Draft Environmental Impact Statement

- Outlines the potential impacts along the HSR alignment
- Currently available for public review and comment through the FRA website
- City representatives attended the Dallas County public hearing on January 29
- City of Dallas comments will be consolidated and submitted prior to the February 20 deadline

DEIS Comments

- Largely technical in nature concerning conflict with City property and utilities
- The City of Dallas does not disagree with assumptions regarding further improvements that need to be made
- The City does not dispute assumptions regarding congestion mitigation
- The City recognizes more work needs to be done to ensure the rail alignment minimizes impact to Dallas residents
- Comments are included in the appendix

DFW Core Express

- Developing draft of Interlocal Agreement (ILA)
 - Pending feedback from City of Grand Prairie and City of Arlington on willingness to join the ILA
 - Current Letter of Intent includes requirement for any City joining the ILA to also join DART or the Fort Worth Transportation Authority (the T)
 - The ILA will be brought to City Council for approval
- Dallas, Fort Worth and NCTCOG are finalizing language for the Local Government Corporation (LGC)

Next Steps

DWU	As per Appendix G, the typical distance from pipe to Viaduct pier is 5 ft. We need a horizontal separation of at least 10 ft. Also, (not shown on this document) we need at least 18 ft. of vertical clearance from ground line to bottom of structure/bridge as per WW Collections.	Appendix G/ Section 1-5
DWU	As per document 1 (DEIS_MAIN TEXT page 3.9-5), there are 15 wastewater mains and 2 water mains 18" diameter and larger within the study area. From research and using the GIS layer provided to us by Freese & Nichols, there are 27 wastewater mains and 5 water mains 18" diameter and larger within the study area. There is a total of 57 ww mains and 29 water mains (6" and larger) within the study area. (Or a total of 30 ww mains and 19 water mains 6" and larger actually crossing the proposed HSR alignment.) See spreadsheet attached for a summary of utilities in conflict.	DEIS_MAIN TEXT/ page 3.9-5
Park and Recreation Department	High Speed Rail will go by several existing or proposed Park and Recreation Facilities, the main issue would be the sound of the passing trains, which may be 4 times per hour, when the train is running at peak capacity. The rail line will be close to Honey Springs Cemetery, the Skyline Trail and J.J. Lemon Park.	General Comment
Planning and Urban Design	a. Proposed street alignments must introduce a walkable grid of streets that integrate into the larger neighborhood, as well as clearly set up the creation of future development sites; b. In our opinion, Belleview Street needs to curve down with the natural fall in the land in order to get down and under the UPRR. It is shown as a straight road to Riverfront, which would be highly difficult or impossible to build from an engineering perspective and still allow for walkable development along Belleview	Appendix D/ Sheet 1 of 536

--------------------------------	---------	----------------------------

Planning and Urban Design	<p>a. Station and circulation plan cannot be evaluated in the absence of a larger urban design vision for the neighborhood. Station proposal should be represented as a “phase one” of a clearly articulated future neighborhood development scenario;</p> <p>b. Any required barriers and fencing must incorporate high quality materials appropriate to the adjacent context;</p> <p>c. Does not integrate station with public space to maximize potential as an iconic destination or to integrate it seamlessly with the surrounding community;</p> <p>d. Opportunity to engage the city with a signature station face that becomes an attraction regardless of transit (think of Denver’s Union Station for example).</p>	Appendix D/ Sheet 1 of 536
---------------------------	--	----------------------------

City of Dallas - Department	Comment	DEIS Section and/or Page #
Planning and Urban Design	<p>a. The parking structures and streets preclude any mixed-use development from occurring adjacent to the station;</p> <p>b. The parking structure shown on the Matthew Southwest-owned property south of the UPRR presents a monolithic, impenetrable super-block. Additional streets should be provided through the parking structure to allow for increased pedestrian and vehicular connectivity while also creating better development blocks;</p> <p>c. The proposed streets are designed as highly auto-oriented with turning movement geographies such as free-right turns and the U-turn to the south of the station that will produce an un-walkable pedestrian environment adjacent the station. Intersections should be designed to be as narrow as possible while also ideally meeting as close to ninety-degrees wherever possible to accommodate walkable mixed-use development around the station. Overall, the arrangement of one-way streets and their geometries may support an “airport like” station but do not support a walkable environment;</p> <p>d. The proposed streets are all shown to be very wide (4+ lanes each). They should be designed to be as narrow as possible, with as few lanes as required, while also accommodating wide, comfortable, and safe bike and pedestrian facilities;</p> <p>e. The street adjacent to the Meanders should be a maximum of 2 lanes to allow for quality development adjacent to the water feature.</p>	Appendix D/ Sheet 1 of 536
Planning and Urban Design	<p>a. While the extension of Canton Street to Austin adds connectivity to the station and surrounding area, the configuration shown in the Project Footprint for the Canton/ Lamar intersection favors high-speed vehicular movements and not a balance that also welcomes pedestrians, bikes and meaningful development and open space opportunities.</p>	Appendix D/ Sheet 1 of 536

City of Dallas - Department	Comment	DEIS Section and/or Page #
Planning and Urban Design	<p>a. The provision of pedestrian bridges across the UP Railroad is a positive element. The vertical circulation shown for these pedestrian bridges, especially the one near Canton/ Lamar are less than ideal and should account for iconic placemaking and plaza opportunities adjacent to them;</p> <p>b. Connectivity to the Cedars and future Southside neighborhoods is limited;</p> <p>c. To cross the vast rail infrastructure, pedestrian bridges will need to be integrated with development destinations otherwise they will be sterile, un-safe and un-used.</p>	Appendix D/ Sheet 1 of 536
Planning and Urban Design	Lot E should not just be a parking destination but should be integrated into Downtown as a viable and contributing mixed-use or office district as well.	Appendix D/ Sheet 1 of 536
Planning and Urban Design	The 360 Plan and Perkins + Will development, parking, and block pattern concepts should be better incorporated into the Project Footprint plan for the EIS.	Appendix D/ Sheet 1 of 536
Planning and Urban Design	<p>a. The Cadiz/Lamar intersection is currently a precarious and complicated one that can cause substantial traffic during peak periods due to the seven roads that intersect there. Increased traffic will put even greater strain on this complicated intersection, and it should be included in the scope to help produce a better design outcome concurrently with construction of the station.</p>	Appendix D/ Sheet 1 of 536

City of Dallas - Department	Comment	DEIS Section and/or Page #
Planning and Urban Design	<ul style="list-style-type: none"> a. Station ground floor needs to locate active uses along all street frontages; b. Any required barriers and fencing must incorporate high quality materials appropriate to the adjacent context; c. Does not integrate station with public space to maximize potential as an iconic destination or to integrate it seamlessly with the surrounding community; d. Opportunity to engage the city with a signature station face that becomes an attraction regardless of transit (think of Denver’s Union Station for example). 	Appendix D/ Sheet 1 of 536
Planning and Urban Design	<ul style="list-style-type: none"> a. Austin Street will be substantially impacted by the adjacent parking structure and the traffic that will need to be accommodated. The street should be included as part of the scope and should be planned to be reconstructed as a two-lane street plus on-street parking with adequate pedestrian facilities on each side. 	Appendix D/ Sheet 1 of 536
Planning and Urban Design	<ul style="list-style-type: none"> a. There is no indication for the provision of a multi-purpose trail along the HSR alignment as has been indicated would be done as part of construction of this project. 	Appendix D/ Sheet 1 of 536
Planning and Urban Design	<ul style="list-style-type: none"> a. The rail alignment will cross a number of City-owned street right-of-ways. The ability to add wide, safe and well-lit pedestrian and bike accommodations along these streets should not be negatively impacted by the rail structure. 	Appendix D/ Sheet 1 of 536
Planning and Urban Design	<ul style="list-style-type: none"> a. Seamless connectivity and integration of all transportation modes - DART Light Rail station at convention center, TRE, potential new D2 Light Rail Station(s), Bus stops, bike facilities and walkability should be key components (ability to solve first/last mile without a car). 	Appendix D/ Sheet 1 of 536

City of Dallas - Department	Comment	DEIS Section and/or Page #
Planning and Urban Design	<p>a. Structured parking needs to be designed with ground floor active uses along Austin Street, Belleview Street, and each of the streets facing the station, the meanders at a minimum;</p> <p>b. Structured parking should be constructed in such a manner that it can be repurposed for other uses in the future as technological advances shift car ownership and driving habits;</p> <p>c. Parking management is critical if the area around the station is to be successful as a “place” and not just a self-serving station;</p> <p>d. Consider “shared” parking solutions.</p>	Appendix D/ Sheet 1 of 536
Transportation	Reference is made indicating there would be no operational impacts during extreme weather. This is followed by a statement that indicates the probability is low. These two statement seem to be in conflict. Please clarify.	ES9.17 on page ES-24
Transportation	Reference is made to impacts to the Honey Springs Cemetery. Please clarify the impacts to families during a funeral or burial service.	ES9.18 on page ES-24
Transportation	Reference is made to USACE owned property. This is likely referring to City owned property within the Trinity River and within the Dallas Flood Control project that is, however, under USACE jurisdiction.	ES.10 on page ES-30
Transportation	Reference is made in the center of the first paragraph about denial by USACE. Please clarify that this only refers to Segment 2 and not also Segment 1.	ES.10 on page ES-30
Transportation	Reference is made to the potential for least tern. Please clarify that no sightings were noted and no nests were found within the project site.	3.6.4.4.2 on page 3.6-41 2nd paragraph
Transportation	Reference is made to several potential threatened species (mussels) within the Trinity River. Please clarify that none were found within the project site.	3.6.4.4.2 on page 3.6-47 and 3.6-48
Transportation	Reference is made to projects under the 408 review process which include "future levees". However, we have recently confirmed that the 408 process is limited to floodway structures that are already built. Therefore future levees and future sumps would not be included here.	3.7.4.1.2 on page 3.7-6 & WW-CM#6 on page 3.7-50

City of Dallas - Department	Comment	DEIS Section and/or Page #
Transportation	Reference is made to 408 review process. In the case of Dallas, we have recently confirmed that the 408 review will be performed by the Fort Worth District only. Review by the Division or by HQ will not be performed.	WW-CM#6 on page 3.7-50
Transportation	NOTE for City Staff: The applicable Compliance measures and Mitigation measures should be included in future City agreements with TCP. These should also be verified during plan reviews	3.6.6.1 on 3.6-67; 3.6.6.2 on 3.6-68; & 3.7.6.1 on 3.7-48; 3.7.6.2 on 3.7-51
Transportation	Please add and consider the City of Dallas Thoroughfare Plan and the City of Dallas CBD and Vehicular Plan and the City of Dallas Complete Streets Manual. These can be found at: http://dallascityhall.com/departments/transportation/Pages/MobilityPlanning.aspx	Table 3.11-1 on 3.11-2
Transportation	Please add and consider these two crossings to Table 3.11-5: Youngblood - Commercial Collector - 4 lanes & Witt - Commercial Collector - 4 lanes	Table 3.11-5 on 3.11-9, 10
Transportation	Please remove the following streets from Table 3.11-7 as these are not designated as bike routes: Cedardale, Illinois, JJ Lemmon, JJ Lemmon, Ledbetter, Pennsylvania, Unnamed SE3, Wheatland, Youngblood, Cleveland, Al Lipscomb, and Grand Avenue Connection.	Table 3.11-7 on 3.11-14, 15
Transportation	Reference is made to constructing dual left turn lanes, right turn lanes, and dual right turn lanes at several intersections near the Dallas HSR Terminal site. The City has recently improved these streets to conform to our complete street standards. Please provide additional clarification on impacts to intersections on Riverfront, Lamar, Commerce, and Cadiz streets.	Table 3.11-39 on 3.11-38

City of Dallas - Department	Comment	DEIS Section and/or Page #
Trinity Watershed Management	Figure 2/Figure 2-26 - While the discussion provides a good introduction to the Location Corridor Analyses process, and subsequent project segments used to develop the Build Alternatives, the following discussions relate to "Alternatives A through F"; it would be helpful to provide a map in the Executive Summary that shows the Build Alternatives as discussed in the DEIS. Additionally, if Alternative A is the preferred Alternative, then Figure 2-27 should also be included in the Executive Summary	ES.6; ES-6
Trinity Watershed Management	Air Quality - the discussion as presented may not reflect a complete analyses. The discussion references off-site power generation such that there would be no impacts, but does not provide related location information to allow assessment of that input. One may expect both discussions of relative traffic impacts/ air quality of the vehicles driving to each of the stations; additionally, I would expect some degree of mixing from the HSR operation. Neither is discussed in the Executive Summary. Additionally, it may not be appropriate to reference expected Nox VOC and CO emissions to be reduced over time because of anticipated improvements to car emissions between 2024 and 2040.	ES.9.3; ES-9
Trinity Watershed Management	Water Quality - It may be helpful to expand this section to identify existing water quality impairments within the "9 watersheds" that the project alternatives cross. It would be helpful to identify the nine affected watersheds. Some but not all water quality impairments (Total maximum daily loads (TMDLs), have defined best management practices set forth in formal Implementation Plan(s), approved by the TCEQ that would be required to be incorporated into this project to reduce/ mitigate potential impacts. Additionally, most discussion of water quality impairment is provided relative to anticipated pollutant loading, rather than in lineal feet of channel impacted. It should be noted that some, but not all TMDLs have to potential to be impacted by this project. As is - it is very difficult to identify whether one alignment/alternative has or doesn't have impacts/benefits over the others, relative to water quality.	ES.9.4; ES-10
Trinity Watershed Management	Water Quality - It may be helpful to expand this section to identify numbers of impacted groundwater wells per alternative.	ES.9.4; ES-10

City of Dallas - Department	Comment	DEIS Section and/or Page #
Trinity Watershed Management	Water Quality - this mentions retention basins, however, there is no information on where they may be used, or a summary of this type of feature associated with each build alternative	ES.9.4; ES-10
Trinity Watershed Management	Table 2 - is not referenced in the text, and contains information requested in the above comments; All tables/graphics should be appropriately referenced in the text. I would note that the table references Impaired Water bodies by the 303(d) list - however, there is no summary discussion provided for context to what these data mean.	ES.9.4; ES-10
Trinity Watershed Management	Noise and Vibration - Table 3: needs to be referenced, and context for what is "moderate" and what is a "severe" impact needs to be added	ES.9.5; ES-11
Trinity Watershed Management	Hazardous Materials and Solid Waste: for local planning purposes, an estimate of increased waste management requirements for terminals and rail maintenance facilities may be helpful to the local governments/waste management entities. While the document indicates the Build Alternatives are "not expected to exceed capacity of existing landfills", landfill capacity versus anticipated waste generation is a concern, and many cities are pushing towards "zero waste policies". This should be discussed for both construction related demolition and debris removal, as well as future operations.	ES 9.6; ES-12
Trinity Watershed Management	Natural Ecological Systems and Protected Species - This discussion indicates that 'the terminal options in Dallas and Harris County would not impact protected species habitat due to their developed urban environments'. That said; the Dallas station location is adjacent to a sump area, and constructed wetlands that provide potential habitat to several Protected Species that may have been omitted from these analyses	ES 9.7; ES-13

City of Dallas - Department	Comment	DEIS Section and/or Page #
Trinity Watershed Management	Table 4 lists only three protected species, none of which occur in Dallas County. A review of the Final EIS for the Dallas Floodway adjacent to the proposed station location and northern segment indicates 17 species (not including plants); The Texas Parks and Wildlife searchable database includes 34 Federal and state species listed in Dallas County alone. (https://tpwd.texas.gov/gis/rtest/). This section needs to be appropriately updated. One of the critical elements that we have had to address in project implementation near Waters of the State is appropriate identification, and mitigation of impacts to freshwater mussel species. I would also note that this summary is not consistent with the information provided in Section 3.6.4.4.2	ES 9.7; ES-13
Trinity Watershed Management	Waters of the United States: There is no mention of the project impacts to the Upper and Lower Chain of Wetlands; while these are man-made wetlands; they are part of a Federal project and were designed to mitigate other project impacts, as well as to provide flood storage and habitat functions .	ES 9.8; ES-14
Trinity Watershed Management	Waters of the United States: There is no mention of the project impacts relative to hydrologic and hydraulic analyses, and the need for local permitting (CDC) because of the Trinity River ROD; impacts to valley storage and flood elevations need to be discussed; please also add an explanation of why the permanent impacts are greater than the temporary impacts - this is counter intuitive.	ES 9.8/9.9; ES-14,15
Trinity Watershed Management	There is no discussion of potential impacts to public utilities; The work around the Central Wastewater Treatment Facility, and local lines in that area, as well as the Station Zone need to be discussed	ES 9.10; ES-17

City of Dallas - Department	Comment	DEIS Section and/or Page #
Trinity Watershed Management	Utilities and Energy: we note significant power requirements for facility operation (anticipated to be > 25% of future statewide energy expansion); we offer concerns relative to this increase in an area that has an existing significant potential hourly peak load associated with major infrastructure (water/wastewater and stormwater) pump stations in the same portion of the grid in Dallas. Impacts to the existing grid/power users should be quantified, particularly in/near the terminal stations. In addition, we encourage coordination with major local users concerning future power demands to ensure optimal system function	ES 9.10; ES-17
Trinity Watershed Management	Table 9 includes information on impacted oil and gas wells - ; there is no reference to this table in the text, and there is no discussion of this potential impact in the discussion provided.	ES 9.10; ES-16
Trinity Watershed Management	Table 10 - The table references landscape units - it would be helpful to have a map of where these units may be located; additionally, this table is not referenced in the text.	ES 9.11; ES-18
Trinity Watershed Management	May be helpful to provide results of Station-Zone Analyses here.	ES 9.12; ES-19
Trinity Watershed Management	Development of jobs data relative to numbers of jobs, rather than a global "fractional increase of one-half percent of existing employment base" may be more helpful in understanding potential positive impacts of the project. This may be helpful to offsetting potential Environmental Justice implications associated with impacts to LeForge and LeMay neighborhoods, Wilmer Hutchins High School, churches and historic cemeteries	ES 9.15; ES-22
Trinity Watershed Management	Table 14: please add a key to what the scores shown for Community cohesion, Children's Health and Safety, and Community Facilities mean. Also - there is a single, and a triple asterisk used, without any clarifying information.	ES 9.15; ES-23
Trinity Watershed Management	Electromagnetic Fields: this discussion reflects analyses of no impacts to riders, but does not discuss potential impacts of electromagnetism to stationary receptors along the route. This may reflect a greater exposure scenario.	ES 9.16; ES-23

City of Dallas - Department	Comment	DEIS Section and/or Page #
Trinity Watershed Management	<p>Environmental Justice: The discussion as provided indicates that the Location of Disturbance (LOD) potentially impacts 68 of 132 (52%) of identified EJ block groups; there is a discussion of temporary construction zones that impacts 29 percent of temporary construction zones, and 24 percent of total acreage of temporary construction areas. There is no similar discussion of permanent impacts. With the other impact tables indicating a much larger area of permanent than temporary impacts, the discussion of permanent impacts to environmental justice concerns needs to be included, particularly in light of other identified community, school and historic cemetery impacts in these same areas. When over 1/2 of the identified EJ blocks are potentially impacted by the project, the statement indicating "impacts would not affect EJ communities in a disproportionately high and adverse manner" may not reflect local concerns.</p>	ES 9.19; ES-25
Trinity Watershed Management	<p>Section 4(f)/ Section 6(f): We are concerned about the finding of no Adverse Impacts to the Dallas Floodway Historic District, because the proposed mitigation would render the impacts to be found to be a de minimis impact. However, there is no discussion of what those impacts or mitigation measures might be. This text also indicates that the Texas Historic Commission must concur with the finding concerning the effects of the Build Alternatives on the Dallas Floodway Historic District. I would note that as the Operator of the Dallas Floodway, the City would also need to concur with these findings. We note that the Trinity River Greenbelt is located outside of the LOD, and therefore there were no associated Section 6(f) property conversion identified.</p>	ES 9.23; ES-30
Trinity Watershed Management	<p>FRA's Preferred Alternative: First sentence needs to be clarified: the USACE does not own the property in Dallas County; the City of Dallas owns the property for the Dallas Floodway and Dallas Floodway Extension; the USACE has worked as a partner with the City of Dallas to construct a federally-owned project along the Dallas Floodway and Floodway extension. A Section 408 authorization is required from the USACE for this part of the project because there are potential impacts to a Federal Project.</p>	ES 10; ES-30

Trinity Watershed Management	It should be noted that the Trinity Parkway is no longer a project that requires consideration for the High Speed Rail Project. The project was cancelled by the Dallas City Council in August 2017.	2.5.4 on 2-41
Trinity Watershed Management	The discussion on regulatory authority needs to include that under Clean Water Act Section 402, local responsibility and authority for compliance may be delegated through appropriate an TPDES Permit to a local Municipal Separate Storm Sewer System (MS4) operator such as the City of Dallas. Also construction sites that disturb less than an acre also need to be permitted if they are located within 1/4 mile of other construction work; this situation is called a common plan of development. The MS4 discussion is provided under a separate discussion, however, the local authority is delegated out of the Clean Water Act, and Texas Water Code	3.3.2 on 3.3-1 - 3.3-4

Trinity Watershed Management	<p>The text indicates that "because of the potential discharge of pollutants to surface water, a TPDES Permit, issued by the TCEQ would be required to comply with Clean Water Act Section 402". Because of the length of this project, and the multiple adjacent jurisdictions with separate MS4 Permit compliance responsibilities for inspecting TPDES TXR15000 Construction General Permitted projects under CWA Section 402, it is anticipated that the TCEQ may issue an Individual Permit, or depending on the project scheduling may permit the project as a phased project disturbance under the TPDES Construction General Permit. We suggest appropriate clarification from the state as to how they anticipate handling this project. Should it be under the TXR15000, it would be helpful to address how subsequent permit compliance would need to be coordinated among these jurisdictions. It would be helpful to address how that coordination for inspections, SWPPP reviews and compliance enforcement is anticipated to occur. This discussion should be clarified to reflect that copies of the permit coverage, Large Site Construction Notice and Notice of Intent, and SWPPP are to be provided to the local affected MS4(s) in addition to the TCEQ prior to initiating construction.</p>	3.3.5.1/3.3.6.1/3.3.6.2

Trinity Watershed Management	It would be helpful to get a summary of the estimated waste produced to compare with affected landfill capacity. The text in Section 3.5.3.2 references that this estimate was made, however, the bottom line number is not provided in the main text, or the executive summary. Table 3.5-3 provides a summary of existing landfill capacity, and an estimate of waste accepted in 2014 - however, this does not provide a meaningful understanding of waste-related impacts that one would get from a comparison of anticipated waste generated versus existing landfill capacity. Although there are estimates in Section Table 3.5.6, it would be helpful to compare waste generated with local capacity	3.5.3.2/3.5.4.2
Trinity Watershed Management	The text indicates that based upon a 4-year schedule, that the waste generated per year is less than 1 percent of the 2014 Average Annual waste disposal rate. The challenge to this assumption is that typically, the demolition is done all at once early in the project schedule, rather than spread out over the life of the project.	3.5.6 on 3.5-61
Trinity Watershed Management	Operational Impacts re: Hazardous Materials: I would note that the HSR maintenance facilities would likely be required to permit under the TPDES Multi-Sector General Permit (Industrial) and would need a Site-specific SWPPP and Spill Prevention Control and Counter Measure Plan.	3.5.5.2.2 on 3.5-62
Trinity Watershed Management	HM-MM#2 Hazardous Materials Management/HM-MM#3 Previously Unidentified Hazardous Materials Plan/HM-MM#4: Waste Management: We concur with these measures, but want to clarify that these documents should be appended to the Project SWPPP.	3.5.5.2 on 3.5-63
Trinity Watershed Management	The statements under the paragraph labelled Texas Administrative Code may not be correct, relative to no Texas Codes requiring protection of State-listed species. We have had to perform Aquatic Relocation Efforts under a State-approved Aquatic Relocation Plan, and certified biologists relative to State-listed species. Please clarify.	3.6.2 on 3.6-4

City of Dallas - Department	Comment	DEIS Section and/or Page #
Trinity Watershed Management	There are some concerns relative to the evaluation performed for the impacts to Natural Ecological Systems and Protected species. We have TSE lists from other programmatic EIS efforts on the LOD, and from the referenced TWDB database for Dallas County that show 15-35 potential affected species; none of which were included in the summary analyses for this project. While these species are detailed later in the section, they have been omitted in the overall analyses. The last sentence of the last paragraph on the page indicates "these results, based on the stated limitations of the TXNDD, do not mean that there is an absence of other endangered, threatened, or rare species and should not be used for presence/absence determinations." However, this is precisely what has been done.	3.6.3 on 3.6-5
Trinity Watershed Management	The information presented in this section concerning impacts to Federal and Texas' protected species, and habitat impacts has not been completely/accurately summarized in the Executive Summary.	3.6.4.4
Trinity Watershed Management	The statement at the end of this segment indicates that because Dallas, Ellis, Navarro and Limestone counties do not have potential habitat mapped within the study boundaries, the acreage of impacts to federally listed species is zero. This may or may not be true. It may be more accurate to indicate that it is not possible to quantify this ratio.	3.6.5.2.3 on 3.6-64

Trinity Watershed Management	Definition used for wetlands makes no reference to hydric soils, which are critical to the federal wetlands classification	3.7.3 on 3.7-5
Trinity Watershed Management	The headwaters of the Trinity River are located in North Texas, about three miles south of the Texas-Oklahoma border, rather than as defined in the DEI indicating that the basin starts "northwest of Dallas at the confluence of the Elm and West Forks of the Trinity River". This would be the start of the main Stem of the Trinity River. This mis-definition is used in several places in this document.	3.7.4.1.1/3.8.4.3.2

Presentation Overview

- Purpose
- Background/History
- Current Activities
- Path Forward
- Proposed Actions
- Next Steps

Purpose

- Overview of partnership with the U.S. Army Corps of Engineers (Corps) and City
- Status of current operations, planning and construction activities underway in the Dallas Floodway System
- Update on planned next steps

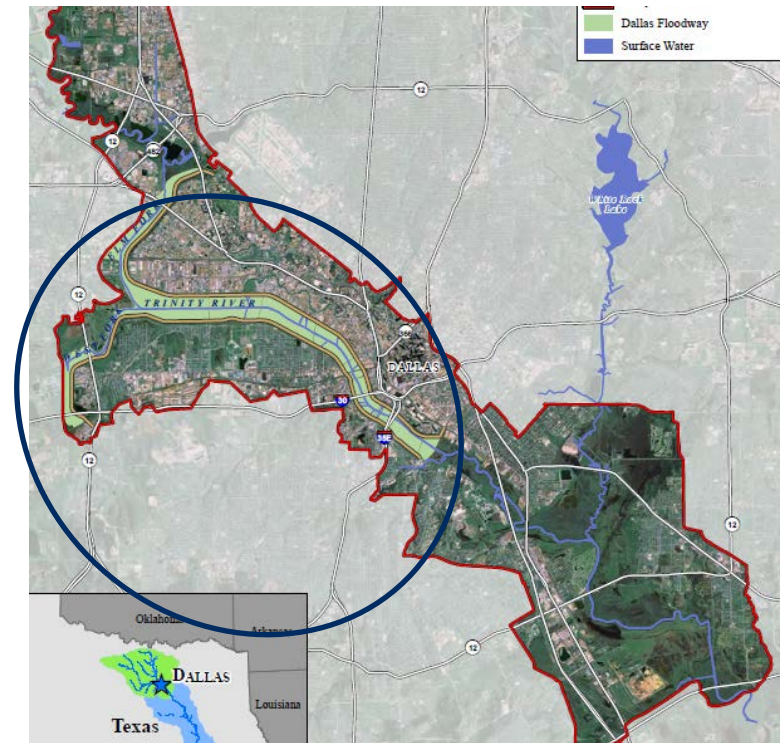

Background/History

- City owns the land associated with the Dallas Floodway System, including Dallas Floodway and Dallas Floodway Extension
- Corps regulates these lands to ensure the primary purpose of flood risk management is upheld
 - City is responsible for maintaining flood risk management features and certain ecological features in accordance with Corps' regulations
 - City is responsible for minor and major improvements to flood risk management features and certain ecological features

Dallas Floodway

Dallas Floodway
geographic boundary:

- West and Elm Forks through the confluence of the Trinity River to the ATSF bridge near the DART line at 8th Street/Riverfront

Background/History, continued

- Dallas Floodway levees established in 1920s
- Partnership with Corps began in 1945 with improvements to the system and official entry to federal program
- Transfer from Dallas County Flood Control District to the City occurred in 1968
- Dallas maintained the Dallas Floodway and began work on upgrades to the levees with the Corps in 1996

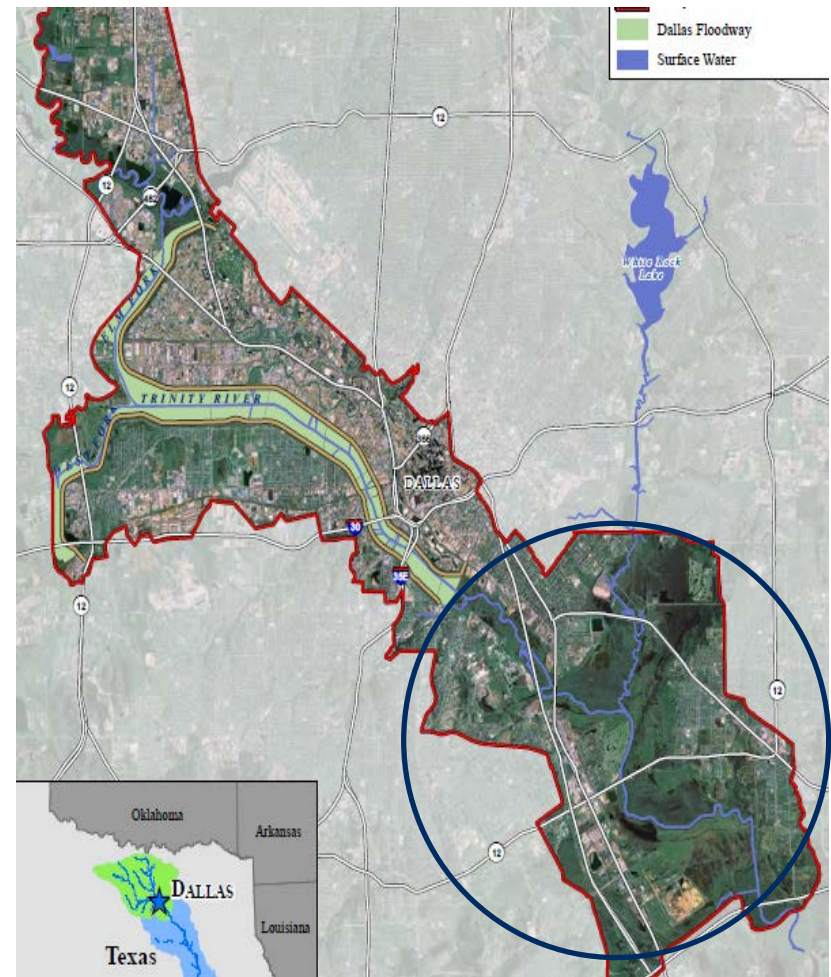

Background/History, continued

- Water Resources Development Act of 2007 established the current project known as the Dallas Floodway Project
- Final approvals and a record of decision (ROD) were issued in 2015, which allow for design and construction to begin
- 2015 decision outlines:
 - Federal cost share project (\$673M – 65% federal and 35% local)
 - Non-federal cost share project
 - Project implementation order
 - Project funded through workplan, no federal funding to date

Dallas Floodway Extension

Dallas Floodway Extension geographic boundary:

- ATSF bridge near the DART line at 8th to IH20/Dowdy Ferry

Background/History, continued

- Dallas Floodway Extension was authorized in 1965 as part of the partnership with the Corps
- Dallas maintained a floodway condition and began working with the Corps on the Dallas Floodway Extension study to provide additional flood protection in the early 1990s
- Major flooding in the late 1980s and early 1990s resulted in the City building the Rochester Levee and making major improvements to the Central Wastewater Treatment Levee ahead of the Corps' study completion
 - Water Resources Development Act of 1996 added these levees to the federal levee system and provides for credit/reimbursement to the City

Background/History, continued

Dallas Floodway Extension ROD, issued in 1999, defines:

- Federal cost share project (\$159M – 75% federal and 25% local)
- Project is under construction
- Costs have escalated to approximately \$459M in 2017 dollars
- Project funded through City and federal appropriations, approximately \$100M to date

Current Activities

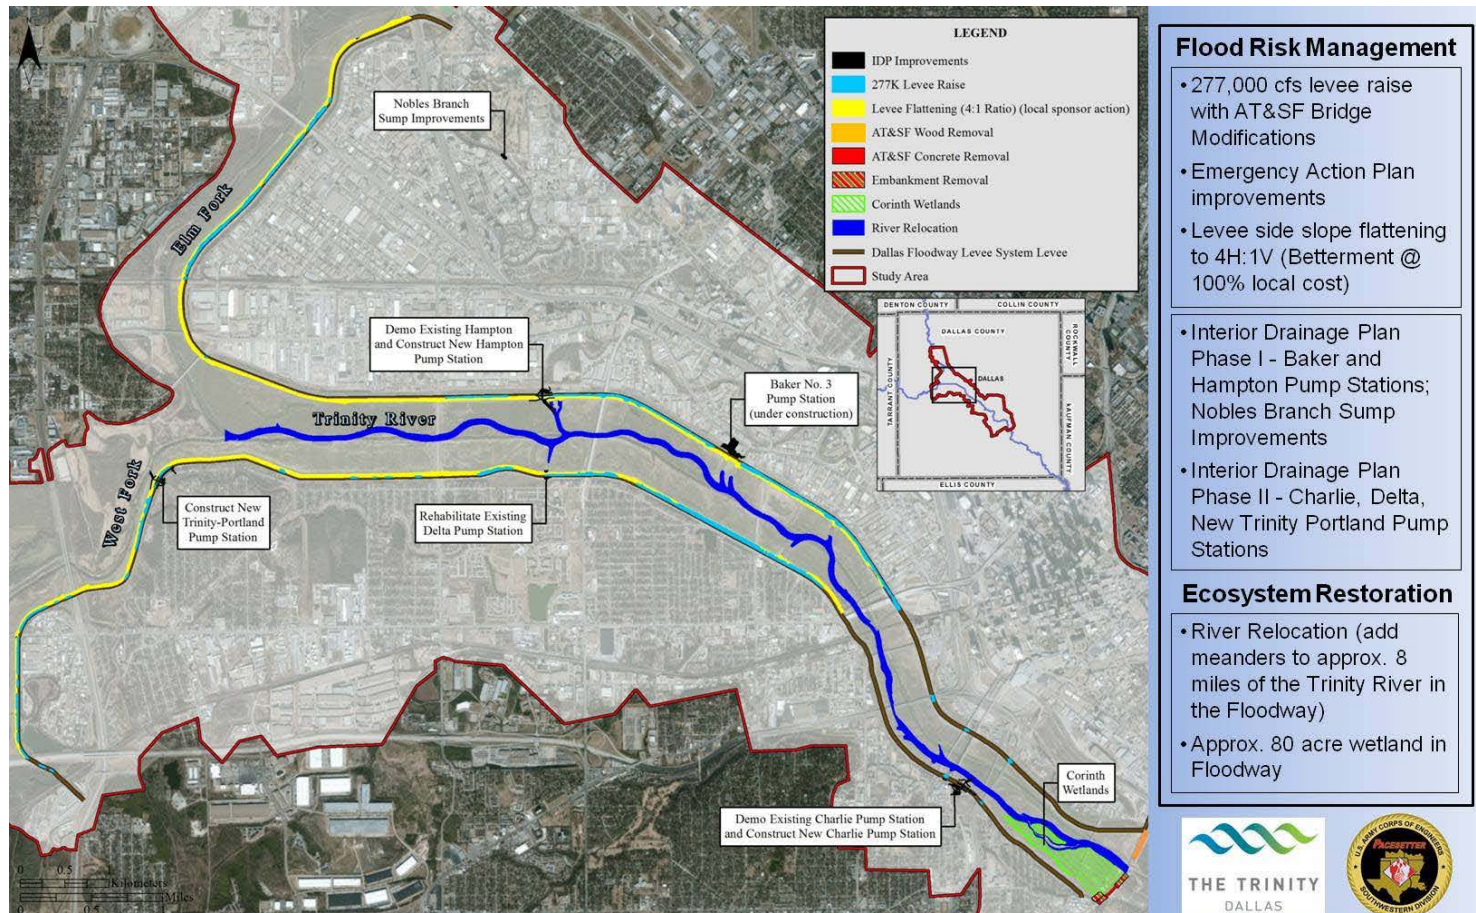

- Operations and maintenance of the system are ongoing (pump stations, sumps, levees, outfalls, pressure sewers, etc.)
- Corps and City are completing:
 - 2017 Annual Inspection Report, anticipated to be available in March/April 2018
 - Levee Safety Action Classification Report, anticipated in early Summer 2018
- City construction of Able Pump Station and Corps oversight ongoing
- Corps construction of Upper Chain of Wetlands and associated joint use maintenance trails ongoing

Path Forward

Dallas Floodway Project details for implementation by the City, Corps or other partners include:

- Flood Risk Management (FRM): Levee raises, removal of ATSF Bridge to ensure 277,000cfs flow of water
- Ecosystem Restoration (ER): River relocation, Corinth Wetlands
- Interior Drainage Plan (IDP)
 - Baker, Charlie, Delta, Hampton, Trinity Portland Pump Stations and Nobles Branch Sump
 - Can be advanced at any time
 - Recreation (REC): Approved as part of Corps' study but to be implemented by others, not part of cost share with Corps

Dallas Floodway Project – Federal Project

Dallas Floodway Project – Recreation

With its 2,300 acres, the Trinity Lakes area of the Balanced Vision Plan will augment, by more than 10 percent, the city's overall green space assets, more than doubling the miles of trails and outdoor venues. No other city green space will match the variety of activities or the richness in landscape—both urban and natural—of the Trinity Lakes area.

