**SUBJECT**

A resolution designating absences by Deputy Mayor Pro Tem Erik Wilson and Councilmember Adam Medrano as being for "Official City Business" - Financing: No cost consideration to the City

**BACKGROUND**

This item is on the addendum to allow council members additional time to request approval of their outstanding absences (if applicable) as "Official City Business."

Chapter III, Section 4(e) of the Dallas City Charter provides in part, "If any city council member, including the mayor, misses more than 10 percent of the total number of regular meetings held by the city council during any compensation year, then the city council member's compensation...for that year will be reduced proportionately by the percentage of meetings missed.... Meetings missed by a city council member while he or she is on the official business of the city council and at the direction of the city council will not be counted towards the percentage of missed meetings for which compensation reduction is required... but will be counted as though the member had attended the meetings that are missed while so engaged in city business."

Section 4.11(b) of the City Council Rules of Procedure provides that an absence by a council member for (1) attending a meeting or conference of a professional organization of or association of municipalities or municipal officers, (2) testifying at a legislative hearing at the request of the mayor, the city council, the chair of the council's legislative affairs committee or the city manager, or (3) attending a meeting of a board, commission, or committee to which the council member has been appointed by the mayor or the city council, will automatically be deemed to be for "official city business at the direction of the city council" and will not be counted against a city council member for purposes of determining the council member's annual compensation.

**BACKGROUND** (Continued)

Section 4.11(c) of the City Council Rules of Procedure provides that, in addition to those absences automatically considered to be on "official city business at the direction of the city council" under Section 4.11(b) above, the city council may by resolution designate whenever a council member's absence is for official city business and not counted as a missed meeting for purposes of determining the council member's annual compensation under Chapter III, Section 4 of the Dallas City Charter.

The proposed resolution authorizes and directs the city secretary to amend the minutes of city council meetings, without further city council action or approval, to reflect when the absences by designated council members have been deemed by the city council to be for "official city business."

Meetings missed by a city council member while he or she is on the official business of the city council and at the direction of the city council will not be counted towards the percentage of missed meetings for which compensation reduction is required... but will be counted as though the member had attended the meetings that are missed while so engaged in city business"; and

**WHEREAS**, Section 4.11(b) of the City Council Rules of Procedure provides that an absence by a council member for (1) attending a meeting or conference of a professional organization or association of municipalities or municipal officers, (2) testifying at a legislative hearing at the request of the mayor, the city council, the chair of the council's legislative affairs committee or the city manager, or (3) attending a meeting of a board, commission, or committee to which the council member has been appointed by the mayor or the city council, will automatically be deemed to be for "official city business at the direction of the city council" and will not be counted against a city council member for purposes of determining the council member's annual compensation; and

A resolution naming Union Station in honor of Congresswoman Eddie Bernice Johnson  
- Financing: No cost consideration to the City

In 1992, Eddie Bernice Johnson became the first African American woman to represent Dallas in the United States House of Representatives. Congresswoman Johnson is currently serving a twelfth term representing the citizens of Dallas, and serves as the Ranking Member on the House Science, Space and Technology Committee and as a senior member of the Transportation and Infrastructure Committee.

The Dallas-Fort Worth area has benefited tremendously from Congresswoman Johnson's commitment and responsiveness to the concerns of citizens, business leaders, and local elected officials. She has served as a tireless advocate for Dallas, and has been instrumental in securing significant legislation and funding for Dallas priorities, including:

- \$26 million in Transportation Investment Generating Economic Recovery (TIGER) grant funds from the Federal Transit Administration (FTA) for the construction of the Dallas Streetcar Project, connecting Downtown Dallas to Oak Cliff
- Language in the 2011 FAA Reauthorization Act to allow the use of Passenger Facility Funds for intermodal airport access projects
- Strong, perennial support for the Contract Tower at Dallas Executive Airport
- Wright Amendment repeal compromise legislation and federal funding for the Love Field Modernization Project

- Support for local control, allowing local government to effectively represent and serve its citizens

