Authorize a Memorandum of Understanding between the City of Dallas and Metro Dallas Homeless Alliance (MDHA) to provide homeless continuum of care operations and planning services for the period October 1, 2015 through September 30, 2016 - Not to exceed \$150,000 - Financing: Current Funds (subject to appropriations)

BACKGROUND

Metro Dallas Homeless Alliance (MDHA) serves as the Dallas-area's regional authority on homelessness for the Dallas/Irving and Collin Counties Continuum of Care (CoC), and is responsible for building and coordinating an effective homeless response system for our area, as well as monitoring and reporting on that response to the City and other stakeholders. The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) codified into law and enhanced the Continuum of Care planning process, which is the coordinated response for addressing the needs of homelessness established administratively by United States Department of Housing and Urban Development (HUD) in 1995.

MDHA's primary functions include the following, which are partially funded under this agreement:

- Acts as lead agency for homeless continuum of care operations and planning for the homeless response system in the City of Dallas.
- Conducts the local Continuum of Care (CoC) Program grant competition and grant submission for about \$17 million in HUD funding, which represents about 10 percent of the overall homeless response system for Dallas.
- Administers the single homeless management information system (HMIS) for HUD and other federal programs serving the homeless and those at-risk of homelessness
- Develops a coordinated assessment/access system
- Maintains an inventory count of homeless housing
- Maintains annual counts of persons experiencing homelessness (i.e., the annual Point-In-Time Count)

BACKGROUND (Continued)

The City of Dallas consults with MDHA on the nature and extent of homelessness, as well as the response for our area, which informs the City's Consolidated Plan and Annual Action Plan and Emergency Solutions Grant (ESG) funding policy. The City of Dallas also looks to MDHA for planning and coordination to increase the supply of permanent supportive housing for homeless, to target resources for low-income and at-risk populations within the City, and to develop and implement policies/procedures and protocols for a coordinated effort across as many as 62 providers that are members of the CoC and other providers that are not yet members.

In FY2013-14 and FY2014-15, the City of Dallas entered into a Memorandum of Understanding with Metro Dallas Homeless Alliance (MDHA), to provide for homeless continuum of care operations and planning services. In FY2014-15, one initiative for which MDHA has taken the lead at the City's behest is the creation of a street outreach task force made up of multiple providers to engage, assess, and connect those living in homeless encampments to permanent supportive housing. This agenda item is a continued effort to support MDHA and its role as the lead in coordinating the effort to end homelessness for the Dallas area.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On June 2, 2014, the Budget, Finance, and Audit Committee was briefed on Metro Dallas Homeless Alliance leadership role and partnership with the City of Dallas.

On November 12, 2014, City Council approved a Memorandum of Understanding with Metro Dallas Homeless Alliance to provide coordination of homeless services, by Resolution No. 14-1896.

On August 17, 2015, the Housing Committee was briefed on Metro Dallas Homeless Alliance.

Authorize **(1)** the sale of one vacant lot located at 1437 Barry Avenue from the Dallas Housing Acquisition and Development Corporation to Marcial and Benita Martinez; and **(2)** the execution of a release of lien for any non-tax liens that may have been filed by the City – Financing: No cost consideration to the City

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing developments. In 2004, the Dallas City Council established the Dallas Housing Acquisition and Development Corporation (“DHADC”) as its land bank.

If a land bank determines that a property it owns is not appropriate for residential development, Section 379C.0106 of the Texas Local Government Code (“Code”) requires that the land bank first offer the property for sale to an eligible adjacent property owner for the lower of the fair market value of the property as determined by the appraisal district in which the property is located or the sales price recorded in the annual plan.

Marcial and Benita Martinez are eligible adjacent property owners, as defined in the Code, and have submitted a proposal to purchase the DHADC-owned lot located at 1437 Barry Avenue for \$5,000, and is the sales price of the property recorded in the annual plan. The DHADC Board has approved the sale, subject to City Council approval.

BACKGROUND (continued)

This item will authorize the sale of one lot from DHADC to Marcial and Benita Martinez and the release of lien for any non-tax liens that may have been filed by the City. The vacant lot was purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens in accordance with the Code. The instrument conveying the property will include a restriction limiting the purchaser's ability to lease, sell, or transfer the property for a period of three years in accordance with the Code.

PRIOR ACTION/REVIEW (Council, Boards, Commissions)

On January 28, 2004, by Resolution No. 04-0458, the City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of affordable housing as allowed under Chapter 379C of the Texas Local Government Code.

On August 27, 2015, the DHADC Board approved the sale to Marcial and Benita Martinez, subject to City Council approval.

