CITY OF DALLAS

DATE November 6, 2020

TO Honorable Mayor and Members of the City Council

SUBJECT **Response to Questions from Bond Programs Status Update Briefing**

Please find below responses to the outstanding questions from the City Council Briefing held on Wednesday, November 4, 2020.

1. Can you provide a list of the active projects approved in the 2006 and 2012 Bond Programs?

Staff will provide, via attachment, the list of active projects approved in the 2006 and 2012 Bond Programs and the project statuses as of August 30, 2020 (refer to Exhibit 1 and Exhibit 2).

2. Can you provide a list of all project statuses by district?

Staff will provide, via attachment, each of the City Council districts with their respective 2017 Bond Program project statuses as of September 30, 2020.

3. What is the cost per project? Do we have that?

The per project costs are reflected on the respective 2017 Bond Program project statuses provided to each City Council member on their respective district.

4. Where can constituents see the projects? Where do they go to look at the bond projects?

Constituents can access and view the project statuses in the 2017 Bond Program dashboard located via the link below.

<https://dallascityhall.com/departments/public-works/dallasbondprogram/Pages/default.aspx>

5. Please provide copy of the City's Needs Inventory List per council district.

The updated City's Needs Inventory will be provided to each City Council district by end of November 2020 via a separate e-mail attachment. However, the updated City's Needs Inventory List can be accessed via the link below.

Memorandum

CITY OF DALLAS

DATE November 6, 2020

TO Honorable Mayor and Members of the City Council

SUBJECT **Update on CARES Act Funding**

In response to City Council’s request during the Ad Hoc Committee on COVID-19 Recovery and Assistance yesterday, this memo provides a status update on CARES Act funding. As of November 3, the City has received \$335.1 million through the various CARES Act programs.

The largest amount the City has received is the \$234 million from the U.S. Treasury Coronavirus Relief Fund (CRF). We allocated this entire amount on April 22—please refer to the [June 17](#) and [August 19](#) City Council briefings for more details.

As a reminder, all CRF funds must be spent by December 30, 2020. We report CRF expenditures to the U.S. Treasury quarterly; to date, we have submitted reports for the period ending June 30 and the period ending September 30. As of November 3, we have spent or encumbered \$102.6 million, about 44 percent of the total.

To ensure the City meets the December 30 deadline, we review each department’s spending plan regularly and reallocate funds as needed. Last week, the City Manager approved the reallocations outlined in the table below.

Department	Purpose	Amount
<i>Decrease funding</i>		
BSD	Facility modifications and retrofits	\$1.1 million
ITS	Technology for doing business with the City and for employee tools	\$3.3 million
OEM	Testing	\$15.0 million
POM	PPE and decontamination services	\$3.1 million
Total		\$22.5 million
<i>Increase funding</i>		
DPD/DFR	Public safety payroll	\$18.8 million
ECO	Small business assistance	\$2 million
OAC	City-owned and operated facilities	\$125,000
OAC	City-owned facilities operated by partners	\$225,000
OAC	Partner organizations operating in their own facilities	\$350,000
PKR	For partners operating within City-owned facilities (Fair Park)	\$1 million
Total		\$22.5 million

DATE November 6, 2020
SUBJECT **Update on CARES Act Funding**

Please note any funds that become available from their originally intended use will be reallocated to public safety payroll so that all funds are spent by the deadline. We will continue to update you on our progress periodically. Please let me know if you have questions in the meantime.

Memorandum

CITY OF DALLAS

DATE November 6, 2020

TO Honorable Mayor and Members of the City Council

SUBJECT **M/WBE Participation for November 11, 2020 Council Agenda**

It is the mission of the Office of Economic Development Business and Workforce Inclusion division to ensure non-discriminatory practices and eliminate barriers while resourcing businesses to the next step in their business life cycle. The policy of the City of Dallas is to use certified Minority and Women-owned Business Enterprises (M/WBEs) to the greatest extent feasible on the City's construction, procurement, and professional services contracts. For your information, staff is providing you with the summary below of M/WBE participation for the voting items scheduled for the November 11, 2020 City Council Agenda. The total contract award amount, consisting of 17 agenda items, is \$52.1M. **M/WBE is applicable to 12 of the 17 agenda items. For these items, construction and architecture and engineering items total \$6.2M with an overall M/WBE participation of \$4.4M or 70.42%, while goods and services items total \$7.7M with an overall M/WBE participation of \$5.0M or 65.69%.**

As a reminder, the NEW M/WBE goals are:

Architecture & Engineering	Construction	Professional Services	Other Services	Goods
34.00%	32.00%	38.00%	N/A	32.00%

DALLAS FIRST

Below is a summary of local business for primes and subs as well as the workforce utilization for prime contractors. In addition to the local information provided below, you can find the local status for each prime contractor under the M/WBE information section of the agenda information sheet. Also, the local status for each prime contractor and the percentage of local workforce is included in the agenda information sheet.

