

Memorandum

CITY OF DALLAS

DATE August 24, 2018

TO Honorable Mayor and Members of the City Council

SUBJECT **Comprehensive Economic Development Strategic Plan – Updated Timeline**

The Office of Economic Development (OED) has engaged AngelouEconomics to draft the City's first externally generated economic development strategic plan. City Council approved the \$195,000 contract with the consultant on June 13, 2018. Since then OED staff and the consultant have actively been working to develop a timeline for the series of steps essential to creation of the plan. The plan will be developed in four (4) phases.

Phase 1: Stakeholder Engagement. On August 13, the consultant visited Dallas to interview City of Dallas elected officials which included Mayor Rawlings, CM Kingston, CM Callahan, CM Narvaez, CM Gates, CM Atkins, and CM Clayton. During the week of August 26, the consultant shall make a second visit to the City of Dallas to host the 1st steering committee on August 27, 2018 at the Bill J. Priest Center. The consultant will also conduct a series of focus group meetings, and individual interviews with councilmembers and other economic development stakeholders during the week. The focus groups that have formed as part of OED's outreach efforts include: workforce development, innovation, creative industries, small business development, young leaders, real estate development, and local business chambers. This list is not an exhaustive list but is intended to provide a general idea of the groups. Phase 1 will be on-going as needed, but the initial interviews shall be completed by August 31, 2018.

Phase 2: Market Assessment. This phase will include a market assessment of the City of Dallas, along with benchmarking the City of Dallas against peer cities. A SWOT analysis shall also be conducted during Phase 2 along with assessing the following items in the City of Dallas:

- Business Climate
- Workforce Development and Education
- Marketing and Economic Development Efforts
- Industrial/Commercial Real Estate Sites and Infrastructure
- Quality of Life

This phase is expected to take four weeks and will be completed by September 30, 2018.

Phase 3: Target Industry Recommendations. Key industry sectors shall be identified that have and will drive sustainable growth for the City of Dallas. The industries selected will be based on the strength of the City's existing industry clusters, competitive assets, and our infrastructure to support new and emerging businesses. Additionally, this phase shall entail a labor analysis which will evaluate the availability of labor and associated workforce training programs. Phase 3 should take approximately 4 weeks and the targeted date for completion will be October 31, 2018.

DATE August 24, 2018
SUBJECT Comprehensive Economic Development Strategic Plan – Updated Timeline

Phase 4: Strategic Planning. The final phase for the completion of the plan shall outline the goals, strategies, and actions the City of Dallas should undertake to develop a sustainable economic development plan for the next five years. Additionally, an organizational analysis will be conducted to determine OED's ability to implement the goals of the economic development plan. The consultant expects this phase to take 4 weeks and should be completed by November 30, 2018.

Once all phases are complete, the consultant will present its findings to the Economic Development and Housing Committee. This presentation is planned to occur no later than January 2019. Based on feedback from the Committee, staff and the consultant will either continue to refine the plan, will solicit additional public feedback on the plan, or will present the plan for adoption by the City Council.

Should you have any questions, please contact Raquel Favela, Chief of Economic Development & Neighborhood Services or Courtney Pogue, Director of the Office of Economic Development.

Memorandum

CITY OF DALLAS

DATE August 24, 2018

TO Honorable Mayor and Members of the City Council

SUBJECT **MLK Celebration Planning Committee**

For over 30 years, the City of Dallas has embraced the legacy of Dr. Martin Luther King Jr. with an annual celebration meant to bring our local, and diverse communities together to further the cause of Dr. King for equality as well as the socioeconomic issues Dr. King championed during his lifelong career of activism.

The Martin Luther King, Jr. Community Center Advisory Board was established to make recommendations to the center manager regarding programs and policies within the center. The Board shall consist of 15 members, with each city council member appointing one member to the board and the Mayor appointing the chair. The Board currently has 7 total vacant positions, including the chair, which creates a significant impediment to holding productive meetings. Additionally, several current members have attendance issues. Two of the 3 most recent scheduled meetings were unable to be held due to a lack of quorum.

Due to quorum challenges, the 2019 MLK Celebration Planning Committee was established in March 2018 and held its first meeting on April 9, 2018. The Planning Committee is comprised of community members and volunteers as well as several members of the MLK Community Center Advisory Board. The current Committee composition includes 15 members, who have established sub-committee groups to support the planning of several MLK Celebration Week events. To date, there have been no volunteers from the Committee to serve on the Fundraising Subcommittee.

The City of Dallas is very fortunate to be comprised of many different cultures, nationalities, and diverse backgrounds. It is important that as we continue to grow this celebration and honor the legacy of Dr. Martin Luther King Jr., we must be sure to incorporate feedback received from our City Council, their policy directives and strategic priorities. Some of those policy efforts include but are not limited to **1) Human and Social Needs as a Strategic Priority, 2) the City's "Dallas Resilience" report 3) Mayor Rawlings Poverty Taskforce Report, and, 4) the establishment of the City's Welcoming Communities and Immigrant Affairs and the proposed Office of Equity and Human Rights.** We must also consider the ideas and opinions of the various backgrounds that comprise our communities to make for a wholesome and meaningful event that reflects our great community.

To aid in this effort, I have asked Assistant City Manager, Nadia Chandler Hardy and Jessica Galleshaw, Managing Director of the Office of Community Care, to identify potential participants from the following areas to serve on the MLK Celebration Planning Committee:

- 3 community leaders from our Welcoming Communities and Immigrant Affairs consortium
- 2 members from the City of Dallas Youth Commission
- 3 representatives from the Equity and Human Rights network

Staff from the following areas will support the Committee:

- 2 staff members from City Manager's Office
- 1 staff member from Public Affairs Office
- 1 staff member from the Office of Business Diversity

DATE August 22, 2018

SUBJECT **MLK Celebration Planning Committee**

I also want to ensure the Planning committee is well-accommodated and can meet more frequently. I have asked Nadia Chandler Hardy to open meeting space for the Committee here at City Hall and make a determination as to the frequency of meetings to ensure all planning efforts are complete and successful. I expect this transition to take place as soon as possible, but no later than September 10, 2018.

If you have any questions or concerns, please contact me.

A handwritten signature in black ink, appearing to read 'T.C. Broadnax', is written over the printed name and title.

T.C. Broadnax
City Manager

c: Pamela Jones, Manager III

Memorandum

CITY OF DALLAS

DATE August 24, 2018

TO Honorable Mayor and Members of the Dallas City Council

SUBJECT **Update on Love Field General Aviation Landing Fees**

As stated in the Council memo dated June 22, 2018, the City has delayed the implementation of the collection of the GA Landing Fee at Dallas Love Field until October 1, 2018 to ensure adequate consultation with stakeholders. Aviation Department staff has continued to meet with the Love Field Pilot's Association (LFPA) to review the departmental budget and General Aviation Landing Fee methodology. To date, Aviation Department staff have met with the LFPA Board members on June 12th and July 10th. LFPA has subsequently created a Task Force made up of industry representatives to dig deeper into the fee methodology. The Task Force held its first meeting with staff on Tuesday, August 7, 2018. From the airport's perspective, the last task to be completed during the consultation phase is to ensure the data used to calculate the initial fee is as accurate as possible. Data verification is currently underway.

Aviation Department staff recognizes that some aircraft operations are not for strictly commercial or private activity, and may be exempt from the application of the landing fee. We will review these operations on a case by case basis to determine whether the nature of the activity would fall outside the requirements of the ordinance.

Should you have questions, please contact Mark Duebner, Director of Aviation, at (214) 670-6077.

A handwritten signature in black ink that reads "Kimberly B. Tolbert".

Memorandum

CITY OF DALLAS

DATE August 24, 2018

TO Honorable Mayor and Members of the City Council

SUBJECT **Responses to Council Questions on the FY 2018-19 Proposed and FY 2019-20
Planned Budgets**

Thank you for your questions regarding the City Manager's recommended budget. Due to the number of questions, we will provide answers on a rolling basis.

A. FY 2018-19 Annual Budget: Public Safety

1. *How many extractors does Fire-Rescue have? What is the budget for extractors?*

Dallas Fire-Rescue (DFR) currently has 18 extractors throughout the City. Sixteen are located within fire stations, and two are housed at DFR's training facility. The FY 2018-19 budget does not include funding to purchase additional extractors. The budget does include funding for maintenance of existing equipment and training on its use.

2. *What percentage of calls are EMS? What percentage are Fire?*

Since August 2017, 78.1 percent of calls were for EMS, and 21.6 percent were for fire incidents.

Month-Year	Fire	EMS	Other*
Aug-17	17.98%	81.81%	0.21%
Sep-17	17.87%	82.07%	0.06%
Oct-17	17.30%	82.70%	0.00%
Nov-17	19.40%	80.60%	0.00%
Dec-17	23.86%	76.14%	0.00%
Jan-18	38.26%	61.74%	0.00%
Feb-18	16.91%	83.09%	0.00%
Mar-18	23.44%	76.56%	0.00%
Apr-18	17.95%	82.05%	0.00%
May-18	18.28%	80.72%	1.00%
Jun-18	23.45%	75.43%	1.12%
Jul-18	24.95%	73.65%	1.40%
Average	21.64%	78.05%	0.32%

*Specialty team runs, such as Hazmat

DATE August 24, 2018
SUBJECT Responses to Council Questions on the FY 2018-19 Proposed and FY 2019-20 Planned Budgets

3. *What security has been implemented at fire stations?*

Employee parking lots at all fire stations are fenced or separated by a wall. One fire station has security cameras installed. The training facility also has a security detail during the evening hours.

4. *What is the strategy to reduce crime in District 4?*

DPD's crime reduction strategy is multi-layered and focused on critical locations where analysis reveals crime is concentrated. This strategy does not entail using a "saturation" approach; instead, it is designed to provide precise police service. DPD's goals are for residents to see and trust the department, be an empowering body that safeguards their communities, and improve quality of life. Patrol and support services are working in several locations to target violent crime. Each location presents specific crime, social, and quality of life concerns:

- Village Homes, 3550 E. Overton Road
- Bonnie View Road and Ledbetter Drive businesses and apartments
- Kiest Blvd and Polk Street car wash
- Denley Drive and Morrell Avenue businesses, churches, and residential areas

Police units will provide patrol presence in these areas, including overtime assignments and on-duty personnel conducting targeted enforcement toward drug dealers, violent offenders, and gang members. DPD will also target specific issues in these communities, such as speeding, loud music, and junked cars on the street. Data analysis will be used to identify property crime trends and deploy covert officers to observe and report related suspicious or criminal activity. Patrol, Community Affairs, and Neighborhood Police Officer units will engage with the community through Crime Watch groups.

DPD regularly sends current published crime statistics to City Council. The most recent statistics for District 4 are:

- Violent crime (including homicide, assault, sexual assault) down 8.20 percent
- Property crime (including burglary, fraud, theft, stolen vehicles) down 4.19 percent
- Crimes against society (including drug and weapon violations) up 3.09 percent

5. *How much was spent on overtime for the State Fair?*

In FY 2016-17, DPD spent approximately \$2.9 million on State Fair security. Of that amount, about \$1.4 million was attributable to overtime and fully reimbursed by the State Fair of Texas. The remaining \$1.5 million is the projected expense related to the use of on-duty resources.

6. *Please provide an update on animal cruelty investigations.*

Assistant City Manager Jon Fortune provided this update via [Council memo](#) last Friday, August 17. The memo is attached for reference.