Authorize a resolution endorsing the following highest immediate priorities of the City of Dallas for improved transit services to be included in the Dallas Area Rapid Transit 2017 20-Year Financial Plan: **(1)** construction of a second light rail transit line (D2) in a subway through the Central Business District; and **(2)** expedited implementation of expanded bus services targeted toward the transportation needs of low income and transit-dependent riders; and **(3)** construction of the Central Dallas Streetcar Link and study of streetcar extensions to Knox Street, Deep Ellum and the Government District - Financing: No cost consideration to the City

**BACKGROUND**

This item was placed on the October 11 2016, City Council Addendum at the direction of the Transportation and Trinity River Project Committee due to the pending approval of the Dallas Area Rapid Transportation (DART) FY 2017 20-Year Financial Plan.

On August 13, 1983, DART was created as a regional transportation authority organized and existing pursuant to Chapter 452, Texas Transportation Code, for the purpose of providing public transportation and general transportation services within the DART service area, which includes the City of Dallas (City), a Texas home rule municipal corporation, and surrounding regions. On February 28, 1990, Dallas City Council Resolution No. 90-0810 approved a Master Interlocal Agreement (“Master ILA”) between DART and the City regarding DART’s system and establishing a cooperative and supportive relationship between DART and the City.

## **BACKGROUND** (Continued)

The full Council previously took action to approve a Locally Preferred Alternative (LPA) for the development of a second light rail transit line (D2) through the Central Business District (CBD) on September 9, 2015. The full Council was briefed on the proposed DART FY 2017 Annual Budget and Twenty-Year Financial Plan on August 17, 2016. At this briefing a number of Councilmembers expressed a desire to clarify City Council priorities for the DART FY 2017 20-Year Financial Plan. In particular, a number of Councilmembers emphasized the urgent need to prioritize a D2 tunnel option and to enhance bus services for low income and transit dependent riders.

This action will provide direction to the DART Board on the City's priorities for rail transit expansion.

## **PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)**

Information about this item was briefed to the Quality of Life & Environment Committee on September 12, 2016.

Information about this item was briefed to the Transportation & Trinity River Project Committee on September 26, 2016.

## **FISCAL INFORMATION**

No cost consideration to the City

October 11, 2016

**WHEREAS**, the Dallas Area Rapid Transit (DART) 20-Year Financial Plan is a long-term projection of revenues, operating expenses and capital expenditures that validates the affordability of system expansion, and is approved annually by at least a two-thirds affirmative vote by their Board; and,

**WHEREAS**, DART is in the process of developing its 2017 20-Year Financial Plan which includes funding for rail projects such as a second light rail transit (LRT) line through the Central Business District (CBD), commuter rail transit in the Cotton Belt corridor between Richardson/Plano and DFW Airport, and the Dallas streetcar expansion, as well as funding for bus service operations and expansion; and,

**WHEREAS**, on September 9, 2015, the Dallas City Council approved a Locally Preferred Alternative (LPA) for the development of a second CBD LRT line, called D2, that included a combination of subway and at-grade segments, and specifically followed a Jackson Street alignment (B4) at the eastern end of downtown; and,

**WHEREAS**, the Project Development phase of D2 has shown that the City Council's LPA on Jackson Street is not feasible because of the narrow width of the street; and, since other at-grade alignments also result in unacceptable property impacts; and,

**WHEREAS**, DART is also developing its 2040 Transit System Plan whose first phase has focused on a Comprehensive Operations Analysis (COA) intended to expand and improve the bus network to provide better service and build ridership; and,

**WHEREAS**, DART has identified a ten-year implementation schedule for bus system enhancements to meet the urgent need for convenient access to jobs and essential services for low income and transit-dependent riders; and,

**WHEREAS**, travel for public transit passengers should be reasonable in comparison to travel by private auto for trips made between component parts of the service area including home, job, school, healthcare, retail, etc. and be consistent with transit industry best practices; and,

**WHEREAS**, a streetcar study completed by the City of Dallas and DART in February 2016, evaluated potential alignments for the Central Dallas Streetcar Link through Downtown Dallas connecting the modern streetcar line from Union Station to the McKinney Avenue Trolley Authority system at Saint Paul;

