount of the assessment, whether the property owners have executed Mechanic's Liens to secure the payment or not, and shall be payable for the use and benefit of the Revolving Fund established for the purpose of financing paving improvements.

That the Director of Mobility and Street Services is hereby directed to prepare at once the specifications and an estimate of the cost of such improvements and file the same with the City Council for the hereinabove described pavement and improvements. That in the specifications prepared, provision shall be made to require all contractors to give such bonds as may be necessary or as required by law.

That such specifications shall require the bidder to make a bid upon the type of improvements above described, with such bonds as may be required.

That the specifications shall also state the amounts of the required bonds, as well as the method by which it is proposed to pay the cost of said improvements, said method being in accordance with this resolution.

SECTION 2. That the City Council, in initiating this proceeding, is acting under the terms and provisions of the Act passed at the First Called Session of the Fortieth Legislature of the State of Texas, and known as Chapter 106 of the Acts of said Session, together with any amendments thereto, now shown as Texas Transportation Code Annotated Sections 311 and 313 (Vernon's 1996), which said law, as an alternative method for the construction of street improvements in the City of Dallas, Texas, has been adopted and made a part of the Charter of said City, being Chapter XX of said Charter.

SECTION 3. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

NOTICE OF ASSESSMENT PROCEEDINGS AND LIEN UPON ABUTTING PROPERTY

NOTICE is hereby given that the Governing Body of the City of Dallas, in the County of Dallas, in the State of Texas, by Resolution No. _____ dated _____ has ordered and directed that the following street in said City be improved, to wit:

City of Dallas, Texas

By _____
City Secretary

(File in Deed of Trust Records)

October 26, 2016

WHEREAS, the City Council of the City of Dallas is of the opinion that it is necessary to levy an assessment against the property and the owners thereof abutting upon the following:

Goodnight Lane from Joe Field Road to Royal Lane

for a part of the cost of improving said street, fixing a time for the hearing of the owners of said property concerning the same, and directing the City to give notice of said hearing, as required by law; and,

WHEREAS, the City Council has heretofore, by resolution, ordered the improvement of the street enumerated above, by paving said street from curb to curb with 11-inch thick 4000-pounds per square inch reinforced concrete pavement; with 8-inch thick lime treated subgrade stabilization; with 6-inch high integral curbs; with 8-inch thick reinforced concrete drive approaches; with 4-inch thick reinforced concrete sidewalk 6 feet wide, with a 10-foot wide bike trail, so that the roadway shall be 44 feet in width; and

Any existing permanent improvements in place, meeting these specifications, or which can be utilized, shall be left in place, if any, and corresponding credits to the property owners shall be allowed on the assessments; and,

WHEREAS, the Director of Mobility and Street Services of the City of Dallas has, in accordance with the law, filed his report with the City Council, and the property owners, in the cost thereof, together with the names of the owners and the description of said property, and the work to be done adjacent thereto, and the amounts proposed to be assessed against each lot or parcel and its owners and all other matters required by the applicable law.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the report or statement filed by the Director of Mobility and Street Services having been duly examined is hereby approved.

SECTION 2. That it is hereby found and determined that the cost of improvements on the hereinafter described street, with the amount or amounts per front foot proposed to be assessed for such improvements against abutting property and the owners thereof, are as follows, to wit:

October 26, 2016**Goodnight Lane from Joe Field Road to Royal Lane**

shall be improved from curb to curb with 11-inch thick 4000-pounds per square inch reinforced concrete pavement; with 8-inch thick lime treated subgrade stabilization; with 6-inch high integral curbs; with 8-inch thick reinforced concrete drive approaches; with 4-inch thick reinforced concrete sidewalk 6 feet wide, with a 10-foot wide bike trail, so that the roadway shall be 44 feet in width; and

The estimated cost of the improvements is **\$3,651,519.74 (est.)**

- a. The estimated rate per square yard to be assessed against abutting property and the owners thereof for concrete drive approaches is **\$47.21/S. Y.**
- b. The estimated rate per front foot to be assessed against abutting property and the owners thereof for pavement improvements is as follows:

Where Property Classification is WSR-III (Commercial, Industrial)

The rate for 11-inch adjusted to 10-inch thick reinforced concrete pavement 22 feet wide with curb: **\$143.00/L. F.**

The rate for 4-inch thick reinforced concrete sidewalk is: **\$9.43/L. F.**

All assessments, however, are to be made and levied by the City Council as it may deem just and equitable, having in view the special benefits in enhanced value to be received by such parcels of property and owners thereof, the equities of such owners, and the adjustment of the apportionment of the cost of improvements so as to produce a substantial equality of benefits received and burdens imposed.

SECTION 3. That a hearing shall be given to said owners of abutting property, or their agents or attorneys and all persons interested in said matter, as to the amount to be assessed against each owner and his abutting property and railways and street railways and as to the benefits to said property by reason of said improvement, or any other matter of thing in connection therewith, which hearing shall be held in the Council Chamber of the City Hall of the City of Dallas, County of Dallas, on the **14th** day of **December**, A.D. **2016**, at **1:00** o'clock P.M., at which time all the said owners, their agents or attorneys or other interested persons are notified to appear and be heard, and at said hearing said owners and other persons may appear, by counsel or in person, and may offer evidence, and said hearing shall be adjourned from day to day until fully accomplished.

That the City shall give notice of the time and place of such hearing and of other matters and facts in accordance with the terms of provisions of the Act passed at the First called session of the Fortieth Legislature of the State of Texas, and known as

October 26, 2016

Chapter 106 of the Acts of said session, together with any amendments thereto, now shown as Texas Transportation Code Annotated Section 311 and 313 (Vernon's 1996), which said law, as an alternative method for the construction of street improvements in the City of Dallas, Texas, has been adopted and made a part of the charter of said City, being Chapter XX of said Charter. Said notice shall be by advertisement inserted at least three times in a newspaper published in the City of Dallas, Texas, the first publication to be made at least twenty-one (21) days before the date of said hearing. Said notice shall comply with and be in accordance with the terms and provisions of said Act.

That the City shall give additional written notice of said hearing by mailing to said owners a copy of said notice deposited in the Post Office at Dallas, Texas, at least fourteen (14) days prior to the date of said hearing, provided however, that any failure of the property owners to receive said notice, shall not invalidate these proceedings.

SECTION 4. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

Engineer's Report

October 26, 2016

TO THE CITY COUNCIL OF THE CITY OF DALLAS, TEXAS

As requested by your Honorable Body, the undersigned has prepared plans and specifications for the improvements of **Goodnight Lane from Joe Field Road to Royal Lane**. That said street shall be paved curb to curb with 11-inch thick 4000-pounds per square inch reinforced concrete pavement; with 8-inch thick lime treated subgrade stabilization; with 6-inch high integral curbs; with 8-inch thick reinforced concrete drive approaches; with 4-inch thick reinforced concrete sidewalk 6 feet wide, with a 10-foot wide bike trail, so that the roadway shall be 44 feet in width; and with estimates of the cost of improving the street as listed thereon, together with the proposed assessments, a part of the cost to be made against the abutting properties and the property owners, and part of the cost to be paid by the City. The report of these improvements is as follows:

The Director of Mobility and Street Services reports that Goodnight Lane from Joe Field Road to Royal Lane is being improved per the City of Dallas Thoroughfare Plan to provide access to the neighborhood and promote economic development. Taking this into consideration, plans and specifications have been prepared for these improvements. We believe that this paving will improve the properties abutting on said street, and the proposed assessment is equitable for the enhancement value achieved on the abutting properties. Final determination of assessments will be made based on analysis of enhancement.

Respectfully submitted,

Director, Mobility & Street Services Department

AGENDA ITEM # 36

KEY FOCUS AREA: Culture, Arts and Recreation and Educational Enhancements

AGENDA DATE: October 26, 2016

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Cultural Affairs

CMO: Joey Zapata, 670-1204

MAPSCO: N/A

SUBJECT

Authorize contracts with individual artists and cultural organizations for artist services, on an as-needed, when-needed basis, to the City through the Community Artist Program (list attached) - Not to exceed \$300,000 - Financing: Current Funds

BACKGROUND

The Community Artist Program (CAP) is a function of the Cultural Programs Division of the Office of Cultural Affairs. The program's purpose is to provide support and opportunities for ethnic artists and cultural organizations to teach, perform, and exhibit at host facilities in Dallas neighborhoods.

CAP is open to individual culturally and/or ethnic specific artists and/or ethnic specific arts organizations with administrative offices that are permanently located in the City of Dallas. Artists and nonprofit cultural organizations performing and presenting in the areas of music, dance, theatre, literature, visual arts, film/video, literary arts, and folk art are all eligible to apply.

CAP services are provided through one of three program types:

1. Performance - A proposed performance will introduce an audience to a cultural art form or tradition. Performances average 50 minutes in length plus set up and break down times.
2. Workshops - A workshop is a hands-on opportunity to introduce the audience/participants to a cultural art form or tradition. A workshop series allows the participants to explore the topic in greater detail and includes a culminating activity. A workshop series can be 2 day or 4 day sessions. Each workshop session is generally two hours depending on the need of the host organization.

BACKGROUND (Continued)

3. Residency - Residencies are tailored to the needs of a specific neighborhood, community, or host site(s). Residency programs are implemented by artists with a history of engagement with the community and a commitment to utilize arts education for community development. The goal of the residency program is to provide the opportunity for artists and the community to collaborate on arts projects that develop positive and sustainable neighborhood outcomes. Residency services are a minimum of 1-4 hours per week for a minimum of 2 weeks and a maximum of 8 weeks.

Artists and organizations apply for participation in the CAP program, and are selected through a community panel process. The Office of Cultural Affairs assigns participating artists/organizations to services in the community on a request and need basis. Community hosts include churches, community organizations, recreation centers, social service agencies, and other non-profit groups. Emphasis is placed on underserved or un-served communities that have not had prior exposure to the art form. All funded activities occur within the city of Dallas.

Artreach-Dallas, Inc.

The cultural agency will serve approximately 30,000 children, parents and teachers from DISD, private schools, parochial schools and home schools in the City of Dallas through 3 program initiatives: *Community Events*, *Infacility* programming and the *Booking Service*. Through the *Community Events* ticket distribution program, empty seats are filled by making tickets available to citizens whose access to the cultural community is otherwise often unavailable. The *Infacility* program provides custom designed instruction and residencies to schools, community centers, retirement homes, and service organizations through direct artistic instruction and services from professional artists. The *Booking Service* supports outreach efforts of arts and cultural institutions and provides coordination of field trips for school groups, institutions, and community based groups to attend performances and exhibitions. Artreach *Community Events* program provides donated tickets to approximately 16,000 economically disadvantaged children, adults, disabled and elderly citizens of Dallas.

Performance Benchmarks for the COP FY16-17 Payment Periods

The Artreach *Booking Service* represents Dallas Children's Theater, Dallas Black Dance Theater, and the African American Museum. Each of the above organization's calendars of events is used for booking purposes.

October 26, 2016**Section 3. (Continued)****Big Thought**

The cultural agency will serve an estimated 450,000 attendees, students, teachers and families in Dallas, through creative learning events and programs intended to close the opportunity gap by providing experiences which enhance academic achievement, youth development and family learning. Through Big Thought's programs, children and adults will be served by an estimated 2717 classes/workshops, 1359 performances and presentations, 128 camp services and attendance at fairs, festivals and exhibits during the 2016-2017 program cycle. Direct services include: School day, after-school and summer classes, workshops, and performances delivered by professional artists; Creative Solutions – master teaching artists helping at-risk teens on probation, in detention and in other environments; and Library Live! – free programs in Dallas public libraries. In addition, funding is also included for Big Thought to support multi-week summer camps at Office of Cultural Affairs Cultural Centers; serve as the managing partner of Learning Partners (formerly Dallas ArtsPartners); and also act as the managing partner for Thriving Minds, including the Dallas City of Learning initiative which uses technology to connect students to learning opportunities in their communities, across Dallas and online. With an emphasis on community partnerships, Big Thought will coordinate the resources of the Office of Cultural Affairs, other City departments and agencies, Dallas Independent School District and more than 200 cultural partners to deliver creative learning activities and resources to Dallas students. Management activities include facilitating governance, planning activities and events, and taking direct responsibility for private sector fundraising, program implementation, professional development and fiscal management. Big Thought will support training, transportation, and direct services provided by the cultural community for out-of-school activities to be conducted in neighborhood venues. During the project period, research and evaluation data will also be collected to support systemic implementation across Dallas.

Crow Collection of Asian Art

The cultural agency will serve approximately 70,000 people by presenting a year-round exhibition, education programs to the public and schools and several cultural festivals. As one of the only museums dedicated to the arts and cultures of Asia in the United States, the Crow Collection is important for spreading Asian cultural awareness. Education outreach programs including *Lotus Learners* and *Lotus Wellness* put Crow Collection teachers in Dallas schools. These programs use visual art, Artful Thinking, and yoga as a framework to bridge the classroom and the museum. These programs are supplemented with tours of the museum by professional Gallery Educators. *Clay Between Two Seas: From the Abbasid Court to Puebla de los Angeles*, is the world premiere of an exhibition that details the influence of Asian technology and design on Mexican Talavera pottery. This exhibition features works from Mexico City, contemporary ceramics from Talavera de la Reyna in Puebla, and a selection of Chinese ceramics from the Crow's permanent collection. Two annual festivals that will be provided are *Chinese New Year* and *Otsukimi*. *Chinese New Year* celebrates the Lunar New Year with a focus on China's traditions for over 25,000 attendees with stage performances, partner booths, art activities, and fireworks. *Otsukimi* is a Japanese moon viewing festival held at night to view the full autumn moon while experiencing different aspects of Japanese culture. *Mystical Arts of Tibet* is a week-long residency with the Tibetan Buddhist monks from the Drepung Loseling Monastery. In the course of the week the monks lead meditation, offer lectures, and create a mandala in one of the galleries. Free admission to the Museum is offered year round.

Dallas Chamber Symphony

The cultural agency will provide services for approximately 30,000 people. Dallas Chamber Symphony engages audiences through underrepresented and standard chamber music repertoire, and through an innovative season of four subscription performances that include film, actors, and dancers, as well as 20+ free music outreach concerts every year. This year the organization will also collaborate with the Bruce Wood Dance Project and Video Association of Dallas at Dallas City Performance Hall. The organization commissions new works, and engages audiences through programmatic outreach programs. *Taking It to the Streets* is an hour-long, free public concert featuring an array of music styles and ensembles presented around Downtown Dallas and adjacent neighborhoods. "Seeds" outreach events will bring music into area hospitals, homeless shelters, and other facilities whose population might not be able to partake of these events. *TechNotes* is a part of a new music curriculum that combines the use of new technologies in the classroom, and real-world, hands-on experience. This digital supplement provides a TEKS-aligned curriculum of musical concepts that

October 26, 2016**Section 3. (Continued)****Dallas Museum of Art**

The cultural agency will serve more than 1,400,000 visitors, present 8 primary exhibitions, including four nationally or internationally touring exhibitions and numerous smaller-scale exhibitions and installations that will complement the Museum's permanent collection, and offer over 5,000 educational programs. General admission to the DMA is free to all, every day of the week, providing the community with wide public access to the Museum's global collection of art. The website provides important educational access to the collections and exhibitions of the Museum that are available to the public. The Center for Creative Connections will continue to provide visitors with the opportunity to interact with works of art and create art of their own. The third Friday of each month, the Museum will stay open until midnight for the popular *Late Nights* program, which offers hundreds of experiences for visitors of all ages with performances, concerts, readings, film screenings, tours, and family programs. The 26th season of *Arts & Letters Live* will feature approximately 28 events with award-winning authors and artists. This fall, the DMA will launch *Off the Wall*, a brand new program on the second Thursday of each month that takes an unexpected look at the Museum's collection with a pop culture twist. *Family Programs* will provide interactive opportunities for families to learn about art together, such as the DMA's *Early Learning Programs*, which serve children up to age 7 and their parents or caregivers. In the area of community outreach, the *Go van Gogh Outreach Program* will continue to offer free art presentations to North Texas students and teachers in their classrooms. Over 46,000 students will visit the Museum for collections tours and rich learning experiences facilitated by docents who participate in a rigorous program of continuing education and evaluation. The Museum also will provide *Access Programs* for audiences with special needs, including families of children with autism spectrum disorders (*Autism Awareness Family Celebrations*, which will take place four times during the year), individuals with vision impairment (*Art Beyond Sight*, which occurs in October), and individuals with early-stage dementia (*Meaningful Moments*, which occurs monthly). The Museum also strives to maintain a diverse audience base that mirrors the demographics of the Dallas MSA.

The cultural agency will serve approximately 70,000 people through the presentation of five main stage productions at the Winspear Opera House – Tchaikovsky's *Eugene Onegin*, Jake Heggie and Gene Scheer's *Moby-Dick*, Puccini's masterpiece *Madame Butterfly*, Britten's *The Turn of the Screw*, and Bellini's *Norma* for a total of 25 main stage performances. We will open 5 dress rehearsals to select patrons and present a simulcast of *Moby-Dick* to patrons in Klyde Warren Park. Each year DISD students and teachers benefit from the Educational Series. There will be 4 student performances of a 50 minute production entitled, *Bastien and Bastienne* at the Winspear, plus 36 touring opera performances of *Bastien and Bastienne* and *The Three Little Pigs* to elementary schools; 15 are expected to occur within Dallas. One session will be held to train teachers to use curricula based on the opera to teach core academic subjects. Now providing after-school programs to engage area youth in arts activities and introduce them to opera, The Dallas Opera (TDO) will provide 18 residencies of "Opera in a Suitcase" during two-day sessions; 15 will occur in Dallas. Through the budget-friendly Family Season, 6 family performances will be presented. The Dallas Opera will provide 5 panel discussions, one before each mainstage production, 24 free pre-opera lectures, and at least 3 community events such as movie screenings, lectures, and wine tastings. The Dallas Opera will host the annual Opera America Conference in May 2017. Three concerts will be presented by TDO, all of which will be open to the public.

MAPSCO: 45-G

SUBJECT

Authorize the third amendment to the Performing Arts Center Use Agreement with Dallas Center for the Performing Arts Foundation, Inc. to increase annual support from \$2,500,000 to \$4,000,000 to provide promotion and support of nonprofit arts and cultural organizations - Total not to exceed \$4,000,000 - Financing: Current Funds (subject to annual appropriations)

BACKGROUND

This action provides for the promotion and support of nonprofit arts and cultural organizations in the city of Dallas by Dallas Center for the Performing Arts Foundation, Inc. d/b/a AT&T Performing Arts Center ("Center"). The Center will assist the City's efforts (through the Office of Cultural Affairs) by offering and implementing programs reviewed and approved annually which include, but are not limited to:

Ticketing

- Center will offer free and deeply discounted ticketing services for the OCA Cultural Organizations Program Tier 1 and Tier 2 groups, and Cultural Projects Program groups

Performance Space

- Community stage for the top student performing arts ensembles and small arts organizations in Dallas
- Curating presentations and performance spaces on the Center's campus targeting small, emerging and/or historically marginalized local performing arts groups or artists without their own performance space. Includes ticketing, some marketing, operational and staff support

BACKGROUND (Continued)

Marketing Services

- E-marketing services for 65 OCA supported cultural organizations through emails from Center's database of 155,000+ subscribers
- Creating and maintaining the OCA Culture Calendar on the ATTPAC.org website

Community Services

- Consulting expertise, marketing and ticketing services in support of Dallas Arts Month
- Labor, resources and services for Dallas Police Department's Let's Talk Program
- Last minute, reduced cost tickets to artists and employees of OCA supported cultural organizations for Broadway, TITAS Presents and Center Presents shows (as available)
- Tickets provided to community through the Center's Community Partners, Open Stages (education) and nonprofit ticket programs

City Services - Operational Support

- Ten additional parking spaces to Dallas City Performance Hall to provide parking for OCA supported nonprofit organizations renting the hall
- Complimentary parking for City of Dallas events at the Dallas City Performance Hall, up to six events a year
- Patron services analysis and training for OCA staff at the Dallas City Performance Hall, Meyerson Symphony Center, and Majestic Theatre

In consideration of services to be provided, the City will pay an annual amount equal to \$1,500,000 beginning on November 1, 2016 and continuing through and including November 1, 2025. As a material inducement to the City for entering into this agreement, the Center represents and warrants to the City that it has entered into debt restructuring agreements with its creditors. In addition to the services listed above, as a condition of payment, the Center agrees to provide the City with a Certificate of Redemption on or before December 31 of each year certifying the total amount (in dollars) of bonds redeemed during the preceding twelve-month period.

Authorize a personal service contract with Brent Brown of buildingcommunity Workshop to serve as Consulting Design Director for the Planning and Design Studio for the period November 1, 2016 through September 30, 2017 – Not to exceed \$77,917 – Financing: Current Funds

BACKGROUND

On September 23, 2009, City Council authorized the acceptance of a donation from the Trinity Trust Foundation through the Dallas Foundation in an amount not to exceed \$2,000,000 for the creation and operation of the Dallas CityDesign Studio. The CityDesign Studio was created to place strong emphasis on the importance of design of the urban environment to enhance the quality of life for all citizens. It was initiated through a public-private partnership with the intent that over time it would become fully integrated into the City's budget and functions.

For the past seven years, in FY 2009-10, FY 2010-11, FY 2011-12, FY 2012-13, FY 2013-14, FY 2014-15, and FY 2015-16 City Council has authorized personal service contracts with Brent Brown to guide the Studio and serve as a bridge between the public and private sectors to elevate awareness and attention to design in both public and private projects by working with City staff and the local design and development community. In FY 2014-15, the CityDesign Studio transitioned to becoming 100% City funded.

As part of the FY 2015-16 budget, the department of Planning and Urban Design was created to bring together key city planning functions related to land use, urban design, transportation, and housing and neighborhood development. The new department includes an expanded Planning and Design Studio that fosters an integrated and comprehensive approach to planning and designing strategic projects and programs that will have a significant impact on the City's growth and development.

BACKGROUND (Continued)

Brent Brown has agreed to renew his contract to serve as the Consulting Design Director for the Planning and Design Studio. The amount of the contract for FY 2016-17 is \$77,916.67. The scope of services for this contract will include:

- Collaborate with the Chief Planning Officer to develop the work program and priorities for the Planning and Design Studio in consultation with the City Manager;
- Provide thought leadership, advice, ongoing project management guidance, and periodic review of work products related to urban design policy development, specific area plans, urban design advisory services and direct design services;
- Solicit and secure private sponsorship for projects or programs that complement the work program of the Planning and Design Studio; and
- Represent the interests of the City to the design and development community and other departments and agencies as specifically requested by the City

THE STATE OF TEXAS §
 §
COUNTY OF DALLAS §

KNOW ALL PERSONS BY THESE PRESENTS:

That Kyle Lee Wilkes and Jessica Spring Ollerman, a married couple (hereinafter called "Grantor" whether one or more natural persons or legal entities) of the County of Collin, State of Texas, for and in consideration of the sum of ELEVEN THOUSAND EIGHT HUNDRED ONE AND NO/100 DOLLARS (\$11,801.00) to the undersigned in hand paid by the **City of Dallas, 1500 Marilla Street, Dallas, Texas, 75201**, a Texas municipal corporation (hereinafter called "City"), the receipt of which is hereby acknowledged and confessed, and the further benefits to be derived by the remaining property as a result of projected public improvements, has granted, sold and conveyed and does hereby grant, sell and convey unto City, its successors and assigns, an easement for the purpose of laying, constructing, maintaining, repairing and replacing a City wastewater main or mains and appurtenances and such additional main or mains and appurtenances as are needed in the future in, under, through, across and along all that certain lot, tract or parcel of land described in Exhibit A, attached hereto and made a part hereof by reference for all purposes.

The City is acquiring this property for the purpose of laying, constructing, maintaining, repairing and replacing a City wastewater main or mains and appurtenances, and such additional main or mains and appurtenances as are needed in the future, according to such plans and specifications as will, in City's opinion, best serve the public purpose. The payment of the purchase price shall be considered full and adequate compensation for the easement rights herein granted.

Should one or more of the Grantors herein be natural persons and not joined by their respective spouse, it is conclusively presumed that the land herein conveyed is not the residence or business homestead of such Grantor(s). Should one or more of the Grantors herein be a legal entity other than a natural person, it shall be conclusively presumed that the person signing on behalf of such a party has been duly and legally authorized to so sign and there shall be no necessity for a seal or attestation.

The City shall have all other rights and benefits necessary or convenient for the full enjoyment or use of the rights herein granted, including, but without limiting the same to, the right of ingress and egress over and across said property to and from said easement for the purpose of constructing, reconstructing, maintaining, inspecting or repairing said main or mains and appurtenances.

The City shall have the right to remove and keep removed from the permanent easement herein granted any and all structures, fences, trees, shrubs, growths or other obstructions which may endanger or interfere with the construction, reconstruction, maintenance, repair or operation of the said main or mains. (Grantor, its successors or assigns, shall not place or store any material upon, or cover, bury, pave over or otherwise obstruct any cleanout, valve, meter or manhole located within the herein described permanent easement.)

Grantor, its successors or assigns, shall not be permitted to plant trees or shrubs of any kind within the boundaries of the herein described permanent easement.

EXHIBIT B

All expenses in the construction and maintenance of said main or mains and appurtenances shall be borne by the City. In the construction of said main or mains and appurtenances, should the City find it necessary to remove any improvements now on the above-described property, all of those expenses shall also be borne by the City. Upon completion of construction, all surplus excavation, debris, trash or litter resulting from construction shall be cleaned up and hauled off the premises, and the easement property, including any fences disturbed, shall be restored to its original contour and condition.

Nothing in this easement shall be construed as a waiver by the City of any connection charge or charges imposed by ordinance or Charter of the City of Dallas.

SPECIAL PROVISIONS: None.

TO HAVE AND TO HOLD the above described easement, together with all and singular the rights and appurtenances thereto in anywise belonging unto City, its successors and assigns forever, and Grantor binds Grantor and Grantor's heirs, executors, administrators or successors, to Warrant and Forever Defend all and singular the said easement unto City, its successors and assigns, against every person whomsoever lawfully claiming, or to claim the same or any part thereof.

October 26, 2016

WHEREAS, the City of Dallas (“City”) is the owner of one (1) tract of land containing approximately 32,273 square feet, located in the City of Dallas, Dallas County, Texas as described on Exhibit “A”, attached herein and incorporated by reference, and which is no longer needed for municipal use; and

WHEREAS, an updated appraisal was requested and obtained with a market value of \$295,000.00; and

WHEREAS, the improvements on the property are in need of repair and renovation; and sealed bid in compliance with State law;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the tract of land containing approximately 32,273 square feet in City Block A/6870 and located near the intersection of Simpson Stuart Road and Highland Hills Drive is declared unwanted and unneeded by the City Council and is to be advertised for lease with an option to purchase in favor of the lessee, with the following minimum bid terms:

Monthly Rental Rate:	\$1,966.00
Estimated Amount of Required Tenant Improvements:	\$22,000.00
Option Purchase Price:	\$295,000.00

SECTION 2. That the Director of Sustainable Development and Construction is authorized to advertise the above described property for lease with an option to purchase.

SECTION 3. That the advertisement of the property shall state:

- (a) That the City of Dallas reserves the right to reject any and all bids received and any lease with option to purchase is subject to approval by the Dallas City Council;

October 26, 2016

SECTION 3. (Continued)

- (b) That the lease with option to purchase shall be in a form approved by the City Attorney and containing the following:
- i) The lease shall be of the land and any improvements currently located thereon.
 - ii) The term of the lease shall be for five (5) years.
 - iii) Rent shall be due and payable in advance monthly.
 - iv) The lease shall be on a triple net basis with the lessee responsible for providing and paying all taxes, insurance, utilities, maintenance and repairs attributable to the property and any improvements.
 - v) The lessee, at the lessee's cost and expense, shall be required to complete during the first year of the lease term improvements, renovations, restoration, finish-out, and repairs to the property (Tenant Improvements) having a value of not less than the amount of required tenant improvements bid, said Tenant Improvements being subject to the review and written approval of the Directors of Equipment and Building Services and Sustainable Development and Construction (Directors) both as to the nature of and plans and specifications for the Tenant Improvements proposed and their satisfactory completion and value.
 - vi) The property use under the lease shall be for residential and/or general office uses.
 - vii) The lessee shall have the right to terminate the lease within the first 120 days of the lease term if the lessee is not able to secure satisfactory zoning for the property.
 - viii) The lease shall contain an option to purchase the property in favor of the lessee upon the following terms and conditions:
 - 1) The lessee may not exercise the option to purchase unless and until the lessee has completed the Tenant Improvements provided for in the lease as evidenced by the Director's approval of same.
 - 2) The option to purchase shall expire upon the termination of the lease for whatever reason.