SUBJECT

Authorize **(1)** approval of the development plan submitted to the Dallas Housing Acquisition and Development Corporation by Santos Coria for the construction of affordable houses; **(2)** the sale of 7 vacant lots (list attached) from Dallas Housing Acquisition and Development Corporation to Santos Coria; and **(3)** execution of a release of lien for any non-tax liens on the 7 properties that may have been filed by the City – Financing: No cost consideration to the City

BACKGROUND

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing developments. The City Council then established the Dallas Housing Acquisition and Development Corporation (DHADC or Land Bank) as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C on January 28, 2004.

Santos Coria has submitted a proposal and development plan to DHADC for 7 lots shown on the attached list. The DHADC Board has approved the development plan and sale, subject to City Council approval. This item will authorize City Council approval of the development plan submitted by Santos Coria to the City's Land Bank, the sale of those lots from DHADC to Santos Coria and the release of lien for any non-tax liens that may have been filed by the City. The vacant lots were purchased by DHADC from a Sheriff's sale pursuant to foreclosure of tax liens and any non-tax liens. DHADC's Deed without Warranty to Santos Coria will contain a reverter that returns the property to DHADC if a construction permit is not applied for by Santos Coria and construction financing is not closed within three years of conveyance.

BACKGROUND (continued)

Santos Coria will build affordable houses on the lots. The approximate square footage and sales prices of the houses will be approximately 1,200 to 1,800 square feet and from \$109,000 to \$130,000. The lots will be deed restricted for sale to a low income family and will require at least 25 percent of the developed homes (1 in this proposal) to be sold to households with gross household incomes not greater than 60 percent of the Area Median Family Income (AMFI) as determined annually by HUD. A maximum of 30 percent of the developed homes (3 in this proposal) may be sold to households with gross incomes from 81 percent to 115 percent of the AMFI as determined annually by HUD. If 30 percent of the homes are sold to buyers at 81 percent to 115 percent of the AMFI, the remaining homes (3 in this proposal) will be sold to buyers below 81 percent of the AMFI and in compliance with the minimum 25 percent requirement to sell to buyers below 60 percent of the AMFI. DHADC will receive \$35,000.00 for the sales price, as calculated from the 2014-15 Land Bank Plan approved by City Council.

PRIOR ACTION/REVIEW (Council, Boards, Commissions)

On January 28, 2004, by Resolution No. 04-0458, the City Council established DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property for the purpose of promoting the development of affordable housing as allowed under Chapter 379C of the Texas Local Government Code.

On August 27, 2015, DHADC approved the development plan and sale of 7 lots from DHADC to Santos Coria.

On September 21, 2015, the Housing Committee will be briefed regarding the Urban Land Bank Demonstration Program which will outline the process and status of the program.

Information about this item will be provided to the Housing Committee on September 21, 2015.

EXHIBIT A

Dallas Urban Land Bank Demonstration Program Program Statement

Program Purpose: To acquire, hold and transfer real property for affordable housing development to house low- and moderate-income households and to stabilize distressed communities. Property may be developed for home ownership. Also, the Land Bank may acquire and sell to a developer property intended for commercial use ~~property may be developed for grocery stores with a minimum of 6,000 square feet.~~

The Dallas Housing Acquisition and Development Corporation (DHADC) is the Land Bank approved by the City Council for accomplishment of the program purpose. The DHADC will operate under the Articles of Incorporation and By-laws approved by the Dallas City Council and amendments authorized by the City Council from time to time. The DHADC will maintain properties it acquires in compliance with City of Dallas Code requirements.

The DHADC will comply with the requirements of the Public Information and Open Meetings provisions of the State Government Code, and will keep accurate minutes of its meetings. The DHADC will keep accurate records and books of account that conform with generally accepted principles of accounting and that clearly reflect the income and expenses of the DHADC and all transactions in relation to its property. The DHADC will file with the City, not later than December 30th, annual audited financial statements prepared by a certified public accountant.

Dallas Urban Land Bank Demonstration Program

For acquisition and sale of tax-foreclosed properties, the DHADC shall operate in compliance with the Dallas Urban Land Bank Demonstration Program Plan ("Land Bank Plan"), approved annually by the Dallas City Council, and Subtitle A, Title 12, Local Government Code, Chapter 379C, Urban Land Bank Demonstration Program ("Code"). The Land Bank Plan describes the City's methods for allowing the officer charged with selling unimproved real property ordered sold pursuant to the foreclosure of a tax lien to sell certain eligible real property by private sale for purposes of affordable housing development or commercial development, which may include either home ownership or commercial use ~~grocery store development with a minimum of 6,000 square feet of enclosed space that offers for sale fresh produce and other food items for home consumption.~~ Lots may contain rental housing units above a retail/commercial/office development for rent to low and moderate income tenants. The Land Bank Plan includes the City's plan for development of tax-foreclosed properties acquired by the DHADC.