**Now, Therefore,**

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:**

October 11, 2016

**Section 1.** That the City Council has identified its highest immediate priorities for improved transit services, and urges the DART Board to include these projects for priority implementation in their 2017 20-Year Financial Plan in this order:

1. Construction of the second LRT line (D2) through the CBD in a subway generally between Woodall Rodgers and I-345 along an alignment to be developed by DART, and subject to approval by the Dallas City Council.
2. Expedited implementation of expanded bus services targeted toward the transportation needs of low income and transit-dependent riders. The City Council requests that DART develop, adopt and implement a Level of Service policy consistent with transit industry best practices including but not limited to the following service area metrics:
  - a. Transit travel time vs. automotive travel time ratio anticipated to be 2 times or less.
  - b. Maximum distance from transit stations to be 3 miles or less.
  - c. Maximum trip transfers to be 2 or less.
  - d. Maximum waiting time between transfers.
  - e. Ridership.
  - f. Enhanced public safety plans in and around DART stations and bus stops, ensuring coverage at all times DART modes of transportation are running.
3. Construction of the Central Dallas Streetcar Link and study of streetcar extensions to Knox Street, Deep Ellum and the Government District.

**Section 2.** That the City intends DART to seek all funding opportunities for the D2 subway including an expansion of the Federal funding request, that D2 be the funding priority for the system, and that Local Match funding be prioritized for this project.

**Section 3.** That the completion of D2 subway satisfies DART's obligation to provide a subway in the Dallas CBD as stated in the Master Interlocal Agreement between DART and the City of Dallas dated February 28, 1990.

**Section 4.** That City of Dallas Resolution No. 15-1657, dated September 9, 2015, remains in effect, acknowledging that today's resolution waives at grade considerations and that DART will submit to the City Council D2 subway alternatives for alignment, station locations and transition portals. DART will take timely advantage of the FTA Capital Investment Grant opportunity within the 2018 federal funding cycle.

**Section 5.** That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.

**BACKGROUND**

Chapter 379C of the Texas Local Government Code (“Act”) requires that the governing body of the municipality that adopts an Urban Land Bank Demonstration Program adopt a plan annually. The plan must include: (1) a list of parcels of real property that may become eligible for sale to the land bank for development of affordable housing on such parcels in the upcoming year; (2) the municipality’s plan for affordable housing development on such parcels; (3) a list of the community housing development organizations eligible to participate in the right of first refusal provided by the Act; and (4) the sources and amounts of funding anticipated being available from the municipality for development of affordable housing. A copy of the proposed FY 2016-17 Urban Land Bank Demonstration Program Plan (“Plan”) is attached as “Exhibit A” to the resolution.

Before adopting the FY 2016-17 Plan, the City of Dallas must hold a public hearing on the proposed Plan. In accordance with the Act, the City of Dallas provided notice of the hearing to all City-certified Community Housing Development Organizations (CHDOs) and to neighborhood associations identified by the City as serving the neighborhoods in which properties anticipated to be available for sale to the land bank are located.

## **BACKGROUND (continued)**

In addition, the City of Dallas made copies of the proposed Plan available to the taxing entities and to the public beginning August 10, 2016.

## **PRIOR ACTION/REVIEW (COUNCIL, BOARDS COMMISSIONS)**

On January 28, 2004, City Council authorized the establishment of the Dallas Housing Acquisition and Development Corporation (“DHADC”) as its land bank, authorized amendments to the Articles of Incorporation and By-Laws of the DHADC, and authorized an interlocal contract with the affected taxing jurisdictions for participation in the Dallas Urban Land Bank Demonstration Program by Resolution No. 04-0458.

On August 10, 2016, City Council approved the calling of a public hearing for the City of Dallas FY 2016-17 Urban Land Bank Demonstration Program Plan by Resolution No. 16-1193.

## OVERVIEW

The 2003 Texas Urban Land Bank Demonstration Act, as amended, provides an opportunity for Dallas to address the dual needs of insufficient affordable housing and older neighborhoods at risk. The Act allows the governing body of a municipality to adopt an urban land bank demonstration program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale for purposes of affordable housing development.