7. *What is the recruitment budget for police officers?*

The table below details the line items for recruitment in the DPD and DFR budgets. In total, \$2.4 million has been dedicated to the recruitment of new police officers and firefighters in the proposed FY 2018-19 budget.

Police	FY 2017-18	FY 2018-19
Advertising	\$245,500	\$315,500
Travel Costs	\$158,381	\$198,703
Recruiter Salaries/Benefits (11)	\$1,054,055	\$1,223,232
Subtotal	\$1,457,936	\$1,737,435
Fire-Rescue	FY 2017-18	FY 2018-19
Advertising	\$53,028	\$53,028
Travel Costs	\$30,000	\$30,000
Recruiter Salaries/Benefits (4)	\$497,880	\$532,481
Subtotal	\$580,908	\$615,509
Total	\$2,038,844	\$2,352,944

8. *Is there a pay discrepancy between starting salary of new security guards and guards already hired?*

Building security guard pay was evaluated earlier this fiscal year, and it was determined adjustments were warranted. Those employees eligible for an increase will see the new rate on their next paycheck, which will then be retroactively paid to the effective date of May 23, 2018.

9. *What percentage of uniformed public safety personnel live in the city of Dallas?*

Of all uniformed public safety personnel, almost 20 percent live in Dallas: 18.1 percent of DFR uniformed employees and 20.5 percent of DPD uniformed employees.

10. *Regarding the RIGHT Care program, how many potential police-involved incidents have been avoided?*

As of August 12, the RIGHT Care team has made 1,407 service contacts with residents, including service calls, follow-ups and outreach. The team also achieved 97 jail diversions, meaning DPD did not pursue potential misdemeanor charges. Traditionally, jail has been the primary solution available to officers, but this program

DATE August 24, 2018
 SUBJECT Responses to Council Questions on the FY 2018-19 Proposed and FY 2019-20 Planned Budgets

recognizes the need for mental health care solutions in many instances. The RIGHT Care team ensures residents receive this care when needed, whether on location or by transporting them to a provider such as Metrocare. This program is helping the City of Dallas and our partner, Dallas County, transform this from a policing issue to a mental health issue.

11. Please provide updated information on the cost of additional pay increases for DPD and DFR uniformed personnel.

We provided a memo on August 22 on the costs of across-the-board raises for DPD and DFR uniformed personnel, and the costs of raising starting pay to \$59,840 and providing across-the-board raises for all others. The example below was an additional request to provide the cost of increasing starting pay to \$54,263, instead of \$59,840, and across-the-board pay raises for those not impacted by that starting pay. Please note that, as with the tables provided on August 22, if you want to know the cost of raising starting pay *and* providing an across-the-board raise for all others, you must add the costs in Table D to the appropriate row of costs provided in Table E.

Pay Option	Full-Year Salary Cost (including Pension)	Cost of Salary Increase (excluding Pension)*	Cost of Overtime Increase (excluding Pension)*	Cost of Salary + Overtime (excluding Pension)*	Tax Rate to Cover Cost of Salary + Overtime	Tax Bill Increase for Avg. Single-Family Residential Property**
Table D						
Increase pay to \$54,263	\$3,942,373	\$2,941,918	\$308,901	\$3,250,820	0.0026	\$5.63
Table E						
1% raise for those above \$54,263	\$4,543,745	\$3,390,680	\$356,021	\$3,746,702	0.0029	\$6.48
2% raise for those above \$54,263	\$9,087,491	\$6,781,360	\$712,043	\$7,493,403	0.0059	\$12.97
3% raise for those above \$54,263	\$13,631,236	\$10,172,040	\$1,068,064	\$11,240,105	0.0088	\$19.45
4% raise for those above \$54,263	\$18,174,981	\$13,562,721	\$1,424,086	\$14,986,806	0.0118	\$25.94
5% raise for those above \$54,263	\$22,718,727	\$16,953,401	\$1,780,107	\$18,733,508	0.0147	\$32.42

*Pension costs are already included in the City Manager's recommended budget as necessary to meet HB3158 contribution requirements.

**Tax bill is based on the average value for a residential property, \$275,000, with a homestead exemption

B. FY 2018-19 Annual Budget: Mobility Solutions, Infrastructure, & Sustainability

12. *Regarding the alley pilot program, how are alley repairs being prioritized? Which will be completed first?*

For the unimproved (gravel) alley pilot program, alleys will be prioritized by their use by the Sanitation Services Department and their pavement condition index (PCI) rating.

13. *Of the \$125 million for streets, how much is General Fund and how much is Bond Program funding? What is the breakout, by district, for bond funds in FY 2018-19?*

Of the \$125 million for streets, \$64 million is in cash – \$39.5 million from General Fund and \$24.5 million in capital improvement funding – and \$61 million is in bonds – \$46.5 million in 2017 Bond Program funding and \$14.8 million from Dallas Water Utilities. FY 2018-19 bond funding is listed by district below.

Council District	Bond Funding for Streets
1	\$3,630,507
2	\$3,309,423
3	\$2,736,390
4	\$3,309,049
5	\$2,366,460
6	\$2,564,748
7	\$3,256,285
8	\$3,534,306
9	\$3,295,441
10	\$4,517,637
11	\$3,322,607
12	\$3,431,166
13	\$4,596,093
14	\$2,674,748
Total	\$46,544,859

14. *Where is the MOWmentum program budgeted? How much?*

Public Works has budgeted \$25,000 for the MOWmentum program. Additional details about the program can be found on [the Public Works website](#).

DATE August 24, 2018

SUBJECT Responses to Council Questions on the FY 2018-19 Proposed and FY 2019-20 Planned Budgets

15. Can we fix potholes in alleys made of asphalt? Please provide a list of alleys in District 8 by grade level.

Potholes in alleys can be fixed via 311 service requests. Please refer to the attached list of alleys, which includes the address served, the pavement type, and condition of the alley for all districts.

16. How many smart signals will this budget fund?

The FY 2018-19 budget includes \$2 million (including design) as a City match to leverage a \$10 million Federal Highway Safety Improvement Project (HSIP) grant for intersection improvements, including constructing smart traffic signals at up to 30 high-accident intersections. The budget also includes matching funds for a North Central Texas Council of Governments grant, a portion of which will upgrade vehicle detection at 20 intersections throughout the city. Additionally, the FY 2019-20 budget includes the replacement of vehicle detectors at 40 critical intersections citywide.

Using funds from the 2006, 2012, and 2017 Bond Programs, the Transportation Department is also upgrading the traffic controllers at the city's 1,400 intersections – 817 have been upgraded so far. The 2017 Bond Program also funded 63 warranted traffic signals, three of which are currently under construction, with another 10 out for construction bids. Warranted signals satisfy one or more of the conditions, or warrants, outlined in the Manual on Uniform Traffic Control Devices (MUTCD) for determining the need for a traffic signal at a given location.

17. What is the importance of smart signals for the future of mobility in Dallas? Do smart signals improve the flow of traffic?

Smart signals have an advanced traffic controller (ATC) with a faster processor, enabling the collection, storage, and analysis of real-time data. Smart signals are essential for the optimization of traffic flow, enhancing mobility by detecting changing traffic patterns and communicating with the Traffic Management Center (TMC), enabling staff to proactively improve signal timing and reduce traffic congestion. The system is also capable of collecting vehicular, pedestrian, and other data, which will assist in the development of efficient timing patterns and special events timing.

Smart signals also make our technicians smarter by aiding with quicker and more accurate diagnoses of malfunctions and, ultimately, faster resolution of residents' service requests. In the long term, ATCs, upgraded vehicle detection, and the new Advanced Traffic Management System (ATMS) are building blocks for future Smart City initiatives and could allow for traffic data sharing regionally and with third-party entities such as Waze.

18. Can you provide data on traffic improvements once a smart signal is in place?

High-resolution data logs from the new ATCs coupled with modern vehicle detection systems will provide much more data than traditional traffic timing studies, which should allow us to provide performance reports in the future. Based on current research, well-timed traffic signal systems have been documented to save nearly \$170,000 per signal per year in time and fuel spent.

19. Please provide a list of traffic signal replacements by district.

Please refer to the attached list of 1) active HSIP projects, 2) warranted signals funded by the 2017 Bond Program, and 3) warranted signals not currently funded.

20. Please provide the funding schedule for stormwater dredging projects.

In 2013, the City completed a Comprehensive Dredge Management Plan to quantify dredging needs across the City. The plan identified more than 200 ponds and lakes actively managed or included as floodway areas managed by the City or through agreements with homeowners' associations. The plan also evaluated 180 ponds for required dredging, including sediment quality, flood storage requirements, and other measures. It classified projects as high, medium, and low priority based on associated flood risks. Combined plan estimates exceeded \$94.7 million as calculated in 2013 dollars.

Currently, staff are completing in-house design for high-priority dredge projects identified in the plan using major maintenance funds for stormwater drainage projects. Dredging may include some or all of these detention ponds, depending on where the sediment has built up. Construction efforts are anticipated to begin in FY 2019-20 and will be staged over several fiscal years.

Project	Council District	Anticipated Estimate
Fox Hollow Lake	3	\$123,000 (2018 est.)
Acres/Grady Detention Basin	5	\$1.24 million
Keeton Park (Ponds 6/10)	5	\$774,000
Lone Star Detention Basin	6	\$666,000
Bent Creek Detention Basin	12	\$100,000
Twin Lakes	12	\$538,000
Fair Oaks Detention Basin	13	\$808,000

Proposition D in the 2017 Bond Program includes two projects related to dredging:

- A study to assess pond volume and spillway function relative to effective flood retention for Kidd Springs, which will provide an opportunity to reassess need for dredging as part of project scope

DATE August 24, 2018

SUBJECT Responses to Council Questions on the FY 2018-19 Proposed and FY 2019-20 Planned Budgets

- Lake Highlands Town Center dredge project for an online pond on Dixon Branch in District 10, which is currently under a design procurement phase

21. When will the Twin Falls erosion project begin construction?

The current schedule provided by the contractor for the erosion control group including Twin Falls estimates a mid-October 2018 construction start. This schedule is weather-dependent and may be delayed.

C. FY 2018-19 Annual Budget: Economic & Neighborhood Vitality

22. Are there plans to produce a brochure on programs in the Comprehensive Housing Policy for residents without internet access?

Housing and Neighborhood Revitalization has developed a flyer summarizing the goals and programs within the Comprehensive Housing Policy. It is attached for reference.

23. Regarding the “one-stop” shop, is this for Jefferson Street? Is this in place now? Do we have personnel to go live on October 1?

The “one-stop” shop is primarily a reference to a single electronic portal to submit and conduct reviews of building permit applications and engineering plans. The City Manager’s proposed budget includes positions to provide adequate staffing to go live with this initiative on electronic submittal and plan review on October 1. A physical “one-stop” shop is currently in place at the Oak Cliff Municipal Center for all development applications related to building permits and supporting public and private infrastructure. However, the physical constraints of the location are challenging, particularly parking and building design and space. The electronic plan review system will help alleviate these in part by reducing the number of trips to obtain permits and complete the review process.

24. Regarding the historic resource survey, what is the funding for? Who are the private partners, and how were they selected?

The \$100,000 in funding is intended to leverage state and private funds for a survey of the greater downtown area to identify endangered structures and structures with historic significance. This updated survey was one of the recommendations by the Downtown Dallas Historic Preservation Task Force that City Council endorsed in June 2015. The grant application from the Texas Historical Commission is due in November and will be awarded in January. The state grant requires a local match. In addition, Preservation Dallas and the Preservation Task Force have committed to finding private partners to complement this funding.

