4	Fortune	Public Safety Announcement: Red Means Stop Campaign	9/17/2018	MSIS	Attached				

Attachment Committee Action Matrix

September 24, 2018 Requests/Responses

- 1) DPD Surveillance Camera locations Attached
- 2) Please provide the list of recommendations transportation and police have compiled in the meetings regarding Dockless Vehicles.

There will be additional information on this topic provided at the October 8th MSIS briefing, however staff is working on the following tasks to address safety concerns:

• Public Service Announcements to address road safety, including scooters and bikes. The PSA's are in development and will be ready for release this fall.

• Targeted sweeps to address improperly parked/deployed bikes and scooters. Staff is beginning to coordinate these events now.

Addition of signage on trails stating scooters are prohibited. Signs are already installed on the Katy Trail
Addition of signage/sidewalk markings to educate users on the 'rule's of the road'. Staff is coordinating with Downtown Dallas Inc. on the installation of this messaging in the downtown area.

• Staff also initiated conversations with Downtown Dallas Inc. on the use of the downtown safety patrol to address improper bike/scooter riding. Further discussions with DDI staff are needed to determine feasibility.

3) Animal Cruelty Investigations/Implementation Memo- Attached

4) Public Safety Announcement: Red Means Stop Campaign Memo - Attached

Dallas Police Department – Animal Cruelty Investigations

The Dallas police department's proposal for increasing and improving their response to animal cruelty calls received through 911 and 311 are as follows:

- 1. When a call is received through 911 or 311 a new protocol of questions will be asked of the caller to determine if the animal appears to have wounds inflicted by an act of violence. If the caller believes the animal's injuries were inflicted through violence a new call signal has been developed for animal cruelty. This signal will be utilized for calls regarding suspected animal cruelty or abuse that is in-progress.
- 2. Officers and detectives will receive training to identify signs of cruelty and abuse. Upon arrival to the scene Dallas police officers will make a determination if the case involves animal cruelty. If it appears to be an animal cruelty case, an on-call Dallas PD detective assigned to investigate animal cruelty offenses will respond.

The Dallas Police Department's proposal for increasing and improving their response to animal cruelty investigations is as follows:

- The Dallas Police Department has posted a job announcement for animal cruelty investigators. Applicants for this position should have a passion and interest in investigating animal cruelty cases. Two detectives will be selected for these positions and will be responsible for follow-up investigations throughout the city on animal cruelty offenses reported to the City. This new team of detectives will be selected by October 1, 2018.
- 2. Dallas Police Department animal cruelty detectives will investigate the below offenses as specified by Chapter 42 of the Texas Penal Code:
 - 1. Cruelty to Livestock Animals (PC 42.09)
 - 2. Attack on Assistance Animal (PC 42.091)
 - 3. Cruelty to Nonlivestock Animals (PC 42.092)
 - 4. Dog Fighting (PC 42.10)
 - 5. Cockfighting (PC 42.105)
 - 6. Any other applicable animal offenses
- 3. These detectives will work as a team in conjunction with the SPCA, Dallas Animal Services, Dallas City Marshall's office and the District Attorney's office for prosecution of offenders.
- 4. The detectives will work as a team with animal advocacy groups, Dallas Animal Services, and the SPCA to determine trends, identify dumping locations and animal fighting rings.

<u>Tracking animal cruelty reports not coming through 911 or 311</u>: In instances where animal cruelty is not reported, but is discovered by DAS through neglect, critical medical, or other service request types, DAS will track which of those cases turn into animal cruelty reports and are sent to DPD. This action helps in tracking all cruelty cases generated through the City of Dallas.

The City of Dallas is working with the SPCA to strengthen the current Memorandum of Understanding (MOU) to include consistency in standard operating procedures for the investigative process and adding agreed upon performance measure reporting.

Memorandum

DATE September 20, 2018

 Honorable Members of the Mobility Solutions, Infrastructure and Sustainability Committee

SUBJECT Traffic Safety - Public Service Announcement Regarding Red-Light Running

There are more than 100,000 red-light running crashes per year in the U.S., resulting in some 90,000 people injured and 1,000 people killed. More than half of red-light running-related fatalities are pedestrians and occupants in other vehicles who are hit by red-light runners. Texas is a leading state in red-light running fatalities. From 1992 to 1998, Texas ranked second in the number of red-light running fatalities, with 11 percent of the national total. Even after relating the numbers to population, Texas ranked very high – fourth place nationwide – with a rate of 3.5 fatalities per 100,000 people in that period. The cost of red-light running injuries and fatalities in Texas is between 1.4 and 3.0 billion dollars per year.

To help address these sobering statistics, the Department of Transportation has put together a public service announcement to further educate our community about safe driving. The following link is provided so that you may preview a future public service announcement that promotes traffic safety: <u>https://youtu.be/QUV_DF_F5V4</u>

We will welcome discussion during the MSIS committee meeting.

Majed Al-Ghafry, P.E. Assistant City Manager

c: Honorable Mayor and Member of the City Council T.C. Broadnax, City Manager Chris Caso, City Attorney (I) Craig D. Kinton, City Auditor Bilierae Johnson, City Secretary Preston Robinson, Administrative Judge

Kimberly Bizor Tolbert, Chief of Staff to the City Manager Jon Fortune, Assistant City Manager Joey Zapata, Assistant City Manager Nadia Chandler Hardy, Assistant City Manager and Chief Resilience Officer M. Elizabeth Reich, Chief Financial Officer Directors and Assistant Directors