Dallas Urban Land Bank Demonstration Program Program Statement

City Manager Responsibilities

The City of Dallas will adopt a Land Bank Plan annually. The City Manager or his/her designee will recommend the Land Bank Plan, in compliance with the Code, for City Council approval. The Land Bank Plan will consider other housing plans adopted by the City, including the comprehensive plan submitted to the United States Department of Housing and Urban Development ("HUD") and all fair housing plans and policies adopted or agreed to by the City. The Land Bank Plan will include:

1. A list of community development organizations eligible to participate in the right of first refusal provided by the Land Bank Plan;
2. A list of parcels of real property that may become eligible for sale to the Land Bank during the upcoming year;
3. The City's plan for affordable housing development on those parcels of real property;
4. The sources and amounts of funding anticipated to be available from the City at the time the Land Bank Plan is adopted or subsequently approved; and
5. The sale price of the properties to be sold.

The City Manager, or his/her designee, will identify properties that may become eligible for sale to the DHADC Land Bank from the Sheriff's sale for inclusion in the Land Bank Plan. Prior to a recommendation to the DHADC for tax-foreclosure in anticipation of Land Bank acquisition, each property will be assessed as to its suitability for development as described in the Land Bank Plan. In making an assessment of site suitability for affordable housing/~~grocery store development~~ under the Dallas Urban Land Bank Demonstration Program, several factors will be reviewed, including but not limited to the following:

1. Are there delinquent taxes on the property for a total of at least five years?
2. Is the market value of the property as specified in the judgment of foreclosure less than the total amount due under the judgment, including all taxes, penalties, and interest plus the value of non-tax liens held by a taxing unit and awarded by the judgment, court costs, and cost of the sale?

Dallas Urban Land Bank Demonstration Program Program Statement

3. Is the property unimproved or vacant or improved with an uninhabitable occupied structure?
4. Is the physical site of a size, shape and topography appropriate to build the proposed housing/~~grocery store~~?
5. Is the property location desirable for housing/~~grocery store development~~?
6. Are there building restrictions such as flood plain prohibitions?
7. Location in a special planning or zoning district, such as an historic district, should be noted early in the process in order to understand possible development requirements that will be necessary should the Land Bank acquire the property.

The City Manager, or his/her designee, will annually identify properties potentially eligible for sale to the DHADC Land Bank under the Dallas Urban Land Bank Demonstration Program and obtain approval of the participating taxing jurisdictions.

The City Manager, or his/her designee, will review all proposals recommended by the DHADC for purchase and development of Land Bank property, recommend proposals for approval to the City Council and notify the DHADC of those proposals approved by the City Council.

The City Manager will annually review DHADC requests for funding, if any, and will include a recommendation of that amount, if any, that he determines to be appropriate in his annual budget recommendation to the Dallas City Council.

The City Manager is authorized to implement the Dallas Urban Land Bank Demonstration Program in accordance with this Program Statement and establish guidelines and procedures to operate the Program.

DHADC Responsibilities

Following City recommendation of a property for acquisition by the DHADC Land Bank, the City and DHADC will coordinate with the legal service provider for the filing of a tax lawsuit subject to the consent of the participating taxing jurisdictions. The City will notify the participating taxing jurisdictions of properties referred to the legal service provider for a tax lawsuit. If the judgment in the tax lawsuit authorizes sale of the property to the Land Bank, DHADC will purchase the property from the officer charged by the Court with the sale of the property for an amount consistent with the sale price authorized in the interlocal agreement with the participating taxing jurisdictions.

Dallas Urban Land Bank Demonstration Program Program Statement

The Land Bank must sell property to a qualified participating developer within the four-year period following the date of acquisition. If after four years a qualified participating developer has not purchased the property, the property shall be transferred from the Land Bank to the taxing entities. Property not suitable for development may be transferred to the taxing entities or be sold directly to a political subdivision or nonprofit organization prior to completion of the four-year period.

Notwithstanding any other right of first refusal granted by the Code, if the Land Bank determines that a property owned by the Land Bank is not appropriate for residential development, the Land Bank shall first offer the property for sale to an eligible adjacent owner according to the terms and conditions developed by the Land Bank consistent with the Code. The Land Bank shall sell the property to an eligible adjacent property owner for the lesser of (1) the fair market value for the property determined by the appraisal district in which the property is located or (2) the sales price recorded in the annual plan. An "eligible adjacent property" owner means a person who owns property located adjacent to property owned by the Land Bank and satisfies eligibility requirements adopted by the Land Bank. The DHADC is also authorized to submit bids at the Sheriff's sale of tax-foreclosed real property.