DATE August 24, 2018
SUBJECT Responses to Council Questions on the FY 2018-19 Proposed and FY 2019-20 Planned Budgets

D. FY 2018-19 Annual Budget: Human & Social Needs

25. Please provide an update regarding potential homeless shelter facilities. When are we meeting with facility owners?

Forest Park Medical Center: FMPC was purchased by Medical City Dallas on August 9, 2016. The building is currently occupied by various health care providers, and medical office space is available for lease.

Walnut Hill Medical Center: WHMC is currently involved in bankruptcy proceedings. The Office of Homeless Solutions (OHS) will monitor the case to determine if opportunity exists to purchase for use as a homeless shelter. Additional information will be provided in an upcoming Friday memo.

Gateway Hotel: OHS staff conducted a site visit and found the hotel is currently open and receiving guests. According to hotel staff at the property, there are no plans to sell or vacate the property.

Tri City Hospital: The property is privately owned, and staff have attempted to reach the broker to schedule a site visit. Analysis of its feasibility as a homeless shelter will be provided in an upcoming Friday memo.

Parkland Hospital: OHS staff met with Parkland leadership on August 16. Leadership stated the facility is not available for use by the City because they are currently working with interested parties to use existing space for clinic and other development.

Timberlawn Psychiatric Hospital: OHS staff met with property owners on August 17, and Timberlawn currently has several offers under contract for purchase. If the City was interested in purchasing, it would have to pay full market value, estimated at \$4 million. Staff estimates an additional \$15-20 million would be necessary to bring all buildings up to code (remediate asbestos/mold and upgrade HVAC, electric, and plumbing systems). OHS has also received significant feedback from community members who oppose the use of Timberlawn as a shelter.

Dawson State Jail: OHS staff met with Dawson representatives on August 21, and the facility is currently under contract for purchase. The development team is assessing the possibility of using the facility as a housing solution for homeless individuals. Additional information will be provided in an upcoming Friday memo.

DATE August 24, 2018
SUBJECT Responses to Council Questions on the FY 2018-19 Proposed and FY 2019-20 Planned Budgets

Churches/religious institutions: Churches are not currently zoned to allow overnight stays on their property. To do so, the organization would have to change the facility's zoning and secure a special use permit (SUP), which could take six to eight months. Churches would also be required to obtain all appropriate City permits to allow overnight sleeping.

26. Regarding the Aggressive Animals Team, how will the team be deployed?

This Dallas Animal Services team will analyze data from historical bite reports and aggressive dog service requests to guide the team's work schedule, location routing, and strategy. Examining the time of day, day of the week, and geographic location of these reports will help the team identify hot spots and ultimately improve public safety by taking in more aggressive animals, which should reduce bites.

E. FY 2018-19 Annual Budget: Quality of Life

27. Since Fair Park will impact the budget, please provide a briefing on the Fair Park management contract.

We will provide a briefing on the Fair Park management contract at the budget workshop currently scheduled for September 11.

28. Does OEQ have a plan (if funded) to create a comprehensive environmental plan for the city?

The proposed budget does not include funding for a comprehensive environmental plan for the City of Dallas, but it would require an estimated \$400,000 to complete. OEQ will prepare a request for statement of qualifications from environmental planning consultants to develop a plan. OEQ anticipates that, after contract award, this would be a 12- to 18-month process with a robust community engagement component. No additional FTEs would be necessary to develop such a plan.

29. Are we moving toward monitoring air quality in Dallas? Please provide specific dates for completion of project milestones.

Community air monitoring was discussed at length at the budget briefing and during the City Council agenda meeting on August 22, 2018. As discussed, community air monitoring and air quality is an issue that can be considered as a part of comprehensive environmental action plan. In addition, the topic of community air monitoring will be further briefed to the Quality of Life Committee on September 24.

DATE August 24, 2018
SUBJECT Responses to Council Questions on the FY 2018-19 Proposed and FY 2019-20 Planned Budgets

F. FY 2018-19 Annual Budget: Government Performance & Financial Management

30. How much is allocated for each of the GPFM budget highlights?

- Hosting mobile City Council meetings: \$90,000
- One position to support Census 2020: \$75,811
- Office of Innovation: \$603,668
- ADA transition plan: \$200,000
- Availability and disparity study: \$400,568 (this was funded in FY 2017-18, and the contract will be awarded September 2018; staff resources will be required to oversee the contract during FY 2018-19)

31. Regarding the line items in the budget that show “zero” (e.g. for Trinity Watershed Management), explain where estimated savings were repositioned.

- Center for Performance Excellence (MGT) – These services were reorganized into Human Resources, the City Controller’s Office, and the Office of Innovation.
- EMS Compliance Program (MGT) – This service was reorganized into the City Controller’s Office.
- Ethics and Diversity (MGT) – This service was reorganized into Human Resources.
- Office of Resilience (MGT) – This service merged with the Office of Equity and Human Rights.
- Trinity Watershed Management (General Fund) – These services were integrated into Dallas Water Utilities, and the cost will be paid from Non-Departmental (\$1,631,402).
- Storm Drainage Management (Enterprise Fund) – These services were integrated into Dallas Water Utilities, and the costs will be paid by stormwater fees.

32. Please provide the Dallas 365 targets and actuals from FY 2017-18 for comparison.

The Dallas 365 measure descriptions and targets for FY 2017-18 are attached, along with new measures and targets for FY 2018-19.

DATE August 24, 2018
SUBJECT Responses to Council Questions on the FY 2018-19 Proposed and FY 2019-20 Planned Budgets

Please let us know if you have additional questions. We will provide responses on a rolling basis as we have answers available. Additionally, prior to August 29, we will provide a list of all amendments submitted to date, noting the committee action on the amendment, if any, so you may prepare for the discussion in committee of the whole on that day.

M. Elizabeth Reich
Chief Financial Officer

Memorandum

DATE August 17, 2018
TO Honorable Mayor and Members of the City Council
SUBJECT **Animal Cruelty Investigations**

In a collaborative effort to reduce animal cruelty offenses and prosecute offenders in the City of Dallas, the Dallas Police Department (DPD) will be selecting two detectives to serve as animal cruelty investigators. These detectives will be responsible for follow-up investigations throughout the city on animal cruelty offenses. Individuals selected for these positions will have a passion for protecting animals and will work as a team in conjunction with the criminal investigator from the SPCA, Dallas Animal Services, animal advocacy groups, and the District Attorney's office. These investigators will receive specialized training in order to enhance their ability to investigate and present cases to the District Attorney's Office for prosecution. This higher level of service efficiency and accountability will enable the City of Dallas to more actively investigate cases involving animal fighting, animal cruelty and other forms of violence committed against animals.

In addition, changes are being implemented in both 911 and 311 to provide better service when calls are received involving possible animal cruelty. These changes outlined below will enable the city to better track reported instances of cruelty and abuse.

- When a call is received through 911 or 311 a new protocol of questions will be asked of the caller to obtain specific information beneficial to the follow-up investigation. A new specialized signal for animal cruelty has been created when the caller believes the animal's injuries were inflicted through violence.

While DPD hopes to implement these changes as quickly as possible, they are anticipated to take effect following the start of the new fiscal year (October 2018) once the necessary training and other procedural changes are complete. Please contact me if you have any questions or need additional information.

Jon Fortune
Assistant City Manager

COMPREHENSIVE HOUSING POLICY

GOALS

- PROMOTE GREATER FAIR HOUSING CHOICES
- CREATE AND MAINTAIN AFFORDABLE HOUSING THROUGHOUT DALLAS
- OVERCOME PATTERNS OF SEGREGATION & CONCENTRATIONS OF POVERTY

FOR MORE INFORMATION ON THE
COMPREHENSIVE HOUSING POLICY EMAIL US AT:

DALLASHOUSINGPOLICY.COM

HIGHLIGHTS

- ENABLE PERSONS TO PURCHASE HOMES WITHIN THE CITY BY PROVIDING DIRECT FUNDING ASSISTANCE TO HOMEBUYERS.
- OFFERS A 0%-3% LOAN TO PERSONS DEVELOPING OR SUBSTANTIALLY REHABILITATING HOMEBUYER OR RENTAL UNITS,
- OFFERS A 3% LOAN TO LANDLORDS OF SINGLE-FAMILY OR SMALL MULTI-FAMILY PROPERTIES (1-4 UNITS) TO BRING THE STRUCTURE INTO COMPLIANCE WITH LOCAL CODES.

THE POLICY IS GUIDED BY A MARKET VALUE ANALYSIS (MVA) THAT WAS COMPLETED BY THE REINVESTMENT FUND IN EARLY 2018. THE MVA IS A DATA-DRIVEN TOOL THAT HELPS RESIDENTS AND POLICY MAKERS ANALYZE THE LOCAL REAL ESTATE MARKET AT A CENSUS BLOCK LEVEL. THE MVA IS BUILT ON LOCAL ADMINISTRATIVE DATA AND VALIDATED BY LOCAL EXPERTS.

HOUSING POLICY

The City of Dallas seeks to: create and maintain affordable housing throughout Dallas, promote greater fair housing choices, and overcome patterns of segregation and concentrations of poverty through incentives and requirements.

Analysis and Development: The policy is guided by a Market Value Analysis (MVA) that was completed by the Reinvestment Fund in early 2018. The MVA is a data-driven tool that helps residents and policy makers analyze the local real estate market at a census block level.

New Development: Incentivize private investment for the development of quality, sustainable housing that is affordable to residents of the City.

New Construction and Substantial Rehabilitation Program: Offers a 0%-3% loan to persons developing or substantially rehabilitating homebuyer or rental units, where such assistance is necessary. During the period of affordability, units must be sold or rented to households at or below 80% AMI. Funding is prioritized in Redevelopment and Stabilization Reinvestment Strategy Areas (RVAs).

Dallas Urban Land Bank Demonstration Program: Acquires developable, vacant lots via tax foreclosure. Purchasers must agree to develop: (1) housing units that are sold or rented to households at or below 115% AMI or (2) commercial uses that are developed in accordance with a City-approved plan. Land Banking is prioritized in Stabilization and Emerging Market RVAs.

Other Programs and Tools: Code lien foreclosures, infrastructure development, tax increment financing districts, comprehensive planning, code enforcement sweeps.

Preservation of Existing Housing Stock: Preserve existing housing stock by financing home improvements that address health, safety, accessibility, and structural/deferred maintenance deficiencies; granting tax freezes to owners who make improvements to their properties; and incentivizing developers to preserve affordable housing.

Home Improvement and Preservation Program (HIPP): Citywide program that offers 0% interest loans to homeowners at or below 60% AMI with payments deferred until sale or move-out of owner, offers 0% interest loans to homeowners between 61%-80% AMI with a hybrid repayment structure (monthly payment/partial deferral), and offers 3% interest loans to homeowners between 81%-120% AMI with monthly payments.

***Rental Rehabilitation and Reconstruction Program:** Offers a 3% loan to landlords of single-family or small multi-family properties (1-4 units) to bring the structure into compliance with local codes. During the period of affordability, rental units must be leased to households at or below 80% AMI.

***Neighborhood Empowerment Zones (NEZ) and Express Plan Review:** If a developer agrees to create or preserve affordable housing units within a NEZ, the City may grant development fee waivers, including landscape and tree removal fees and parkland dedication fees, and waive the fees associated with the express plan review process. NEZs will be created in each Stabilization RVA.