Although the existing Trinity River floodplain is already an altered landscape and will be further altered through the construction of the project, the design intent is to create or re-create, self-sustaining, viable and high ecologically functioning landscapes that reflect the native landscapes of the region.

The Trinity Lakes area is the portion of the Trinity River Corridor Project between the confluence and the B&M Bridge. The area is 2.5 times larger than New York's Central Park.

CITY OF DALLAS BALANCED VISION PLAN RENDERINGS – THE TRINITY RIVER CORRIDOR DESIGN GUIDELINES (200?)

Path Forward, continued

- To move forward with any construction in the Dallas Floodway, the City must complete the permitting process with the Corps
 - Permitting process includes all proposed improvements for the federal project and the recreation
 - Includes regional and federal permitting
 - Estimated to take six-eight months from application
- This path will allow coordination and evaluation with the Corps for development of future recreation projects with Trinity River Corridor LGC

Proposed Action

- Development agreements between the City and Corps are necessary to move the project forward
- Corps and City are pursuing an agreement that provides:
 - Flexibility for design and construction to be completed by City or Corps
 - Preserves the right to receive credit and/or reimbursement for eligible activities in the future
 - Minimizes time to implement project
- Current development agreement is known as an Advance Funding Agreement

Proposed Action, continued

- Use 1998 Bond Funding (approximately \$48.3M) for flood risk management activities to begin permitting, design and construction
- Completing the flood risk management activities will return the levees flood capacity to the original condition (277,000cfs) and ensure City regulatory compliance with the Corps
- Advancing flood risk management allows opportunity to advance other project elements

Next Steps

During the next four to eight months:

- Complete permitting and contract negotiations with Corps (March-November)
- Initiate flood risk management design in conjunction with the Corps (estimated September)
- Continue coordination activities with other partners on ecological and recreation features (ongoing)

Next Steps, continued

Contract actions:

- Depending on costs, consideration of contract to complete permitting associated with Dallas Floodway
- Consideration of contract documents between City and Corps
- Continue legislative activities to seek Dallas Floodway and Dallas Floodway Extension funding

MAPSCO: 63L

SUBJECT

Authorize **(1)** acceptance of the FY 2018 grant (Grant No. M1818 DLEX) from the Texas Department of Transportation (TxDOT) Aviation Division for the Routine Annual Maintenance Program at Dallas Executive Airport in an amount not to exceed \$50,000 or 50% of eligible project costs whichever is less; **(2)** a local cash match in the amount of \$50,000 for airport maintenance projects; **(3)** establishment of appropriations in an amount not to exceed \$50,000 in the TxDOT 2018 Routine Airport Maintenance-RAMP Project Fund; **(4)** receipt and deposit of funds in an amount not to exceed \$50,000 in the TxDOT 2018 Routine Airport Maintenance-RAMP Project Fund; and **(5)** execution of the grant agreement - Total not to exceed \$100,000 - Financing: Aviation Current Funds (\$50,000) (subject to appropriations) and Texas Department of Transportation Grant Funds (\$50,000)

BACKGROUND

The Routine Airport Maintenance Project (RAMP) is a State assisted airport maintenance program through a grant reimbursement that will enable the Department of Aviation to conduct needed repairs on the airport for annual maintenance. Some examples of the programs in the RAMP include Runway crack seal and Ramp area crack seal. The primary objective of the project is to:

- Conduct repairs as needed under the Routine Airport Maintenance Program under the guidelines of Texas Department of Transportation (TxDOT).

TxDOT will determine if the repairs are within the scope of eligible projects for the TxDOT Grant for Routine Airport Maintenance Program Funds and will participate in an amount equal to 50% of the eligible project costs with TxDOT's reimbursement not to exceed \$50,000.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On May 13, 2015, City Council authorized a grant reimbursement for the RAMP projects for fiscal year 2015, by Resolution No. 15-0834.

On May 25, 2016, City Council authorized a grant reimbursement for the RAMP projects for fiscal year 2016, by Resolution No. 16-0794.

On March 22, 2017, City Council authorized a grant reimbursement for the RAMP projects for fiscal year 2017, by Resolution No. 17-0474.

Information about this item will be provided to the Mobility Solutions, Infrastructure and Sustainability Committee on February 12, 2018.

Authorize consent to a transfer of control of 100 percent of the ownership interests of Hart Waste Removal, L.P., a solid waste franchisee, from JHart Enterprises, L.C., a Texas limited liability company, formerly known as Hart Brothers Waste Removal, L.P., its general partner, and Jeffrey L. Hart, Jerry K. Hart and Jack M. Hart, Jr., its limited partners (the “Hart Owners”) to Ash Creek GP, LLC and Zach Whitt, in accordance with the terms of the franchise ordinance, Chapter XIV of the City Charter and Chapter 18, Article IV, of the Dallas City Code - Financing: No cost consideration to the City

BACKGROUND

Hart Waste Removal, L.P., a Texas limited partnership, (“Hart Waste”) formerly known as Hart Brothers Waste Removal, L.P., holds a solid waste disposal franchise pursuant to Ordinance No. 26640, adopted by the City Council on March 28, 2007 (“the Ordinance”), for use of the city streets to operate a solid waste collection service, in accordance with the regulations of Chapter XIV of the City Charter and Chapter 18, Article IV, of the Dallas City Code.

On October 31, 2017, Hart Waste gave notice that its owner, JHart Enterprises, L.C., a Texas limited liability company, formerly known as Hart Brothers Waste Removal, L.P., its general partner, and Jeffrey L. Hart, Jerry K. Hart and Jack M. Hart, Jr. had entered into an interest purchase agreement with Ash Creek GP, LLC and Zach Whitt for the purchase of 100 percent of the ownership interests of Hart Waste with a closing date of November 16, 2017. Section 8 of the Ordinance requires that there shall be no transfer or acquisition of control of the franchisee without the prior written consent of the City Council.

BACKGROUND (continued)

Before the City Council shall give its consent, Ash Creek GP, LLC and Zach Whitt, the proposed transferee of the ownership interests, and Hart Waste Removal, L.P., the franchisee, shall provide the Director of the Department of Sanitation Services with certain materials:

1. A written agreement to comply with, and accept all terms of the Ordinance;
2. Evidence of insurance required by the Ordinance;
3. The legal name and address of the transferee, and all persons sharing control of the transferee, with a full description of their experience in the solid waste disposal industry, as well as the name and address of the person to be contacted for notice;
4. Payment of outstanding franchise fees and any other fees, taxes and payments, including fees, interest and penalties, due from franchisee to the City; and
5. Evidence satisfactory to the Director of the Department of Sanitation Services that the transferee has the legal, technical and financial ability to properly perform and discharge all obligations and liabilities of the Ordinance.

On November 17, 2017, the materials were provided, and the City is not waiving its right to audit the monthly and annual reports to determine that the amounts owed to the City have been correctly calculated and paid, therefore, the Director of the Department of Sanitation Services recommends that the City Council consent to the change of control of Hart Waste Removal, L.P.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On March 28, 2007, City Council granted a franchise to operate a solid waste collection service, pursuant to Chapter XIV of the City Charter, and Chapter 18, Article IV, of the Dallas City Code, to Hart Waste Removal, L.P. by Resolution No. 07-1000; Ordinance No. 26640. The franchise was accepted by the franchisee and became effective on March 28, 2007.

Information about this item will be provided to the Mobility Solutions, Infrastructure & Sustainability Committee on February 12, 2018.

WHEREAS, due to the representation by Hart Waste that economic circumstances prevented the delay of the transfer until City Council consent was obtained, the Director of the Department of Sanitation Services requests that the City Council approve the transfer of control with the understanding that the City Council’s granting of consent in this one instance shall not require it to grant consent in other instances.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 3. That the granting of this consent by the City Council does not authorize future transfers of control, acquisition, or assignment by Hart Waste Removal, L. P., or Ash Creek GP, LLC and Zach Whitt without first obtaining the prior consent of the City Council.

SECTION 4. That this contract is designated as Contract No. SAN-2018-00005007.

STRATEGIC PRIORITY: Mobility Solutions, Infrastructure, and Sustainability

AGENDA DATE: February 14, 2018

DEPARTMENT: Department of Sanitation Services

CMO: Jody Puckett, 670-3390

SUBJECT

Authorize ordinances granting five franchises for solid waste collection and hauling, pursuant to Chapter XIV, of the City Charter, and Chapter 18, Article IV, of the Dallas City Code (list attached) - Estimated Annual Revenue: \$16,032

BACKGROUND

Each solid waste hauler operating in Dallas must apply for and receive a franchise to operate a solid waste collection service in the city. For a company to be submitted to City Council for franchise consideration, Sanitation Services requires the company to meet certain preliminary minimum provisions before a franchise application will be considered. Preliminary provisions include providing proof of meeting minimum insurance requirements, confirmation that the company is registered to do business in the State of Texas, the company's intent to pick up and haul solid waste in the City of Dallas, a list of vehicles that are code compliant, payment of all city taxes (if applicable) and no past history by principals of the company operating a franchised hauling business as a principal that went out of business owing the City franchise fees or disposal fees. These businesses have met all of the preliminary requirements to be considered for a franchise ordinance.

These franchise ordinances, like the franchisees adopted since January 25, 2017, require the City to approve transfer of ownership or sale of assets in accordance with the City Charter, have tightened reporting and payment provisions for franchisees, require strict compliance with annual certificate of insurance renewal submissions, are for a franchise term of five years, and allow the City Council to amend the franchise, if needed, more easily and have a clearer acceptance process.

BACKGROUND (continued)

There are currently 229 approved franchise ordinances in Dallas. As part of the franchise agreement, franchisees shall pay a fee of not less than four percent of the gross receipts resulting from the operation of the solid waste collection service within the City.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On September 27, 2006, City Council authorized an amendment to Chapter 18 of the Dallas City Code to revise fees for private solid waste haulers and establish a franchise fee method for regulating solid waste haulers by Resolution No. 06-2638; Ordinance No. 26480.

On October 12, 2015, the Quality of Life & Environment Committee was provided information regarding changes to ordinances related to new solid waste collection service franchise agreements.

Information about this item will be provided to the Mobility Solutions, Infrastructure & Sustainability Committee on February 12, 2018.

franchisee non-exclusive permission and privilege solely for the purpose of operating and maintaining a solid waste collection service in, over, along and across the public ways in the authorized area. This grant is subject to the following additional conditions:

(a) Franchisee purpose. Franchisee accepts the grant set forth above and agrees to operate and maintain the solid waste collection service in the authorized area in accordance with the terms and provisions of this ordinance.

(b) Other services. By granting this ordinance, city is not authorizing any non-solid waste collection service to be provided and does not waive and specifically retains any right to regulate and receive compensation as allowed by law for services offered by franchisee which are not solid waste collection services. Franchisee shall immediately notify city if it provides any non-solid waste collection services within the authorized area.

(e) Emergencies. City may temporarily suspend the operation of the solid waste collection service of franchisee in the event of a public emergency or calamity as determined by city. In such event, neither city nor any agent, contractor, or employee of city shall be liable to franchisee or its customers or third parties for any damages caused them or the solid waste collection system. Where reasonably possible, prior notice shall be given to franchisee. In any event, notice of such action shall be given to franchisee after such action is taken.

(h) City's right of eminent domain reserved. Nothing in this ordinance shall limit any right city may have to acquire by eminent domain any property of franchisee.

(i) Taxes, fees and other assessments. Nothing in this ordinance shall be construed to limit the authority of city to impose a tax, fee, or other assessment of any kind on any person. Disputes between franchisee and other similar franchisees over use of public ways shall be submitted to the director for resolution; provided, however, that franchisee reserves its rights to submit such disputes directly to a court of competent jurisdiction.

SECTION 4. Service requirements.

(a) It is expressly understood and agreed that franchisee has the non-exclusive right, to the extent permitted by this ordinance, to collect and transport solid waste within the authorized area where the individuals or companies contract with franchisee for those services, excluding residential service (other than apartment complexes and motels). Notwithstanding the exclusion for residential service, city reserves the right during the term of this franchise ordinance to collect and transport solid waste and other materials from any source whatsoever, including but not limited to apartment complexes, motels, and any commercial venue without any amendment or modification of this franchise ordinance. Franchisee shall, at its own expense, furnish personnel and equipment to collect and transport, solid waste and shall establish and maintain the contracted solid waste collection service in an efficient and businesslike manner.

(b) All vehicles used by franchisee for the collection and transportation of solid waste shall display a decal issued by the director in or upon a conspicuous place on the vehicle, in accordance with the applicable requirements of the city code. Any spillage will be promptly recovered by franchisee. All vehicles and containers owned by franchisee shall be clearly marked with franchisee's name in letters not less than four inches in height. In addition, franchisee shall comply with the requirements for solid waste collection vehicles and containers contained in Sections 18-45 and 18-50 (b) of the Dallas City Code.

(d) Franchisee will comply with all rules, regulations, laws and ordinances pertaining to the disposal of solid waste as directed by the city or by other responsible governmental agencies having jurisdiction must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill, pursuant to Chapter 18 of the city code, as amended. Disposal of all solid waste collected by franchisee from premises within the authorized area must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill in accordance with the Dallas City Code.

SECTION 5. Indemnity and insurance.

(a) **INDEMNIFICATION OF CITY.** FRANCHISEE SHALL, AT ITS SOLE COST AND EXPENSE, DEFEND, INDEMNIFY, AND HOLD HARMLESS CITY AND ITS OFFICERS, BOARDS, COMMISSIONS, EMPLOYEES, AGENTS, ATTORNEYS, AND CONTRACTORS (HEREINAFTER REFERRED TO AS “INDEMNITEES”), FROM AND AGAINST:

(1) ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, COSTS, AND EXPENSES FOR PERSONAL INJURY (INCLUDING DEATH), PROPERTY DAMAGE, OR OTHER HARM FOR WHICH RECOVERY OF DAMAGES IS SOUGHT, SUFFERED BY ANY PERSON OR PERSONS, THAT MAY ARISE OUT OF OR BE OCCASIONED BY FRANCHISEE'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS FRANCHISE, OR BY ANY NEGLIGENT OR STRICTLY LIABLE ACT OR OMISSION OF FRANCHISEE, ITS OFFICERS, AGENTS, EMPLOYEES, CONTRACTORS, OR SUBCONTRACTORS, IN THE OPERATION OR MAINTENANCE OF THE SOLID WASTE COLLECTION SERVICE, OR IN THE DISPOSAL, HANDLING, OR TRANSFER OF ANY SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE; FRANCHISEE'S OBLIGATION TO DEFEND AND INDEMNIFY INDEMNITEES UNDER THIS SUBPARAGRAPH SHALL EXTEND TO CLAIMS, LOSSES, AND OTHER MATTERS COVERED UNDER THIS SUBPARAGRAPH THAT ARE CONTRIBUTED TO BY THE NEGLIGENCE OF ONE OR MORE INDEMNITEES, PROVIDED, HOWEVER, THAT INDEMNITY WILL BE REDUCED BY THE PROPORTIONATE AMOUNT THROUGH WHICH THE INDEMNITEE CONTRIBUTED TO THE LIABILITY, AS

PROVIDED UNDER TEXAS LAW, WITHOUT WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF EITHER FRANCHISEE OR CITY UNDER TEXAS LAW; THE ABOVE INDEMNIFICATION SHALL NOT, HOWEVER, APPLY TO ANY JUDGMENT OF LIABILITY RESULTING FROM THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF CITY; AND

(2) ANY AND ALL LIABILITY, OBLIGATION, DAMAGES, FINES, PENALTIES, CLAIMS, SUITS, JUDGMENTS, ACTIONS, LIENS, AND LOSSES, WHICH MAY BE IMPOSED UPON OR ASSERTED AGAINST THE INDEMNITEES BECAUSE OF ANY VIOLATION OF ANY STATE OR FEDERAL LAW OR REGULATION GOVERNING THE SOLID WASTE COLLECTION SERVICE OR RELATED TO THE COLLECTION, DISPOSAL, TRANSFER, OR HANDLING BY FRANCHISEE, ITS OFFICERS, EMPLOYEES, AGENTS, OR SUBCONTRACTORS, OF SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE REGARDLESS OF WHETHER OR NOT THE NEGLIGENCE, FAULT, OR OTHER WRONGFUL CONDUCT OF THE INDEMNITEES CONTRIBUTED TO ANY VIOLATION; AND FRANCHISEE SHALL PAY ALL JUDGMENTS, WITH COSTS, ATTORNEY'S FEES, AND EXPENSES AWARDED IN SUCH JUDGMENT WHICH MAY BE OBTAINED AGAINST CITY RELATED TO ANY SUCH CLAIM. UPON THE WRITTEN REQUEST OF CITY, FRANCHISEE SHALL IMMEDIATELY, AT ITS SOLE COST AND EXPENSE, CAUSE ANY LIEN COVERING CITY'S PROPERTY AS DESCRIBED IN THIS SUBPARAGRAPH TO BE DISCHARGED OR BONDED.

(3) THIS SUBSECTION SHALL NOT BE CONSTRUED TO WAIVE ANY GOVERNMENTAL IMMUNITY FROM SUIT OR LIABILITY AVAILABLE TO CITY UNDER TEXAS OR FEDERAL LAW. THE PROVISIONS OF THIS SUBSECTION ARE SOLELY FOR THE BENEFIT OF CITY AND FRANCHISEE AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

(b) Franchisee's assumption of risk. Franchisee undertakes and assumes for its officers, employees, agents, contractors, and subcontractors (collectively "Franchisee" for the purpose of this subsection), all risk of dangerous conditions, if any, on or about any city-owned or controlled property, including the public ways, **AND FRANCHISEE HEREBY AGREES TO INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST AND FROM ANY CLAIM ASSERTED OR LIABILITY IMPOSED UPON THE INDEMNITEES FOR PERSONAL INJURY OR PROPERTY DAMAGE TO ANY PERSON (OTHER THAN FROM AN INDEMNITEE'S NEGLIGENCE OR WILLFUL MISCONDUCT) ARISING OUT OF FRANCHISEE'S OPERATION, MAINTENANCE, OR CONDITION OF THE SOLID WASTE COLLECTION SERVICE OR FRANCHISEE'S FAILURE TO COMPLY WITH ANY FEDERAL, STATE OR LOCAL STATUTE, ORDINANCE OR REGULATION.**

(c) Defense of city. In the event any action or proceeding shall be brought against the indemnitees by reason of any matter for which the indemnitees are indemnified hereunder, franchisee shall, upon notice from any of the indemnitees, at franchisee's sole cost and expense, (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses, and consultants, and the associated costs of document production), resist and defend the same with

legal counsel selected by franchisee and consented to by city, such consent not to be unreasonably withheld; provided, however, that franchisee shall not admit liability in any such matter on behalf of the indemnitees without city's written consent and provided further that the indemnitees shall not admit liability for, nor enter into any compromise or settlement of, any claim for which they are indemnified hereunder, without the prior written consent of franchisee and execution of any settlement agreement on behalf of the city by the city attorney, and further provided that for the search, review, and production of documents, the city attorney may elect to handle some or all of the process in-house at the expense of the franchisee.

(d) Expenses. The indemnitees shall give franchisee prompt notice of the making of any claim or the commencement of any action, suit or other proceeding covered by the provisions of this Section 5. Nothing herein shall be deemed to prevent the indemnitees from participating in the defense of any litigation by their own counsel at their own expense. Franchisee shall pay all expenses incurred by the indemnitees in participating in the defense, provided that the participation has been requested or required by franchisee in conducting the defense. These expenses may include out-of-pocket expenses reasonably and necessarily incurred, such as attorney fees and the reasonable value of any services rendered by city's counsel and the actual expenses of the indemnitees' agents, employees or expert witnesses, and disbursements and liabilities assumed by the indemnitees in connection with such suits, actions or proceedings but shall not include attorney's fees for services that are unnecessarily duplicative of services provided the Indemnitees by franchisee.

(e) Insurance required. Not later than the effective date of this ordinance, franchisee shall procure, pay for, and maintain insurance coverage in at least the minimum amounts and coverages described in Exhibit A, attached to and made a part of this ordinance. The insurance

shall be written by companies approved by the State of Texas and acceptable to city. The insurance shall be evidenced by the delivery to city of policies of insurance, including all endorsements executed by the insurer or its authorized agent stating coverages, limits, exclusions, deductibles, and expiration dates, which demonstrate compliance with all applicable provisions of the insurance laws and rules in the State of Texas. **THIS ORDINANCE SHALL NOT TAKE EFFECT UNTIL THE INSURANCE POLICY HAS BEEN DELIVERED TO CITY AND NO OFFICER OR EMPLOYEE SHALL HAVE AUTHORITY TO WAIVE THIS REQUIREMENT.** If satisfactory evidence of the required insurance is not submitted within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect.

(f) Changes in insurance coverage. Franchisee shall provide the city with true and complete copies of all changes to insurance policies, including any cancellation, coverage change, or termination notice, or any replacement insurance, before these changes become effective. Certificates of insurance reflecting the annual renewal, replacement insurance or coverage changes must be submitted when such policies become effective to provide evidence of continuing insurance coverage. Although certificates are routinely accepted as substitutes for copies of insurance policies, the city shall have the right to access and copy any such policy of insurance. The director may prevent franchisee from operating a solid waste collection service under this franchise until satisfactory evidence of insurance coverage required under this section is presented to the director.

(g) Adjustments to insurance requirements. City reserves the right to review the insurance requirements stated in Exhibit A during the effective period of this ordinance and to recommend to the council reasonable adjustments in the insurance requirements contained in the

city code prior to the anniversary renewal of the insurance when deemed necessary and prudent by city's Office of Risk Management. Any adjustments shall be mutually agreeable to city and franchisee, and based upon changes in statutory law, court decisions, or the claims history of the industry as well as franchisee. When any insurance coverage limit changes are agreed, franchisee shall pay any resulting increase in cost due to the changes.

(h) Liability of franchisee. Approval, disapproval, or failure to act by city regarding any insurance supplied or not supplied by franchisee shall not relieve franchisee of full responsibility or liability for damages and accidents as set forth in this ordinance. The bankruptcy, insolvency, or denial of liability by any insurer of franchisee shall not exonerate franchisee from the liability obligations of franchisee provided for under this ordinance.

SECTION 6. Fees, payments and compensation.

(a) Compensation required. Because the special use of the public ways by franchisee and the special business purpose for which the public ways are being used requires rental compensation for the rights and privileges granted under this ordinance, franchisee shall pay city throughout the term of this ordinance a fee in an amount equal to four percent of franchisee's gross receipts, calculated monthly and payable based on the gross receipts realized during the calendar month immediately preceding the calendar month in which the payment is due (hereinafter called the "franchise fee").

(b) Payment procedures. Franchisee shall pay the franchise fee to city each month during the term of this ordinance. The monthly payment required by this ordinance shall be due and payable by certified check, electronic funds transfer, or other means that provide immediately available funds on the day the payment is due not later than 3:00 p.m. of the thirtieth (30th) calendar day following the end of each calendar month. If the thirtieth (30th)

calendar day following the end of a calendar month falls on a Saturday, Sunday, or official city holiday, then the payment is due on the business day prior to the due date, and in the month of February, the payment is due on February 28th. Subject to applicable law, the compensation set forth in this Section 6 shall be exclusive of and in addition to all special assessments and taxes of whatever nature, including, but not limited to, ad valorem taxes. In the event any monthly payment or partial payment is received by the city later than 10 days after the due date, franchisee shall pay interest on the past due amount at the rate prescribed in Section 2-1.1 of the Dallas City Code. Payment shall be accompanied by a monthly report certified by an officer of franchisee showing the total gross receipts of the preceding calendar month. The monthly report shall also include a detailed breakdown of gross receipts and the computation of the payment amount.

(c) Annual report. Franchisee shall file with city by February 1 of each calendar year an annual report showing the total gross receipts of the preceding calendar year along with the information required under Section 18-41 of the Dallas City Code. Such annual report shall include a detailed breakdown of gross receipts and the computation of the payment amount.

(d) City audit. City may audit franchisee (or any affiliate of franchisee who has information directly pertaining to gross receipts) as often as is reasonably necessary to verify the accuracy of the franchise fees paid to city. All books, records, accounts, or other documents in paper or electronic form, necessary for the audit shall be made available by franchisee at a single location in the Dallas-Fort Worth metropolitan area. Any net undisputed amount due to city, plus interest at the rate prescribed in Section 2-1.1 of the Dallas City Code, c, calculated from the date each portion of the underpayment was originally due until the date franchisee remits the underpayment to the city, shall be paid by franchisee within 45 days after city's submitting an

invoice for the underpayment to franchisee with reasonable detail supporting the amount claimed. If the amount of the underpayment exceeds five percent of the total franchise fee owed for the audit period, franchisee shall pay city's audit costs as well. City's right to audit and franchisee's obligation to retain records related to the franchise fee shall be limited to the previous two calendar years preceding the date that written notice of intent to audit is served.

SECTION 7. Term; performance evaluation.

(a) Term and extensions. The term of this ordinance shall be five (5) years from the effective date of this ordinance.

(b) Franchisee rights upon termination. Subject to applicable law, this ordinance and all rights, permissions, and privileges of franchisee under this ordinance shall automatically terminate on the expiration of the term of this ordinance, unless extended by mutual agreement, court order, or applicable law.

(c) Performance evaluation. In order to: (i) assure that franchisee is complying with the terms of this ordinance, as it may be from time to time amended, and (ii) promote a sharing of information between city and franchisee, city may schedule a performance evaluation no more often than every five years during the term of this ordinance, subject to Subsection (d) of this section, in accordance with the following process:

(1) At least 90 days prior to each performance evaluation, city shall notify franchisee of the date, time and location of the evaluation. Such notice shall include specification of any additional information to be provided by franchisee pursuant to Subsection (c)(2)(D) below. Unless specifically waived by the council, attendance of franchisee's duly authorized representative at these meetings is mandatory.

(2) Within 60 days from receipt of notification, franchisee shall file a report with city that is sworn to by a representative of franchisee knowledgeable of the operations of franchisee within the authorized area, in reasonable detail, specifically addressing, at a minimum, the following areas:

(A) compliance of franchisee's vehicles with solid waste and air quality requirements;

(B) customer service, including but not limited to a listing of customer complaints and their resolution;

(C) history in regard to prompt and accurate payment of franchise fees;

(D) any other topic deemed material or relevant by city for its enforcement of this ordinance.

(3) All reports to be prepared under this subsection and submitted by franchisee shall be based upon information for at least the most recent five-year period, inclusive of the most current quarter available. No report under this subsection shall be based upon data that ends more than six months before the time of the performance evaluation.

(4) Following receipt of the report, but not less than 30 days prior to the performance evaluation, city may request additional information, clarification or detailed documentation concerning those topics identified for inclusion in the performance evaluation. Franchisee shall make reasonable effort to provide such additional information to city prior to the meeting. In the event that the information cannot be made available prior to the performance evaluation, franchisee shall notify city in writing explaining the reasons for any delay. The city may authorize a delay of the performance evaluation for a reasonable time to allow franchisee to submit the additional documentation.

(5) The council shall hear any interested persons during such performance evaluation. Franchisee shall be entitled to all the rights of due process consistent with city proceedings, including but not limited to, the right to be heard, the right to present evidence, and the right to ask questions of witnesses.

(6) Upon request of city, franchisee shall assist city in notifying customers of the evaluation session. The actual costs associated with the notification, in an amount not to exceed \$1,000.00, shall be borne by franchisee.

(d) Additional performance evaluations. Notwithstanding Subsection (c), the council may initiate and conduct such additional performance evaluations regarding franchisee's performance under this ordinance as the council, in its sole discretion, may deem justified or necessary under the circumstances. Franchisee shall be given reasonable notice of the date, time, and location of any such additional performance evaluations.

SECTION 8. Transfers of ownership and control.

(a) Franchisee ownership, management and operation.

(1) Only franchisee and its affiliates, if any, shall operate, manage, and maintain the solid waste collection service. As provided in Chapter XIV, Section 2(5) of the Dallas City Charter, no franchise, nor the assets held by the franchise holder, may be sold, assigned, transferred, or conveyed to any other person, firm, corporation, or other business entity without the consent of the city first had and obtained by ordinance or resolution, unless otherwise specifically provided in this franchise ordinance. If the purchaser is the holder of a like franchise, the franchise purchased shall be canceled and merged into the franchise held by the purchaser upon terms and conditions as may be set out by the city council when permission for merger is granted. Franchisee shall not directly or indirectly transfer or assign, in whole or in part, the

operation, management, ownership, or maintenance of the solid waste collection service without the prior written consent of the council as provided in Subsections 8(b) and 8(c) below.

(2) This section shall not apply to franchisee's employment contracts and other personnel decisions, nor shall it prohibit franchisee from contracting for or subcontracting, in whole or in part, any operational, management or maintenance functions in connection with the solid waste collection service, so long as franchisee does not relinquish its decision making authority over, or its responsibilities under, this ordinance for any particular function; nor shall it prohibit franchisee from complying with this ordinance or other requirements of federal, state, or local laws and regulations.

(3) Franchisee shall provide the director written notice, within five calendar days after its occurrence, of any change in the corporate or business structure, change in the chief executive or the top executive structure, change in the board of directors, or other change in the corporate or business method of governance of franchisee, regardless of whether or not it results in a transfer or assignment of the franchise or a transfer of control or ownership of franchisee.

(b) Transfer and assignment procedures. This ordinance or the solid waste collection service shall not be transferred or assigned, by operation of law or otherwise, nor shall title to franchisee's rights and obligations under this ordinance or to the solid waste collection service pass to or vest in any person, other than for mortgaging or financing of solid waste collection operations or to an affiliate of franchisee under the conditions described below, without the prior written consent of the council. This ordinance shall not be leased or subleased without the prior written consent of the council. The procedures related to transfer or assignment are as follows:

(1) The council's written consent shall not be required for a transfer solely for security purposes (such as the grant of a mortgage or security interest), but shall be required for

any realization on the security by the recipient, such as a foreclosure on a mortgage or security interest. The director shall be advised in writing of a transfer solely for security purposes at least 60 days before such transfer occurs.

(2) Franchisee may, without additional approval by the council, transfer or assign this ordinance to an affiliate provided that the affiliate: (i) assumes all of franchisee's obligations and liabilities under this ordinance occurring both before and after the transfer or assignment; (ii) agrees to comply with all provisions of this ordinance; and (iii) has the legal, technical and financial ability to properly perform and discharge such obligations and liabilities, which abilities are each at least as great as those of franchisee. The director shall be advised in writing of such transfer and of the affiliate's qualifications at least 60 days before such transfer occurs. The city shall be reimbursed any reasonable, documented costs it incurs in connection with such transfer, including the expenses of any investigation or litigation respecting a proposed or consummated transfer, up to a maximum of \$10,000.00.

(c) Transfer of control. There shall be no transfer of or acquisition of control of franchisee without the prior written consent of the council.

(d) Schedule of ownership. Franchisee represents and warrants that its current ownership is as set forth on Exhibit C, attached to and made a part of this ordinance, and that it has full legal and equitable title to the solid waste collection service as of the effective date of this ordinance.

(e) Applications for consent/procedure/restrictions. If franchisee seeks to obtain the consent of the council to any transactions or matters described in this section, franchisee shall submit an application for such consent to the city and shall submit or cause to be submitted to the city such additional documents and information as the director may request that are reasonably

related to the transaction, including the purchase price of the solid waste collection service, and the legal, financial, and technical qualifications of the proposed transferee or new controlling entity.

(1) The council shall have 120 days from the date of submission of a complete and accurate application to act upon the application for consent. If the council fails to act upon such application for consent within 120 days, such application shall be deemed as consented to unless city and franchisee otherwise agree to an extension of time.

(2) The council shall not unreasonably withhold its consent to any proposed transaction. The council may: (i) grant its consent outright, (ii) grant such consent with conditions, which conditions it finds are necessary to ensure performance of franchisee or its successor under this Ordinance, or (iii) deny consent.

(3) Nothing in any approval by the city under this section shall be construed to waive or release any rights of city in and to the public ways, public places of city or property owned by city.

(4) Nothing in any approval by city under this section shall be construed as a waiver or release of any of city's police powers, or as an exercise of eminent domain.

(5) City's granting of consent in any one instance shall not require it to grant consent in other instances.

(6) Franchisee shall reimburse city for the incidental costs incurred by city in considering any request of franchisee under this section. Such reimbursement shall not exceed \$10,000.00, shall be supported by invoices, and shall not include any costs or expenses incurred by city in defending any denial of the request; provided, however, that city does not waive its

right to request that its attorney's fees and other costs be reimbursed by court order in any litigation related to denial of a request under this section.

(f) City approval requirements. Before any transfer, assignment, sale, foreclosure, or other change of control described under this section becomes effective and before the council shall consider giving its consent, the proposed transferee, assignee, purchaser, buyer, foreclosing party, or other person or entity seeking to obtain the rights and obligations under this ordinance through a change of control shall provide the director: (i) an agreement and acceptance in writing to comply with all terms of this ordinance, as amended; (ii) all evidence of insurance required under this ordinance, as amended; (iii) the legal name and address of the transferee, and all persons sharing control of the transferee, with a full description of their experience in the solid waste disposal industry, as well as the name and address of the person to be contacted for notices; (iv) payment of outstanding franchise fees and any other fees, taxes, and payments, including fees, interest, and penalties, due from franchisee to the city; and (v) evidence satisfactory to the director that transferee has the legal, technical, and financial ability to properly perform and discharge all obligations and liabilities of this ordinance.

(g) Transfer of control requirements. In the event of a transfer of control, before such transfer becomes effective and before the council shall consider giving its consent, the proposed transferee shall agree in writing to not take any action that will keep franchisee from complying with this ordinance.

SECTION 9. Defaults.

(a) Events of default. The occurrence of any one or more of the following events at any time during the term of this ordinance shall constitute an event of default by franchisee under this ordinance:

(1) The failure or refusal by franchisee to pay the franchise fee when due as prescribed by this ordinance, or any failure to perform on any agreed or court-mandated extension or modification of such payment obligation.

(2) Franchisee's material violation of or failure to comply with any provision or condition of Article IV of Chapter 18 of the Dallas City Code relating to solid waste collection service franchisees or any other applicable provision or condition of the city code.

(3) Franchisee's material violation of or failure to comply with any of the other terms, covenants, representations, or warranties contained in this ordinance, or franchisee's failure or refusal to perform any obligation contained in this ordinance.

(4) Franchisee's failure or refusal to pay or cause to be paid any of city's governmentally-imposed taxes of any kind whatsoever, including but not limited to real estate taxes, sales taxes, and personal property taxes on or before the due date for same; provided, however, franchisee shall not be in default under this subsection with respect to the non-payment of taxes which are being disputed in good faith in accordance with applicable law.

(5) The entry of any judgment against franchisee in which another party becomes entitled to possession of substantially all of franchisee's assets of the solid waste collection service, for which change in possession the consent of the council has not been obtained, and such judgment is not stayed pending rehearing or appeal for 45 or more days following entry of the judgment.

(6) The dissolution or termination, as a matter of law, of franchisee without the prior consent or approval of city, which approval, if formally requested, shall not unreasonably be withheld.

(7) Franchisee's filing of a voluntary petition in bankruptcy; being adjudicated insolvent; obtaining an order for relief under Section 301 of the Bankruptcy Code (11 U.S.C. §301); filing any petition or failing to contest any petition filed against it seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any laws relating to bankruptcy, insolvency or other relief for debtors; seeking or consenting to or acquiescing in the appointment of any bankruptcy trustee, receiver, master, custodian or liquidator of franchisee, or any of franchisee's property or this ordinance or of any and all of the revenues, issues, earnings, profits or income thereof; making an assignment for the benefit of creditors (except secured creditors); or failing to pay franchisee's debts as they become due such that franchisee is unable to meet its obligations under this ordinance.