October 26, 2016

SECTION 3. (Continued)

- 3) The Option Purchase Price shall escalate at a rate of 1% per year from the effective date of the lease until closing and lessee shall pay the Option Purchase Price and any such escalations at closing.
 - 4) The conveyance upon closing shall be by Deed Without Warranty, in a form approved by the City Attorney.
 - 5) Property taxes and assessments, if any, will be prorated through the closing and assumed by the lessee/grantee.
 - 6) All closing cost and title expenses, including without limitation the cost of title insurance, if desired, attributable to the closing of the purchase under the option shall be paid by the lessee/grantee.
 - 7) The Option Purchase price shall be adjusted for any tenant improvements not to exceed \$22,000
- (c) That both the lease and any resulting sale pursuant to the option to purchase, shall be subject to the terms, covenants, conditions, reservations, restrictions and exceptions of this authorizing resolution, including without limitation the following:
- i) A restriction prohibiting the placement of industrialized housing on the property.
 - ii) Reservation by the City of Dallas of all oil, gas and other minerals in and under the property with a waiver of surface access rights relating to said minerals.
 - iii) Any and all visible and apparent easements and encroachments, whether of record or not.
 - iv) Any and all covenants, conditions, reservations, restrictions, exceptions, easements, rights-of way, mineral interest, mineral leases, or other instruments of record and applicable to the property or any part thereof.
 - v) Standby fees, taxes, and assessments, if any, by any taxing authority for the year of closing and subsequent years and assessments by any taxing authority for prior years due to changes in land usage or ownership, the payment of said standby fees, taxes, and assessments being assumed by the lessee/grantee.

October 26, 2016

SECTION 3. (Continued)

- (d) That, to the maximum extent allowed by law, both the lease and any resulting sale pursuant to the option to purchase shall be strictly on an “AS IS, WHERE IS, WITH ALL FAULTS” basis.
- (e) Such other terms and requirements and/or disclaimers as the City deems necessary, convenient or appropriate.

SECTION 4. That as a material part of the consideration for both the lease and any resulting sale pursuant to the option to purchase, the lessee/grantee and the City shall acknowledge and agree and provided in any relevant instrument(s) that, to the maximum extent allowed by law, (a) lessee/grantee is taking the property “AS IS, WHERE IS, WITH ALL FAULTS”, (b) the City disclaims responsibility as to the accuracy or completeness of any information relating to the property, (c) lessee/grantee assumes all responsibility to examine all applicable building codes and zoning ordinances to determine if the property can be used for the purposes desired and to check for outstanding or pending code enforcement actions including but not limited to repair or demolition orders, and (d) the City expressly disclaims and lessee/grantee expressly waives, any warranty or representation, express or implied, including without limitation any warranty of condition, habitability, merchantability or fitness for a particular purpose of the property. Without limiting the foregoing, the City makes no representation of any nature regarding the property and specifically disclaims any warranty, guaranty, or representation, oral or written, express or implied, past, present, or future, concerning; (i) the nature and condition of the property, including without limitation, the water, soil and geology, and the suitability thereof and the property for any and all activities and uses which lessee/grantee may elect to conduct thereon, and the existence of any environmental substances, hazards or conditions or presence of any endangered or protected species thereon or compliance with all applicable laws, rules, or regulations; (ii) the nature and extent of any right-of-way, lease possession, lien, encumbrance, license, reservation, condition or otherwise; (iii) the compliance of the property or its operation with any law, ordinance or regulation of any federal, state, or local governmental authority; and (iv) whether or not the property can be developed or utilized for any purpose. For purposes hereof, “environmental substances” means the following: (a) any “hazardous substance” under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C.A. Section 9601 et. seq., as amended, (b) any “hazardous substance” under the Texas Hazardous Substances Spill Prevention and Control Act, Tex Water Code, Section 26.261, et seq., as amended, (c) petroleum or petroleum-based products (or any derivative or hazardous constituents thereof or additives thereto), including without limitation, fuel, and lubrication OILS, (D) any “hazardous chemicals” or “toxic chemicals” under the Occupational Safety and Health Act, 29 U.S.C.A Section 651 et. seq., as amended, any “hazardous waste” under the Resource Conservation and Recovery Act, 42 U.S.C.A. Section 6901 et. seq., as amended, (f) asbestos, (g) polychlorinated biphenyls, (h) underground storage tanks, whether empty, filled, or partially filled with any substance,

October 26, 2016

SECTION 4. (Continued)

(j) any either substance which by federal, state, or local laws and regulations requires special handling or notification of governmental authorities in its collection, storage, treatment or disposal reference to particular acts or codifications in this definition include all past and future amendments thereto, as well as applicable rules and regulations as now or hereafter promulgated.

SECTION 5. That any procedures required by Code Section 2-24 that are not required by state law are hereby waived with respect to this transaction.

SECTION 6. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

SUBJECT

Authorize **(1)** acceptance of an annual grant from the Federal Emergency Management Agency (FEMA) for the Cooperating Technical Partners (CTP) program; **(2)** execution of a CTP Agreement with FEMA for FY 2016-17 to provide a 75% cost share for updating certain flood studies in the City of Dallas; **(3)** the receipt and deposit of funds in an amount not to exceed \$869,250 from FEMA; **(4)** establishment of appropriations in the amount of \$869,250 in the FEMA Cooperating Technical Partnership Fund; **(5)** a local cash match of \$289,750 for the FY 2016-17; and **(6)** Supplemental Agreement No. 2 to the contract with Halff Associates, Inc., in the amount of \$1,159,000, from \$1,792,667 to \$2,951,667, for updating certain flood studies in accordance with the CTP Agreement with FEMA for FY 2016-17 - Total not to exceed \$1,159,000 - Financing: Stormwater Drainage Management Capital Construction Funds (\$289,750) and FEMA Cooperating Technical Partnership Funds (\$869,250)

BACKGROUND

The Cooperating Technical Partners (CTP) program is FEMA's approach to creating partnerships between FEMA and participating National Flood Insurance Program (NFIP) communities to improve the flood hazard mapping program. In this program, FEMA provides a grant for 75% of the cost of the project while the participating city is responsible for the remaining 25%. In March 2010, the City of Dallas submitted an application for the CTP program, which included a five-year plan to update several outdated flood studies for multiple streams. The application was subsequently approved by FEMA. The original five-year plan was amended since the grant amount from FEMA each year was less than the amount necessary to perform all of the work within the initial five years.

On November 10, 2010, City Council approved year one (FY 2010-2011) which included three streams within the Joe's Creek watershed and eleven streams within the White Rock Creek watershed.

BACKGROUND (Continued)

On September 14, 2011, City Council approved Supplemental Agreement No. 1 for year two (FY 2011-2012) which included nine tributaries of White Rock Creek and Honey springs Branch.

On November 14, 2012, City Council approved Supplemental Agreement No. 2 for year three (FY 2012-2013) which included detailed studies of Ash Creek and South Fork of Ash Creek, Stream 5B1, 5B2, 5B3, 5B5, 5B6, 5B9 and Forney Branch.

On November 12, 2013, City Council approved Supplemental Agreement No. 3 for year four (FY 2013-2014) which included a connectivity model for White Rock Creek, Stream 4B5, and several tributaries of Five Mile Creek.

On November 12, 2014, City Council approved a new contract with Halff, based on selection in 2014, for year five (FY 2014-2015) which included Woody Branch and eight tributaries, Rickett's Branch and five tributaries, and Ledbetter Branch and one tributary.

On October 28, 2015, City Council approved Supplemental Agreement No. 1 for year six (FY 2015-2016) which included Five Mile Creek and several tributaries, Fish Creek and Cottonwood Creek (Mountain Creek Lake tributaries) and Delaware Creek (West Fork Trinity River tributary).

The FY 2016-17 plan includes Mountain Creek main stem and tributaries, and West Levee and East Levee Sumps. The total cost of this project is \$1,159,000, of which FEMA is reimbursing \$869,250 to the City through its grant program, and the City is ultimately responsible for \$289,750. The City is using Halff Associates, Inc., to perform the work. Halff Associates, Inc. was selected to perform the work for a three-year period, of which this is year three.

Participation in the CTP program allows Dallas to update its flood hazard mapping at substantial savings, since FEMA funds the larger share of the cost of the projects.

This action will authorize the execution of the CTP agreement with FEMA and authorize Supplemental Agreement No. 2 to the contract with Halff Associates, Inc., for updating the flood studies in accordance with the CTP agreement for FY 2016-17.

SUBJECT

Authorize an increase in the contract with Rebcon, Inc. for additional work associated with the construction of paving, drainage, water and wastewater improvements for Elam Road and shared-use path west of Pemberton Hill Road - Not to exceed \$211,402, from \$2,870,718 to \$3,082,120 - Financing: Capital Construction Funds (\$206,576) and Water Utilities Capital Construction Funds (\$4,826)

BACKGROUND

On April 9, 2014, City Council authorized a professional services contract with Pacheco Koch Consulting Engineers, Inc. to provide engineering design for infrastructure improvements that include Elam Road paving and drainage, water and wastewater improvements, traffic improvements along Great Trinity Forest Boulevard, Audubon Center Irrigation System improvements, and vegetative support layer improvements for Elam and South Loop 12 Landfills.

Elam Road improvements call for the construction of approximately 2,000 feet of two 12-foot lanes west of Pemberton Hill Road and Elam Road intersection, 10-12 feet shared-use path, lighting, drainage upgrades and water and wastewater mains.

On March 23, 2016, City Council authorized a contract with Rebcon, Inc. for the construction of Elam Road and shared-use path west of Pemberton Hill Road. During construction, a conflict with an existing storm sewer pipe was encountered in the field. Change Order No. 1 will provide for the removal and replacement of an existing storm sewer pipe as well as the removal of silt build-up from an adjacent storm sewer pipe to help maintain drainage. In addition, this Change Order calls for modifying the proposed fence pipe from three feet to five feet, and increase the width of the proposed shared use path north of Elam Road from ten feet to twelve feet.

BACKGROUND (Continued)

This action will authorize Change Order No. 1 to the contract with Rebcon, Inc. for the aforementioned additional work associated with the construction of paving, drainage, water and wastewater improvements for Elam Road and shared-use path west of Pemberton Hill Road.

SUBJECT

Consideration of two alternative ordinances amending Chapter 20A, "Fair Housing," of the Dallas City Code to either **(1)** prohibit discrimination in housing on the basis of source of income; or **(2)** prohibit discrimination in housing on the basis of source of income, except as prohibited by state law - Financing: No cost consideration to the City

BACKGROUND

In 2014, the City entered into a Voluntary Compliance Agreement ("VCA") with the U.S. Department of Housing and Urban Development. The VCA requires that the city council consider adoption of an ordinance that would prohibit discrimination in housing on the basis of source of income, including housing choice vouchers. An ordinance that complies with our VCA obligations is attached as "**Ordinance 1.**" Consideration of Ordinance 1 is sufficient to satisfy our VCA obligation; the VCA does not require that the city council approve this alternative.

After the City entered into the VCA, the Texas Legislature enacted a law that prohibits municipalities from adopting source of income ordinances related to federal housing assistance (except as to military veterans and voluntary programs). In light of the change to state law, the Housing Committee recommended an ordinance that would prohibit source of income discrimination, except as barred by state law. The Housing Committee's recommendations are reflected in the attached "**Ordinance 2.**" ~~Also, as permitted by state law, the Housing Committee recommended that residential developments receiving city subsidies or increases in zoning density refrain from source of income discrimination, including housing choice vouchers~~ Also, as permitted by state law, the Housing Committee recommended that (i) residential units receiving city subsidies or increases in zoning density refrain from discrimination against holders of federally funded housing vouchers, and (ii) multifamily projects receiving city subsidies lease 10% of units to holders of housing vouchers.

BACKGROUND (Continued)

Finally, Ordinance 2 adds a new “safe harbor” defense, which states that property owners are safe from source of income discrimination claims if 10% of their residential units are leased to housing choice voucher holders.

PRIOR ACTION / REVIEW (COUNCIL, BOARDS, COMMISSIONS)

The Housing Committee was briefed on the source of income discrimination ordinance on January 4, and reviewed the alternative ordinances on May 2, 2016.

This item was deferred at the request of Councilmember Griggs on June 15, 2016.

The Housing Committee reviewed the two alternative ordinances on August 29, 2016.

ORDINANCE NO. _____

An ordinance amending Chapter 20A, “Fair Housing,” of the Dallas City Code by amending Sections 20A-2, 20A-3, 20A-4, 20A-5, 20A-7, and 20A-10; adding and amending definitions; prohibiting discrimination in housing practices on the basis of source of income; providing a penalty not to exceed \$500; providing a saving clause; providing a severability clause; and providing an effective date.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That Section 20A-2, “Declaration of Policy,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“SEC. 20A-2. DECLARATION OF POLICY.

It is the policy of the city of Dallas, through fair, orderly, and lawful procedures, to promote the opportunity for each person to obtain housing without regard to race, color, sex, religion, handicap, familial status, ~~[ø]~~ national origin, or source of income. This policy is grounded upon a recognition of the right of every person to have access to adequate housing of the person's own choice, and the denial of this right because of race, color, sex, religion, handicap, familial status, ~~[ø]~~ national origin, or source of income is detrimental to the health, safety, and welfare of the inhabitants of the city and constitutes an unjust deprivation of rights, which is within the power and proper responsibility of government to prevent.”

SECTION 2. That Section 20A-3, “Definitions,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“SEC. 20A-3. DEFINITIONS.

In this chapter, unless the context requires a different definition:

(1) ACCESSIBLE means that an area of a housing accommodation can be approached, entered, and used by a person with a physical handicap.

(2) ACCESSIBLE ROUTE means a continuous unobstructed path connecting accessible elements and spaces in a housing accommodation that can be negotiated by a person

with a severe disability using a wheelchair and that is also safe for and usable by a person with other disabilities.

(3) ADMINISTRATOR means the administrator of the fair housing office designated by the city manager to enforce and administer this chapter and includes the administrator's designated representative.

(4) AGGRIEVED PERSON means a person claiming to be injured by a discriminatory housing practice.

(5) BUILDING ENTRANCE ON AN ACCESSIBLE ROUTE means an accessible entrance to a covered multi-family dwelling that is connected by an accessible route to public transportation stops, to accessible parking and passenger loading zones, or to the public streets or sidewalks, if available.

(6) COMPLAINANT means a person, including the administrator, who files a complaint under Section 20A-7.

(7) COVERED MULTI-FAMILY DWELLING means:

(A) a building consisting of four or more dwelling units if the building has one or more elevators; and

(B) a ground floor dwelling unit in any other building consisting of four or more dwelling units.

(8) DEFENSE means a defense to criminal prosecution in municipal court as explained in the Texas Penal Code. Defense also means, where specifically provided, an exemption from a civil action.

(9) DISCRIMINATORY HOUSING PRACTICE means conduct that is an offense under Section 20A-4 of this chapter.

(10) DWELLING UNIT means a single unit of residence for a family.

(11) FAMILIAL STATUS means the status of a person resulting from being:

(A) pregnant;

(B) domiciled with an individual younger than 18 years of age in regard to whom the person:

(i) is the parent or legal custodian; or

(ii) has the written permission of the parent or legal custodian for domicile with the individual; or

(C) in the process of obtaining legal custody of an individual younger than 18 years of age.

(12) FAMILY includes a single individual.

(13) HANDICAP:

(A) means:

(i) a physical or mental impairment that substantially limits one or more major life activities;

(ii) a record of an impairment described in Subparagraph (i) of this paragraph; or

(iii) being regarded as having an impairment described in Subparagraph (i) of this paragraph; and

(B) does not mean a current, illegal use of or addiction to a drug or illegal or federally-controlled substance.

(14) HOUSING ACCOMMODATION means:

(A) any building, structure, or part of a building or structure that is occupied, or designed or intended for occupancy, as a residence for one or more families; or ~~and~~

(B) any vacant land that is offered for sale or lease for the construction or location of a building, structure, or part of a building or structure described by Paragraph (A) of this subsection.

(15) PERSON means an individual, corporation, partnership, association, labor organization, legal representative, mutual company, joint-stock company, trust, unincorporated organization, trustee, receiver, or fiduciary or any employee, representative, or agent of the person.

(16) RENT means lease, sublease, or otherwise grant for a consideration the right to occupy premises that are not owned by the occupant.

(17) RESIDENCE does not include a hotel, motel, or similar public accommodation where occupancy is available exclusively on a temporary, day-to-day basis.

(18) RESIDENTIAL REAL ESTATE-RELATED TRANSACTION means:

(A) the making or purchasing of loans or the providing of other financial assistance:

(i) for purchasing, constructing, improving, repairing, or maintaining a housing accommodation; or

(ii) secured by residential real estate; or

(B) the selling, brokering, or appraising of residential real property.

(19) RESPONDENT means a person identified in a complaint or charge as having committed a discriminatory housing practice under this chapter.

(20) SOURCE OF INCOME means lawful, regular, and verifiable income from whatever source derived (including housing vouchers and other subsidies provided by government or non-governmental entities, child support, or spousal maintenance).”

SECTION 3. That Section 20A-4, “Discriminatory Housing Practices,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“SEC. 20A-4. DISCRIMINATORY HOUSING PRACTICES.

(a) A person commits an offense if he, because of race, color, sex, religion, handicap, familial status, [~~or~~] national origin, or source of income:

(1) refuses to negotiate with a person for the sale or rental of a housing accommodation or otherwise denies or makes unavailable a housing accommodation to a person;

(2) refuses to sell or rent, or otherwise makes unavailable, a housing accommodation to another person after the other person makes an offer to buy or rent the accommodation; or

(3) discriminates against a person in the terms, conditions, or privileges of, or in providing a service or facility in connection with, the sale or rental of a housing accommodation.

(b) A person commits an offense if he, because of race, color, sex, religion, handicap, familial status, [~~or~~] national origin, or source of income:

(1) represents to a person that a housing accommodation is not available for inspection, sale, or rental if the accommodation is available;

(2) discriminates against a prospective buyer or renter in connection with the showing of a housing accommodation; or

(3) with respect to a multiple listing service, real estate brokers' organization, or other business relating to selling or renting housing accommodations:

(A) denies a person access to or membership in the business; or

(B) discriminates against a person in the terms or conditions of access to or membership in the business.

(c) A person commits an offense if he:

(1) for profit, induces or attempts to induce another person to sell or rent a housing accommodation by a representation that a person of a particular race, color, sex, religion, handicap, familial status, [ø] national origin, or source of income is in proximity to, is present in, or may enter into the neighborhood in which the housing accommodation is located;

(2) makes an oral or written statement indicating a policy of the respondent or a person represented by the respondent to discriminate on the basis of race, color, sex, religion, handicap, familial status, [ø] national origin, or source of income in the selling or renting of a housing accommodation; or

(3) prints or publicizes or causes to be printed or publicized an advertisement that expresses a preference or policy of discrimination based on race, color, sex, religion, handicap, familial status, [ø] national origin, or source of income in the selling or renting of a housing accommodation.

(d) A person who engages in a residential real estate-related transaction commits an offense if he, because of race, color, sex, religion, handicap, familial status, [ø] national origin, or source of income, discriminates against a person:

(1) in making a residential real estate-related transaction available; or

(2) in the terms or conditions of a residential real estate-related transaction.

(e) A person commits an offense if he:

(1) discriminates in the sale or rental of a housing accommodation to any buyer or renter because of a handicap of:

(A) that buyer or renter;

(B) a person residing in or intending to reside in the housing accommodation after it is sold, rented, or made available; or

(C) any person associated with that buyer or renter; or

(2) discriminates against any person in the terms, conditions, or privileges of sale or rental of a housing accommodation, or in the provision of services or facilities in connection with the housing accommodation, because of a handicap of:

- (A) that person;
- (B) a person residing in or intending to reside in the housing accommodation after it is sold, rented, or made available; or
- (C) any person associated with that person.

(f) A person commits an offense if he:

(1) refuses to permit, at the expense of a handicapped person, reasonable modifications of existing premises occupied or to be occupied by the handicapped person, if the modifications may be necessary to afford the handicapped person full use of the premises; except that, in the case of a rental, the landlord may, where reasonable to do so, condition permission for modification on the renter's agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted;

(2) refuses to make reasonable accommodations in rules, policies, practices, or services when the accommodations may be necessary to afford a handicapped person equal opportunity to use and enjoy a housing accommodation;

(3) fails to design or construct a covered multi-family dwelling, for first occupancy after March 13, 1991, to have at least one building entrance on an accessible route, unless it is impractical to do so because of the terrain or unusual characteristics of the site; or

(4) fails to design and construct a covered multi-family dwelling, for first occupancy after March 13, 1991, that has a building entrance on an accessible route in such a manner that:

(A) the public and common use areas of the dwelling are readily accessible to and usable by a handicapped person;

(B) all the doors designed to allow passage into and within all premises are sufficiently wide to allow passage by a handicapped person in a wheelchair; and

(C) all premises within a dwelling unit contain the following features of adaptive design:

(i) an accessible route into and through the dwelling unit;

(ii) light switches, electrical outlets, thermostats, and other environmental controls in accessible locations;

(iii) reinforcements in the bathroom walls to allow later installation of grab bars; and

(iv) usable kitchens and bathrooms that allow a person in a wheelchair to maneuver about the space.

(g) A person commits an offense if he coerces, intimidates, threatens, or otherwise interferes with any person in the exercise or enjoyment of, or on account of that person having exercised or enjoyed, or on account of that person having aided or encouraged any other person in the exercise or enjoyment of, any right granted or protected by this chapter.

(h) A person commits an offense if he retaliates against any person for making a complaint, testifying, assisting, or participating in any manner in a proceeding under this chapter.”

SECTION 4. That Section 20A-5, “Defenses to Criminal Prosecution and Civil Action,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“SEC. 20A-5. DEFENSES TO CRIMINAL PROSECUTION AND CIVIL ACTION.

(a) It is a defense to criminal prosecution or civil action under Section 20A-4 that:

(1) the housing accommodation is owned, controlled, or managed by:

(A) a religious organization, or a nonprofit organization that exists in conjunction with or is operated, supervised, or controlled by a religious organization, and the organization sells or rents the housing accommodation only to individuals of the same religion as the organization; except that, this defense is not available if:

(i) the offense involves discrimination other than on the basis of religion;

(ii) the organization owns, controls, or manages the housing accommodation for a commercial purpose; or

(iii) membership in the religion is limited to individuals on the basis of race, color, sex, handicap, familial status, ~~or~~ national origin, or source of income.

(B) a nonprofit religious, educational, civic, or service organization or by a person who rents the housing accommodation to individuals, a predominant number of whom are associated with the same nonprofit religious, educational, civic, or service organization, and the organization or person, for the purposes of privacy and personal modesty, rents the housing accommodation only to individuals of the same sex or provides separate accommodations or facilities on the basis of sex; except that, this defense is not available if the offense involves:

(i) discrimination other than on the basis of sex; or

(ii) a sale of the housing accommodation; or

(C) a private organization and, incidental to the primary purpose of the organization, the organization rents the housing accommodation only to its own members; except that, this defense is not available if:

(i) the organization owns, controls, or manages the housing accommodation for a commercial purpose; or

(ii) the offense involves a sale of the housing accommodation;

or

(2) compliance with this chapter would violate a federal, state, or local law restricting the maximum number of occupants permitted to occupy a dwelling unit.

(b) It is a defense to criminal prosecution or civil action under all of Section 20A-4 except Section 20A-4(c)(2) and (3) that the housing accommodation is:

(1) a single-family dwelling owned by the respondent; except that, this defense is not available if the respondent:

(A) owns an interest or title in more than three single-family dwellings, whether or not located inside the city, at the time the offense is committed;

(B) has not resided in the dwelling within the preceding 24 months before the offense is committed; or

(C) uses the services or facilities of a real estate agent, or any other person in the business of selling or renting real estate, in connection with a sale or rental involved in the offense; or

(2) occupied or intended for occupancy by four or fewer families living independently of each other, and the respondent is the owner of the accommodation and occupies part of the accommodation as a residence; except that, this defense is not available if the offense involves a sale of all or part of the housing accommodation.

(c) It is a defense to criminal prosecution or civil action under Section 20A-4 as it relates to handicap that occupancy of a housing accommodation by the aggrieved person would constitute a direct threat to the health or safety of another person or result in physical damage to another person's property.

(d) It is a defense to criminal prosecution or civil action under Section 20A-4 as it relates to familial status that the housing accommodation is:

(1) provided under a state or federal program that is specifically designed and operated to assist elderly persons, as defined in the state or federal program;

(2) intended for, and solely occupied by, a person at least 62 years of age, except that:

(A) an employee of the housing accommodation who performs substantial duties directly related to the management or maintenance of the housing accommodation may occupy a dwelling unit, with family members in the same unit; and

(B) a person under age 62 years residing in the housing accommodation on September 13, 1988 may occupy a dwelling unit, provided that all new occupants following that date are persons at least 62 years of age; and

(C) all vacant units are reserved for occupancy by persons at least 62 years of age; or

(3) intended and operated for occupancy by at least one person 55 years of age or older per dwelling unit, provided that:

(A) the housing accommodation has significant facilities and services specifically designed to meet the physical and social needs of an older person or, if it is not practicable to provide such facilities and services, the housing accommodation is necessary to provide important housing opportunities for an older person;

(B) at least 80 percent of the dwelling units in the housing accommodation are occupied by at least one person 55 years of age or older per dwelling unit; except that a newly constructed housing accommodation for first occupancy after March 12, 1989 need not comply with this requirement until 25 percent of the dwelling units in the housing accommodation are occupied; and

(C) the owner or manager of the housing accommodation publishes and adheres to policies and procedures that demonstrate an intent by the owner or manager to provide housing to persons at least 55 years of age.

(e) It is a defense to criminal prosecution or civil action under Section 20A-4(d) that the person, in the purchasing of loans, considered factors that were justified by business necessity and related to the transaction's financial security or the protection against default or reduction in the value of the security, but were unrelated to race, color, religion, sex, handicap, familial status, ~~or~~ national origin, or source of income.

(f) It is a defense to criminal prosecution under Section 20A-4 that the aggrieved person has been convicted by a court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance as defined by Section 481.002 of the Texas Health and Safety Code, as amended, or by Section 802, Title 21 of the United States Code Annotated, as amended.

(g) It is a defense to criminal prosecution under Section 20A-4(d) that the person was engaged in the business of furnishing appraisals of real property and considered factors other than race, color, religion, sex, handicap, familial status, ~~or~~ national origin, or source of income.

(h) Nothing in this chapter prohibits:

(1) conduct against a person because of the person's conviction by a court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance as defined by Section 481.002 of the Texas Health and Safety Code, as amended, or by Section 802, Title 21 of the United States Code Annotated, as amended; or

(2) a person engaged in the business of furnishing appraisals of real property from taking into consideration factors other than race, color, religion, sex, handicap, familial status, [ø] national origin, or source of income.”

SECTION 5. That Subsection (c) of Section 20A-7, “Complaint and Answer,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“(c) A complaint must be in writing, made under oath or affirmation, and contain the following information:

(1) Name and address of the respondent.

(2) Name, address, and signature of the complainant.

(3) Name and address of the aggrieved person, if different from the complainant.

(4) Date of the occurrence or termination of the discriminatory housing practice and date of the filing of the complaint.

(5) Description and address of the housing accommodation involved in the discriminatory housing practice, if appropriate.

(6) Concise statement of the facts of the discriminatory housing practice, including the basis of the discrimination (race, color, sex, religion, handicap, familial status, [ø] national origin, or source of income).

SECTION 6. That Subsection (d) of Section 20A-10, “Conciliation,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“(d) A conciliation agreement executed under this section must contain:

(1) an identification of the discriminatory housing practice and corresponding respondent that gives rise to the conciliation agreement under Subsection (a) and the identification of any other discriminatory housing practice and respondent that the parties agree to make subject to the limitation on prosecution in Subsection (b);

(2) an identification of the housing accommodation subject to the conciliation agreement; and

(3) a statement that each party entering into the conciliation agreement agrees:

(A) not to violate this chapter or the conciliation agreement; and

(B) that the respondent shall file with the administrator a periodic activity report, in accordance with the following regulations, if the discriminatory housing practice giving rise to the conciliation agreement under Subsection (a) involves a respondent who engages in a business relating to selling or renting housing accommodations; a housing accommodation occupied or intended for occupancy on a rental or sale basis; or a violation of Section 20A-4(d):

(i) Unless the discriminatory housing practice involves a violation of Section 20A-4(c)(1), the activity report must state, with respect to each person of the specified class (the race, color, sex, religion, handicap, familial status, [ø] national origin, or source of income alleged as the basis of discrimination in the complaint on the discriminatory housing practice) who in person contacts a party to the conciliation agreement concerning either sale, rental, or financing of a housing accommodation or a business relating to selling or renting housing accommodations, the name and address or telephone number of the person, the date of each contact, and the result of each contact.