***Incentive Zoning:** Incentivizes the creation or preservation of housing units that are sold or rented to households between 60-100% AMI using by-right development bonuses in MF-1, MF-2, MU-1 and MU-2 districts across the city.

Other Programs and Tools: *Community land trusts, *Accessory dwelling units, *Homestead preservation districts.
Direct Assistance: Enable persons to purchase homes within the City by providing direct funding assistance to homebuyers.

Dallas Homebuyer Assistance Program (DHAP): Citywide program that offers 0% interest loans, payable upon resale, to homebuyers between 40%-120% AMI. Loan may be used for principle reduction, down payment, and/or closing costs.
Other Programs and Tools: Voucher sub-lease program.

*Program, tool or strategy is under development.

Dallas 365 Measures

Public Safety

Department	Measure	FY 2017-18 Target	FY 2018-19 Target
Fire-Rescue	Average response time 1st paramedic (in minutes)**	5:00	N/A

Memorandum

CITY OF DALLAS

DATE August 22, 2018

TO Honorable Mayor and Members of the City Council

SUBJECT **Follow Up to August 22, 2018 City Council Discussion on Tax Rate and Potential Changes to 2016 Meet and Confer Agreement on Police and Fire Pay**

Thank you for your questions prior to and at the City Council meeting today. This memorandum provides a recap of the many numbers we provided verbally today, as well as the additional information and calculations we committed to provide in writing.

Maximum Tax Rate City Council May Adopt on September 18

Today, the City Council approved a maximum tax rate for FY 2018-19 of **77.79¢** per \$100 in valuation, or 0.25¢ less than the current tax rate of 78.04¢. This action reserves the option to adopt a tax rate on Tuesday, September 18 that exceeds the effective tax rate, which is 73.91¢. The City Council may approve a rate lower than 77.79¢ but may not approve one higher.

Increasing the property tax rate from the City Manager's recommended rate of 76.50¢ to 77.79¢ is an increase of 1.29¢ per \$100 valuation. The revenue from 1.29¢ is **\$16,397,853**.

State law requires that we advertise and hold two public hearings to receive comments on the tax rate. The public hearings will be held on September 5 and September 12.

Growth of General Fund

The City Manager's proposed FY 2018-19 General Fund budget is \$1.35 billion, an increase of **\$74.8 million**, or 5.86 percent, from the FY 2017-18 adopted General Fund budget. The increase comprises \$61.3 million in property taxes, \$8.3 million in sales taxes, and \$5.2 million in other revenue.

Most of the increase, or \$63.9 million, funds items that we consider "have to do":

- TIF (\$10 million),
- Meet and Confer (\$25.7 million),
- Police and fire pension (\$6.1 million),
- Civilian merit (\$7.5 million),
- Employee/retiree health benefits (\$5.5 million),
- Master lease debt payment (\$2.5 million),
- Mayor/Council election (\$1.3 million), and
- School crossing guard program (\$5.3 million).

DATE August 22, 2018
SUBJECT Follow Up to August 22, 2018 City Council Discussion, con't

If the City Council were to adopt the maximum tax rate set today, 77.79¢ per \$100 in valuation, then the FY 2018-19 General Fund budget would be **\$1.37 billion**, an increase of **\$91.2 million**, or **7.14 percent**, from the FY 2017-18 adopted General Fund budget. The increase would comprise **\$77.7 million** in property taxes, \$8.3 million in sales taxes, and \$5.2 million in other revenue.

Growth in Property Values

Total property value within the City of Dallas increased by **9.94 percent** when comparing the 2018 certified values with the 2017 certified values. The 2018 certified tax roll includes \$3.57 billion of new construction value. Of the 9.94 percent growth, 6.92 percent is attributable to property taxed in the current year, and 3.02 percent is attributable to new construction.

The five-year forecast included in the biennial budget assumes property values will grow:

- 6.25 percent in FY 2019-20,
- 5.47 percent in FY 2020-21,
- 4.61 percent in FY 2021-22, and
- 3.77 percent in FY 2022-23.

The average value for a single-family residential property increased from \$250,000 in 2017 to \$275,000 in 2018. The tax bill for the average single-family residential home-owner will increase from \$1,553.13 to \$1,681.21, or **\$128.08**, or **8.24 percent**, considering the increased value and the City Manager's recommended change in the tax rate from 78.04¢ to 76.50¢.

If the City Council were to adopt the maximum tax rate set today, 77.79¢ per \$100 in valuation, as opposed to the City Manager's recommended tax rate of 76.50¢, the single-family residential tax bill will increase an **additional \$28.38** per year, or **\$156.46** total.

Please note that individual tax bills are a factor of each individual's property value.

Potential Changes to the 2016 Meet and Confer Agreement on Police and Fire Pay

The City Manager's recommended FY 2018-19 and FY 2019-20 biennial budget includes over \$40 million for increased police and fire pay based on the December 2016 Meet and Confer Agreement. This includes \$25.7 million in FY 2018-19 to implement the double step pay increases, add an additional 2 percent top step, and bring starting pay to \$51,688. FY 2019-20 includes an additional \$15 million to provide full-year funding for these increases in the second year of the biennial.

DATE August 22, 2018
SUBJECT Follow Up to August 22, 2018 City Council Discussion, con't

Based on your requests, we have provided information regarding additional pay increases in several tables:

- Table A is the cost to provide across-the-board pay raises to all ranks and steps, over and above those included in the budget due to the 2016 agreement.
- Table B is the cost to increase starting pay from \$51,688 to \$59,840 and bring all current employees below this salary up to \$59,840.
- Table C is the cost to provide across-the-board pay raises for employees not receiving pay adjustments in Table B, over and above those included in the budget due to the 2016 agreement.

Each table includes:

- *Full Year Salary Cost (Includes Pension)* – This provides the full magnitude of the scenario including the 12-month cost of the salary adjustment, FICA (i.e. Medicare), and pension (34.5 percent).
- *Cost of Salary Increase (Excludes Pension)* – This provides the amount of money the City Council needs to include in the budget to fund the base salary portion of the scenario. As a result of HB 3158, the proposed budget already includes the amount necessary to meet the City's required pension contribution in FY 2018-19, i.e. the "floor." None of the scenarios would require additional pension contributions above the "floor."
- *Cost of Overtime Increase (Excludes Pension)* – This provides the amount of money the City Council needs to include in the budget to fund the overtime portion of the scenario. Since employees' average pay will increase, the cost of overtime will increase as well. Overtime is not pensionable.
- *Cost of Salary plus Overtime (Excludes Pension)* – This is the total amount needed to fund the scenario.
- *Tax Rate to Generate Revenue to Cover Salary and Overtime* – This is the tax rate that generates revenue in an amount equal to the salary and overtime expense.
- *Incremental Tax Bill for Average Residential Property* – This is the dollar cost of the tax rate to the average single-family residential home-owner.

As an example, you can see on Table A, the cost for a 3 percent across-the-board raise for all uniform employees plus overtime is \$12.8 million. The tax rate required to generate \$12.8 million revenue is \$0.0101 or 1.01¢. The dollar value of the tax bill associated with this rate for the average single-family residential home-owner is \$22.12 per year.

As another example, to increase starting pay to \$59,840, give all others a 2 percent across-the-board raise, and fund overtime, you would need to add the amounts in Table B to those listed for the 2 percent scenario in Table C. The cost of the scenario is \$16.4 million (\$9,371,022 + \$7,053,909, rounded). The tax rate required to generate \$16.4 million revenue is \$0.0129 or 1.29¢ (0.0074 + 0.0055). The dollar value of the tax bill associated with this rate for the average single-family residential home-owner is \$28.43 per year (\$16.22 + \$12.21).

1% Raise for all uniform employees	5,708,767	4,260,054	<i>Overtime Cost Already Incorporated into Salary Cost**</i>	4,260,054	0.0034	7.37
2% Raise for all uniform employees	11,417,534	8,520,108		8,520,108	0.0067	14.75
3% Raise for all uniform employees	17,126,301	12,780,162		12,780,162	0.0101	22.12
4% Raise for all uniform employees	22,835,068	17,040,216		17,040,216	0.0134	29.49
5% Raise for all uniform employees	28,543,835	21,300,270		21,300,270	0.0168	36.86
Table B						
Increase pay to \$59,840	11,364,539	8,480,563	890,459	9,371,022	0.0074	16.22
Table C						
1% Raise for those above \$59,840	4,277,251	3,191,814	335,140	3,526,954	0.0028	6.10
2% Raise for those above \$59,840	8,554,502	6,383,628	670,281	7,053,909	0.0055	12.21
3% Raise for those above \$59,840	12,831,753	9,575,442	1,005,421	10,580,863	0.0083	18.31
4% Raise for those above \$59,840	17,109,004	12,767,256	1,340,562	14,107,818	0.0111	24.42
5% Raise for those above \$59,840	21,386,255	15,959,070	1,675,702	17,634,772	0.0139	30.52
* Cost for salary and overtime do not include pension since that cost is already included in the City Manager's Recommended budget as necessary to meet HB3158 contribution requirements.						
** Overtime cost was previously incorporated into the cost scenarios for pay increases for all uniform employees.						
*** Tax Bill is based on \$275,000, the average value for a residential property with a homestead exemption.						

We have also received a request to provide the cost of increasing the starting pay to \$55,000 instead of \$59,840, and the cost of across-the-board pay raises for those not impacted by the \$55,000 starting pay. As we have explained, uniform pay scenarios are complex calculations. Therefore, we will calculate these additional scenarios and provide them to you on Friday.

If you have additional questions, please let me know.

Memorandum

CITY OF DALLAS

DATE August 24, 2018

Honorable Mayor and Members of the City Council:
TO Councilmember Casey Thomas, II (Chair), Deputy Mayor Pro Tem Adam Medrano (Vice Chair), Councilmember Omar Narvaez, Councilmember Mark Clayton, and Councilmember B. Adam McGough

SUBJECT **Contract with Unlocking Doors®, Inc.**

During the August 20, 2018 Human and Social Needs Committee meeting, the Office of Homeless Solutions was asked to provide an update on a contract with Unlocking Doors®, Inc. dba DOORS®, a local non-profit organization that provides offender re-entry brokerage services, whose last contract expired on December 31, 2017.

Attached (with hard copy of this memo) is a binder provided by Unlocking Doors®, which contains the 2017 Texas Reentry Analytic Client Evaluator (TRACE) Reports (by Council District), covering May 1, 2017 through December 31, 2017. Current data about the effectiveness of the Fresh Start Program will be provided by separate memo through the Office of Community Care.

BACKGROUND:

The City of Dallas, previously through the Housing/Community Services Department, has contracted with Unlocking Doors®, to provide the following services: (1) preparing and compiling a statistical report of client data regarding re-entry rates and recidivism for all City of Dallas Council Districts, and (2) measuring the risks and needs of ex-offenders by conducting and providing the results of the Texas Risk Assessment System – Reentry Tool (TRAS) for clients eighteen (18) years of age and older with criminal backgrounds referred by the City. These contracts included:

- FY2014-15 contract in the amount of \$50,000 for the period January 1, 2015 through December 31, 2015, approved by Council Resolution No. 15-0273, on February 11, 2015
- FY2015-16 contract in the amount of \$50,000 for the period January 1, 2016 through December 31, 2016 approved by Council Resolution No. 15-2066, on November 10, 2015
- FY2016-17 contract in the amount of \$50,000 for the period January 1, 2017 through December 31, 2017, approved by Administrative Action No.17-5511.

The contracts were approved based on a letter from the agency documenting that it is the “sole source” provider of these services.