(8) Franchisee attempts to dispose of any of the facilities or property of its solid waste collection service with the intent of preventing city from purchasing it as provided for in this ordinance.

(9) Franchisee engages in any fraudulent or deceitful conduct with city or its customers.

(10) Franchisee knowingly or intentionally makes a false statement or a misrepresentation as to a material matter in the application for or in the negotiation of this ordinance, or in connection with any report of gross income as required by this ordinance.

(11) Any director, officer, employee, or agent of franchisee is convicted of the offense of bribery or fraud connected with or resulting from the granting, term extension, or renewal of this ordinance.

(12) Franchisee's failure or refusal to comply with or a violation of any applicable local, state, or federal law or regulation.

(b) Default procedures. Upon the occurrence of an event of default which can be cured by the immediate payment of money to city or a third party, franchisee shall have 30 days from written notice of the occurrence of the event of default from the director to cure the default before city may exercise any of the default remedies provided for in Section 10. Upon the occurrence of an event of default by franchisee which cannot be cured by the immediate payment of money to city or a third party, franchisee shall have 60 days from the date of written notice from city to franchisee of the occurrence of the event of default to cure the event of default before city may exercise any of its rights or remedies provided for in Section 10, unless the director, the city manager, or the council authorizes a longer cure period upon a showing of good cause to extend the cure period. If an event of default is not cured within the time period allowed for curing the event of default, as provided above, the event of default becomes, without additional notice, an uncured event of default, which shall entitle city to exercise the remedies provided for in Section 10.

SECTION 10. Remedies.

(a) Default remedies. Upon the occurrence of any uncured event of default as described in Section 9, the director shall report the occurrence of same to the city manager and the council. The council shall be entitled in its sole discretion and upon recommendation of the director and the city manager to exercise any or all of the following cumulative remedies:

- (1) Exercise its rights to impose liquidated damages as described in Subsection (e).
- (2) Authorize the city attorney to commence an action against franchisee at law or in equity, or both, including an action for monetary damages and specific performance.
- (3) Suspend the franchise granted under this ordinance.
- (4) Revoke the franchise granted under this ordinance.

(b) Suspension procedure. Upon the occurrence of an uncured event of default, the director may suspend the operation of the solid waste collection service doing business under this ordinance. If the director determines that suspension of the franchise is necessary to cure an event of default, the director shall comply with the procedures established in Section 18-37 of the Dallas City Code.

(c) Revocation procedure. Upon the occurrence of an uncured event of default, the council shall have the right to revoke this ordinance. Upon revocation, the rights, permissions, and privileges comprising the franchise granted under this ordinance shall be automatically deemed null and void and shall have no further force or effect and the provisions that are contractual in nature which are also included as a part of this ordinance are hereby automatically terminated, except that franchisee shall retain the obligation to report gross income and make franchisee fee payments covering the period prior to the effective date of the revocation. Upon revocation, city shall retain any portion of the franchise fee and other fees or payments paid to it, or which are due and payable to it, to the date of the revocation. Notwithstanding the above, prior to any council hearing to formally consider revocation of the franchise granted under this ordinance, the director shall notify franchisee in writing at least 10 days in advance of the council hearing at which the issue of revocation shall be considered and decided. Franchisee shall have the right to appear before the council in person or by legal counsel and raise any objections or defenses franchisee may have that are relevant to the proposed revocation. In addition, the following procedures shall apply in regard to the revocation hearing:

(1) The council shall hear and consider the issue of revocation, shall hear any person interested in the issue, and shall determine, in its sole discretion, whether or not any violation by franchisee has occurred justifying a revocation of the franchise.

(2) At such hearing, franchisee shall be provided due process, including the right to be heard, to ask questions of witnesses, and to present evidence.

(3) Upon completion of the hearing described above, the council shall render a decision. Within a reasonable time, the director shall transmit a copy of the decision to franchisee. Franchisee shall be bound by the council's decision, unless it appeals the decision to a court of competent jurisdiction within 15 days after the date of the decision. Franchisee reserves the right to challenge both the decision itself and the fairness of the process followed by the city in the proceeding.

(4) The council reserves the right, in its sole discretion, to impose liquidated damages or to pursue other remedies as provided in this Section 10 in lieu of a revocation.

(d) Letter of credit. As security for the faithful performance by franchisee of the provisions of this ordinance and compliance with all orders, permits, and directions of city and the payment of all claims, liens, fees, liquidated damages, and taxes to city, franchisee shall deposit with city, no later than the effective date of this ordinance, an unconditional and irrevocable letter of credit in a penal amount equal to one month's franchise fee payment. The initial value of the letter of credit shall be established on the basis of the monthly franchise fee that would have been paid on the previous calendar year's monthly average gross receipts on a cash basis from any source derived at any location regardless of whether those receipts were earned entirely within the authorized area. The letter of credit shall be updated annually in January of each calendar year during the term of this ordinance. The value of the annually updated letter of credit will be equal to the average monthly franchise fee payment submitted by franchisee as required in this ordinance during the previous calendar year. The letter of credit must be issued by a federally-chartered or state-chartered financial institution with a principal

office or branch located in Dallas County and otherwise acceptable to the council, on terms acceptable to the council and approved by the city attorney. The letter of credit shall expressly provide that partial draws are permitted and that a draft thereon to the order of the city will be honored upon presentation to the issuing financial institution at a principal office or branch located within Dallas County of a letter of demand from city delivered in person or by courier delivery. The letter of demand must be signed by a person purporting to be the city's chief financial officer, city manager, or director. No supporting documents will be required and no other language, other than a demand to pay and a recitation of title, will be required as conditions for permitting the draw. Failure to timely deposit the letter of credit, or the failure to maintain the letter(s) of credit in the full amount required under this subsection and in effect during the entire term of this ordinance, or any renewal or extension of this ordinance, shall constitute a material breach of the terms of this ordinance.

(1) If franchisee fails to make timely payment to city or its designee of any amount due as a result of this ordinance or fails to make timely payment to city of any taxes due; or fails to repay city for damages and costs, including attorney's fees; or fails to comply with any provision of this ordinance which city reasonably determines can be remedied by an expenditure of monies, city may draw upon the letter of credit an amount sufficient to repay city with interest as set forth in this ordinance, if not otherwise specified by law.

(2) Within three days after a drawing upon the letter of credit, city shall send written notification of the amount, date, and purpose of the drawing to franchisee by certified mail, return receipt requested.

(3) If, at the time of a draw by city, the aggregate amount realized from the letter of credit is insufficient to provide the total payment toward which the draw is directed, the

balance of such payment, plus accrued interest, shall constitute an obligation of franchisee to city until paid. If the interest rate is not set forth in this ordinance or set by laws, then interest shall be the prime rate as established in the Wall Street Journal on the day before city sends notice to franchisee of its intent to draw the letter of credit.

(4) No later than 30 days after mailing of notification to franchisee of a draw pursuant to Subsection (d)(2) above, franchisee shall cause the letter of credit to be restored to the full amount required under this ordinance. Failure to timely restore the letter of credit shall constitute a material breach of the terms of this ordinance.

(5) The rights reserved to city with respect to this letter of credit are in addition to all other rights and remedies of city, whether reserved by this ordinance or authorized by law, and no action, proceeding or exercise of a right with respect to such letter of credit shall affect any other rights city may have.

(e) Liquidated damages. The parties agree that: (1) the harm or damage caused by any material breach of this franchise, other than the failure to pay franchise fees, is of a kind that is difficult or incapable of estimation; and (2) the amount of liquidated damages stipulated in the ordinance is a reasonable forecast of just compensation. Therefore, in addition to the other remedies provided for in this Section 10, liquidated damages in the amounts set forth below may be assessed by the council upon franchisee, following the notice and opportunity to cure procedures in Subsection (f) below, for failure or refusal to comply with any material term or condition of this ordinance or for any other uncured event of default. In the event the council determines that franchisee has committed, continued, or permitted a material failure or refusal of compliance or other uncured event of default that has not been cured as provided in this ordinance, franchisee shall pay \$2,000 per day for each day or part of a day that the material

failure or refusal or other uncured event of default is committed, continued, or permitted, unless the council at the time of imposition of the civil penalty determines that good cause justifies a lesser penalty, based upon the surrounding circumstances, frequency, number, and seriousness of the material violations or uncured events of default in question and the public interest served by imposing a lesser civil penalty.

(f) Liquidated damages procedure. Liquidated damages may be assessed by the council in accordance with the following procedure:

(1) Following notice from the director, which notice, at the director's election, may be combined with the notice described in Section (9)(b), franchisee shall meet with the director to attempt to resolve any disagreements on whether liquidated damages should be assessed or what liquidated damages should be recommended to the council. If there is no resolution of the issue within 15 days after the mailing of the notice, then the director shall present the director's recommendation regarding liquidated damages to the city manager for review and concurrence. If the city manager concurs in the director's recommendation that liquidated damages should be assessed, the matter shall be presented to the council. The director shall notify franchisee of the recommendation of the city manager to the council, the time and date of the proposed hearing concerning the issue of liquidated damages, and a statement that franchisee has a right to appear and be heard before the council on the matter. In order to appear before and be heard by the council, franchisee must comply with applicable council procedures which can be obtained from the city secretary.

(2) Upon presentation of the recommendations of the director and the city manager, the council may decide on one or more of the following courses of action:

(A) to authorize the city attorney to proceed against franchisee under Section 10(a)(2);

(B) to assess liquidated damages in the amount provided above for the applicable material violation or uncured event of default. Council may provide for a lesser amount and may suspend all or part of said assessment upon reasonable conditions for any reasonable period, up to the end of the franchise;

(C) to determine that liquidated damages are not justified under the circumstances and assess no damages; or

(D) to remand the matter to the city manager or the director for further investigation, consideration, and recommendation to the council.

(3) Assessment of liquidated damages by the council shall be a monetary obligation of franchisee to city in the amount determined by the council and shall be paid in full by franchisee within 15 business days after the date of assessment by the council.

(4) The procedures stated in this Subsection (f) do not apply to the council's determination to require the payment of money, in lieu of other available remedies, in a revocation proceeding under Subsection (b)(4).

(g) Remedies cumulative. Subject to applicable law, the rights and remedies of city set forth in this Section 10 shall be in addition to and not in limitation of, any other rights and remedies provided by law or in equity. If the council determines that a violation by franchisee was franchisee's fault and within its control, the council may pursue any or all of the remedies provided in Section 10. The remedies of city created under this ordinance shall be cumulative to the maximum extent permitted by law. The exercise by city of any one or more remedies under this ordinance shall not preclude the exercise by city, at the same or different times, of any other

remedies for the same material uncured event of default. Notwithstanding any provision of this ordinance, however, city shall not recover both liquidated damages and actual damages for the same violation, breach, non-compliance, or material uncured event of default.

(h) Curable violations. Franchisee shall not be found in violation of this ordinance or any other applicable law or regulation, and shall suffer no penalties or damages as a result, if the violation occurs without fault of franchisee or occurs as a result of circumstances beyond its control, and, if curable, is promptly cured. Franchisee shall not be excused by mere economic hardship nor by the negligence or malfeasance of its directors, officers or employees.

(i) City right to purchase. In the event city revokes the franchise granted under this ordinance for cause, terminates the franchise as provided in Subsection (j) below, or denies renewal of the franchise granted under this ordinance, city shall have the right (but not the obligation) subject to the applicable provisions of city charter, directly or as an intermediary, to purchase the assets of the solid waste collection system through its authority under, and procedures applicable to, eminent domain.

(j) Termination in the public interest. Nothing in this section shall be construed as affecting the right of the council under the city charter to terminate this ordinance without cause in the public interest when it is deemed inconsistent with the public use of city's public ways or is deemed to cause or constitute a nuisance.

SECTION 11. Providing Information.

(a) Complete and accurate books required. Franchisee shall keep complete and accurate books of account and records of its solid waste collection service business and operations under and in connection with this ordinance in accordance with generally accepted accounting principles and generally accepted government auditing standards.

(b) City review of documentation. City may fully review such of franchisee's books, accounts, documents, and other records of franchisee or franchisee's affiliates during normal business hours on a non-disruptive basis and with such advance notice as is reasonably necessary to monitor compliance with the terms of this ordinance. All books, accounts, documents, and other records shall be made available at a single location in the Dallas-Fort Worth metropolitan area. Books, accounts, documents, and other records that are kept on an electronic basis shall also be made available on the same basis as the paper books, accounts, documents, and other records; where possible, such items shall be made available in a CD-ROM disk or other similar platform in a format that is readable by city's computers. The reviewable items shall include, but shall not be limited to, records required to be kept by franchisee pursuant to law and the financial information underlying the written report accompanying the franchise fee. To the extent permitted by law, city agrees to treat any information disclosed by franchisee under this section as confidential, if and only to the extent that franchisee provides prior written notice that specific information is confidential as trade secrets or proprietary competitive information. Blanket or overly broad claims of confidentiality will be of no effect.

(c) Additional reports. Franchisee shall, when required by the council, the city manager, or the director, report to city any reasonably requested information relating to franchisee or the affiliates or necessary for the administration of this ordinance. The director shall have the right to establish formats for these additional reports, determine the time for these reports and the frequency with which these reports, if any, are to be made, and require that any reports be made under oath.

SECTION 12. General.

(a) Entire agreement. This ordinance (with all referenced exhibits, attachments, and provisions incorporated by reference) embodies the entire agreement and the rights, privileges, and permissions between city and franchisee, superseding all oral or written previous negotiations or agreements between city and franchisee relating to matters set forth in this ordinance. This ordinance can be amended by an ordinance enacted by the council. Such action by council does not require the hearing procedures for revocation set forth in Subsection 10(4)(b) of this ordinance, but only the posting of an agenda item and the opportunity for speakers to be heard on the item.

(b) Notices. Except as otherwise provided in Subsection 12(c) of this ordinance, any notice, payment, statement, or demand required or permitted to be given under this ordinance by either party to the other may be effected by any of the means described in Subsection 12(d) of this ordinance. Mailed notices shall be addressed to the parties at the addresses appearing below, but each party may change its address by written notice in accordance with this section. Mailed notices shall be deemed communicated as of three days after mailing.

(c) Notice of claim. This ordinance is subject to the provisions of Section 2-86 of the Dallas City Code, relating to requirements for filing a notice of a breach of contract claim against city. Section 2-86 of the Dallas City Code is expressly incorporated by reference and made a part of this ordinance as if written word for word in this ordinance. Contractor shall comply with the requirements of Section 2-86 as a precondition of any claim against city relating to or arising out of this ordinance.

(d) Delivery of notices. Notices required to be given under this ordinance may be transmitted in any of the following four ways:

(1) By personal delivery, in which case they are deemed given when delivered.

(2) By delivery to Federal Express, United Parcel Service, or other nationally recognized overnight courier service, in which case they shall be deemed given when received for such service.

(e) City/franchisee meetings. Franchisee shall meet with the director, the city manager or the council at reasonable times to discuss any aspect of this ordinance or the services or facilities of franchisee. At all meetings, franchisee shall make available personnel qualified for the issues to be discussed and such meetings shall be at city's offices unless otherwise agreed.

(f) Legal construction. This ordinance shall be governed by and construed in accordance with the laws and court decisions of the State of Texas, without regard to conflict of law or choice of law principles of Texas or of any other state. Exclusive venue for any litigation that may be filed in connection with this ordinance shall be in Dallas County, Texas. This ordinance is not a contract for goods or services within the meaning of Texas Local Government Code §§271.151 *et seq.*

(g) No inducement. Franchisee, by accepting this ordinance, acknowledges that it has not been induced to accept this ordinance by any promise, oral or written, by or on behalf of city or by any third person regarding any term or condition not expressed in this ordinance. Franchisee further pledges that no promise or inducement, oral or written, has been made to any city employee or official regarding the grant, receipt or award of this ordinance.

(h) Franchisee acknowledgement. Franchisee further acknowledges by acceptance of this ordinance that it has carefully read the terms and conditions of this ordinance and accepts the obligations imposed by the terms and conditions herein.

(i) No waiver by city. No failure by city to insist upon the strict performance of any covenant, provision, term or condition of this ordinance, or to exercise any right, term or remedy upon a breach thereof shall constitute a waiver of any such breach of such covenant, agreement, term, or condition. No waiver of any breach shall affect or alter this ordinance, but each and every covenant, provision, term or condition of this ordinance shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

(j) Governmental licenses. Franchisee shall, at its expense, obtain and maintain all additional governmental regulatory licenses necessary to operate the solid waste collection service in accordance with this ordinance.

(k) Severability. If any section, paragraph, or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions of this ordinance.

(l) City retained powers. In addition to all rights provided in this ordinance, city reserves all rights and powers conferred by federal law, the Texas Constitution, Texas statutes and decisions, the City Charter, city code, and city ordinances which city is allowed to exercise.

(m) Material misinformation. The provision of information by franchisee or any of its affiliates to city in connection with any matters under this ordinance which contains an untrue statement of a material fact or omits a material fact necessary to make the information not misleading shall constitute a violation of this ordinance and shall be subject to the remedies provided in Section 10. Each day that franchisee or an affiliate fails to correct an untrue statement of a material fact or the omission of a material fact necessary to make the information not misleading shall constitute a separate violation of this ordinance.

(n) Hearing procedures. The following additional procedures shall apply to any hearing held in connection with any action taken by the council in connection with this ordinance:

(1) The council may conduct the hearing or, in its sole discretion, may by resolution appoint a committee or subcommittee of the council or a hearing officer to conduct the hearing and submit a proposal for decision to it, pursuant to procedures established by resolution.

(2) The hearing shall afford franchisee rudimentary due process. The council may by resolution establish other procedural matters in connection with the hearing.

(o) Acceptance. Upon adoption of this ordinance, franchisee agrees to be bound by all the terms and conditions contained herein, as evidenced by filing the original with the city secretary and a copy with the director, in writing, within 30 days after the date the council approves this ordinance, an unconditional acceptance of the ordinance and promise to comply with and abide by all its provisions, terms, and conditions. The form of unconditional acceptance and promise, attached to and made a part of this ordinance as Exhibit B, shall be sworn to, by, or on behalf of franchisee before a notary public. If within 30 days after the date the council approves the ordinance, franchisee fails to (1) submit and file the properly executed acceptance, (2) pay all taxes due, and (3) submit the letter of credit and required certificate of insurance, then this ordinance and the rights, permissions, and privileges granted under this ordinance shall be null and void and shall have no force or effect, unless franchisee evidences such failure was due to clerical error by someone other than franchisee or its affiliates and then acts promptly to remedy the third party's clerical error. The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the acceptance required by this subsection is filed as provided herein.

(p) Time is of the essence. Whenever this ordinance shall set forth any time for an act to be performed by or on behalf of franchisee, such time shall be deemed of the essence and any failure of franchisee to perform within time allotted shall always be sufficient grounds for city to invoke an appropriate remedy, including possible revocation of the ordinance.

(q) Force majeure. The time within which franchisee shall be required to perform any act under this ordinance shall be extended by a period of time equal to the number of days due to a force majeure. The term “force majeure” shall mean delays due to acts of God, inability to obtain governmental approvals, governmental restrictions, war, act of terrorism, civil disturbances, fire, unavoidable casualty, or other similar causes beyond the control of franchisee. Notwithstanding anything contained anywhere else in this ordinance, franchisee shall not be excused from performance of any of its obligations under this ordinance by the negligence or malfeasance of its directors, officers, or employees or by mere economic hardship.

(r) Recognition of rights. Franchisee agrees that by adopting this ordinance, neither city nor franchisee have waived any rights, claims, or defenses they may have with respect to city's rights to impose the requirements contained in this ordinance in whole or in part upon franchisee.

(s) Police powers.

(1) In accepting this ordinance, franchisee acknowledges that its rights under this ordinance are subject to the police power of city to adopt and enforce general ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all applicable general laws and ordinances enacted by city pursuant to such powers. Any conflict between the provisions of this ordinance and any other present or future lawful exercise of city's police powers shall be resolved in favor of the latter.

(2) Franchisee recognizes the right of city to make reasonable amendments to this ordinance; except that city shall not make amendments materially adversely affecting franchisee except under a proper exercise of city's police powers, with notice to franchisee and an opportunity to be heard in a regular public meeting of the council considering the ordinance or amendment. Franchisee acknowledges that this is the extent of its rights to a hearing respecting franchise ordinance amendments under the charter.

(3) Franchisee also recognizes city's right to impose such other regulations of general applicability as shall be determined by city to be conducive to the safety, welfare, and accommodation of the public.

(t) No presumption of renewal. This ordinance and the grant contained herein do not imply, grant, or infer any renewal rights in favor of franchisee or its affiliates.

(u) Recognition of city charter. Franchisee recognizes, accepts and agrees that the terms, conditions and provisions of this ordinance are subject to the applicable provisions of Chapter XIV of the Dallas City Charter. Any request by franchisee for an amendment to this ordinance shall be subject to review by the city attorney for compliance with the applicable provisions of the city charter.

SECTION 13. Outstanding license fees. This ordinance shall not take effect until all fees still owed to city from the existing license previously issued to franchisee for solid waste collection, hauling, and disposal service under provisions of the city code applicable to solid waste collection, hauling, and disposal licenses are paid in full. If the previous license fees owed to city are not paid by franchisee within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect.

The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the previous license fees have been paid in full.

SECTION 14. Ordinance effective date. Subject to the provisions of Subsection 5(e), Subsection 12(o), and Section 13, this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas (the “effective date”), and it is accordingly so ordained.

SECTION 3. Granting of franchise. That subject to all the terms and conditions contained in this ordinance, the Texas Constitution, the city charter, the city code, other city ordinances as from time to time may be in effect, and applicable federal law, city hereby grants

franchisee non-exclusive permission and privilege solely for the purpose of operating and maintaining a solid waste collection service in, over, along and across the public ways in the authorized area. This grant is subject to the following additional conditions:

(a) Franchisee purpose. Franchisee accepts the grant set forth above and agrees to operate and maintain the solid waste collection service in the authorized area in accordance with the terms and provisions of this ordinance.

(b) Other services. By granting this ordinance, city is not authorizing any non-solid waste collection service to be provided and does not waive and specifically retains any right to regulate and receive compensation as allowed by law for services offered by franchisee which are not solid waste collection services. Franchisee shall immediately notify city if it provides any non-solid waste collection services within the authorized area.

(c) No priority. This ordinance does not establish any priority for the use of the public ways by franchisee or by any present or future recipients of franchise agreements, franchisees, permit holders, or other users of the public ways. In the event of any dispute as to the priority of use of the public ways, the first priority shall be to the public generally, the second priority to city, the third priority to the State of Texas and its political subdivisions in the performance of their various functions, and thereafter, as between recipients of franchise agreements, franchisees and other state or local permit holders, as determined by the city manager in the exercise of the city's powers, including the police power and other powers reserved to and conferred on it by the State of Texas.

(d) City's use of public ways. Franchisee acknowledges that by this ordinance it obtains no rights to use or further use of the public ways other than those expressly granted in this ordinance. Franchisee acknowledges and accepts at its own risk, provided that city has the

legal authority for the use or uses in question, that city may make use in the future of the public ways in which the solid waste collection service is located in a manner inconsistent with franchisee's use of such public ways for the solid waste collection service, and in that event franchisee shall not be entitled to compensation from city unless compensation is available to all users of the public ways which are affected in a similar manner and are similarly situated in relevant respects with the franchisee.

(e) Emergencies. City may temporarily suspend the operation of the solid waste collection service of franchisee in the event of a public emergency or calamity as determined by city. In such event, neither city nor any agent, contractor, or employee of city shall be liable to franchisee or its customers or third parties for any damages caused them or the solid waste collection system. Where reasonably possible, prior notice shall be given to franchisee. In any event, notice of such action shall be given to franchisee after such action is taken.

(f) Compliance with law and standards of operation. Franchisee shall be subject to and comply with all applicable local, state, and federal laws, including the rules and regulations of any and all agencies thereof, whether presently in force or whether enacted or adopted at any time in the future.

(g) Other approvals and authorizations. (h) City's right of eminent domain reserved. Nothing in this ordinance shall limit any right city may have to acquire by eminent domain any property of franchisee.

(i) Taxes, fees and other assessments. Nothing in this ordinance shall be construed to limit the authority of city to impose a tax, fee, or other assessment of any kind on any person. Franchisee shall pay all fees necessary to obtain and maintain all applicable federal, state, and local licenses, permits, and authorizations required for the construction, installation, upgrading, maintenance, or operation of its solid waste collection service.

(j) Disputes among public ways users. Franchisee shall respect the rights and property of city and other authorized users of the public ways. Disputes between franchisee and other similar franchisees over use of public ways shall be submitted to the director for resolution; provided, however, that franchisee reserves its rights to submit such disputes directly to a court of competent jurisdiction.

SECTION 4. Service requirements.

(a) It is expressly understood and agreed that franchisee has the non-exclusive right, to the extent permitted by this ordinance, to collect and transport solid waste within the authorized area where the individuals or companies contract with franchisee for those services, excluding residential service (other than apartment complexes and motels). Notwithstanding the exclusion for residential service, city reserves the right during the term of this franchise ordinance to collect and transport solid waste and other materials from any source whatsoever, including but not limited to apartment complexes, motels, and any commercial venue without any amendment or modification of this franchise ordinance. Franchisee shall, at its own expense, furnish personnel and equipment to collect and transport, solid waste and shall establish and maintain the contracted solid waste collection service in an efficient and businesslike manner.

(b) All vehicles used by franchisee for the collection and transportation of solid waste shall display a decal issued by the director in or upon a conspicuous place on the vehicle, in accordance with the applicable requirements of the city code. All vehicles shall be covered at all times while loaded and in transit to prevent the spillage of solid waste onto the public ways or properties adjacent to the public ways. Any spillage will be promptly recovered by franchisee. All vehicles and containers owned by franchisee shall be clearly marked with franchisee's name in letters not less than four inches in height. All vehicles shall be cleaned and maintained by franchisee so as to be in good repair, of good appearance and, when idle, free of solid waste residue as may cause odor, provide a breeding place for vectors, or otherwise create a nuisance. In addition, franchisee shall comply with the requirements for solid waste collection vehicles and containers contained in Sections 18-45 and 18-50 (b) of the Dallas City Code.

(c) Franchisee expressly agrees to assume liability and responsibility for all costs of repair to the public ways and other facilities that are damaged as a result of the negligence of franchisee, its officers, agents, or employees, during franchisee's operations pursuant to this ordinance.

(d) Franchisee will comply with all rules, regulations, laws and ordinances pertaining to the disposal of solid waste as directed by the city or by other responsible governmental agencies having jurisdiction must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill, pursuant to Chapter 18 of the city code, as amended. Disposal of all solid waste collected by franchisee from premises within the authorized area must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill in accordance with the Dallas City Code.

SECTION 5. Indemnity and insurance.

(a) **INDEMNIFICATION OF CITY.** FRANCHISEE SHALL, AT ITS SOLE COST AND EXPENSE, DEFEND, INDEMNIFY, AND HOLD HARMLESS CITY AND ITS OFFICERS, BOARDS, COMMISSIONS, EMPLOYEES, AGENTS, ATTORNEYS, AND CONTRACTORS (HEREINAFTER REFERRED TO AS “INDEMNITEES”), FROM AND AGAINST:

(1) ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, COSTS, AND EXPENSES FOR PERSONAL INJURY (INCLUDING DEATH), PROPERTY DAMAGE, OR OTHER HARM FOR WHICH RECOVERY OF DAMAGES IS SOUGHT, SUFFERED BY ANY PERSON OR PERSONS, THAT MAY ARISE OUT OF OR BE OCCASIONED BY FRANCHISEE'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS FRANCHISE, OR BY ANY NEGLIGENT OR STRICTLY LIABLE ACT OR OMISSION OF FRANCHISEE, ITS OFFICERS, AGENTS, EMPLOYEES, CONTRACTORS, OR SUBCONTRACTORS, IN THE OPERATION OR MAINTENANCE OF THE SOLID WASTE COLLECTION SERVICE, OR IN THE DISPOSAL, HANDLING, OR TRANSFER OF ANY SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE; FRANCHISEE'S OBLIGATION TO DEFEND AND INDEMNIFY INDEMNITEES UNDER THIS SUBPARAGRAPH SHALL EXTEND TO CLAIMS, LOSSES, AND OTHER MATTERS COVERED UNDER THIS SUBPARAGRAPH THAT ARE CONTRIBUTED TO BY THE NEGLIGENCE OF ONE OR MORE INDEMNITEES, PROVIDED, HOWEVER, THAT INDEMNITY WILL BE REDUCED BY THE PROPORTIONATE AMOUNT THROUGH WHICH THE INDEMNITEE CONTRIBUTED TO THE LIABILITY, AS

PROVIDED UNDER TEXAS LAW, WITHOUT WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF EITHER FRANCHISEE OR CITY UNDER TEXAS LAW; THE ABOVE INDEMNIFICATION SHALL NOT, HOWEVER, APPLY TO ANY JUDGMENT OF LIABILITY RESULTING FROM THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF CITY; AND

(2) ANY AND ALL LIABILITY, OBLIGATION, DAMAGES, FINES, PENALTIES, CLAIMS, SUITS, JUDGMENTS, ACTIONS, LIENS, AND LOSSES, WHICH MAY BE IMPOSED UPON OR ASSERTED AGAINST THE INDEMNITEES BECAUSE OF ANY VIOLATION OF ANY STATE OR FEDERAL LAW OR REGULATION GOVERNING THE SOLID WASTE COLLECTION SERVICE OR RELATED TO THE COLLECTION, DISPOSAL, TRANSFER, OR HANDLING BY FRANCHISEE, ITS OFFICERS, EMPLOYEES, AGENTS, OR SUBCONTRACTORS, OF SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE REGARDLESS OF WHETHER OR NOT THE NEGLIGENCE, FAULT, OR OTHER WRONGFUL CONDUCT OF THE INDEMNITEES CONTRIBUTED TO ANY VIOLATION; AND FRANCHISEE SHALL PAY ALL JUDGMENTS, WITH COSTS, ATTORNEY'S FEES, AND EXPENSES AWARDED IN SUCH JUDGMENT WHICH MAY BE OBTAINED AGAINST CITY RELATED TO ANY SUCH CLAIM. UPON THE WRITTEN REQUEST OF CITY, FRANCHISEE SHALL IMMEDIATELY, AT ITS SOLE COST AND EXPENSE, CAUSE ANY LIEN COVERING CITY'S PROPERTY AS DESCRIBED IN THIS SUBPARAGRAPH TO BE DISCHARGED OR BONDED.

(3) THIS SUBSECTION SHALL NOT BE CONSTRUED TO WAIVE ANY GOVERNMENTAL IMMUNITY FROM SUIT OR LIABILITY AVAILABLE TO CITY UNDER TEXAS OR FEDERAL LAW. THE PROVISIONS OF THIS SUBSECTION ARE SOLELY FOR THE BENEFIT OF CITY AND FRANCHISEE AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

(b) Franchisee's assumption of risk. Franchisee undertakes and assumes for its officers, employees, agents, contractors, and subcontractors (collectively "Franchisee" for the purpose of this subsection), all risk of dangerous conditions, if any, on or about any city-owned or controlled property, including the public ways, **AND FRANCHISEE HEREBY AGREES TO INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST AND FROM ANY CLAIM ASSERTED OR LIABILITY IMPOSED UPON THE INDEMNITEES FOR PERSONAL INJURY OR PROPERTY DAMAGE TO ANY PERSON (OTHER THAN FROM AN INDEMNITEE'S NEGLIGENCE OR WILLFUL MISCONDUCT) ARISING OUT OF FRANCHISEE'S OPERATION, MAINTENANCE, OR CONDITION OF THE SOLID WASTE COLLECTION SERVICE OR FRANCHISEE'S FAILURE TO COMPLY WITH ANY FEDERAL, STATE OR LOCAL STATUTE, ORDINANCE OR REGULATION.**

(c) Defense of city. In the event any action or proceeding shall be brought against the indemnitees by reason of any matter for which the indemnitees are indemnified hereunder, franchisee shall, upon notice from any of the indemnitees, at franchisee's sole cost and expense, (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses, and consultants, and the associated costs of document production), resist and defend the same with

legal counsel selected by franchisee and consented to by city, such consent not to be unreasonably withheld; provided, however, that franchisee shall not admit liability in any such matter on behalf of the indemnitees without city's written consent and provided further that the indemnitees shall not admit liability for, nor enter into any compromise or settlement of, any claim for which they are indemnified hereunder, without the prior written consent of franchisee and execution of any settlement agreement on behalf of the city by the city attorney, and further provided that for the search, review, and production of documents, the city attorney may elect to handle some or all of the process in-house at the expense of the franchisee.

(d) Expenses. The indemnitees shall give franchisee prompt notice of the making of any claim or the commencement of any action, suit or other proceeding covered by the provisions of this Section 5. Nothing herein shall be deemed to prevent the indemnitees from participating in the defense of any litigation by their own counsel at their own expense. Franchisee shall pay all expenses incurred by the indemnitees in participating in the defense, provided that the participation has been requested or required by franchisee in conducting the defense. These expenses may include out-of-pocket expenses reasonably and necessarily incurred, such as attorney fees and the reasonable value of any services rendered by city's counsel and the actual expenses of the indemnitees' agents, employees or expert witnesses, and disbursements and liabilities assumed by the indemnitees in connection with such suits, actions or proceedings but shall not include attorney's fees for services that are unnecessarily duplicative of services provided the Indemnitees by franchisee.

(e) Insurance required. Not later than the effective date of this ordinance, franchisee shall procure, pay for, and maintain insurance coverage in at least the minimum amounts and coverages described in Exhibit A, attached to and made a part of this ordinance. The insurance

shall be written by companies approved by the State of Texas and acceptable to city. The insurance shall be evidenced by the delivery to city of policies of insurance, including all endorsements executed by the insurer or its authorized agent stating coverages, limits, exclusions, deductibles, and expiration dates, which demonstrate compliance with all applicable provisions of the insurance laws and rules in the State of Texas. **THIS ORDINANCE SHALL NOT TAKE EFFECT UNTIL THE INSURANCE POLICY HAS BEEN DELIVERED TO CITY AND NO OFFICER OR EMPLOYEE SHALL HAVE AUTHORITY TO WAIVE THIS REQUIREMENT.** If satisfactory evidence of the required insurance is not submitted within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect.

(f) Changes in insurance coverage. Franchisee shall provide the city with true and complete copies of all changes to insurance policies, including any cancellation, coverage change, or termination notice, or any replacement insurance, before these changes become effective. Certificates of insurance reflecting the annual renewal, replacement insurance or coverage changes must be submitted when such policies become effective to provide evidence of continuing insurance coverage. Although certificates are routinely accepted as substitutes for copies of insurance policies, the city shall have the right to access and copy any such policy of insurance. The director may prevent franchisee from operating a solid waste collection service under this franchise until satisfactory evidence of insurance coverage required under this section is presented to the director.

(g) Adjustments to insurance requirements. City reserves the right to review the insurance requirements stated in Exhibit A during the effective period of this ordinance and to recommend to the council reasonable adjustments in the insurance requirements contained in the

city code prior to the anniversary renewal of the insurance when deemed necessary and prudent by city's Office of Risk Management. Any adjustments shall be mutually agreeable to city and franchisee, and based upon changes in statutory law, court decisions, or the claims history of the industry as well as franchisee. When any insurance coverage limit changes are agreed, franchisee shall pay any resulting increase in cost due to the changes.

(h) Liability of franchisee. Approval, disapproval, or failure to act by city regarding any insurance supplied or not supplied by franchisee shall not relieve franchisee of full responsibility or liability for damages and accidents as set forth in this ordinance. The bankruptcy, insolvency, or denial of liability by any insurer of franchisee shall not exonerate franchisee from the liability obligations of franchisee provided for under this ordinance.

SECTION 6. Fees, payments and compensation.

(a) Compensation required. Because the special use of the public ways by franchisee and the special business purpose for which the public ways are being used requires rental compensation for the rights and privileges granted under this ordinance, franchisee shall pay city throughout the term of this ordinance a fee in an amount equal to four percent of franchisee's gross receipts, calculated monthly and payable based on the gross receipts realized during the calendar month immediately preceding the calendar month in which the payment is due (hereinafter called the "franchise fee").

