

Memorandum

CITY OF DALLAS

DATE July 12, 2023

TO Honorable Mayor and Members of the City Council

SUBJECT **Sales Tax Receipts**

The May 2023 sales tax receipts from the State Comptroller's Office are \$35.8 million and represents a 7.7% increase in total collections compared to the same reporting period last year. Over the most recent 12 months, sales tax receipts have increased by 8.2%.

• May 2022 actual	\$33,254,120
• May 2023 budget	\$34,060,402
• May 2023 actual	\$35,825,917

As part of the FY 2022-23 mid-year budget ordinance approved by the City Council on May 10, we increased the sales tax revenue budget by \$15.5 million from \$417.2 million to \$432.8 million. The budget increase was possible based on year-to-date actual collections.

The FY 2022-23 year-to-date trend is positive and consultation with Dearmon Analytics (contract economist) predicts slowing to a more historical growth rate should occur over the next several months. We will continue to monitor our sales tax forecast closely and provide additional information as it becomes available.

If you have any questions, please contact me or Janette Weedon, Director of Budget and Management Services
