

# Memorandum

CITY OF DALLAS

DATE May 14, 2021

TO Honorable Mayor and Members of the City Council

SUBJECT **Taking Care of Business – May 13, 2021**

## New Updates

### Encampment Resolution Schedule

The Office of Homeless Solutions (OHS), in partnership with City Square, Prism Health, OurCalling, Community Courts, Code Compliance, Metro Relief, and the VA, engaged with the unsheltered residents located at Meyers, Jeffries, and Merlin Street on Friday, May 7<sup>th</sup>. We engaged with roughly 40 residents. Some are already working with organizations on documentation, the VA was able to connect with multiple veterans, and Community Courts helped those with outstanding tickets/warrants. OHS will continue engaging with these unsheltered residents, coordinating with other outreach agencies, to better meet and serve them where they are at, ahead of encampment resolutions.

The following sites (see attached) are scheduled for homeless encampment cleaning the weeks of May 10<sup>th</sup> – 14<sup>th</sup> and May 17<sup>th</sup> – May 21<sup>st</sup>. Please note that these will be for debris removal and outreach only. There are 3 sites (see attached) scheduled for removal from Parks land on May 14<sup>th</sup> per the updated encampment resolution memorandum sent out in March 2021. The OHS Street Outreach teams have continued to engage with individuals to provide notice of clean-up and connect to resources and shelter. Last week, the OHS Street Outreach Team:

- Engaged a total of 80 unsheltered residents
  - Linked 3 unsheltered residents to MLK Community Service program through Night Court to expunge existing tickets. This helps remove barriers for recovering IDs
  - Transported 10 to shelter

The OHS Service Request dashboard can be utilized to track the progress of encampment resolution efforts. Please visit the dashboard using the link below and feel free sharing this tool with residents:

<https://dallasgis.maps.arcgis.com/apps/opsdashboard/index.html#/ccd41f0d795f407a94ae17e2c27bf073>

Should you have questions or concerns, please contact Christine Crossley Director of the Office of Homeless Solutions.

### City Manager's Corner

Dallas Public Library staff were all-hands-on-deck to prepare for their successful reopening on May 4. After closing their doors 14 months ago and implementing curbside pickups and virtual programs only, staff were equal parts excited and apprehensive about welcoming people into the buildings again. Staff spent weeks preparing for a new service model that included enforcing masks, hand sanitizing stations, grab-and-go visits and acrylic shields. Furniture was rearranged to accommodate social distancing. Communication team members launched a full-court press to get out the news that the Library was open, including updating the web, [shooting videos](#), creating new signs, and blasting to social media. When things did not go exactly to plan, staff improvised. Nearly 1,500 people visited Dallas Public Library on May 4, and the overwhelming reaction from customers was “We missed you.” A customer at the Bachman Lake Branch told staff “The library is what I missed the most this whole year.” “The DPL branches opening again was like a special holiday for our family, the kids couldn’t stop talking about it.” Several customers took the opportunity of being face to face with the library to thank staff for their services during the shutdown. “Will you please tell the folks at the Dallas Public Library that their online services for kids have been a LIFESAVER for my family! From yoga to art classes to storytelling to storm-chasers, my kids have taken full advantage of all the DPL does, and we are so grateful!” A wifi hotspot borrower gushed, “It has helped me and my son look for work. The wifi is a blessing and thank you for this program that helps us in the community that cannot afford to purchase a monthly subscription to the big cable companies. The Library along with City of Dallas and other generous donors don't know how much of a blessing this little device helps.” Keep up the great work library staff!