(b) Payment procedures. Franchisee shall pay the franchise fee to city each month during the term of this ordinance. The monthly payment required by this ordinance shall be due and payable by certified check, electronic funds transfer, or other means that provide immediately available funds on the day the payment is due not later than 3:00 p.m. of the thirtieth (30th) calendar day following the end of each calendar month. If the thirtieth (30th)

calendar day following the end of a calendar month falls on a Saturday, Sunday, or official city holiday, then the payment is due on the business day prior to the due date, and in the month of February, the payment is due on February 28th. Subject to applicable law, the compensation set forth in this Section 6 shall be exclusive of and in addition to all special assessments and taxes of whatever nature, including, but not limited to, ad valorem taxes. In the event any monthly payment or partial payment is received by the city later than 10 days after the due date, franchisee shall pay interest on the past due amount at the rate prescribed in Section 2-1.1 of the Dallas City Code. Payment shall be accompanied by a monthly report certified by an officer of franchisee showing the total gross receipts of the preceding calendar month. The monthly report shall also include a detailed breakdown of gross receipts and the computation of the payment amount.

(c) Annual report. Franchisee shall file with city by February 1 of each calendar year an annual report showing the total gross receipts of the preceding calendar year along with the information required under Section 18-41 of the Dallas City Code. Such annual report shall include a detailed breakdown of gross receipts and the computation of the payment amount.

(d) City audit. City may audit franchisee (or any affiliate of franchisee who has information directly pertaining to gross receipts) as often as is reasonably necessary to verify the accuracy of the franchise fees paid to city. All books, records, accounts, or other documents in paper or electronic form, necessary for the audit shall be made available by franchisee at a single location in the Dallas-Fort Worth metropolitan area. Any net undisputed amount due to city, plus interest at the rate prescribed in Section 2-1.1 of the Dallas City Code, c, calculated from the date each portion of the underpayment was originally due until the date franchisee remits the underpayment to the city, shall be paid by franchisee within 45 days after city's submitting an

invoice for the underpayment to franchisee with reasonable detail supporting the amount claimed. If the amount of the underpayment exceeds five percent of the total franchise fee owed for the audit period, franchisee shall pay city's audit costs as well. City's right to audit and franchisee's obligation to retain records related to the franchise fee shall be limited to the previous two calendar years preceding the date that written notice of intent to audit is served.

SECTION 7. Term; performance evaluation.

(a) Term and extensions. The term of this ordinance shall be five (5) years from the effective date of this ordinance.

(b) Franchisee rights upon termination. Subject to applicable law, this ordinance and all rights, permissions, and privileges of franchisee under this ordinance shall automatically terminate on the expiration of the term of this ordinance, unless extended by mutual agreement, court order, or applicable law.

(c) Performance evaluation. In order to: (i) assure that franchisee is complying with the terms of this ordinance, as it may be from time to time amended, and (ii) promote a sharing of information between city and franchisee, city may schedule a performance evaluation no more often than every five years during the term of this ordinance, subject to Subsection (d) of this section, in accordance with the following process:

(1) At least 90 days prior to each performance evaluation, city shall notify franchisee of the date, time and location of the evaluation. Such notice shall include specification of any additional information to be provided by franchisee pursuant to Subsection (c)(2)(D) below. Unless specifically waived by the council, attendance of franchisee's duly authorized representative at these meetings is mandatory.

(2) Within 60 days from receipt of notification, franchisee shall file a report with city that is sworn to by a representative of franchisee knowledgeable of the operations of franchisee within the authorized area, in reasonable detail, specifically addressing, at a minimum, the following areas:

(A) compliance of franchisee's vehicles with solid waste and air quality requirements;

(B) customer service, including but not limited to a listing of customer complaints and their resolution;

(C) history in regard to prompt and accurate payment of franchise fees;

(D) any other topic deemed material or relevant by city for its enforcement of this ordinance.

(3) All reports to be prepared under this subsection and submitted by franchisee shall be based upon information for at least the most recent five-year period, inclusive of the most current quarter available. No report under this subsection shall be based upon data that ends more than six months before the time of the performance evaluation.

(4) Following receipt of the report, but not less than 30 days prior to the performance evaluation, city may request additional information, clarification or detailed documentation concerning those topics identified for inclusion in the performance evaluation. Franchisee shall make reasonable effort to provide such additional information to city prior to the meeting. In the event that the information cannot be made available prior to the performance evaluation, franchisee shall notify city in writing explaining the reasons for any delay. The city may authorize a delay of the performance evaluation for a reasonable time to allow franchisee to submit the additional documentation.

(5) The council shall hear any interested persons during such performance evaluation. Franchisee shall be entitled to all the rights of due process consistent with city proceedings, including but not limited to, the right to be heard, the right to present evidence, and the right to ask questions of witnesses.

(6) Upon request of city, franchisee shall assist city in notifying customers of the evaluation session. The actual costs associated with the notification, in an amount not to exceed \$1,000.00, shall be borne by franchisee.

(d) Additional performance evaluations. Notwithstanding Subsection (c), the council may initiate and conduct such additional performance evaluations regarding franchisee's performance under this ordinance as the council, in its sole discretion, may deem justified or necessary under the circumstances. Franchisee shall be given reasonable notice of the date, time, and location of any such additional performance evaluations.

SECTION 8. Transfers of ownership and control.

(a) Franchisee ownership, management and operation.

(1) Only franchisee and its affiliates, if any, shall operate, manage, and maintain the solid waste collection service. As provided in Chapter XIV, Section 2(5) of the Dallas City Charter, no franchise, nor the assets held by the franchise holder, may be sold, assigned, transferred, or conveyed to any other person, firm, corporation, or other business entity without the consent of the city first had and obtained by ordinance or resolution, unless otherwise specifically provided in this franchise ordinance. If the purchaser is the holder of a like franchise, the franchise purchased shall be canceled and merged into the franchise held by the purchaser upon terms and conditions as may be set out by the city council when permission for merger is granted. Franchisee shall not directly or indirectly transfer or assign, in whole or in part, the

operation, management, ownership, or maintenance of the solid waste collection service without the prior written consent of the council as provided in Subsections 8(b) and 8(c) below.

(2) This section shall not apply to franchisee's employment contracts and other personnel decisions, nor shall it prohibit franchisee from contracting for or subcontracting, in whole or in part, any operational, management or maintenance functions in connection with the solid waste collection service, so long as franchisee does not relinquish its decision making authority over, or its responsibilities under, this ordinance for any particular function; nor shall it prohibit franchisee from complying with this ordinance or other requirements of federal, state, or local laws and regulations.

(3) Franchisee shall provide the director written notice, within five calendar days after its occurrence, of any change in the corporate or business structure, change in the chief executive or the top executive structure, change in the board of directors, or other change in the corporate or business method of governance of franchisee, regardless of whether or not it results in a transfer or assignment of the franchise or a transfer of control or ownership of franchisee.

(b) Transfer and assignment procedures. This ordinance or the solid waste collection service shall not be transferred or assigned, by operation of law or otherwise, nor shall title to franchisee's rights and obligations under this ordinance or to the solid waste collection service pass to or vest in any person, other than for mortgaging or financing of solid waste collection operations or to an affiliate of franchisee under the conditions described below, without the prior written consent of the council. This ordinance shall not be leased or subleased without the prior written consent of the council. The procedures related to transfer or assignment are as follows:

(1) The council's written consent shall not be required for a transfer solely for security purposes (such as the grant of a mortgage or security interest), but shall be required for

any realization on the security by the recipient, such as a foreclosure on a mortgage or security interest. The director shall be advised in writing of a transfer solely for security purposes at least 60 days before such transfer occurs.

(2) Franchisee may, without additional approval by the council, transfer or assign this ordinance to an affiliate provided that the affiliate: (i) assumes all of franchisee's obligations and liabilities under this ordinance occurring both before and after the transfer or assignment; (ii) agrees to comply with all provisions of this ordinance; and (iii) has the legal, technical and financial ability to properly perform and discharge such obligations and liabilities, which abilities are each at least as great as those of franchisee. The director shall be advised in writing of such transfer and of the affiliate's qualifications at least 60 days before such transfer occurs. The city shall be reimbursed any reasonable, documented costs it incurs in connection with such transfer, including the expenses of any investigation or litigation respecting a proposed or consummated transfer, up to a maximum of \$10,000.00.

(c) Transfer of control. There shall be no transfer of or acquisition of control of franchisee without the prior written consent of the council.

(d) Schedule of ownership. Franchisee represents and warrants that its current ownership is as set forth on Exhibit C, attached to and made a part of this ordinance, and that it has full legal and equitable title to the solid waste collection service as of the effective date of this ordinance.

(e) Applications for consent/procedure/restrictions. If franchisee seeks to obtain the consent of the council to any transactions or matters described in this section, franchisee shall submit an application for such consent to the city and shall submit or cause to be submitted to the city such additional documents and information as the director may request that are reasonably

related to the transaction, including the purchase price of the solid waste collection service, and the legal, financial, and technical qualifications of the proposed transferee or new controlling entity.

(1) The council shall have 120 days from the date of submission of a complete and accurate application to act upon the application for consent. If the council fails to act upon such application for consent within 120 days, such application shall be deemed as consented to unless city and franchisee otherwise agree to an extension of time.

(2) The council shall not unreasonably withhold its consent to any proposed transaction. The council may: (i) grant its consent outright, (ii) grant such consent with conditions, which conditions it finds are necessary to ensure performance of franchisee or its successor under this Ordinance, or (iii) deny consent.

(3) Nothing in any approval by the city under this section shall be construed to waive or release any rights of city in and to the public ways, public places of city or property owned by city.

(4) Nothing in any approval by city under this section shall be construed as a waiver or release of any of city's police powers, or as an exercise of eminent domain.

(5) City's granting of consent in any one instance shall not require it to grant consent in other instances.

(6) Franchisee shall reimburse city for the incidental costs incurred by city in considering any request of franchisee under this section. Such reimbursement shall not exceed \$10,000.00, shall be supported by invoices, and shall not include any costs or expenses incurred by city in defending any denial of the request; provided, however, that city does not waive its

right to request that its attorney's fees and other costs be reimbursed by court order in any litigation related to denial of a request under this section.

(f) City approval requirements. Before any transfer, assignment, sale, foreclosure, or other change of control described under this section becomes effective and before the council shall consider giving its consent, the proposed transferee, assignee, purchaser, buyer, foreclosing party, or other person or entity seeking to obtain the rights and obligations under this ordinance through a change of control shall provide the director: (i) an agreement and acceptance in writing to comply with all terms of this ordinance, as amended; (ii) all evidence of insurance required under this ordinance, as amended; (iii) the legal name and address of the transferee, and all persons sharing control of the transferee, with a full description of their experience in the solid waste disposal industry, as well as the name and address of the person to be contacted for notices; (iv) payment of outstanding franchise fees and any other fees, taxes, and payments, including fees, interest, and penalties, due from franchisee to the city; and (v) evidence satisfactory to the director that transferee has the legal, technical, and financial ability to properly perform and discharge all obligations and liabilities of this ordinance.

(g) Transfer of control requirements. In the event of a transfer of control, before such transfer becomes effective and before the council shall consider giving its consent, the proposed transferee shall agree in writing to not take any action that will keep franchisee from complying with this ordinance.

SECTION 9. Defaults.

(a) Events of default. The occurrence of any one or more of the following events at any time during the term of this ordinance shall constitute an event of default by franchisee under this ordinance:

(1) The failure or refusal by franchisee to pay the franchise fee when due as prescribed by this ordinance, or any failure to perform on any agreed or court-mandated extension or modification of such payment obligation.

(2) Franchisee's material violation of or failure to comply with any provision or condition of Article IV of Chapter 18 of the Dallas City Code relating to solid waste collection service franchisees or any other applicable provision or condition of the city code.

(3) Franchisee's material violation of or failure to comply with any of the other terms, covenants, representations, or warranties contained in this ordinance, or franchisee's failure or refusal to perform any obligation contained in this ordinance.

(4) Franchisee's failure or refusal to pay or cause to be paid any of city's governmentally-imposed taxes of any kind whatsoever, including but not limited to real estate taxes, sales taxes, and personal property taxes on or before the due date for same; provided, however, franchisee shall not be in default under this subsection with respect to the non-payment of taxes which are being disputed in good faith in accordance with applicable law.

(5) The entry of any judgment against franchisee in which another party becomes entitled to possession of substantially all of franchisee's assets of the solid waste collection service, for which change in possession the consent of the council has not been obtained, and such judgment is not stayed pending rehearing or appeal for 45 or more days following entry of the judgment.

(6) The dissolution or termination, as a matter of law, of franchisee without the prior consent or approval of city, which approval, if formally requested, shall not unreasonably be withheld.

(7) Franchisee's filing of a voluntary petition in bankruptcy; being adjudicated insolvent; obtaining an order for relief under Section 301 of the Bankruptcy Code (11 U.S.C. §301); filing any petition or failing to contest any petition filed against it seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any laws relating to bankruptcy, insolvency or other relief for debtors; seeking or consenting to or acquiescing in the appointment of any bankruptcy trustee, receiver, master, custodian or liquidator of franchisee, or any of franchisee's property or this ordinance or of any and all of the revenues, issues, earnings, profits or income thereof; making an assignment for the benefit of creditors (except secured creditors); or failing to pay franchisee's debts as they become due such that franchisee is unable to meet its obligations under this ordinance.

(8) Franchisee attempts to dispose of any of the facilities or property of its solid waste collection service with the intent of preventing city from purchasing it as provided for in this ordinance.

(9) Franchisee engages in any fraudulent or deceitful conduct with city or its customers.

(10) Franchisee knowingly or intentionally makes a false statement or a misrepresentation as to a material matter in the application for or in the negotiation of this ordinance, or in connection with any report of gross income as required by this ordinance.

(11) Any director, officer, employee, or agent of franchisee is convicted of the offense of bribery or fraud connected with or resulting from the granting, term extension, or renewal of this ordinance.

(12) Franchisee's failure or refusal to comply with or a violation of any applicable local, state, or federal law or regulation.

(b) Default procedures. Upon the occurrence of an event of default which can be cured by the immediate payment of money to city or a third party, franchisee shall have 30 days from written notice of the occurrence of the event of default from the director to cure the default before city may exercise any of the default remedies provided for in Section 10. Upon the occurrence of an event of default by franchisee which cannot be cured by the immediate payment of money to city or a third party, franchisee shall have 60 days from the date of written notice from city to franchisee of the occurrence of the event of default to cure the event of default before city may exercise any of its rights or remedies provided for in Section 10, unless the director, the city manager, or the council authorizes a longer cure period upon a showing of good cause to extend the cure period. If an event of default is not cured within the time period allowed for curing the event of default, as provided above, the event of default becomes, without additional notice, an uncured event of default, which shall entitle city to exercise the remedies provided for in Section 10.

SECTION 10. Remedies.

(a) Default remedies. Upon the occurrence of any uncured event of default as described in Section 9, the director shall report the occurrence of same to the city manager and the council. The council shall be entitled in its sole discretion and upon recommendation of the director and the city manager to exercise any or all of the following cumulative remedies:

- (1) Exercise its rights to impose liquidated damages as described in Subsection (e).
- (2) Authorize the city attorney to commence an action against franchisee at law or in equity, or both, including an action for monetary damages and specific performance.
- (3) Suspend the franchise granted under this ordinance.
- (4) Revoke the franchise granted under this ordinance.

(b) Suspension procedure. Upon the occurrence of an uncured event of default, the director may suspend the operation of the solid waste collection service doing business under this ordinance. If the director determines that suspension of the franchise is necessary to cure an event of default, the director shall comply with the procedures established in Section 18-37 of the Dallas City Code.

(c) Revocation procedure. Upon the occurrence of an uncured event of default, the council shall have the right to revoke this ordinance. Upon revocation, the rights, permissions, and privileges comprising the franchise granted under this ordinance shall be automatically deemed null and void and shall have no further force or effect and the provisions that are contractual in nature which are also included as a part of this ordinance are hereby automatically terminated, except that franchisee shall retain the obligation to report gross income and make franchisee fee payments covering the period prior to the effective date of the revocation. Upon revocation, city shall retain any portion of the franchise fee and other fees or payments paid to it, or which are due and payable to it, to the date of the revocation. Notwithstanding the above, prior to any council hearing to formally consider revocation of the franchise granted under this ordinance, the director shall notify franchisee in writing at least 10 days in advance of the council hearing at which the issue of revocation shall be considered and decided. Franchisee shall have the right to appear before the council in person or by legal counsel and raise any objections or defenses franchisee may have that are relevant to the proposed revocation. In addition, the following procedures shall apply in regard to the revocation hearing:

(1) The council shall hear and consider the issue of revocation, shall hear any person interested in the issue, and shall determine, in its sole discretion, whether or not any violation by franchisee has occurred justifying a revocation of the franchise.

(2) At such hearing, franchisee shall be provided due process, including the right to be heard, to ask questions of witnesses, and to present evidence.

(3) Upon completion of the hearing described above, the council shall render a decision. Within a reasonable time, the director shall transmit a copy of the decision to franchisee. Franchisee shall be bound by the council's decision, unless it appeals the decision to a court of competent jurisdiction within 15 days after the date of the decision. Franchisee reserves the right to challenge both the decision itself and the fairness of the process followed by the city in the proceeding.

(4) The council reserves the right, in its sole discretion, to impose liquidated damages or to pursue other remedies as provided in this Section 10 in lieu of a revocation.

(d) Letter of credit. As security for the faithful performance by franchisee of the provisions of this ordinance and compliance with all orders, permits, and directions of city and the payment of all claims, liens, fees, liquidated damages, and taxes to city, franchisee shall deposit with city, no later than the effective date of this ordinance, an unconditional and irrevocable letter of credit in a penal amount equal to one month's franchise fee payment. The initial value of the letter of credit shall be established on the basis of the monthly franchise fee that would have been paid on the previous calendar year's monthly average gross receipts on a cash basis from any source derived at any location regardless of whether those receipts were earned entirely within the authorized area. The letter of credit shall be updated annually in January of each calendar year during the term of this ordinance. The value of the annually updated letter of credit will be equal to the average monthly franchise fee payment submitted by franchisee as required in this ordinance during the previous calendar year. The letter of credit must be issued by a federally-chartered or state-chartered financial institution with a principal

office or branch located in Dallas County and otherwise acceptable to the council, on terms acceptable to the council and approved by the city attorney. The letter of credit shall expressly provide that partial draws are permitted and that a draft thereon to the order of the city will be honored upon presentation to the issuing financial institution at a principal office or branch located within Dallas County of a letter of demand from city delivered in person or by courier delivery. The letter of demand must be signed by a person purporting to be the city's chief financial officer, city manager, or director. No supporting documents will be required and no other language, other than a demand to pay and a recitation of title, will be required as conditions for permitting the draw. Failure to timely deposit the letter of credit, or the failure to maintain the letter(s) of credit in the full amount required under this subsection and in effect during the entire term of this ordinance, or any renewal or extension of this ordinance, shall constitute a material breach of the terms of this ordinance.

(1) If franchisee fails to make timely payment to city or its designee of any amount due as a result of this ordinance or fails to make timely payment to city of any taxes due; or fails to repay city for damages and costs, including attorney's fees; or fails to comply with any provision of this ordinance which city reasonably determines can be remedied by an expenditure of monies, city may draw upon the letter of credit an amount sufficient to repay city with interest as set forth in this ordinance, if not otherwise specified by law.

(2) Within three days after a drawing upon the letter of credit, city shall send written notification of the amount, date, and purpose of the drawing to franchisee by certified mail, return receipt requested.

(3) If, at the time of a draw by city, the aggregate amount realized from the letter of credit is insufficient to provide the total payment toward which the draw is directed, the

balance of such payment, plus accrued interest, shall constitute an obligation of franchisee to city until paid. If the interest rate is not set forth in this ordinance or set by laws, then interest shall be the prime rate as established in the Wall Street Journal on the day before city sends notice to franchisee of its intent to draw the letter of credit.

(4) No later than 30 days after mailing of notification to franchisee of a draw pursuant to Subsection (d)(2) above, franchisee shall cause the letter of credit to be restored to the full amount required under this ordinance. Failure to timely restore the letter of credit shall constitute a material breach of the terms of this ordinance.

(5) The rights reserved to city with respect to this letter of credit are in addition to all other rights and remedies of city, whether reserved by this ordinance or authorized by law, and no action, proceeding or exercise of a right with respect to such letter of credit shall affect any other rights city may have.

(e) Liquidated damages. The parties agree that: (1) the harm or damage caused by any material breach of this franchise, other than the failure to pay franchise fees, is of a kind that is difficult or incapable of estimation; and (2) the amount of liquidated damages stipulated in the ordinance is a reasonable forecast of just compensation. Therefore, in addition to the other remedies provided for in this Section 10, liquidated damages in the amounts set forth below may be assessed by the council upon franchisee, following the notice and opportunity to cure procedures in Subsection (f) below, for failure or refusal to comply with any material term or condition of this ordinance or for any other uncured event of default. In the event the council determines that franchisee has committed, continued, or permitted a material failure or refusal of compliance or other uncured event of default that has not been cured as provided in this ordinance, franchisee shall pay \$2,000 per day for each day or part of a day that the material

failure or refusal or other uncured event of default is committed, continued, or permitted, unless the council at the time of imposition of the civil penalty determines that good cause justifies a lesser penalty, based upon the surrounding circumstances, frequency, number, and seriousness of the material violations or uncured events of default in question and the public interest served by imposing a lesser civil penalty.

(f) Liquidated damages procedure. Liquidated damages may be assessed by the council in accordance with the following procedure:

(1) Following notice from the director, which notice, at the director's election, may be combined with the notice described in Section (9)(b), franchisee shall meet with the director to attempt to resolve any disagreements on whether liquidated damages should be assessed or what liquidated damages should be recommended to the council. If there is no resolution of the issue within 15 days after the mailing of the notice, then the director shall present the director's recommendation regarding liquidated damages to the city manager for review and concurrence. If the city manager concurs in the director's recommendation that liquidated damages should be assessed, the matter shall be presented to the council. The director shall notify franchisee of the recommendation of the city manager to the council, the time and date of the proposed hearing concerning the issue of liquidated damages, and a statement that franchisee has a right to appear and be heard before the council on the matter. In order to appear before and be heard by the council, franchisee must comply with applicable council procedures which can be obtained from the city secretary.

(2) Upon presentation of the recommendations of the director and the city manager, the council may decide on one or more of the following courses of action:

(A) to authorize the city attorney to proceed against franchisee under Section 10(a)(2);

(B) to assess liquidated damages in the amount provided above for the applicable material violation or uncured event of default. Council may provide for a lesser amount and may suspend all or part of said assessment upon reasonable conditions for any reasonable period, up to the end of the franchise;

(C) to determine that liquidated damages are not justified under the circumstances and assess no damages; or

(D) to remand the matter to the city manager or the director for further investigation, consideration, and recommendation to the council.

(3) Assessment of liquidated damages by the council shall be a monetary obligation of franchisee to city in the amount determined by the council and shall be paid in full by franchisee within 15 business days after the date of assessment by the council.

(4) The procedures stated in this Subsection (f) do not apply to the council's determination to require the payment of money, in lieu of other available remedies, in a revocation proceeding under Subsection (b)(4).

(g) Remedies cumulative. Subject to applicable law, the rights and remedies of city set forth in this Section 10 shall be in addition to and not in limitation of, any other rights and remedies provided by law or in equity. If the council determines that a violation by franchisee was franchisee's fault and within its control, the council may pursue any or all of the remedies provided in Section 10. The remedies of city created under this ordinance shall be cumulative to the maximum extent permitted by law. The exercise by city of any one or more remedies under this ordinance shall not preclude the exercise by city, at the same or different times, of any other

remedies for the same material uncured event of default. Notwithstanding any provision of this ordinance, however, city shall not recover both liquidated damages and actual damages for the same violation, breach, non-compliance, or material uncured event of default.

(h) Curable violations. Franchisee shall not be found in violation of this ordinance or any other applicable law or regulation, and shall suffer no penalties or damages as a result, if the violation occurs without fault of franchisee or occurs as a result of circumstances beyond its control, and, if curable, is promptly cured. Franchisee shall not be excused by mere economic hardship nor by the negligence or malfeasance of its directors, officers or employees.

(i) City right to purchase. In the event city revokes the franchise granted under this ordinance for cause, terminates the franchise as provided in Subsection (j) below, or denies renewal of the franchise granted under this ordinance, city shall have the right (but not the obligation) subject to the applicable provisions of city charter, directly or as an intermediary, to purchase the assets of the solid waste collection system through its authority under, and procedures applicable to, eminent domain.

(j) Termination in the public interest. Nothing in this section shall be construed as affecting the right of the council under the city charter to terminate this ordinance without cause in the public interest when it is deemed inconsistent with the public use of city's public ways or is deemed to cause or constitute a nuisance.

SECTION 11. Providing Information.

(a) Complete and accurate books required. Franchisee shall keep complete and accurate books of account and records of its solid waste collection service business and operations under and in connection with this ordinance in accordance with generally accepted accounting principles and generally accepted government auditing standards.

(b) City review of documentation. City may fully review such of franchisee's books, accounts, documents, and other records of franchisee or franchisee's affiliates during normal business hours on a non-disruptive basis and with such advance notice as is reasonably necessary to monitor compliance with the terms of this ordinance. All books, accounts, documents, and other records shall be made available at a single location in the Dallas-Fort Worth metropolitan area. Books, accounts, documents, and other records that are kept on an electronic basis shall also be made available on the same basis as the paper books, accounts, documents, and other records; where possible, such items shall be made available in a CD-ROM disk or other similar platform in a format that is readable by city's computers. The reviewable items shall include, but shall not be limited to, records required to be kept by franchisee pursuant to law and the financial information underlying the written report accompanying the franchise fee. To the extent permitted by law, city agrees to treat any information disclosed by franchisee under this section as confidential, if and only to the extent that franchisee provides prior written notice that specific information is confidential as trade secrets or proprietary competitive information. Blanket or overly broad claims of confidentiality will be of no effect.

(c) Additional reports. Franchisee shall, when required by the council, the city manager, or the director, report to city any reasonably requested information relating to franchisee or the affiliates or necessary for the administration of this ordinance. The director shall have the right to establish formats for these additional reports, determine the time for these reports and the frequency with which these reports, if any, are to be made, and require that any reports be made under oath.

SECTION 12. General.

(a) Entire agreement. This ordinance (with all referenced exhibits, attachments, and provisions incorporated by reference) embodies the entire agreement and the rights, privileges, and permissions between city and franchisee, superseding all oral or written previous negotiations or agreements between city and franchisee relating to matters set forth in this ordinance. This ordinance can be amended by an ordinance enacted by the council. Such action by council does not require the hearing procedures for revocation set forth in Subsection 10(4)(b) of this ordinance, but only the posting of an agenda item and the opportunity for speakers to be heard on the item.

(b) Notices. Except as otherwise provided in Subsection 12(c) of this ordinance, any notice, payment, statement, or demand required or permitted to be given under this ordinance by either party to the other may be effected by any of the means described in Subsection 12(d) of this ordinance. Mailed notices shall be addressed to the parties at the addresses appearing below, but each party may change its address by written notice in accordance with this section. Mailed notices shall be deemed communicated as of three days after mailing.

(e) City/franchisee meetings. Franchisee shall meet with the director, the city manager or the council at reasonable times to discuss any aspect of this ordinance or the services or facilities of franchisee. At all meetings, franchisee shall make available personnel qualified for the issues to be discussed and such meetings shall be at city's offices unless otherwise agreed.

(f) Legal construction. This ordinance shall be governed by and construed in accordance with the laws and court decisions of the State of Texas, without regard to conflict of law or choice of law principles of Texas or of any other state. Exclusive venue for any litigation that may be filed in connection with this ordinance shall be in Dallas County, Texas. This ordinance is not a contract for goods or services within the meaning of Texas Local Government Code §§271.151 *et seq.*

(g) No inducement. Franchisee, by accepting this ordinance, acknowledges that it has not been induced to accept this ordinance by any promise, oral or written, by or on behalf of city or by any third person regarding any term or condition not expressed in this ordinance. Franchisee further pledges that no promise or inducement, oral or written, has been made to any city employee or official regarding the grant, receipt or award of this ordinance.

(h) Franchisee acknowledgement. Franchisee further acknowledges by acceptance of this ordinance that it has carefully read the terms and conditions of this ordinance and accepts the obligations imposed by the terms and conditions herein.

(i) No waiver by city. No failure by city to insist upon the strict performance of any covenant, provision, term or condition of this ordinance, or to exercise any right, term or remedy upon a breach thereof shall constitute a waiver of any such breach of such covenant, agreement, term, or condition. No waiver of any breach shall affect or alter this ordinance, but each and every covenant, provision, term or condition of this ordinance shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

(j) Governmental licenses. Franchisee shall, at its expense, obtain and maintain all additional governmental regulatory licenses necessary to operate the solid waste collection service in accordance with this ordinance.

(k) Severability. If any section, paragraph, or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions of this ordinance.

(l) City retained powers. In addition to all rights provided in this ordinance, city reserves all rights and powers conferred by federal law, the Texas Constitution, Texas statutes and decisions, the City Charter, city code, and city ordinances which city is allowed to exercise.

(m) Material misinformation. The provision of information by franchisee or any of its affiliates to city in connection with any matters under this ordinance which contains an untrue statement of a material fact or omits a material fact necessary to make the information not misleading shall constitute a violation of this ordinance and shall be subject to the remedies

provided in Section 10. Each day that franchisee or an affiliate fails to correct an untrue statement of a material fact or the omission of a material fact necessary to make the information not misleading shall constitute a separate violation of this ordinance.

(n) Hearing procedures. The following additional procedures shall apply to any hearing held in connection with any action taken by the council in connection with this ordinance:

(1) The council may conduct the hearing or, in its sole discretion, may by resolution appoint a committee or subcommittee of the council or a hearing officer to conduct the hearing and submit a proposal for decision to it, pursuant to procedures established by resolution.

(2) The hearing shall afford franchisee rudimentary due process. The council may by resolution establish other procedural matters in connection with the hearing.

(o) Acceptance. Upon adoption of this ordinance, franchisee agrees to be bound by all the terms and conditions contained herein, as evidenced by filing the original with the city secretary and a copy with the director, in writing, within 30 days after the date the council approves this ordinance, an unconditional acceptance of the ordinance and promise to comply with and abide by all its provisions, terms, and conditions. The form of unconditional acceptance and promise, attached to and made a part of this ordinance as Exhibit B, shall be sworn to, by, or on behalf of franchisee before a notary public. If within 30 days after the date the council approves the ordinance, franchisee fails to (1) submit and file the properly executed acceptance, (2) pay all taxes due, and (3) submit the letter of credit and required certificate of insurance, then this ordinance and the rights, permissions, and privileges granted under this ordinance shall be null and void and shall have no force or effect, unless franchisee evidences such failure was due to clerical error by someone other than franchisee or its affiliates and then acts promptly to

remedy the third party's clerical error. The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the acceptance required by this subsection is filed as provided herein.

(p) Time is of the essence. Whenever this ordinance shall set forth any time for an act to be performed by or on behalf of franchisee, such time shall be deemed of the essence and any failure of franchisee to perform within time allotted shall always be sufficient grounds for city to invoke an appropriate remedy, including possible revocation of the ordinance.

(q) Force majeure. The time within which franchisee shall be required to perform any act under this ordinance shall be extended by a period of time equal to the number of days due to a force majeure. The term "force majeure" shall mean delays due to acts of God, inability to obtain governmental approvals, governmental restrictions, war, act of terrorism, civil disturbances, fire, unavoidable casualty, or other similar causes beyond the control of franchisee. Notwithstanding anything contained anywhere else in this ordinance, franchisee shall not be excused from performance of any of its obligations under this ordinance by the negligence or malfeasance of its directors, officers, or employees or by mere economic hardship.

(r) Recognition of rights. Franchisee agrees that by adopting this ordinance, neither city nor franchisee have waived any rights, claims, or defenses they may have with respect to city's rights to impose the requirements contained in this ordinance in whole or in part upon franchisee.

(s) Police powers.

(1) In accepting this ordinance, franchisee acknowledges that its rights under this ordinance are subject to the police power of city to adopt and enforce general ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all

applicable general laws and ordinances enacted by city pursuant to such powers. Any conflict between the provisions of this ordinance and any other present or future lawful exercise of city's police powers shall be resolved in favor of the latter.

(2) Franchisee recognizes the right of city to make reasonable amendments to this ordinance; except that city shall not make amendments materially adversely affecting franchisee except under a proper exercise of city's police powers, with notice to franchisee and an opportunity to be heard in a regular public meeting of the council considering the ordinance or amendment. Franchisee acknowledges that this is the extent of its rights to a hearing respecting franchise ordinance amendments under the charter.

(3) Franchisee also recognizes city's right to impose such other regulations of general applicability as shall be determined by city to be conducive to the safety, welfare, and accommodation of the public.

(t) No presumption of renewal. This ordinance and the grant contained herein do not imply, grant, or infer any renewal rights in favor of franchisee or its affiliates.

(u) Recognition of city charter. Franchisee recognizes, accepts and agrees that the terms, conditions and provisions of this ordinance are subject to the applicable provisions of Chapter XIV of the Dallas City Charter. Any request by franchisee for an amendment to this ordinance shall be subject to review by the city attorney for compliance with the applicable provisions of the city charter.

SECTION 13. Outstanding license fees. This ordinance shall not take effect until all fees still owed to city from the existing license previously issued to franchisee for solid waste collection, hauling, and disposal service under provisions of the city code applicable to solid waste collection, hauling, and disposal licenses are paid in full. If the previous license fees owed

to city are not paid by franchisee within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect. The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the previous license fees have been paid in full.

SECTION 14. Ordinance effective date. Subject to the provisions of Subsection 5(e), Subsection 12(o), and Section 13, this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas (the “effective date”), and it is accordingly so ordained.

franchisee non-exclusive permission and privilege solely for the purpose of operating and maintaining a solid waste collection service in, over, along and across the public ways in the authorized area. This grant is subject to the following additional conditions:

(a) Franchisee purpose. Franchisee accepts the grant set forth above and agrees to operate and maintain the solid waste collection service in the authorized area in accordance with the terms and provisions of this ordinance.

(b) Other services. By granting this ordinance, city is not authorizing any non-solid waste collection service to be provided and does not waive and specifically retains any right to regulate and receive compensation as allowed by law for services offered by franchisee which are not solid waste collection services. Franchisee shall immediately notify city if it provides any non-solid waste collection services within the authorized area.

(c) No priority. This ordinance does not establish any priority for the use of the public ways by franchisee or by any present or future recipients of franchise agreements, franchisees, permit holders, or other users of the public ways. In the event of any dispute as to the priority of use of the public ways, the first priority shall be to the public generally, the second priority to city, the third priority to the State of Texas and its political subdivisions in the performance of their various functions, and thereafter, as between recipients of franchise agreements, franchisees and other state or local permit holders, as determined by the city manager in the exercise of the city's powers, including the police power and other powers reserved to and conferred on it by the State of Texas.

(d) City's use of public ways. Franchisee acknowledges that by this ordinance it obtains no rights to use or further use of the public ways other than those expressly granted in this ordinance. Franchisee acknowledges and accepts at its own risk, provided that city has the

legal authority for the use or uses in question, that city may make use in the future of the public ways in which the solid waste collection service is located in a manner inconsistent with franchisee's use of such public ways for the solid waste collection service, and in that event franchisee shall not be entitled to compensation from city unless compensation is available to all users of the public ways which are affected in a similar manner and are similarly situated in relevant respects with the franchisee.

(e) Emergencies. City may temporarily suspend the operation of the solid waste collection service of franchisee in the event of a public emergency or calamity as determined by city. In such event, neither city nor any agent, contractor, or employee of city shall be liable to franchisee or its customers or third parties for any damages caused them or the solid waste collection system. Where reasonably possible, prior notice shall be given to franchisee. In any event, notice of such action shall be given to franchisee after such action is taken.

(f) Compliance with law and standards of operation. Franchisee shall be subject to and comply with all applicable local, state, and federal laws, including the rules and regulations of any and all agencies thereof, whether presently in force or whether enacted or adopted at any time in the future.

(g) Other approvals and authorizations. (h) City's right of eminent domain reserved. Nothing in this ordinance shall limit any right city may have to acquire by eminent domain any property of franchisee.

(i) Taxes, fees and other assessments. Nothing in this ordinance shall be construed to limit the authority of city to impose a tax, fee, or other assessment of any kind on any person. (j) Disputes among public ways users. Franchisee shall respect the rights and property of city and other authorized users of the public ways. Disputes between franchisee and other similar franchisees over use of public ways shall be submitted to the director for resolution; provided, however, that franchisee reserves its rights to submit such disputes directly to a court of competent jurisdiction.

SECTION 4. Service requirements.

(a) It is expressly understood and agreed that franchisee has the non-exclusive right, to the extent permitted by this ordinance, to collect and transport solid waste within the authorized area where the individuals or companies contract with franchisee for those services, excluding residential service (other than apartment complexes and motels). Notwithstanding the exclusion for residential service, city reserves the right during the term of this franchise ordinance to collect and transport solid waste and other materials from any source whatsoever, including but not limited to apartment complexes, motels, and any commercial venue without any amendment or modification of this franchise ordinance. Franchisee shall, at its own expense, furnish personnel and equipment to collect and transport, solid waste and shall establish and maintain the contracted solid waste collection service in an efficient and businesslike manner.

