- Status – In compliance

- The Emergency Reserve, a component of unassigned fund balance, shall be used to provide for temporary financing of unanticipated or unforeseen extraordinary needs of an emergency nature; for example, costs related to a natural disaster or calamity, a 5% decline in property values, or an unexpected liability created by Federal or State legislative action.
- Status – In compliance
- Recommendation – add language to specify the amount of this reserve

Capital and Debt Management

- Pursuant to the provisions of the Texas Tax Code, the City creates reinvestment zones both for tax increment financing (TIF RZ) and for the tax abatement (TA RZ). TA RZs are created for the purpose of granting tax abatement on real or business personal property or both located in the TA RZ. For the FMPC, TIF RZs and TA RZs shall be referred to as Reinvestment Zones (RZ)
- No RZ can be created if the total property tax base of certain TIF RZs plus the total real property and business personal property tax base (if there is business personal property tax being abated) of TA RZs exceeds 10% of the total tax base (all real and business personal property) of the City. Reinvestment zones that are no longer collecting tax increment or abating taxes (i.e. now contributing 100% to the City of Dallas property tax revenues) will be excluded from the calculation.
- Status – In compliance
- Recommendation – increase cap from 10% to 15%
- “No RZ can be created if the total property tax base of certain TIF RZs plus the total real property and business personal property tax base (if there is business personal property tax being abated) of TA RZs exceeds **15%** of the total tax base (all real and business personal property) of the City....”