### Office of Arts and Culture Annual Funding Programs for Fiscal Year 2021-2022:

The Office of Arts and Culture annually participates in contracts with artists and non-profit organizations for approximately \$5 million in cultural services to Dallas residents and visitors through three programs. Community Organizations Program (COP) for year-round cultural services by established arts and culture non-profits, ArtsActivate for cultural projects, and Community Artists Programs (CAP) for performances and workshops highlighting ALAANA (African, Latinx, Asian, Arab, Native American) cultures. For the

DATE May 14, 2021  
SUBJECT **Taking Care of Business – May 13, 2021**

Fiscal Year 2021-2022, the COP application period is currently open through June 14, the CAP application period will be open between June 7 – 28, and the first of three rounds of Arts Activate project funding will be open from June 28 – July 26. Further details and timelines are on OAC's Grants and Calls website at <https://dallasculture.org/grants-and-calls/>. Should you have any questions, please contact Jennifer Scripps, Director of Arts and Culture.

#### [Metro Dallas Homeless Alliance \(MDHA\) State of Homelessness Address](#)

This past Tuesday, the Metro Dallas Homeless Alliance (MDHA) delivered the annual State of Homelessness Address (SOHA). In a live streaming meeting, MDHA shared the results of the 2021 COVID-19 Homeless Count, analysis of these results juxtaposed with actions taken by the homeless rehousing system, and the next steps all of us in Dallas and Collin Counties must take to make homelessness rare, brief, and nonrecurring. Our Dallas City Manager, T.C. Broadnax participated, reflecting on the silos torn down and partnerships forged through our approach to homelessness services in 2020 as a City – watch the recording [here](#). Please contact Christine Crossley, Director of the Office of Homeless Solutions for additional information.

#### [Dallas Park and Recreation Annual Report](#)

The Dallas Park and Recreation's FY 19-20 annual report is now available at [DallasParks.org](http://DallasParks.org). This report highlights how park professionals continued to provide essential recreation and leisure programs to communities during the global pandemic. Detailed in the report are the many ways the department transformed traditional recreation programs into virtual activities for all ages. It recalls how the department supported Dallas residents in new ways with drive-thru events and community outreach activities where employees assisted with area food giveaways and handmade and sewed more than 5,000 masks distributed to residents. Should you need additional information, please contact Director of Park and Recreation John Jenkins.

#### [Community Clean Trash-Off](#)

The Community Clean Trash-Off program is an interdepartmental collaborative between the Department of Code Compliance, Department of Sanitation, Dallas Parks and Recreation, and Community Courts. The Department of Code Compliance initiated this program to reduce illegal dumping and blight in some of our most challenged neighborhoods. On Saturday, May 15, 2021 from 10:00am - 2:00pm the initiative will take place in City Council District 10 at Hamilton Park Pacesetter Magnet Elementary School. For additional information, please contact Carl Simpson, Director of Code Compliance.

#### [New Procurement Opportunities](#)

The Office of Procurement Services (OPS) is excited to announce the following new contract opportunities. More information can be found on the City's [electronic bid portal](#):

DATE May 14, 2021  
SUBJECT **Taking Care of Business – May 13, 2021**

<b>Opportunity No.</b>	<b>Opportunity Name</b>
CIZ1985	Kidd Springs Park – Japanese Garden Renovation, by Park and Recreation Department
CIZ1986	Alley Reconstruction- Group No. 17-9001 (Package A), by Public Works Department
BP21-00015963	City of Dallas, State of Texas, and U.S. Flags
BI21-00016454	Digitization Services
BV21-00016241	Maintenance of Mast and Street Lights for Dallas Water Utilities locations

**Período de Aplicación: June 7 – 28, 2021**

**[DALLASCULTURE.ORG/GRANTS-AND-CALLS/](https://dallasculture.org/grants-and-calls/)**

**Communications, Outreach & Marketing**  
**Media Requests**  
**May 4 – May 10**

**Date Submitted:** 5/5/2021

**Topic:** Request from DMN about vaccinations

**Inquiry:** We vaccinated a total of 223 individuals at the pop-up clinics. Beginning on Friday, April 23rd, the Office of Emergency Management began coordinating directly with apartment complex management to communicate with their residents. In most cases, these complexes had the capability to communicate electronically with all their residents, and also updated their webpages or “resident portals” with the information. They were also provided a flyer to provide to residents, as well as post in the most heavily trafficked areas (mail room, gym, office, laundry, etc.). City social media was also used to communicate this opportunity.