Local Business

This agenda consists of 17 agenda items being awarded to multiple prime contractors and subcontractors. This agenda has a total of 25 M/WBE subcontractors. 12 or 48.00% of the M/WBE subcontractors are local. The table below provides the count of businesses by location for prime contractors and M/WBE subcontractors.

Vendor	Local		Dallas County		Non-Local		Total
Prime	6	33.33%	0	0.00%	12	66.66%	18
M/WBE Sub	12	48.00%	3	12.00%	10	40.00%	25

DATE November 6, 2020
SUBJECT **M/WBE Participation for November 11, 2020 Council Agenda**

Local Workforce

This agenda consists of 17 agenda items with a total of 18 prime contractors (one agenda item has two prime contractors). **Seven prime contractors or 41.18% of prime contractors reported a local workforce composition greater than 20.00%.**

2017 Bond Program – November 11, 2020 Council Agenda

Business and Workforce Inclusion continues to work diligently with the Bond Program Office to ensure, not only that the M/WBE goals are met, but to also include diverse teams on the bond program projects. This agenda includes three agenda items that are funded by 2017 bond funds. **These three items total \$4.8M with an overall M/WBE participation of \$4.0M or 82.69%.**

2017 Bond Program – Inception to Date

2017 Bond Program ITD consists of 251 items totaling \$447.5M with an overall M/WBE participation of \$195.5 or 43.70%.

Highlighted Items:

Spoken Language Interpretation and Associated Equipment Rental – Multiple Departments

Agenda Item No. 39 Authorize a three-year service price agreement in the amount of \$642K for spoken language interpretation and associated equipment rental, American Sign Language interpretation, and translation services. **This item includes participation from two M/WBE vendors resulting in \$573K participation or 89.23% M/WBE participation on a 23.80% goal.**

Janitorial Services – Department of Aviation

Agenda Item No. 40 Authorize a five-year service contract, with three one-year renewal options, in the amount of \$2.5M for janitorial services for the Department of Aviation. **This item includes participation from three M/WBE vendors resulting in \$1.1M participation or 43.68% M/WBE participation on a 23.80% goal.**

[Dallas Love Field Earns GBAC Star Accreditation](#)

Dallas Love Field has earned the Global Biorisk Advisory Council STAR Accreditation for its commitment to cleaning and disinfecting, biohazard and infectious disease mitigation and highly informed cleaning staff. GBAC STAR is the gold standard for prepared facilities and the cleaning industry's only outbreak prevention, response and recovery accreditation for facilities.

GBAC Star accredited facilities are those whose staff is implementing the industry's highest standards for cleaning and disinfection of infectious agents like the novel coronavirus. The STAR Facility program has 20 elements, including creating plans and guidelines for personal protective equipment requirements, choosing appropriate cleaning and disinfecting chemicals and continuous improvement. DAL is the second City facility to earn accreditation, joining the Kay Bailey Hutchison Convention Center.

If you have any questions or for more information, contact Director of Aviation Mark Duebner at mark.duebner@dallascityhall.com.

[Community Police Oversight Office](#)

The Community Police Oversight Board (CPOB) and the Office of Community Police Oversight (OCPO) celebrated it's one-year anniversary last month. CPOB Chairman Jesuorobo Enobakhare, Jr. and OCPO Director Tonya McClary briefed the full City Council at the October 7, 2020 meeting to discuss the purpose of the office, board structure, duties, functions and accomplishments during their inaugural year. Those briefing materials can be accessed [here](#).

The CPOB also hosted its monthly meeting on October 13, 2020 virtually. Highlights of the meeting included a moment of silence to honor black women that have been killed by law enforcement locally and nationally, names of slain women were read by CPOB members and OCPO staff, and a special recognition proclamation from Mayor Eric Johnson that was read by Walter "Changa" Higgins, Chair of the Dallas Community Police Oversight Coalition. The Board finalized the dates to receive applications and vote on community members to join their five subcommittees. The Board looks forward to discussing the applicants at their November 10, 2020 meeting. For additional information, please contact Police Monitor Tonya McClary.

CITY OF DALLAS

Dallas Fire-Rescue Department
Media Requests: October 27 – November 2, 2020.

Wednesday, October 28th: NBC 5 (Karen Ballesteros & Noelle Walker) - We are working a story on first responders day and trying to set up an interview with a first responder. Does Dallas fire have anyone that is bilingual that could do it?

City Response – Set up a 10:00 a.m. Zoom interview which aired at 6:00 p.m. on the same day and can be seen/read at the following links respectively:

<https://www.nbcdfw.com/news/local/national-first-responders-day-honors-increasing-number-working-on-frontline/2468831/>

Wednesday, October 28th: Spectrum News (Oscar Almaraz) - Hello, My name is Oscar Almaraz, and I am a photojournalist with Spectrum News. I'd like to know if you can send me the names and contact information of anyone who we can contact in regard to the possibility of protests or riots during election night.