The governing body of a municipality that adopts an Urban Land Bank Demonstration Program must adopt a plan annually. The plan for fiscal year 2016-17 includes the following elements:

- 1) A list of the parcels of real property that may become eligible for sale to the land bank during the plan year,
- 2) An estimate of the total number of tax lawsuits to be filed to acquire land bank properties in the plan year.
- 3) The proposed sale price of the properties anticipated to be sold to “qualified participating developers” during the plan year.
- 4) A list of community housing development organizations eligible to participate in the “right of first refusal” for acquisition and development of real property sold to the land bank,
- 5) The municipality’s plan for affordable housing development on those parcels of real property, and
- 6) The sources and amounts of funding anticipated being available from the municipality for subsidies for development of affordable housing in the municipality, including any money specifically available for housing developed under the program, as approved by the governing body of the municipality at the time the plan is adopted.

The City of Dallas proposes to implement a local Urban Land Bank Demonstration Program and presents this plan for implementation. Before adopting the FY 2016-17 plan, the City of Dallas will hold a public hearing on the proposed plan. The City of Dallas will provide notice of the hearing to all City certified Community Housing Development Organizations (CHDOs) and to neighborhood associations identified by the City as serving the neighborhoods in which properties anticipated to be available for sale to the land bank are located. The City of Dallas will make copies of the proposed plan available to the public not later than the 60<sup>th</sup> day before the date of the public hearing.

Following the adoption of the FY 2016-17 Urban Land Bank Demonstration Program Plan, the plan will be implemented and the annual performance reports on the plan will be available through the Housing Department no later than November 1, 2017. The performance report for the FY 2015-16 Urban Land Bank Demonstration Program Plan will be available no later than November 1, 2016.

## **CITY OF DALLAS' FY 2016-17 URBAN LAND BANK DEMONSTRATION PROGRAM PLAN**

### **Parcels of Property**

The objective of the City of Dallas' Urban Land Bank Demonstration Program is to acquire unproductive, vacant, and developable lots and lots improved with abandoned, vacant and uninhabitable houses to be "banked" by the Dallas Housing Acquisition and Development Corporation (the "Land Bank") for affordable housing or other commercial development. The acquisition of these lots will enable new single-family homeowner development on the lots to house low and moderate income households and stabilize distressed communities. The lots may also contain the rental housing units above a retail/commercial/office development for rent to low and moderate income tenants. This initiative will be implemented by means of the tax foreclosure process for properties with five years or more of delinquent property taxes.

The City has identified parcels of real property that may become available for sale to the Land Bank during the fiscal year beginning October 1, 2016 (see Attachment C). The considerations for parcel identification included vacant residential/commercial properties with at least five years or more of delinquent property taxes (reported from Dallas County). Priority is given to properties located in: 1) neighborhoods designated within the City of Dallas Neighborhood Investment Program, 2) neighborhoods with active Community Housing Development Organization projects, and 3) other neighborhoods identified by the City as being in need of new housing/commercial development. The parcels listed will follow a process of review to determine suitability for housing development before moving forward to tax foreclosure and possible land banking. This is a list of potential properties for the Land Bank. Up to 100 parcels from Attachment D that were previously referred for tax foreclosure will be resubmitted and at least 100 parcels of property from the attached list will be referred for tax foreclosure by the Land Bank during the 2016-17 fiscal year.

Notwithstanding any other right of first refusal granted under Texas Local Government Code ("Code") Chapter 379C, if the Land Bank determines that a property acquired by the Land Bank is not appropriate for residential development, the Land Bank first shall offer the property for sale to an eligible adjacent property owner for the lower of the fair market value for the property as determined by the appraisal district in which the property is located or the sales price recorded in the annual plan, i.e., the amount for which the property would be sold to a "qualified participating developer", calculated as shown on page 5 of this annual plan. An "eligible adjacent property owner" means a person who owns property located adjacent to property owned by the Land Bank and satisfies eligibility requirements adopted by the Land Bank. An adjacent property owner that purchases property under this section may not lease, sell, or transfer that property to another person before the third anniversary of the date the adjacent property owner purchased that property from the Land Bank, unless the Land Bank adopts a policy permitting the transfer of the property to a family

member of the eligible adjacent property owner or occurs as a result of the death of the eligible adjacent property owner.

