Strategy Statement and Compliance by Portfolio

As of: 3/31/2018 - 6/30/2018

STRATEGY COMPLIANCE STATEMENT

For the quarter ended June 30, 2018 the portfolios are in compliance with the relevant provisions of the Public Fund Investment Act and the investment strategies adopted in Sec. 17.0 of the City's Investment Policy.

STRATEGY STATEMENT BY PORTFOLIO

1) City's Investment Pool

The City's Investment Pool is an aggregation of the majority of City funds that includes tax receipts, enterprise fund revenues, fine and fee revenues, as well as some, but not all, bond proceeds, grants, gifts and endowments. This portfolio is maintained to meet anticipated daily cash needs for City of Dallas operations, capital projects and debt service. In order to ensure the ability of the City to meet obligations and to minimize potential liquidation losses, the dollar-weighted average stated maturity of the Investment Pool shall not exceed 1.5 years.

2) Convention Center Bond Reserve and Water Bond Reserve

Non-pooled reserve funds for outstanding revenue bonds (Convention Center and Water) are set at levels required by their respective bond ordinances. These funds will be used to pay principal and/or interest at final maturity or if called prior to final maturity.

3) Arts Endowment

The Arts Endowment Fund was created by the City from a \$1,285,026 repayment to the General Fund from the Convention Center. Pursuant to Resolution No. 84-311 dated September 26, 1984, this endowment fund was created to provide additional monies for the arts, not to replace the current level of support. Funds received as gifts to the City with instructions that the income generated by the investment of said funds be used for specified purposes are invested as separate non-pooled portfolios in order to maximize return.

4) Ida Green Library Endowment

The Ida M. Green Endowment Fund was created with the proceeds from the sale of stock from the estate of Ms. Green pursuant to Resolution No. 87-0836. Its purpose is to provide funds for the operating and capital expenses of the library's Texas Center for the Book and Children's Center. Funds received as gifts to the City with instructions that the income generated by the investment of said funds be used for specified purposes are invested as separate non-pooled portfolios in order to maximize return.

5) DWU Commercial Paper Program and GO Commercial Paper Program

The City issues tax-exempt commercial paper notes as an interim financing tool for construction of capital projects. The investment of the proceeds from the issuance of commercial paper debt should have a high degree of liquidity in order to fund payments to contractors.