**Submitted By:** Catherine Cuellar (OEM)

**Media Entity:** DMN (Julieta Chiquillo)

**Date Submitted:** 5/4/2021

**Topic:** OHS/lewd suspect

**Inquiry:** On Tuesday May 4, 2021, approximately 1641hrs, Dallas Police Right Care Team arrived at the location of Royal Lane / N. Central Expy NB in search for an unknown W/M - approximately 30yrs age range - auburn hair (disheveled) - longish beard - thin build - black short sleeve t-shirt - black light jacket w/stripes down sleeves - black pants as requested. Listed suspect not at listed location nor surrounding areas..

**Submitted By:** Catherine Cuellar (City Attorney's Office)

**Media Entity:** CBS 11 (Erin Jones)

**Date Submitted:** 5/6/2021

**Topic:** Code violations issued at The Doral Apartments

**Inquiry:** In response to the tragic incident at The Doral Apartments at 1370 Montfort Drive Dallas TX 75240, Code Compliance inspected the property on 5/1. A notice of violation was issued for failure to have a pool enclosure and a notice of violation for a building permit. Code Compliance inspectors observed 21 violations of the Dallas City Code on 5/3. As a result, the inspectors issued a Notice of Violation requiring all violations to be abated on 5/5, 5/6, and 6/3. Additionally, the inspectors required the property owner to install rigid 6-foot safety fencing around the pool and provide 24/7 security to prohibit anyone from entering the pool area until all required repairs are completed and inspected. Code Compliance will inspect the property daily to ensure the integrity of the installed safety fencing and to monitor the abatement of all outstanding code violations. Code Compliance will work diligently to ensure the property owner and management bring the property into compliance.

**Submitted By:** Catherine Cuellar (Code Compliance)

**Media Entity:** Spectrum News (Mike Pool)

**Date Submitted:** 5/6/2021

**Topic:** COVID Return to Work

**Inquiry:** Building Services provided a folder of images with the building upgrades.

**Submitted By:** Catherine Cuellar (Building Services Department)  
**Media Entity:** NBC 5 (Ken Kalthoff)

**Date Submitted:** 5/5/2021

**Topic:** Questions for City Attorney about Tony Timpa case

**Inquiry:** CAO responded to inquiry about the Tony Timpa case with the following statement, "This is being appealed and we do not respond regarding pending litigation."

**Submitted By:** Catherine Cuellar (CAO)

**Media Entity:** Ryan Mills (National Review)

**Date Submitted:** 5/5/2021

**Topic:** Living Wage for Sanitation workers

**Inquiry:** The current contract for temporary industrial labor services for the Department of Sanitation requires the contractor pay at least \$12.38 per hour to its laborers performing work on the contract. This contract expires on August 15, 2021. The new contract will reflect an updated living wage per Dallas City Council Resolution 15-2141. The current minimum wage is \$14/ hour for city staff. The planned budget assumed raising it to \$15/hour on Oct 1. The living wage is used for contractors.

**Submitted By:** Catherine Cuellar

**Media Entity:** NBC 5 (Ken Kalthoff)

**Date Submitted:** 5/6/2021

**Topic:** Rental Assistance funds distributed to date

**Inquiry:** City of Dallas has administered \$16.1M in rental assistance since May 2020. We expect more funding to be available pending U.S. Treasury guidance on American Recovery Plan Act funds in coming weeks.

**Submitted By:** Catherine Cuellar

**Media Entity:** Univision 23 (Laura Cruces)

**Date Submitted:** 5/7/2021

**Topic:** Dallas Youth Commission

**Inquiry:** Background information about the Dallas Youth Commission and Teens for Dallas Community Service grant initiative was provided to the media outlet.