City Response – **In the interest of security, the department respectfully declined the interview request, and issued the following statement instead** – Dallas Fire-Rescue is committed to the safety of the citizens and guests of this City during the upcoming election day. Therefore, the department has made plans to have adequate staffing in place should planned peaceful demonstrations evolve into something more dangerous. We have worked closely with the Dallas Police Department, as well as the Office of Emergency Management, and other local, State and Federal partners, to help ensure a safe environment for our first responders as well as those individuals and groups who simply wish to peacefully express their First Amendment Right of free speech among others. Additionally, back-up EMS and Fire Operations resources have been pre-designated in case the need arises, and to prevent any disruption of service to the rest of the city.

Thursday, October 29th: Lake Highlands Advocate (Elizabeth Ucles), Univision 23 (Sandy Moncada) and KRLD (Bailey Friday) - I'm reaching out about an active structure fire at 9600 Plano Road from today Oct. 29. Could you provide details on when the fire started, what properties were affected, cause and any other relevant details?

City Response - At 10:20, Dallas Fire-Rescue units were dispatched to a 911 call for a structure fire at the Heavenly Christian Academy, located at 9625 Plano Road, in East Dallas.

When firefighters arrived at the location, they observed heavy smoke coming from the front of a one-story commercial strip shopping center. They deployed handlines and moved in for a quick attack; locating and extinguishing the fire in approximately one hour.

There were an unknown number of faculty and students at the school when the fire began. Thankfully, everyone was able to make it out safely before firefighters arrived; resulting in no injuries to report of.

According to investigators, the fire was accidental in nature, and most probably began as the result of an unspecified mechanical malfunction of the clothes dryer located in a rear laundry room of the business. Thankfully, the fire damage was limited to the business or origin.

Friday, October 30th: DFW Scanner (John Burgdorf) - Hi Jason, we are publishing an article on how to reduce the threat of house fires during the winter months. As a fire department official, I'm hoping you can help us educate others by answering a few questions below:

- 1) What are some of the leading causes of house fires during the winter months?
- 2) What steps do you recommend for people to stay safe and reduce the threat of a house fire during winter?

City Response - While there are a number of causes for house fires, like cooking, candles smoking and Christmas Trees, in the winter months (December, January and February), the leading cause is heating equipment; with space heater leading the way in causing 40% of heating fires during those months. Dallas Fire-Rescue recommends keeping anything that can burn at least three feet away from heating equipment, establishing a "kid-free" zone to prevent injuries to little ones, turning heating equipment off when leaving the room or going to bed, and most importantly, making sure you check you smoke alarms monthly. Additionally, we recommend having your heating equipment and chimneys cleaned and inspected by a qualified professional.

Monday, November 2nd: All Local News Desks – Any info you can send us on a 2 alarm fire at 11053 Strayhorn Drive?

City Response - On Monday, November 2nd, at 11:20 a.m., Dallas Fire-Rescue units were assigned to a 911 call for a structure fire at a home, located at 11053 Strayhorn Drive, in East Dallas.

When firefighters arrived at the large two-story residence, they observed thick black smoke coming from the roof. First arriving companies were met in the front yard by the homeowner informing them that the five people who were inside had already made it out safely. Upon making entry, they found heavy fire in the attic of the home. Due to the advanced nature of the fire, crews were pulled out, a request for second-alarm was transmitted and defensive suppression efforts began. It wasn't long after that point that the roof began to partially collapse into the home.

Approximately 50 firefighters responded to the scene and worked to declare the fire extinguished in just over an hour. The fire left behind significant damage, but thankfully there were no injuries to report of.

Though most of the fire was located in the attic upon arrival, investigators have not been able to determine a point of origin. As it currently stands, the cause of this fire is undetermined.

Topic: ADA violations

Inquiry: CBS 11 inquired about City inspections and if the City of Dallas checks for ADA violations before issuing a business license. Sustainable Development & Construction Director Kris Sweckard provided the following response, " The State, through the Texas Department of Licensing and Regulations, enforces ADA guidelines. City Building Inspectors check for accessibility items in the field required by the Dallas Building Code's (International Building Code as amended) accessibility chapter. The responsibility lies with the State's Texas Accessibility Standard plan reviewers and inspectors. On permit applications, the City makes sure that projects are registered with the State, so the review and the inspection occur through their third-party program. Please note that the City of Dallas does not issue business permits, so that is not applicable."

Topic: Dallas Love Field & Customs Border Protection Agenda Item

Inquiry: WFAA inquired about information on the consent agenda item 20-1943 lease agreement between Dallas Love Field & Customs Border Protection and what the renewal would entail. External Communications and Marketing Manager provided the following response, " This is just a housekeeping item for renewal of an existing MOA. US CBP operates out of a small facility on the Lemmon Ave side of the airport. DAL is a user fee authorized airport and private/general aviation aircraft can arrive here from international locations. The background of the item explains it fairly well." Chris also provided the link to the agenda item: <https://cityofdallas.legistar.com/LegislationDetail.aspx?ID=4670861&GUID=33706C36-074F-4FD5-A0C8-E013D226BB39>.