Once the DHADC has acquired, at its determination, a sufficient number of properties for sale within a specific geographic area, the DHADC will hold a community meeting to seek public input on the development of the properties if the number of properties to be sold in a group to a developer is greater than ten properties. The DHADC will schedule the meeting at a time and date that allows for the attendance of the City Councilmember(s) representing the community in which the properties are located. Public notice of the meeting will be provided by DHADC to property owners and residents within 200 feet of the properties to be sold.

The Land Bank may sell two adjacent properties that are owned by the Land Bank to a qualified participating developer if at least one of the properties is eligible for residential development and the developer agrees to replat the two adjacent properties as one property that is appropriate for residential development.

Dallas Urban Land Bank Demonstration Program Program Statement

The DHADC may permit a qualified participating developer to exchange a property purchased from the Land Bank with any other property owned by the developer if the developer agrees to construct on the other property affordable housing for low income households as provided by the Code and the other property will be located in a planned development incorporating the property originally purchased from the Land Bank or another location as approved by the Land Bank. The Land Bank shall adjust the Deed Restrictions under Code Section 379C.010 for each of the properties exchanged by this Code.

Following City Council approval, each sale of property acquired by the DHADC Land Bank as a result of a tax-foreclosure lawsuit will comply with the Code and Land Bank Plan with regard to deed restrictions on the property for development, occupancy and use of property by qualified low- and moderate-income households. The DHADC may release the deed restrictions placed on the property upon compliance by the developer.

The DHADC shall prohibit the placement of industrialized housing or industrialized buildings, as those terms are defined in Chapter 1202 of the Texas Occupations Code, as may be amended, on any real property or part thereof sold by the DHADC to a Qualified Participating Developer or builder and shall enforce such prohibition by deed restriction, approved as to form by the City of Dallas City Attorney.

Annually, not later than the date established by the City Manager, the DHADC will submit a request to the City for funding for the acquisition of property, legal services for tax lawsuits, operations of the DHADC Land Bank, and maintenance of the properties acquired. To support its request, the DHADC will determine:

- 1) the number of properties anticipated to be acquired during the upcoming fiscal year and the anticipated cost of acquisition; 2) the projected cost of legal services; 3) the projected administrative and operating costs; 4) the projected maintenance cost of properties held and to be acquired by the DHADC Land Bank and the anticipated period of time that the properties will be held; 5) the projected number of properties to be sold during the upcoming fiscal year and the sale price for the properties; and 6) the availability of non-City resources to cover such costs.

Dallas Urban Land Bank Demonstration Program Program Statement

In making its funding request to the City, the DHADC will recommend pricing for the sale of the lots such that the revenues from the DHADC Land Bank sale of acquired properties will cover the ~~legal service~~, operating and property maintenance costs and City funds will be for property acquisition, legal services, title abstract services and environmental services only.

For purposes of evaluating the effectiveness of the Dallas Urban Land Bank Demonstration Program, the DHADC will submit an annual performance report to the City not later than November 1st of each year in which the DHADC sells property under the Dallas Urban Land Bank Demonstration Program. The performance report will include the information required by the Code and the Land Bank Plan.

The DHADC will maintain in its records for inspection a copy of the sale settlement statement for each property sold by a qualified participating developer and a copy of the first page of the mortgage note with the interest rate and indicating the volume and page number of the instrument as filed with the County Clerk. The DHADC will provide copies of the performance report to the taxing units who were parties to the judgment of foreclosure and will provide notice of the availability of the performance report for review to the organizations and neighborhood associations identified by the City as serving the neighborhoods in which properties sold to the DHADC Land Bank under the Urban Land Bank Demonstration Program are located. The DHADC and the City will maintain copies of the performance report available for public review.

Acquisition of property not qualified for land bank tax foreclosure

The DHADC may undertake land acquisition, assemblage, maintenance and sale for affordable housing development of properties that do not qualify for tax foreclosure and acquisition under the Dallas Urban Land Bank Demonstration Program.