(ii) If the discriminatory housing practice involves a violation of Section 20A-4(c)(1), the activity report must state the number and manner of solicitations concerning housing accommodations made by the party and the approximate boundaries of each neighborhood in which the solicitations are made.

(iii) The party who prepares the activity report must sign and verify the report.

(iv) An activity report must be filed each month on the date specified in the conciliation agreement for a period of not less than three months nor more than 36 months, as required by the conciliation agreement.”

SECTION 7. That a person violating any provision of this ordinance is, upon conviction, punishable by a fine not to exceed \$500.

SECTION 8. That Chapter 20A of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 9. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 10. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Dallas City Charter, and it is accordingly so ordained.

ORDINANCE NO. _____

An ordinance amending Chapter 20A, “Fair Housing,” of the Dallas City Code by amending Sections 20A-2, 20A-3, 20A-4, 20A-5, 20A-7, and 20A-10; adding Section 20-4.1; prohibiting discrimination in housing practices on the basis of source of income; providing that a recipient of a subsidy shall not discriminate against holders of housing vouchers; providing that a multifamily housing accommodation that receives a financial award shall set aside ten percent of the dwelling units for housing voucher holders; providing a penalty not to exceed \$500; providing a saving clause; providing a severability clause; and providing an effective date.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That Section 20A-2, “Declaration of Policy,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“SEC. 20A-2. DECLARATION OF POLICY.

It is the policy of the city of Dallas, through fair, orderly, and lawful procedures, to promote the opportunity for each person to obtain housing without regard to race, color, sex, religion, handicap, familial status, [ø] national origin, or source of income. This policy is grounded upon a recognition of the right of every person to have access to adequate housing of the person's own choice, and the denial of this right because of race, color, sex, religion, handicap, familial status, [ø] national origin, or source of income is detrimental to the health, safety, and welfare of the inhabitants of the city and constitutes an unjust deprivation of rights, which is within the power and proper responsibility of government to prevent.”

SECTION 2. That Section 20A-3, “Definitions,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“SEC. 20A-3. DEFINITIONS.

In this chapter, unless the context requires a different definition:

(1) ACCESSIBLE means that an area of a housing accommodation can be approached, entered, and used by a person with a physical handicap.

(2) ACCESSIBLE ROUTE means a continuous unobstructed path connecting accessible elements and spaces in a housing accommodation that can be negotiated by a person with a severe disability using a wheelchair and that is also safe for and usable by a person with other disabilities.

(3) ADMINISTRATOR means the administrator of the fair housing office designated by the city manager to enforce and administer this chapter and includes the administrator's designated representative.

(4) AGGRIEVED PERSON means a person claiming to be injured by a discriminatory housing practice.

(5) BUILDING ENTRANCE ON AN ACCESSIBLE ROUTE means an accessible entrance to a covered multi-family dwelling that is connected by an accessible route to public transportation stops, to accessible parking and passenger loading zones, or to the public streets or sidewalks, if available.

(6) COMPLAINANT means a person, including the administrator, who files a complaint under Section 20A-7.

(7) COVERED MULTI-FAMILY DWELLING means:

(A) a building consisting of four or more dwelling units if the building has one or more elevators; and

(B) a ground floor dwelling unit in any other building consisting of four or more dwelling units.

(8) DEFENSE means a defense to criminal prosecution in municipal court as explained in the Texas Penal Code. Defense also means, where specifically provided, an exemption from a civil action.

(9) DISCRIMINATORY HOUSING PRACTICE means conduct that is an offense under Section 20A-4 of this chapter.

(10) DWELLING UNIT means a single unit of residence for a family.

(11) FAMILIAL STATUS means the status of a person resulting from being:

(A) pregnant;

(B) domiciled with an individual younger than 18 years of age in regard to whom the person:

(i) is the parent or legal custodian; or

(ii) has the written permission of the parent or legal custodian for domicile with the individual; or

(C) in the process of obtaining legal custody of an individual younger than 18 years of age.

(12) FAMILY includes a single individual.

(13) FINANCIAL AWARD means a designated public subsidy matter, as that term is defined in Section 12A-15.2 of the Dallas City Code, as amended, or any other loan, grant, tax abatement, or monies awarded by the city.

(14~~[3]~~) HANDICAP:

(A) means:

(i) a physical or mental impairment that substantially limits one or more major life activities;

(ii) a record of an impairment described in Subparagraph (i) of this paragraph; or

(iii) being regarded as having an impairment described in Subparagraph (i) of this paragraph; and

(B) does not mean a current, illegal use of or addiction to a drug or illegal or federally-controlled substance.

(15~~[4]~~) HOUSING ACCOMMODATION means:

(A) any building, structure, or part of a building or structure that is occupied, or designed or intended for occupancy, as a residence for one or more families; or ~~and~~

(B) any vacant land that is offered for sale or lease for the construction or location of a building, structure, or part of a building or structure described by Paragraph (A) of this subsection.

(16~~[5]~~) PERSON means an individual, corporation, partnership, association, labor organization, legal representative, mutual company, joint-stock company, trust, unincorporated organization, trustee, receiver, or fiduciary or any employee, representative, or agent of the person.

(17~~[6]~~) RENT means lease, sublease, or otherwise grant for a consideration the right to occupy premises that are not owned by the occupant.

(18~~[7]~~) RESIDENCE does not include a hotel, motel, or similar public accommodation where occupancy is available exclusively on a temporary, day-to-day basis.

(19[8]) RESIDENTIAL REAL ESTATE-RELATED TRANSACTION means:

(A) the making or purchasing of loans or the providing of other financial assistance:

(i) for purchasing, constructing, improving, repairing, or maintaining a housing accommodation; or

(ii) secured by residential real estate; or

(B) the selling, brokering, or appraising of residential real property.

(20[19]) RESPONDENT means a person identified in a complaint or charge as having committed a discriminatory housing practice under this chapter.

(21) SOURCE OF INCOME means lawful, regular, and verifiable income from whatever source derived (including housing vouchers and other subsidies provided by government or non-governmental entities, child support, or spousal maintenance), except as prohibited by Texas Local Government Code Section 250.007, as amended. For purposes of housing accommodations that benefit from a subsidy approved by the city council on or after the effective date of this ordinance, source of income includes housing choice vouchers and other federal, state, and local housing subsidies.

(22) SUBSIDY means a financial award or a request to increase zoning density or floor area ratio, as approved by the city council.”

SECTION 3. That Section 20A-4, “Discriminatory Housing Practices,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“SEC. 20A-4. DISCRIMINATORY HOUSING PRACTICES.

(a) A person commits an offense if he, because of race, color, sex, religion, handicap, familial status, [ø] national origin, or source of income:

(1) refuses to negotiate with a person for the sale or rental of a housing accommodation or otherwise denies or makes unavailable a housing accommodation to a person;

(2) refuses to sell or rent, or otherwise makes unavailable, a housing accommodation to another person after the other person makes an offer to buy or rent the accommodation; or

(3) discriminates against a person in the terms, conditions, or privileges of, or in providing a service or facility in connection with, the sale or rental of a housing accommodation.

(b) A person commits an offense if he, because of race, color, sex, religion, handicap, familial status, ~~or~~ national origin, or source of income:

(1) represents to a person that a housing accommodation is not available for inspection, sale, or rental if the accommodation is available;

(2) discriminates against a prospective buyer or renter in connection with the showing of a housing accommodation; or

(3) with respect to a multiple listing service, real estate brokers' organization, or other business relating to selling or renting housing accommodations:

(A) denies a person access to or membership in the business; or

(B) discriminates against a person in the terms or conditions of access to or membership in the business.

(c) A person commits an offense if he:

(1) for profit, induces or attempts to induce another person to sell or rent a housing accommodation by a representation that a person of a particular race, color, sex, religion, handicap, familial status, ~~or~~ national origin, or source of income is in proximity to, is present in, or may enter into the neighborhood in which the housing accommodation is located;

(2) makes an oral or written statement indicating a policy of the respondent or a person represented by the respondent to discriminate on the basis of race, color, sex, religion, handicap, familial status, ~~or~~ national origin, or source of income in the selling or renting of a housing accommodation; or

(3) prints or publicizes or causes to be printed or publicized an advertisement that expresses a preference or policy of discrimination based on race, color, sex, religion, handicap, familial status, ~~or~~ national origin, or source of income in the selling or renting of a housing accommodation.

(d) A person who engages in a residential real estate-related transaction commits an offense if he, because of race, color, sex, religion, handicap, familial status, ~~or~~ national origin, or source of income, discriminates against a person:

(1) in making a residential real estate-related transaction available; or

(2) in the terms or conditions of a residential real estate-related transaction.

(e) A person commits an offense if he:

(1) discriminates in the sale or rental of a housing accommodation to any buyer or renter because of a handicap of:

- (A) that buyer or renter;
 - (B) a person residing in or intending to reside in the housing accommodation after it is sold, rented, or made available; or
 - (C) any person associated with that buyer or renter; or
- (2) discriminates against any person in the terms, conditions, or privileges of sale or rental of a housing accommodation, or in the provision of services or facilities in connection with the housing accommodation, because of a handicap of:
- (A) that person;
 - (B) a person residing in or intending to reside in the housing accommodation after it is sold, rented, or made available; or
 - (C) any person associated with that person.
- (f) A person commits an offense if he:
- (1) refuses to permit, at the expense of a handicapped person, reasonable modifications of existing premises occupied or to be occupied by the handicapped person, if the modifications may be necessary to afford the handicapped person full use of the premises; except that, in the case of a rental, the landlord may, where reasonable to do so, condition permission for modification on the renter's agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted;
 - (2) refuses to make reasonable accommodations in rules, policies, practices, or services when the accommodations may be necessary to afford a handicapped person equal opportunity to use and enjoy a housing accommodation;
 - (3) fails to design or construct a covered multi-family dwelling, for first occupancy after March 13, 1991, to have at least one building entrance on an accessible route, unless it is impractical to do so because of the terrain or unusual characteristics of the site; or
 - (4) fails to design and construct a covered multi-family dwelling, for first occupancy after March 13, 1991, that has a building entrance on an accessible route in such a manner that:
 - (A) the public and common use areas of the dwelling are readily accessible to and usable by a handicapped person;
 - (B) all the doors designed to allow passage into and within all premises are sufficiently wide to allow passage by a handicapped person in a wheelchair; and

(C) all premises within a dwelling unit contain the following features of adaptive design:

- (i) an accessible route into and through the dwelling unit;
- (ii) light switches, electrical outlets, thermostats, and other environmental controls in accessible locations;
- (iii) reinforcements in the bathroom walls to allow later installation of grab bars; and
- (iv) usable kitchens and bathrooms that allow a person in a wheelchair to maneuver about the space.

(g) A person commits an offense if he coerces, intimidates, threatens, or otherwise interferes with any person in the exercise or enjoyment of, or on account of that person having exercised or enjoyed, or on account of that person having aided or encouraged any other person in the exercise or enjoyment of, any right granted or protected by this chapter.

(h) A person commits an offense if he retaliates against any person for making a complaint, testifying, assisting, or participating in any manner in a proceeding under this chapter.”

SECTION 4. That Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended by adding Section 20A-4.1, “Housing Voucher Incentives,” to read as follows:

“SEC. 20A-4.1. HOUSING VOUCHER INCENTIVES.

In accordance with Section 250.007(c) of the Texas Local Government Code, as amended, the city hereby creates and implements the following voluntary program to encourage acceptance of housing vouchers, including vouchers directly or indirectly funded by the federal government.

(a) Subsidy. All housing accommodations that benefit from a subsidy approved by the city council on or after the effective date of this ordinance shall not discriminate against holders of any housing vouchers, including vouchers directly or indirectly funded by the federal government.

(b) Financial award. Multifamily housing accommodations that benefit from a financial award approved by the city council on or after the effective date of this ordinance shall set aside at least 10 percent of the dwelling units and solely lease those dwelling units to holders of housing vouchers, including vouchers directly or indirectly funded by the federal government, for a minimum of 15 years from the date of the initial issuance of the housing accommodation’s certificate of occupancy. Multifamily has the meaning assigned in Section 51A-4.209(b)(5) of the Dallas Development Code, as amended.”

SECTION 5. That Section 20A-5, “Defenses to Criminal Prosecution and Civil Action,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“SEC. 20A-5. DEFENSES TO CRIMINAL PROSECUTION AND CIVIL ACTION.

(a) It is a defense to criminal prosecution or civil action under Section 20A-4 that:

(1) the housing accommodation is owned, controlled, or managed by:

(A) a religious organization, or a nonprofit organization that exists in conjunction with or is operated, supervised, or controlled by a religious organization, and the organization sells or rents the housing accommodation only to individuals of the same religion as the organization; except that, this defense is not available if:

(i) the offense involves discrimination other than on the basis of religion;

(ii) the organization owns, controls, or manages the housing accommodation for a commercial purpose; or

(iii) membership in the religion is limited to individuals on the basis of race, color, sex, handicap, familial status, ~~or~~ national origin, or source of income.

(B) a nonprofit religious, educational, civic, or service organization or by a person who rents the housing accommodation to individuals, a predominant number of whom are associated with the same nonprofit religious, educational, civic, or service organization, and the organization or person, for the purposes of privacy and personal modesty, rents the housing accommodation only to individuals of the same sex or provides separate accommodations or facilities on the basis of sex; except that, this defense is not available if the offense involves:

(i) discrimination other than on the basis of sex; or

(ii) a sale of the housing accommodation; or

(C) a private organization and, incidental to the primary purpose of the organization, the organization rents the housing accommodation only to its own members; except that, this defense is not available if:

(i) the organization owns, controls, or manages the housing accommodation for a commercial purpose; or

(ii) the offense involves a sale of the housing accommodation;
or

(2) compliance with this chapter would violate a federal, state, or local law restricting the maximum number of occupants permitted to occupy a dwelling unit.

(b) It is a defense to criminal prosecution or civil action under all of Section 20A-4 except Section 20A-4(c)(2) and (3) that the housing accommodation is:

(1) a single-family dwelling owned by the respondent; except that, this defense is not available if the respondent:

(A) owns an interest or title in more than three single-family dwellings, whether or not located inside the city, at the time the offense is committed;

(B) has not resided in the dwelling within the preceding 24 months before the offense is committed; or

(C) uses the services or facilities of a real estate agent, or any other person in the business of selling or renting real estate, in connection with a sale or rental involved in the offense; or

(2) occupied or intended for occupancy by four or fewer families living independently of each other, and the respondent is the owner of the accommodation and occupies part of the accommodation as a residence; except that, this defense is not available if the offense involves a sale of all or part of the housing accommodation.

(c) It is a defense to criminal prosecution or civil action under Section 20A-4 as it relates to handicap that occupancy of a housing accommodation by the aggrieved person would constitute a direct threat to the health or safety of another person or result in physical damage to another person's property.

(d) It is a defense to criminal prosecution or civil action under Section 20A-4 as it relates to familial status that the housing accommodation is:

(1) provided under a state or federal program that is specifically designed and operated to assist elderly persons, as defined in the state or federal program;

(2) intended for, and solely occupied by, a person at least 62 years of age, except that:

(A) an employee of the housing accommodation who performs substantial duties directly related to the management or maintenance of the housing accommodation may occupy a dwelling unit, with family members in the same unit; and

(B) a person under age 62 years residing in the housing accommodation on September 13, 1988 may occupy a dwelling unit, provided that all new occupants following that date are persons at least 62 years of age; and

(C) all vacant units are reserved for occupancy by persons at least 62 years of age; or

(3) intended and operated for occupancy by at least one person 55 years of age or older per dwelling unit, provided that:

(A) the housing accommodation has significant facilities and services specifically designed to meet the physical and social needs of an older person or, if it is not practicable to provide such facilities and services, the housing accommodation is necessary to provide important housing opportunities for an older person;

(B) at least 80 percent of the dwelling units in the housing accommodation are occupied by at least one person 55 years of age or older per dwelling unit; except that a newly constructed housing accommodation for first occupancy after March 12, 1989 need not comply with this requirement until 25 percent of the dwelling units in the housing accommodation are occupied; and

(C) the owner or manager of the housing accommodation publishes and adheres to policies and procedures that demonstrate an intent by the owner or manager to provide housing to persons at least 55 years of age.

(e) It is a defense to criminal prosecution or civil action under Section 20A-4(d) that the person, in the purchasing of loans, considered factors that were justified by business necessity and related to the transaction's financial security or the protection against default or reduction in the value of the security, but were unrelated to race, color, religion, sex, handicap, familial status, ~~or~~ national origin, or source of income.

(f) It is a defense to criminal prosecution under Section 20A-4 that the aggrieved person has been convicted by a court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance as defined by Section 481.002 of the Texas Health and Safety Code, as amended, or by Section 802, Title 21 of the United States Code Annotated, as amended.

(g) It is a defense to criminal prosecution under Section 20A-4(d) that the person was engaged in the business of furnishing appraisals of real property and considered factors other than race, color, religion, sex, handicap, familial status, ~~or~~ national origin, or source of income.

(h) It is a defense to criminal prosecution or civil action under Section 20A-4 regarding source of income that at least 10 percent of the dwelling units in a multifamily use, as defined in Section 51A-4.209(b)(5) of the Dallas Development Code, as amended, are leased to housing voucher holders.

(i) Nothing in this chapter prohibits:

(1) conduct against a person because of the person's conviction by a court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance as defined by Section 481.002 of the Texas Health and Safety Code, as amended, or by Section 802, Title 21 of the United States Code Annotated, as amended; or

(2) a person engaged in the business of furnishing appraisals of real property from taking into consideration factors other than race, color, religion, sex, handicap, familial status, ~~or~~ national origin, or source of income.”

SECTION 6. That Subsection (c) of Section 20A-7, “Complaint and Answer,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“(c) A complaint must be in writing, made under oath or affirmation, and contain the following information:

- (1) Name and address of the respondent.
- (2) Name, address, and signature of the complainant.
- (3) Name and address of the aggrieved person, if different from the complainant.
- (4) Date of the occurrence or termination of the discriminatory housing practice and date of the filing of the complaint.
- (5) Description and address of the housing accommodation involved in the discriminatory housing practice, if appropriate.
- (6) Concise statement of the facts of the discriminatory housing practice, including the basis of the discrimination (race, color, sex, religion, handicap, familial status, ~~or~~ national origin, or source of income).”

SECTION 7. That Subsection (d) of Section 20A-10, “Conciliation,” of Chapter 20A, “Fair Housing,” of the Dallas City Code, as amended, is amended to read as follows:

“(d) A conciliation agreement executed under this section must contain:

- (1) an identification of the discriminatory housing practice and corresponding respondent that gives rise to the conciliation agreement under Subsection (a) and the identification of any other discriminatory housing practice and respondent that the parties agree to make subject to the limitation on prosecution in Subsection (b);

(2) an identification of the housing accommodation subject to the conciliation agreement; and

(3) a statement that each party entering into the conciliation agreement agrees:

(A) not to violate this chapter or the conciliation agreement; and

(B) that the respondent shall file with the administrator a periodic activity report, in accordance with the following regulations, if the discriminatory housing practice giving rise to the conciliation agreement under Subsection (a) involves a respondent who engages in a business relating to selling or renting housing accommodations; a housing accommodation occupied or intended for occupancy on a rental or sale basis; or a violation of Section 20A-4(d):

(i) Unless the discriminatory housing practice involves a violation of Section 20A-4(c)(1), the activity report must state, with respect to each person of the specified class (the race, color, sex, religion, handicap, familial status, [Ø] national origin, or source of income alleged as the basis of discrimination in the complaint on the discriminatory housing practice) who in person contacts a party to the conciliation agreement concerning either sale, rental, or financing of a housing accommodation or a business relating to selling or renting housing accommodations, the name and address or telephone number of the person, the date of each contact, and the result of each contact.

(ii) If the discriminatory housing practice involves a violation of Section 20A-4(c)(1), the activity report must state the number and manner of solicitations concerning housing accommodations made by the party and the approximate boundaries of each neighborhood in which the solicitations are made.

(iii) The party who prepares the activity report must sign and verify the report.

(iv) An activity report must be filed each month on the date specified in the conciliation agreement for a period of not less than three months nor more than 36 months, as required by the conciliation agreement.”

SECTION 8. That a person violating any provision of this ordinance is, upon conviction, punishable by a fine not to exceed \$500.

SECTION 9. That Chapter 20A of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 10. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 11. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Dallas City Charter, and it is accordingly so ordained.

SIZE OF REQUEST: ± 9.72 acres

CENSUS TRACT: 91.01

APPLICANT/OWNER: Donna H. Woods

REPRESENTATIVE: Don E. Miles

REQUEST: An application to amend and renew Specific Use Permit No. 1805 for an open-enrollment charter school on property zoned an R-7.5(A) Single Family District.

SUMMARY: The applicant [Nova Academy] originally applied for an automatic renewal; however, during the site visit, staff found that the property was not developed as shown on the City Council approved site plan. For this reason, the applicant needed to provide a revised site plan to reflect the actual development of the property, the existing parking layout on the site, and an updated Traffic Management Plan. The applicant proposes to continue the use of the property with the existing open-enrollment charter school.

CPC RECOMMENDATION: Approval for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a revised site plan, a traffic management plan and conditions.

STAFF RECOMMENDATION: Approval for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a revised site plan, a traffic management plan and conditions.

Background:

- Specific Use Permit No. 1805 for an open-enrollment charter school was originally approved on June 9, 2010 for a five-year period with eligibility for automatic renewals for additional five-year periods.
- On August 2, 2010, the applicant initiated the construction process for the school. The 9.724 acres of land were undeveloped at the time.
- The applicant submitted an application for automatic renewal on January 8, 2015, within the required time period for automatic renewal as required by Code. However, during staff's site visit, several discrepancies were found with the approved site plan. Parking and driveways did not complying with the layout as shown in the approved site plan.
- The original SUP ordinance, approved on June 9, 2010, requires that the Traffic Management Plan be updated every November 1st in each odd numbered year. At the time the application for the renewal request was submitted, the applicant had not complied with this condition.
- During the process for automatic renewal, staff also discovered that the building plans submitted for the building permit were different from the site plan approved by City Council. Therefore, the applicant needed to update the site plan to reflect the existing development of the property.
- On May 20, 2013, the Board of Adjustment granted a special exception to the landscape plan regulations with specific conditions for the tree mitigation process.

Surrounding Zoning History:

There has been one Board of Adjustment case in the area within the last five years.

1. BDA 112-103 On May 20, 2013, the Board of Adjustment Panel C granted a special exception to the landscape regulations subject to conditions on the subject site.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
Scyene Road	Principal Arterial	100 feet
Prichard Lane	Local	60 feet

Traffic:

The Engineering Division of the Sustainable Development and Construction Department has reviewed the requested renewal and determined that it will not impact the surrounding roadway system. All school traffic is handled within the property. No queuing is allowed on the public right-of-way.

One of the changes from the approved site plan was the driveway locations. The original plan indicates two points of access on Scyene Road, only one was built and in a location different from the location on the site approved plan.

The applicant submitted a revised Traffic Management Plan reflecting the site's existing conditions and updating the traffic routing for drop off and pick up hours. The Engineering Division has approved the TMP.

STAFF ANALYSIS:

Comprehensive Plan:

The comprehensive plan does not make a specific land use recommendation related to the request; however, the *forwardDallas! Vision Illustration*, adopted June 2006, is comprised of a series of Building Blocks that depicts general land use patterns. Building Blocks are generalized patterns without well-defined boundaries that indicate where certain types and densities of development might logically occur. The property is located within the Campus Building Block.

The Campus Building Block focuses on areas around large master-planned educational, institutional or business facilities outside the Downtown. The University of North Texas campus was the motivating factor for creating this Building Block, although other examples exist, such as the areas around the Southwestern Medical District, the Baylor University Medical Center, the Veterans Administration Hospital and Pinnacle Park.

Land Use Element

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

Policy 1.1.2 Focus on Southern Sector development opportunities.

1.1.2.2 Focus on developing strong middle-class neighborhoods anchored by successful schools and supported with sufficient retail.

1.1.5.3 Encourage neighborhood-serving office, retail, or other non-residential uses to be located in residential community areas, primarily on significant roadways or at key intersections.

1.1.5.7 Ensure that neighborhoods are served by and accessible to neighborhood commercial areas, parks and open space, libraries and schools. Encourage the development of these facilities in priority Area Plans.

GOAL 1.2 PROMOTE DESIRED DEVELOPMENT

Policy 1.2.1 Use Vision Building Blocks as a general guide for desired development patterns.

Surrounding Land Uses:

	Zoning	Land Use
Site	R-7.5(A), SUP No. 1805	Open-enrollment charter school
North	R-7.5(A), PD No. 75	Single family, Church
East	CR-D	Undeveloped, Multifamily
South	R-7.5(A)	Single family, church, undeveloped
West	R-7.5(A)	Undeveloped

Land Use Compatibility:

The request site is 9.72 acres and is currently developed with a two-story, 82,492 square foot structure that provides education for grades K through 8th. Surrounding land uses are single family, church, and a cemetery to the north; undeveloped land and multifamily to the east; single family, church and undeveloped to the south; and undeveloped to the west.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards.

The proposed use is compatible with the surrounding multifamily and single family developments and other non-residential uses. The open-enrollment charter school will provide an option for students in seeking educational opportunities. The property is

located near major roadways and can be easily accessed. The TMP will further mitigate any potential traffic issues the use may produce and should not be detrimental to the surrounding traffic patterns.

Development Standards:

District	Setbacks		Density/ FAR	Height	Lot Coverage	Special Standards	Primary Uses
	Front	Side/Rear					
R-7.5(A) Single Family	25'	5'	1 Dwelling Unit/ 7,500 sq. ft.	30'	45%		Single family

Parking:

Pursuant to the Dallas Development Code, off-street parking and loading must be provided in accordance with Division 51A-4.200. The request does not include any additions to the existing building; therefore, no additional parking is required. The applicant must provide a minimum of 39 parking spaces. Parking must be provided as shown in the site plan.

	Number of Classrooms	Required parking	Provided parking
Kindergarten/elementary 1.5 per room	14	21	21
Junior high/middle 3.5 per room	5	18	18
Total Parking required			39
Additional parking			31

The school should be able to provide the required parking in the event the school obtains the full allowed capacity of 50 classrooms.

Landscaping:

The existing SUP includes a Landscape Plan. However, the applicant is requesting that it be removed from the SUP conditions in order to simplify the renewal process and to be able to utilize the site plan submitted for building permits as the property was built. The applicant complies with Article X landscaping requirements. Staff reviewed the existing landscape conditions and does not object to the removal of the landscape plan. Furthermore, any additions in the future will comply with Article X landscape requirements.

1. USE: The only use authorized by this specific use permit is an open-enrollment charter school.
2. SITE PLAN: Use and development of the Property must comply with the attached site plan.
3. TIME LIMIT: This specific use permit expires on five years ~~June 9, 2015~~, but is eligible for automatic renewal for additional five-year periods pursuant to Section 51A-4.219 of Chapter 51A of the Dallas City Code, as amended. For automatic renewal to occur, the Property owner must file a complete application for automatic renewal with the director before the expiration of the current period. Failure to timely file a complete application will render this specific use permit ineligible for automatic renewal. (Note: The Code currently provides that applications for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period. The Property owner is responsible for checking the Code for possible revisions to this provision. The deadline for applications for automatic renewal is strictly enforced.)
- ~~4. LANDSCAPING: Landscaping must be provided as shown on the attached landscape plan. Plan materials must be maintained in a healthy, growing condition.~~
5. CLASSROOMS: The maximum number of classrooms is 50.
6. HOURS OF OPERATION: The open-enrollment charter school may only operate between 8:00 a.m. and 4:00 p.m., Monday and Friday.
7. INGRESS/ EGRESS: Ingress and egress must be provided as shown on the attached site plan. No other ingress or egress is permitted.
8. OFF-STREET PARKING: Parking must be provided and located as shown on the attached site plan.
9. TRAFFIC MANAGEMENT PLAN:
 - (a) In general. The operation of the uses must comply with the attached traffic management plan (Exhibit B).
 - (b) Queuing. Queuing is only permitted inside the Property. Student drop-off and pick-up are not permitted within city rights-of-way.
 - (c) Traffic management plan.
 - (1) The Property owner or operator shall prepare an update to the traffic management plan evaluating the sufficiency of the plan. The initial update of the

traffic management plan must be submitted to the Director by November 1 ~~August 1, 2018-2013~~. After the initial traffic study, the property owner or operator shall submit updates of the traffic study to the director by November 1st every even-numbered ~~odd-numbered~~ year.

(2) The traffic management plan must be in writing, performed by a licensed engineer, based on a minimum of four samples taken on different school days at different times over a two-week period, and must contain an analysis of the following:

- (A) ingress and egress points;
- (B) queue lengths;
- (C) number and location of personnel assisting with loading and unloading of students;
- (D) drop-off and pick-up locations;
- (E) drop-off and pick-up hours for each grade level;
- (F) hours for each grade level; and
- (G) circulation.