DATE August 24, 2018
SUBJECT **Contract with Unlocking Doors®, Inc.**

STATUS:

During the process to renew the contract for 2018, staff negotiated with the agency to update the scope of services for the contract, and forwarded the contract development documents (including the “sole source” vendor letter) to the City Attorneys’ Office for preparation of the contract. At that time, the City Attorney’s Office requested documentation and approval from the Office of Procurement (beyond the vendor’s letter) to support the “sole source” determination, to include documentation to show that there are no other providers of re-entry brokerage and referral services.

Upon review, it was determined that the scope of services offered by the agency (although of high quality) did not meet the requirements to be considered “sole source,” since there are other organizations that could provide the services (including the City’s Fresh Start Program, Texas Offender Reentry Initiative (TORI) in Dallas and Fort Worth, and Texas ReEntry Services, Inc. in Fort Worth). For this reason, it was determined that a formal Request for Competitively Sealed Proposals (RFCSP) should be administered for funds covering these services, so that proposals could undergo an evaluation process.

Staff are currently evaluating the need for these types of services as part of the Fresh Start Program enhancement request in the City Manager’s Proposed Budget for FY 2019 should City Council approve the Proposed Budget as requested, staff will initiate a formal Request For Proposal process.

Please contact Nadia Chandler Hardy, Assistant City Manager & Chief Resilience Officer, or Monica Hardman, Managing Director, Office of Homeless Solutions, with any additional questions or concerns.

Memorandum

CITY OF DALLAS

DATE August 24, 2018

TO Honorable Mayor and Members of the City Council

SUBJECT **ESPN Productions Contract for Heart of Dallas Bowl**

On September 12, 2018, the City Council will consider the authorization of a two-year Cotton Bowl Stadium Use Agreement with ESPN Productions Inc. to conduct the SERVPRO First Responders Bowl game at the Cotton Bowl Stadium in Fair Park in December 2018 and December 2019 with specified National Collegiate Athletic Association football teams from the Big Ten, Big 12, Conference USA or other conferences, including the advertising, broadcasting, news media, and promotion activities.

In consideration for the completion and compliance of said functions, the City will commit to funding in a total amount of \$300,000 (\$150,000 per year for two years) to be used towards stipends for the participating universities, subject to annual approval and appropriation by the City Council. Additionally, the Tourism Public Improvement District (TPID) has also agreed to provide a percentage of lodging revenues actualized up to \$200,000 annually, which could increase or be reduced based on game attendance and lodging revenue.

As you will recall, the City Council deferred action on August 8, 2018, on an agreement for the bowl game. Since 2012, the annual stipend has been funded through the Chapter 380 Program and the Park and Recreation Department's General Fund budget. While a new agreement could be executed through a Chapter 380 Program agreement, the program guidelines adopted in 2016 were modified from the requirements that were in place in 2012, making the bowl game funding a non-conforming use.

A Stadium Use Agreement to provide funding is a more appropriate and consistent model for funding the bowl game. The City currently funds an annual stipend in support of the annual Red River Showdown football game between the University of Texas and Oklahoma University through a Cotton Bowl Stadium Use Agreement. The proposed agreement for the SERVPRO First Responders Bowl will be modeled after the University of Texas – Oklahoma University game agreement.

Please do not hesitate to contact me at (214) 670-4071 if you have any questions.

Memorandum

CITY OF DALLAS

DATE August 24, 2018

TO Honorable Mayor and Members of the City Council

SUBJECT **Jerry Lambert's Commentary – The City's plan to purchase a second set of Firefighter gear**

Although Mr. Lambert's commentary was directed to Jim McDade, President of the Dallas Firefighters Association, I must point out the inaccuracies in his comments and provide you with correct information regarding this important decision.

Fundamentally, Mr. Lambert questions the validity of the claim that Dallas firefighters are suffering from occupational cancers. Secondly, he has asked, "What problem will this purchase solve for the taxpayers?" Moreover, finally, he asserts that the second set of gear will be ineffective unless the "firefighters also revert to professionally known operational- personal-behaviors [sic] that are professionally acknowledged to effect [sic] the intended prevention." In response, I offer the following brief on behalf of the Dallas Fire-Rescue Department (DFR):

- Occupational cancers in firefighters are well-recognized by governmental organizations, and the medical community continues to find evidence of a causal association between firefighting and cancer.
- The National Institute for Occupational Safety and Health (NIOSH) provides an excellent starting point to explore the research: <https://www.cdc.gov/niosh/firefighters/health.html>
- Texas Government Code 607.055 presumes that a firefighter or emergency medical technician who has cancer may have developed it because of their occupational exposure to heat, smoke, radiation, or to a known or suspected carcinogen (as defined by the International Agency for Research on Cancer).
- The most tangible benefit to the "taxpayers" will be a reduction in out-of-service time for companies and a faster "return to service" (and availability for emergency calls) following any incident where firefighters were exposed to contaminants (hazardous materials, bodily fluids, toxic products of combustion).
- The Texas Commission on Fire Protection requires Dallas Fire-Rescue to comply with the **National Fire Protection Association 1851 Standard on Selection, Care, and Maintenance of Structural Fire Fighting Protective Ensembles**.
- This standard requires that firefighter "gear" cleaning should be initiated at the emergency scene. This is one kind of "routine" cleaning.
- If on-scene cleaning does not remove soiling and contamination, the standard requires that the gear undergo "advanced cleaning" prior to reuse. Advanced cleaning requires machine washing. With only one set of equipment, firefighters who need advanced cleaning must go out-of-service and either 1) wash gear in an extractor or 2) travel to the department's Clothing and Supply unit to be fitted for loaner gear while their own set is sent out for professional cleaning. Both options

delay a return to service that is solved by providing a second set of gear for each member.

- Finally, some pollutants require immediate containment, cleaning or retirement of the gear. In these cases, firefighters must go out of service to obtain replacement gear.
- Indeed, it seems that if one fire company (four firefighters) is out-of-service following contamination, that perhaps the impact of service delivery to the City may be minimal. However, incidents where this kind of contamination occurs are most often structure fires, where several companies have responded, (a one-alarm fire has eight or more companies, involving approximately twenty-six firefighters)
- When several companies are out-of-service for an extended period of time, there is an impact in service delivery for the City of Dallas.
- Many times, Mr. Lambert referred to practices that firefighters can employ to reduce their exposure to carcinogens. He inaccurately stated that DFR firefighters do not perform these preventative measures. Furthermore, he wrote that DFR does not have policies in place to require them and does not outwardly support these safety behaviors.
- DFR has a policy that clearly defines firefighters' roles and responsibilities related to the selection, care, and maintenance of firefighting gear. It explicitly states that the policy formalizes procedures that will improve the safety of our members, specifically by reducing their exposure to fire ground contaminants.
- Each engine company has been provided with special equipment designed to clean firefighting gear, equipment, and the interiors (cabs) of fire apparatus. Firefighters are using this equipment both at emergency scenes and at their respective fire stations. Firefighters have been taught how to decontaminate each other using an approved soap and water solution and then to use body wipes to clean their skin, especially their faces and hands, before entering Rehab (where they rest, rehydrate, and are medically evaluated).
- All DFR members can view training on how to reduce their exposure to contaminants on DFR's internal website and they have received instructions on how to comply with the policy. These practices and safe habits are reinforced in the DFR Recruit Academy as well.
- DFR officers enforce and support these safety behaviors and the policies provide a system of "checks and balances" to ensure that DFR members' gear is routinely evaluated for cleanliness and whether it needs renovation.
- It is worth noting that DFR supports the use of exposure reduction measures to such an extent that current DFR policy requires that members shower once they return to the station. Each of the steps mentioned above are important components of DFR's exposure reduction program.
- The "intangibles" for the citizens, the City, and the firefighters are:
 1. Clean gear = reduced exposure to the public during encounters with DFR
 2. Clean gear = reduced exposure for firefighters
 3. Clean gear = reduced cost of firefighter occupational cancer (lost work time, reduction in productivity, backfill, Workers Compensation benefits and possibly personal medical costs, pain and suffering for family, loved ones, and co-workers)

4. Clean gear = compliance with state regulations

DFR recognizes the threat that cancer poses to our members and has been aggressive at establishing policy and changing practices. The focus is to reduce the chances that another one of our DFR family will have to fight the terrible disease. Purchasing a second set of gear most clearly helps DFR to make certain that firefighters have access to a clean set of personal protective clothing to change into without increasing out-of-service time; this immediately reduces their exposure to carcinogens, pollutants, other toxins and makes them accessible for the next emergency call.

Please contact me if you have any questions or require further clarification.

MANUAL OF PROCEDURES

327.00 PERSONAL PROTECTION ENSEMBLE – SELECTION, CARE, AND MAINTENANCE

DALLAS FIRE-RESCUE

Effective: 06/04/2018
Revised: 06/04/2018

327.0 PERSONAL PROTECTION ENSEMBLE – SELECTION, CARE, AND MAINTENANCE

A. Purpose

1. To establish policies that comply with the current edition of NFPA 1851 for the selection, care, and maintenance of Protective Ensembles for Structural Fire Fighting.
2. To establish a program for structural firefighting ensembles designed to reduce the health risks associated with poorly maintained, contaminated, or damaged protective ensembles.
3. To protect the health and wellness of firefighters and the public by reducing their routine exposure to heat, carcinogens, and other toxins.

B. Definitions

1. **Preliminary Exposure Reduction** – the light cleaning of ensembles or ensemble elements performed at or near the emergency scene, or as soon as possible by the end user.
2. **Verified Independent Service Provider (ISP)** – an independent service provider verified by a third-party certification organization to conduct any one or a combination of advanced inspections, advanced cleaning, basic repair, or advanced repair service.
3. **Citro Squeeze** – An NFPA 1851 compliant, DFR supplied, cleaner/technical detergent for the safe cleaning of oil, soot, grease, and other hydrocarbon contaminants from all types off PPE apparel. It is extremely important to follow the manufacturer instructions regarding mixture ratios and amounts to be used. Too strong of a mixture will damage PPE fibers and reflective fibers, thus providing less protection to the firefighter.
4. **NFPA 1851** – the standard on the Selection, Care, and Maintenance of protective ensembles. This standard has been adopted by the Texas Commission on Fire Protection (TCFP) into the Texas Government Code as state law.
5. **True Haz-Mat Situation** – any exposure to chemicals, biological agents, and radiological particulate hazards; exposure to a substance that when released is capable of creating harm to people, the environment and/or property

STANDARD OPERATING PROCEDURES

C. Background

1. Special clothing items and equipment provide our members a higher degree of protection from heat and chemical exposure during firefighting and other hazardous operations.
2. However, multiple studies have demonstrated credible evidence for statistically higher rates of cancer in firefighters, compared to the general American population. Routine exposure to carcinogens at incident scenes is thought to be the cause of these alarmingly higher rates.
3. In addition to the dangers posed by carcinogen exposure, firefighters are at risk for developing health problems because of repeated exposures to many other toxins that are ingested, inhaled, and absorbed at incidents.
4. Protective clothing contaminated with soot, blood, or other body fluids pose hazards to those that come in contact with it:
 - a. Toxins are trapped in the soot, that is then trapped within the fibers of the protective clothing; thus, contact with the clothing puts members at risk.
 - b. Clothing contaminated with blood or other body fluids presents a risk of spreading disease.
5. Protective clothing that is soiled or dirty loses its protective qualities, consequently putting our members at risk:
 - a. Dirty PPE reflects less radiant heat and absorbs more heat when saturated with hydrocarbons.
 - 1) It is more likely to ignite, causing severe burns, even though the material is normally flame resistant.
 - 2) It is also more likely to conduct electricity.

