

Memorandum

CITY OF DALLAS

DATE January 22, 2021

TO Honorable Mayor and Members of City Council

SUBJECT **Budget Accountability Report—November 2020**

Please find attached the first Budget Accountability Report (BAR) of FY 2020-21 based on information through November 30, 2020. The BAR combines the Financial Forecast Report (FFR), Dallas 365, and Budget Initiative Tracker into a single monthly report. Beginning this year, we have “raised the BAR” once again by adding a section to the FFR with selected economic indicators that influence the City’s budget and forecasts, such as sales tax collections, building permit activity, and event bookings at the Kay Bailey Hutchison Convention Center.

Please note that next month’s BAR (through December 31, 2020) will include details on the impact, if any, of unfunded COVID-19 testing and vaccination initiatives that Emergency Management is coordinating, as well as the forecasted expense for the shingle cleanup being managed by Sanitation Services at the former Blue Star Recycling facility. We are also monitoring sales tax receipts closely and will update the forecast in the December BAR if appropriate.

If you have any questions, please contact Jack Ireland, Director of Budget and Management Services.

FINANCIAL FORECAST REPORT

The Financial Forecast Report (FFR) provides a summary of financial activity through November 30, 2020, for the General Fund and other annual operating funds of the City. The Adopted Budget column reflects the budget adopted by City Council on September 23, 2020, effective October 1, 2020, through September 30, 2021. The Amended Budget column reflects City Council-approved transfers between funds and programs, department-initiated transfers between expense objects, approved use of contingency, and other amendments supported by revenue or fund balance.

Year-to-date (YTD) actual amounts represent revenue or expenses/encumbrances that have occurred through the end of the most recent accounting period. Departments provide the year-end (YE) forecast, which projects anticipated revenues and expenditures as of September 30, 2021. The variance is the difference between the FY 2020-21 amended budget and the YE forecast. Variance notes are provided when the YE forecast is +/- five percent of the amended budget and/or if YE expenditures are forecast to exceed the amended budget.

General Fund Overview

The General Fund overview provides a summary of financial activity through November 30, 2020.

	FY 2020-21 Adopted Budget	FY 2020-21 Amended Budget	YTD Actual	YE Forecast	Variance
Beginning Fund Balance	\$235,992,351	\$235,992,351		\$235,992,351	\$0
Revenues	1,437,039,483	1,437,039,483	138,784,351	1,436,790,323	(249,160)
Expenditures	1,437,039,483	1,437,039,483	65,964,723	1,439,459,412	2,419,928
Ending Fund Balance	\$235,992,351	\$235,992,351		\$233,323,263	(\$2,669,087)

Fund Balance. As of November 30, 2020, the beginning fund balance for the adopted and amended budget and YE forecast reflects the FY 2019-20 unaudited unassigned ending fund balance as projected during budget development (July 2020). The ending fund balance for the adopted and amended budget does not reflect changes in encumbrances or other balance sheet accounts. We anticipate updates to the beginning fund balance after the FY 2019-20 audited statements become available in April 2021.

Revenues. Through November 30, 2020, General Fund revenues are projected to be \$249,000 under budget due to lost revenues from the Moody Performance Hall and Majestic Theater. This is partially offset by (1) an unbudgeted legal settlement with the AT&T Performing Arts Center for legal expenses incurred by the City and (2) unbudgeted fleet auction sales by Dallas Fire-Rescue (DFR).

Expenditures. Through November 30, 2020, General Fund expenditures are projected to be \$2,420,000 over budget primarily due to DPD uniform overtime, which is partially offset by salary savings from vacant civilian positions.

VARIANCE NOTES

General Fund revenue variance notes are provided below for revenue categories with YE forecast variances of +/- five percent and revenue with an amended budget.

Additionally, revenues associated with the Perot Museum lease are projected to be \$186,000 under budget.

2 Miscellaneous. Miscellaneous revenues are forecast to be \$346,000 over budget primarily due to (1) an unbudgeted legal settlement with the AT&T Performing Arts Center for legal expenses incurred by the City and (2) unbudgeted fleet auction sales by DFR.

VARIANCE NOTES

The Enterprise, Internal Service, and Other Funds summaries include the beginning fund balance with the YE revenue and expenditure forecasts. As of November 30, 2020, the YE forecast beginning fund balance represents the FY 2019-20 unaudited projected ending fund balance and does not reflect additional YE savings. We anticipate adjustments to the FY 2020-21 amended beginning fund balance after FY 2019-20 audited statements become available in April 2021. Variance notes are provided below for funds with a YE forecast variance of +/- five percent, YE forecast projected to exceed budget, or projected use of fund balance.

1 Convention and Event Services. CCT revenues are projected to be \$22,508,000 under budget due to various event cancellations as a result of COVID-19. CCT expenses are also projected to be \$22,508,000 under budget primarily due to a reduction in payments to VisitDallas, Spectra Venue Management, and costs that would have been incurred for now-canceled events.

2 Sanitation Services. SAN revenues are projected to be \$1,244,000 under budget due to decreased landfill activity by non-contract customers. SAN anticipates the use of fund balance to offset lost revenue.