(3) Within 30 days after submission of a traffic study, the Director shall determine if the current traffic management plan is sufficient.

(A) If the Director determines that the current traffic management plan is sufficient, the director shall notify the applicant in writing.

(B) If the Director determines that the current traffic management plan results in traffic hazards or traffic congestion, the Director shall require the Property owner to submit an amended traffic management plan. If the Property owner fails to submit an amended traffic management plan within 30 days, the Director shall notify the city plan commission.

(d) Amendment process.

(1) A traffic management plan may be amended using the minor plan amendment fee and public hearing process in Section 51A-1.105(k)(3) of Chapter 51A of the Dallas City Code as amended.

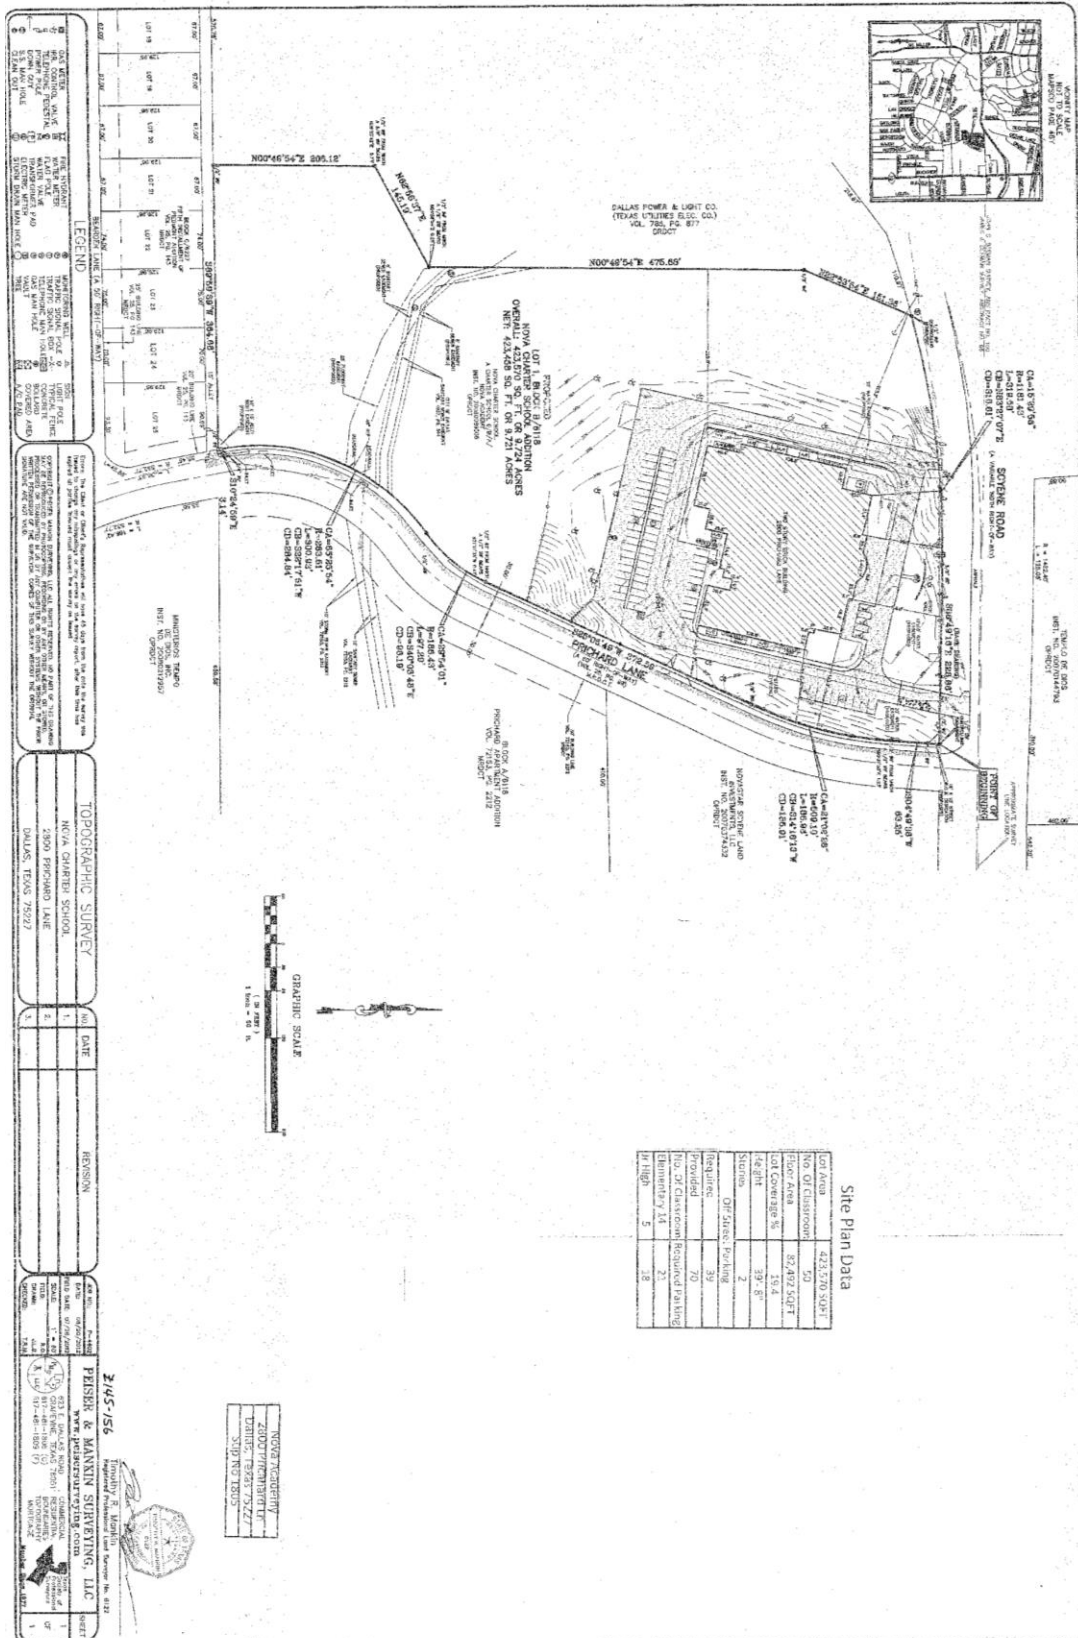

(2) The city plan commission shall authorize changes in a traffic management plan if the proposed amendments improve queuing or traffic circulation; eliminate traffic hazards; or decrease traffic congestion.

10. MAINTENANCE: The premises must be properly maintained in a state of good repair and neat appearance.

TECHNICAL MEMORANDUM

RE: Traffic Management Plan Review – Nova Academy, in Dallas, Texas (Zoning Case # Z145-156 SUP)

PURPOSE

The purpose of this memorandum is to document the results of an evaluation of the sufficiency of the existing Traffic Management Plan (TMP) for the Nova Academy Charter School, located on Scyene Road in Dallas, Texas. Preparation of this review is in response to a request from the City of Dallas staff related to Condition 8 (c) (1) of the SUP conditions, which requires periodic review and certification of the Plan. The vicinity map showing the location of the academy is provided in **Figure 1**

Student Arrival and Departure Process

The academy has two drop-off and pick-up locations. One is for grades K-3 on the east side of the building and one is for grades 4-8 on the west side of the building.. Sibling students in both grade groups in the same family are dropped off and picked up in the K-3 location. The current access, on-site traffic circulation, and the drop-off and pick-up areas are shown in **Figure 2**. It should be noted that the drop-off location for the AM arrivals and the pick-up location for the PM departures are not the same as in the original plan.

The school starting time for all students is 8:00 AM. At the present time, arrivals begin occurring at 7:00AM at the two drop-off location referenced above and continue until 8:00 AM. At that time, all drop-off activities for all grades move to the main entrance on the north side of the academy building, for late arrivals.

Classes let out for grades K though 3 at 3:45 PM and 4:00 PM for grades 4-8. The driveway access gate to both pick-up areas, on Prichard Lane, is opened at 3:45 PM so that vehicles picking up students may begin lining up in the two pick-up locations. This process continues until 4:15 PM, when all pick-up activities for all grades move to the main entrance on the north side of the academy building, for late departures.

During the drop-off and pick-up periods, two parallel lines of vehicles are allowed to form in the transfer areas to drop off and pick up students. In the K-3 transfer area, there are also 10 head-in parking spaces that are available to be used for parking and escorting the younger children into the building.

There are two off-duty policemen present during the transfer period to direct traffic in and out of the facility. One is stationed at the entrance drive on Prichard Lane and one is stationed at the Scyene Road access driveway. There are also academy staff members present in both the east and west departure areas to direct and assist children in transferring between the academy building and the drop-off and pick-up vehicles in the east and west departure areas.

Figure 1 – Location of Nova Academy

Figure 2 – Current Access and On-Site Traffic Circulation

One of the critical requirements of a traffic management plan for a private school is to assure that an adequate amount of space is provided for the queuing or stacking of vehicles totally and completely on school property. In order to determine the extent of this requirement, observations were made at the existing charter school, during peak drop-off and pick-up periods on four different days in two different weeks, to determine on-site queuing. These observations are displayed in **Tables 1 and 2** and show, in the boxes with **bold black borders**, the maximum number of vehicles queued during 5-minute periods at each of the two main drop-off and pick-up areas on the days that queuing counts were made.

VEHICLE QUEUING EVALUATION

The evaluation was preformed for the peak A M and P M arrival and departure periods. In the AM drop-off period, this occurs from 7::30 to 8:05 AM. In the PM pick-up period, it occurs from 3:40 to 4:25 PM. As indicated in **Tables 1 and 2**, the maximum, combined number of vehicles observed to be queued up on-site at the two academy transfer areas in any single five-minute period was observed to be **45** during the morning drop-off period and **40** during the afternoon pick-up period. These queuing numbers are shown in the boxes with the **bold red borders**. This condition occurs with an enrollment of 496 students.

It should also be noted that the academy has permission to use the church parking lot across the street, on the north side of Scyene Road, for temporary parking, if needed for academy special events and programs.

CONCLUSIONS AND RECOMMENDATIONS

As demonstrated by the analysis results shown in the above tables and described in the preceding paragraphs, it is concluded that the Traffic Management Plan in **Figure 3** provides the required traffic operating efficiency and capacity to assure that all drop-off/pick-up vehicle queuing can be accommodated completely on-site and the necessary safety and security of Nova Academy students is provided.

There is one change that is recommended to the existing Traffic Management Plan. At the present time, the Prichard Lane access gate remains closed until a few minutes before K-3 students are released. Vehicles arriving early begin to queue on the street and by the time the gate is opened, as many as 42 vehicles were observed to be lined up on the street in both directions. It is therefore recommended that the access gate on Prichard Lane be opened at least 15 minutes prior to 3:45 PM to allow arriving vehicles to enter and begin queuing up in the two transfer areas rather than on the street.

Based on the vehicle queuing analysis conducted, and the existing Traffic Management Plan; I, Rodney W. Kelly, P.E. #27100, certify that no queuing of vehicles dropping off or picking up students at Children's First Academy extends onto City of Dallas street rights-of-way as a result of internal queuing constraints. In order to ensure that all queuing of vehicles is completely accommodated on school property, Children's First Academy administrative officials should maintain the existing Traffic Management Plan, monitor the operation on a continuing basis, and if any vehicle queuing should begin to occur on public right-of-way, take the necessary action to mitigate it. Only uniformed police officers should be allowed to direct and control traffic operating within the public right-of-way.

**Traffic Management Plan Impact Analysis
Proposed Nova Academy at 2800 Prichard Lane, in Dallas, Texas

TRAFFIC MANAGEMENT PLAN

One of the critical requirements of a traffic management plan for a school, especially one where the majority of students are dropped off and picked up in personal, private vehicles, is to assure that an adequate amount of space is provided for the queuing, or stacking of vehicles totally and completely on school property. In order to determine the extent of this requirement, in accordance with City of Dallas procedures; observations were made at the existing Nova Academy facility during peak drop-off and pick-up periods on four days in two different weeks, such that no single set of observations was made on the same date or day of the week. These observations are displayed in **Table 1** and show the maximum number of vehicles queued, or stacked, to either drop off or pick up students in any single five-minute period before and after school take-up and let-out times.

As indicated in **Table 1**, the maximum number of vehicles observed to be on-site at the existing academy at any single moment in time was observed to be 30, during the afternoon one hour pick-up period. This condition occurs with an enrollment of 273 students.

For the proposed academy, as shown in **Exhibit A**, one primary drop off/pick up location will be provided at curbside, on the circular driveway in front of the Academy building. There will be a drop-off area which can accommodate 10 vehicles at one time for multiple drop-offs and pick-ups, along with space for queuing up to 8 additional vehicles in a single waiting line. In addition, 32 angle parking spaces, for easy entry and exit, on the west side of the building near the front entrance, will be reserved for the drop-off and pick-up of younger students whose parents wish to personally escort their children to the school building, with space for queuing up to 8 additional vehicles in a single waiting line. **This will bring the total number of drop-off and pick-up parking and queuing spaces to 60.**

A comparison of the results of the queuing observations at the existing academy with 273 students to the proposed academy with 600 students would suggest that a total of approximately 66 queuing and drop-off/pick-up spaces would be required for the new academy. However, because of (1) the substantially long curbside area that will accommodate up to 10 vehicles at one time for multiple, simultaneous drop-offs and pick-ups, (2) the additional 32 parking spaces that can also allow simultaneous drop-off or pick-up of students, and (3) the ability to stagger the departure times for different age groups, **the proposed 60 spaces, or 1200 linear feet, is considered to be more than adequate to accommodate all vehicle queuing on-site.** This on-site stacking space compares favorably with the comparable range of stacking lengths for drop-off/pick-up zone on-site stacking length for Texas schools, as recommended in the January, 2004 publication by the Texas Transportation Institute at Texas A&M University, titled "Traffic Operations and Safety at Schools: Recommended Guidelines". Table 11, which presents the recommendations from this publication, is shown below.

Table 11. Recommended Parent Drop-off/Pick-up Zone On-Site Stacking Length for Texas.

School Type	Student Population	Loop Drive Stacking Length (linear feet) (m)
Elementary	Less than 500	400 – 750 (122 – 229)
	500 or more	750 – 1500 (229 – 458)
Middle	Less than 600	500 – 800 (153 – 244)
	600 or more	800 – 1600 (244 – 488)
High (31)	400 – 800	800 – 1200 (244 – 366)
	800 – 2500	1200 – 1500 (366 – 458)
<i>Note: For high school populations greater than 2500 students, consider two separate student pick-up/drop-off loops.</i>		

During all drop-off and pick-up periods, the school staff will place traffic cones to create and enforce one way traffic movements into and out of the two driveway intersections with Scyene Road. The internal driveways providing access to the staff parking area will be partially closed with traffic cones to all traffic, except staff, during the pickup and drop-off time to channelize ingress and egress.

A total of 8 vehicle attendants will be assigned to assist children exiting the transporting vehicles, thereby decreasing the time a vehicle must wait in a drop-off /pick-up queue. The school will provide campus personnel to assist in traffic management, as needed, with personnel located at the entrance and along the path that vehicles will follow to the drop-off/pick-up areas.

At times of departure from the Academy, children will wait in an organized fashion in the designated area. This will help to expedite the loading process by getting children to their vehicles quickly. It also provides a safer environment by prohibiting the children from running through traffic.

Additional Provisions:

- Parking spaces for drop-off and pick-up will be delineated with white paint to mark each vehicle stopping position

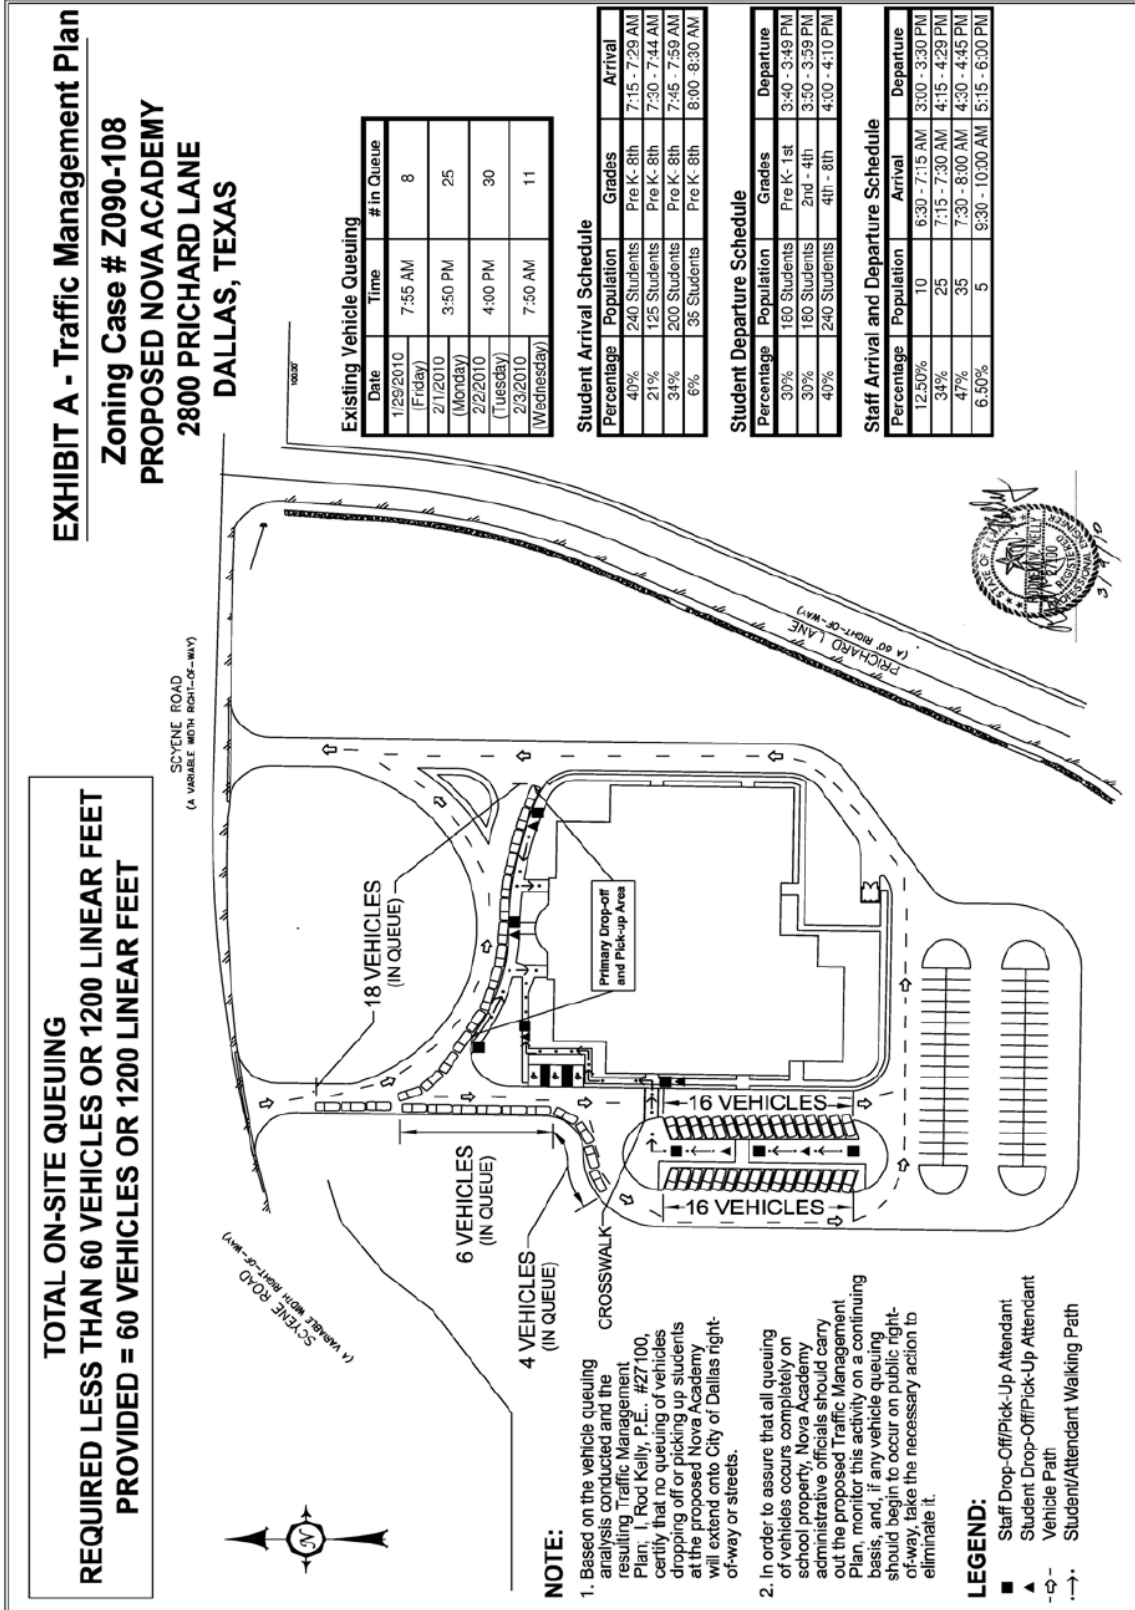

*Traffic Management Plan (Revised) – Proposed Nova Academy, Dallas, Texas Page 3 of 4
March 9, 2010*

- Safety Assistant (Student allowed if trained by teacher)
 - Six safety assistants will be assigned to assist staff at the drop-off and pick-up bays.
 - Safety assistants will be responsible for assisting children into or out of vehicles
 - Safety assistants will wear high visibility lime green vests & belts to provide visibility and for identification by parents and children.

Families of students will be provided educational information on the traffic management plan of the academy. This educational process will take place throughout the year by means of student orientations, parent/teacher meetings, and printed information from the academy, sent home to the parents of the students.

CONCLUSIONS AND RECOMMENDATIONS

The proposed Traffic Management Plan in **Exhibit A** is considered to provide the required traffic operating efficiency and capacity to assure the necessary safety and security of the Academy students.

SIZE OF REQUEST: Approx. 7.38 acres **CENSUS TRACT:** 0126.04

APPLICANT /OWNER North Texas Municipal Water District

REPRESENTATIVE: Karl Crawley, MASTERPLAN

REQUEST: An application for a Planned Development District for a local utility and single family uses on property zoned an R-7.5(A) Single Family District.

SUMMARY: The purpose of this request is to allow continued use of the site as a water storage facility.

CPC RECOMMENDATION: Approval, subject to a development plan and conditions.

STAFF RECOMMENDATION: Approval, subject to a development plan and conditions.

GUIDING CRITERIA FOR RECOMMENDATION:

Staff recommends approval is based upon:

1. *Performance impacts upon surrounding property* – The continued use of the water storage tanks, which have been in operation since the 1960’s, should not have any negative impacts on the adjacent properties.
2. *Traffic impact* – The Engineering Section of the Department of Sustainable Development and Construction has determined that the request will not have a negative impact on the adjacent street system.
3. *Comprehensive Plan or Area Plan Conformance* – The request site is located within a Residential Neighborhood Building Block. The proposed landscaping and screening improvements will help to enhance the site and make it more visually compatible with the surrounding area.
4. *Justification for PD Planned Development District Zoning as opposed to a straight zoning district* – The request for a Planned Development District is to allow for the continued encroachment of the water storage tanks and perimeter screening into the required front yard setback. The applicant is also requesting to improve the site with alternative landscaping and screening materials.

BACKGROUND INFORMATION:

- The request site is currently developed with a water storage facility, which was built in the 1960s.
- On March 25, 2009, City Council approved SUP No. 1748 to allow for a water storage facility owned by the City of Mesquite, on the adjacent site to the southeast. All other surrounding areas are developed with single-family homes.

Zoning History:

There have been no zoning requests in the area within the past five years.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
Barnes Bridge Road	Minor Arterial	60 feet
Ferguson Road	Major Arterial	100 feet

Traffic:

The Engineering Division of the Sustainable Development and Construction Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system.

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The Plan does not make a specific land use recommendation as related to the request; however, it is comprised of a series of Building Blocks. Void of well-defined boundaries, these Building Blocks depict generalized land use patterns that indicate where certain types and densities of development might logically occur. The *forwardDallas! Comprehensive Plan* identifies the request site as being within the Residential Neighborhood Building Block. While single family dwellings are the dominate land use in such areas, shops, restaurants, or institutional land uses that serve residents may be located at the edges or at key intersections.

In general, the applicant’s proposal to continue the operation of a water storage facility at this location is consistent with the following goal and policy of the Comprehensive Plan.

NEIGHBORHOOD ELEMENT

GOAL 7.1 PROMOTE VIBRANT AND VIABLE NEIGHBORHOODS

Policy 7.1.2 Promote neighborhood-development compatibility

To promote compatibility with the surrounding single family development, the new building will be one story, with a maximum overall height of 24 feet. Additional screening and landscaping will be provided to soften the impact of the development on the surrounding residences.

Land Use:

	Zoning	Land Use
Site	R-7.5(A)	Water Storage Facility
North	R-7.5(A)	Single Family
East	R-7.5(A)	Single Family
South	R-7.5(A): SUP No. 1748	Water Storage Facility
West	R-7.5(A)	Single Family

Land Use Compatibility:

The ±7.38-acre request site is zoned an R-7.5(A) Single Family District and has been developed with a water storage facility since the 1960s. The applicant proposes to continue operation of the facility with the addition of an electrical building with a masonry exterior and overall maximum height of 24 feet. Four metering vaults, a generator pad, and a detention pond, all extending no more than one foot above grade will be added improvements to the site. The two existing ground storage tanks will remain.

In lieu of erecting a solid screening wall along the perimeter of the site, which could potentially cause security concerns by obstructing the view into the site, a buffer will be provided by the installation of four canopy trees located internal to the site, and an eight-foot tall steel tube fence that will be erected along both street frontages as well as the east side of the property adjacent to the alley. The existing six-foot tall chain link fence with barbed wire that is currently located along the rear of the site will remain.

The use will be served by four parking spaces and the only point of access to the site will be provided via a new concrete driveway extending from Barnes Bridge Road.

The request site is adjacent to another water storage facility owned by the City of Mesquite to the southeast. The areas to the north, east, and west, are developed with single-family homes.

The additional screening and landscaping will help buffer the site from the adjacent residential uses, thus reducing the potential negative impact that the existing use may have on the surrounding community. The masonry exterior coverage of the proposed one-story electrical building will be compatible with the design of the single family structures that exists in the adjacent area.

Development Standards:

<u>DISTRICT</u>	<u>SETBACKS</u>		Lot Area	Height	Lot Coverage	Special Standards	PRIMARY Uses
	Front	Side/Rear					
R-7.5(A) Residential	25'	5'/5'	7,500	30'	45% res 25% non-res	Proximity Slope Visual Intrusion	Residential
PDD for R-7.5(A) Local Utility	Barnes Bridge 20' Ferguson 0'	0'/0'	7,500	24'	45% res 40% non-res	Proximity Slope Visual Intrusion	Local utility and Residential

Landscaping:

Landscaping must be provided as shown on the attached development plan.

Parking:

Pursuant to §51A-4.212 of the Dallas Development Code, no off-street parking is required for a local utility use. However, the applicant is proposing to provide four parking spaces as delineated on the attached development plan.

CPC ACTION – September 1, 2016:

Motion: It was moved to recommend **approval** of a Planned Development District for a local utility and single family uses, subject to a development plan and conditions on property zoned an R-7.5(A) Single Family District, on the east corner of Barnes Bridge Road and Ferguson Road.

PROPOSED PD CONDITIONS

ARTICLE.

PDD.

SEC. 51P- .101. LEGISLATIVE HISTORY.

PD _____ was established by Ordinance No. _____, passed by the Dallas City Council on _____. Ordinance No._____.

SEC. 51P- .102. PROPERTY LOCATION AND SIZE.

PD _____ is established on property generally located on the South line of W. Northwest Highway, east of Lemmon Avenue. The size of PD _____ is approximately 0.891 acres.

SEC. 51P- .103. DEFINITIONS AND INTERPRETATIONS.

(a) Unless otherwise stated, the definitions and interpretations in Chapter 51A apply to this article.

(b) Unless otherwise stated, all references to articles, divisions, or sections in this article are to articles, divisions, or sections in Chapter 51A.

(c) This district is considered to be a residential/nonresidential zoning district.

SEC. 51P- 104. EXHIBIT.

The following exhibit is incorporated into this article: Exhibit ____A: development plan.

SEC. 51P- .105. DEVELOPMENT PLAN.

(a) For a local utilities use, development and use of the Property must comply with the development plan (Exhibit ____A). If there is a conflict between the text of this article and the development plan, the text of this article controls.

(b) For all other uses, no development plan is required, and the provisions of Section 51A-4.702 regarding submission of or amendments to a development plan, site analysis plan, conceptual plan, development schedule, and landscape plan do not apply.