D. Policy

1. DFR members are only approved to wear department issued PPE, unless approved by the Fire Chief or his/her designee. In the past, members could purchase and wear certain elements, provided they were NFPA approved, without department approval. **This is no longer allowed.**
2. Members are NOT allowed to purchase a PPE element on their own to replace a lost, stolen, or damaged item. DFR has procedures to follow for these situations (*MOP 804.00*).
3. All PPE items must be sent in for their yearly inspection. This includes: helmet, both hoods, coat, trouser, gloves, and boots

STANDARD OPERATING PROCEDURES

4. Members are NOT allowed to make repairs to any element of the protective ensemble. Members are NOT allowed to take any element to an outside agency for repair. This is in direct violation of NFPA 1851 and could place DFR's members at risk for injury.
5. The Personal Protective Ensemble is NOT to be worn, placed, or stored in the living areas of the fire station.
6. Station footwear and uniform pants or shorts should be worn on all calls that do not require the wearing of PPE.
7. Diesel exhaust systems shall be used at all times. If not operable, it must be reported and repaired. The International Agency Research on Cancer (IARC) has categorized diesel exhaust as a "definite carcinogen," placing it in its highest category.
8. Members who are actively involved in fighting a car, dumpster, or structure fire, and/or overhauling duties, will wash their hood when they return to the station. They will use their second hood while their primary hood is drying.
9. "Double hooding" (the wearing of 2 hoods) is NOT allowed by DFR members while actively engaging in firefighting operations. When double hooding, the member's facepiece becomes the weakest link and will likely fail before burns are sustained. **Any member found to be "double hooding" will be subject to disciplinary action.**
10. Each shift, officers and acting officers must ensure that the apparatus "rider list" and NFIRS entries are accurate. These two means of documentation are the best ways to track a member's exposure to fireground contaminants.
11. The Personal Protective Ensemble will be washed and inspected by a verified ISP at least once per year, to satisfy minimum requirements.
 - a. In addition to annual inspection and cleaning, there are occasions where cleaning and/or exposure reduction procedures are required, and in such cases, members will follow the procedures that are outlined here.
 - b. Every member issued PPE is ultimately responsible for the condition of their ensemble.

E. Procedures

1. Fire Fighting Clothing and Equipment
 - a. Personal Protective Ensemble (PPE) refers to the entire personal protective ensemble and includes firefighting boots, turnout pants, turnout coat, gloves, hood, and helmet.

STANDARD OPERATING PROCEDURES

b. During normal business hours, the Warehouse Manager or PPE Captain will facilitate gear exchange. After hours and on weekends, the Shift Safety Battalion Chief (832) will facilitate gear exchange.

c. Transportation:

- 1) When traveling to and from work locations (i.e. swing or hire back) PPE should be in a gear or plastic bag, and when possible, **NOT** in the passenger compartment.
- 2) ERB and other DFR members who operate vehicles equipped with pick-up truck beds or trunks shall ensure that their PPE is **NOT** kept in the passenger compartment (i.e. Investigators, EMS Supervisors, Battalion and Deputy Chiefs, etc.).
- 3) If PPE is contaminated and Preliminary Exposure Reduction measures were not done on scene, PPE will be stored in a plastic bag during transportation back to the station and exposure reduction procedures performed at the station.

d. Storage

- 1) When possible, doors to PPE storage areas should be kept closed to reduce contamination from diesel exhaust.
- 2) The Personal Protective Ensemble shall be stored outside of station living quarters and so that is protected from:
 - a) Ultraviolet light degradation, especially from sunlight; this is a prime cause of protective clothing failure.
 - b) Water and damp conditions; wet or moist PPE can invite bacteria and/or mildew growth, which can lead to skin irritations, rashes, or more serious medical problems.
 - c) Extreme temperatures (below -25F or above 180F); this will accelerate the deterioration of PPE.
 - d) Abrasion and contact with sharp objects; this can cause damage to the PPE.
 - e) Contact with hydraulic fluids, solvents, hydrocarbons, smoke, and other contaminants; this can cause material degradation and damage to the thermal protective fibers.

2. Member Responsibilities

- a. Wear SCBA and Personal Protective Ensemble throughout all active and post-fire environments as directed by the IC. All members should be aware that

STANDARD OPERATING PROCEDURES

personnel may become overheated and exhausted while wearing PPE. Incident Commanders should give orders for personnel to remove PPE during rest periods, especially if members are eating or drinking in a designated Rehab area.

- b. All members should use decontamination wipes, while on scene, to clean exposed skin / areas prone to absorption (head, face, neck, arms, and armpits).
 - 1) Decontamination wipes can be ordered on Station Supply Order Form using the IDS drop-down "Forms" menu.
 - c. All members MUST shower upon returning to the station following exposure to an IDLH environment. Company officers will notify 660 requesting the need to go out-of-service for decontamination. Officers will ensure that companies return to service within 30 minutes unless their Battalion Chief has approved an exception.
 - d. Clothing worn under PPE should be removed immediately upon return to station and laundered using the station's washer and dryer.
3. NFPA Standard 1851 "Selection, Care, and Maintenance of Structural Fire Fighting Protective Ensembles" was incorporated into law by the state of Texas in 2001. The Texas Commission on Fire Protection (TCFP) monitors and enforces DFR's compliance with this standard. DFR will satisfy all of the requirements of NFPA 1851 that relate to the following:
- a. Record keeping
 - b. Selection
 - c. Inspection
 - d. Cleaning and Decontamination
 - e. Repair
 - f. Testing
 - g. Issue and Storage
 - h. Retirement and Disposition
 - i. Procedures for events involving firefighter injury or death

F. Record Keeping

1. The warehouse manager or his/her designee will maintain records of the following information for each protective ensemble:
 - a. Person to whom the PPE was issued
 - b. Date and condition when issued

STANDARD OPERATING PROCEDURES

- c. Manufacturer and model/design
- d. Manufacturer's identification number, lot and serial number
- e. Manufactured date – month and year
- f. Date/s and findings of advanced inspections
- g. Date/s and findings of advanced cleaning or decontamination
- h. Reason for advanced cleaning or decontamination and who performed the services
- i. Date/s of repair, who performed repair, and a description of repair done
- j. Date of retirement
- k. Date and method of disposal

G. Selection

1. In advance of selecting and purchasing structural firefighting ensembles, Dallas Fire-Rescue will conduct a risk assessment. A risk assessment shall be performed before the purchase of a complete ensemble of protective clothing per NFPA 1851. This assessment will focus on the potential hazards encountered by structural fire fighters based on the following:
 - a. Types of duties performed
 - b. Frequency use of ensembles
 - c. Organization's experiences
 - d. Incident Operations
 - e. Geographic location and climate
 - f. Specific physical area of operation
 - g. Likelihood of response to CBRN terrorism incidents
2. Dallas Fire-Rescue will ensure the protective structural firefighting ensembles under consideration are certified, compliant, and meet the minimum standards in the most current version of NFPA 1971, Standard on Protective Ensembles for Structural Fire Fighting.
3. Inspection
 - a. All PPE should be thoroughly cleaned prior to inspection.
 - b. Any member receiving new or replacement PPE shall inspect for:
 - 1) Physical damage, such as, rips, tears, cuts
 - 2) Damaged or missing hardware and closure systems
 - 3) Damaged or missing reflective trim
 - 4) Loss of seam integrity and broken or missing stitches

STANDARD OPERATING PROCEDURES

- 5) Physical damage to shell of the helmet (cracks or dents), physical damage to the ear covers (rips and tears) and damaged or missing reflective trim

c. PPE will be evaluated based on its:

- 1) Date of manufacture
- 2) Cleanliness
- 3) Signs of heat damage
- 4) Signs of abrasion, fabric or material damage
- 5) Thread or seam damage
- 6) Discoloration
- 7) Dye loss
- 8) Reflective trim damage

d. Criteria

- 1) PPE items 10 years old from the date of manufacture or items without a legible manufacture date tag will be removed from service immediately.
- 2) Burned or melted portions of reflective trim exceeding one-fifth of the total area of the item (coat or pants) must be repaired.
- 3) Torn or loose reflective trim material on the coat or pants must be repaired.
- 4) Coats and pants with discoloration and brittleness, or tears, burn holes, acid holes, the build-up of tar, oil, or other substances, must be repaired or replaced.
- 5) Fasteners such as snaps, Velcro closures, zippers, hooks, and rings not working as designed must be repaired or replaced.
- 6) Torn burned, and punctured moisture barriers and liners must be repaired or replaced.
- 7) Hoods with holes shall be replaced.
- 8) Boots with holes and/or punctures shall be replaced.
- 9) Any PPE item that has a build-up of a foreign material that cannot be removed shall be replaced.
- 10) Helmets (and parts of the helmet) that are distorted, cracked, punctured, or bubbled because of heat exposure will be replaced.
- 11) Helmet straps and impact crowns burned, melted or worn through will be replaced.

STANDARD OPERATING PROCEDURES

- 12) Face shields and goggles that are cracked, melted, burned, or discolored will be replaced.
- 13) Gloves that have holes will be replaced.
 - a) Gloves with liners that are separated or detached will be replaced.
- 14) Any PPE item that has been exposed to hazardous materials and cannot be decontaminated will be replaced.
- 15) Any PPE item that has been modified and is not in compliance with TCFP and/or DFR standards will be repaired or replaced.

4. Inspection Responsibilities

- a. In all cases, the officer with PPE inspection responsibilities may contact the PPR Captain for assistance.
- b. Deputy Chiefs
 - 1) Deputy Chiefs shall inspect all PPE belonging to members in their Division on a routine basis, at least one time per year during the annual station inspection, and also whenever he/she has concerns that a member's PPE may not meet the DFR and/or TCFP's standard for PPE.
- c. Battalion Chiefs
 - 1) Battalion Chiefs shall inspect all PPE belonging to members on their shift twice per year; they shall also inspect any member's PPE when he/she has concerns the PPE may not meet DFR and/or TCFP's standard for PPE.
 - 2) PPE Inspection – Exception Report (Form 132PC/ER)
 - a) Following each inspection, battalion chiefs will generate an electronic exception report for all members who need to replace or repair their PPE and send to their Deputy; the Deputy will forward it to the Warehouse Manager and the PPE Captain for filing.
- d. Station Officers
 - 1) Station officers shall inspect all PPE belonging to members on their shift at least once per month, on the first day their shift works, each month.
 - a) PPE Inspection - Form 132-PC
 - i. Will be completed by the station officer or acting officer on the first day, each month, that his/her shift works.
 - ii. The 132PC will be sent electronically to the Battalion Chief (BC) by the third shift of each month.

STANDARD OPERATING PROCEDURES

iii. Upon receipt, the BC will forward the 132PC to the PPE Captain via e-mail.