For property acquisition other than those under the Dallas Urban Land Bank Demonstration Program (~~DULBDP~~):

1. The DHADC may not use City funds to pay more than fair market value, based upon an independent property appraisal, for real property acquired;

Dallas Urban Land Bank Demonstration Program Program Statement

2. The DHADC may not pay more than \$10,000 for a property, including closing costs, without specific City Council approval of the acquisition;
3. Property that is not acquired through the Dallas Urban Land Bank Demonstration Program DULBDP may be sold for no more than the appraised value and costs of sale and for no less than the sale price approved by the City Controller for land bank lots in the annual plan for the Dallas Urban Land Bank Demonstration Program DULBDP. Property sales must comply with the occupancy restrictions of the Dallas Urban Land Bank Demonstration Program DULBDP and must be approved by City Council;
4. If funding for such acquisition is provided under the Dallas Residential Development Acquisition Loan Program or similar affordable housing or economic development program of the City of Dallas, DHADC actions will be governed by the City Council resolution authorizing the contract, the City Council approved Program Statement for the City Program under which the funding is provided, the terms of the contract between the City and the DHADC; and
5. The proceeds from the sale of property acquired under contract with the City of Dallas that is not acquired under the Dallas Urban Land Bank Demonstration Program DULBDP shall be considered program income to the City of Dallas program and funding source and shall be returned to the City unless specifically authorized otherwise in the contract between the City of Dallas and the DHADC.

BACKGROUND

Approval of this item will authorize the first five-year renewal option to the Management Services Contract, Phase II, with Bridge Steps, for the continued operation, programming, and management of The Bridge located at 1818 Corsicana, which is owned by the City of Dallas and operated by the contractor, Bridge Steps.

BACKGROUND (Continued)

At the time of development, Council indicated a desire to see a private agency operate The Bridge. Accordingly, on December 12, 2007, by Resolution No. 07-3739, Council authorized a Management Services Contract, Phase II, with Metro Dallas Homeless Alliance (MDHA). MDHA agreed to privately fund a significant portion of the budget for the operation of The Bridge each year. The initial term of the Management Services Contract, Phase II, was December 12, 2007 through September 30, 2015, with two five-year renewal options. Subsequently, MDHA spun off the operation of The Bridge into a separate entity that assumed the name of Bridge Steps. All of the MDHA's obligations under the Management Services Contract were assigned to Bridge Steps on October 1, 2011. Since inception, about \$27,923,214 in General Funds have funded the contract.

The Bridge opened on May 20, 2008, providing a centralized entry point for homeless persons to access multiple services at one location through on-site services and co-located agencies. The Bridge serves more than 7,000 people experiencing homelessness per year, the majority of whom transition out of the agency's collaborative network rapidly. For adults experiencing episodes of homelessness, The Bridge provides triage services, jail diversion/reentry services, medical/behavioral health care services, and day shelter services. For adults experiencing or at-risk of long-term homelessness, The Bridge provides night shelter and recreational/education services, and assists clients in obtaining employment/disability income and affordable/supportive housing. Since opening, The Bridge has been able to provide more than 2,000 job placements and more 2,000 housing placements.

Approval of this item will also authorize an Interlocal Agreement with Dallas County for receipt and disbursement of \$1,000,000 contributed by the County toward the cost of operating The Bridge. Dallas County has contributed funding to support the operation of The Bridge, since it opened in 2008. This item will also authorize an Interlocal Agreement with Dallas County to accept \$113,357 in Dallas County FY2015-16 Emergency Solutions Grant (ESG) funds for shelter operations at The Bridge. Bridge Steps will be required to meet the ESG matching requirements for this funding. Bridge Steps is allowed to count these Dallas County funds towards its required contribution to The Bridge operating budget for FY2015-16.

Lastly, approval of this item will authorize use of \$378,279 of the City's FY2015-16 Emergency Solutions Grant (ESG) Funds for shelter operations at The Bridge. On June 10, 2015, by Resolution No. 15-1055, City Council adopted the FY2015-16 Consolidated Plan Budget, which included the FY2015-16 ESG line item allocations with this portion designated for the operation of The Bridge. A portion of the City's ESG funds has been used to support the operation of The Bridge since it opened. Bridge Steps will also be required to meet the match requirements for this ESG funding.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 14, 2015, City Council authorized an amendment to Resolution No. 14-1792, to accept additional funds in the grant from the Texas Department of Housing and Community Affairs, to allow Bridge Steps to count the additional funds toward Bridge Steps' required contribution to The Bridge operating budget and require Bridge Steps to comply with all conditions of the grant agreement, by Resolution No. 15-0114.

On February 11, 2015, City Council authorized a tenth amendment to the Management Services Contract, Phase II, with Bridge Steps to count Dallas County Emergency Solutions Grant (ESG) funds toward Bridge Steps' required contribution to the Bridge operating budget and require Bridge Steps to comply with all conditions of the agreements and matching fund requirements, by Resolution No. 15-0274.

On August 17, 2015, the Housing Committee was briefed on The Bridge operations, services, number served, and financial concerns.