SEC. 51P- .106. MAIN USES PERMITTED.

(a) Except as provided in this section, the only main uses permitted are those main uses permitted in the R-7.5(A) Single Family District, subject to the same conditions applicable in the R-7.5(A) Single Family District, as set out in Chapter 51A. For example, a use permitted in the R-7.5(A) Single Family District only by specific use permit (SUP) is permitted in this district only by SUP; a use subject to development impact review (DIR) in the R-7.5(A) Single Family District is subject to DIR in this district; etc.

(b) The following use is permitted by right:

-- Local utilities.

SEC. 51P- .107. ACCESSORY USES.

As a general rule, an accessory use is permitted in any district in which the main use is permitted. Some specific types of accessory uses, however, due to their unique nature, are subject to additional regulations contained in Section 51A-4.217. For more information regarding accessory uses, consult Section 51A-4.217.

SEC. 51P- .108. YARD, LOT, AND SPACE REGULATIONS.

(Note: The yard, lot, and space regulations in this section must be read together with the yard, lot, and space regulations in Division 51A-4.400. In the event of a conflict between this section and Division 51A-4.400, this section controls.)

Except as provided in this section, the yard, lot, and space regulations for the R-7.5(A) Single Family District apply.

(a) Front yard: For a local utilities use, minimum front yard is 20 feet on Barnes Bridge Road and 0 feet on Ferguson Road.

(b) Side and rear yard: For a local utilities use, no minimum side or rear yard is required.

(c) Floor area: For a local utilities use, maximum floor area is 3,000 square feet. Above ground storage tanks as shown on the development plan do not count as floor area. Partially underground utility vaults do not count as floor area.

(d) Height:

(1) In general. Except as provided in this subsection, maximum structure height is 35 feet.

(2) Local utilities. For a local utilities use, maximum structure height is 25 feet.

(3) Residential proximity slope. If any portion of a structure used for an institutional use or a utility and public service use is over 26 feet in height, that portion may not be located above a residential proximity slope.

(e) Lot coverage: For nonresidential uses, maximum lot coverage is 40 percent. Aboveground parking structures are included in lot coverage calculations; surface parking lots and underground parking structures are not.

(f) Lot size: Minimum lot size is 7,500 square feet.

SEC. 51P- .109. OFF-STREET PARKING.

Consult the use regulations in Division 51A-4.200 for the specific off-street parking and loading requirements for each use.

SEC. 51P- .110. ENVIRONMENTAL PERFORMANCE STANDARDS.

See Article VI.

SEC. 51P- .111. LANDSCAPING.

(a) Except as provided in this section, landscaping must be provided in accordance with Article X.

(b) Plant materials must be maintained in a healthy, growing condition.

(c) For a local utilities use, a minimum of four (4) large canopy trees must be planted as shown on the Development Plan.

(d) For a local utilities use, no screening of off-street parking is required.

(e) For a local utility use, no perimeter landscape buffer strip is required.

(f) For a local utilities use, screening required under Section 51A-4.602(b) is not required.

SEC. 51P- .112. SIGNS.

Signs must comply with the provisions for non-business zoning districts contained in Article VII.

SEC. 51P- .113. ADDITIONAL PROVISIONS.

(a) The Property must be properly maintained in a state of good repair and neat appearance.

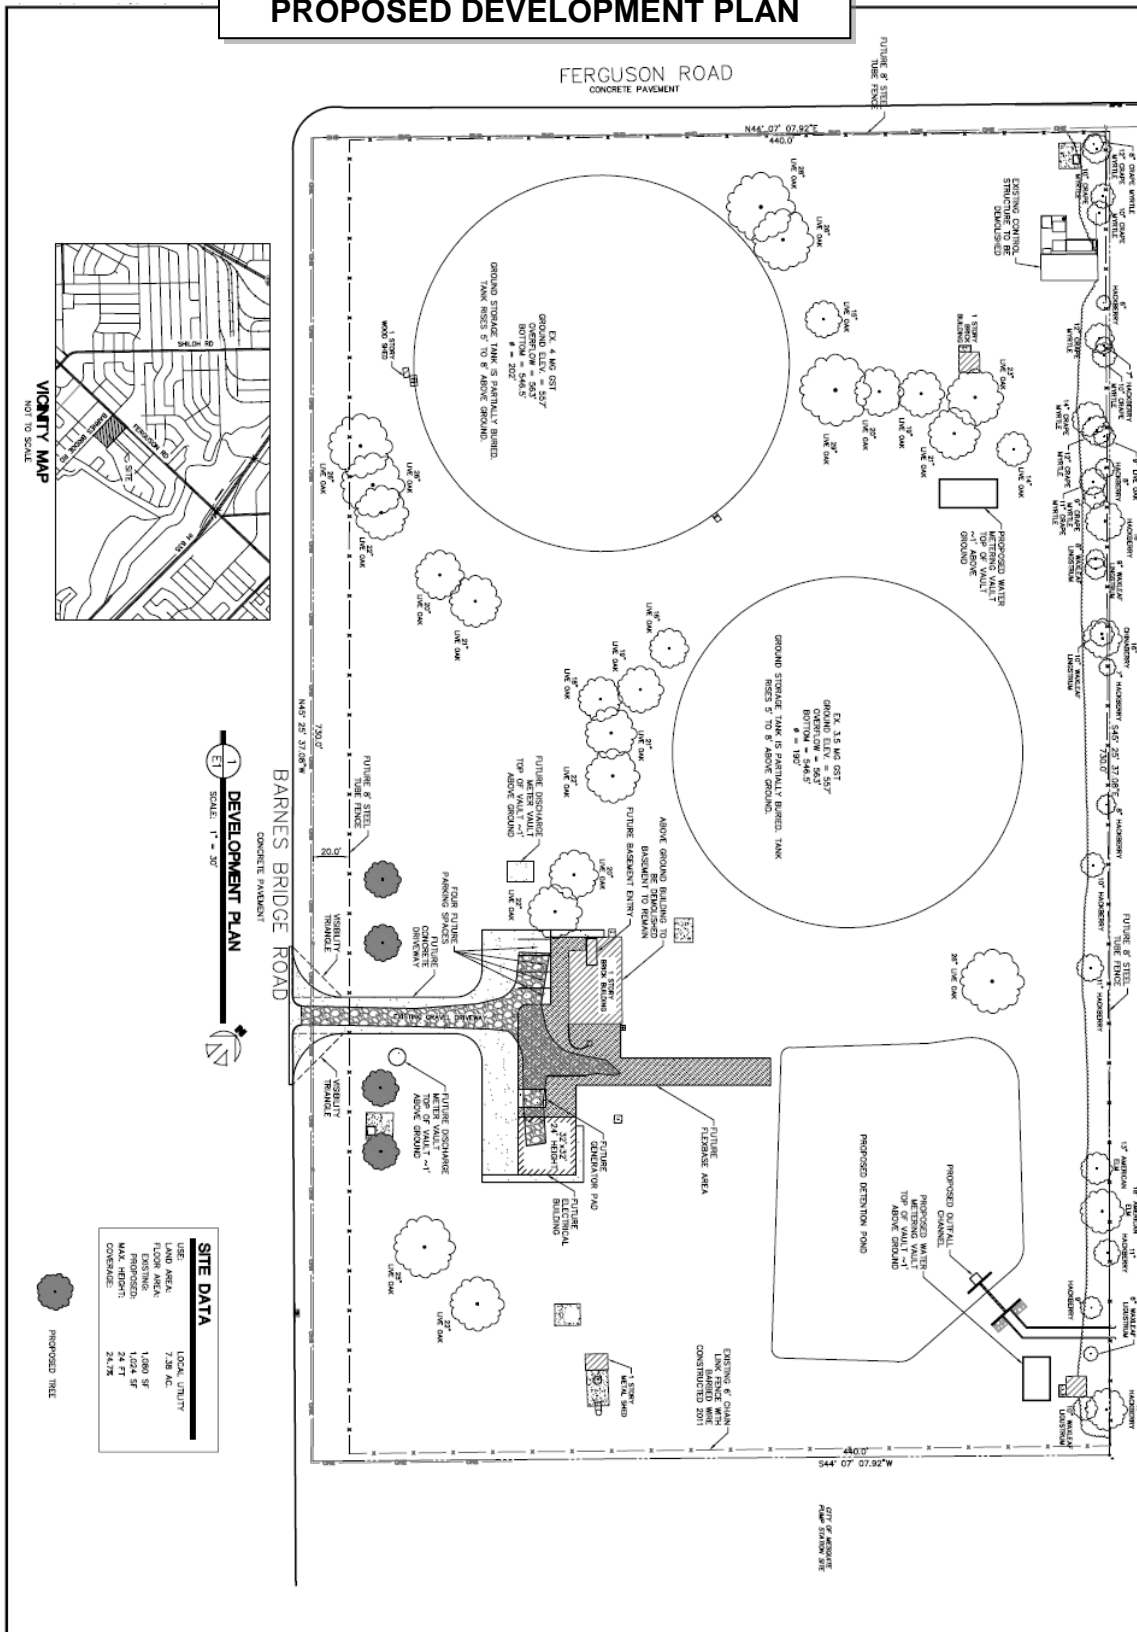

(b) Development and use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the city.

SEC. 51P- .114. COMPLIANCE WITH CONDITIONS.

(a) All paved areas, permanent drives, streets, and drainage structures, if any, must be constructed in accordance with standard city specifications, and completed to the satisfaction of the city.

(b) The building official shall not issue a building permit to authorize work, or a certificate of occupancy to authorize the operation of a use, until there has been full compliance with this article, the Dallas Development Code, the construction codes, and all other ordinances, rules, and regulations of the city.

COUNCIL DISTRICT: 5 **MAPSCO:** 58-L

SIZE OF REQUEST: Approx. 0.94 acres **CENSUS TRACT:** 92.02

APPLICANT / OWNER: PLS Check Cashers of Texas / Realeins Properties, LTD

REPRESENTATIVE: Karl Crawley, Masterplan

REQUEST: An application to 1) create a new subarea to allow an alternative financial establishment use by Specific Use Permit within Subarea 2 within Planned Development District No. 366, the Buckner Boulevard Special Purpose District, and 2) a Specific Use Permit for an alternative financial establishment use.

SUMMARY: The applicant would like to expand an existing alternative financial establishment. The existing PD does not allow an alternative financial establishment in the current subarea. By creating a new subarea, and amending conditions to allow the use within the new area with a Specific Use Permit, they will be able to expand the current alternative financial establishment. The applicant is also requesting the required SUP at this time.

CPC RECOMMENDATION: Approval of a new subarea, subject to conditions; and approval of a Specific Use Permit for a three-year period with eligibility for automatic renewals for additional three-year periods, subject to a site plan and conditions.

STAFF RECOMMENDATION: Approval of a new subarea, subject to conditions; and approval of a Specific Use Permit for a three-year period with eligibility for automatic renewals for additional three-year periods, subject to a site plan and conditions.

GUIDING CRITERIA FOR RECOMMENDATION:

Staff recommendation for approval of the new subarea is based upon:

1. *Performance impacts upon surrounding property* – The request site is located at a major intersection, adjacent to a multi-tenant commercial development. The use exists and is proposed to double in size. The square footage already exists for commercial purposes and will have a neutral impact on the area.
2. *Traffic impact* – The proposed changes to the development standards will not have an impact on traffic. The closing on one of the parking lot ingress/egress points along S. Buckner Blvd. will provide relief from congestion in the parking lot and at the intersection of S. Buckner Blvd. and Lake June Road by redirecting traffic flow to the remaining two points of entry.
3. *Comprehensive Plan or Area Plan Conformance* – The *forwardDallas! Comprehensive Plan* shows that the request site is located on a multi-modal corridor. The request supports several goals within the comprehensive plan.
4. *Justification for PD Planned Development District Zoning as opposed to a straight zoning district* – The applicant must create a new subarea within the existing PD in order to expand the existing alternative financial establishment. Under current conditions, the existing business is nonconforming. Understanding the sensitivity of adding the use, they added the condition to allow the use with a Specific Use Permit, as requested at this time.

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The existing use is compatible with the surrounding land uses and currently exists. The multi-tenant retail development offers a variety of personal service and office uses.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The expansion of the alternative financial establishment does not appear to negatively impact the adjacent properties. The modification of the ingress/egress points will benefit the drivers in the area by limiting the outpouring of traffic closest to the busy intersection of S. Buckner Blvd. and Lake June Road. The proposed SUP, if approved by the CPC and City Council, will have conditions that are associated with the use to mitigate any potential conflicts.
3. *Not a detriment to the public health, safety, or general welfare* – The alternative financial establishment does not pose a risk to the public health, safety, or general welfare at this time. In addition, conditions and time periods for the use provide opportunity for continued evaluation of the site.

4. *Conforms in all other respects to all applicable zoning regulations and standards*– Based on information depicted on the site plan, it complies with all applicable zoning regulations and standards.

BACKGROUND INFORMATION:

The request site has been in operation since 2001 according to the City's certificate of occupancy records. Since the Dallas Development Code did not have a specified definition of the use, it would typically fall into either a personal service or office use. In February 1992, the request area was included in the establishment of the Buckner Boulevard Special Purpose District. Since the use is not allowed in the current Subarea 2, it is a nonconforming use. When the PD was created, nonconforming uses were specifically addressed. They were not allowed to be subject to amortization by the board of adjustment. The right to operate the nonconforming use would subsequently terminate once discontinued or vacant for one year.

An amendment to the PD, which was not part of the request site, added a new subarea and an alternative financial establishment use with specific use permit requirement in 2010. The alternative financial establishment use was not added to the Dallas Development Code until 2011 and requires a specific use permit in all districts where it is allowed. The definitions are slightly different in the PD and the Dallas Development Code, but have the same ultimate meaning.

The applicant requests to amend the PD to allow the use as defined by the Dallas Development Code within the new subarea with a specific use permit.

When the PD was amended in 2010 to allow the use by specific use permit, specific parking standards of one space per every 200 square feet of floor space were required. When the Dallas Development Code adopted the use in 2011, it was categorized as a use which requires only one space per every 333 square feet of floor space. This creates a significant difference for the parking demand. After review by the City's Engineering Division, it was found that the parking demand can be sufficiently addressed using the City code standards, rather than the PD's stricter standard.

Additional criteria the Development Code has established for the proposed use include:

- No alternative financial establishment may be located within 1,500 feet, measured from property line to property line, of any other alternative financial establishment; and,
- No alternative financial establishment may be located within 300 feet, measured from property line to property line, of a lot in a residential district.

The proposed site will comply with these standards.

Zoning History: There have been three recent zoning changes in the vicinity within the last five years.

1. **Z112-120:** On March 28, 2012, the City Council approved a Specific Use Permit for the sale of alcoholic beverages in conjunction with a general merchandise or food store greater than 3,500 square feet for a two-year period on property within Subarea 2, Tract 3 of Planned Development District No. 366, the Buckner Boulevard Special Purpose District with a D-1 Liquor Control Overlay.

2. **Z134-148:** On March 26, 2014, City Council approved an application for the renewal of Specific Use Permit No. 1946 for the sale of alcoholic beverages in conjunction with a general merchandise or food store greater than 3,500 square feet for a five-year period with eligibility for automatic renewals for additional five-year periods, on property within Subarea 2, Tract 3 of Planned Development District No. 366, the Buckner Boulevard Special Purpose District with a D-1 Liquor Control Overlay.

3. **Z156-239:** On August 10, 2016, City Council approved an application for a Specific Use Permit for the sale of alcoholic beverages in conjunction with a general merchandise or food store less than 3,500 square feet on property zoned Subdistrict 2 within Planned Development District No. 366 with a D-1 Liquor Control Overlay.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
Lake June Road	Principal Arterial	100 feet
S. Buckner Blvd.	Principal Arterial	100 feet

Traffic:

The Engineering Division of the Sustainable Development and Construction Department has reviewed the request and determined that the proposed changes, including the change in the calculated parking demand, will have no impact on the surrounding street system.

STAFF ANALYSIS:

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating an applicant's request. The Plan identifies the request site as being along a Transit or Multi-Modal Corridor

Transit centers support a compact mix of employment, retail, cultural facilities and housing. Multi-modal corridors should encourage the redevelopment of aging auto-oriented commercial strip development while respecting existing single family neighborhoods. While normally located around DART light-rail or commuter rail stations, these building blocks could also be focused streetcar or enhanced bus corridors such as bus rapid transit. Examples of transit centers include the Mockingbird Station area, the Cityplace Station area and the Westmoreland Station area, and examples of multi-modal corridors include the Lancaster and Ferguson Road corridor. These areas offer dense mixed use at the transit station or multi-modal corridor and then transition to multi-family and single-family housing at the edge. Of all the Building Blocks, this incorporates the greatest range of building structures and land uses, including multi-story residential above retail to townhomes to single-family residences. Transit centers and multi-modal corridors may sometimes be near residential neighborhoods and call for appropriate mitigation requirements. Areas currently developed with single-family or duplex uses should generally be maintained unless redevelopment is addressed through an Area Planning process. Multi-modal corridors in particular would diminish quickly in scale, density, and intensity away from the corridor, respecting existing single family neighborhoods while maintaining a strong focus on transit orientation and access. Interactive public plazas and/or civic uses will be centrally located and residential roof terraces and balconies overlooking transit station areas add "eyes on the street" that can aid public safety.

The proposed zoning request meets the following goals and objectives of the comprehensive plan:

Vision: Embrace all types of land use. Workshop participants were interested in having a wide range of land use options and scale in Dallas. While some land use types reflect a definite nod toward autos, others focused more heavily on walking and bicycling. Variety is the key in what workshop participants wanted for land use types throughout the city, recognizing differences in appropriateness and scale from place to place.

LAND USE ELEMENT

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

A goal of the forwardDallas! Vision is to create a healthy balance between jobs and households throughout Dallas by adding about 220,000 households and about 400,000 jobs between the years 2000 and 2030. The City should facilitate balanced growth with

the goal of achieving and maintaining a sustainable tax base. Tools and strategies for achieving the City’s economic development land use goals should direct public investment and encourage private partnerships.

ECONOMIC ELEMENT

GOAL 2.4 CREATE AND MAINTAIN AN ENVIRONMENT FRIENDLY TO BUSINESSES AND ENTREPRENEURS

A business friendly environment is essential for Dallas to maintain competitiveness in the regional and global marketplace.

Land Use:

	Zoning	Land Use
Site	PD No. 366-D-1, Subarea 2	Retail, office, and personal service uses
North	PD No. 366-D-1, Subarea 2; SUP	Retail, vehicle fueling station, personal service and office uses, SUP for alcohol sales (no # yet), automotive repair services
East	PD No. 366-D-1, Subarea 2	Retail and personal service uses, and funeral home
South	PD No. 366-D-1, Subarea 2	Retail, personal service, and office uses
West	PD No. 366-D-1, Subarea 2, SUP No. 1946	Retail uses, SUP to sell alcohol

Land Use Compatibility:

The main land use that surrounds the request site on South Buckner Boulevard and Lake June Road is retail. There are a variety of shops and restaurants. The expansion of the existing use is not expected to cause a detriment to the area. The space they are seeking to occupy next door for the expansion is for retail uses. A variety of facilities could occupy the neighboring suite. Expanding the existing business should have a similar impact as with previous retail uses, or potential new occupants providing retail uses as well.

Parking:

The property is developed with an existing alternative financial establishment and multitenant retail development. When this use was added to the PD in 2010, it was classified as requiring one parking space for every 200 square feet of floor space. The Dallas Development Code added the use the following year, it was determined that the use best fits into the one parking space for every 333 square feet of floor space category. The request is being made to allow the Dallas Development Code standard for parking for the new subarea only. This would require the 3,552 square foot to provide eleven parking spaces. According to the site plan provided, they plan to provide 12. This request is conditioned upon compliance with the submitted site plan.

Landscaping: The request site is located within an existing structure and the landscaping requirements will not be triggered.

PROPOSED PD CONDITIONS

ARTICLE 366.

PD 366.

Buckner Boulevard Special Purpose District

SEC. 51P-366.101. LEGISLATIVE HISTORY.

PD 366 was established by Ordinance No. 21211, passed by the Dallas City Council on February 26, 1992. Ordinance No. 21211 amended Ordinance No. 19455, Chapter 51A of the Dallas City Code, as amended. Subsequently, Ordinance No. 21211 was amended by Ordinance No. 21313, passed by the Dallas City Council on June 10, 1992, and Ordinance No. 24159, passed by the Dallas City Council on January 12, 2000. (Ord. Nos. 19455; 21211; 21313; 24159; 25164)

SEC. 51P-366.102. PROPERTY LOCATION AND SIZE.

PD 366 is established on property generally located along both sides of Buckner Boulevard from Heinen Drive and Hoyle Avenue on the north to the T. & N.O. Railroad on the south, and along Lake June Road between Carbona Drive on the west and Pleasant Drive on the east. The size of PD 366 is approximately 407.945 acres. (Ord. Nos. 21211; 21313; 24159; 25164; 27034; 27902; 28199; 28520; 28547; 28775)

SEC. 51P-366.103. DEFINITIONS AND INTERPRETATIONS.

(a) Unless otherwise stated, the definitions in Chapter 51A apply to this article. In Subarea 6:

(1) **ALTERNATIVE FINANCIAL ESTABLISHMENT** means a business that provides car title loans, check cashing, money transfers, payday cash advances, payroll advances, or short term cash loans. An alternative financial establishment does not include state or federally chartered banks, savings and loans, and credit unions. An alternative financial establishment does not include an establishment that provides financial services that are accessory to another main use.

(2) **FEED STORE** means a facility for the wholesale or retail sale of grain, prepared feed, and forage for pets, livestock, and fowl.

(3) **MASSAGE ESTABLISHMENT** means any building, room, place, or establishment, other than a regularly licensed hospital, where manipulated massage or manipulated exercises are practiced upon the human body by anyone not a duly

licensed physician or chiropractor whether with or without the use of mechanical, therapeutic, or bathing devices, and includes Turkish bathhouses. This term does not include, however, duly licensed beauty parlors or barber shops or a place wherein registered physical therapists treat only patients recommended by a licensed physician and operated only under such physician's direction. MASSAGE means any process consisting of kneading, rubbing, or otherwise manipulating the skin of the body of a human being, either with the hand or by means of electrical instruments or apparatus, or other special apparatus, but does not include massage by duly licensed physicians and chiropractors, and registered physical therapists who treat only patients recommended by a licensed physician and who operate only under such physician's direction, nor massage of the face practiced by beauty parlors or barbershops duly licensed under the penal code of the state.

(4) TATTOO OR BODY PIERCING STUDIO means a business in which tattooing or body piercing is performed. TATTOOING means the practice of producing an indelible mark or figure on the human body by scarring or inserting a pigment under the skin using needles, scalpels, or other related equipment. BODY PIERCING means the piercing of body parts, other than ears, for purposes of allowing the insertion of jewelry.

(b) Unless otherwise stated, all references to articles, divisions, or sections in this article are to articles, divisions, or sections in Chapter 51A.

(c) Section 51A-2.101, "Interpretations," applies to this article.

(d) The following rules apply in interpreting the use regulations in this article:

(1) The absence of a symbol appearing after a listed use means that the use is permitted by right.

(2) The symbol *[SUP]* appearing after a listed use means that the use is permitted by specific use permit only.

(3) The symbol *[DIR]* appearing after a listed use means that a site plan must be submitted and approved in accordance with the requirements of Section 51A-4.803. ("DIR" means "development impact review." For more information regarding development impact review generally, see Division 51A-4.800.)

(4) The symbol *[RAR]* appearing after a listed use means that, if the use has a residential adjacency as defined in Section 51A-4.803, a site plan must be submitted and approved in accordance with the requirements of that section. ("RAR" means "residential adjacency review." For more information regarding residential adjacency review generally, see Division 51A-4.800.)

(5) For purposes of determining the applicability of regulations in this article and in Chapter 51A triggered by adjacency or proximity to another zoning district,

and for purposes of interpreting the DIR and RAR requirements of Division 51A-4.800, this district is considered to be a nonresidential zoning district.

(e) PD 366 is to be known as the Buckner Boulevard Special Purpose District. (Ord. Nos. 21211; 25164; 27788)

(d) Subarea 3. The uses permitted in Subarea 3 are all uses permitted in the LI Light Industrial District, as set out in Chapter 51A subject to the same conditions applicable in the LI Light Industrial District. For example, a use only permitted in the LI Light Industrial District by specific use permit (SUP) is only permitted in this planned development district by SUP; a use subject to development impact review (DIR) in the LI Light Industrial District is subject to DIR in this planned development district; etc. Exception: The vehicle display, sales, and service use is permitted by SUP only.

(e) Subarea 4. The uses permitted in Subarea 4 are all uses permitted in the IM Industrial Manufacturing District, as set out in Chapter 51A, subject to the same conditions applicable in the IM Industrial Manufacturing District. For example, a use only permitted in the IM Industrial Manufacturing District by specific use permit (SUP) is only permitted in this planned development district by SUP; a use subject to development impact review (DIR) in the IM Industrial Manufacturing District is subject to DIR in this planned development district; etc.

SEC. 51P-366.106. ACCESSORY USES.

(a) As a general rule, an accessory use is permitted in any district in which the main use is permitted. Some specific types of accessory uses, however, due to their unique nature, are subject to additional regulations in Section 51A-4.217. For more information regarding accessory uses, consult Section 51A-4.217.

(b) In Subarea 6, accessory outside display of merchandise is only permitted within 10 feet of the structure housing the primary use. (Ord. Nos. 21211; 25164; 27788)

SEC. 51P-366.107. YARD, LOT, AND SPACE REGULATIONS.

(Note: The yard, lot, and space regulations in this section must be read together with the yard, lot, and space regulations in Division 51A-4.400. In the event of a conflict between this section and Division 51A-4.400, this section controls.)

(a) Subareas 1, 1A, 2, and 6 and 7.

(1) Front yard. Minimum front yard is:

(A) 15 feet where adjacent to an expressway or a thoroughfare;

and

(B) no minimum in all other cases.

(2) Side and rear yard. Minimum side and rear yard is:

(A) 20 feet where adjacent to or directly across an alley from an R, R(A), D, D(A), TH, TH(A), CH, MF, or MF(A) district; ~~and~~

(B) no side and rear yard required in all other cases; and;

(C) in Subarea 7, no minimum side or rear yard.

(3) Dwelling unit density. No dwelling unit density.

(4) Floor area ratio. Maximum floor area ratio is:

(A) 0.5 for any combination of lodging, office, and retail and personal service uses; and

(B) 0.75 for all uses combined.

(5) Height.

(A) Residential proximity slope. If any portion of a structure is over 26 feet in height, that portion may not be located above a residential proximity slope. (See Section 51A-4.412.) Exception: Structures listed in Section 51A-4.408(a)(2) may project through the slope to a height not to exceed the maximum structure height, or 12 feet above the slope, whichever is less.

(B) Maximum height. Unless further restricted under Subparagraph (A), maximum structure height is 45 feet.

(6) Lot coverage. Maximum lot coverage is 80 percent. Aboveground parking structures are included in lot coverage calculations; surface parking lots and underground parking structures are not.

(7) Lot size. No minimum lot size.

(8) Stories. Maximum number of stories above grade is three. Parking garages are exempt from this requirement, but must comply with the height regulations of Paragraph (5).

(b) Subarea 3. Except as otherwise provided, the yard, lot, and space regulations for this subarea must comply with the yard, lot, and space regulations applicable to the LI Light Industrial District, as set out in Chapter 51A. Minimum side and rear yard is:

(1) 20 feet where adjacent to or directly across the street from an R, R(A), D, D(A), TH, TH(A), CH, MF, or MF(A) district; and

(2) no side or rear yard required in all other cases.

(c) Subarea 4. Except as otherwise provided, the yard, lot, and space regulations for this subarea must comply with the yard, lot, and space regulations applicable to the IM Industrial Manufacturing District, as set out in Chapter 51A. Minimum side and rear yard is:

(1) 20 feet where adjacent to or directly across the street from an R, R(A), D, D(A), TH, TH(A), CH, MF, or MF(A) district; and

(2) no side or rear yard required in all other cases.

(d) Subarea 5.

(1) Front yard. Minimum front yard is 25 feet.

(2) Side and rear yard. Minimum side yard is 25 feet. Minimum rear yard is 50 feet.

(3) Dwelling unit density. No dwelling unit density.

(4) Floor area ratio. Maximum floor area ratio is:

(A) 0.5 for any combination of lodging, office, and retail and personal service uses; and

(B) 0.75 for all uses combined.

(5) Height.

(A) Residential proximity slope. If any portion of a structure is over 26 feet in height, that portion may not be located above a residential proximity slope. (See Section 51A-4.412.) Exception: Structures listed in Section 51A-4.408(a)(2)

may project through the slope to a height not to exceed the maximum structure height, or 12 feet above the slope, whichever is less.