3 Water Utilities. DWU revenues are projected to be \$9,720,000 under budget primarily because of the third of three annual credits issued to wholesale customers as a result of the Sabine River Authority (SRA) settlement. DWU expenses are projected to be \$6,949,000 under budget primarily due to salary savings and decreased street rental payments. DWU anticipates the further use of fund balance to offset additional lost revenue.

ECONOMIC INDICATORS

Sales Tax

The current sales tax rate is 8.25 percent—6.25 percent goes to the state, one percent to the City, and one percent to DART. In FY 2019-20, the City received \$310.7 million in sales tax revenue, but because of COVID-19 and the subsequent economic decline, we budgeted only \$296.3 million for FY 2020-21. As of November 30, 2020, the forecast for sales tax revenue is at budget—we will update the forecast throughout the year as additional information becomes available. The charts in this section provide more information about sales tax collections.

Note: Net sales tax payments by industry do not include the City's self-reported sales tax numbers.

ECONOMIC INDICATORS

Hotel Occupancy Tax

The City collects hotel occupancy taxes (HOT) on hotel, motel, bed and breakfast, and short-term rentals in the city limits. The HOT rate in Dallas is 13 percent of the cost of the room (not including food served or personal services not related to cleaning and readying the space for the guest)—six percent goes to the state, and seven percent goes to the City. HOT is the largest single revenue source for the Kay Bailey Hutchison Convention Center, and data is typically updated every two months.

Love Field Enplanements

An enplanement is when a revenue-generating passenger boards an aircraft. Enplanements are the most important air traffic metric because enplaned passengers directly or indirectly generate 80 percent of Aviation revenues. Typically, Aviation generates only 20 percent of total operating revenues from non-passenger-related activities.

ECONOMIC INDICATORS

Building Permits

Building permits (required for all construction in Dallas) can provide insight into upcoming activity in the housing market and other areas of the economy. Permits are a key indicator of the confidence developers have in the economy; likewise, a decline can indicate developers do not anticipate economic growth in the near future. In some cities, this measure may be a leading indicator of property tax value growth, but in Dallas, the property tax forecast model includes other variables like wage/job growth, housing supply, gross domestic product, population, vacancy rates, and others.

DALLAS 365

The Dallas 365 initiative aligns 35 key performance measures to our eight strategic priorities. The department responsible for each measure is noted at the end of the measure's description, and last year's performance is included if available. If FY 2019-20 data is not available, N/A is listed.

Year-to-date (YTD) and year-end (YE) targets are presented for each measure. YTD targets may vary based on seasonality of the work. Each month, we compare 1) the YTD target with the actual performance for the current reporting period and 2) the YE target with the department's forecasted performance as of September 30, 2021.

Measures are designated "on target" (green) if actual YTD performance is equal to or greater than the YTD target. If actual YTD performance is within five percent of the YTD target, it is "near target" (yellow). Otherwise, the measure is designated "not on target" (red). The same methodology applies to YE forecasts. Variance notes are provided for each red measure.

VARIANCE NOTES

#3. As of January 11, DEV estimates residential permit review times at 10 weeks. Staff reviews plans to ensure they meet Dallas Development Code standards. The FY 2020-21 measure is based on estimated queue time to first plan review; required corrections and resubmittals add time to the this step. On February 10, City Council will consider awarding a consultant contract to improve the review process.

#7. SAN has staggered collection start times to comply with COVID-19 restrictions, which adversely impacts completion times. Additionally, SAN continues to struggle to fill vacant positions.

#8. Multiple system malfunctions and COVID-19 have adversely impacted response times. 311 anticipates improvement as they continue to implement technology enhancements, fill vacancies, and move agents from training to call-taking.

#10. HOU received HIPP applications October 17, 2020, and with the goal of 120 days to close, the department anticipates closings in February or March 2021.

#17. DPD has selected 20 new 911 call-takers who are in the background review process.

#18. DPD will work to reduce crimes against persons through initiatives outlined in the 2020 crime plan and the efforts of the violent crime task force.

#24. Checkouts were lower than anticipated in November, possibly because of the Thanksgiving holiday among other factors.

#27. Due to COVID-19 restrictions, PKR has limited its programs and services. PKR hopes to resume programming adapted to COVID restrictions in future months.

BUDGET INITIATIVE TRACKER

The Budget Initiative Tracker reports on 35 activities included in the FY 2020-21 budget. For each initiative included in this report, you will find the initiative number, title, description, status, and measure. At the end of each description, the responsible department is listed. Each month, the responsible department provides a current status for the initiative and indicates whether the initiative is “complete” (blue circle), “on track” for completion by the end of the fiscal year (green check mark), “at risk” of not being completed by the end of the fiscal year (yellow exclamation mark), or “canceled” (red x).

In the Spotlight

Equity & Inclusion and its nonprofit partner, Legal Aid of Northwest Texas, are connecting tenants facing eviction because of COVID-19 to resources ranging from housing assistance and direct legal services to financial education. Through the end of 2020, LANWT assisted 71 unduplicated households, including 51 making less than 80% of area median income and 33 with female heads of household. City Council awarded additional funds on January 13 to continue the program.