(b) All vehicles used by franchisee for the collection and transportation of solid waste shall display a decal issued by the director in or upon a conspicuous place on the vehicle, in accordance with the applicable requirements of the city code. All vehicles shall be covered at all times while loaded and in transit to prevent the spillage of solid waste onto the public ways or properties adjacent to the public ways. Any spillage will be promptly recovered by franchisee. All vehicles and containers owned by franchisee shall be clearly marked with franchisee's name in letters not less than four inches in height. All vehicles shall be cleaned and maintained by franchisee so as to be in good repair, of good appearance and, when idle, free of solid waste residue as may cause odor, provide a breeding place for vectors, or otherwise create a nuisance. In addition, franchisee shall comply with the requirements for solid waste collection vehicles and containers contained in Sections 18-45 and 18-50 (b) of the Dallas City Code.

(c) Franchisee expressly agrees to assume liability and responsibility for all costs of repair to the public ways and other facilities that are damaged as a result of the negligence of franchisee, its officers, agents, or employees, during franchisee's operations pursuant to this ordinance.

(d) Franchisee will comply with all rules, regulations, laws and ordinances pertaining to the disposal of solid waste as directed by the city or by other responsible governmental agencies having jurisdiction must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill, pursuant to Chapter 18 of the city code, as amended. Disposal of all solid waste collected by franchisee from premises within the authorized area must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill in accordance with the Dallas City Code.

SECTION 5. Indemnity and insurance.

(a) **INDEMNIFICATION OF CITY.** FRANCHISEE SHALL, AT ITS SOLE COST AND EXPENSE, DEFEND, INDEMNIFY, AND HOLD HARMLESS CITY AND ITS OFFICERS, BOARDS, COMMISSIONS, EMPLOYEES, AGENTS, ATTORNEYS, AND CONTRACTORS (HEREINAFTER REFERRED TO AS “INDEMNITEES”), FROM AND AGAINST:

(1) ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, COSTS, AND EXPENSES FOR PERSONAL INJURY (INCLUDING DEATH), PROPERTY DAMAGE, OR OTHER HARM FOR WHICH RECOVERY OF DAMAGES IS SOUGHT, SUFFERED BY ANY PERSON OR PERSONS, THAT MAY ARISE OUT OF OR BE OCCASIONED BY FRANCHISEE'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS FRANCHISE, OR BY ANY NEGLIGENT OR STRICTLY LIABLE ACT OR OMISSION OF FRANCHISEE, ITS OFFICERS, AGENTS, EMPLOYEES, CONTRACTORS, OR SUBCONTRACTORS, IN THE OPERATION OR MAINTENANCE OF THE SOLID WASTE COLLECTION SERVICE, OR IN THE DISPOSAL, HANDLING, OR TRANSFER OF ANY SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE; FRANCHISEE'S OBLIGATION TO DEFEND AND INDEMNIFY INDEMNITEES UNDER THIS SUBPARAGRAPH SHALL EXTEND TO CLAIMS, LOSSES, AND OTHER MATTERS COVERED UNDER THIS SUBPARAGRAPH THAT ARE CONTRIBUTED TO BY THE NEGLIGENCE OF ONE OR MORE INDEMNITEES, PROVIDED, HOWEVER, THAT INDEMNITY WILL BE REDUCED BY THE PROPORTIONATE AMOUNT THROUGH WHICH THE INDEMNITEE CONTRIBUTED TO THE LIABILITY, AS PROVIDED UNDER TEXAS LAW, WITHOUT WAIVING ANY GOVERNMENTAL

IMMUNITY AVAILABLE TO CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF EITHER FRANCHISEE OR CITY UNDER TEXAS LAW; THE ABOVE INDEMNIFICATION SHALL NOT, HOWEVER, APPLY TO ANY JUDGMENT OF LIABILITY RESULTING FROM THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF CITY; AND

(2) ANY AND ALL LIABILITY, OBLIGATION, DAMAGES, FINES, PENALTIES, CLAIMS, SUITS, JUDGMENTS, ACTIONS, LIENS, AND LOSSES, WHICH MAY BE IMPOSED UPON OR ASSERTED AGAINST THE INDEMNITEES BECAUSE OF ANY VIOLATION OF ANY STATE OR FEDERAL LAW OR REGULATION GOVERNING THE SOLID WASTE COLLECTION SERVICE OR RELATED TO THE COLLECTION, DISPOSAL, TRANSFER, OR HANDLING BY FRANCHISEE, ITS OFFICERS, EMPLOYEES, AGENTS, OR SUBCONTRACTORS, OF SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE REGARDLESS OF WHETHER OR NOT THE NEGLIGENCE, FAULT, OR OTHER WRONGFUL CONDUCT OF THE INDEMNITEES CONTRIBUTED TO ANY VIOLATION; AND FRANCHISEE SHALL PAY ALL JUDGMENTS, WITH COSTS, ATTORNEY'S FEES, AND EXPENSES AWARDED IN SUCH JUDGMENT WHICH MAY BE OBTAINED AGAINST CITY RELATED TO ANY SUCH CLAIM. UPON THE WRITTEN REQUEST OF CITY, FRANCHISEE SHALL IMMEDIATELY, AT ITS SOLE COST AND EXPENSE, CAUSE ANY LIEN COVERING CITY'S PROPERTY AS DESCRIBED IN THIS SUBPARAGRAPH TO BE DISCHARGED OR BONDED.

(3) THIS SUBSECTION SHALL NOT BE CONSTRUED TO WAIVE ANY GOVERNMENTAL IMMUNITY FROM SUIT OR LIABILITY AVAILABLE TO

CITY UNDER TEXAS OR FEDERAL LAW. THE PROVISIONS OF THIS SUBSECTION ARE SOLELY FOR THE BENEFIT OF CITY AND FRANCHISEE AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

(b) Franchisee's assumption of risk. Franchisee undertakes and assumes for its officers, employees, agents, contractors, and subcontractors (collectively "Franchisee" for the purpose of this subsection), all risk of dangerous conditions, if any, on or about any city-owned or controlled property, including the public ways, **AND FRANCHISEE HEREBY AGREES TO INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST AND FROM ANY CLAIM ASSERTED OR LIABILITY IMPOSED UPON THE INDEMNITEES FOR PERSONAL INJURY OR PROPERTY DAMAGE TO ANY PERSON (OTHER THAN FROM AN INDEMNITEE'S NEGLIGENCE OR WILLFUL MISCONDUCT) ARISING OUT OF FRANCHISEE'S OPERATION, MAINTENANCE, OR CONDITION OF THE SOLID WASTE COLLECTION SERVICE OR FRANCHISEE'S FAILURE TO COMPLY WITH ANY FEDERAL, STATE OR LOCAL STATUTE, ORDINANCE OR REGULATION.**

(c) Defense of city. In the event any action or proceeding shall be brought against the indemnitees by reason of any matter for which the indemnitees are indemnified hereunder, franchisee shall, upon notice from any of the indemnitees, at franchisee's sole cost and expense, (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses, and consultants, and the associated costs of document production), resist and defend the same with legal counsel selected by franchisee and consented to by city, such consent not to be unreasonably withheld; provided, however, that franchisee shall not admit liability in any such

matter on behalf of the indemnitees without city's written consent and provided further that the indemnitees shall not admit liability for, nor enter into any compromise or settlement of, any claim for which they are indemnified hereunder, without the prior written consent of franchisee and execution of any settlement agreement on behalf of the city by the city attorney, and further provided that for the search, review, and production of documents, the city attorney may elect to handle some or all of the process in-house at the expense of the franchisee.

(d) Expenses. The indemnitees shall give franchisee prompt notice of the making of any claim or the commencement of any action, suit or other proceeding covered by the provisions of this Section 5. Nothing herein shall be deemed to prevent the indemnitees from participating in the defense of any litigation by their own counsel at their own expense. Franchisee shall pay all expenses incurred by the indemnitees in participating in the defense, provided that the participation has been requested or required by franchisee in conducting the defense. These expenses may include out-of-pocket expenses reasonably and necessarily incurred, such as attorney fees and the reasonable value of any services rendered by city's counsel and the actual expenses of the indemnitees' agents, employees or expert witnesses, and disbursements and liabilities assumed by the indemnitees in connection with such suits, actions or proceedings but shall not include attorney's fees for services that are unnecessarily duplicative of services provided the Indemnitees by franchisee.

(e) Insurance required. Not later than the effective date of this ordinance, franchisee shall procure, pay for, and maintain insurance coverage in at least the minimum amounts and coverages described in Exhibit A, attached to and made a part of this ordinance. The insurance shall be written by companies approved by the State of Texas and acceptable to city. The insurance shall be evidenced by the delivery to city of policies of insurance, including all

endorsements executed by the insurer or its authorized agent stating coverages, limits, exclusions, deductibles, and expiration dates, which demonstrate compliance with all applicable provisions of the insurance laws and rules in the State of Texas. **THIS ORDINANCE SHALL NOT TAKE EFFECT UNTIL THE INSURANCE POLICY HAS BEEN DELIVERED TO CITY AND NO OFFICER OR EMPLOYEE SHALL HAVE AUTHORITY TO WAIVE THIS REQUIREMENT.** If satisfactory evidence of the required insurance is not submitted within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect.

(f) Changes in insurance coverage. Franchisee shall provide the city with true and complete copies of all changes to insurance policies, including any cancellation, coverage change, or termination notice, or any replacement insurance, before these changes become effective. Certificates of insurance reflecting the annual renewal, replacement insurance or coverage changes must be submitted when such policies become effective to provide evidence of continuing insurance coverage. Although certificates are routinely accepted as substitutes for copies of insurance policies, the city shall have the right to access and copy any such policy of insurance. The director may prevent franchisee from operating a solid waste collection service under this franchise until satisfactory evidence of insurance coverage required under this section is presented to the director.

(g) Adjustments to insurance requirements. City reserves the right to review the insurance requirements stated in Exhibit A during the effective period of this ordinance and to recommend to the council reasonable adjustments in the insurance requirements contained in the city code prior to the anniversary renewal of the insurance when deemed necessary and prudent by city's Office of Risk Management. Any adjustments shall be mutually agreeable to city and

franchisee, and based upon changes in statutory law, court decisions, or the claims history of the industry as well as franchisee. When any insurance coverage limit changes are agreed, franchisee shall pay any resulting increase in cost due to the changes.

(h) Liability of franchisee. Approval, disapproval, or failure to act by city regarding any insurance supplied or not supplied by franchisee shall not relieve franchisee of full responsibility or liability for damages and accidents as set forth in this ordinance. The bankruptcy, insolvency, or denial of liability by any insurer of franchisee shall not exonerate franchisee from the liability obligations of franchisee provided for under this ordinance.

SECTION 6. Fees, payments and compensation.

(a) Compensation required. Because the special use of the public ways by franchisee and the special business purpose for which the public ways are being used requires rental compensation for the rights and privileges granted under this ordinance, franchisee shall pay city throughout the term of this ordinance a fee in an amount equal to four percent of franchisee's gross receipts, calculated monthly and payable based on the gross receipts realized during the calendar month immediately preceding the calendar month in which the payment is due (hereinafter called the "franchise fee").

(b) Payment procedures. Franchisee shall pay the franchise fee to city each month during the term of this ordinance. The monthly payment required by this ordinance shall be due and payable by certified check, electronic funds transfer, or other means that provide immediately available funds on the day the payment is due not later than 3:00 p.m. of the thirtieth (30th) calendar day following the end of each calendar month. If the thirtieth (30th) calendar day following the end of a calendar month falls on a Saturday, Sunday, or official city holiday, then the payment is due on the business day prior to the due date, and in the month of

February, the payment is due on February 28th. Subject to applicable law, the compensation set forth in this Section 6 shall be exclusive of and in addition to all special assessments and taxes of whatever nature, including, but not limited to, ad valorem taxes. In the event any monthly payment or partial payment is received by the city later than 10 days after the due date, franchisee shall pay interest on the past due amount at the rate prescribed in Section 2-1.1 of the Dallas City Code. Payment shall be accompanied by a monthly report certified by an officer of franchisee showing the total gross receipts of the preceding calendar month. The monthly report shall also include a detailed breakdown of gross receipts and the computation of the payment amount.

(c) Annual report. Franchisee shall file with city by February 1 of each calendar year an annual report showing the total gross receipts of the preceding calendar year along with the information required under Section 18-41 of the Dallas City Code. Such annual report shall include a detailed breakdown of gross receipts and the computation of the payment amount.

(d) City audit. City may audit franchisee (or any affiliate of franchisee who has information directly pertaining to gross receipts) as often as is reasonably necessary to verify the accuracy of the franchise fees paid to city. All books, records, accounts, or other documents in paper or electronic form, necessary for the audit shall be made available by franchisee at a single location in the Dallas-Fort Worth metropolitan area. Any net undisputed amount due to city, plus interest at the rate prescribed in Section 2-1.1 of the Dallas City Code, c, calculated from the date each portion of the underpayment was originally due until the date franchisee remits the underpayment to the city, shall be paid by franchisee within 45 days after city's submitting an invoice for the underpayment to franchisee with reasonable detail supporting the amount claimed. If the amount of the underpayment exceeds five percent of the total franchise fee owed

for the audit period, franchisee shall pay city's audit costs as well. City's right to audit and franchisee's obligation to retain records related to the franchise fee shall be limited to the previous two calendar years preceding the date that written notice of intent to audit is served.

SECTION 7. Term; performance evaluation.

(a) Term and extensions. The term of this ordinance shall be five (5) years from the effective date of this ordinance.

(b) Franchisee rights upon termination. Subject to applicable law, this ordinance and all rights, permissions, and privileges of franchisee under this ordinance shall automatically terminate on the expiration of the term of this ordinance, unless extended by mutual agreement, court order, or applicable law.

(c) Performance evaluation. In order to: (i) assure that franchisee is complying with the terms of this ordinance, as it may be from time to time amended, and (ii) promote a sharing of information between city and franchisee, city may schedule a performance evaluation no more often than every five years during the term of this ordinance, subject to Subsection (d) of this section, in accordance with the following process:

(1) At least 90 days prior to each performance evaluation, city shall notify franchisee of the date, time and location of the evaluation. Such notice shall include specification of any additional information to be provided by franchisee pursuant to Subsection (c)(2)(D) below. Unless specifically waived by the council, attendance of franchisee's duly authorized representative at these meetings is mandatory.

(2) Within 60 days from receipt of notification, franchisee shall file a report with city that is sworn to by a representative of franchisee knowledgeable of the operations of

franchisee within the authorized area, in reasonable detail, specifically addressing, at a minimum, the following areas:

(A) compliance of franchisee's vehicles with solid waste and air quality requirements;

(B) customer service, including but not limited to a listing of customer complaints and their resolution;

(C) history in regard to prompt and accurate payment of franchise fees;

(D) any other topic deemed material or relevant by city for its enforcement of this ordinance.

(3) All reports to be prepared under this subsection and submitted by franchisee shall be based upon information for at least the most recent five-year period, inclusive of the most current quarter available. No report under this subsection shall be based upon data that ends more than six months before the time of the performance evaluation.

(4) Following receipt of the report, but not less than 30 days prior to the performance evaluation, city may request additional information, clarification or detailed documentation concerning those topics identified for inclusion in the performance evaluation. Franchisee shall make reasonable effort to provide such additional information to city prior to the meeting. In the event that the information cannot be made available prior to the performance evaluation, franchisee shall notify city in writing explaining the reasons for any delay. The city may authorize a delay of the performance evaluation for a reasonable time to allow franchisee to submit the additional documentation.

(5) The council shall hear any interested persons during such performance evaluation. Franchisee shall be entitled to all the rights of due process consistent with city

proceedings, including but not limited to, the right to be heard, the right to present evidence, and the right to ask questions of witnesses.

(6) Upon request of city, franchisee shall assist city in notifying customers of the evaluation session. The actual costs associated with the notification, in an amount not to exceed \$1,000.00, shall be borne by franchisee.

(d) Additional performance evaluations. Notwithstanding Subsection (c), the council may initiate and conduct such additional performance evaluations regarding franchisee's performance under this ordinance as the council, in its sole discretion, may deem justified or necessary under the circumstances. Franchisee shall be given reasonable notice of the date, time, and location of any such additional performance evaluations.

SECTION 8. Transfers of ownership and control.

(a) Franchisee ownership, management and operation.

(1) Only franchisee and its affiliates, if any, shall operate, manage, and maintain the solid waste collection service. As provided in Chapter XIV, Section 2(5) of the Dallas City Charter, no franchise, nor the assets held by the franchise holder, may be sold, assigned, transferred, or conveyed to any other person, firm, corporation, or other business entity without the consent of the city first had and obtained by ordinance or resolution, unless otherwise specifically provided in this franchise ordinance. If the purchaser is the holder of a like franchise, the franchise purchased shall be canceled and merged into the franchise held by the purchaser upon terms and conditions as may be set out by the city council when permission for merger is granted. Franchisee shall not directly or indirectly transfer or assign, in whole or in part, the operation, management, ownership, or maintenance of the solid waste collection service without the prior written consent of the council as provided in Subsections 8(b) and 8(c) below.

(2) This section shall not apply to franchisee's employment contracts and other personnel decisions, nor shall it prohibit franchisee from contracting for or subcontracting, in whole or in part, any operational, management or maintenance functions in connection with the solid waste collection service, so long as franchisee does not relinquish its decision making authority over, or its responsibilities under, this ordinance for any particular function; nor shall it prohibit franchisee from complying with this ordinance or other requirements of federal, state, or local laws and regulations.

(3) Franchisee shall provide the director written notice, within five calendar days after its occurrence, of any change in the corporate or business structure, change in the chief executive or the top executive structure, change in the board of directors, or other change in the corporate or business method of governance of franchisee, regardless of whether or not it results in a transfer or assignment of the franchise or a transfer of control or ownership of franchisee.

(b) Transfer and assignment procedures. This ordinance or the solid waste collection service shall not be transferred or assigned, by operation of law or otherwise, nor shall title to franchisee's rights and obligations under this ordinance or to the solid waste collection service pass to or vest in any person, other than for mortgaging or financing of solid waste collection operations or to an affiliate of franchisee under the conditions described below, without the prior written consent of the council. This ordinance shall not be leased or subleased without the prior written consent of the council. The procedures related to transfer or assignment are as follows:

(1) The council's written consent shall not be required for a transfer solely for security purposes (such as the grant of a mortgage or security interest), but shall be required for any realization on the security by the recipient, such as a foreclosure on a mortgage or security

interest. The director shall be advised in writing of a transfer solely for security purposes at least 60 days before such transfer occurs.

(2) Franchisee may, without additional approval by the council, transfer or assign this ordinance to an affiliate provided that the affiliate: (i) assumes all of franchisee's obligations and liabilities under this ordinance occurring both before and after the transfer or assignment; (ii) agrees to comply with all provisions of this ordinance; and (iii) has the legal, technical and financial ability to properly perform and discharge such obligations and liabilities, which abilities are each at least as great as those of franchisee. The director shall be advised in writing of such transfer and of the affiliate's qualifications at least 60 days before such transfer occurs. The city shall be reimbursed any reasonable, documented costs it incurs in connection with such transfer, including the expenses of any investigation or litigation respecting a proposed or consummated transfer, up to a maximum of \$10,000.00.

(c) Transfer of control. There shall be no transfer of or acquisition of control of franchisee without the prior written consent of the council.

(d) Schedule of ownership. Franchisee represents and warrants that its current ownership is as set forth on Exhibit C, attached to and made a part of this ordinance, and that it has full legal and equitable title to the solid waste collection service as of the effective date of this ordinance.

(e) Applications for consent/procedure/restrictions. If franchisee seeks to obtain the consent of the council to any transactions or matters described in this section, franchisee shall submit an application for such consent to the city and shall submit or cause to be submitted to the city such additional documents and information as the director may request that are reasonably related to the transaction, including the purchase price of the solid waste collection service, and

the legal, financial, and technical qualifications of the proposed transferee or new controlling entity.

(1) The council shall have 120 days from the date of submission of a complete and accurate application to act upon the application for consent. If the council fails to act upon such application for consent within 120 days, such application shall be deemed as consented to unless city and franchisee otherwise agree to an extension of time.

(2) The council shall not unreasonably withhold its consent to any proposed transaction. The council may: (i) grant its consent outright, (ii) grant such consent with conditions, which conditions it finds are necessary to ensure performance of franchisee or its successor under this Ordinance, or (iii) deny consent.

(3) Nothing in any approval by the city under this section shall be construed to waive or release any rights of city in and to the public ways, public places of city or property owned by city.

(4) Nothing in any approval by city under this section shall be construed as a waiver or release of any of city's police powers, or as an exercise of eminent domain.

(5) City's granting of consent in any one instance shall not require it to grant consent in other instances.

(6) Franchisee shall reimburse city for the incidental costs incurred by city in considering any request of franchisee under this section. Such reimbursement shall not exceed \$10,000.00, shall be supported by invoices, and shall not include any costs or expenses incurred by city in defending any denial of the request; provided, however, that city does not waive its right to request that its attorney's fees and other costs be reimbursed by court order in any litigation related to denial of a request under this section.

(f) City approval requirements. Before any transfer, assignment, sale, foreclosure, or other change of control described under this section becomes effective and before the council shall consider giving its consent, the proposed transferee, assignee, purchaser, buyer, foreclosing party, or other person or entity seeking to obtain the rights and obligations under this ordinance through a change of control shall provide the director: (i) an agreement and acceptance in writing to comply with all terms of this ordinance, as amended; (ii) all evidence of insurance required under this ordinance, as amended; (iii) the legal name and address of the transferee, and all persons sharing control of the transferee, with a full description of their experience in the solid waste disposal industry, as well as the name and address of the person to be contacted for notices; (iv) payment of outstanding franchise fees and any other fees, taxes, and payments, including fees, interest, and penalties, due from franchisee to the city; and (v) evidence satisfactory to the director that transferee has the legal, technical, and financial ability to properly perform and discharge all obligations and liabilities of this ordinance.

(g) Transfer of control requirements. In the event of a transfer of control, before such transfer becomes effective and before the council shall consider giving its consent, the proposed transferee shall agree in writing to not take any action that will keep franchisee from complying with this ordinance.

SECTION 9. Defaults.

(a) Events of default. The occurrence of any one or more of the following events at any time during the term of this ordinance shall constitute an event of default by franchisee under this ordinance:

(1) The failure or refusal by franchisee to pay the franchise fee when due as prescribed by this ordinance, or any failure to perform on any agreed or court-mandated extension or modification of such payment obligation.

(2) Franchisee's material violation of or failure to comply with any provision or condition of Article IV of Chapter 18 of the Dallas City Code relating to solid waste collection service franchisees or any other applicable provision or condition of the city code.

(3) Franchisee's material violation of or failure to comply with any of the other terms, covenants, representations, or warranties contained in this ordinance, or franchisee's failure or refusal to perform any obligation contained in this ordinance.

(4) Franchisee's failure or refusal to pay or cause to be paid any of city's governmentally-imposed taxes of any kind whatsoever, including but not limited to real estate taxes, sales taxes, and personal property taxes on or before the due date for same; provided, however, franchisee shall not be in default under this subsection with respect to the non-payment of taxes which are being disputed in good faith in accordance with applicable law.

(5) The entry of any judgment against franchisee in which another party becomes entitled to possession of substantially all of franchisee's assets of the solid waste collection service, for which change in possession the consent of the council has not been obtained, and such judgment is not stayed pending rehearing or appeal for 45 or more days following entry of the judgment.

(6) The dissolution or termination, as a matter of law, of franchisee without the prior consent or approval of city, which approval, if formally requested, shall not unreasonably be withheld.

(7) Franchisee's filing of a voluntary petition in bankruptcy; being adjudicated insolvent; obtaining an order for relief under Section 301 of the Bankruptcy Code (11 U.S.C. §301); filing any petition or failing to contest any petition filed against it seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any laws relating to bankruptcy, insolvency or other relief for debtors; seeking or consenting to or acquiescing in the appointment of any bankruptcy trustee, receiver, master, custodian or liquidator of franchisee, or any of franchisee's property or this ordinance or of any and all of the revenues, issues, earnings, profits or income thereof; making an assignment for the benefit of creditors (except secured creditors); or failing to pay franchisee's debts as they become due such that franchisee is unable to meet its obligations under this ordinance.

(8) Franchisee attempts to dispose of any of the facilities or property of its solid waste collection service with the intent of preventing city from purchasing it as provided for in this ordinance.

(9) Franchisee engages in any fraudulent or deceitful conduct with city or its customers.

(10) Franchisee knowingly or intentionally makes a false statement or a misrepresentation as to a material matter in the application for or in the negotiation of this ordinance, or in connection with any report of gross income as required by this ordinance.

(11) Any director, officer, employee, or agent of franchisee is convicted of the offense of bribery or fraud connected with or resulting from the granting, term extension, or renewal of this ordinance.

(12) Franchisee's failure or refusal to comply with or a violation of any applicable local, state, or federal law or regulation.

(b) Default procedures. Upon the occurrence of an event of default which can be cured by the immediate payment of money to city or a third party, franchisee shall have 30 days from written notice of the occurrence of the event of default from the director to cure the default before city may exercise any of the default remedies provided for in Section 10. Upon the occurrence of an event of default by franchisee which cannot be cured by the immediate payment of money to city or a third party, franchisee shall have 60 days from the date of written notice from city to franchisee of the occurrence of the event of default to cure the event of default before city may exercise any of its rights or remedies provided for in Section 10, unless the director, the city manager, or the council authorizes a longer cure period upon a showing of good cause to extend the cure period. If an event of default is not cured within the time period allowed for curing the event of default, as provided above, the event of default becomes, without additional notice, an uncured event of default, which shall entitle city to exercise the remedies provided for in Section 10.

SECTION 10. Remedies.

(a) Default remedies. Upon the occurrence of any uncured event of default as described in Section 9, the director shall report the occurrence of same to the city manager and the council. The council shall be entitled in its sole discretion and upon recommendation of the director and the city manager to exercise any or all of the following cumulative remedies:

- (1) Exercise its rights to impose liquidated damages as described in Subsection (e).
- (2) Authorize the city attorney to commence an action against franchisee at law or in equity, or both, including an action for monetary damages and specific performance.
- (3) Suspend the franchise granted under this ordinance.
- (4) Revoke the franchise granted under this ordinance.

(b) Suspension procedure. Upon the occurrence of an uncured event of default, the director may suspend the operation of the solid waste collection service doing business under this ordinance. If the director determines that suspension of the franchise is necessary to cure an event of default, the director shall comply with the procedures established in Section 18-37 of the Dallas City Code.

(c) Revocation procedure. Upon the occurrence of an uncured event of default, the council shall have the right to revoke this ordinance. Upon revocation, the rights, permissions, and privileges comprising the franchise granted under this ordinance shall be automatically deemed null and void and shall have no further force or effect and the provisions that are contractual in nature which are also included as a part of this ordinance are hereby automatically terminated, except that franchisee shall retain the obligation to report gross income and make franchisee fee payments covering the period prior to the effective date of the revocation. Upon revocation, city shall retain any portion of the franchise fee and other fees or payments paid to it, or which are due and payable to it, to the date of the revocation. Notwithstanding the above, prior to any council hearing to formally consider revocation of the franchise granted under this ordinance, the director shall notify franchisee in writing at least 10 days in advance of the council hearing at which the issue of revocation shall be considered and decided. Franchisee shall have the right to appear before the council in person or by legal counsel and raise any objections or defenses franchisee may have that are relevant to the proposed revocation. In addition, the following procedures shall apply in regard to the revocation hearing:

(1) The council shall hear and consider the issue of revocation, shall hear any person interested in the issue, and shall determine, in its sole discretion, whether or not any violation by franchisee has occurred justifying a revocation of the franchise.

(2) At such hearing, franchisee shall be provided due process, including the right to be heard, to ask questions of witnesses, and to present evidence.

(3) Upon completion of the hearing described above, the council shall render a decision. Within a reasonable time, the director shall transmit a copy of the decision to franchisee. Franchisee shall be bound by the council's decision, unless it appeals the decision to a court of competent jurisdiction within 15 days after the date of the decision. Franchisee reserves the right to challenge both the decision itself and the fairness of the process followed by the city in the proceeding.

(4) The council reserves the right, in its sole discretion, to impose liquidated damages or to pursue other remedies as provided in this Section 10 in lieu of a revocation.

(d) Letter of credit. As security for the faithful performance by franchisee of the provisions of this ordinance and compliance with all orders, permits, and directions of city and the payment of all claims, liens, fees, liquidated damages, and taxes to city, franchisee shall deposit with city, no later than the effective date of this ordinance, an unconditional and irrevocable letter of credit in a penal amount equal to one month's franchise fee payment. The initial value of the letter of credit shall be established on the basis of the monthly franchise fee that would have been paid on the previous calendar year's monthly average gross receipts on a cash basis from any source derived at any location regardless of whether those receipts were earned entirely within the authorized area. The letter of credit shall be updated annually in January of each calendar year during the term of this ordinance. The value of the annually updated letter of credit will be equal to the average monthly franchise fee payment submitted by franchisee as required in this ordinance during the previous calendar year. The letter of credit must be issued by a federally-chartered or state-chartered financial institution with a principal

office or branch located in Dallas County and otherwise acceptable to the council, on terms acceptable to the council and approved by the city attorney. The letter of credit shall expressly provide that partial draws are permitted and that a draft thereon to the order of the city will be honored upon presentation to the issuing financial institution at a principal office or branch located within Dallas County of a letter of demand from city delivered in person or by courier delivery. The letter of demand must be signed by a person purporting to be the city's chief financial officer, city manager, or director. No supporting documents will be required and no other language, other than a demand to pay and a recitation of title, will be required as conditions for permitting the draw. Failure to timely deposit the letter of credit, or the failure to maintain the letter(s) of credit in the full amount required under this subsection and in effect during the entire term of this ordinance, or any renewal or extension of this ordinance, shall constitute a material breach of the terms of this ordinance.

(1) If franchisee fails to make timely payment to city or its designee of any amount due as a result of this ordinance or fails to make timely payment to city of any taxes due; or fails to repay city for damages and costs, including attorney's fees; or fails to comply with any provision of this ordinance which city reasonably determines can be remedied by an expenditure of monies, city may draw upon the letter of credit an amount sufficient to repay city with interest as set forth in this ordinance, if not otherwise specified by law.

(2) Within three days after a drawing upon the letter of credit, city shall send written notification of the amount, date, and purpose of the drawing to franchisee by certified mail, return receipt requested.

(3) If, at the time of a draw by city, the aggregate amount realized from the letter of credit is insufficient to provide the total payment toward which the draw is directed, the

balance of such payment, plus accrued interest, shall constitute an obligation of franchisee to city until paid. If the interest rate is not set forth in this ordinance or set by laws, then interest shall be the prime rate as established in the Wall Street Journal on the day before city sends notice to franchisee of its intent to draw the letter of credit.

(4) No later than 30 days after mailing of notification to franchisee of a draw pursuant to Subsection (d)(2) above, franchisee shall cause the letter of credit to be restored to the full amount required under this ordinance. Failure to timely restore the letter of credit shall constitute a material breach of the terms of this ordinance.

(5) The rights reserved to city with respect to this letter of credit are in addition to all other rights and remedies of city, whether reserved by this ordinance or authorized by law, and no action, proceeding or exercise of a right with respect to such letter of credit shall affect any other rights city may have.

(e) Liquidated damages. The parties agree that: (1) the harm or damage caused by any material breach of this franchise, other than the failure to pay franchise fees, is of a kind that is difficult or incapable of estimation; and (2) the amount of liquidated damages stipulated in the ordinance is a reasonable forecast of just compensation. Therefore, in addition to the other remedies provided for in this Section 10, liquidated damages in the amounts set forth below may be assessed by the council upon franchisee, following the notice and opportunity to cure procedures in Subsection (f) below, for failure or refusal to comply with any material term or condition of this ordinance or for any other uncured event of default. In the event the council determines that franchisee has committed, continued, or permitted a material failure or refusal of compliance or other uncured event of default that has not been cured as provided in this ordinance, franchisee shall pay \$2,000 per day for each day or part of a day that the material

failure or refusal or other uncured event of default is committed, continued, or permitted, unless the council at the time of imposition of the civil penalty determines that good cause justifies a lesser penalty, based upon the surrounding circumstances, frequency, number, and seriousness of the material violations or uncured events of default in question and the public interest served by imposing a lesser civil penalty.

(f) Liquidated damages procedure. Liquidated damages may be assessed by the council in accordance with the following procedure:

(1) Following notice from the director, which notice, at the director's election, may be combined with the notice described in Section (9)(b), franchisee shall meet with the director to attempt to resolve any disagreements on whether liquidated damages should be assessed or what liquidated damages should be recommended to the council. If there is no resolution of the issue within 15 days after the mailing of the notice, then the director shall present the director's recommendation regarding liquidated damages to the city manager for review and concurrence. If the city manager concurs in the director's recommendation that liquidated damages should be assessed, the matter shall be presented to the council. The director shall notify franchisee of the recommendation of the city manager to the council, the time and date of the proposed hearing concerning the issue of liquidated damages, and a statement that franchisee has a right to appear and be heard before the council on the matter. In order to appear before and be heard by the council, franchisee must comply with applicable council procedures which can be obtained from the city secretary.

(2) Upon presentation of the recommendations of the director and the city manager, the council may decide on one or more of the following courses of action:

(A) to authorize the city attorney to proceed against franchisee under Section 10(a)(2);

(B) to assess liquidated damages in the amount provided above for the applicable material violation or uncured event of default. Council may provide for a lesser amount and may suspend all or part of said assessment upon reasonable conditions for any reasonable period, up to the end of the franchise;

(C) to determine that liquidated damages are not justified under the circumstances and assess no damages; or

(D) to remand the matter to the city manager or the director for further investigation, consideration, and recommendation to the council.

(3) Assessment of liquidated damages by the council shall be a monetary obligation of franchisee to city in the amount determined by the council and shall be paid in full by franchisee within 15 business days after the date of assessment by the council.

(4) The procedures stated in this Subsection (f) do not apply to the council's determination to require the payment of money, in lieu of other available remedies, in a revocation proceeding under Subsection (b)(4).

(g) Remedies cumulative. Subject to applicable law, the rights and remedies of city set forth in this Section 10 shall be in addition to and not in limitation of, any other rights and remedies provided by law or in equity. If the council determines that a violation by franchisee was franchisee's fault and within its control, the council may pursue any or all of the remedies provided in Section 10. The remedies of city created under this ordinance shall be cumulative to the maximum extent permitted by law. The exercise by city of any one or more remedies under this ordinance shall not preclude the exercise by city, at the same or different times, of any other

remedies for the same material uncured event of default. Notwithstanding any provision of this ordinance, however, city shall not recover both liquidated damages and actual damages for the same violation, breach, non-compliance, or material uncured event of default.

(h) Curable violations. Franchisee shall not be found in violation of this ordinance or any other applicable law or regulation, and shall suffer no penalties or damages as a result, if the violation occurs without fault of franchisee or occurs as a result of circumstances beyond its control, and, if curable, is promptly cured. Franchisee shall not be excused by mere economic hardship nor by the negligence or malfeasance of its directors, officers or employees.

(i) City right to purchase. In the event city revokes the franchise granted under this ordinance for cause, terminates the franchise as provided in Subsection (j) below, or denies renewal of the franchise granted under this ordinance, city shall have the right (but not the obligation) subject to the applicable provisions of city charter, directly or as an intermediary, to purchase the assets of the solid waste collection system through its authority under, and procedures applicable to, eminent domain.

(j) Termination in the public interest. Nothing in this section shall be construed as affecting the right of the council under the city charter to terminate this ordinance without cause in the public interest when it is deemed inconsistent with the public use of city's public ways or is deemed to cause or constitute a nuisance.

SECTION 11. Providing Information.

(a) Complete and accurate books required. Franchisee shall keep complete and accurate books of account and records of its solid waste collection service business and operations under and in connection with this ordinance in accordance with generally accepted accounting principles and generally accepted government auditing standards.

(b) City review of documentation. City may fully review such of franchisee's books, accounts, documents, and other records of franchisee or franchisee's affiliates during normal business hours on a non-disruptive basis and with such advance notice as is reasonably necessary to monitor compliance with the terms of this ordinance. All books, accounts, documents, and other records shall be made available at a single location in the Dallas-Fort Worth metropolitan area. Books, accounts, documents, and other records that are kept on an electronic basis shall also be made available on the same basis as the paper books, accounts, documents, and other records; where possible, such items shall be made available in a CD-ROM disk or other similar platform in a format that is readable by city's computers. The reviewable items shall include, but shall not be limited to, records required to be kept by franchisee pursuant to law and the financial information underlying the written report accompanying the franchise fee. To the extent permitted by law, city agrees to treat any information disclosed by franchisee under this section as confidential, if and only to the extent that franchisee provides prior written notice that specific information is confidential as trade secrets or proprietary competitive information. Blanket or overly broad claims of confidentiality will be of no effect.