- 2) Station officers will ensure deficiencies found are corrected immediately.
- 3) Station officers will not allow members to wear PPE that is altered, damaged, or in need of repair.
 - a) Following each monthly inspection, station officers will generate an electronic exception report (Form 132PC/ER) for all members who need to replace or repair their PPE and send to their Deputy Chief through channels; the Deputy will forward it to the Warehouse Manager and the PPE Captain for filing.
- 4) Station officers will ensure members under their command comply with all procedures outlined in this section. **Officers will be held accountable for the condition of all PPE on their shift.**

e. Individual Members

- 1) Individual members are responsible for the following requirements as outlined in NFPA 1851:
 - a) Individual members will inspect their PPE after each use, after exposure to an event that may result in damage, and as warranted.
 - b) Individual members will ensure their PPE is cleaned at least annually, and any time it becomes soiled or contaminated.
- 2) Individual members will turn in all deficient items for repair or replacement by Clothing and Supply.
- 3) Individual members will ensure their PPE is stored properly and maintained in accordance with this policy.

f. The Fire Chief, Assistant Chiefs, Deputy Chiefs, and members assigned to staff positions, Training, EMS, Communications and FPEI:

- 1) Will have their PPE inspected by 832 at least once per year and this will be documented using the PPE Inspection Form 132-PC.
- 2) Will have their PPE advanced cleaning and inspection at least annually by DFR's verified independent service provider.

5. Preliminary Exposure Reduction and Cleaning

- a. Following exposure to soot, dirt, smoke, perspiration, and/or hydrocarbons, members will:
 - 1) Initiate Preliminary Exposure Reduction measures while still on scene and immediately after exiting the structure or contaminated area. Most

STANDARD OPERATING PROCEDURES

carcinogens are water soluble. This simple process can eliminate 70%-75% of carcinogens from the gear. The IC will be responsible for initiating the exposure reduction process.

a) One Alarm Fires

- i. Driver Engineer(s), not on the first engine or truck at 1-alarm fires, will be responsible for setting up the Preliminary Exposure Reduction area. This area should be placed away from the fire, so as to not continue exposure to contaminants. A traffic cone will mark the area.
- ii. The Driver Engineer will place a 2 ½" to ¾" reducer on one of the discharges, attach a 50 ft. section of garden hose with nozzle, a soft bristle brush, and bucket filled with Citro Squeeze and water next to the cone. The line should be flushed to ensure no foam is in the line. If clear water cannot be obtained, use another apparatus or hydrant.
- iii. Idle pressure is all that is needed (open the discharge valve just enough to fill the line).
- iv. Personnel needing to enter the Exposure Reduction Area will assist each other with the process.
- v. Ideally, while wearing PPE and SCBA (breathing "on air") being worn, begin brushing, not scrubbing, with the soft bristle brush and detergent, brushing downward from top to bottom on both the front side and back side, to include the SCBA. This is a light scrubbing to brush off loose debris. Scrubbing too hard will damage the fibers of the outer shell, thus reducing protection.
- vi. Rinse at low pressure from top to bottom. Pressure should be kept low so that the contaminants do not penetrate the gear.
- vii. Once PPE has been removed, utilize the decontamination wipes to remove soot from head, neck, jaw, throat, arms, armpits, hands etc. Utilization of the wipes can remove 50% of contaminants from the skin. Most, if not all, of the remaining 50% is removed when members "shower within the hour."

STANDARD OPERATING PROCEDURES

- viii. Preliminary Exposure Reduction MUST take place prior to entering the Rehab Area. The Rehab Officer will be responsible for ensuring compliance prior to members entering Rehab. Any issues will be reported directly to the IC.
 - b) 2 Alarm and greater:
 - i. The Preliminary Exposure Reduction process will be set up according to the IC's orders.
 - c) At the station:
 - i. Don EMS gloves when inspecting PPE for damage and soil level.
 - ii. If the PPE needs to be washed and/or professionally inspected, follow the appropriate procedures listed in this policy.
- 2) Following exposure to blood and/or body fluids, members will:
 - a) Using universal precautions, remove PPE.
 - b) Isolate and bag the PPE.
 - c) If the blood and/or body fluid meets the following criteria, wash the PPE in a DFR Extractor or request Advanced Cleaning and Inspection (using the methods listed in this policy):
 - i. Has not penetrated the outer shell to the liner.
 - ii. Has not yet dried.
- b. Cleaning PPE at the station
 - 1) When washing, DO NOT mix flame resistant (shell and gloves) with non-flame resistant items (hood and liners).
 - 2) When washing, DO NOT mix station wear with PPE items.
 - 3) Utility sink or bucket washing:
 - a) Utility sink washing is adequate for general cleaning after exposure to soot, dirt, smoke, perspiration, and light hydrocarbons.
 - i. When washing, water temperatures should not exceed 105 degrees Fahrenheit. Water should be hot, but not too hot to tolerate when you submerge bare hands into the water.
 - ii. Protective gloves and eye/face splash protection shall be worn.
 - iii. Do not overload the sink.

STANDARD OPERATING PROCEDURES

- iv. Separate the liners from the shells.
 - v. Use only Citro Squeeze cleaning agent for the detergent.
 - vi. Elements shall be gently scrubbed with a soft bristle brush, while wearing nitrile (medical) gloves.
 - vii. Drain the water.
 - viii. Refill the sink and agitate using a gloved hand or stir stick (broom or mop handle labeled for this use only).
 - ix. Drain the water and lightly wring the garment(s).
 - x. Rinse and wring at least twice, then remove PPE from sink.
 - xi. Inspect the PPE and, where necessary, rewash, or submit for advanced cleaning
 - xii. Hang PPE separately in a well-ventilated area.
 - DO NOT machine dry.
 - DO NOT hand in direct sunlight.
 - xiii. Wash the sink thoroughly, using hot water.
- 4) Helmet
- a) The **only** cleaner to be utilized for cleaning the helmet is the approved Citro Squeeze detergent supplied by the department. This is the same solution used in the extractors (see label for appropriate mixture)
 - b) Do not use other materials such as detergents, solvents, petroleum products, etc. These will damage the shell and face shield, and reduce the protective capability of the helmet.
 - c) If the helmet will not come clean, arrange for an advanced cleaning.
 - d) If it is necessary to totally immerse the helmet, the impact cap shall be separated from the helmet shell. Each element component shall be washed and dried separately before assembling.
 - e) Helmets shall not be machine dried using equipment that produces mechanical action from tumbling or agitation.
 - f) When cleaning, scrub gently using a soft bristle brush and rinse thoroughly
- 5) Station (residential) washer and dryer use:
- a) In addition to the utility sink and wash buckets, station washers and dryers can be used to wash and dry protective hoods.

STANDARD OPERATING PROCEDURES

- b) To reduce the concern about contamination, members should run a dummy load (soap and water only, no clothes, towels, other items) following each load that contained a protective hood.
 - c) Do not use station washers and dryers for bunker coats, pants, or any liners.
 - d) Citro Squeeze cleaner and/or laundry detergent can be used to wash protective hoods in station washers.
- 6) Extractor Washing:
- a) Use to remove heavy dirt, soot, and other contaminants.
 - b) Follow posted instructions.
 - c) Air dry PPE in an area with good ventilation and away from direct sunlight.
- 7) Advanced Cleaning and Inspection:
- a) Currently, DFR utilizes an ISP to perform advanced inspections and cleanings in compliance with NFPA 1851.
 - b) Requests for Advanced Cleaning and Inspection service shall be directed to the Warehouse Manager, members will copy (cc) the PPE Captain.
 - i. Members can make this request at any time.
 - ii. Members shall confirm with the Warehouse Manager:
 - When and where their PPE will be picked up.
 - When and where it will be returned
 - Who is responsible for dropping off and picking up their PPE.
 - iii. When the circumstances of an incident make it likely that several fire companies will need this type of non-routine ("unscheduled") cleaning service, the Warehouse Manager will create a schedule to allow all members to have their PPE cleaned within a two-week period after the incident.
 - c) Members are scheduled annually by the Warehouse Manager for advanced cleaning and inspection of their PPE.
 - d) Failure to participate in the required annual inspection and cleaning will result in discipline.
 - i. Members will turn in their PPE on the day their station/shift is assigned

STANDARD OPERATING PROCEDURES

- ii. If a member misses his/her scheduled cleaning day, he/she will participate on the assigned make-up day.
 - If a member fails to participate in the required annual advanced cleaning and inspection by the end of their station/shift's assigned make-up day, he/she will receive a Letter of Counseling. Additional violations will result in progressive discipline. The annual advanced cleaning is in compliance with NFPA 1851.
- 8) Washing Footwear and SCBA Facepieces:
 - a) Carefully inspect for damaged rubber (parts, soles, seals) and missing or loose components.
 - b) Using the utility sink, rinse items in cool water.
 - c) Add Citro Squeeze cleaner and scrub gently.
 - d) Thoroughly rinse and allow to air dry completely.
- 9) Contamination Involving Hazardous Materials
 - a) The Hazardous Materials Response team will be consulted for the purpose of determining whether firefighters and their PPE have been exposed to contaminants that would be classified as a "True Hazmat situation" or not. Haz-Mat shall utilize all available resources, in order to identify the chemical or agent the firefighters were exposed to.
 - b) Utilizing all available resources, if a determination cannot be made, the incident will be deemed a "True Haz-Mat situation."
- 10) True Haz-Mat Situation Cleaning Procedures
 - a) Use the appropriate level of protection, isolate and the PPE. The Haz-Mat officer will determine the level of protection appropriate for handling the PPE.
 - b) The Haz-Mat officer shall tag packaged PPE so as to identify the hazard. Then, the Haz-Mat officer will contact the PPE Captain or Warehouse Manager to arrange for gear exchange during normal business hours. After hours, 832 will be contacted.
- 6. Repairs
 - a. Only the contracted ISP is allowed to perform repair work on any protective ensemble. These repairs shall be requested through an advanced cleaning request.

STANDARD OPERATING PROCEDURES

- b. No member is allowed to make repairs to any element of protective ensemble. Members are NOT allowed to take any element to an outside agency for repair. This is in direct violation of NFPA 1851.
- 7. Testing
 - a. At the advanced cleaning/inspection, the ISP will perform test in accordance with NFPA 1851, to include:
 - 1) Leakage
 - 2) Light evaluation
 - 3) Water Penetration
- 8. Retirement, Disposition, and Special Incident Procedures
 - a. Retired structural firefighting PPE shall be destroyed or disposed of in a manner ensuring that they will not be used in any firefighting or emergency activities, including live fire training.
 - b. When it is not cost effective to repair ensembles or ensemble elements, or when they are 10 years old from the date of manufacture, the ensemble will be retired and disposed of.
 - c. For PPE worn by firefighters who sustained a serious injury or died, the following procedures will be followed:
 - 1) Immediate removal from service and preservation of all PPE utilized by the injured or deceased firefighter.
 - 2) Custody of such PPE shall be maintained at a secure location with controlled, documented access.
 - 3) All PPE shall be nondestructively tagged and stored only in paper or cardboard containers to prevent further degradation or damage. Plastic or air tight containers shall not be used.
 - 4) Examination of the PPE shall be made by qualified members of the organization or by outside experts to determine the condition thereof.
 - d. Questions about PPE use and inspection should be directed to the PPE Captain.
 - e. The manufacturer's care and use instruction booklet is attached to each PPE item when it is issued and a copy can be requested from the PPE Captain and/or the Warehouse Manager / Clothing and Supply.

NOTE: Revisions and Conflicts

This MOP is subject to revisions as needed to ensure the maintenance of efficient, thorough, and proper operations within the Dallas Fire-Rescue Department.

Memorandum

CITY OF DALLAS

DATE August 24, 2018

TO Honorable Mayor and Members of the City Council

SUBJECT **2018 Justice Assistance Grant Program Application**

The Justice Assistance Grant (JAG) Program is the primary provider of federal criminal justice funding to state and local jurisdictions. JAG funds can support all components of the criminal justice system, from multijurisdictional drug and gang task forces to crime prevention and domestic violence programs, courts, corrections, treatment, and justice information sharing initiatives. JAG funded projects may address crime by providing services directly to individuals and/or communities, and by improving the effectiveness and efficiency of criminal justice systems, processes, and procedures.