**Submitted By:** Catherine Cuellar

**Media Entity:** Dallas Express (Sarah Downey)

**Date Submitted:** 5/6/2021

**Topic:** Request for information about QAnon event relocation to KBHCCD

**Inquiry:** COM confirmed the event will not be held at KBHCCD.

**Submitted By:** Catherine Cuellar

**Media Entity:** Dallas Observer (Jacob Vaughn)

**Date Submitted:** 5/10/2021

**Topic:** Fence around the Shingle Mountain property

**Inquiry:** Code Compliance Services (CCS) and the Office of Environmental Quality and Sustainability (OEQS) confirm the only activity currently underway on the CCR site is the finalization of the cleanup as noted at the Former Blue Star Recycling dashboard.

The City has confirmed the owner of the Almira site is making repairs to their property, including fence repair/installation, clearing of overgrown vegetation, and repairs to the road base as the current tenant vacates the property. OEQS and CCS will continue monitoring activity to ensure compliance with applicable industrial zoning and environmental regulation.

**Submitted By:** Catherine Cuellar  
**Media Entity:** D Magazine (Matt Goodman)

**Date Submitted:** 5/07/2021

**Topic:** Ordinance about public camping in Dallas

**Inquiry:** Dallas does not have any sanctioned public camping. It is not banned per se but camping without an approved permit has always been illegal. We are, of course, abiding by current CDC guidelines on the spread of COVID and only resolving encampments that pose a safety or health risk to the residents and/or public. Prior to resolution, all residents are offered individualized shelter and access to resources tailored to their needs. For encampments not currently posing a risk of this nature, we monitor and schedule routine debris clearing and continue to offer the same resources (individualized shelter, etc...) as is evident per our list of unsheltered residents engaged and linked to services in the weekly TCB memos, the latest of which is provided within the Encampment Resolution Update March 19, 2021.

**Submitted By:** Catherine Cuellar (Parks and Recreation)

**Media Entity:** Spectrum News 1 (Mike Pool)

**Date Submitted:** 5/07/2021

**Topic:** Event permits/For God & Country patriot roundup

**Inquiry:** The City of Dallas Office of Special Events has not received any permit requests for this activity. If an event were on private property it would not require a permit, but all applicable code would need to be followed.

**Submitted By:** Catherine Cuellar

**Media Entity:** NBC 5 (Eva Parks)

CITY OF DALLAS

Dallas Fire-Rescue Department  
Media Requests: May 4<sup>th</sup> – 10<sup>th</sup>, 2021.

**Wednesday, May 5<sup>th</sup>: Fox 4 (Gillian Hughes) and CBS 11 (Robbie Hoy)** - Can you send us any info on this north Dallas elementary school evacuation? 29000 Northaven Rd.

**City Response** - Someone noticed a haze in one of the classrooms and thought it was as fire, but we were not able to find any sign of one. The haze he reported has since dissipated, so it could have been dust or something else.

The school was evacuated, but we tapped it out within 10 minutes of arriving.

Units arrived at the scene of Marcus Elementary, located at 2911 Northaven Road, at 11:43 a.m., the incident was tapped out at 11:51 a.m.

**Wednesday, May 5<sup>th</sup>: CBS 11 (Robbie Hoy), New York Times (Bryan Pietsch) and KRLD (Iris Bekker)** – Hearing about an explosion in mid-air, maybe 15-20 stories above Ross Avenue... near the downtown YMCA. Any ideas what's happening?

**City Response** - On May 5, 2021, at 12:34 pm, DFR and DPD officers were dispatched to the 1200 block of Ross Avenue regarding a disturbance involving fireworks. Officers responded to the location and did not locate anyone setting off fireworks nor did they locate remnants of fireworks being set off.