### **Additional Use of Land Bank Property**

The Land Bank may also acquire and sell to a developer property intended for commercial use.

### **Qualified Participating Developer**

In order to be designated as a Qualified Participating Developer under Section 379C.005 of the Code and participate in the Urban Land Bank Demonstration Program, a developer must: (1) have built one or more housing units within the three-year period preceding the submission of a proposal to the Land Bank seeking to acquire real property from the Land Bank; (2) have a development plan approved by the City for the Land Bank property; and (3) demonstrate ability to develop, within a three-year period, its inventory of residential lots acquired through City of Dallas operated or assisted programs including proposed Land Bank property to be acquired.

### **Community Housing Development Organizations**

An organization which meets the definition of a Community Housing Development Organization (CHDO), under 24 CFR 92.2 and is certified by the City of Dallas as such, may be a “qualified organization” under Section 379C.011 of the Code. Only “qualified organizations” as defined in the Code may engage in the “right of first refusal” for this program.

A listing of those CHDOs that may be eligible for the “Right of First Refusal” is available as Attachment A. In order to engage in the “right of first refusal” on the acquisition of a property from the Land Bank, the CHDO must also have the following to be considered a “qualified organization”:

1. Contain within its designated geographical boundaries of operation, as set forth in its application for certification filed with and approved by the City, a portion of the property that the Land Bank is offering for sale,
2. Built at least three single-family homes or duplexes or one multifamily residential dwelling of four or more units in compliance with all applicable building codes within the preceding two-year period of the date the property becomes available for purchase through the Land Bank and within the organization’s designated geographical boundaries of operation, and
3. Built or rehabilitated housing units (within the preceding two-year period) within a one-half mile radius of the offered parcel.

Code Section 379C.011 explains the elements of the “Right of First Refusal” for “qualified organizations.” The City of Dallas and Land Bank will apply the following points to this process:

1. Written notice will be provided to the “qualified organizations” for the offering;
2. The time period for “right of first refusal” will be six (6) months from the date of the deed of conveyance of the property to the Land Bank;
3. During this six-month period, the Land Bank may not sell the property to a qualified participating developer other than a qualified organization (If all qualified organizations eligible to exercise the right of first refusal for that property notify the Land Bank that they are declining to exercise their right of first refusal during the 6 month period or if an offer to purchase the property is not received from a qualified organization during the 6 month period, the Land Bank may sell the property to any other qualified developer at the same price that the Land Bank offered the property to the qualified organization);
4. After the period for the “right of first refusal” expires, the subject property will be offered to a “qualified participating developer” as defined in the Code (a “qualified participating developer” is defined as a developer who has built one or more housing units within the three-year period preceding the submission of a proposal to the Land Bank and has a development plan approved by the City for the Land Bank property);
5. At the discretion of the Land Bank and consistent with the City approved development plan, the subject parcel may be held for up to twelve (12) additional months by the Land Bank once an offer has been received and accepted from a “qualified organization or “qualified participating developer”;
6. If more than one “qualified organization” expresses an interest in exercising its “right of first refusal,” the organization that has designated the most geographically compact area encompassing a portion of the property shall be given priority; and
7. There will be no requirements for the Land Bank to give “right of first refusal” for “qualified organizations” if the subject property has reverted to the Land Bank after going through this entire process.
8. The “right of first refusal” applies only to properties acquired under the State Code for the Urban Land Bank Demonstration Program. There is no “right of first refusal” for properties acquired by the City or its Land Bank through other City programs or initiatives. The CHDO “right of first refusal” is subject to the “right of first refusal” to an eligible adjacent property owner as provided in Code Section 379C.0106.

## **City of Dallas Plan for Affordable Housing Development**

Based on 2010 census data, the population of the City of Dallas has grown by 9,236 since 2000. The City of Dallas has identified high priority needs in the availability and affordability of housing. One main concern is the low rate of 44.1% for homeownership in Dallas compared to the national average of 66.9%.