(c) Additional reports. Franchisee shall, when required by the council, the city manager, or the director, report to city any reasonably requested information relating to franchisee or the affiliates or necessary for the administration of this ordinance. The director shall have the right to establish formats for these additional reports, determine the time for these reports and the frequency with which these reports, if any, are to be made, and require that any reports be made under oath.

SECTION 12. General.

(a) Entire agreement. This ordinance (with all referenced exhibits, attachments, and provisions incorporated by reference) embodies the entire agreement and the rights, privileges, and permissions between city and franchisee, superseding all oral or written previous negotiations or agreements between city and franchisee relating to matters set forth in this ordinance. This ordinance can be amended by an ordinance enacted by the council. Such action by council does not require the hearing procedures for revocation set forth in Subsection 10(4)(b) of this ordinance, but only the posting of an agenda item and the opportunity for speakers to be heard on the item.

(b) Notices. Except as otherwise provided in Subsection 12(c) of this ordinance, any notice, payment, statement, or demand required or permitted to be given under this ordinance by either party to the other may be effected by any of the means described in Subsection 12(d) of this ordinance. Mailed notices shall be addressed to the parties at the addresses appearing below, but each party may change its address by written notice in accordance with this section. Mailed notices shall be deemed communicated as of three days after mailing.

(c) Notice of claim. This ordinance is subject to the provisions of Section 2-86 of the Dallas City Code, relating to requirements for filing a notice of a breach of contract claim against city. Section 2-86 of the Dallas City Code is expressly incorporated by reference and made a part of this ordinance as if written word for word in this ordinance. Contractor shall comply with the requirements of Section 2-86 as a precondition of any claim against city relating to or arising out of this ordinance.

(d) Delivery of notices. Notices required to be given under this ordinance may be transmitted in any of the following four ways:

(1) By personal delivery, in which case they are deemed given when delivered.

(2) By delivery to Federal Express, United Parcel Service, or other nationally recognized overnight courier service, in which case they shall be deemed given when received for such service.

(e) City/franchisee meetings. Franchisee shall meet with the director, the city manager or the council at reasonable times to discuss any aspect of this ordinance or the services or facilities of franchisee. At all meetings, franchisee shall make available personnel qualified for the issues to be discussed and such meetings shall be at city's offices unless otherwise agreed.

(f) Legal construction. This ordinance shall be governed by and construed in accordance with the laws and court decisions of the State of Texas, without regard to conflict of law or choice of law principles of Texas or of any other state. Exclusive venue for any litigation that may be filed in connection with this ordinance shall be in Dallas County, Texas. This ordinance is not a contract for goods or services within the meaning of Texas Local Government Code §§271.151 *et seq.*

(g) No inducement. Franchisee, by accepting this ordinance, acknowledges that it has not been induced to accept this ordinance by any promise, oral or written, by or on behalf of city or by any third person regarding any term or condition not expressed in this ordinance. Franchisee further pledges that no promise or inducement, oral or written, has been made to any city employee or official regarding the grant, receipt or award of this ordinance.

(h) Franchisee acknowledgement. Franchisee further acknowledges by acceptance of this ordinance that it has carefully read the terms and conditions of this ordinance and accepts the obligations imposed by the terms and conditions herein.

(i) No waiver by city. No failure by city to insist upon the strict performance of any covenant, provision, term or condition of this ordinance, or to exercise any right, term or remedy upon a breach thereof shall constitute a waiver of any such breach of such covenant, agreement, term, or condition. No waiver of any breach shall affect or alter this ordinance, but each and every covenant, provision, term or condition of this ordinance shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

(j) Governmental licenses. Franchisee shall, at its expense, obtain and maintain all additional governmental regulatory licenses necessary to operate the solid waste collection service in accordance with this ordinance.

(k) Severability. If any section, paragraph, or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions of this ordinance.

(l) City retained powers. In addition to all rights provided in this ordinance, city reserves all rights and powers conferred by federal law, the Texas Constitution, Texas statutes and decisions, the City Charter, city code, and city ordinances which city is allowed to exercise.

(m) Material misinformation. The provision of information by franchisee or any of its affiliates to city in connection with any matters under this ordinance which contains an untrue statement of a material fact or omits a material fact necessary to make the information not misleading shall constitute a violation of this ordinance and shall be subject to the remedies provided in Section 10. Each day that franchisee or an affiliate fails to correct an untrue statement of a material fact or the omission of a material fact necessary to make the information not misleading shall constitute a separate violation of this ordinance.

(n) Hearing procedures. The following additional procedures shall apply to any hearing held in connection with any action taken by the council in connection with this ordinance:

(1) The council may conduct the hearing or, in its sole discretion, may by resolution appoint a committee or subcommittee of the council or a hearing officer to conduct the hearing and submit a proposal for decision to it, pursuant to procedures established by resolution.

(2) The hearing shall afford franchisee rudimentary due process. The council may by resolution establish other procedural matters in connection with the hearing.

(o) Acceptance. Upon adoption of this ordinance, franchisee agrees to be bound by all the terms and conditions contained herein, as evidenced by filing the original with the city secretary and a copy with the director, in writing, within 30 days after the date the council approves this ordinance, an unconditional acceptance of the ordinance and promise to comply with and abide by all its provisions, terms, and conditions. The form of unconditional acceptance and promise, attached to and made a part of this ordinance as Exhibit B, shall be sworn to, by, or on behalf of franchisee before a notary public. If within 30 days after the date the council approves the ordinance, franchisee fails to (1) submit and file the properly executed acceptance, (2) pay all taxes due, and (3) submit the letter of credit and required certificate of insurance, then this ordinance and the rights, permissions, and privileges granted under this ordinance shall be null and void and shall have no force or effect, unless franchisee evidences such failure was due to clerical error by someone other than franchisee or its affiliates and then acts promptly to remedy the third party's clerical error. The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the acceptance required by this subsection is filed as provided herein.

(p) Time is of the essence. Whenever this ordinance shall set forth any time for an act to be performed by or on behalf of franchisee, such time shall be deemed of the essence and any failure of franchisee to perform within time allotted shall always be sufficient grounds for city to invoke an appropriate remedy, including possible revocation of the ordinance.

(q) Force majeure. The time within which franchisee shall be required to perform any act under this ordinance shall be extended by a period of time equal to the number of days due to a force majeure. The term “force majeure” shall mean delays due to acts of God, inability to obtain governmental approvals, governmental restrictions, war, act of terrorism, civil disturbances, fire, unavoidable casualty, or other similar causes beyond the control of franchisee. Notwithstanding anything contained anywhere else in this ordinance, franchisee shall not be excused from performance of any of its obligations under this ordinance by the negligence or malfeasance of its directors, officers, or employees or by mere economic hardship.

(r) Recognition of rights. Franchisee agrees that by adopting this ordinance, neither city nor franchisee have waived any rights, claims, or defenses they may have with respect to city's rights to impose the requirements contained in this ordinance in whole or in part upon franchisee.

(s) Police powers.

(1) In accepting this ordinance, franchisee acknowledges that its rights under this ordinance are subject to the police power of city to adopt and enforce general ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all applicable general laws and ordinances enacted by city pursuant to such powers. Any conflict between the provisions of this ordinance and any other present or future lawful exercise of city's police powers shall be resolved in favor of the latter.

(2) Franchisee recognizes the right of city to make reasonable amendments to this ordinance; except that city shall not make amendments materially adversely affecting franchisee except under a proper exercise of city's police powers, with notice to franchisee and an opportunity to be heard in a regular public meeting of the council considering the ordinance or amendment. Franchisee acknowledges that this is the extent of its rights to a hearing respecting franchise ordinance amendments under the charter.

(3) Franchisee also recognizes city's right to impose such other regulations of general applicability as shall be determined by city to be conducive to the safety, welfare, and accommodation of the public.

(t) No presumption of renewal. This ordinance and the grant contained herein do not imply, grant, or infer any renewal rights in favor of franchisee or its affiliates.

(u) Recognition of city charter. Franchisee recognizes, accepts and agrees that the terms, conditions and provisions of this ordinance are subject to the applicable provisions of Chapter XIV of the Dallas City Charter. Any request by franchisee for an amendment to this ordinance shall be subject to review by the city attorney for compliance with the applicable provisions of the city charter.

SECTION 13. Outstanding license fees. This ordinance shall not take effect until all fees still owed to city from the existing license previously issued to franchisee for solid waste collection, hauling, and disposal service under provisions of the city code applicable to solid waste collection, hauling, and disposal licenses are paid in full. If the previous license fees owed to city are not paid by franchisee within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect.

The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the previous license fees have been paid in full.

SECTION 14. Ordinance effective date. Subject to the provisions of Subsection 5(e), Subsection 12(o), and Section 13, this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas (the “effective date”), and it is accordingly so ordained.

franchisee non-exclusive permission and privilege solely for the purpose of operating and maintaining a solid waste collection service in, over, along and across the public ways in the authorized area. This grant is subject to the following additional conditions:

(a) Franchisee purpose. Franchisee accepts the grant set forth above and agrees to operate and maintain the solid waste collection service in the authorized area in accordance with the terms and provisions of this ordinance.

(b) Other services. By granting this ordinance, city is not authorizing any non-solid waste collection service to be provided and does not waive and specifically retains any right to regulate and receive compensation as allowed by law for services offered by franchisee which are not solid waste collection services. Franchisee shall immediately notify city if it provides any non-solid waste collection services within the authorized area.

(c) No priority. This ordinance does not establish any priority for the use of the public ways by franchisee or by any present or future recipients of franchise agreements, franchisees, permit holders, or other users of the public ways. In the event of any dispute as to the priority of use of the public ways, the first priority shall be to the public generally, the second priority to city, the third priority to the State of Texas and its political subdivisions in the performance of their various functions, and thereafter, as between recipients of franchise agreements, franchisees and other state or local permit holders, as determined by the city manager in the exercise of the city's powers, including the police power and other powers reserved to and conferred on it by the State of Texas.

(d) City's use of public ways. Franchisee acknowledges that by this ordinance it obtains no rights to use or further use of the public ways other than those expressly granted in this ordinance. Franchisee acknowledges and accepts at its own risk, provided that city has the

legal authority for the use or uses in question, that city may make use in the future of the public ways in which the solid waste collection service is located in a manner inconsistent with franchisee's use of such public ways for the solid waste collection service, and in that event franchisee shall not be entitled to compensation from city unless compensation is available to all users of the public ways which are affected in a similar manner and are similarly situated in relevant respects with the franchisee.

(e) Emergencies. City may temporarily suspend the operation of the solid waste collection service of franchisee in the event of a public emergency or calamity as determined by city. In such event, neither city nor any agent, contractor, or employee of city shall be liable to franchisee or its customers or third parties for any damages caused them or the solid waste collection system. Where reasonably possible, prior notice shall be given to franchisee. In any event, notice of such action shall be given to franchisee after such action is taken.

(f) Compliance with law and standards of operation. Franchisee shall be subject to and comply with all applicable local, state, and federal laws, including the rules and regulations of any and all agencies thereof, whether presently in force or whether enacted or adopted at any time in the future.

(g) Other approvals and authorizations. (h) City's right of eminent domain reserved. Nothing in this ordinance shall limit any right city may have to acquire by eminent domain any property of franchisee.

(i) Taxes, fees and other assessments. Nothing in this ordinance shall be construed to limit the authority of city to impose a tax, fee, or other assessment of any kind on any person. (j) Disputes among public ways users. Franchisee shall respect the rights and property of city and other authorized users of the public ways. Disputes between franchisee and other similar franchisees over use of public ways shall be submitted to the director for resolution; provided, however, that franchisee reserves its rights to submit such disputes directly to a court of competent jurisdiction.

SECTION 4. Service requirements.

(a) It is expressly understood and agreed that franchisee has the non-exclusive right, to the extent permitted by this ordinance, to collect and transport solid waste within the authorized area where the individuals or companies contract with franchisee for those services, excluding residential service (other than apartment complexes and motels). Notwithstanding the exclusion for residential service, city reserves the right during the term of this franchise ordinance to collect and transport solid waste and other materials from any source whatsoever, including but not limited to apartment complexes, motels, and any commercial venue without any amendment or modification of this franchise ordinance. Franchisee shall, at its own expense, furnish personnel and equipment to collect and transport, solid waste and shall establish and maintain the contracted solid waste collection service in an efficient and businesslike manner.

(b) All vehicles used by franchisee for the collection and transportation of solid waste shall display a decal issued by the director in or upon a conspicuous place on the vehicle, in accordance with the applicable requirements of the city code. All vehicles shall be covered at all times while loaded and in transit to prevent the spillage of solid waste onto the public ways or properties adjacent to the public ways. Any spillage will be promptly recovered by franchisee. All vehicles and containers owned by franchisee shall be clearly marked with franchisee's name in letters not less than four inches in height. All vehicles shall be cleaned and maintained by franchisee so as to be in good repair, of good appearance and, when idle, free of solid waste residue as may cause odor, provide a breeding place for vectors, or otherwise create a nuisance. In addition, franchisee shall comply with the requirements for solid waste collection vehicles and containers contained in Sections 18-45 and 18-50 (b) of the Dallas City Code.

(c) Franchisee expressly agrees to assume liability and responsibility for all costs of repair to the public ways and other facilities that are damaged as a result of the negligence of franchisee, its officers, agents, or employees, during franchisee's operations pursuant to this ordinance.

(d) Franchisee will comply with all rules, regulations, laws and ordinances pertaining to the disposal of solid waste as directed by the city or by other responsible governmental agencies having jurisdiction must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill, pursuant to Chapter 18 of the city code, as amended. Disposal of all solid waste collected by franchisee from premises within the authorized area must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill in accordance with the Dallas City Code.

SECTION 5. Indemnity and insurance.

(a) **INDEMNIFICATION OF CITY.** FRANCHISEE SHALL, AT ITS SOLE COST AND EXPENSE, DEFEND, INDEMNIFY, AND HOLD HARMLESS CITY AND ITS OFFICERS, BOARDS, COMMISSIONS, EMPLOYEES, AGENTS, ATTORNEYS, AND CONTRACTORS (HEREINAFTER REFERRED TO AS “INDEMNITEES”), FROM AND AGAINST:

(1) ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, COSTS, AND EXPENSES FOR PERSONAL INJURY (INCLUDING DEATH), PROPERTY DAMAGE, OR OTHER HARM FOR WHICH RECOVERY OF DAMAGES IS SOUGHT, SUFFERED BY ANY PERSON OR PERSONS, THAT MAY ARISE OUT OF OR BE OCCASIONED BY FRANCHISEE'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS FRANCHISE, OR BY ANY NEGLIGENT OR STRICTLY LIABLE ACT OR OMISSION OF FRANCHISEE, ITS OFFICERS, AGENTS, EMPLOYEES, CONTRACTORS, OR SUBCONTRACTORS, IN THE OPERATION OR MAINTENANCE OF THE SOLID WASTE COLLECTION SERVICE, OR IN THE DISPOSAL, HANDLING, OR TRANSFER OF ANY SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE; FRANCHISEE'S OBLIGATION TO DEFEND AND INDEMNIFY INDEMNITEES UNDER THIS SUBPARAGRAPH SHALL EXTEND TO CLAIMS, LOSSES, AND OTHER MATTERS COVERED UNDER THIS SUBPARAGRAPH THAT ARE CONTRIBUTED TO BY THE NEGLIGENCE OF ONE OR MORE INDEMNITEES, PROVIDED, HOWEVER, THAT INDEMNITY WILL BE REDUCED BY THE PROPORTIONATE AMOUNT THROUGH WHICH THE INDEMNITEE CONTRIBUTED TO THE LIABILITY, AS

PROVIDED UNDER TEXAS LAW, WITHOUT WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF EITHER FRANCHISEE OR CITY UNDER TEXAS LAW; THE ABOVE INDEMNIFICATION SHALL NOT, HOWEVER, APPLY TO ANY JUDGMENT OF LIABILITY RESULTING FROM THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF CITY; AND

(2) ANY AND ALL LIABILITY, OBLIGATION, DAMAGES, FINES, PENALTIES, CLAIMS, SUITS, JUDGMENTS, ACTIONS, LIENS, AND LOSSES, WHICH MAY BE IMPOSED UPON OR ASSERTED AGAINST THE INDEMNITEES BECAUSE OF ANY VIOLATION OF ANY STATE OR FEDERAL LAW OR REGULATION GOVERNING THE SOLID WASTE COLLECTION SERVICE OR RELATED TO THE COLLECTION, DISPOSAL, TRANSFER, OR HANDLING BY FRANCHISEE, ITS OFFICERS, EMPLOYEES, AGENTS, OR SUBCONTRACTORS, OF SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE REGARDLESS OF WHETHER OR NOT THE NEGLIGENCE, FAULT, OR OTHER WRONGFUL CONDUCT OF THE INDEMNITEES CONTRIBUTED TO ANY VIOLATION; AND FRANCHISEE SHALL PAY ALL JUDGMENTS, WITH COSTS, ATTORNEY'S FEES, AND EXPENSES AWARDED IN SUCH JUDGMENT WHICH MAY BE OBTAINED AGAINST CITY RELATED TO ANY SUCH CLAIM. UPON THE WRITTEN REQUEST OF CITY, FRANCHISEE SHALL IMMEDIATELY, AT ITS SOLE COST AND EXPENSE, CAUSE ANY LIEN COVERING CITY'S PROPERTY AS DESCRIBED IN THIS SUBPARAGRAPH TO BE DISCHARGED OR BONDED.

(3) THIS SUBSECTION SHALL NOT BE CONSTRUED TO WAIVE ANY GOVERNMENTAL IMMUNITY FROM SUIT OR LIABILITY AVAILABLE TO CITY UNDER TEXAS OR FEDERAL LAW. THE PROVISIONS OF THIS SUBSECTION ARE SOLELY FOR THE BENEFIT OF CITY AND FRANCHISEE AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

(b) Franchisee's assumption of risk. Franchisee undertakes and assumes for its officers, employees, agents, contractors, and subcontractors (collectively "Franchisee" for the purpose of this subsection), all risk of dangerous conditions, if any, on or about any city-owned or controlled property, including the public ways, **AND FRANCHISEE HEREBY AGREES TO INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST AND FROM ANY CLAIM ASSERTED OR LIABILITY IMPOSED UPON THE INDEMNITEES FOR PERSONAL INJURY OR PROPERTY DAMAGE TO ANY PERSON (OTHER THAN FROM AN INDEMNITEE'S NEGLIGENCE OR WILLFUL MISCONDUCT) ARISING OUT OF FRANCHISEE'S OPERATION, MAINTENANCE, OR CONDITION OF THE SOLID WASTE COLLECTION SERVICE OR FRANCHISEE'S FAILURE TO COMPLY WITH ANY FEDERAL, STATE OR LOCAL STATUTE, ORDINANCE OR REGULATION.**

(c) Defense of city. In the event any action or proceeding shall be brought against the indemnitees by reason of any matter for which the indemnitees are indemnified hereunder, franchisee shall, upon notice from any of the indemnitees, at franchisee's sole cost and expense, (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses, and consultants, and the associated costs of document production), resist and defend the same with

legal counsel selected by franchisee and consented to by city, such consent not to be unreasonably withheld; provided, however, that franchisee shall not admit liability in any such matter on behalf of the indemnitees without city's written consent and provided further that the indemnitees shall not admit liability for, nor enter into any compromise or settlement of, any claim for which they are indemnified hereunder, without the prior written consent of franchisee and execution of any settlement agreement on behalf of the city by the city attorney, and further provided that for the search, review, and production of documents, the city attorney may elect to handle some or all of the process in-house at the expense of the franchisee.

(d) Expenses. The indemnitees shall give franchisee prompt notice of the making of any claim or the commencement of any action, suit or other proceeding covered by the provisions of this Section 5. Nothing herein shall be deemed to prevent the indemnitees from participating in the defense of any litigation by their own counsel at their own expense. Franchisee shall pay all expenses incurred by the indemnitees in participating in the defense, provided that the participation has been requested or required by franchisee in conducting the defense. These expenses may include out-of-pocket expenses reasonably and necessarily incurred, such as attorney fees and the reasonable value of any services rendered by city's counsel and the actual expenses of the indemnitees' agents, employees or expert witnesses, and disbursements and liabilities assumed by the indemnitees in connection with such suits, actions or proceedings but shall not include attorney's fees for services that are unnecessarily duplicative of services provided the Indemnitees by franchisee.

(e) Insurance required. Not later than the effective date of this ordinance, franchisee shall procure, pay for, and maintain insurance coverage in at least the minimum amounts and coverages described in Exhibit A, attached to and made a part of this ordinance. The insurance

shall be written by companies approved by the State of Texas and acceptable to city. The insurance shall be evidenced by the delivery to city of policies of insurance, including all endorsements executed by the insurer or its authorized agent stating coverages, limits, exclusions, deductibles, and expiration dates, which demonstrate compliance with all applicable provisions of the insurance laws and rules in the State of Texas. **THIS ORDINANCE SHALL NOT TAKE EFFECT UNTIL THE INSURANCE POLICY HAS BEEN DELIVERED TO CITY AND NO OFFICER OR EMPLOYEE SHALL HAVE AUTHORITY TO WAIVE THIS REQUIREMENT.** If satisfactory evidence of the required insurance is not submitted within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect.

(f) Changes in insurance coverage. Franchisee shall provide the city with true and complete copies of all changes to insurance policies, including any cancellation, coverage change, or termination notice, or any replacement insurance, before these changes become effective. Certificates of insurance reflecting the annual renewal, replacement insurance or coverage changes must be submitted when such policies become effective to provide evidence of continuing insurance coverage. Although certificates are routinely accepted as substitutes for copies of insurance policies, the city shall have the right to access and copy any such policy of insurance. The director may prevent franchisee from operating a solid waste collection service under this franchise until satisfactory evidence of insurance coverage required under this section is presented to the director.

(g) Adjustments to insurance requirements. City reserves the right to review the insurance requirements stated in Exhibit A during the effective period of this ordinance and to recommend to the council reasonable adjustments in the insurance requirements contained in the

city code prior to the anniversary renewal of the insurance when deemed necessary and prudent by city's Office of Risk Management. Any adjustments shall be mutually agreeable to city and franchisee, and based upon changes in statutory law, court decisions, or the claims history of the industry as well as franchisee. When any insurance coverage limit changes are agreed, franchisee shall pay any resulting increase in cost due to the changes.

(h) Liability of franchisee. Approval, disapproval, or failure to act by city regarding any insurance supplied or not supplied by franchisee shall not relieve franchisee of full responsibility or liability for damages and accidents as set forth in this ordinance. The bankruptcy, insolvency, or denial of liability by any insurer of franchisee shall not exonerate franchisee from the liability obligations of franchisee provided for under this ordinance.

SECTION 6. Fees, payments and compensation.

(a) Compensation required. Because the special use of the public ways by franchisee and the special business purpose for which the public ways are being used requires rental compensation for the rights and privileges granted under this ordinance, franchisee shall pay city throughout the term of this ordinance a fee in an amount equal to four percent of franchisee's gross receipts, calculated monthly and payable based on the gross receipts realized during the calendar month immediately preceding the calendar month in which the payment is due (hereinafter called the "franchise fee").

(b) Payment procedures. Franchisee shall pay the franchise fee to city each month during the term of this ordinance. The monthly payment required by this ordinance shall be due and payable by certified check, electronic funds transfer, or other means that provide immediately available funds on the day the payment is due not later than 3:00 p.m. of the thirtieth (30th) calendar day following the end of each calendar month. If the thirtieth (30th)

calendar day following the end of a calendar month falls on a Saturday, Sunday, or official city holiday, then the payment is due on the business day prior to the due date, and in the month of February, the payment is due on February 28th. Subject to applicable law, the compensation set forth in this Section 6 shall be exclusive of and in addition to all special assessments and taxes of whatever nature, including, but not limited to, ad valorem taxes. In the event any monthly payment or partial payment is received by the city later than 10 days after the due date, franchisee shall pay interest on the past due amount at the rate prescribed in Section 2-1.1 of the Dallas City Code. Payment shall be accompanied by a monthly report certified by an officer of franchisee showing the total gross receipts of the preceding calendar month. The monthly report shall also include a detailed breakdown of gross receipts and the computation of the payment amount.

(c) Annual report. Franchisee shall file with city by February 1 of each calendar year an annual report showing the total gross receipts of the preceding calendar year along with the information required under Section 18-41 of the Dallas City Code. Such annual report shall include a detailed breakdown of gross receipts and the computation of the payment amount.

(d) City audit. City may audit franchisee (or any affiliate of franchisee who has information directly pertaining to gross receipts) as often as is reasonably necessary to verify the accuracy of the franchise fees paid to city. All books, records, accounts, or other documents in paper or electronic form, necessary for the audit shall be made available by franchisee at a single location in the Dallas-Fort Worth metropolitan area. Any net undisputed amount due to city, plus interest at the rate prescribed in Section 2-1.1 of the Dallas City Code, c, calculated from the date each portion of the underpayment was originally due until the date franchisee remits the underpayment to the city, shall be paid by franchisee within 45 days after city's submitting an

invoice for the underpayment to franchisee with reasonable detail supporting the amount claimed. If the amount of the underpayment exceeds five percent of the total franchise fee owed for the audit period, franchisee shall pay city's audit costs as well. City's right to audit and franchisee's obligation to retain records related to the franchise fee shall be limited to the previous two calendar years preceding the date that written notice of intent to audit is served.

SECTION 7. Term; performance evaluation.

(a) Term and extensions. The term of this ordinance shall be five (5) years from the effective date of this ordinance.

(b) Franchisee rights upon termination. Subject to applicable law, this ordinance and all rights, permissions, and privileges of franchisee under this ordinance shall automatically terminate on the expiration of the term of this ordinance, unless extended by mutual agreement, court order, or applicable law.

(c) Performance evaluation. In order to: (i) assure that franchisee is complying with the terms of this ordinance, as it may be from time to time amended, and (ii) promote a sharing of information between city and franchisee, city may schedule a performance evaluation no more often than every five years during the term of this ordinance, subject to Subsection (d) of this section, in accordance with the following process:

(1) At least 90 days prior to each performance evaluation, city shall notify franchisee of the date, time and location of the evaluation. Such notice shall include specification of any additional information to be provided by franchisee pursuant to Subsection (c)(2)(D) below. Unless specifically waived by the council, attendance of franchisee's duly authorized representative at these meetings is mandatory.

(2) Within 60 days from receipt of notification, franchisee shall file a report with city that is sworn to by a representative of franchisee knowledgeable of the operations of franchisee within the authorized area, in reasonable detail, specifically addressing, at a minimum, the following areas:

(A) compliance of franchisee's vehicles with solid waste and air quality requirements;

(B) customer service, including but not limited to a listing of customer complaints and their resolution;

(C) history in regard to prompt and accurate payment of franchise fees;

(D) any other topic deemed material or relevant by city for its enforcement of this ordinance.

(3) All reports to be prepared under this subsection and submitted by franchisee shall be based upon information for at least the most recent five-year period, inclusive of the most current quarter available. No report under this subsection shall be based upon data that ends more than six months before the time of the performance evaluation.

(4) Following receipt of the report, but not less than 30 days prior to the performance evaluation, city may request additional information, clarification or detailed documentation concerning those topics identified for inclusion in the performance evaluation. Franchisee shall make reasonable effort to provide such additional information to city prior to the meeting. In the event that the information cannot be made available prior to the performance evaluation, franchisee shall notify city in writing explaining the reasons for any delay. The city may authorize a delay of the performance evaluation for a reasonable time to allow franchisee to submit the additional documentation.

(5) The council shall hear any interested persons during such performance evaluation. Franchisee shall be entitled to all the rights of due process consistent with city proceedings, including but not limited to, the right to be heard, the right to present evidence, and the right to ask questions of witnesses.

(6) Upon request of city, franchisee shall assist city in notifying customers of the evaluation session. The actual costs associated with the notification, in an amount not to exceed \$1,000.00, shall be borne by franchisee.

(d) Additional performance evaluations. Notwithstanding Subsection (c), the council may initiate and conduct such additional performance evaluations regarding franchisee's performance under this ordinance as the council, in its sole discretion, may deem justified or necessary under the circumstances. Franchisee shall be given reasonable notice of the date, time, and location of any such additional performance evaluations.

SECTION 8. Transfers of ownership and control.

(a) Franchisee ownership, management and operation.

(1) Only franchisee and its affiliates, if any, shall operate, manage, and maintain the solid waste collection service. As provided in Chapter XIV, Section 2(5) of the Dallas City Charter, no franchise, nor the assets held by the franchise holder, may be sold, assigned, transferred, or conveyed to any other person, firm, corporation, or other business entity without the consent of the city first had and obtained by ordinance or resolution, unless otherwise specifically provided in this franchise ordinance. If the purchaser is the holder of a like franchise, the franchise purchased shall be canceled and merged into the franchise held by the purchaser upon terms and conditions as may be set out by the city council when permission for merger is granted. Franchisee shall not directly or indirectly transfer or assign, in whole or in part, the

operation, management, ownership, or maintenance of the solid waste collection service without the prior written consent of the council as provided in Subsections 8(b) and 8(c) below.

(2) This section shall not apply to franchisee's employment contracts and other personnel decisions, nor shall it prohibit franchisee from contracting for or subcontracting, in whole or in part, any operational, management or maintenance functions in connection with the solid waste collection service, so long as franchisee does not relinquish its decision making authority over, or its responsibilities under, this ordinance for any particular function; nor shall it prohibit franchisee from complying with this ordinance or other requirements of federal, state, or local laws and regulations.

(3) Franchisee shall provide the director written notice, within five calendar days after its occurrence, of any change in the corporate or business structure, change in the chief executive or the top executive structure, change in the board of directors, or other change in the corporate or business method of governance of franchisee, regardless of whether or not it results in a transfer or assignment of the franchise or a transfer of control or ownership of franchisee.

(b) Transfer and assignment procedures. This ordinance or the solid waste collection service shall not be transferred or assigned, by operation of law or otherwise, nor shall title to franchisee's rights and obligations under this ordinance or to the solid waste collection service pass to or vest in any person, other than for mortgaging or financing of solid waste collection operations or to an affiliate of franchisee under the conditions described below, without the prior written consent of the council. This ordinance shall not be leased or subleased without the prior written consent of the council. The procedures related to transfer or assignment are as follows:

(1) The council's written consent shall not be required for a transfer solely for security purposes (such as the grant of a mortgage or security interest), but shall be required for

any realization on the security by the recipient, such as a foreclosure on a mortgage or security interest. The director shall be advised in writing of a transfer solely for security purposes at least 60 days before such transfer occurs.

(2) Franchisee may, without additional approval by the council, transfer or assign this ordinance to an affiliate provided that the affiliate: (i) assumes all of franchisee's obligations and liabilities under this ordinance occurring both before and after the transfer or assignment; (ii) agrees to comply with all provisions of this ordinance; and (iii) has the legal, technical and financial ability to properly perform and discharge such obligations and liabilities, which abilities are each at least as great as those of franchisee. The director shall be advised in writing of such transfer and of the affiliate's qualifications at least 60 days before such transfer occurs. The city shall be reimbursed any reasonable, documented costs it incurs in connection with such transfer, including the expenses of any investigation or litigation respecting a proposed or consummated transfer, up to a maximum of \$10,000.00.

(c) Transfer of control. There shall be no transfer of or acquisition of control of franchisee without the prior written consent of the council.

(d) Schedule of ownership. Franchisee represents and warrants that its current ownership is as set forth on Exhibit C, attached to and made a part of this ordinance, and that it has full legal and equitable title to the solid waste collection service as of the effective date of this ordinance.

(e) Applications for consent/procedure/restrictions. If franchisee seeks to obtain the consent of the council to any transactions or matters described in this section, franchisee shall submit an application for such consent to the city and shall submit or cause to be submitted to the city such additional documents and information as the director may request that are reasonably

related to the transaction, including the purchase price of the solid waste collection service, and the legal, financial, and technical qualifications of the proposed transferee or new controlling entity.

(1) The council shall have 120 days from the date of submission of a complete and accurate application to act upon the application for consent. If the council fails to act upon such application for consent within 120 days, such application shall be deemed as consented to unless city and franchisee otherwise agree to an extension of time.

(2) The council shall not unreasonably withhold its consent to any proposed transaction. The council may: (i) grant its consent outright, (ii) grant such consent with conditions, which conditions it finds are necessary to ensure performance of franchisee or its successor under this Ordinance, or (iii) deny consent.

(3) Nothing in any approval by the city under this section shall be construed to waive or release any rights of city in and to the public ways, public places of city or property owned by city.

(4) Nothing in any approval by city under this section shall be construed as a waiver or release of any of city's police powers, or as an exercise of eminent domain.

(5) City's granting of consent in any one instance shall not require it to grant consent in other instances.

(6) Franchisee shall reimburse city for the incidental costs incurred by city in considering any request of franchisee under this section. Such reimbursement shall not exceed \$10,000.00, shall be supported by invoices, and shall not include any costs or expenses incurred by city in defending any denial of the request; provided, however, that city does not waive its

right to request that its attorney's fees and other costs be reimbursed by court order in any litigation related to denial of a request under this section.

(f) City approval requirements. Before any transfer, assignment, sale, foreclosure, or other change of control described under this section becomes effective and before the council shall consider giving its consent, the proposed transferee, assignee, purchaser, buyer, foreclosing party, or other person or entity seeking to obtain the rights and obligations under this ordinance through a change of control shall provide the director: (i) an agreement and acceptance in writing to comply with all terms of this ordinance, as amended; (ii) all evidence of insurance required under this ordinance, as amended; (iii) the legal name and address of the transferee, and all persons sharing control of the transferee, with a full description of their experience in the solid waste disposal industry, as well as the name and address of the person to be contacted for notices; (iv) payment of outstanding franchise fees and any other fees, taxes, and payments, including fees, interest, and penalties, due from franchisee to the city; and (v) evidence satisfactory to the director that transferee has the legal, technical, and financial ability to properly perform and discharge all obligations and liabilities of this ordinance.

(g) Transfer of control requirements. In the event of a transfer of control, before such transfer becomes effective and before the council shall consider giving its consent, the proposed transferee shall agree in writing to not take any action that will keep franchisee from complying with this ordinance.

SECTION 9. Defaults.

(a) Events of default. The occurrence of any one or more of the following events at any time during the term of this ordinance shall constitute an event of default by franchisee under this ordinance:

(1) The failure or refusal by franchisee to pay the franchise fee when due as prescribed by this ordinance, or any failure to perform on any agreed or court-mandated extension or modification of such payment obligation.

(2) Franchisee's material violation of or failure to comply with any provision or condition of Article IV of Chapter 18 of the Dallas City Code relating to solid waste collection service franchisees or any other applicable provision or condition of the city code.

(3) Franchisee's material violation of or failure to comply with any of the other terms, covenants, representations, or warranties contained in this ordinance, or franchisee's failure or refusal to perform any obligation contained in this ordinance.

(4) Franchisee's failure or refusal to pay or cause to be paid any of city's governmentally-imposed taxes of any kind whatsoever, including but not limited to real estate taxes, sales taxes, and personal property taxes on or before the due date for same; provided, however, franchisee shall not be in default under this subsection with respect to the non-payment of taxes which are being disputed in good faith in accordance with applicable law.

(5) The entry of any judgment against franchisee in which another party becomes entitled to possession of substantially all of franchisee's assets of the solid waste collection service, for which change in possession the consent of the council has not been obtained, and such judgment is not stayed pending rehearing or appeal for 45 or more days following entry of the judgment.

(6) The dissolution or termination, as a matter of law, of franchisee without the prior consent or approval of city, which approval, if formally requested, shall not unreasonably be withheld.

(7) Franchisee's filing of a voluntary petition in bankruptcy; being adjudicated insolvent; obtaining an order for relief under Section 301 of the Bankruptcy Code (11 U.S.C. §301); filing any petition or failing to contest any petition filed against it seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any laws relating to bankruptcy, insolvency or other relief for debtors; seeking or consenting to or acquiescing in the appointment of any bankruptcy trustee, receiver, master, custodian or liquidator of franchisee, or any of franchisee's property or this ordinance or of any and all of the revenues, issues, earnings, profits or income thereof; making an assignment for the benefit of creditors (except secured creditors); or failing to pay franchisee's debts as they become due such that franchisee is unable to meet its obligations under this ordinance.

(8) Franchisee attempts to dispose of any of the facilities or property of its solid waste collection service with the intent of preventing city from purchasing it as provided for in this ordinance.

(9) Franchisee engages in any fraudulent or deceitful conduct with city or its customers.