(B) Maximum height. Unless further restricted under Subparagraph (A), maximum structure height is 45 feet.

(6) Lot coverage. Maximum lot coverage is 80 percent. Aboveground parking structures are included in lot coverage calculations; surface parking lots and underground parking structures are not.

(7) Lot size. No minimum lot size.

(8) Stories. Maximum number of stories above grade is three. Parking garages are exempt from this requirement, but must comply with the height regulations of Paragraph (5). (Ord. Nos. 21211; 25164; 27034; 27788; 28547)

SEC. 51P-366.108. OFF-STREET PARKING AND LOADING.

(a) In general. Except as provided in this section, off-street parking and loading must be provided in accordance with the Dallas Development Code, as amended.

(b) Subarea 1A. Except as provided in this subsection, any on-street parking spaces partially located within the street easement adjacent to Buckner Boulevard at Bearden Lane as shown on the development plan may be counted as a reduction of the parking requirement of the use adjacent to the on-street parking space.

(1) An on-street parking space may not be used to reduce the required parking for more than one use, except that an on-street parking space may be used to reduce the combined total parking requirement of a mixed-use project.

(2) An on-street parking space that is not available to the public at all times of the day may only be counted as a partial parking space in proportion to the amount of time that it is available. For example, a parking space that is available to the public only eight hours per day will be counted as one-third of a parking space ($8 \div 24 = \text{one-third}$). The total of the limited-availability parking spaces will be counted to the nearest whole number, with one-half counted as an additional space.

(c) Subarea 5.

(1) For a college, university, or seminary use, off-street parking must be provided at a ratio of 0.23 parking spaces per student and employee.

(2) Surface parking is permitted in the required side and rear yards.

(d) Subarea 6.

(1) Feed store.

(A) One space per 500 square feet of retail floor area is required.

(B) One space per 1,000 square feet of warehouse and storage floor area is required.

(2) Alternative financial establishment. One space per 200 square feet of floor area is required.

(e) Subarea 8.

(1) Off-street parking and loading must be provided in accordance with the Dallas Development Code, as amended.

SEC. 51P-366.109. ENVIRONMENTAL PERFORMANCE STANDARDS.

See Article VI. (Ord. Nos. 21211; 25164)

SEC. 51P-366.110. LANDSCAPING FOR ALL SUBAREAS EXCEPT SUBAREA 7.

(a) Application.

(1) Parkway landscaping provisions shall become applicable to a lot when an application is made for a building permit for construction work that increases building height, floor area ratio, required parking, or nonpermeable coverage of the lot.

(2) Site area landscaping, front yard strip landscaping, screening, and sidewalk provisions shall become applicable to a lot when an application is made for a building permit for construction work that increases either the floor area ratio, building height, or nonpermeable coverage of the lot by more than 20 percent.

(3) Front yard strip landscaping and screening provisions may be imposed during required development impact or residential adjacency review procedures.

(b) Parkway landscaping. One tree at least three and one-half inches in diameter, or two trees at least one and one-half inches in diameter must be provided

between the street curb and the sidewalk per 30 feet of frontage, exclusive of driveways, visibility triangles, and accessways at points of ingress and egress. No underground irrigation system is required for parkway landscaping.

(c) Front yard strip landscaping.

(1) The 10-foot-wide strip of land along the entire length of the front yard and immediately adjacent to the property line must be landscaped as follows:

(A) Twenty percent of the surface must be permeable.

(B) Ten percent must be landscaped with trees, shrubs, or a combination of trees and shrubs that have the potential to attain a minimum height of 30 inches within a three-year time period.

(C) An underground irrigation system must be provided.

(2) Front yard strip landscaping must be approved by the director of the department of development services.

(d) Site area landscaping.

(1) Except as provided in this subsection, the remainder of the lot must be landscaped in accordance with the provisions contained in Article X. An underground irrigation system must be provided.

(2) A plant group that complies with the provisions of Section 51A-10.125(b)(7)(B) must be provided for every 35 feet of street frontage in the Landscape Enhancement Areas as shown on the development plan for Subarea 1A (Exhibit 366C).

(e) Screening.

(1) A six-foot-high solid screening fence must be provided along all rear and side lot lines that are adjacent to residential districts.

(2) On-site parking must be screened with:

(A) a minimum three-foot-high solid fence, with an 18-inch wide planting bed located on its street side; or

(B) shrubs with the potential to attain a minimum height of 30 inches within a three-year time period.

(3) Manufactured building sales lot and vehicle display, sales, and service uses must be screened with a minimum two and one-half-foot-high fence with a

screening factor of less than 66 percent, and an 18-inch-wide planting bed located on its street side.

(f) Sidewalks. A sidewalk with a minimum width of five feet must be provided in the 12 foot area parallel to and in back of the projected street curb.

(g) Completion. All landscaping must be completed in accordance with the provisions contained in Article X.

(h) General maintenance.

(1) Required landscaping must be maintained in a healthy, growing condition at all times. The property owner is responsible for regular weeding, mowing of grass, irrigating, fertilizing, pruning, and other maintenance of all plantings as needed. Any plant that dies must be replaced with another living plant that complies with the approved landscape plan within 90 days after notification by the city.

(2) Any damage to utility lines resulting from the negligence of the property owner or his agents or employees in the installation and maintenance of required landscaping in a utility easement is the responsibility of the property owner. If a public utility disturbs a landscaped area in a utility easement, it shall make every reasonable effort to preserve the landscaping materials and return them to their prior locations after the utility work. If, nonetheless, some plant materials die, it is the obligation of the property owner to replace the plant materials.

(i) Points. For purposes of tabulating the number of points earned toward the minimum number required by Article X, 15 points are awarded for parkway landscaping. Ten points are awarded for required or voluntary front yard strip landscaping. Five points are awarded for the screening of on-site parking. (Ord. Nos. 21211; 25164; 28547)

SEC. 51P-366.110.1. LANDSCAPING FOR SUBAREA 7.

(a) Landscaping must be provided as shown on the development and landscape plan (Exhibit 366E).

(b) Plant materials must be maintained in a healthy, growing condition.

SEC. 51P-366.111. PRIVATE LICENSE GRANTED.

(a) The city council hereby grants a private license to each of the abutting property owners of property in the Buckner Boulevard Special Purpose District for the exclusive purpose of authorizing compliance with the parkway landscaping requirements of this article. An abutting property owner is not required to pay an initial

or annual fee for this license, although a fee may be charged for issuance of a landscape permit in accordance with Chapter 52 of the Dallas City Code, as amended. This private license shall not terminate at the end of any specific time period, however, the city council retains the right to terminate this license whenever in its judgment the purpose or use of this license is inconsistent with the public use of the right-of-way or whenever the purpose or use of this license is likely to become a nuisance.

(b) To the extent that the provisions contained in this section conflict with the applicable licensing provisions contained in Chapter 43 of the Dallas City Code, the provisions contained in Chapter 43 are waived.

(c) In no event shall the license granted by this section be construed to grant an easement or real property interest of any kind to the licensees. (Ord. Nos. 21211; 25164)

SEC. 51P-366.112. LANDSCAPE PLAN.

(a) A landscape plan must be submitted to and approved by the director of the department of development services prior to the installation of landscaping required by this article.

(b) Upon the submission of a plan for or including the installation of parkway landscaping, the director of the department of development services shall circulate it to all affected city departments and all utilities and communication companies for review and comment. If, after receiving comments from affected city departments, utilities, and communication companies, the director determines that the construction and planting proposed is in compliance with this article, and will not be inconsistent with and will not impair the public, utility, or communications company use of the right-of-way, the director shall approve the landscape plan; otherwise, the director shall disapprove the plan.

(c) A property owner is not required to comply with any parkway landscaping requirement of this article if compliance is made impossible due to the director of the department of development services' disapproval of a plan to install parkway landscaping on the basis that the installation of the landscaping will be inconsistent with, or will unreasonably impair the public, utility, or communication company use of the right-of-way.

(d) The approval of a plan to install parkway landscaping does not excuse the property owner, his agents, or employees from liability in the installation or maintenance of trees, landscaping, or pavement in the public right-of-way. (Ord. Nos. 21211; 25164)

SEC.51P-366.113. SIGNS.

(a) Except as provided in this section, all signs must comply with the provisions for business zoning districts in Article VII.

(b) For Subarea 1A, detached premise signs are limited to one two-sided sign on Blossom Lane and one two-sided sign on Buckner Boulevard in the areas shown on the development plan. The detached premise sign on Blossom Lane must be a monument sign and may not exceed six feet in height or 50 square feet in effective area. (Ord. Nos. 21211; 25164; 28547)

SEC. 51P-366.114. NONCONFORMING USES.

(a) Subareas 1, 2, 3, 4, 5, and 8.

(1) Existing nonconforming uses and uses made nonconforming by this article are not subject to amortization by the board of adjustment.

(2) The right to operate a nonconforming use terminates if the nonconforming use is discontinued or remains vacant for one year or more. The board may grant a special exception to this provision only if the owner can state an extreme circumstance that demonstrates that there was not an intent to abandon the use even though the use was discontinued for one year or more.

(b) Subarea 6.

(1) The city council finds that certain nonconforming uses have an adverse effect on nearby properties. The purpose of this subsection is to eliminate these nonconforming uses and to make them comply with the regulations of the Dallas Development Code, having due regard for the property rights of the persons affected, the public welfare, and the character of the surrounding area.

(2) The right to operate a nonconforming hotel or motel use; a nonconforming lodging or boarding house use; and a nonconforming residential hotel use automatically terminates on January 13, 2011 or one year after the use became nonconforming, whichever is later.

(3) An owner of a nonconforming hotel or motel use; a nonconforming lodging or boarding house use; or a nonconforming residential hotel use may request an extension of the compliance deadline in Paragraph (2) by filing an application with the director on a form provided by the city for that purpose. The application must be filed at least 30 days before the deadline in Paragraph (2). If a fee is required, the application will not be considered filed until the fee is paid. Failure to timely file a complete application for extension constitutes a waiver of the right to contest the reasonableness of the deadline in Paragraph (2).

(4) Upon the filing of a complete application for extension, the board shall, in accordance with the law, determine whether it is necessary to extend the compliance deadline for the nonconforming use. The board shall consider the factors listed in Section 51A-4.704(a)(1)(D) in determining whether to grant the request for extension.

(5) If, based on evidence presented at the public hearing, the board finds that additional time is needed to recoup the owner's actual investment in the use before the use became nonconforming, the board shall grant the request for extension and establish a new compliance deadline consistent with its determination of a reasonable amortization period; otherwise, the board shall deny the request. If the board denies the request, the right to operate the nonconforming use automatically terminates on the deadline in Paragraph (2), or 30 days after the date of the board's decision to deny, whichever is later.

(c) In general. Except as otherwise provided in this section, Section 51A-4.704 applies to all nonconforming uses and structures in this district. (Ord. Nos. 21211; 25164; 27788)

SEC.51P-366.114.1 SUBAREA 1A ROADWAY IMPROVEMENTS.

(a) Before the issuance of a certificate of occupancy for a permitted use, the following must be provided:

(1) Reconstruction of the segment of Bearden Lane west of Buckner Boulevard, retaining the existing driveway connection on the north line of Bearden Lane. Eastbound Bearden Lane must provide separate left-turn and right-turn lanes at Buckner Boulevard.

(2) Signalization at Buckner Boulevard and Blossom Lane, with design and construction approved by the Director of Public Works and Transportation.

(3) Restriping Blossom Lane, providing for separate eastbound and through lanes between Buckner Boulevard and the easternmost drive approach into the Property.

(4) Drive approaches along Blossom Lane, having separate left-turn and right-turn lanes onto Blossom Lane.

(b) On-street parking along Blossom Lane is prohibited. (Ord. 28547)

SEC. 51P-366.115. GENERAL REQUIREMENTS.

Development and use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the city. (Ord. Nos. 21211; 25164; 26102)

SEC. 51P-366.116. WAIVER OF CERTAIN SUP FEES IN SUBAREA 1.

The city council waives the application fee for a specific use permit for nonconforming uses located in Subarea 1 in those cases where:

(1) the nonconforming use was existing on February 26, 1992, or made nonconforming by this article; and

(2) upon inspection by the director of the department of code compliance or the director's designee, it is determined that the nonconforming use and the property on which it is located is in compliance with all applicable ordinances, rules, and regulations of the city other than the requirement of a specific use permit. (Ord. Nos. 21211; 25164; 26102)

SEC. 51P-366.117. COMPLIANCE WITH CONDITIONS.

(a) All paved areas, permanent drives, streets, and drainage structures, if any, must be constructed in accordance with standard city specifications, and completed to the satisfaction of the director of public works and transportation.

(b) The building official shall not issue a building permit or a certificate of occupancy for a use in this planned development district until there has been full compliance with this article, the Dallas Development Code, the construction codes, and all other ordinances, rules, and regulations of the city. (Ord. Nos. 21211; 25164; 26102)

PROPOSED SUP CONDITIONS

1. USE: The only use authorized by this specific use permit is an alternative financial establishment that provides check cashing, and money transfers and may not provide car title loans, payday cash advances, payroll advances, or short term cash loans. The owner/operator of the use may not hold a license as a credit access business from the Texas Office of Consumer Credit Commissioner for the location of this establishment.
2. SITE PLAN: Use and development of the Property must comply with the attached site plan.
3. TIME LIMIT: This specific use permit expires on _____(three years from the passage of this ordinance), but is eligible for automatic renewal for additional three-year periods pursuant to Section 51A-4.219 of Chapter 51A of the Dallas City Code, as amended. For automatic renewal to occur, the Property owner must file a complete application for automatic renewal with the director before the expiration of the current period. Failure to timely file a complete application will render this specific use permit ineligible for automatic renewal. (Note: The Code currently provides that applications for automatic renewal must be filed after the 180th but before the 120th day before the expiration of the current specific use permit period. The Property owner is responsible for checking the Code for possible revisions to this provision. The deadline for applications for automatic renewal is strictly enforced).
4. FLOOR AREA: Maximum floor area for an alternative financial establishment use is 3,552 square feet as shown on the site plan.
5. MAINTENANCE: The entire Property must be properly maintained in a state of good repair and neat appearance.
6. GENERAL REQUIREMENTS: Use of the Property must comply with all federal and state laws and regulations, and with all ordinances, rules, and regulations of the City of Dallas

FILE NUMBER: Z156-294(JM) **DATE FILED:** June 28, 2016

LOCATION: On the west side of Greenville Avenue, south of Sears Street

COUNCIL DISTRICT: 14 **MAPSCO:** 36 X

SIZE OF REQUEST: Approx. 2,534 Sq. Ft. **CENSUS TRACT:** 10.02

APPLICANT: The Old Crow-Brian Hankins, President

REPRESENTATIVE: Audra Buckley

OWNER: Intercity Investments

REQUEST: An application for the renewal of Specific Use Permit No. 1912 for a late-hours establishment limited to an alcoholic beverage establishment limited to an alcoholic beverage establishment for a bar, lounge, or tavern on property zoned Planned Development District No. 842 for CR Community Retail District Uses with an MD-1 Modified Delta Overlay.

SUMMARY: The applicant is proposing to continue operation of an existing bar, lounge, or tavern use (The Old Crow) past midnight.

CPC RECOMMENDATION: Approval for a three-year period, subject to conditions.

STAFF RECOMMENDATION: Approval for a three-year period, subject to conditions.

BACKGROUND INFORMATION:

- The existing improvements are utilized for a bar, lounge, or tavern use. The applicant has operated at this location since October, 1996.
- On January 26, 2011, the City Council approved Planned Development District No. 842 for CR District Uses that includes the request site. The PDD requires an SUP for any retail and personal service uses operating between 12:00 a.m. and 6:00 a. m.
- On October 26, 2011, the City Council approved SUP No. 1912 for a bar, lounge, or tavern use with late hours for a two-year period on the subject site.
- On October 23, 2013, the City Council renewed and amended SUP No. 1912 for a three-year period on the subject site. The applicant proposed to continue operation of an existing bar, lounge, or tavern use with late hours as well as providing the ability to utilize the patio area fronting Greenville Avenue (360 ft²).
- The site lies within the Area 3 portion of Modified Delta Overlay No. 1.
- The site is in compliance with the existing site plan. No changes to the site plan are requested at this time.

Zoning History:

1. Z101-303: On September 14, 2011, the City Council approved a Specific Use Permit for a Late-hours establishment limited to a restaurant without drive-in or drive-through service for a five-year period subject to a site plan and conditions.
2. Z101-260: On September 14, 2011, the City Council approved a Specific Use Permit for a late-hours establishment limited to a restaurant without drive-in or drive-through service for a two-year period subject to a site plan and conditions.
3. Z123-304: On November 12, 2013, the City Council approved the renewal of SUP No. 1904 for a late-hours establishment limited to a restaurant without drive-in or drive-through service.
4. Z123-262: On August 28, 2013, the City Council approved a Specific Use Permit for a late-hours establishment limited to a restaurant without drive-in or drive-through service for a one-year period subject to a site plan and conditions.

5. Z134-177: On August 13, 2014, the City Council approved a Specific Use Permit for a late-hours establishment limited to a restaurant without drive-in or drive-through service for a one-year period subject to a site plan and conditions.
6. Z156-224: On June 22, 2016, the City Council approved a Specific Use Permit for a late-hours establishment limited to a restaurant without drive-in or drive-through service for a one-year period subject to a site plan and conditions.
7. Z156-300: An application for the renewal of Specific Use Permit No. 1905 for a late-hours establishment limited to an alcoholic beverage establishment limited to a restaurant without drive-in or drive-through use on property within Planned Development District No. 842 for CR Community Retail District uses with a MD-1 Modified Delta Overlay. *Pending City Council on October 26, 2016.*

Street

Greenville Avenue Local; 50' ROW

Traffic: The Engineering Division of the Sustainable Development and Construction Department has reviewed the requested renewal and amendment to SUP No. 1912 and determined that it will not impact the surrounding street system.

Comprehensive Plan: The request site lies within a Main Street Building Block. Main streets are modeled after the American tradition of “main street” as a place for living, working and shopping. Examples of these streets with concentrations of pedestrian activity include Jefferson Boulevard, Knox-Henderson and Lovers Lane. Main streets, typically no more than a mile long, are active areas with buildings one to four stories in height and usually placed right up to the sidewalk with parking available on-street. Away from the “main street,” density quickly diminishes, thus minimizing impacts on nearby neighborhoods. This Building Block will likely be served by bus or rail and contain safe and pleasant walking environments. Streets have trees and wide sidewalks. There may even be landscaped paths from the “main street” to rear parking areas, sidewalk cafes, outdoor dining areas or courtyards. The primary public investment in these areas will be upgrading streets and walkways to create safe high-quality pedestrian environments.

SUP No. 1912 is located in an area that is consistent with the vision of the Main Street Building Block: 1) wide sidewalks and pedestrian amenity areas; 2) outdoor seating/gathering areas unique in application to the respective retail storefronts; 3) varied retail and personal service uses within close proximity of one another; and 4) patron access within walking distance from the established residential areas east and west of the Greenville Avenue corridor. Additionally, the request area is approximately 500 feet west of a bus stop, making the site transit oriented.

Additionally, the proposed zoning request meets the following goals and objectives of the comprehensive plan:

GOAL 1.2 PROMOTE DESIRED DEVELOPMENT.

A consistent theme expressed by Dallas residents is a desire that new development embrace improved transportation, urban design and housing options. These desired types and patterns of development are reflected in the Building Blocks used as guidelines in *forwardDallas!* The City should facilitate development that furthers economic, transportation and land use goals supported by Dallas residents.

Area Plans: Studies conducted in the area include the Lower Greenville Avenue Parking Study (1986) that recommended that “the City enforce premise code violations as it does in other parts of the City of Dallas”. Code Enforcement was also an issue highlighted in the Greenville Avenue Urban Design Study (1996-1997). It was recommended that “initiatives be taken to conduct a comprehensive sweep to clean-up the Greenville Avenue corridor and there after enforce codes with the assistance of property owners, residents, businesses and operations to maintain the property and report violations to the City for follow-up action.” Recommendations from both studies are still applicable today and consistent with authorized hearing SUP recommendations to address quality of life for adjacent residential neighborhoods and the Lowest Greenville Avenue corridor, respectively.

Modified Delta Overlay No. 1: The request site is located within Modified Delta Overlay No. 1. In general terms, ‘delta theory’ means the number of nonconforming parking or loading spaces for a use that may be carried forward when the use is converted or expanded (see attached Delta Theory).

The ‘modified delta’, in effect, prohibits the application of the delta theory due to a ceasing of a need to encourage redevelopment and adaptive reuse of existing structures or that the continued application of the delta theory will create traffic congestion and public safety issues.

The site lies within Modified Delta Overlay No. 1 (MD-1), which consists of three ‘Areas’ in an area generally bounded by Ellsworth Avenue, west of Matilda Street, north of Ross Avenue, and east of Summit Avenue/Worcola Street. This site lies within the Area 3 portion of MD-1 which was adopted by the City Council on October 1, 1987.

A June 14, 1995 City Council resolution provides for replacing parking in the right-of-way that is lost due to locating public dining space (subject to the granting of a private license) within this area, and requiring parking for the public dining area (1 space/300 square feet of public dining space). Lastly, a June 28, 1995 amendment to the ordinance provides for the following: 1) a use that is discontinued or remains vacant for 12 months loses the right to carry forward nonconforming parking/loading under the delta theory; 2) the Board of Adjustment may not grant a special exception for required parking; 3) walking distance for remote parking is increased to 900 feet; and, 4) special parking may account for more than 50% of required parking for a use.

Land Use: The request site possesses improvements that are utilized for a bar, lounge, or tavern use. The applicant is proposing to continue operation of an existing bar, lounge, or tavern use with late hours and a patio area fronting Greenville Avenue.

The bar has been at this location since October, 1996. The site is part of the land area for SUP No. 1289 for an alcoholic beverage establishment for a bar, lounge, or tavern. This SUP was approved for a permanent time period.

The site is surrounded by a mix of office, retail, and entertainment uses. Residential uses (single family and multifamily structures) are found on properties further west/southwest in the general area along Summit Avenue.

The purpose of PDD No. 842 is to 'ensure the compatibility of uses with adjacent residential neighborhoods and to reduce the incidence of crime by discouraging an over-proliferation of regional-serving, late-night venues.' As defined in the PDD, a late-hours establishment is any retail or personal service use that operates between 12:00 a.m. and 6:00 a.m., and furthermore requires an SUP for this defined use. Additionally, the City Council adopted a compliance date of September 23, 2011 for any retail and personal service use operating beyond 12:00 a.m. to obtain the required SUP.

PDD No. 842 establishes the following criteria for consideration of an SUP for a late-hours establishment:

(e) Factors to be considered for a specific use permit for a late-hours establishment. The city plan commission and city council shall consider the following factors when making the findings required by Section 51A-4.219(a)(3):

(1) the number of citations issued by police to patrons of the establishment (1);

(2) the number of citations issued by police for noise ordinance violations by the establishment (0);

(3) the number of arrests for public intoxication or disorderly conduct associated with the establishment (1);

(4) the number of Texas Alcoholic Beverage Code violations of the establishment (0); and

(5) the number of violent crimes associated with the establishment, with emphasis on violent crimes originating inside the establishment (2);

In addition to the regulations of PDD No. 842, the Dallas Development Code establishes general criteria for any use requiring an SUP:

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

The request is oriented along the Greenville Avenue frontage, consistent with similar retail and personal service uses in the immediate area. No outside operations (i. e., patio areas) face the residential area to the west. Use of outdoor loudspeakers is prohibited. The use possesses similar operational characteristics as expected along Greenville Avenue. The 2013 addition of sidewalk seating activates the sidewalk and makes the area livelier, thereby contributing to the *Main Street* character along Greenville Avenue. The applicant has operated in a responsible manner, with minimal citations, arrests, and/or violent crimes in the last three-year period. A valid certificate of occupancy exists and no building, health, or safety code violations have been recorded.

The applicant's patio is oriented along the north-south alignment of Greenville Avenue with no direct access to the residential areas that are found beyond those uses along the street. The applicant has operated in a responsible manner with one citation for public intoxication in February 2016, which led to an arrest, and two violent crimes (assault) in 2015. There have been no noise or TABC citations or reports.

Parking: The existing bar requires 28 off-street parking spaces (1/100 square feet), based on the applicant's floor area calculations (2,803 square feet). Six spaces are provided on-site (per the site plan for SUP No. 1289) with the balance satisfied by delta credits.

APPLICANT: Tammy Moss

OWNER: Deep Ellum Holdings, LLC

REPRESENTATIVE: Tammy Moss

REQUEST: An application for the renewal of, and amendment to Specific Use Permit No. 1767 for an alcoholic beverage establishment limited to a bar, lounge or tavern and the addition of an inside commercial amusement use limited to a live music venue on property zoned Tract A of Planned Development District No. 269, the Deep Ellum/Near East Side District.

SUMMARY: The purpose of this request is to allow the applicant to continue operating an entertainment venue (Rhythm Beats Culture) on site.

CPC RECOMMENDATION: Approval for a four-year period, subject to conditions.

STAFF RECOMMENDATION: Approval for a four-year period, subject to conditions.

BACKGROUND INFORMATION:

- On October 28, 2009, the City Council approved a renewal of Specific Use Permit No. 1767 for a two-year period.
- On August 10, 2011, the City Council approved a renewal of Specific Use Permit No. 1767 for a three-year period. The applicant requested that the live music provision in the SUP conditions be deleted. Live music was no longer performed at that time.
- On August 13, 2014, the City Council approved a renewal of Specific Use Permit No. 1767 for a two-year period.
- The applicant is requesting to add live music back into the Specific Use Permit conditions.
- The building at the request site was constructed in 1935 and was converted from its original use as an office and warehouse.
- The request site is surrounded by a mix of retail/restaurant uses that are served by various surface parking lots and metered spaces along Commerce Street.

Zoning History: There have been five recent zoning changes requested in the area.

1. Z056-270 On December 13, 2006, the City Council approved Specific Use Permit No. 1640 for a tattoo or body piercing studio.
2. Z112-285 On October 24, 2012, the City Council approved Specific Use Permit No. 1687 for a bar, lounge or tavern and an inside commercial amusement for a dance hall.
3. Z056-271 On January 10, 2007, the City Council approved Specific Use Permit No. 1651 for a tattoo or body piercing studio.
4. Z134-217 On August 13, 2014, the City Council approved a renewal of Specific Use Permit No. 1767 for a bar, lounge or tavern. (request site)
5. Z123-257 On August 14, 2013, the City Council approved Specific Use Permit No. 1857 for a bar, lounge or tavern.

COMPREHENSIVE PLAN: The forwardDallas! Comprehensive Plan was adopted by the City Council in June 2006. The forwardDallas! Comprehensive Plan outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The Plan identifies the request site as being in an Urban Mixed Use Building Block. The request site is consistent with the Urban Mixed Use Building Block.

The Urban Mixed-Use Building Block incorporates a vibrant mix of residential and employment uses at a lower density than the Downtown Building Block. These areas are typically near Downtown, along the Trinity River or near major transit centers. Examples include Uptown, the City Place/West Village area, Stemmons Design District, Cedars and Deep Ellum. Urban Mixed-Use Building Blocks provide residents with a vibrant blend of opportunities to live, work, shop and play within a closely defined area. Buildings range from high-rise residential or mid-rise commercial towers to townhomes and small corner shops. Good access to transit is a critical element. Similar to Downtown, the Urban Mixed-Use Building Blocks offer employment and housing options and are important economic growth areas for businesses. People on foot or bike can enjoy interesting storefronts at ground level with benches, public art, on-street parking and wide sidewalks, creating an appealing streetscape. Large parking areas and other auto-oriented land uses are typically located at the edges.

Surrounding Land Use:

	Zoning	Land Use
Site	PDD No. 269, SUP No. 1767	Bar, lounge, or tavern and inside commercial amusement
North	PDD No. 269	Retail and personal service
South	PDD No. 269	Retail/Restaurant
East	PDD No. 269	Retail
West	PDD No. 269	Surface parking/Retail

Land Use Compatibility: The request site is located within a one-story structure with an elevated patio. The applicant's request is for a renewal of Specific Use Permit No. 1767 to permit the continued operation of a bar, lounge or tavern and an inside commercial amusement limited to a live music venue use within the existing structure. The site plan is not changing from the previously approved renewal of Specific Use Permit No. 1767.

The site is surrounded by a mix of retail/restaurant uses that are served by various surface parking lots and metered spaces along Commerce Street.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable

effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

The existing alcoholic beverage establishment use limited to a bar, lounge, or tavern and proposed amendment for the inside commercial amusement limited to a live music venue are compatible and conform with the adjacent retail and personal service uses. The primary uses in PDD No. 269 consist of a mix of alcoholic beverage establishments, restaurant, personal service, and office uses. The current use contributes to the welfare of the area by providing an entertainment venue compatible with the surrounding uses. The current use has not been a detriment to the public health, safety, or general welfare due to the low number of criminal offenses at the site.