**Thursday, May 6<sup>th</sup>: All local media outlets** - What can you tell me about the fire at McKinney Ave and Lemmon Ave?

**City Response** - On Thursday, May 6<sup>th</sup>, at 8:28 a.m., Dallas Fire-Rescue units responded to a 911 call for a structure fire at the Gas Light Restaurant & Bar, located at 3407 McKinney Avenue, in Uptown.

When firefighters arrived at the one-story building, they could see heavy fire coming from the patio area of the business. There was no one in the restaurant when the fire occurred, so firefighters were able to focus the bulk of their efforts on fire suppression. They were able to make quick access to the fire, since it was mostly on the exterior, and extinguish it in approximately half-an-hour.

Fire investigators know the fire originated on the patio area of restaurant, but are working with its ownership, and that of surrounding locations, to determine exactly how it began. As it currently stands the cause of the fire will be listed as undetermined.

Thankfully, there were no injuries reported as a result of the fire.

**Friday, May 7<sup>th</sup>: Dallas Morning News (Elizabeth Souder)** - I have a new project, and I thought Fire Chief, Dominique Artis, might be interested in participating. I'm asking a wide variety of people in North Texas to tell me why they chose to get vaccinated. (Assuming he did get vaccinated.) I just need a few sentences, maybe 300 words, tops. Deadline is sometime in the next week or so.

**City Response** - Outside of my duties as Fire Chief, my primary responsibilities come as a Father and a Husband. That being said, my number one reason for getting vaccinated against COVID-19 was to ensure the safety of my family. On the same note, as the leader of the Dallas Fire-Rescue (DFR) Department, it is also my sworn duty to ensure the safety of the DFR family. The Command Staff and Medical Direction Team worked diligently to provide the latest science-based information, while incorporating multiple changes to our emergency response procedures and clinical practice guidelines, to ensure the protection of our nearly 2,000 members. Considering the 500-plus who tested positive for the virus over the duration of the pandemic, it was vital that I took initiative to show that the vaccine was not only safe, but that it would be the most significant step toward fostering herd immunity and getting back to some sense of normalcy. More than anything however, I felt it was important to get vaccinated so our members understood that I would not ask them to do anything I wasn't willing to do myself. Tuesday, December 29<sup>th</sup>, 2020, marked the first day DFR began vaccinating its own members, and I made sure to be among the first in line. Since then, we have fully vaccinated at least half of our members, with several others choosing to get the vaccine on their own. While I can't speak on how much of a factor my example played in those members choosing to get vaccinated, we only hope the guidance we have given has allowed them to make an informed decision regarding what they feel is best for themselves and their loved ones.

**Monday, May 10<sup>th</sup>: KRLD (Austin York)** – Any word on what caused that fire at the Gas Light Bar and Restaurant last week?

**City Response** - On Thursday, May 6<sup>th</sup>, at 8:28 a.m., Dallas Fire-Rescue units responded to a 911 call for a structure fire at the Gas Light Restaurant & Bar, located at 3407 McKinney Avenue, in Uptown.

When firefighters arrived at the one-story building, they could see heavy fire coming from the patio area of the business. There was no one in the restaurant when the fire occurred, so firefighters were able to focus the bulk of their efforts on fire suppression.

They were able to make quick access to the fire, since it was mostly on the exterior, and extinguish it in approximately half-an-hour.

Fire Investigators were able to determine that the fire was accidental in nature, and began as the result of an unspecified electrical malfunction of a commercial freezer unit on the outside patio of the business. The fire then spread to the interior by way of a large entry way; causing damage to the inside.

Thankfully, there were no injuries reported as a result of the fire.

# THE HUMAN CAPACITY

Our Collective Ability to Thrive

A photograph of a baseball game in progress at sunset. A batter is in a ready stance, and a catcher is crouched behind home plate. The sky is a vibrant mix of orange, pink, and purple. Two tall stadium lights are visible on either side of the field.