(10) Franchisee knowingly or intentionally makes a false statement or a misrepresentation as to a material matter in the application for or in the negotiation of this ordinance, or in connection with any report of gross income as required by this ordinance.

(11) Any director, officer, employee, or agent of franchisee is convicted of the offense of bribery or fraud connected with or resulting from the granting, term extension, or renewal of this ordinance.

(12) Franchisee's failure or refusal to comply with or a violation of any applicable local, state, or federal law or regulation.

(b) Default procedures. Upon the occurrence of an event of default which can be cured by the immediate payment of money to city or a third party, franchisee shall have 30 days from written notice of the occurrence of the event of default from the director to cure the default before city may exercise any of the default remedies provided for in Section 10. Upon the occurrence of an event of default by franchisee which cannot be cured by the immediate payment of money to city or a third party, franchisee shall have 60 days from the date of written notice from city to franchisee of the occurrence of the event of default to cure the event of default before city may exercise any of its rights or remedies provided for in Section 10, unless the director, the city manager, or the council authorizes a longer cure period upon a showing of good cause to extend the cure period. If an event of default is not cured within the time period allowed for curing the event of default, as provided above, the event of default becomes, without additional notice, an uncured event of default, which shall entitle city to exercise the remedies provided for in Section 10.

SECTION 10. Remedies.

(a) Default remedies. Upon the occurrence of any uncured event of default as described in Section 9, the director shall report the occurrence of same to the city manager and the council. The council shall be entitled in its sole discretion and upon recommendation of the director and the city manager to exercise any or all of the following cumulative remedies:

- (1) Exercise its rights to impose liquidated damages as described in Subsection (e).
- (2) Authorize the city attorney to commence an action against franchisee at law or in equity, or both, including an action for monetary damages and specific performance.
- (3) Suspend the franchise granted under this ordinance.
- (4) Revoke the franchise granted under this ordinance.

(b) Suspension procedure. Upon the occurrence of an uncured event of default, the director may suspend the operation of the solid waste collection service doing business under this ordinance. If the director determines that suspension of the franchise is necessary to cure an event of default, the director shall comply with the procedures established in Section 18-37 of the Dallas City Code.

(c) Revocation procedure. Upon the occurrence of an uncured event of default, the council shall have the right to revoke this ordinance. Upon revocation, the rights, permissions, and privileges comprising the franchise granted under this ordinance shall be automatically deemed null and void and shall have no further force or effect and the provisions that are contractual in nature which are also included as a part of this ordinance are hereby automatically terminated, except that franchisee shall retain the obligation to report gross income and make franchisee fee payments covering the period prior to the effective date of the revocation. Upon revocation, city shall retain any portion of the franchise fee and other fees or payments paid to it, or which are due and payable to it, to the date of the revocation. Notwithstanding the above, prior to any council hearing to formally consider revocation of the franchise granted under this ordinance, the director shall notify franchisee in writing at least 10 days in advance of the council hearing at which the issue of revocation shall be considered and decided. Franchisee shall have the right to appear before the council in person or by legal counsel and raise any objections or defenses franchisee may have that are relevant to the proposed revocation. In addition, the following procedures shall apply in regard to the revocation hearing:

(1) The council shall hear and consider the issue of revocation, shall hear any person interested in the issue, and shall determine, in its sole discretion, whether or not any violation by franchisee has occurred justifying a revocation of the franchise.

(2) At such hearing, franchisee shall be provided due process, including the right to be heard, to ask questions of witnesses, and to present evidence.

(3) Upon completion of the hearing described above, the council shall render a decision. Within a reasonable time, the director shall transmit a copy of the decision to franchisee. Franchisee shall be bound by the council's decision, unless it appeals the decision to a court of competent jurisdiction within 15 days after the date of the decision. Franchisee reserves the right to challenge both the decision itself and the fairness of the process followed by the city in the proceeding.

(4) The council reserves the right, in its sole discretion, to impose liquidated damages or to pursue other remedies as provided in this Section 10 in lieu of a revocation.

(d) Letter of credit. As security for the faithful performance by franchisee of the provisions of this ordinance and compliance with all orders, permits, and directions of city and the payment of all claims, liens, fees, liquidated damages, and taxes to city, franchisee shall deposit with city, no later than the effective date of this ordinance, an unconditional and irrevocable letter of credit in a penal amount equal to one month's franchise fee payment. The initial value of the letter of credit shall be established on the basis of the monthly franchise fee that would have been paid on the previous calendar year's monthly average gross receipts on a cash basis from any source derived at any location regardless of whether those receipts were earned entirely within the authorized area. The letter of credit shall be updated annually in January of each calendar year during the term of this ordinance. The value of the annually updated letter of credit will be equal to the average monthly franchise fee payment submitted by franchisee as required in this ordinance during the previous calendar year. The letter of credit must be issued by a federally-chartered or state-chartered financial institution with a principal

office or branch located in Dallas County and otherwise acceptable to the council, on terms acceptable to the council and approved by the city attorney. The letter of credit shall expressly provide that partial draws are permitted and that a draft thereon to the order of the city will be honored upon presentation to the issuing financial institution at a principal office or branch located within Dallas County of a letter of demand from city delivered in person or by courier delivery. The letter of demand must be signed by a person purporting to be the city's chief financial officer, city manager, or director. No supporting documents will be required and no other language, other than a demand to pay and a recitation of title, will be required as conditions for permitting the draw. Failure to timely deposit the letter of credit, or the failure to maintain the letter(s) of credit in the full amount required under this subsection and in effect during the entire term of this ordinance, or any renewal or extension of this ordinance, shall constitute a material breach of the terms of this ordinance.

(1) If franchisee fails to make timely payment to city or its designee of any amount due as a result of this ordinance or fails to make timely payment to city of any taxes due; or fails to repay city for damages and costs, including attorney's fees; or fails to comply with any provision of this ordinance which city reasonably determines can be remedied by an expenditure of monies, city may draw upon the letter of credit an amount sufficient to repay city with interest as set forth in this ordinance, if not otherwise specified by law.

(2) Within three days after a drawing upon the letter of credit, city shall send written notification of the amount, date, and purpose of the drawing to franchisee by certified mail, return receipt requested.

(3) If, at the time of a draw by city, the aggregate amount realized from the letter of credit is insufficient to provide the total payment toward which the draw is directed, the

balance of such payment, plus accrued interest, shall constitute an obligation of franchisee to city until paid. If the interest rate is not set forth in this ordinance or set by laws, then interest shall be the prime rate as established in the Wall Street Journal on the day before city sends notice to franchisee of its intent to draw the letter of credit.

(4) No later than 30 days after mailing of notification to franchisee of a draw pursuant to Subsection (d)(2) above, franchisee shall cause the letter of credit to be restored to the full amount required under this ordinance. Failure to timely restore the letter of credit shall constitute a material breach of the terms of this ordinance.

(5) The rights reserved to city with respect to this letter of credit are in addition to all other rights and remedies of city, whether reserved by this ordinance or authorized by law, and no action, proceeding or exercise of a right with respect to such letter of credit shall affect any other rights city may have.

(e) Liquidated damages. The parties agree that: (1) the harm or damage caused by any material breach of this franchise, other than the failure to pay franchise fees, is of a kind that is difficult or incapable of estimation; and (2) the amount of liquidated damages stipulated in the ordinance is a reasonable forecast of just compensation. Therefore, in addition to the other remedies provided for in this Section 10, liquidated damages in the amounts set forth below may be assessed by the council upon franchisee, following the notice and opportunity to cure procedures in Subsection (f) below, for failure or refusal to comply with any material term or condition of this ordinance or for any other uncured event of default. In the event the council determines that franchisee has committed, continued, or permitted a material failure or refusal of compliance or other uncured event of default that has not been cured as provided in this ordinance, franchisee shall pay \$2,000 per day for each day or part of a day that the material

failure or refusal or other uncured event of default is committed, continued, or permitted, unless the council at the time of imposition of the civil penalty determines that good cause justifies a lesser penalty, based upon the surrounding circumstances, frequency, number, and seriousness of the material violations or uncured events of default in question and the public interest served by imposing a lesser civil penalty.

(f) Liquidated damages procedure. Liquidated damages may be assessed by the council in accordance with the following procedure:

(1) Following notice from the director, which notice, at the director's election, may be combined with the notice described in Section (9)(b), franchisee shall meet with the director to attempt to resolve any disagreements on whether liquidated damages should be assessed or what liquidated damages should be recommended to the council. If there is no resolution of the issue within 15 days after the mailing of the notice, then the director shall present the director's recommendation regarding liquidated damages to the city manager for review and concurrence. If the city manager concurs in the director's recommendation that liquidated damages should be assessed, the matter shall be presented to the council. The director shall notify franchisee of the recommendation of the city manager to the council, the time and date of the proposed hearing concerning the issue of liquidated damages, and a statement that franchisee has a right to appear and be heard before the council on the matter. In order to appear before and be heard by the council, franchisee must comply with applicable council procedures which can be obtained from the city secretary.

(2) Upon presentation of the recommendations of the director and the city manager, the council may decide on one or more of the following courses of action:

(A) to authorize the city attorney to proceed against franchisee under Section 10(a)(2);

(B) to assess liquidated damages in the amount provided above for the applicable material violation or uncured event of default. Council may provide for a lesser amount and may suspend all or part of said assessment upon reasonable conditions for any reasonable period, up to the end of the franchise;

(C) to determine that liquidated damages are not justified under the circumstances and assess no damages; or

(D) to remand the matter to the city manager or the director for further investigation, consideration, and recommendation to the council.

(3) Assessment of liquidated damages by the council shall be a monetary obligation of franchisee to city in the amount determined by the council and shall be paid in full by franchisee within 15 business days after the date of assessment by the council.

(4) The procedures stated in this Subsection (f) do not apply to the council's determination to require the payment of money, in lieu of other available remedies, in a revocation proceeding under Subsection (b)(4).

(g) Remedies cumulative. Subject to applicable law, the rights and remedies of city set forth in this Section 10 shall be in addition to and not in limitation of, any other rights and remedies provided by law or in equity. If the council determines that a violation by franchisee was franchisee's fault and within its control, the council may pursue any or all of the remedies provided in Section 10. The remedies of city created under this ordinance shall be cumulative to the maximum extent permitted by law. The exercise by city of any one or more remedies under this ordinance shall not preclude the exercise by city, at the same or different times, of any other

remedies for the same material uncured event of default. Notwithstanding any provision of this ordinance, however, city shall not recover both liquidated damages and actual damages for the same violation, breach, non-compliance, or material uncured event of default.

(h) Curable violations. Franchisee shall not be found in violation of this ordinance or any other applicable law or regulation, and shall suffer no penalties or damages as a result, if the violation occurs without fault of franchisee or occurs as a result of circumstances beyond its control, and, if curable, is promptly cured. Franchisee shall not be excused by mere economic hardship nor by the negligence or malfeasance of its directors, officers or employees.

(i) City right to purchase. In the event city revokes the franchise granted under this ordinance for cause, terminates the franchise as provided in Subsection (j) below, or denies renewal of the franchise granted under this ordinance, city shall have the right (but not the obligation) subject to the applicable provisions of city charter, directly or as an intermediary, to purchase the assets of the solid waste collection system through its authority under, and procedures applicable to, eminent domain.

(j) Termination in the public interest. Nothing in this section shall be construed as affecting the right of the council under the city charter to terminate this ordinance without cause in the public interest when it is deemed inconsistent with the public use of city's public ways or is deemed to cause or constitute a nuisance.

SECTION 11. Providing Information.

(a) Complete and accurate books required. Franchisee shall keep complete and accurate books of account and records of its solid waste collection service business and operations under and in connection with this ordinance in accordance with generally accepted accounting principles and generally accepted government auditing standards.

(b) City review of documentation. City may fully review such of franchisee's books, accounts, documents, and other records of franchisee or franchisee's affiliates during normal business hours on a non-disruptive basis and with such advance notice as is reasonably necessary to monitor compliance with the terms of this ordinance. All books, accounts, documents, and other records shall be made available at a single location in the Dallas-Fort Worth metropolitan area. Books, accounts, documents, and other records that are kept on an electronic basis shall also be made available on the same basis as the paper books, accounts, documents, and other records; where possible, such items shall be made available in a CD-ROM disk or other similar platform in a format that is readable by city's computers. The reviewable items shall include, but shall not be limited to, records required to be kept by franchisee pursuant to law and the financial information underlying the written report accompanying the franchise fee. To the extent permitted by law, city agrees to treat any information disclosed by franchisee under this section as confidential, if and only to the extent that franchisee provides prior written notice that specific information is confidential as trade secrets or proprietary competitive information. Blanket or overly broad claims of confidentiality will be of no effect.

(c) Additional reports. Franchisee shall, when required by the council, the city manager, or the director, report to city any reasonably requested information relating to franchisee or the affiliates or necessary for the administration of this ordinance. The director shall have the right to establish formats for these additional reports, determine the time for these reports and the frequency with which these reports, if any, are to be made, and require that any reports be made under oath.

SECTION 12. General.

(a) Entire agreement. This ordinance (with all referenced exhibits, attachments, and provisions incorporated by reference) embodies the entire agreement and the rights, privileges, and permissions between city and franchisee, superseding all oral or written previous negotiations or agreements between city and franchisee relating to matters set forth in this ordinance. This ordinance can be amended by an ordinance enacted by the council. Such action by council does not require the hearing procedures for revocation set forth in Subsection 10(4)(b) of this ordinance, but only the posting of an agenda item and the opportunity for speakers to be heard on the item.

(b) Notices. Except as otherwise provided in Subsection 12(c) of this ordinance, any notice, payment, statement, or demand required or permitted to be given under this ordinance by either party to the other may be effected by any of the means described in Subsection 12(d) of this ordinance. Mailed notices shall be addressed to the parties at the addresses appearing below, but each party may change its address by written notice in accordance with this section. Mailed notices shall be deemed communicated as of three days after mailing.

Section 2-86 of the Dallas City Code is expressly incorporated by reference and made a part of this ordinance as if written word for word in this ordinance. Contractor shall comply with the requirements of Section 2-86 as a precondition of any claim against city relating to or arising out of this ordinance.

(d) Delivery of notices. Notices required to be given under this ordinance may be transmitted in any of the following four ways:

(1) By personal delivery, in which case they are deemed given when delivered.

(e) City/franchisee meetings. Franchisee shall meet with the director, the city manager or the council at reasonable times to discuss any aspect of this ordinance or the services or facilities of franchisee. At all meetings, franchisee shall make available personnel qualified for the issues to be discussed and such meetings shall be at city's offices unless otherwise agreed.

(f) Legal construction. This ordinance shall be governed by and construed in accordance with the laws and court decisions of the State of Texas, without regard to conflict of law or choice of law principles of Texas or of any other state. Exclusive venue for any litigation that may be filed in connection with this ordinance shall be in Dallas County, Texas. This ordinance is not a contract for goods or services within the meaning of Texas Local Government Code §§271.151 *et seq.*

(g) No inducement. Franchisee, by accepting this ordinance, acknowledges that it has not been induced to accept this ordinance by any promise, oral or written, by or on behalf of city or by any third person regarding any term or condition not expressed in this ordinance. Franchisee further pledges that no promise or inducement, oral or written, has been made to any city employee or official regarding the grant, receipt or award of this ordinance.

(h) Franchisee acknowledgement. Franchisee further acknowledges by acceptance of this ordinance that it has carefully read the terms and conditions of this ordinance and accepts the obligations imposed by the terms and conditions herein.

(i) No waiver by city. No failure by city to insist upon the strict performance of any covenant, provision, term or condition of this ordinance, or to exercise any right, term or remedy upon a breach thereof shall constitute a waiver of any such breach of such covenant, agreement, term, or condition. No waiver of any breach shall affect or alter this ordinance, but each and every covenant, provision, term or condition of this ordinance shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

(j) Governmental licenses. Franchisee shall, at its expense, obtain and maintain all additional governmental regulatory licenses necessary to operate the solid waste collection service in accordance with this ordinance.

(k) Severability. If any section, paragraph, or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions of this ordinance.

(l) City retained powers. In addition to all rights provided in this ordinance, city reserves all rights and powers conferred by federal law, the Texas Constitution, Texas statutes and decisions, the City Charter, city code, and city ordinances which city is allowed to exercise.

(m) Material misinformation. The provision of information by franchisee or any of its affiliates to city in connection with any matters under this ordinance which contains an untrue statement of a material fact or omits a material fact necessary to make the information not misleading shall constitute a violation of this ordinance and shall be subject to the remedies

provided in Section 10. Each day that franchisee or an affiliate fails to correct an untrue statement of a material fact or the omission of a material fact necessary to make the information not misleading shall constitute a separate violation of this ordinance.

(n) Hearing procedures. The following additional procedures shall apply to any hearing held in connection with any action taken by the council in connection with this ordinance:

(1) The council may conduct the hearing or, in its sole discretion, may by resolution appoint a committee or subcommittee of the council or a hearing officer to conduct the hearing and submit a proposal for decision to it, pursuant to procedures established by resolution.

(2) The hearing shall afford franchisee rudimentary due process. The council may by resolution establish other procedural matters in connection with the hearing.

(o) Acceptance. Upon adoption of this ordinance, franchisee agrees to be bound by all the terms and conditions contained herein, as evidenced by filing the original with the city secretary and a copy with the director, in writing, within 30 days after the date the council approves this ordinance, an unconditional acceptance of the ordinance and promise to comply with and abide by all its provisions, terms, and conditions. The form of unconditional acceptance and promise, attached to and made a part of this ordinance as Exhibit B, shall be sworn to, by, or on behalf of franchisee before a notary public. If within 30 days after the date the council approves the ordinance, franchisee fails to (1) submit and file the properly executed acceptance, (2) pay all taxes due, and (3) submit the letter of credit and required certificate of insurance, then this ordinance and the rights, permissions, and privileges granted under this ordinance shall be null and void and shall have no force or effect, unless franchisee evidences such failure was due to clerical error by someone other than franchisee or its affiliates and then acts promptly to

remedy the third party's clerical error. The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the acceptance required by this subsection is filed as provided herein.

(p) Time is of the essence. Whenever this ordinance shall set forth any time for an act to be performed by or on behalf of franchisee, such time shall be deemed of the essence and any failure of franchisee to perform within time allotted shall always be sufficient grounds for city to invoke an appropriate remedy, including possible revocation of the ordinance.

(q) Force majeure. The time within which franchisee shall be required to perform any act under this ordinance shall be extended by a period of time equal to the number of days due to a force majeure. The term "force majeure" shall mean delays due to acts of God, inability to obtain governmental approvals, governmental restrictions, war, act of terrorism, civil disturbances, fire, unavoidable casualty, or other similar causes beyond the control of franchisee. Notwithstanding anything contained anywhere else in this ordinance, franchisee shall not be excused from performance of any of its obligations under this ordinance by the negligence or malfeasance of its directors, officers, or employees or by mere economic hardship.

(r) Recognition of rights. Franchisee agrees that by adopting this ordinance, neither city nor franchisee have waived any rights, claims, or defenses they may have with respect to city's rights to impose the requirements contained in this ordinance in whole or in part upon franchisee.

(s) Police powers.

(1) In accepting this ordinance, franchisee acknowledges that its rights under this ordinance are subject to the police power of city to adopt and enforce general ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all

applicable general laws and ordinances enacted by city pursuant to such powers. Any conflict between the provisions of this ordinance and any other present or future lawful exercise of city's police powers shall be resolved in favor of the latter.

(2) Franchisee recognizes the right of city to make reasonable amendments to this ordinance; except that city shall not make amendments materially adversely affecting franchisee except under a proper exercise of city's police powers, with notice to franchisee and an opportunity to be heard in a regular public meeting of the council considering the ordinance or amendment. Franchisee acknowledges that this is the extent of its rights to a hearing respecting franchise ordinance amendments under the charter.

(3) Franchisee also recognizes city's right to impose such other regulations of general applicability as shall be determined by city to be conducive to the safety, welfare, and accommodation of the public.

(t) No presumption of renewal. This ordinance and the grant contained herein do not imply, grant, or infer any renewal rights in favor of franchisee or its affiliates.

(u) Recognition of city charter. Franchisee recognizes, accepts and agrees that the terms, conditions and provisions of this ordinance are subject to the applicable provisions of Chapter XIV of the Dallas City Charter. Any request by franchisee for an amendment to this ordinance shall be subject to review by the city attorney for compliance with the applicable provisions of the city charter.

SECTION 13. Outstanding license fees. This ordinance shall not take effect until all fees still owed to city from the existing license previously issued to franchisee for solid waste collection, hauling, and disposal service under provisions of the city code applicable to solid waste collection, hauling, and disposal licenses are paid in full. If the previous license fees owed

to city are not paid by franchisee within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect. The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the previous license fees have been paid in full.

SECTION 14. Ordinance effective date. Subject to the provisions of Subsection 5(e), Subsection 12(o), and Section 13, this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas (the “effective date”), and it is accordingly so ordained.

franchisee non-exclusive permission and privilege solely for the purpose of operating and maintaining a solid waste collection service in, over, along and across the public ways in the authorized area. This grant is subject to the following additional conditions:

(a) Franchisee purpose. Franchisee accepts the grant set forth above and agrees to operate and maintain the solid waste collection service in the authorized area in accordance with the terms and provisions of this ordinance.

(b) Other services. By granting this ordinance, city is not authorizing any non-solid waste collection service to be provided and does not waive and specifically retains any right to regulate and receive compensation as allowed by law for services offered by franchisee which are not solid waste collection services. Franchisee shall immediately notify city if it provides any non-solid waste collection services within the authorized area.

(c) No priority. This ordinance does not establish any priority for the use of the public ways by franchisee or by any present or future recipients of franchise agreements, franchisees, permit holders, or other users of the public ways. In the event of any dispute as to the priority of use of the public ways, the first priority shall be to the public generally, the second priority to city, the third priority to the State of Texas and its political subdivisions in the performance of their various functions, and thereafter, as between recipients of franchise agreements, franchisees and other state or local permit holders, as determined by the city manager in the exercise of the city's powers, including the police power and other powers reserved to and conferred on it by the State of Texas.

(d) City's use of public ways. Franchisee acknowledges that by this ordinance it obtains no rights to use or further use of the public ways other than those expressly granted in this ordinance. Franchisee acknowledges and accepts at its own risk, provided that city has the

legal authority for the use or uses in question, that city may make use in the future of the public ways in which the solid waste collection service is located in a manner inconsistent with franchisee's use of such public ways for the solid waste collection service, and in that event franchisee shall not be entitled to compensation from city unless compensation is available to all users of the public ways which are affected in a similar manner and are similarly situated in relevant respects with the franchisee.

(e) Emergencies. City may temporarily suspend the operation of the solid waste collection service of franchisee in the event of a public emergency or calamity as determined by city. In such event, neither city nor any agent, contractor, or employee of city shall be liable to franchisee or its customers or third parties for any damages caused them or the solid waste collection system. Where reasonably possible, prior notice shall be given to franchisee. In any event, notice of such action shall be given to franchisee after such action is taken.

(f) Compliance with law and standards of operation. Franchisee shall be subject to and comply with all applicable local, state, and federal laws, including the rules and regulations of any and all agencies thereof, whether presently in force or whether enacted or adopted at any time in the future.

(g) Other approvals and authorizations. (h) City's right of eminent domain reserved. Nothing in this ordinance shall limit any right city may have to acquire by eminent domain any property of franchisee.

(i) Taxes, fees and other assessments. Nothing in this ordinance shall be construed to limit the authority of city to impose a tax, fee, or other assessment of any kind on any person. (j) Disputes among public ways users. Franchisee shall respect the rights and property of city and other authorized users of the public ways. Disputes between franchisee and other similar franchisees over use of public ways shall be submitted to the director for resolution; provided, however, that franchisee reserves its rights to submit such disputes directly to a court of competent jurisdiction.

SECTION 4. Service requirements.

(a) It is expressly understood and agreed that franchisee has the non-exclusive right, to the extent permitted by this ordinance, to collect and transport solid waste within the authorized area where the individuals or companies contract with franchisee for those services, excluding residential service (other than apartment complexes and motels). Notwithstanding the exclusion for residential service, city reserves the right during the term of this franchise ordinance to collect and transport solid waste and other materials from any source whatsoever, including but not limited to apartment complexes, motels, and any commercial venue without any amendment or modification of this franchise ordinance. Franchisee shall, at its own expense, furnish personnel and equipment to collect and transport, solid waste and shall establish and maintain the contracted solid waste collection service in an efficient and businesslike manner.

(b) All vehicles used by franchisee for the collection and transportation of solid waste shall display a decal issued by the director in or upon a conspicuous place on the vehicle, in accordance with the applicable requirements of the city code. All vehicles shall be covered at all times while loaded and in transit to prevent the spillage of solid waste onto the public ways or properties adjacent to the public ways. Any spillage will be promptly recovered by franchisee. All vehicles and containers owned by franchisee shall be clearly marked with franchisee's name in letters not less than four inches in height. All vehicles shall be cleaned and maintained by franchisee so as to be in good repair, of good appearance and, when idle, free of solid waste residue as may cause odor, provide a breeding place for vectors, or otherwise create a nuisance. In addition, franchisee shall comply with the requirements for solid waste collection vehicles and containers contained in Sections 18-45 and 18-50 (b) of the Dallas City Code.

(c) Franchisee expressly agrees to assume liability and responsibility for all costs of repair to the public ways and other facilities that are damaged as a result of the negligence of franchisee, its officers, agents, or employees, during franchisee's operations pursuant to this ordinance.

(d) Franchisee will comply with all rules, regulations, laws and ordinances pertaining to the disposal of solid waste as directed by the city or by other responsible governmental agencies having jurisdiction must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill, pursuant to Chapter 18 of the city code, as amended. Disposal of all solid waste collected by franchisee from premises within the authorized area must be made at an approved solid waste disposal, collection, or processing facility, transfer station or landfill in accordance with the Dallas City Code.

SECTION 5. Indemnity and insurance.

(a) **INDEMNIFICATION OF CITY.** FRANCHISEE SHALL, AT ITS SOLE COST AND EXPENSE, DEFEND, INDEMNIFY, AND HOLD HARMLESS CITY AND ITS OFFICERS, BOARDS, COMMISSIONS, EMPLOYEES, AGENTS, ATTORNEYS, AND CONTRACTORS (HEREINAFTER REFERRED TO AS “INDEMNITEES”), FROM AND AGAINST:

(1) ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, COSTS, AND EXPENSES FOR PERSONAL INJURY (INCLUDING DEATH), PROPERTY DAMAGE, OR OTHER HARM FOR WHICH RECOVERY OF DAMAGES IS SOUGHT, SUFFERED BY ANY PERSON OR PERSONS, THAT MAY ARISE OUT OF OR BE OCCASIONED BY FRANCHISEE'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS FRANCHISE, OR BY ANY NEGLIGENT OR STRICTLY LIABLE ACT OR OMISSION OF FRANCHISEE, ITS OFFICERS, AGENTS, EMPLOYEES, CONTRACTORS, OR SUBCONTRACTORS, IN THE OPERATION OR MAINTENANCE OF THE SOLID WASTE COLLECTION SERVICE, OR IN THE DISPOSAL, HANDLING, OR TRANSFER OF ANY SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE; FRANCHISEE'S OBLIGATION TO DEFEND AND INDEMNIFY INDEMNITEES UNDER THIS SUBPARAGRAPH SHALL EXTEND TO CLAIMS, LOSSES, AND OTHER MATTERS COVERED UNDER THIS SUBPARAGRAPH THAT ARE CONTRIBUTED TO BY THE NEGLIGENCE OF ONE OR MORE INDEMNITEES, PROVIDED, HOWEVER, THAT INDEMNITY WILL BE REDUCED BY THE PROPORTIONATE AMOUNT THROUGH WHICH THE INDEMNITEE CONTRIBUTED TO THE LIABILITY, AS PROVIDED UNDER TEXAS LAW, WITHOUT WAIVING ANY GOVERNMENTAL

IMMUNITY AVAILABLE TO CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF EITHER FRANCHISEE OR CITY UNDER TEXAS LAW; THE ABOVE INDEMNIFICATION SHALL NOT, HOWEVER, APPLY TO ANY JUDGMENT OF LIABILITY RESULTING FROM THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF CITY; AND

(2) ANY AND ALL LIABILITY, OBLIGATION, DAMAGES, FINES, PENALTIES, CLAIMS, SUITS, JUDGMENTS, ACTIONS, LIENS, AND LOSSES, WHICH MAY BE IMPOSED UPON OR ASSERTED AGAINST THE INDEMNITEES BECAUSE OF ANY VIOLATION OF ANY STATE OR FEDERAL LAW OR REGULATION GOVERNING THE SOLID WASTE COLLECTION SERVICE OR RELATED TO THE COLLECTION, DISPOSAL, TRANSFER, OR HANDLING BY FRANCHISEE, ITS OFFICERS, EMPLOYEES, AGENTS, OR SUBCONTRACTORS, OF SOLID WASTE COLLECTED THROUGH THE SOLID WASTE COLLECTION SERVICE REGARDLESS OF WHETHER OR NOT THE NEGLIGENCE, FAULT, OR OTHER WRONGFUL CONDUCT OF THE INDEMNITEES CONTRIBUTED TO ANY VIOLATION; AND FRANCHISEE SHALL PAY ALL JUDGMENTS, WITH COSTS, ATTORNEY'S FEES, AND EXPENSES AWARDED IN SUCH JUDGMENT WHICH MAY BE OBTAINED AGAINST CITY RELATED TO ANY SUCH CLAIM. UPON THE WRITTEN REQUEST OF CITY, FRANCHISEE SHALL IMMEDIATELY, AT ITS SOLE COST AND EXPENSE, CAUSE ANY LIEN COVERING CITY'S PROPERTY AS DESCRIBED IN THIS SUBPARAGRAPH TO BE DISCHARGED OR BONDED.

(3) THIS SUBSECTION SHALL NOT BE CONSTRUED TO WAIVE ANY GOVERNMENTAL IMMUNITY FROM SUIT OR LIABILITY AVAILABLE TO

CITY UNDER TEXAS OR FEDERAL LAW. THE PROVISIONS OF THIS SUBSECTION ARE SOLELY FOR THE BENEFIT OF CITY AND FRANCHISEE AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

(b) Franchisee's assumption of risk. Franchisee undertakes and assumes for its officers, employees, agents, contractors, and subcontractors (collectively "Franchisee" for the purpose of this subsection), all risk of dangerous conditions, if any, on or about any city-owned or controlled property, including the public ways, **AND FRANCHISEE HEREBY AGREES TO INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST AND FROM ANY CLAIM ASSERTED OR LIABILITY IMPOSED UPON THE INDEMNITEES FOR PERSONAL INJURY OR PROPERTY DAMAGE TO ANY PERSON (OTHER THAN FROM AN INDEMNITEE'S NEGLIGENCE OR WILLFUL MISCONDUCT) ARISING OUT OF FRANCHISEE'S OPERATION, MAINTENANCE, OR CONDITION OF THE SOLID WASTE COLLECTION SERVICE OR FRANCHISEE'S FAILURE TO COMPLY WITH ANY FEDERAL, STATE OR LOCAL STATUTE, ORDINANCE OR REGULATION.**

(c) Defense of city. In the event any action or proceeding shall be brought against the indemnitees by reason of any matter for which the indemnitees are indemnified hereunder, franchisee shall, upon notice from any of the indemnitees, at franchisee's sole cost and expense, (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses, and consultants, and the associated costs of document production), resist and defend the same with legal counsel selected by franchisee and consented to by city, such consent not to be unreasonably withheld; provided, however, that franchisee shall not admit liability in any such

matter on behalf of the indemnitees without city's written consent and provided further that the indemnitees shall not admit liability for, nor enter into any compromise or settlement of, any claim for which they are indemnified hereunder, without the prior written consent of franchisee and execution of any settlement agreement on behalf of the city by the city attorney, and further provided that for the search, review, and production of documents, the city attorney may elect to handle some or all of the process in-house at the expense of the franchisee.

(d) Expenses. The indemnitees shall give franchisee prompt notice of the making of any claim or the commencement of any action, suit or other proceeding covered by the provisions of this Section 5. Nothing herein shall be deemed to prevent the indemnitees from participating in the defense of any litigation by their own counsel at their own expense. Franchisee shall pay all expenses incurred by the indemnitees in participating in the defense, provided that the participation has been requested or required by franchisee in conducting the defense. These expenses may include out-of-pocket expenses reasonably and necessarily incurred, such as attorney fees and the reasonable value of any services rendered by city's counsel and the actual expenses of the indemnitees' agents, employees or expert witnesses, and disbursements and liabilities assumed by the indemnitees in connection with such suits, actions or proceedings but shall not include attorney's fees for services that are unnecessarily duplicative of services provided the Indemnitees by franchisee.

(e) Insurance required. Not later than the effective date of this ordinance, franchisee shall procure, pay for, and maintain insurance coverage in at least the minimum amounts and coverages described in Exhibit A, attached to and made a part of this ordinance. The insurance shall be written by companies approved by the State of Texas and acceptable to city. The insurance shall be evidenced by the delivery to city of policies of insurance, including all

endorsements executed by the insurer or its authorized agent stating coverages, limits, exclusions, deductibles, and expiration dates, which demonstrate compliance with all applicable provisions of the insurance laws and rules in the State of Texas. **THIS ORDINANCE SHALL NOT TAKE EFFECT UNTIL THE INSURANCE POLICY HAS BEEN DELIVERED TO CITY AND NO OFFICER OR EMPLOYEE SHALL HAVE AUTHORITY TO WAIVE THIS REQUIREMENT.** If satisfactory evidence of the required insurance is not submitted within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect.

(f) Changes in insurance coverage. Franchisee shall provide the city with true and complete copies of all changes to insurance policies, including any cancellation, coverage change, or termination notice, or any replacement insurance, before these changes become effective. Certificates of insurance reflecting the annual renewal, replacement insurance or coverage changes must be submitted when such policies become effective to provide evidence of continuing insurance coverage. Although certificates are routinely accepted as substitutes for copies of insurance policies, the city shall have the right to access and copy any such policy of insurance. The director may prevent franchisee from operating a solid waste collection service under this franchise until satisfactory evidence of insurance coverage required under this section is presented to the director.

(g) Adjustments to insurance requirements. City reserves the right to review the insurance requirements stated in Exhibit A during the effective period of this ordinance and to recommend to the council reasonable adjustments in the insurance requirements contained in the city code prior to the anniversary renewal of the insurance when deemed necessary and prudent by city's Office of Risk Management. Any adjustments shall be mutually agreeable to city and

franchisee, and based upon changes in statutory law, court decisions, or the claims history of the industry as well as franchisee. When any insurance coverage limit changes are agreed, franchisee shall pay any resulting increase in cost due to the changes.

(h) Liability of franchisee. Approval, disapproval, or failure to act by city regarding any insurance supplied or not supplied by franchisee shall not relieve franchisee of full responsibility or liability for damages and accidents as set forth in this ordinance. The bankruptcy, insolvency, or denial of liability by any insurer of franchisee shall not exonerate franchisee from the liability obligations of franchisee provided for under this ordinance.

SECTION 6. Fees, payments and compensation.

(a) Compensation required. Because the special use of the public ways by franchisee and the special business purpose for which the public ways are being used requires rental compensation for the rights and privileges granted under this ordinance, franchisee shall pay city throughout the term of this ordinance a fee in an amount equal to four percent of franchisee's gross receipts, calculated monthly and payable based on the gross receipts realized during the calendar month immediately preceding the calendar month in which the payment is due (hereinafter called the "franchise fee").

(b) Payment procedures. Franchisee shall pay the franchise fee to city each month during the term of this ordinance. The monthly payment required by this ordinance shall be due and payable by certified check, electronic funds transfer, or other means that provide immediately available funds on the day the payment is due not later than 3:00 p.m. of the thirtieth (30th) calendar day following the end of each calendar month. If the thirtieth (30th) calendar day following the end of a calendar month falls on a Saturday, Sunday, or official city holiday, then the payment is due on the business day prior to the due date, and in the month of

February, the payment is due on February 28th. Subject to applicable law, the compensation set forth in this Section 6 shall be exclusive of and in addition to all special assessments and taxes of whatever nature, including, but not limited to, ad valorem taxes. In the event any monthly payment or partial payment is received by the city later than 10 days after the due date, franchisee shall pay interest on the past due amount at the rate prescribed in Section 2-1.1 of the Dallas City Code. Payment shall be accompanied by a monthly report certified by an officer of franchisee showing the total gross receipts of the preceding calendar month. The monthly report shall also include a detailed breakdown of gross receipts and the computation of the payment amount.

(c) Annual report. Franchisee shall file with city by February 1 of each calendar year an annual report showing the total gross receipts of the preceding calendar year along with the information required under Section 18-41 of the Dallas City Code. Such annual report shall include a detailed breakdown of gross receipts and the computation of the payment amount.