Parking: PDD No. 269 does not require off-street parking for the first 2,500 square feet of floor area for this use located in an original building on the first floor. Additionally, a ten percent reduction is permitted for any property within one-quarter mile of mass transit. The existing use is located within an original building with a first floor area of 2,278 square feet and does not trigger off-street parking requirements.

Traffic: The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that the use has not had a negative impact on the surrounding street system.

Dallas Police Department: A copy of the Part 1 and Part 2 Crime Stats showing the number of offenses at the request site after renewing the SUP in 2014 is provided below:

SIZE OF REQUEST: Approx. 0.559 acres **CENSUS TRACT:** 25.00

APPLICANT / OWNER: City of Dallas

REPRESENTATIVE: Milton Brook
Trinity Watershed Management

REQUEST: An application for a Specific Use Permit for local utilities limited to utilities services on property zoned an MF-2(A) Multifamily District.

SUMMARY: The purpose of this request to construct and operate a pump station to support the Mill Creek / Peaks Branch / State Thomas Relief Tunnel.

CPC RECOMMENDATION: Approval for a permanent period, subject to a site plan, landscape plan and conditions.

STAFF RECOMMENDATION: Approval for a permanent period, subject to a site plan, landscape plan and conditions.

BACKGROUND INFORMATION:

- The request site is currently undeveloped and is being used as a staging area for Fair Park.
- The proposed pump station will provide relief of flooding to certain areas of the city as well as improve the drainage in residential areas around Fair Park and East Dallas.

Zoning History: There have not been any zoning cases in the area over the past five years.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW	Proposed ROW
Bank Street	Local	30 ft.	30 ft.
Herndon Drive	Local	50 ft.	50 ft.

Traffic: The Engineering Division of the Sustainable Development and Construction Department has reviewed the request and determined that it will not have a detrimental impact on the surrounding street system.

COMPREHENSIVE PLAN: The *fowardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *fowardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant’s request. The Plan identifies the request site in a Residential Building Block.

This Building Block represents the life-blood of Dallas, the traditional neighborhood of single-family detached homes. Dallas has many neighborhoods that match this description, including Winnetka Heights, Preston Hollow, Lakewood and Wheatley Place. Single-family dwellings are the dominate land use in these areas. Some shops, restaurants or institutional land uses such as schools and religious centers that serve neighborhood residents may be located at the edges or at key intersections.

LAND USE ELEMENT:

GOAL 1.2 Promote desired development.

Policy 1.2.1 Use Vision Building Blocks as a general guide for desired development patterns.

Land Use:

	Zoning	Land Use
Site	MF-2(A)	Undeveloped
North	MF-2(A)	Undeveloped
South	CS, H/33	Elevated DART tracks, Fair Park
East	MF-2(A)	Undeveloped
West	MF-2(A)	Undeveloped

Land Use Compatibility: The 0.559 acre site is currently being used as a staging area for various equipment for Fair Park. The applicant’s request for a Specific Use Permit for local utilities limited to utilities services will allow for the construction of a one story, 1,553 square foot pump station and a 50-foot tall antenna. The antenna is an accessory use and will be attached to the main use (pump station).

The pump station will be used to empty the Mill Creek / Peaks Branch / State Thomas Relief drainage relief tunnel for inspection and maintenance purposes. The project is a 5-mile long, 30-foot diameter drainage tunnel which will reduce flooding and provide improved drainage to residential areas in east Dallas around Fair Park, Baylor Hospital, and Buckner Park. The proposed pump station will also provide drainage and flooding relief to business areas along Woodall Rodgers Freeway north of downtown including Victory Park, Perot Museum, and Uptown.

Pursuant to Section 51A-4.408, structures for utility and public service uses and institutional uses may be erected to any height consistent with the Federal Aviation Administration air space limitation, residential proximity slope height restrictions, and the building code. The proposed conditions will limit the maximum structure height to 20 feet.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards.

The site is adjacent to several tracts of undeveloped land. Even though the adjacent parcels are undeveloped, the request site is located within a residential district. The proposed design will provide an enhanced landscape plan to ensure compatibility with future residential development. The use is compatible with the surrounding uses and should not negatively impact the area from a land use perspective.

In addition, the facility will be secured by an eight-foot wrought iron fence. Access to the site will be restricted to one separate locked entry gate. For safety and security reasons, the site will not be accessible by the public.

Development Standards:

<u>DISTRICT</u>	<u>SETBACKS</u>		<u>Density</u>	<u>Height</u>	<u>Lot Coverage</u>	<u>Special Standards</u>	<u>PRIMARY Uses</u>
	<u>Front</u>	<u>Side/Rear</u>					
MF-2(A) Multifamily	15'	15'	Min lot 1,000 sq. ft. 800 sq ft – E 1,000 sq. ft – 1 BR 1,200 sq ft – 2 BR +150 sq ft each add BR	36'	60%	Proximity Slope	Multifamily, duplex, single family

Landscaping: Pursuant to Section 51A-4.212, landscape regulations do not apply to a utility services use. The proposed design will provide an enhanced landscape plan to ensure compatibility with future residential development.

Parking: Pursuant to Section 51A-4.212 of the Dallas Development Code, no parking is required for a utility services use but the applicant is providing three spaces on site.

CPC Action (September 15, 2016)

Motion: It was moved to recommend **approval** of a Specific Use Permit for local utilities limited to utilities services for a permanent period, subject to a site plan, landscape plan and conditions on property zoned an MF-2(A) Multifamily District, on the southwest line of Bank Street, southeast of Herndon Street.

REPRESENTATIVE: Alain Karatepeyan

REQUEST: An application for a Specific Use Permit for a liquor store on property zoned Subarea 1 within Planned Development District No. 298, the Bryan Area Special Purpose District

SUMMARY: The applicant proposes to operate a liquor store use within an existing multi-tenant commercial building.

CPC RECOMMENDATION: Approval for a two-year period, subject to a site plan and conditions.

STAFF RECOMMENDATION: Approval for a two-year period, subject to a site plan and conditions.

GUIDING CRITERIA FOR RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The area is largely commercial. Certain lots are vacant, providing an opportunity for redevelopment. This use is compatible with the surrounding area.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The requested use will be consistent with the commercial nature of the area. Additionally, it will provide services to nearby single family neighborhoods to the north.
3. *Not a detriment to the public health, safety, or general welfare* – The request is not foreseen to be a detriment to the public health, safety, or general welfare.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – The request does not require any modifications to the applicable zoning regulations.

Zoning History:

1. Z123-287(JH)

On August 28, 2013, the City Council approved an application to renew Specific Use Permit No. 1753 for a liquor store within the Subarea 8 portion of Planned Development District No. 298, the Bryan Area Special Purpose District, on the west corner of Haskell Avenue and San Jacinto Street.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW	Proposed ROW
Ross Avenue	Community Collector	80 ft.	Existing
Haskell Street	Principal Arterial	50 ft.—160 ft.	Existing

Development Standards:

DISTRICT	SETBACKS		Density	Height	Lot Coverage	Special Standards	PRIMARY Uses
	Front	Side/Rear					
PD No. 298 Subarea 1	5' min 15' max	0' or 10' Side 5' Rear	NA	120'	90%	Proximity Slope Visual Intrusion	Commercial, Business Services, Institutional, Lodging, Office, Recreational, Residential, Retail, & Utility Uses

Traffic: The Engineering Division of the Sustainable Development and Construction Department has reviewed the request and determined that the proposed development will not have a negative impact on the surrounding street system.

Comprehensive Plan:

The *forwardDallas!* Comprehensive Plan designates the area of request in the Multi-modal corridor. This Building Block should encourage the redevelopment of aging auto-oriented single family neighborhoods. These areas offer dense mixed use and then transition to multifamily and single family housing at the edge. These corridors should diminish quickly in scale, density, and intensity away from the corridor, respecting existing single family neighborhoods while maintaining a strong focus on transit-orientation and access.

The proposed zoning request meets the following goals and objectives of the comprehensive plan:

LAND USE ELEMENT

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

Policy 1.1.5 Strengthen existing neighborhoods and promote neighborhoods' unique characteristics. Acknowledge the importance of neighborhoods to the city's long-term health and vitality.

Implementation Measure 1.1.5.3 Encourage neighborhood-serving office, retail, or other non-residential uses to be located in residential community areas, primarily on significant roadways or at key intersections.

This request supports that goal by providing new shops in walking distance for existing single family structures, and promoting the overall redevelopment of the area. The location, on a Multi-modal corridor and adjacent to single-family uses, blends well as a new retail use at this key intersection within this neighborhood.

Area Plan: The Bryan Area Study of 1988 determined that a Planned Development District was appropriate to help organize and enhance the development potential in an area of East Dallas adjacent to and northeast of the Central Business District. Beginning in March 2004, an evaluation study was conducted to determine if development was meeting the objectives of the Bryan Area Study and to make recommendations to adjust regulations that were falling short. The original study identified eight objectives: (1) promote urban character; (2) encourage residential development; (3) encourage redevelopment and commercial activity; (4) establish the Bryan Area as a regional health care complex of Dallas; (5) enhance the physical appearance and promote urban character within the Bryan Area; (6) reinforce the multi-cultural character of the Bryan Area; (7) focus commercial/retail redevelopment opportunities to the Village Center; and (8) establish linkages to regional activity centers.

Subsequent to that study, an evaluation study was conducted and found that objectives 3 and 7 were off track. Specifically, Ross Avenue was divided into a few subdistricts of

differing regulations and the predominance of auto-related uses was identified as a redevelopment inhibitor. The recommendations of the evaluation study identified changes to PD No. 298 to encourage the desired development for the Ross Avenue corridor, namely: (1) subdistricts 1, 2, and 3 were combined along Ross Avenue to encourage uniform regulations for this gateway corridor; (2) razor wire and barbed wired fencing was prohibited and desired fencing materials listed; and (3) compliance dates for nonconforming uses along Ross Avenue were determined necessary to achieve the desired urban scale development and improve opportunity to maximize development potential.

Redevelopment is occurring on Ross Avenue and this request supports the changing uses along the gateway corridor.

Land Use Compatibility:

	Zoning	Land Use
Site	PDD No. 298 Subdistrict 1	Commercial Plaza; Proposed Liquor Store
North, Northeast	PDD No. 298 Subdistrict 1	Park and Single Family Residential
Southeast	PDD No. 298 Subdistrict 1	Retail
Southwest	PDD No. 298 Subdistrict 1	Vacant Land
West	PDD No. 298 Subarea 1	Vacant Auto Shop

The subject site is part of a multi-tenant commercial property. The liquor store will add a variety to the area within walking distance to single family neighborhoods to the north and northeast. The commercial plaza offers a variety of retail and personal services uses including: restaurant, hair and nail salons, and a dental office. The previous use was a medical clinic. The proposed use would be less intensive in nature.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Landscaping: Landscaping of any development will be in accordance with Article X, as amended.

OWNER: 1919-27 Greenville Ltd.
Hope Street, General Partner
Susan Reese, Member

REPRESENTATIVE: Sammy J. Mandell III

REQUEST: An application for the renewal of Specific Use Permit No. 1905 for a late-hours establishment limited to a restaurant without drive-in or drive-through use on property within Planned Development District No. 842 for CR Community Retail District uses with a MD-1 Modified Delta Overlay.

SUMMARY: The purpose of this request is to continue to operate an existing restaurant without drive-in or drive-through use past 12:00 a.m. [Greenville Avenue Pizza Company]. The owner is in compliance with the approved conditions and there are no changes to the site plan.

CPC RECOMMENDATION: Approval for a three-year period, subject to conditions.

STAFF RECOMMENDATION: Approval for a four-year period, subject to conditions.

BACKGROUND INFORMATION:

- The existing improvements are utilized for a restaurant without drive-in service. Additionally, the applicant received a private license to use a 253 square foot area of the public sidewalk for an uncovered patio area (see attached site plan).
- On January 26, 2011, the City Council approved Planned Development District No. 842 for CR District Uses, and furthermore required a Specific Use Permit for any retail and personal service uses operating after 12:00 a.m.
- The area of request contains two Specific Use Permits: Specific Use Permit No. 1905 and Specific Use Permit No. 2044. Specific Use Permit No. 1955 is being considered for the renewal of a late-hours establishment limited to an alcoholic beverage establishment limited to a restaurant without drive-in service.
- On September 14, 2011, the City Council approved SUP No. 1905 for a late-hours establishment limited to an alcoholic beverage establishment limited to a restaurant without drive-in service for a two-year period. On December 11, 2013, the City Council approved a renewal of SUP No. 1905 for a three-year period.
- The applicant is requesting the renewal of SUP No. 1905 to continue operation of the existing use past 12:00 a.m.
- On August 28, 2013, the City Council approved SUP No. 2044 for a late-hours establishment limited to an alcoholic beverage establishment limited to a restaurant without drive-in service for a one-year period. On August 13, 2014, the City Council approved a renewal of SUP No. 2044 for a three-year period and is eligible for automatic renewals for additional two year periods.
- The site lies within the Area 3 portion of Modified Delta Overlay No. 1.
- **Zoning History:** There have been approximately five zoning cases in the area over the past five years. The majority of the cases requested a Specific Use Permit for a late-hours establishment limited to an alcoholic beverage establishment limited to a restaurant without drive-in or drive-through use. During this time period several cases were for renewals of SUP for a late-hour establishment.

1. Z101-303 On September 14, 2011, the City Council approved a Specific Use Permit for a Late-hours establishment limited to a restaurant without drive-in service for a five-year period subject to a site plan and conditions [request site]

2. Z101-326 On September 14, 2011, the City Council approved a Specific Use Permit for a Late-hours establishment limited to a restaurant without drive-in service for a two-year period

subject to a site plan and conditions.

- 3. Z123-262 On August 28, 2013, the City Council approved a Specific Use Permit for a late-hours establishment limited to a restaurant without drive-in service for a one-year period subject to a site plan and conditions.
- 4. Z132-204 On August 28, 2013 the City Council approved a Specific Use Permit for a late-hours establishment limited to a restaurant without drive-in service for a three-year period with eligibility for automatic renewals for additional two year periods, subject to conditions.
- 5. Z156-294 On September 15, 2016 the City Plan Commission will consider a renewal of Specific Use Permit No. 1912 for a late-hours establishment limited to a bar, lounge or tavern.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW	Proposed ROW
Greenville Avenue	Local	50 ft.	50 ft.

Traffic: The Engineering Section of the Sustainable Development and Construction Department has reviewed the request and determined that it will not have a detrimental impact on the surrounding street system.

COMPREHENSIVE PLAN: The *fowardDallas! Comprehensive Plan* was adopted by the City Council in June 2006. The *fowardDallas! Comprehensive Plan* outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant’s request. The Plan identifies the request site along a Main Street Block.

Main streets are modeled after the American tradition of “main street” as a place for living, working and shopping. Examples of these streets with concentrations of pedestrian activity include Jefferson Boulevard, Knox-Henderson and Lovers Lane. Main streets, typically no more than a mile long, are active areas with buildings one to four stories in height and usually placed right up to the sidewalk with parking available on-street. Away from the “main street,” density quickly diminishes, thus minimizing impacts on nearby neighborhoods. This Building Block will likely be served by bus or rail and contain safe and pleasant walking environments. Streets have trees and wide sidewalks. There may even be landscaped paths from the “main street” to rear parking areas, sidewalk cafes, outdoor dining areas or courtyards. The primary public investment in these areas will be upgrading streets and walkways to create safe high-quality pedestrian environments.

LAND USE ELEMENT:

GOAL 1.2 Promote desired development.

Policy 1.2.1 Use Vision Building Blocks as a general guide for desired development patterns

Area Plans: Studies conducted in the area include the Lower Greenville Avenue Parking Study (1986) that recommended that “the City enforce premise code violations as it does in other parts of the City of Dallas”. Code Enforcement was also an issue highlighted in the Greenville Avenue Urban Design Study (1996-1997). It was recommended that “initiatives be taken to conduct a comprehensive sweep to clean-up the Greenville Avenue corridor and there after enforce codes with the assistance of property owners, residents, businesses and operations to maintain the property and report violations to the City for follow-up action.” Recommendations from both studies are still applicable today and consistent with authorized hearing SUP recommendations to address quality of life for adjacent residential neighborhoods and the Lowest Greenville Avenue corridor, respectively.

Modified Delta Overlay No. 1: The request site is located within Modified Delta Overlay No. 1. In general terms, ‘delta theory’ means the number of nonconforming parking or loading spaces for a use that may be carried forward when the use is converted or expanded (see attached Delta Theory).

The ‘modified delta’, in effect, prohibits the application of the delta theory due to a ceasing of a need to encourage redevelopment and adaptive reuse of existing structures or that the continued application of the delta theory will create traffic congestion and public safety issues.

The site lies within Modified Delta Overlay No. 1 (MD-1), which consists of three ‘Areas’ in an area generally bounded by Ellsworth Avenue, west of Matilda Street, north of Ross Avenue, and east of Summit Avenue/Worcola Street. This site lies within the Area 3 portion of MD-1 which was adopted by the City Council on October 1, 1987.

A June 14, 1995 City Council resolution provides for replacing parking in the right-of-way that is lost due to locating public dining space (subject to the granting of a private license) within this area, and requiring parking for the public dining area (1 space/300 square feet of public dining space). Lastly, a June 28, 1995 amendment to the ordinance provides for the following: 1) a use that is discontinued or remains vacant for

12 months loses the right to carry forward nonconforming parking/loading under the delta theory; 2) the Board of Adjustment may not grant a special exception for required parking; 3) walking distance for remote parking is increased to 900 feet; and, 4) special parking may account for more than 50% of required parking for a use.

	Zoning	Land Use
Site	PDD No. 842, SUP No. 1905 & SUP No. 2044	Restaurant w/out drive-in or drive through service
North	PDD No. 842	Restaurant
South	PDD No. 842	Restaurant
East	PDD No. 842	Surface parking, Multifamily
West	PDD No. 842	Restaurant

LAND USE COMPATIBILITY: The 1,475 square foot site is located within an existing two-story, multi-tenant building. The mix of uses in the existing multi-tenant building consist of various retail and personal service uses and Specific Use Permit No. 2044 for a late hours establishment limited to a restaurant without drive-in service.

The request for a renewal of Specific Use Permit No. 1905 will allow the applicant to continue to operate the facility past 12:00 a.m. [the next day] and use the existing outdoor patio. In September 2011, the City Council approved Specific Use Permit No. 1905 for a late-hours establishment limited to a restaurant without drive-in service. This is the third request by the applicant for a renewal of SUP No. 1905. In 2011, the Building Official updated the applicant’s certificates of occupancy from a general merchandise or food store 3,500 square feet or less to a restaurant use without drive-in service.

The request site is surrounded by a mix of office and retail uses. The nearest residential development is approximately 421 feet northeast of the request site, across Greenville Avenue. The applicant’s request is to continue to operate a restaurant without drive-in or drive-through use past 12:00 a.m.

The purpose of PDD No. 842 is to ‘ensure the compatibility of uses with adjacent residential neighborhoods and to reduce the incidence of crime by discouraging an over-proliferation of regional-serving, late-night venues.’ As defined in the PDD, a late-hours establishment is any retail or personal service use that operates between 12:00 a.m. and 6:00 a.m., and furthermore requires an SUP for this defined use. Additionally, the City Council adopted a compliance date of September 23, 2011 for any retail and personal service use operating beyond 12:00 a.m. to obtain the required SUP.

PDD No. 842 establishes the following criteria for consideration of an SUP for a late-hours establishment:

(e) Factors to be considered for a specific use permit for a late-hours establishment. The city plan commission and city council shall consider the following factors when making the findings required by Section 51A-4.219(a)(3):

(1) the number of citations issued by police to patrons of the establishment;

(2) the number of citations issued by police for noise ordinance violations by the establishment;

(3) the number of arrests for public intoxication or disorderly conduct associated with the establishment;

(4) the number of Texas Alcoholic Beverage Code violations of the establishment; and

(5) the number of violent crimes associated with the establishment, with emphasis on violent crimes originating inside the establishment.

The applicant has operated at this location in a responsible manner, with three reported offenses during a twenty-one month period based on the above criteria. In addition to the regulations of PDD No. 842, the Dallas Development Code establishes general criteria for any use requiring an SUP:

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The request does not appear to have an adverse impact on the surrounding zoning and land uses.

The use is compatible with the surrounding commercial and entertainment uses and should not negatively impact the area from a land use perspective. The applicant is in compliance with the existing approved conditions and there are no changes to the site plan. There are several Specific Use Permits that have been approved for late-hours establishments limited to a restaurant without drive-in service along the Greenville Corridor.

Development Standards:

DISTRICT	SETBACKS		Density	Height	Lot Coverage	Special Standards	PRIMARY Uses
	Front	Side/Rear					
PDD No. 842	15'	20' adjacent to residential OTHER: No Min.	0.75 FAR overall 0.5 office	54' 4 stories	60%	Proximity Slope Visual Intrusion	Retail & personal service, office

Landscaping: The request site will not trigger any landscaping that will comply will Article X. The existing development is not increasing any floor area or impervious surface.

Parking: Since 2007, the request site has been operating as a restaurant without a drive-in or drive through use. The existing restaurant requires and provides 15 off-street parking spaces. It should be noted the applicant and the property owner are aware of the requirement that off-street parking (one space for each 100 square feet of patio area) must be provided for utilization of the patio area.

Dallas Police Department: The following chart list the number of citations the request site occurred during the last 21 months based on the criteria in PDD No. 842 for a late hour establishment.

Citations within the last 24 months (01/2014 – 09/2016)

APPLICANT/OWNER: West Texas Rebar Placers, Inc.

REPRESENTATIVE: Marco A. Hernandez

REQUEST: An application for a CS Commercial Service District on property zoned an LI-D-1 Light Industrial District with a D-1 Liquor Control Overlay.

SUMMARY: The applicant is requesting the zoning change in order to operate a contractor maintenance yard. The intent is to store heavy equipment on-site, and do necessary maintenance and repairs to that equipment. An office is intended to be on-site, as well.

CPC RECOMMENDATION: Approval

STAFF RECOMMENDATION: Approval

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

Staff recommends approval based upon:

1. *Performance impacts upon surrounding property* – The proposed zoning district allows uses that are similar, but with greater restrictions for height. The Commercial Service District adds 18 uses, primarily in the retail and personal services, and wholesale, distribution, and storage uses categories. More information is provided under Development Standards and Land Use Comparison sections of this report.
2. Development on this block is similar to the requested use, but not allowed. The property is not currently in use, although there is some machinery being stored pending the outcome of this case.
3. *Traffic impact* – The proposed zoning will not have a negative impact on the existing street system.
4. *Comprehensive Plan or Area Plan Conformance* – The *forwardDallas! Comprehensive Plan* shows that the request site is located in a Business Center or Corridor Building Block. While the proposed district is inconsistent with this building block, it generally supports economic goals within the comprehensive plan. Additionally, the proposed district and use are consistent with surrounding land use patterns.

Zoning History: There have been no recent zoning cases in the area.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW
Forney Road	Community Collector (S-4-D)	80 feet
Prairie Creek Road	Principal Arterial (M-6-D(A))	100 feet

Traffic:

The Engineering Section of the Department of Sustainable Development and Construction reviewed the proposed zoning and determined it will not have a negative impact on the existing street system.

STAFF ANALYSIS:

Comprehensive Plan:

The comprehensive plan does not make a specific land use recommendation related to the request, however the *forwardDallas! Vision Illustration*, adopted June 2006, is comprised of a series of Building Blocks that depicts general land use patterns. Building Blocks are generalized patterns without well-defined boundaries that indicate where certain types and densities of development might logically occur.

The Vision Illustration depicts the request site as within a *Business Center or Corridor*. This Building Block represents major employment or shopping destinations outside of Downtown. Examples include the Galleria area, the NorthPark Center area, Southwest Center Mall area at I-20 and US Hwy 67 and the Stemmons Corridor. Business Centers are usually at major intersections or along highways or major arterials and rely heavily on car access. These areas typically include high-rise office towers and low- to mid-rise residential buildings for condos or apartments and may include multifamily housing. Land uses are typically separated from one another by parking lots, freeways or arterial roads. Streets in these areas emphasize efficient movement of vehicles. Bold lighting and linear landscaping features such as esplanades and tree-lined boulevards can all work to distinguish and identify these areas. Public spaces may be at key entry points and central locations. Gateway landscaping, monuments and other devices will provide visibility from the freeway and guide visitors to destinations. Public transit may play a role in these areas and help create some pockets of transit oriented development. Business Centers and Corridors provide important concentrations of employment within Dallas that compete with suburban areas.

The proposed CS Commercial Service District is described as being for the development of commercial and business serving uses that may involve outside storage, service, or display. This district ultimately supports the intended Building Block and is a less intensive industrial-type of zoning.

Finally, the proposed zoning request meets the following goals and objectives of the comprehensive plan:

Vision: Embrace all types of land use. Workshop participants were interested in having a wide range of land use options and scale in Dallas. While some land use types reflect a definite nod toward autos, others focused more heavily on walking and bicycling. Variety is the key in what workshop participants wanted for land use types throughout the city, recognizing differences in appropriateness and scale from place to place.

ECONOMIC ELEMENT

GOAL 2.4 CREATE AND MAINTAIN AN ENVIRONMENT FRIENDLY TO BUSINESSES AND ENTREPRENEURS

A business friendly environment is essential for Dallas to maintain competitiveness in the regional and global marketplace.

Land Use Compatibility:

	Zoning	Land Use
Site	LI w/D-1 Overlay	Vacant (storage of equipment)
North	LI w/D-1 Overlay	Vacant land, warehouse & distribution centers (freight terminal)
East	LI w/D-1 Overlay	Tool or equipment rental
South	LI w/D-1 Overlay	Cell tower, railroad, vacant land
West	LI w/D-1 Overlay	Tool or equipment rental

The request site is ± 2.5 acres situated between several industrial parks and business centers. Immediately adjacent zoning is Light Industrial. Surrounding land uses are of an industrial nature. Many have outside storage of semi-trucks and trailers. The proposed CS Commercial Service District and contractor’s maintenance yard use seems compatible with the area.

The request to rezone is to allow for a contractor’s maintenance yard use, which includes the outside storage of equipment. This will require screening of the entire site. The screening will provide a transitional buffer as the area continues to change over time. While an industrial zoning district like CS Commercial Service is not typically a zoning district that is envisioned for Business Center or Corridor Building Blocks, given that LI is the existing zoning on the property, and because the site and surrounding area are being commercially utilized for industrial uses, the request can be supported. The subject site is adjacent to industrial and business parks on the fringe of Dallas city limits and Mesquite city limits.

Development Standards:

APPLICANT / OWNER: Flores Ballroom

REPRESENTATIVE: Rodolfo R. Flores

REQUEST: An application for the renewal of Specific Use Permit No. 1954 for a commercial amusement (inside) limited to a Class A dance hall on property zoned a CR Community Retail District.

SUMMARY: The purpose of the request is to allow for the continued use of a dance floor within an existing structure that is operating as a ballroom/banquet hall [Flores Ballroom 4615].

STAFF RECOMMENDATION: Approval for a two-year period, subject to conditions.

CPC RECOMMENDATION: Approval for a two-year period with eligibility for automatic renewals for additional two-year periods, subject to conditions

GUIDING CRITERIA FOR RECOMMENDATION:

The following factors are listed in Chapter 51A of the Dallas Development Code to guide the determination as to whether or not an SUP shall be granted. Staff has listed its findings based upon each component below:

1. *Compatibility with surrounding uses and community facilities* – The existing structure is being used as a ballroom/banquet hall. The request site is adjacent to community retail type uses that are on Singleton Boulevard. The surrounding area is developed with a mix of community retail, commercial, industrial and single family uses. The surface parking lot on the request site is a buffer between the commercial amusement (inside) use and the adjacent residential uses. The applicant proposes to continue this use on the property and is not requesting any changes to existing conditions or site plan.
2. *Contribution to, enhancement, or promoting the welfare of the area of request and adjacent properties* – The commercial amusement inside use is considered compatible with the adjacent land uses, and was not considered detrimental to the public health, safety, or general welfare of the city when the SUP was originally issued.
3. *Not a detriment to the public health, safety, or general welfare* – This use will not be a detriment to the public health, safety or general welfare of the community.
4. *Conforms in all other respects to all applicable zoning regulations and standards* – The request site conforms to all applicable zoning regulations and standards.

Zoning History: There have been two zoning case in the area over the past five years.

1. Z112-128 On April 16, 2012, the City Council approved Specific Use Permit No. 1954 for a commercial amusement (inside) limited to a dance hall for a two year period. [request site]
2. Z134-172 On August 13, 2014, the City Council approved Specific Use Permit No. 1954 for a commercial amusement (inside) limited to a dance hall for a two year period. [request site]

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW	Proposed ROW
Singleton Boulevard	Principal Arterial	80 ft.	100 ft.
Peoria Avenue	Local	50 ft.	50 ft.