In order to achieve a 50% homeownership rate goal, approximately 27,000 single-family units would have to be created. The priority for the City of Dallas is not only to create single-family homes but also to make them affordable. The definition of an affordable homeownership unit is one in which a household with income of 115% or less of area median family income can obtain financing to purchase the home.

The creation of housing for families at 80% or below of median family income is a priority for the City of Dallas and this Urban Land Bank Demonstration Program. Additionally, at least 25% of the Land Bank properties must be deed restricted for sale to households with gross household incomes not greater than 60% of the area median family income adjusted for household size; and not more than 30% of those Land Bank properties may be deed restricted for sale to households with gross household incomes greater than 80% of the area median family income, adjusted for household size. In addition, a lease-purchase option may be used with the understanding that the purchaser must close on the house within twelve months from the date the lease-purchase begins. The tremendous need for housing in Dallas will also allow the City to take advantage of opportunities to leverage private and public funding for mixed income developments.

The City of Dallas intends to continue implementation of the Urban Land Bank Demonstration Program to produce affordable housing. Attachment D identifies the list of 2539 properties the Land Bank has referred for tax foreclosure under the FY 2003-04, FY 2004-05, FY 2005-06, FY 2006-07, FY 2007-08, FY 2008-09, FY 2009-10, FY 2010-11, FY 2011-12, FY 2012-13, FY 2013-14, FY 2014-15 and FY 2015-16 Plans. In the event any properties are removed from Attachment D, an equal number of qualified lots may be substituted. The City of Dallas intends to sell up to 200 properties in FY 2016-17 to “qualified organizations” and “qualified participating developers” for affordable housing development under this program. Subject parcels will first be offered for sale in FY 2016-17 to “qualified organizations” at a price of \$1,000.00 for the first 7,500 square feet of land plus another \$1,000.00 for each additional developable adjacent lot included in the parcel subject to budget allowances and Land Bank Board approval and to “qualified participating developers” at a price of \$5,000.00 for the first 7,500 square feet of land plus another \$5,000.00 for each additional developable adjacent lot included in the parcel plus any regulatory and contractual costs, including but not limited to environmental testing, maintenance, post foreclosure property taxes and replatting, required for the Land Bank to acquire and sell developable properties. In 2010, the Land Bank acquired 112 lots using Neighborhood Stabilization Program (NSP) funds. These lots were not acquired under the state statute and will fall under the applicable NSP rules and regulations. All properties will be deed restricted. Properties to be developed for

homeownership will remain deed restricted until construction is complete and sale of the affordable unit occurs.

All parcels will be conveyed with a right of reverter so that if the “qualified participating developer” does not apply for a construction permit and close on any construction financing within the three-year period following the date of the conveyance of the property from the Land Bank to the “qualified participating developer,” the property will revert to the Land Bank for subsequent resale to another “qualified participating developer” or conveyance to the taxing units who were parties to the judgment for disposition as otherwise allowed under the law. If a property is not sold within four (4) years to a “qualified organization” or a “qualified participating developer,” the property will be transferred from the Land Bank to the taxing units who were parties to the judgment for disposition as otherwise allowed under the law. A property may be transferred to the taxing units before completion of the four-year period if the Land Bank determines that the property is not appropriate for residential or commercial development. The Land Bank may also sell property to a political subdivision or a nonprofit organization before completion of the four-year period.

The DHADC may permit a qualified participating developer to exchange a property purchased from the Land Bank with any other property owned by the developer if the developer agrees to construct on the other property affordable housing for low income households as provided in this plan and state law and the other property is located in a planned development incorporating the property originally purchased from the Land Bank or another location as approved by the Land Bank. The Land Bank shall adjust the Deed Restrictions under Texas Local Government Code Section 379C.010 for each of the properties exchanged by the developer under this section.

The Land Bank may sell two adjacent properties that are owned by the Land Bank to a “qualified participating developer” if at least one of the properties is appropriate for residential development and the developer agrees to replat the two adjacent properties as one property that is appropriate for residential development.

### **Supportive Funding**

Attachment B reflects the sources and amounts for funding anticipated to be available from the City for subsidies for development of affordable housing in the City of Dallas, including money specifically available for housing developed under this program, as approved by the City Council of the City of Dallas at the time of adoption of this plan.