(d) City audit. City may audit franchisee (or any affiliate of franchisee who has information directly pertaining to gross receipts) as often as is reasonably necessary to verify the accuracy of the franchise fees paid to city. All books, records, accounts, or other documents in paper or electronic form, necessary for the audit shall be made available by franchisee at a single location in the Dallas-Fort Worth metropolitan area. Any net undisputed amount due to city, plus interest at the rate prescribed in Section 2-1.1 of the Dallas City Code, c, calculated from the date each portion of the underpayment was originally due until the date franchisee remits the underpayment to the city, shall be paid by franchisee within 45 days after city's submitting an invoice for the underpayment to franchisee with reasonable detail supporting the amount claimed. If the amount of the underpayment exceeds five percent of the total franchise fee owed

for the audit period, franchisee shall pay city's audit costs as well. City's right to audit and franchisee's obligation to retain records related to the franchise fee shall be limited to the previous two calendar years preceding the date that written notice of intent to audit is served.

SECTION 7. Term; performance evaluation.

(a) Term and extensions. The term of this ordinance shall be five (5) years from the effective date of this ordinance.

(b) Franchisee rights upon termination. Subject to applicable law, this ordinance and all rights, permissions, and privileges of franchisee under this ordinance shall automatically terminate on the expiration of the term of this ordinance, unless extended by mutual agreement, court order, or applicable law.

(c) Performance evaluation. In order to: (i) assure that franchisee is complying with the terms of this ordinance, as it may be from time to time amended, and (ii) promote a sharing of information between city and franchisee, city may schedule a performance evaluation no more often than every five years during the term of this ordinance, subject to Subsection (d) of this section, in accordance with the following process:

(1) At least 90 days prior to each performance evaluation, city shall notify franchisee of the date, time and location of the evaluation. Such notice shall include specification of any additional information to be provided by franchisee pursuant to Subsection (c)(2)(D) below. Unless specifically waived by the council, attendance of franchisee's duly authorized representative at these meetings is mandatory.

(2) Within 60 days from receipt of notification, franchisee shall file a report with city that is sworn to by a representative of franchisee knowledgeable of the operations of

franchisee within the authorized area, in reasonable detail, specifically addressing, at a minimum, the following areas:

(A) compliance of franchisee's vehicles with solid waste and air quality requirements;

(B) customer service, including but not limited to a listing of customer complaints and their resolution;

(C) history in regard to prompt and accurate payment of franchise fees;

(D) any other topic deemed material or relevant by city for its enforcement of this ordinance.

(3) All reports to be prepared under this subsection and submitted by franchisee shall be based upon information for at least the most recent five-year period, inclusive of the most current quarter available. No report under this subsection shall be based upon data that ends more than six months before the time of the performance evaluation.

(4) Following receipt of the report, but not less than 30 days prior to the performance evaluation, city may request additional information, clarification or detailed documentation concerning those topics identified for inclusion in the performance evaluation. Franchisee shall make reasonable effort to provide such additional information to city prior to the meeting. In the event that the information cannot be made available prior to the performance evaluation, franchisee shall notify city in writing explaining the reasons for any delay. The city may authorize a delay of the performance evaluation for a reasonable time to allow franchisee to submit the additional documentation.

(5) The council shall hear any interested persons during such performance evaluation. Franchisee shall be entitled to all the rights of due process consistent with city

proceedings, including but not limited to, the right to be heard, the right to present evidence, and the right to ask questions of witnesses.

(6) Upon request of city, franchisee shall assist city in notifying customers of the evaluation session. The actual costs associated with the notification, in an amount not to exceed \$1,000.00, shall be borne by franchisee.

(d) Additional performance evaluations. Notwithstanding Subsection (c), the council may initiate and conduct such additional performance evaluations regarding franchisee's performance under this ordinance as the council, in its sole discretion, may deem justified or necessary under the circumstances. Franchisee shall be given reasonable notice of the date, time, and location of any such additional performance evaluations.

SECTION 8. Transfers of ownership and control.

(a) Franchisee ownership, management and operation.

(1) Only franchisee and its affiliates, if any, shall operate, manage, and maintain the solid waste collection service. As provided in Chapter XIV, Section 2(5) of the Dallas City Charter, no franchise, nor the assets held by the franchise holder, may be sold, assigned, transferred, or conveyed to any other person, firm, corporation, or other business entity without the consent of the city first had and obtained by ordinance or resolution, unless otherwise specifically provided in this franchise ordinance. If the purchaser is the holder of a like franchise, the franchise purchased shall be canceled and merged into the franchise held by the purchaser upon terms and conditions as may be set out by the city council when permission for merger is granted. Franchisee shall not directly or indirectly transfer or assign, in whole or in part, the operation, management, ownership, or maintenance of the solid waste collection service without the prior written consent of the council as provided in Subsections 8(b) and 8(c) below.

(2) This section shall not apply to franchisee's employment contracts and other personnel decisions, nor shall it prohibit franchisee from contracting for or subcontracting, in whole or in part, any operational, management or maintenance functions in connection with the solid waste collection service, so long as franchisee does not relinquish its decision making authority over, or its responsibilities under, this ordinance for any particular function; nor shall it prohibit franchisee from complying with this ordinance or other requirements of federal, state, or local laws and regulations.

(3) Franchisee shall provide the director written notice, within five calendar days after its occurrence, of any change in the corporate or business structure, change in the chief executive or the top executive structure, change in the board of directors, or other change in the corporate or business method of governance of franchisee, regardless of whether or not it results in a transfer or assignment of the franchise or a transfer of control or ownership of franchisee.

(b) Transfer and assignment procedures. This ordinance or the solid waste collection service shall not be transferred or assigned, by operation of law or otherwise, nor shall title to franchisee's rights and obligations under this ordinance or to the solid waste collection service pass to or vest in any person, other than for mortgaging or financing of solid waste collection operations or to an affiliate of franchisee under the conditions described below, without the prior written consent of the council. This ordinance shall not be leased or subleased without the prior written consent of the council. The procedures related to transfer or assignment are as follows:

(1) The council's written consent shall not be required for a transfer solely for security purposes (such as the grant of a mortgage or security interest), but shall be required for any realization on the security by the recipient, such as a foreclosure on a mortgage or security

interest. The director shall be advised in writing of a transfer solely for security purposes at least 60 days before such transfer occurs.

(2) Franchisee may, without additional approval by the council, transfer or assign this ordinance to an affiliate provided that the affiliate: (i) assumes all of franchisee's obligations and liabilities under this ordinance occurring both before and after the transfer or assignment; (ii) agrees to comply with all provisions of this ordinance; and (iii) has the legal, technical and financial ability to properly perform and discharge such obligations and liabilities, which abilities are each at least as great as those of franchisee. The director shall be advised in writing of such transfer and of the affiliate's qualifications at least 60 days before such transfer occurs. The city shall be reimbursed any reasonable, documented costs it incurs in connection with such transfer, including the expenses of any investigation or litigation respecting a proposed or consummated transfer, up to a maximum of \$10,000.00.

(c) Transfer of control. There shall be no transfer of or acquisition of control of franchisee without the prior written consent of the council.

(d) Schedule of ownership. Franchisee represents and warrants that its current ownership is as set forth on Exhibit C, attached to and made a part of this ordinance, and that it has full legal and equitable title to the solid waste collection service as of the effective date of this ordinance.

(e) Applications for consent/procedure/restrictions. If franchisee seeks to obtain the consent of the council to any transactions or matters described in this section, franchisee shall submit an application for such consent to the city and shall submit or cause to be submitted to the city such additional documents and information as the director may request that are reasonably related to the transaction, including the purchase price of the solid waste collection service, and

the legal, financial, and technical qualifications of the proposed transferee or new controlling entity.

(1) The council shall have 120 days from the date of submission of a complete and accurate application to act upon the application for consent. If the council fails to act upon such application for consent within 120 days, such application shall be deemed as consented to unless city and franchisee otherwise agree to an extension of time.

(2) The council shall not unreasonably withhold its consent to any proposed transaction. The council may: (i) grant its consent outright, (ii) grant such consent with conditions, which conditions it finds are necessary to ensure performance of franchisee or its successor under this Ordinance, or (iii) deny consent.

(3) Nothing in any approval by the city under this section shall be construed to waive or release any rights of city in and to the public ways, public places of city or property owned by city.

(4) Nothing in any approval by city under this section shall be construed as a waiver or release of any of city's police powers, or as an exercise of eminent domain.

(5) City's granting of consent in any one instance shall not require it to grant consent in other instances.

(6) Franchisee shall reimburse city for the incidental costs incurred by city in considering any request of franchisee under this section. Such reimbursement shall not exceed \$10,000.00, shall be supported by invoices, and shall not include any costs or expenses incurred by city in defending any denial of the request; provided, however, that city does not waive its right to request that its attorney's fees and other costs be reimbursed by court order in any litigation related to denial of a request under this section.

(f) City approval requirements. Before any transfer, assignment, sale, foreclosure, or other change of control described under this section becomes effective and before the council shall consider giving its consent, the proposed transferee, assignee, purchaser, buyer, foreclosing party, or other person or entity seeking to obtain the rights and obligations under this ordinance through a change of control shall provide the director: (i) an agreement and acceptance in writing to comply with all terms of this ordinance, as amended; (ii) all evidence of insurance required under this ordinance, as amended; (iii) the legal name and address of the transferee, and all persons sharing control of the transferee, with a full description of their experience in the solid waste disposal industry, as well as the name and address of the person to be contacted for notices; (iv) payment of outstanding franchise fees and any other fees, taxes, and payments, including fees, interest, and penalties, due from franchisee to the city; and (v) evidence satisfactory to the director that transferee has the legal, technical, and financial ability to properly perform and discharge all obligations and liabilities of this ordinance.

(g) Transfer of control requirements. In the event of a transfer of control, before such transfer becomes effective and before the council shall consider giving its consent, the proposed transferee shall agree in writing to not take any action that will keep franchisee from complying with this ordinance.

SECTION 9. Defaults.

(a) Events of default. The occurrence of any one or more of the following events at any time during the term of this ordinance shall constitute an event of default by franchisee under this ordinance:

(1) The failure or refusal by franchisee to pay the franchise fee when due as prescribed by this ordinance, or any failure to perform on any agreed or court-mandated extension or modification of such payment obligation.

(2) Franchisee's material violation of or failure to comply with any provision or condition of Article IV of Chapter 18 of the Dallas City Code relating to solid waste collection service franchisees or any other applicable provision or condition of the city code.

(3) Franchisee's material violation of or failure to comply with any of the other terms, covenants, representations, or warranties contained in this ordinance, or franchisee's failure or refusal to perform any obligation contained in this ordinance.

(4) Franchisee's failure or refusal to pay or cause to be paid any of city's governmentally-imposed taxes of any kind whatsoever, including but not limited to real estate taxes, sales taxes, and personal property taxes on or before the due date for same; provided, however, franchisee shall not be in default under this subsection with respect to the non-payment of taxes which are being disputed in good faith in accordance with applicable law.

(5) The entry of any judgment against franchisee in which another party becomes entitled to possession of substantially all of franchisee's assets of the solid waste collection service, for which change in possession the consent of the council has not been obtained, and such judgment is not stayed pending rehearing or appeal for 45 or more days following entry of the judgment.

(6) The dissolution or termination, as a matter of law, of franchisee without the prior consent or approval of city, which approval, if formally requested, shall not unreasonably be withheld.

(7) Franchisee's filing of a voluntary petition in bankruptcy; being adjudicated insolvent; obtaining an order for relief under Section 301 of the Bankruptcy Code (11 U.S.C. §301); filing any petition or failing to contest any petition filed against it seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any laws relating to bankruptcy, insolvency or other relief for debtors; seeking or consenting to or acquiescing in the appointment of any bankruptcy trustee, receiver, master, custodian or liquidator of franchisee, or any of franchisee's property or this ordinance or of any and all of the revenues, issues, earnings, profits or income thereof; making an assignment for the benefit of creditors (except secured creditors); or failing to pay franchisee's debts as they become due such that franchisee is unable to meet its obligations under this ordinance.

(8) Franchisee attempts to dispose of any of the facilities or property of its solid waste collection service with the intent of preventing city from purchasing it as provided for in this ordinance.

(9) Franchisee engages in any fraudulent or deceitful conduct with city or its customers.

(10) Franchisee knowingly or intentionally makes a false statement or a misrepresentation as to a material matter in the application for or in the negotiation of this ordinance, or in connection with any report of gross income as required by this ordinance.

(11) Any director, officer, employee, or agent of franchisee is convicted of the offense of bribery or fraud connected with or resulting from the granting, term extension, or renewal of this ordinance.

(12) Franchisee's failure or refusal to comply with or a violation of any applicable local, state, or federal law or regulation.

(b) Default procedures. Upon the occurrence of an event of default which can be cured by the immediate payment of money to city or a third party, franchisee shall have 30 days from written notice of the occurrence of the event of default from the director to cure the default before city may exercise any of the default remedies provided for in Section 10. Upon the occurrence of an event of default by franchisee which cannot be cured by the immediate payment of money to city or a third party, franchisee shall have 60 days from the date of written notice from city to franchisee of the occurrence of the event of default to cure the event of default before city may exercise any of its rights or remedies provided for in Section 10, unless the director, the city manager, or the council authorizes a longer cure period upon a showing of good cause to extend the cure period. If an event of default is not cured within the time period allowed for curing the event of default, as provided above, the event of default becomes, without additional notice, an uncured event of default, which shall entitle city to exercise the remedies provided for in Section 10.

SECTION 10. Remedies.

(a) Default remedies. Upon the occurrence of any uncured event of default as described in Section 9, the director shall report the occurrence of same to the city manager and the council. The council shall be entitled in its sole discretion and upon recommendation of the director and the city manager to exercise any or all of the following cumulative remedies:

- (1) Exercise its rights to impose liquidated damages as described in Subsection (e).
- (2) Authorize the city attorney to commence an action against franchisee at law or in equity, or both, including an action for monetary damages and specific performance.
- (3) Suspend the franchise granted under this ordinance.
- (4) Revoke the franchise granted under this ordinance.

(b) Suspension procedure. Upon the occurrence of an uncured event of default, the director may suspend the operation of the solid waste collection service doing business under this ordinance. If the director determines that suspension of the franchise is necessary to cure an event of default, the director shall comply with the procedures established in Section 18-37 of the Dallas City Code.

(c) Revocation procedure. Upon the occurrence of an uncured event of default, the council shall have the right to revoke this ordinance. Upon revocation, the rights, permissions, and privileges comprising the franchise granted under this ordinance shall be automatically deemed null and void and shall have no further force or effect and the provisions that are contractual in nature which are also included as a part of this ordinance are hereby automatically terminated, except that franchisee shall retain the obligation to report gross income and make franchisee fee payments covering the period prior to the effective date of the revocation. Upon revocation, city shall retain any portion of the franchise fee and other fees or payments paid to it, or which are due and payable to it, to the date of the revocation. Notwithstanding the above, prior to any council hearing to formally consider revocation of the franchise granted under this ordinance, the director shall notify franchisee in writing at least 10 days in advance of the council hearing at which the issue of revocation shall be considered and decided. Franchisee shall have the right to appear before the council in person or by legal counsel and raise any objections or defenses franchisee may have that are relevant to the proposed revocation. In addition, the following procedures shall apply in regard to the revocation hearing:

(1) The council shall hear and consider the issue of revocation, shall hear any person interested in the issue, and shall determine, in its sole discretion, whether or not any violation by franchisee has occurred justifying a revocation of the franchise.

(2) At such hearing, franchisee shall be provided due process, including the right to be heard, to ask questions of witnesses, and to present evidence.

(3) Upon completion of the hearing described above, the council shall render a decision. Within a reasonable time, the director shall transmit a copy of the decision to franchisee. Franchisee shall be bound by the council's decision, unless it appeals the decision to a court of competent jurisdiction within 15 days after the date of the decision. Franchisee reserves the right to challenge both the decision itself and the fairness of the process followed by the city in the proceeding.

(4) The council reserves the right, in its sole discretion, to impose liquidated damages or to pursue other remedies as provided in this Section 10 in lieu of a revocation.

(d) Letter of credit. As security for the faithful performance by franchisee of the provisions of this ordinance and compliance with all orders, permits, and directions of city and the payment of all claims, liens, fees, liquidated damages, and taxes to city, franchisee shall deposit with city, no later than the effective date of this ordinance, an unconditional and irrevocable letter of credit in a penal amount equal to one month's franchise fee payment. The initial value of the letter of credit shall be established on the basis of the monthly franchise fee that would have been paid on the previous calendar year's monthly average gross receipts on a cash basis from any source derived at any location regardless of whether those receipts were earned entirely within the authorized area. The letter of credit shall be updated annually in January of each calendar year during the term of this ordinance. The value of the annually updated letter of credit will be equal to the average monthly franchise fee payment submitted by franchisee as required in this ordinance during the previous calendar year. The letter of credit must be issued by a federally-chartered or state-chartered financial institution with a principal

office or branch located in Dallas County and otherwise acceptable to the council, on terms acceptable to the council and approved by the city attorney. The letter of credit shall expressly provide that partial draws are permitted and that a draft thereon to the order of the city will be honored upon presentation to the issuing financial institution at a principal office or branch located within Dallas County of a letter of demand from city delivered in person or by courier delivery. The letter of demand must be signed by a person purporting to be the city's chief financial officer, city manager, or director. No supporting documents will be required and no other language, other than a demand to pay and a recitation of title, will be required as conditions for permitting the draw. Failure to timely deposit the letter of credit, or the failure to maintain the letter(s) of credit in the full amount required under this subsection and in effect during the entire term of this ordinance, or any renewal or extension of this ordinance, shall constitute a material breach of the terms of this ordinance.

(1) If franchisee fails to make timely payment to city or its designee of any amount due as a result of this ordinance or fails to make timely payment to city of any taxes due; or fails to repay city for damages and costs, including attorney's fees; or fails to comply with any provision of this ordinance which city reasonably determines can be remedied by an expenditure of monies, city may draw upon the letter of credit an amount sufficient to repay city with interest as set forth in this ordinance, if not otherwise specified by law.

(2) Within three days after a drawing upon the letter of credit, city shall send written notification of the amount, date, and purpose of the drawing to franchisee by certified mail, return receipt requested.

(3) If, at the time of a draw by city, the aggregate amount realized from the letter of credit is insufficient to provide the total payment toward which the draw is directed, the

balance of such payment, plus accrued interest, shall constitute an obligation of franchisee to city until paid. If the interest rate is not set forth in this ordinance or set by laws, then interest shall be the prime rate as established in the Wall Street Journal on the day before city sends notice to franchisee of its intent to draw the letter of credit.

(4) No later than 30 days after mailing of notification to franchisee of a draw pursuant to Subsection (d)(2) above, franchisee shall cause the letter of credit to be restored to the full amount required under this ordinance. Failure to timely restore the letter of credit shall constitute a material breach of the terms of this ordinance.

(5) The rights reserved to city with respect to this letter of credit are in addition to all other rights and remedies of city, whether reserved by this ordinance or authorized by law, and no action, proceeding or exercise of a right with respect to such letter of credit shall affect any other rights city may have.

(e) Liquidated damages. The parties agree that: (1) the harm or damage caused by any material breach of this franchise, other than the failure to pay franchise fees, is of a kind that is difficult or incapable of estimation; and (2) the amount of liquidated damages stipulated in the ordinance is a reasonable forecast of just compensation. Therefore, in addition to the other remedies provided for in this Section 10, liquidated damages in the amounts set forth below may be assessed by the council upon franchisee, following the notice and opportunity to cure procedures in Subsection (f) below, for failure or refusal to comply with any material term or condition of this ordinance or for any other uncured event of default. In the event the council determines that franchisee has committed, continued, or permitted a material failure or refusal of compliance or other uncured event of default that has not been cured as provided in this ordinance, franchisee shall pay \$2,000 per day for each day or part of a day that the material

failure or refusal or other uncured event of default is committed, continued, or permitted, unless the council at the time of imposition of the civil penalty determines that good cause justifies a lesser penalty, based upon the surrounding circumstances, frequency, number, and seriousness of the material violations or uncured events of default in question and the public interest served by imposing a lesser civil penalty.

(f) Liquidated damages procedure. Liquidated damages may be assessed by the council in accordance with the following procedure:

(1) Following notice from the director, which notice, at the director's election, may be combined with the notice described in Section (9)(b), franchisee shall meet with the director to attempt to resolve any disagreements on whether liquidated damages should be assessed or what liquidated damages should be recommended to the council. If there is no resolution of the issue within 15 days after the mailing of the notice, then the director shall present the director's recommendation regarding liquidated damages to the city manager for review and concurrence. If the city manager concurs in the director's recommendation that liquidated damages should be assessed, the matter shall be presented to the council. The director shall notify franchisee of the recommendation of the city manager to the council, the time and date of the proposed hearing concerning the issue of liquidated damages, and a statement that franchisee has a right to appear and be heard before the council on the matter. In order to appear before and be heard by the council, franchisee must comply with applicable council procedures which can be obtained from the city secretary.

(2) Upon presentation of the recommendations of the director and the city manager, the council may decide on one or more of the following courses of action:

(A) to authorize the city attorney to proceed against franchisee under Section 10(a)(2);

(B) to assess liquidated damages in the amount provided above for the applicable material violation or uncured event of default. Council may provide for a lesser amount and may suspend all or part of said assessment upon reasonable conditions for any reasonable period, up to the end of the franchise;

(C) to determine that liquidated damages are not justified under the circumstances and assess no damages; or

(D) to remand the matter to the city manager or the director for further investigation, consideration, and recommendation to the council.

(3) Assessment of liquidated damages by the council shall be a monetary obligation of franchisee to city in the amount determined by the council and shall be paid in full by franchisee within 15 business days after the date of assessment by the council.

(4) The procedures stated in this Subsection (f) do not apply to the council's determination to require the payment of money, in lieu of other available remedies, in a revocation proceeding under Subsection (b)(4).

(g) Remedies cumulative. Subject to applicable law, the rights and remedies of city set forth in this Section 10 shall be in addition to and not in limitation of, any other rights and remedies provided by law or in equity. If the council determines that a violation by franchisee was franchisee's fault and within its control, the council may pursue any or all of the remedies provided in Section 10. The remedies of city created under this ordinance shall be cumulative to the maximum extent permitted by law. The exercise by city of any one or more remedies under this ordinance shall not preclude the exercise by city, at the same or different times, of any other

remedies for the same material uncured event of default. Notwithstanding any provision of this ordinance, however, city shall not recover both liquidated damages and actual damages for the same violation, breach, non-compliance, or material uncured event of default.

(h) Curable violations. Franchisee shall not be found in violation of this ordinance or any other applicable law or regulation, and shall suffer no penalties or damages as a result, if the violation occurs without fault of franchisee or occurs as a result of circumstances beyond its control, and, if curable, is promptly cured. Franchisee shall not be excused by mere economic hardship nor by the negligence or malfeasance of its directors, officers or employees.

(i) City right to purchase. In the event city revokes the franchise granted under this ordinance for cause, terminates the franchise as provided in Subsection (j) below, or denies renewal of the franchise granted under this ordinance, city shall have the right (but not the obligation) subject to the applicable provisions of city charter, directly or as an intermediary, to purchase the assets of the solid waste collection system through its authority under, and procedures applicable to, eminent domain.

(j) Termination in the public interest. Nothing in this section shall be construed as affecting the right of the council under the city charter to terminate this ordinance without cause in the public interest when it is deemed inconsistent with the public use of city's public ways or is deemed to cause or constitute a nuisance.

SECTION 11. Providing Information.

(a) Complete and accurate books required. Franchisee shall keep complete and accurate books of account and records of its solid waste collection service business and operations under and in connection with this ordinance in accordance with generally accepted accounting principles and generally accepted government auditing standards.

(b) City review of documentation. City may fully review such of franchisee's books, accounts, documents, and other records of franchisee or franchisee's affiliates during normal business hours on a non-disruptive basis and with such advance notice as is reasonably necessary to monitor compliance with the terms of this ordinance. All books, accounts, documents, and other records shall be made available at a single location in the Dallas-Fort Worth metropolitan area. Books, accounts, documents, and other records that are kept on an electronic basis shall also be made available on the same basis as the paper books, accounts, documents, and other records; where possible, such items shall be made available in a CD-ROM disk or other similar platform in a format that is readable by city's computers. The reviewable items shall include, but shall not be limited to, records required to be kept by franchisee pursuant to law and the financial information underlying the written report accompanying the franchise fee. To the extent permitted by law, city agrees to treat any information disclosed by franchisee under this section as confidential, if and only to the extent that franchisee provides prior written notice that specific information is confidential as trade secrets or proprietary competitive information. Blanket or overly broad claims of confidentiality will be of no effect.

(c) Additional reports. Franchisee shall, when required by the council, the city manager, or the director, report to city any reasonably requested information relating to franchisee or the affiliates or necessary for the administration of this ordinance. The director shall have the right to establish formats for these additional reports, determine the time for these reports and the frequency with which these reports, if any, are to be made, and require that any reports be made under oath.

SECTION 12. General.

(a) Entire agreement. This ordinance (with all referenced exhibits, attachments, and provisions incorporated by reference) embodies the entire agreement and the rights, privileges, and permissions between city and franchisee, superseding all oral or written previous negotiations or agreements between city and franchisee relating to matters set forth in this ordinance. This ordinance can be amended by an ordinance enacted by the council. Such action by council does not require the hearing procedures for revocation set forth in Subsection 10(4)(b) of this ordinance, but only the posting of an agenda item and the opportunity for speakers to be heard on the item.

(b) Notices. Except as otherwise provided in Subsection 12(c) of this ordinance, any notice, payment, statement, or demand required or permitted to be given under this ordinance by either party to the other may be effected by any of the means described in Subsection 12(d) of this ordinance. Mailed notices shall be addressed to the parties at the addresses appearing below, but each party may change its address by written notice in accordance with this section. Mailed notices shall be deemed communicated as of three days after mailing.

If to City:

Either city or franchisee may change its address or personnel for the receipt of notices at any time by giving notice of the change to the other party as provided in this Subsection 12(b). Any notice given by either city or franchisee must be signed by an authorized representative.

(c) Notice of claim. This ordinance is subject to the provisions of Section 2-86 of the Dallas City Code, relating to requirements for filing a notice of a breach of contract claim against city. Section 2-86 of the Dallas City Code is expressly incorporated by reference and made a part of this ordinance as if written word for word in this ordinance. Contractor shall comply with the requirements of Section 2-86 as a precondition of any claim against city relating to or arising out of this ordinance.

(d) Delivery of notices. Notices required to be given under this ordinance may be transmitted in any of the following four ways:

(1) By personal delivery, in which case they are deemed given when delivered.

(2) By delivery to Federal Express, United Parcel Service, or other nationally recognized overnight courier service, in which case they shall be deemed given when received for such service.

(3) By being deposited in the U.S. Mail, by registered or certified mail, return receipt requested, postage prepaid, in which case notice shall be deemed given three calendar days after having been deposited in the U.S. Mail.

(4) By facsimile or electronic mail transmission where the sender's transmittal log shows successful transmission to all the recipients (with any replacement transmission as a recipient shall request) and with a hard copy on the same date or the next day mailed to all by first class mail, postage prepaid, in which case notice shall be deemed given on the date of facsimile or electronic mail transmission.

(e) City/franchisee meetings. Franchisee shall meet with the director, the city manager or the council at reasonable times to discuss any aspect of this ordinance or the services or facilities of franchisee. At all meetings, franchisee shall make available personnel qualified for the issues to be discussed and such meetings shall be at city's offices unless otherwise agreed.

(f) Legal construction. This ordinance shall be governed by and construed in accordance with the laws and court decisions of the State of Texas, without regard to conflict of law or choice of law principles of Texas or of any other state. Exclusive venue for any litigation that may be filed in connection with this ordinance shall be in Dallas County, Texas. This ordinance is not a contract for goods or services within the meaning of Texas Local Government Code §§271.151 *et seq.*

(g) No inducement. Franchisee, by accepting this ordinance, acknowledges that it has not been induced to accept this ordinance by any promise, oral or written, by or on behalf of city or by any third person regarding any term or condition not expressed in this ordinance. Franchisee further pledges that no promise or inducement, oral or written, has been made to any city employee or official regarding the grant, receipt or award of this ordinance.

(h) Franchisee acknowledgement. Franchisee further acknowledges by acceptance of this ordinance that it has carefully read the terms and conditions of this ordinance and accepts the obligations imposed by the terms and conditions herein.

(i) No waiver by city. No failure by city to insist upon the strict performance of any covenant, provision, term or condition of this ordinance, or to exercise any right, term or remedy upon a breach thereof shall constitute a waiver of any such breach of such covenant, agreement, term, or condition. No waiver of any breach shall affect or alter this ordinance, but each and every covenant, provision, term or condition of this ordinance shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

(j) Governmental licenses. Franchisee shall, at its expense, obtain and maintain all additional governmental regulatory licenses necessary to operate the solid waste collection service in accordance with this ordinance.

(k) Severability. If any section, paragraph, or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions of this ordinance.

(l) City retained powers. In addition to all rights provided in this ordinance, city reserves all rights and powers conferred by federal law, the Texas Constitution, Texas statutes and decisions, the City Charter, city code, and city ordinances which city is allowed to exercise.

(m) Material misinformation. The provision of information by franchisee or any of its affiliates to city in connection with any matters under this ordinance which contains an untrue statement of a material fact or omits a material fact necessary to make the information not misleading shall constitute a violation of this ordinance and shall be subject to the remedies provided in Section 10. Each day that franchisee or an affiliate fails to correct an untrue statement of a material fact or the omission of a material fact necessary to make the information not misleading shall constitute a separate violation of this ordinance.

(n) Hearing procedures. The following additional procedures shall apply to any hearing held in connection with any action taken by the council in connection with this ordinance:

(1) The council may conduct the hearing or, in its sole discretion, may by resolution appoint a committee or subcommittee of the council or a hearing officer to conduct the hearing and submit a proposal for decision to it, pursuant to procedures established by resolution.

(2) The hearing shall afford franchisee rudimentary due process. The council may by resolution establish other procedural matters in connection with the hearing.

(o) Acceptance. Upon adoption of this ordinance, franchisee agrees to be bound by all the terms and conditions contained herein, as evidenced by filing the original with the city secretary and a copy with the director, in writing, within 30 days after the date the council approves this ordinance, an unconditional acceptance of the ordinance and promise to comply with and abide by all its provisions, terms, and conditions. The form of unconditional acceptance and promise, attached to and made a part of this ordinance as Exhibit B, shall be sworn to, by, or on behalf of franchisee before a notary public. If within 30 days after the date the council approves the ordinance, franchisee fails to (1) submit and file the properly executed acceptance, (2) pay all taxes due, and (3) submit the letter of credit and required certificate of insurance, then this ordinance and the rights, permissions, and privileges granted under this ordinance shall be null and void and shall have no force or effect, unless franchisee evidences such failure was due to clerical error by someone other than franchisee or its affiliates and then acts promptly to remedy the third party's clerical error. The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the acceptance required by this subsection is filed as provided herein.

(p) Time is of the essence. Whenever this ordinance shall set forth any time for an act to be performed by or on behalf of franchisee, such time shall be deemed of the essence and any failure of franchisee to perform within time allotted shall always be sufficient grounds for city to invoke an appropriate remedy, including possible revocation of the ordinance.

(q) Force majeure. The time within which franchisee shall be required to perform any act under this ordinance shall be extended by a period of time equal to the number of days due to a force majeure. The term “force majeure” shall mean delays due to acts of God, inability to obtain governmental approvals, governmental restrictions, war, act of terrorism, civil disturbances, fire, unavoidable casualty, or other similar causes beyond the control of franchisee. Notwithstanding anything contained anywhere else in this ordinance, franchisee shall not be excused from performance of any of its obligations under this ordinance by the negligence or malfeasance of its directors, officers, or employees or by mere economic hardship.

(r) Recognition of rights. Franchisee agrees that by adopting this ordinance, neither city nor franchisee have waived any rights, claims, or defenses they may have with respect to city's rights to impose the requirements contained in this ordinance in whole or in part upon franchisee.

(s) Police powers.

(1) In accepting this ordinance, franchisee acknowledges that its rights under this ordinance are subject to the police power of city to adopt and enforce general ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all applicable general laws and ordinances enacted by city pursuant to such powers. Any conflict between the provisions of this ordinance and any other present or future lawful exercise of city's police powers shall be resolved in favor of the latter.

(2) Franchisee recognizes the right of city to make reasonable amendments to this ordinance; except that city shall not make amendments materially adversely affecting franchisee except under a proper exercise of city's police powers, with notice to franchisee and an opportunity to be heard in a regular public meeting of the council considering the ordinance or amendment. Franchisee acknowledges that this is the extent of its rights to a hearing respecting franchise ordinance amendments under the charter.

(3) Franchisee also recognizes city's right to impose such other regulations of general applicability as shall be determined by city to be conducive to the safety, welfare, and accommodation of the public.

(t) No presumption of renewal. This ordinance and the grant contained herein do not imply, grant, or infer any renewal rights in favor of franchisee or its affiliates.

(u) Recognition of city charter. Franchisee recognizes, accepts and agrees that the terms, conditions and provisions of this ordinance are subject to the applicable provisions of Chapter XIV of the Dallas City Charter. Any request by franchisee for an amendment to this ordinance shall be subject to review by the city attorney for compliance with the applicable provisions of the city charter.

SECTION 13. Outstanding license fees. This ordinance shall not take effect until all fees still owed to city from the existing license previously issued to franchisee for solid waste collection, hauling, and disposal service under provisions of the city code applicable to solid waste collection, hauling, and disposal licenses are paid in full. If the previous license fees owed to city are not paid by franchisee within 30 days after the date the council approves this ordinance, then this ordinance shall be considered null and void and shall have no force or effect.

The director may prevent franchisee from operating a solid waste collection service under this franchise or reapplying for a new franchise until the previous license fees have been paid in full.

SECTION 14. Ordinance effective date. Subject to the provisions of Subsection 5(e), Subsection 12(o), and Section 13, this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas (the “effective date”), and it is accordingly so ordained.

SUBJECT

Authorize a professional services contract with CDM Smith, Inc. to provide engineering services for a comprehensive assessment and preliminary design report for the rehabilitation of the Jim Miller Pump Station - Not to exceed \$1,975,000 - Financing: Water Utilities Capital Improvement Funds

BACKGROUND

The Jim Miller Pump Station located at 5200 Jim Miller Road in Dallas, Texas is one of the largest and most critical pumping facilities in the Dallas Water Utilities potable water distribution system. The 20 million gallon reservoir receives and stores water from the East Side Water Treatment Plant and supplies water to central, east, and north Dallas, as well as the Pleasant Grove area.

The pump station was constructed in 1950, the reservoir was added in 1978, and a major expansion of the pump station was constructed in 1985. Much of the equipment in the station dates back to the original construction and is inefficient and expensive to operate and maintain. Operation of the pump station can cause surge issues at the pump station and in the distribution system. Unmitigated surge can damage equipment and rupture pipelines.

This action will provide engineering services for a comprehensive assessment of the pump station and reservoir structures, pumps, motors, valves, pipes, electrical gear, instrumentation, heating, ventilation, and air condition equipment. The engineering firm will make recommendations to bring the station up to current building codes and pump station design standards, with a focus on mitigating surge, increasing efficiency, and extending the service life of the pump station. These recommendations will be compiled into a preliminary design report with final design and construction phase services to occur under a future supplemental agreement.

Authorize Supplemental Agreement No. 1 to the professional services contract with Kimley-Horn and Associates, Inc. to provide additional engineering services for the evaluation and design of wastewater infrastructure improvements for the University Hills area between Camp Wisdom Road and the Dallas-Lancaster corporate limit - Not to exceed \$569,738, from \$2,512,805 to \$3,082,543 - Financing: 2012 Bond Funds

BACKGROUND

The Dallas Grow South plan aims to attract new development and growth south of the Trinity River. The area along University Hills Boulevard between Camp Wisdom Road and the Dallas-Lancaster corporate limit is well positioned for development projects, including student housing, multifamily, mixed use, retail, and restaurants. On December 13, 2017, City Council authorized the establishment of the University TIF District to help promote development in the University Hills area as well as the University of Texas at Dallas area by Resolution No. 17-1941; Ordinance No. 30733.

The properties along University Hills Boulevard currently do not have convenient access to wastewater services and this is an inhibitor to growth and development in the region. In order to provide wastewater service to this area, a regional engineering evaluation and design is required. Dallas Water Utilities in cooperation with the Office of Economic Development, plans to evaluate wastewater service to the area and identify the best service option with respect to future development, construction cost and long term maintenance.

This action will provide for an engineering evaluation, recommendations for wastewater service, and design for wastewater infrastructure improvements in the University Hills area between Camp Wisdom Road and the Dallas-Lancaster corporate limit.