Traffic: The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that it will not have a detrimental impact on the surrounding street system.

COMPREHENSIVE PLAN: The Comprehensive Plan does not make a specific land use recommendation related to the request. The *forwardDallas!* Vision Illustration is comprised of a series of Building Blocks that show general land use patterns. They are generalized patterns without well-defined boundaries that indicate where certain types and densities of development might logically occur. The Comprehensive Plan shows that the request site is on the outer edge of an Industrial area.

Industrial Areas, which offer important employment opportunities, occupy large areas of land and usually are near major roads and heavy rail lines. Evolving technology and the need for freight movement through Dallas to the rest of the country and internationally means this sector can offer good opportunities for jobs. Logistics and warehousing, a growing industry with strong potential for upward mobility of skilled workers, would thrive in such areas. Examples include Southport and the Agile Port, parts of West Dallas along I-30, and the Stemmons industrial area. These areas include a mix of low- and medium-density industrial buildings and industrial yards and have large surface parking for cars and trucks. Industrial Areas rely on quality road access and may be linked to rail for freight purposes. Street lanes are wide and intersections are large. Transit, sidewalks and other pedestrian improvements are limited.

Community Retail Districts may be appropriate at key intersections to support the surrounding neighborhood. Specific Use Permits are utilized to ensure compatibility of certain uses at the edges of these neighborhoods.

Land Use Compatibility: The surrounding land uses are residential to the north, vacant retail to the east, retail to the west, and industrial uses to the south. Adjacent property is sparsely developed with single-family uses and vacant parcels.

	Zoning	Land Use
Site	CR w/SUP No. 1954	Commercial amusement (inside)
North	R-5(A)	Single Family
South	IM	Industrial
East	CS	Commercial
West	CR	Retail and personal service

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The request does not appear to have an adverse impact on the surrounding zoning and land uses.

Development Standards:

<u>DISTRICT</u>	<u>SETBACKS</u>		<u>Density</u>	<u>Height</u>	<u>Lot Coverage</u>	<u>Special Standards</u>	<u>PRIMARY Uses</u>

CR Community Retail	15'	20' adjacent to residential OTHER: No Min.	0.75 FAR overall 0.5 office	54' 4 stories	60%	Proximity Slope Visual Intrusion	Retail & personal service, office

Landscaping: Landscaping must be provided in accordance with the landscaping requirements in Article X, as amended. Since there is no additional impervious coverage, no additional landscaping is required.

Parking: The off-street parking requirements for a commercial amusement (inside) use is one space for each 100 square feet of floor area and a dance hall is one space per 25 square feet of floor area. The applicant is providing the required 109 off-street parking spaces.

REPRESENTATIVE: Ryan Kim

REQUEST: An application for a CR Community Retail District on property zoned an MF-2(A) Multifamily District.

SUMMARY: The purpose of this request is to develop the site with a mix of office and retail uses. The proposed development will be restricted in height due to the residential adjacency.

CPC RECOMMENDATION: Approval

STAFF RECOMMENDATION: Approval

GUIDING CRITERIA FOR STAFF RECOMMENDATION:

Staff recommends approval based upon:

1. *Performance impacts upon surrounding property* – The proposed request for a CR Community Retail District should not have a negative performance impact on the surrounding area. The redevelopment of the site with retail and office uses will be consistent with the existing retail development that is located west of the request site, across South Polk Street. The site's adjacency to multifamily district will restrict the structure height of the propose development. In addition, the proposed development will have a greater side and rear yard setback than the existing MF-2(A) District. The MF-2(A) District requires a side and rear yard setback of 15 feet and a CR District requires 20 feet. The proposed CR Community Retail District should not have a negative impact on the surrounding uses.
2. *Traffic impact* – Staff has reviewed the request and has determined that the surrounding roadway system can accommodate the additional trips.
3. *Comprehensive Plan or Area Plan Conformance* – The *forwardDallas! Comprehensive Plan* shows that the request site in located in an Urban Mixed-Use Building Block. The request complies with the *forwardDallas! Comprehensive Plan* for the Area.

BACKGROUND INFORMATION:

- According to the Dallas Appraisal Office, in 1945, the site was developed with a church use.
- In October 2015, the applicant filed an application for a CR Community Retail District to develop the site with office and retail uses. However, staff met with the applicant and agreed to a WMU-5 Walkable Mixed Use District. The WMU-5 District would have required the proposed development to be constructed closer to the street's edge, creating a walkable pedestrian environment as well as having the off-street parking away from the street.
- The purpose of initially recommending a form based zoning district was to provide for an additional tool for the implementation of *forwardDallas!* and to create walkable urban neighborhoods where higher density mixed uses and mixed housing-types promote less dependence on the automobile. However, the proposed CR Community Retail District is consistent with the zoning district to the west of the proposed site, across South Polk Street.
- In January 2016, the City Plan Commission denied without prejudice the applicant's request for a WMU-5 District. The applicant did not appeal the denial.
- Since then, the structure has been demolished.

Zoning History: There has been one recent zoning changes requested in the area within the last five years.

1. Z145-115 On February 18, 2016, the City Plan Commission recommended denial without prejudice of a WMU-5 Walkable Mixed Use District on property zoned an MF-2(A) Multifamily District on the southeast corner of West Kiest Blvd and South Polk Street. The applicant did not appeal.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing ROW	Proposed ROW
West Kiest Blvd.	Principal Arterial	100 ft.	100 ft.
South Polk Street	Principal Arterial	95 ft.	95 ft.

Traffic: The Engineering Section of the Department of Sustainable Development and Construction has reviewed the request and determined that it will not significantly impact the surrounding roadway system.

STAFF ANALYSIS:

COMPREHENSIE PLAN: The comprehensive plan does not make a specific land use recommendation related to the request; however, the *forwardDallas! Vision Illustration*, adopted June 2006, is comprised of a series of Building Blocks that depict general land use patterns. Building Blocks are generalized patterns without well-defined boundaries that indicate where certain types and densities of development might logically occur.

The request site is located in an Urban Mixed-Use Building Block which incorporates a vibrant mix of residential and employment uses at a lower density than the Downtown Building Block. These areas are typically near Downtown, along the Trinity River or near major transit centers. Examples include Uptown, the City Place/West Village area, Stemmons Design District, Cedars and Deep Ellum. Urban Mixed-Use Building Blocks provide residents with a vibrant blend of opportunities to live, work, shop and play within a closely defined area. Buildings range from high-rise residential or midrise commercial towers to townhomes and small corner shops. Good access to transit is a critical element. Similar to Downtown, the Urban Mixed-Use Building Blocks offer employment and housing options and are important economic growth areas for businesses. People on foot or bike can enjoy interesting storefronts at ground level with benches, public art, on-street parking and wide sidewalks, creating an appealing streetscape. Large parking areas and other auto-oriented land uses are typically located at the edges.

LAND USE ELEMENT:

GOAL 1.2 Promote desired development.

Policy 1.2.1 Use Vision Building Blocks as a general guide for desired development patterns

Land Use:

	Zoning	Land Use
Site	MF-2(A)	Undeveloped
North	TH-3(A)	Single Family
South	MF-2(A)	Multifamily
East	MF-2(A)	Multifamily
West	CR	Retail

Land Use Compatibility: Currently, the request site is undeveloped. The composition of land uses along West Kiest Boulevard is very diverse. East of South Polk Street along the north side of West Kiest Boulevard is split with single family homes on the north side and multifamily units along the south side. West of South Polk Street along West Kiest Boulevard is predominantly retail uses and churches on the south side and Dr. Barbara Jordan Elementary school on the north side. The site is underutilized and is located at the intersection of two major thoroughfares within a transitional area that is becoming more urban in nature.

The proposed CR Community Retail District will allow for additional community-related uses in the area to serve the surrounding areas. A CR Community Retail District is to “provide for the development of community-serving retail, personal service, and office uses at a scale and intensity compatible with residential communities”. Any non-residential uses that are developed on the site will be restricted due to the residential adjacency to the north, south and east. These restrictions include the height, which will be limited by the 1 to 3 residential proximity slope from the TH-3(A) Townhouse District and an 1 to 1 slope up to 50 feet from the east and south, which is from the MF-2(A) Multifamily District. The distance from the TH-3(A) District where a building could be 54 feet in height is 162 feet. To determine the approximate site location where the proposed development can reach the maximum structure height of 54 feet, the 1 to 3 slope is measured from the property line of the TH-3(A) Townhouse District, which is across West Kiest Boulevard. The proposed CR Community Retail District should not have a negative impact on the surrounding uses. The CR District will also provide a greater side/rear setback, which would be 20 feet as opposed to 15 feet.

Development Standards:

DISTRICT	SETBACKS		Density	Height	Lot Coverage	Special Standards	PRIMARY Uses
	Front	Side/Rear

PROPOSAL: Consideration of amending Chapter 51 and Chapter 51A of the Dallas Development Code, Section 51-4.217 and Section 51A-4.217, "Accessory Uses," providing regulations for book exchange structures as accessory outside storage.

SUMMARY: This proposal is to allow book exchange structures in required setbacks with regulations related to the location, dimensions, and maintenance of the structure. The Zoning Ordinance Advisory Committee considered the amendments over three meetings, with input from the public. Currently, the Development Code prevents these structures from being located in front yards.

CPC RECOMMENDATION: Approval

STAFF RECOMMENDATION: Approval

BACKGROUND

Little Free Libraries (LFL's) is a concept to promote free book exchange by installing a box or receptacle that holds books to share, in a pedestrian friendly accessible location. There are organizations that promote, help plan, and register little free libraries at both national and local levels.

At a national level, Little Free Libraries, is a nationwide movement started in Wisconsin in 2009, based on a simple concept "take a book, leave a book." Per the national organization (littlefreelibrary.org), there are over 32,000 registered little free libraries in all 50 U.S. states and over 70 countries. Interested residents can establish a little free library by purchasing a kit from the national organization or build their own. Per the map at littlefreelibrary.org there are 29 registered little free libraries in Dallas.

At the local level, Libros Libres Dallas is a community driven project to build little free libraries in multifamily developments and community centers in West Dallas, South Dallas/Fair Park, and South Oak Cliff areas. Libros Libres Dallas is a collaboration between Big Thought, bcWORKSHOP, and the Dallas Public Library. The Dallas Public Library's role in this collaboration is to supply books when the little free libraries are initially established. There are about 19 little free libraries that have been created with the help of Libros Libres.

The recent emergence of little free libraries, often times in single family neighborhoods in front yard setbacks, has come into conflict with the Dallas Development Code. The Code requires that front yards must be open and unobstructed except for fences. Consequently, Code Enforcement has received calls regarding more than one of these structures.

On November 9, 2015, and December 8, 2015, staff briefed the City Council Quality of Life & Environment Committee on the little free library concept. The Committee directed the staff to proceed to the Zoning Ordinance Advisory Committee (ZOAC) to define the little free libraries and allow them in setbacks.

During the process of developing the code amendment, staff met with bcWORKSHOP several times, researched if and how other cities addressed these structures, did field research, and built models to give scale to the dimensions being considered. During the ZOAC meetings consideration was given to the size of a structure that would be allowed in a front yard and where it could be located so as not to negatively impact on adjacent properties. Input was taken from the public on size and the need for accessibility at different heights to take into account a variety of users from children to adults and wheelchair accessibility.

The Zoning Ordinance Advisory Committee (ZOAC) considered this issue at three public meetings: April 7, 2016, April 21, 2016, and on May 19, 2016, recommended the proposed regulations to City Plan Commission.

On June 30, 2016, the City Plan Commission (CPC) reviewed the item and approved the ZOAC recommendation.

During the City Plan Commission hearing, bcWORKSHOP identified 4 out of 19 Libros Libres structures that did not meet the proposed regulations. Staff was asked to see what it would take for these structures to comply with proposed regulations.

On September 12, 2016, the City Council Quality of Life & Environment Committee was briefed on this matter. During the briefing, Staff provided options that would allow existing structures that do not fit within the parameters of the proposed regulations to potentially be able to comply. The Committee ultimately voted to send the City Plan Commission's recommendation on to City Council as recommended, with no changes.

Proposed Regulations:

Amend Chapter 51 and Chapter 51A of the Dallas Development Code, Section 51-4.217 and Section 51A-4.217, "Accessory Uses," providing regulations for book exchange structures as accessory outside storage.

Definition:

Book Exchange Structure means an enclosed structure that holds books or other literacy material to be shared or exchanged in a pedestrian accessible location constructed and maintained by the owner of the property.

Regulations:

- a book exchange structure may be located in the required front, side, or rear yard setback in all zoning districts
- when a book exchange structure is located in a required front, side, or rear yard:
 - may be no larger than: 20" wide by 18" deep by 5' in height when measured from the ground
 - only one book exchange structure is allowed in the combined required front, side and rear yard setbacks per lot
 - made of material resistant to damage or deterioration from exposure to the outside environment
 - properly mounted, bolted, and protected to withstand wind, rain, and other seasonal changes
 - regular upkeep and monitoring by owner
 - cannot be used for selling or advertising purposes
 - cannot be placed in the visibility triangle
 - cannot be placed in the required parking spaces
 - cannot be located in the public right-of-way without a license
- distance between the book exchange structure and the adjacent property line shall not be less than 10 feet

- in an R, D, TH, and CH residential district:
 - when located in the primary yard or on a front porch it must meet the same requirements as when located in a required setback.
***Primary yard** means “the portion of a lot or tract which abuts a street and extends across the width of the lot or tract between the street and the main building.”*
 - only one book exchange structure is allowed per lot
- noncompliance with these regulations is subject to code enforcement

Issues raised during CPC surrounding existing book exchange structures:

bcWORKSHOP has indicated they have 19 book exchange structures affiliated with Libros Libres (refer to Exhibit 1 and Exhibit 2). Among them:

- One is still in the design stages
- Two are no longer at the address listed
- Twelve meet the proposed regulations
- Four do not meet the proposed regulations:
 - Three structures are too large - taller, wider, and deeper than the proposed dimensions (5' ht x 20" wide x 18" deep)
 - 4718 Collins Avenue, Mill City Urban Garden:
3'4" ht x 31" wide x 21" deep
 - 4830 Silver Avenue, Belay House:
6' ht x 24" wide x 46" deep
 - 3122 Tumalo Trail:
4' ht x 36" wide x 13" deep
 - One location exceeds the maximum number of structures allowed on a lot in a single family district (which is one):
 - 907 E. Ledbetter Dr., Mooreland YMCA - there are two structures

The Little Free Library (LFL) webpage, littlefreelibrary.org, identifies 29 registered LFL structures in Dallas (refer to Exhibit 3 and Exhibit 4). Among them:

- Five are no longer at the address listed
- Six meet the proposed dimensions (5' ht x 20" wide x 18" deep)
- Of the remaining 18:
 - 11 do not meet the proposed dimensions
 - Two may be too close to adjacent property line (within 10')
 - One may be in the visibility triangle and in the R.O.W.
 - One does not meet the proposed dimensions and may be too close to adjacent property line (within 10')
 - One does not meet the proposed dimensions and may be in the visibility triangle

- Two do not meet the proposed dimensions, may be in the visibility triangle, and may be too close to the adjacent property line (within 10')

There are approximately 20 LFL kits available for order from the national organization and of those, four would conform to the proposed dimensions.

Options to the proposed regulations:

Options to the proposed regulations that would allow many of the book exchange structures to conform:

1. Allow BDA to grant a special exception to the dimensions
 - could provide relief for the size of the structure if BDA were to grant the request
2. Allow an administrative waiver for non-residential uses in single family districts for size and maximum number provisions
3. Revise dimensions to allow for larger structures:
 - If allowable dimensions were increased to 6' ht. x 37" wide x 46" deep, the largest of the existing book exchange structures would conform in size
 - All bcWORKSHOP/Libros Libres would conform by size (one may have a location issue)
 - All existing LFL's would conform by size (seven may have location issues)
 - All LFL kits available for order from the national organization would conform by size
 - If allowable dimensions were increased to 6' ht. x 24" wide x 21" deep:
 - The three existing bcWORKSHOP/Libros Libres structures that do not conform to the proposed dimensions **would not** conform to the revised proposed dimensions
 - 14 of the 18 existing registered LFL's that do not conform to the proposed dimensions **would** conform to the revised proposed dimensions (six may have location issues)
 - All of the approximately 20 LFL kits available for order from the national organization **would** meet the revised proposed dimensions.
 - The larger dimensions would apply citywide for all book exchange structures
4. Revise required distance from the book exchange structure and the adjacent property line when in an R, D, TH and CH residential district:
 - Book exchange structure may not be in the required side yard setback; or
 - No distance from adjacent property line required

5. Create a special provision for non-residential uses in single family districts to allow more than one book exchange structure on the lot
 - Would provide relief for one of the issues

ORDINANCE NO. _____

An ordinance amending Chapter 51, "Dallas Development Code: Ordinance No. 10962, as amended and Chapter 51A, "Dallas Development Code: Ordinance No. 19455, as amended," of the Dallas City Code by amending Section 51-4.217; providing regulations for book exchange structures as accessory outside storage; providing a penalty not to exceed \$2,000; providing a saving clause; providing a severability clause; and providing an effective date.

WHEREAS, the city plan commission and the city council, in accordance with the Charter of the City of Dallas, the state law, and the ordinances of the City of Dallas, have given the required notices and have held the required public hearings regarding this amendment to the Dallas City Code; Now, Therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That Paragraph (6), "Accessory Outside Storage," of Subsection (b), "Specific Accessory Uses," of Section 51A-4.217, "Accessory Uses," of Division 51A-4.200, "Use Regulations" of Article IV, "Zoning Regulations," of Chapter 51A, "Dallas Development Code: Ordinance No. 19455, as amended," of the Dallas City Code is amended to read as follows:

"(6) Accessory outside storage.

(A) Definitions:

(i) ACCESSORY OUTSIDE STORAGE means t[~~T~~]he outside placement of an item for a continuous period in excess of 24 hours. Outside placement includes storage in a structure that is open or not entirely enclosed.

(ii) BOOK EXCHANGE STRUCTURE means an enclosed structure that holds books or other literary materials to be shared or exchanged in a pedestrian accessible location constructed and maintained by the owner of the property.

(B) District restrictions: This accessory use is not permitted in the P(A) district.

(C) Required off-street parking: None.

(D) Required off-street loading: None.

(E) Additional provisions:

(i) A person shall not place, store, or maintain outside, for a continuous period in excess of 24 hours, an item which is not:

(aa) customarily used or stored outside; or

(bb) made of a material that is resistant to damage or deterioration from exposure to the outside environment.

(ii) For purposes of this subsection, an item located on a porch of a building is considered to be outside if the porch is not enclosed.

(iii) Except as otherwise provided in this subsection, accessory outside storage is not permitted in the primary [~~front~~] yard or on a front porch of a residential building. For purposes of this subsection, PRIMARY YARD [~~a front yard~~] means the portion of a lot or tract which abuts a street and extends across the width of the lot or tract between the street and the main building.

(iv) It is a defense to prosecution under Subsection (E)(iii) that the item is:

(aa) an operable motor vehicle with valid state registration parked on a surface that meets the standards for parking surfaces contained in the off-street parking regulations of this chapter, except that this defense is not available if the vehicle is a truck tractor, truck, bus, or recreational vehicle and it has a rated capacity in excess of one and one-half tons according to the manufacturer's classification, or if the vehicle is over 32 feet in length;

(bb) a boat, trailer, or recreational vehicle parked on a surface that meets the standards for parking surfaces contained in the off-street parking regulations of this chapter, and the item cannot reasonably be placed in an area behind the primary [~~front~~] yard;

(cc) landscaping, or an ornamental structure, including, but not limited to a birdbath, plant container, or statuette, placed in the primary [~~front~~] yard or on the front porch for landscaping purposes;

(dd) lawn furniture made of a material that is resistant to damage or deterioration from exposure to the outside environment;

(ee) located on a front porch and not visible from the street;
or

(ff) a vehicle displaying a registration insignia or identification card issued by the state to a permanently or temporarily disabled person for purposes of Section 681.006 of the Texas Transportation Code.

(v) A person shall not use more than five percent of the lot area of a premise for accessory outside storage. The area occupied by an operable motor vehicle with valid state registration is not counted when calculating the area occupied by accessory outside storage. Except as otherwise provided in this article, outside storage is considered to be a separate main use if it occupies more than five percent of the lot.

(vi) A book exchange structure is accessory outside storage.

(aa) Book exchange structures are allowed in a required front side, or rear yard.

(bb) For a book exchange structure located in a required front, side, or rear yard the maximum dimensions are 20 inches wide, 18 inches deep, and five feet in height.

(cc) For a book exchange structure located in a primary yard or on a front porch in a single family district, duplex district, townhouse district, or clustered housing district the maximum dimensions are 20 inches wide, 18 inches deep, and five feet in height.

(dd) A maximum of one book exchange structure is allowed in the combined setbacks on a lot.

(ee) A maximum of one book exchange structure is allowed on a lot in a single family district, duplex district, townhouse district, or clustered housing district.

(ff) Book exchange structures must be located a minimum of 10 feet from adjacent property lines.

(vii) The board may grant a special exception to the additional provisions of this subsection relating to accessory outside storage in the primary [front] yard or on a front porch of a residential building when, in the opinion of the board, the special exception will not adversely affect neighboring property."

SECTION 2. That a person violating a provision of this ordinance, upon conviction, is punishable by a fine not to exceed \$2,000.

SECTION 3. That Chapters 51 and 51A of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 4. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 5. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

A public hearing to receive comments on the proposed sale of nine unimproved properties acquired by the taxing authorities from the Sheriff to Dallas Housing Acquisition and Development Corporation, a qualified non-profit organization; and, at the close of the public hearing, authorize the City Manager to: **(1)** quitclaim nine unimproved properties to Dallas Housing Acquisition and Development Corporation, using the HB110 process of the City's Land Transfer Program; and **(2)** release the City's non-tax liens included in the foreclosure judgment together with post-judgment non-tax liens, if any (list attached) - Revenue: \$9,000

BACKGROUND

The HB110 process of the City's Land Transfer Program, in accordance with Section 2-26 of the Dallas City Code ("Code") and with Section 253.010 of the Texas Local Government Code, permits the City to sell land, that it acquired from the Sheriff through tax foreclosure and which it holds, as a trustee, for itself and the other taxing jurisdictions, to a qualified non-profit organization for the purpose of providing affordable housing, subject to the consent of the other taxing jurisdictions.

Property eligible for the HB110 process of the City's Land Transfer Program must be sold by quitclaim deed that includes a possibility of reverter and right of re-entry, triggered under certain conditions, including if construction of housing is not completed on the property within three years of the non-profit's receipt of the quitclaim deed. The quitclaim deed must also include deed restrictions that require the desired development of the property and maintain the affordability of the property as required by the Code. Per the Code, the sales price of each property is \$1,000 for up to 7,500 square feet of land plus \$0.133 for each additional square foot of land, which amount is distributed by the City to both the City and the other taxing jurisdictions in accordance with Section 34.06 of the Texas Tax Code, plus an amount equal to the actual fees charged for recording the Sheriff's deed and the quitclaim deed in the real property records.

BACKGROUND (continued)

Prior to the approval of any sale, the Code requires that the City Council provide certain notices to the public and hold a public hearing to receive comments on the proposed sale of the land.

Dallas Housing Acquisition and Development Corporation (DHADC) will construct nine (9) single-family homes on the unimproved HB110 process-eligible, Land Transfer Program properties, identified on Exhibit A, attached to the resolution, for purchase by low to moderate income homebuyers with construction to begin in the Spring of 2017.

This item calls for a public hearing to allow the public an opportunity to comment on the proposed sale of the nine unimproved properties to DHADC, and, at the close of the public hearing, authorizes the sale of the properties to DHADC, by quitclaim deed and the release of the City's non-tax liens included in the foreclosure judgment and the post-judgment non-tax liens, if any.

In conformance with the Code, at least ten calendar days prior to the public hearing, a sign indicating the time and place of the public hearing was placed on the property, notification of the public hearing was mailed to property owners within 200 feet of the property, and notice of the public hearing was published in the Dallas Morning News.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On September 28, 2016, City Council authorized a public hearing to receive comments on the proposed sale by quitclaim deed of nine unimproved properties acquired by the taxing authorities from the Sheriff to DHADC, by Resolution No. 16-1619.

Information about this item will be provided to the Housing Committee on October 17, 2016.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

October 26, 2016

Section 1. That upon receipt of the requisite monetary consideration from Dallas Housing Acquisition and Development Corporation, (hereinafter the “non-profit organization”) and the approval of the governing bodies of the other affected taxing jurisdictions, the City Manager is hereby authorized to execute a quitclaim deed, approved as to form by the City Attorney and attested by the City Secretary, quitclaiming the property, acquired by the taxing authorities from the Sheriff, to the non-profit organization, subject to the conditions contained in this resolution.

Section 2. That the City Manager is hereby authorized to execute instruments, approved as to form by the City Attorney, releasing the City’s non-tax liens included in the foreclosure judgment and post-judgment non-tax liens, if any, on the property.

Section 3. That the quitclaim deed shall contain:

- (a) A possibility of reverter with right of re-entry if the Director of Housing/Community Services determines that the non-profit organization:
 - (i) has failed to take possession of the property within ninety calendar days after receiving the quitclaim deed;
 - (ii) has failed to complete construction of housing on the property within three years after receiving the quitclaim deed or by the end of any extended development period approved by the City Council in accordance with Section 2-26.6(c) of the Code;
 - (iii) is unable to develop the land in compliance with its proposal because a request for a zoning change has been denied;
 - (iv) has incurred a lien on the property because of violations of the Code or other City ordinances within three years after receiving the quitclaim deed; and
 - (v) has sold, conveyed, or transferred the property without the consent of the City and the other affected taxing jurisdictions within three years after receiving the quitclaim deed.
- (b) Deed restrictions requiring the purchaser to:
 - (i) restrict the sale and resale of owner-occupied property to low to moderate income individuals or families for five years after the date the deed from the non-profit organization to the initial homebuyer is filed in the real property records of the county in which the property is located;

October 26, 2016

- (ii) require the non-profit organization to develop all proposed housing units on the property in accordance with the Code and all applicable City ordinances and state and federal laws within three years after receiving the quitclaim deed or by the end of any extended development period approved by the City Council in accordance with Section 2-26.6(c) of the Code, and to obtain inspections and approval of the housing units by the City before initial occupancy; and
 - (iii) require any low-income individual or family who purchases a housing unit on a property to maintain the housing unit in accordance with the Code and all applicable City ordinances and state and federal laws for a period of five years after the date the deed from the non-profit organization to the initial homebuyer is filed in the real property records of the county in which the property is located.
- (c) An indemnification by the non-profit organization of the City and other affected taxing jurisdictions.
 - (d) A statement and acknowledgment that the quitclaim deed for the property is subject to all redemption rights provided by state law.
 - (e) The non-profit organization's representation and agreement that it did not purchase the property on behalf of a "prohibited person" and will not sell or lease the property to a "prohibited person" for five years from the date of the quitclaim deed. A "prohibited person" is any party who was named as a defendant in the legal proceedings where the City obtained a final judgment for delinquent taxes and an order to foreclose its tax lien on the property or person in the judgment or seizure tax warrant, or the Sheriff's deed as the owner of the property, authorized seized and ordered sold for delinquent taxes and any municipal health and safety liens.

Section 4. That the City Manager is authorized to execute instruments, approved as to form by the City Attorney, releasing the City's possibility of reverter with right of re-entry and terminating the deed restrictions to the property upon compliance with all terms and conditions of Section 2-26 of the Code and the quitclaim deed, including the deed restrictions and the proposal.

Section 5. That the non-profit organization shall be responsible for the pro-rata taxes assessed on the property from the date of closing for the remaining part of the then-current calendar year. The property shall be placed back on the tax rolls effective as of the date of execution of the quitclaim deed.

October 26, 2016

Section 6. That any procedures required by Section 2-24 of the Code that are not required by state law are hereby waived with respect to conveyance of the property.

Section 7. That the monetary consideration received from the non-profit organization shall be distributed pursuant to the Section 34.06 of the Texas Tax Code.

Section 8. That any and all proceeds for the City's sale of the property to the non-profit organization be deposited to General Fund 0001, Agency DEV, Balance Sheet Account 0519.

Section 9. That upon receipt of the monetary consideration from the non-profit organization, the Chief Financial Officer is authorized to disburse proceeds of the sale of the property in accordance with Section 34.06 of the Texas Tax Code, and which calculations for disbursement shall be provided by the Director of Sustainable Development and Construction, to the City of Dallas Land Based Receivables, the Dallas County District Clerk and the Dallas County Tax Office from the account specified in Section 8 above.

Section 10. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.
