Chief Of Police

Background

- **July 24, 2012** - De-escalation training for patrol officers began following an Officer Involved Shooting within the Dixon Circle community. Other directives from the incident included:
 - Concurrent investigative review with the FBI Civil Rights Office
 - Mandatory carry for Taser trained officers
 - Enhanced consensual search policy requiring written and/or recorded consent
 - Creation of the Community Engagement Team
 - Implementation of a comprehensive Response to Resistance (Use of Force) reporting system
- **January 2013** - DPD began use of Blue Team reporting application for Response to Resistance data

White House Open Data Initiative

- **November 2014** - DPD released 12 years of Officer Involved Shooting data online
- **December 2014** - President Obama announced creation of 21st Century Policing Task Force
 - March 2015 - task force submitted interim report with 60 recommendations
 - One recommendation placed significant emphasis on the potential of data and technology to improve policing outcomes and community trust
- **April 2015** - White House hosted a Police Open Data. DPD was recognized as a forerunner in providing innovative solutions, bringing transparency and context to the complexities of policing.
- **April 2016** - DPD released 3 years of comprehensive Response to Resistance data online

The screenshot shows the Dallas Police Department website. At the top, there is a navigation bar with links for Home, DPD Info, Community, Divisions, Recruiting, and Crime Information. Below this is a large banner image featuring a police car, a group of officers, a motorcycle, mounted officers, and a helicopter. The text "Dallas Police Department" is prominently displayed in the banner, along with "OFFICIAL WEBSITE" on the right.

On the left side, there is a "DPD Reports" section with a list of links: "Officer Involved Shootings (OIS) Data", "Police Reports & Open Records Request", and "Racial Profiling".

The main content area features a "Latest DPD News" section with a large headline: "Update on Review of Dallas Police Training Standards". Below the headline, it states: "Update on Review of Dallas Police Training Standards Today Chief Brown received questions from officers and others regarding concerns... » read more".

To the right of the news section is a "Message from the Chief" section, which includes a photo of Chief David Brown and a list of links: "Biography", "Mission Statement", "Organizational Chart", and "Archived Message". A "Follow @DPDChief" button is also present.

At the bottom of the page, there is a "Solicitor's Permit" section with a link to "City of Dallas, Texas SOLICITOR'S / HANDBILL PERMIT".

At the bottom left, there is an "Information" section, which is circled in red. It contains a list of links: "Response to Resistance Data", "Accident Report Forms", "Complaint's Additional Loss Supplemental Form", and "Lost Property Report Form".

At the bottom center, there is a row of four small promotional boxes: "Get Informed... Get the DallasPD App", "Crime Data Portal Tutorial", "Fencing of Stolen Property", and "Update on Review of Dallas Police Training Standards".

Blue Team Reporting System

Purpose of Blue Team

- Captures detailed statistical information of response to resistance incidents not included in regular offense reporting system.
- Allows front line personnel to enter information quickly into a review process.
- Allows officers to stay in field while entering required information.
- Increase transparency efforts to improve citizen's trust of officers' actions.

Blue Team Report Types

First Line Level – Police Officer

- Response to Resistance (Use of Force)
- Consent & Non-Consent Search
- Foot Pursuit

