

Memorandum

CITY OF DALLAS

DATE November 12, 2021

TO Honorable Mayor and Members of the City Council

SUBJECT **Neighborhood Public Meetings Schedule
FY 2022-23 HUD Consolidated Plan Budget**

In January 2022, Budget & Management Services (BMS) and the Community Development Commission (CDC) will host six virtual Neighborhood Public Meetings for the FY 2022-23 Consolidated Plan Budget for the U.S. Department of Housing and Urban Development (HUD) grant funds. The Consolidated Plan grants include: Community Development Block Grant (CDBG), HOME Investment Partnership Program (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). These virtual meetings will encourage participants to provide their input on the potential uses for the HUD grant funds.

The City of Dallas' Citizen Participation Plan (CPP) for HUD Grants requires a minimum of six public hearings be held during the development phase of the Consolidated Plan Budget. Given the current public health precautions, HUD rules allow virtual hearings and Telephone Town Hall Meetings (TTHM) in lieu of in-person public hearings to fulfill the public hearing requirements. Significantly more residents have participated in Neighborhood Public Meetings since the CDC has been utilizing virtual meetings and TTHM.

The CDC has proposed meeting dates and times, as provided on the attached flyer. The public meeting information is available on the attached flyer and will be translated in English, Spanish, and Vietnamese. The CDC's communication plan for outreach efforts recommends the placement of advertisements in The Dallas Morning News and other multi-cultural publications. City Staff will coordinate with City departments to ensure public notices are available through recreation centers, libraries, the City's webpage, social media, and the Dallas City News Network channel. BMS staff will also work with Communications, Outreach, and Marketing (COM) to ensure a wide distribution of the flyer to homeowners and neighborhood associations, partnering non-profits, and religious organizations, and will seek free PSA opportunities.

Please let me know if you need additional information.