Supervisor Level – Sergeant and Above

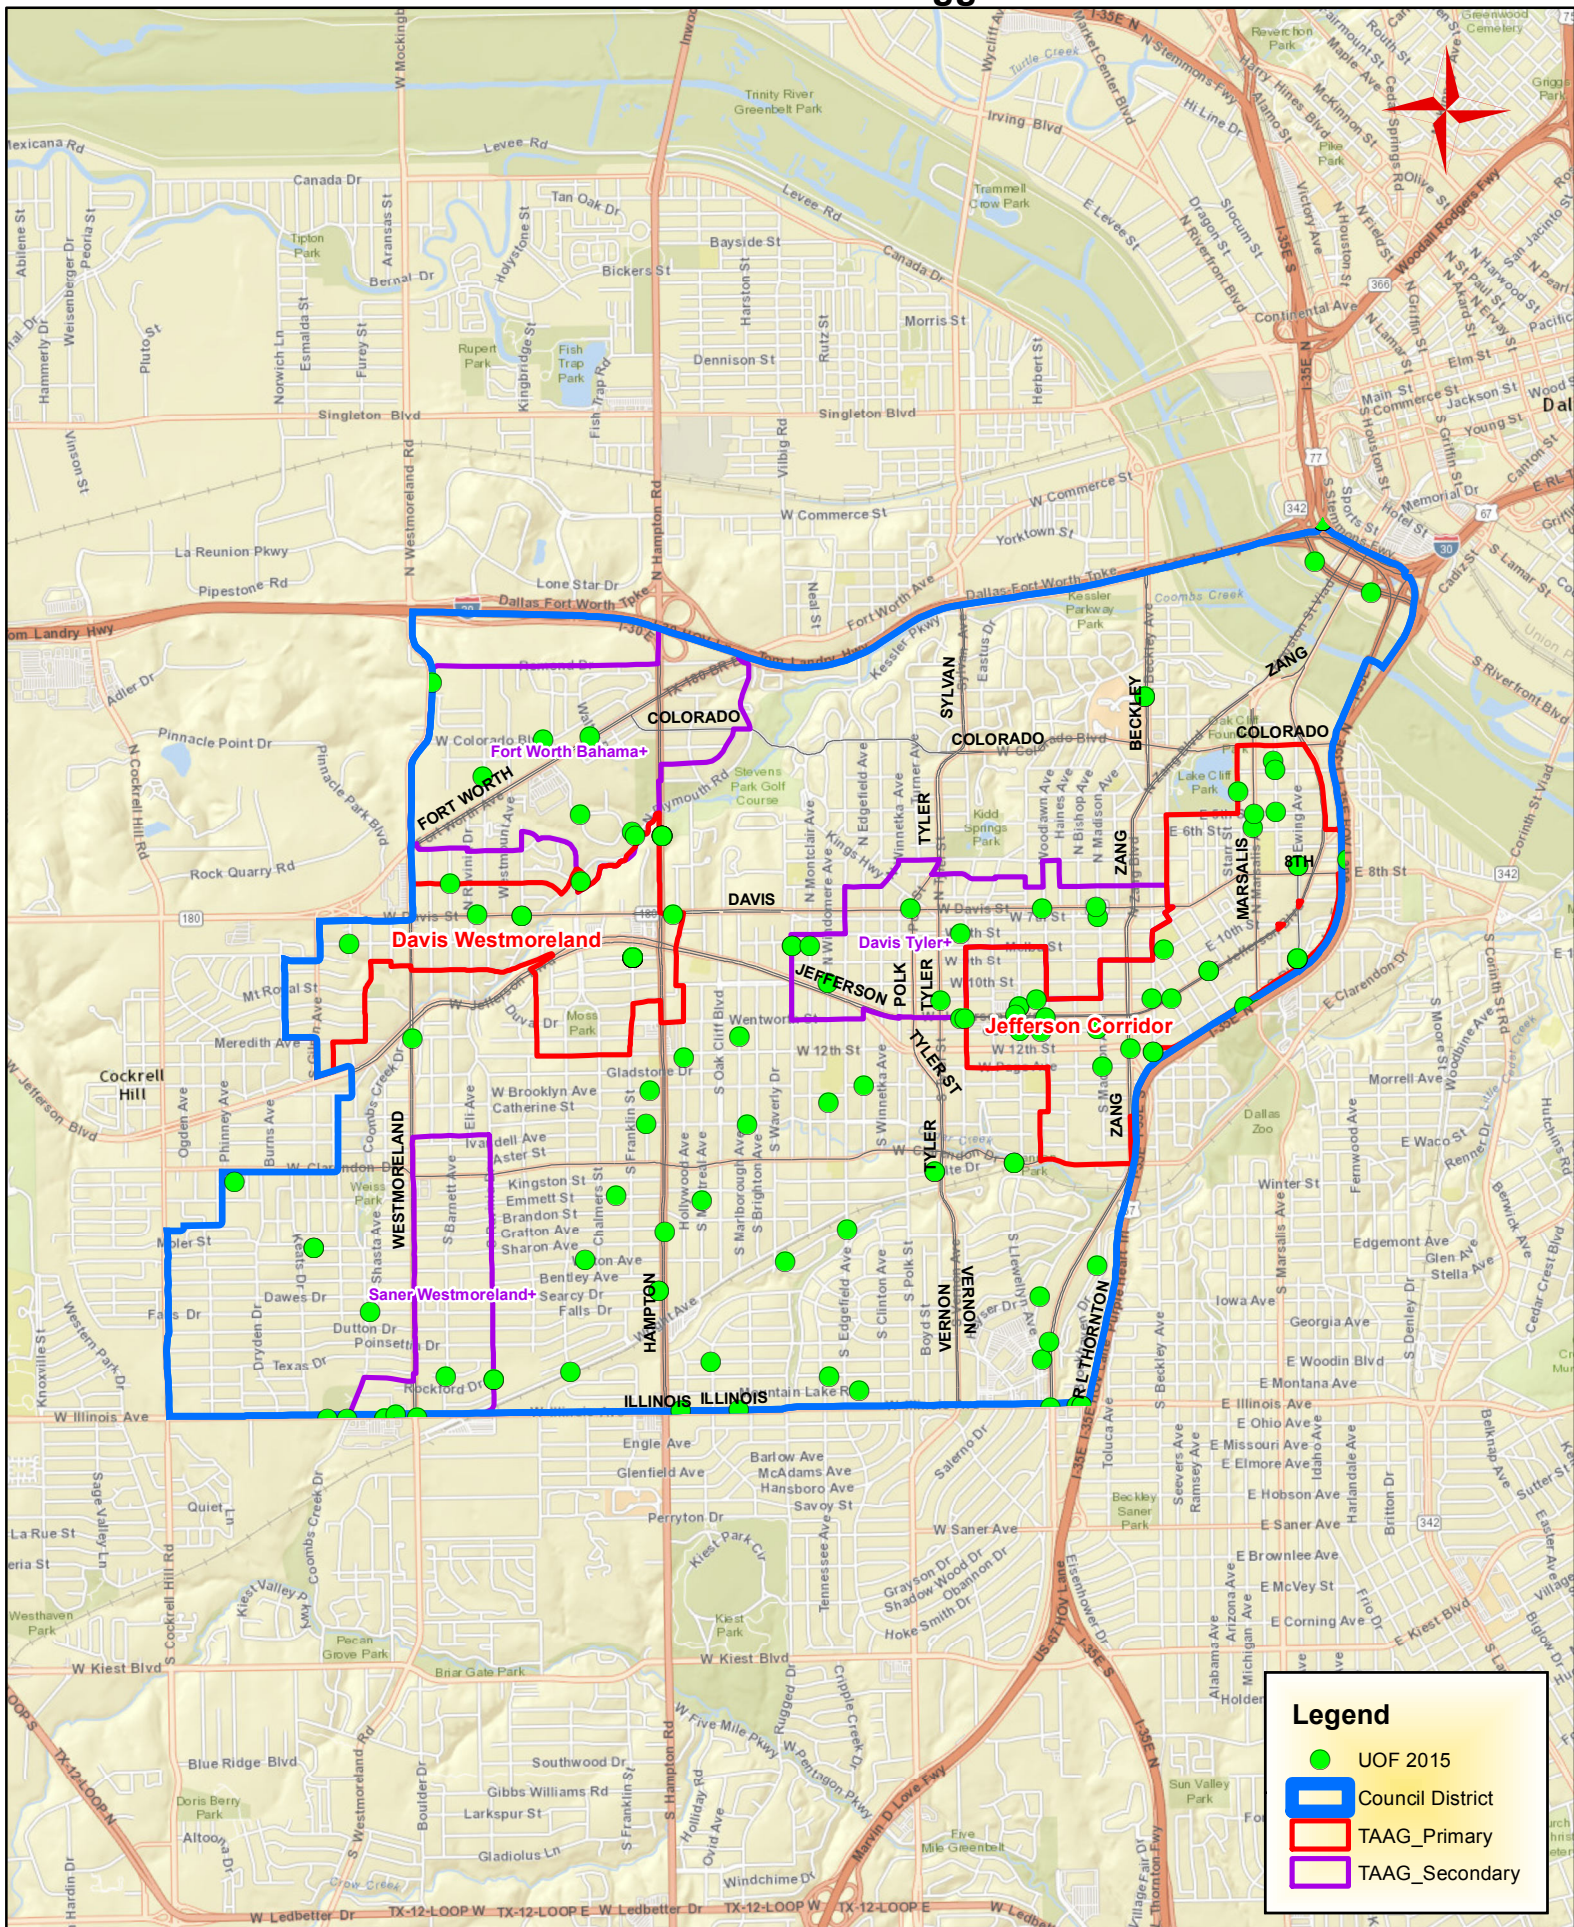

- Vehicle Pursuit
- Commendations / Summary Discipline
- Probation Failure
- Lost/Damaged City Property
- Division Referral Investigation
 - Upload Video (Body Camera / DVR)
 - Photos

Summary

- Builds trust
- Protects officers
- Protects citizens
- Improves accountability
- Reduces litigations
- Ongoing effort to merge with Records Management System (RMS) to reduce duplication of data collection