The City of Dallas, Dallas County, and other units of local government designated by the Bureau of Justice Assistance (BJA) are eligible for 2018 JAG funding and have been certified by the BJA as a disparate jurisdiction. The application guidelines ask for one fiscal agent to apply, accept, and disburse funds throughout the disparate jurisdiction. Dallas County and all eligible units of local government in the disparate jurisdiction have agreed to designate the City of Dallas as the applicant and fiscal agent for the JAG Program.

The following amounts reflect the JAG funds each jurisdiction shall receive upon acceptance of and disbursements of funds from the BJA in accordance with the Fiscal Agency Agreement.

Dallas County	\$ 271,441.33
Balch Springs	\$ 10,314.44
Carrollton	\$ 9,543.66
Dallas	\$ 518,078.29
DeSoto	\$ 8,019.02
Duncanville	\$ 8,084.77
Garland	\$ 34,764.70
Grand Prairie	\$ 25,089.54
Irving	\$ 24,630.59
Lancaster	\$ 8,543.72
Mesquite	\$ 24,892.94
Richardson	\$ 0.00
Total	\$ 943,403.00

In recent years, the City of Dallas has used the JAG grant to fund salaries, benefits, and other associated costs for the Community Prosecution program. Other past projects include Fair and Impartial Policing Training and SharePoint implementation for the Dallas Police Department. For the 2018 award (Application No 2018-H3567-TX-DJ), Dallas will

DATE August 24, 2018
SUBJECT 2018 Justice Assistance Grant Program Application

fund salaries and benefits for three Community Prosecutors. Ten (10) percent of the total award is also used to reimburse administrative expenses associated with managing the grant.

The JAG grant application requires that the application be made available to an eligible jurisdiction's governing body for review for 30 days before an award can be executed. In past years, we have utilized our regular agenda process for this. This year, to ensure that the City is in compliance, this memo will serve as formal notification to the City Council. **The application as submitted to BJA is available for review in the Office of Strategic Partnerships and Government Affairs.**

This item is included in a memo to the Public Safety and Criminal Justice as an Upcoming Agenda Item today, August 24, and is scheduled for full Council approval on September 12. Please contact Brett Wilkinson, Managing Director, Office of Strategic Partnerships and Government Affairs to review the application, or with any questions or concerns.

Jon Fortune
Assistant City Manager

Memorandum

CITY OF DALLAS

DATE August 24, 2018

TO Honorable Members of the Public Safety and Criminal Justice Committee

SUBJECT **PSCJ Upcoming Agenda Items – September 12, 2018 Council Agenda**

The next scheduled Public Safety and Criminal Justice Committee (PSCJC) Meeting is Monday, September 24, 2018. Due to the committee not meeting again prior to the September 12, 2018 Council Agenda, I have provided a summary of upcoming agenda items below and attached the information for each item.

- A. File ID: 18-498: Authorize a five-year service price agreement for language interpretation services for call centers with Language Line Services, Inc. through the Department of Information Resources cooperative agreement - Not to exceed \$632,212.00 - Financing: General Fund
- B. File ID: 18-511: Authorize a five-year service contract for system upgrade, maintenance, and support for the equipment tracking and deployment software for the Fire-Rescue Department - Deccan International, sole source - Not to exceed \$188,350.00 - Financing: Communication and Information Services Current Funds (subject to annual appropriations)
- C. File ID: 18-513: Authorize Supplemental Agreement No. 3 to exercise the second of three one-year renewal options to the service contract with Gila LLC dba Municipal Services Bureau for the collection of delinquent fines and fees for violations of City ordinances, traffic, and state laws, excluding parking violations for Court and Detention Services - Estimated Annual Net Revenue: \$4,500,000.00
- D. File ID: 18-554: Authorize **(1)** an application for and acceptance of the Comprehensive Selective Traffic Enforcement (STEP) Program Grant (Grant No. 2019-Dallas-S-1YG-0060, CFDA No. 20.600) from the U.S. Department of Transportation passed through the Texas Department of Transportation in an amount not to exceed \$891,260.50 for travel expenses and overtime reimbursement for the period October 1, 2018 through September 30, 2019; **(2)** the establishment of appropriations in an amount not to exceed \$891,260.50 in the Comprehensive Selective Traffic Enforcement Program-STEP FY19 Fund; **(3)** the receipt and deposit of grant funds in an amount not to exceed \$891,260.50 in the Comprehensive Selective Traffic Enforcement Program-STEP FY19 Fund; **(4)** a local cash match in an amount not to exceed \$224,280.26; and **(5)** execution of the grant agreement for the Comprehensive Selective Traffic Enforcement (STEP) Program - Total not to exceed \$1,115,540.76 - Financing: Texas Department of Transportation Grant Funds (\$891,260.50) and General Funds (\$224,280.26) (subject to appropriations)

- E. File ID: 18-574: Authorize payment to Dallas County for processing and maintaining City prisoners at the Lew Sterrett Criminal Justice Center, pursuant to Amendment No. 4 to the Criminal Justice Center Memorandum of Agreement with Dallas County previously approved on June 11, 1997, by Resolution No. 97-1995, for the period October 1, 2018 through September 30, 2019 - Not to exceed \$8,908,016.00 - Financing: General Fund (subject to appropriations)
- F. File ID: 18-715: Authorize renewal of the Interlocal Agreement with Dallas County, through Southwestern Institute of Forensic Sciences at Dallas, for the provision of forensic, drug, toxicological, environmental, and physical evidence analysis, and other similar medical/forensic analytical services for the period October 1, 2018 through September 30, 2019 - Not to exceed \$3,800,000.00 - Financing: Confiscated Monies Funds
- G. File ID: 18-726: Authorize **(1)** the Dallas Police Department to receive funds in the amount of \$600,000.00 from various federal, state and local law enforcement agencies including, but not limited to those shown (list attached) for reimbursement of overtime for investigative services for FY 2018-19; **(2)** a City contribution Federal Insurance Contributions Act costs in the amount of \$8,700.00; and **(3)** execution of the agreements - Total not to exceed \$608,700.00 - Financing: General Fund (\$8,700.00) (subject to appropriations) and Various Federal, State and Local Law Enforcement Agencies (\$600,000.00) (\$1,000,000.00) (subject to appropriations) and General Funds (\$2,800,000.00) (subject to appropriations)
- H. File ID: 18-729: Authorize the **(1)** application for and acceptance of the FY 2018 Edward Byrne Justice Assistance Grant from the U.S. Department of Justice, Bureau of Justice Assistance for a broad range of activities to help control and prevent crime, and to improve the criminal justice system (Grant No. TBD, CFDA No. 16.738), in the amount of \$943,403.00 for the period October 1, 2017 through September 30, 2021; **(2)** execution of the Fiscal Agency and Funds Sharing Agreement between the City of Dallas, Dallas County and eligible units of local government; **(3)** receipt and deposit of funds in an amount not to exceed \$943,403.00 in the Bureau of Justice Assistance Grant FY18 17-21 Fund; **(4)** establishment of appropriations in an amount not to exceed \$943,403.00 in the Bureau of Justice Assistance Grant FY18 17-21 Fund; and **(5)** execution of the grant agreement and all documents required by the grant - Not to exceed \$943,403.00 - Financing: U.S. Department of Justice Grant Funds

SUBJECT

Authorize a five-year service price agreement for language interpretation services for call centers with Language Line Services, Inc. through the Department of Information Resources cooperative agreement - Not to exceed \$632,212.00 - Financing: General Fund

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis. We anticipate the following City departments will use this agreement:

- Police Department
- Office of Management Services

This service price agreement will provide language interpretation services for the City's 911 and 311 call centers and will provide interpreter services for more than 240 languages. As a diverse City, the call centers receive calls that require immediate and accurate translation service. The call centers process an average of 5,000 emergency calls for service per day. The City uses staff to translate as often as possible, but at times call volume necessitates the need for an outside vendor to assist in translating calls.

Communication barriers pose a difficult challenge to any government agency. This service price agreement also provides video remote interpreting for the limited English speaking, deaf, and hard of hearing community that face a unique communication barrier that impedes their ability to effectively communicate. This agreement provides access to video interpreters to see firsthand the critical non-verbal gestures, body language or facial expressions during the encounter, which improves understanding and clarity of communication.

The contractor will provide the City with a central phone number for remote capabilities which is routed to a live phone bank. Once the language need is identified, an interpreter is connected to both parties; the interpreter stays connected as long as

necessary to complete the service request. Currently, 876 Texas agencies utilize Language Line Services, Inc. through the Department of Information Resources.

The Department of Information Resources cooperative agreement is authorized by Chapter 791 of the Texas Government Code and Subchapter F, Chapter 271, Texas Local Government Code. Section 271.102 of the Texas Local Government Code authorizes a local government to participate in a Cooperative Purchasing Program with another local government or a local cooperative organization.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On August 28, 2013, City Council authorized a three-year service contract for language interpretation services for the Dallas Police Department with Language Line Services, Inc. by Resolution No. 13-1415.

The Public Safety and Criminal Justice Committee was briefed by memorandum regarding this matter on August 24, 2018.

SUBJECT

Authorize a five-year service contract for system upgrade, maintenance, and support for the equipment tracking and deployment software for the Fire-Rescue Department - Deccan International, sole source - Not to exceed \$188,350.00 - Financing: Communication and Information Services Current Funds (subject to annual appropriations)

BACKGROUND

This service contract for system upgrade, maintenance, and support for the equipment tracking and deployment software currently utilized by the Fire-Rescue Department will provide ongoing maintenance and support. Maintenance and support includes software upgrades to current releases, ongoing technical support, and specific future requests needed by the Fire-Rescue Department. Upgrades under this new agreement includes enhancements that provide improved functionalities and efficiencies. Additionally, this upgrade provides improved back-up and disaster recovery capabilities. We anticipate the following City departments will use this agreement:

- Department of Communication and Information Services
- Fire-Rescue Department

The software includes tools that are designed to collect real-time data directly from Computer Aided Dispatch (CAD) and analyze equipment placement/deployment. The Fire-Rescue Department uses this critical data to improve response times and ensure the most effective deployment of equipment in the field. Examples of functionality include:

- Monthly reporting of “run time data” from the CAD system
- Situational analysis of the effects of deploying or moving equipment from one station to another
- Provides a real-time electronic map overlay showing response capabilities of specific fire stations relevant to its equipment
- Provides a back-up dispatch system in the event CAD is disabled

- Fire-Rescue Department responded to approximately 437,664 calls in fiscal year 2017

The Fire-Rescue Department also uses this software to assist in the daily management of over 150 pieces of equipment deployed at 57 fire stations throughout the City.

On November 10, 2015, City Council authorized the wage floor rate of \$10.94, by Resolution No. 15-2141; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On August 14, 2013, City Council authorized a five-year service contract for maintenance and support of equipment tracking and deployment software for Dallas Fire-Rescue with Deccan International by Resolution No. 13-1278.

The Public Safety and Criminal Justice Committee was briefed by memorandum regarding this matter on August 24, 2018.

SUBJECT

Authorize Supplemental Agreement No. 3 to exercise the second of three one-year renewal options to the service contract with Gila LLC dba Municipal Services Bureau for the collection of delinquent fines and fees for violations of City ordinances, traffic, and state laws, excluding parking violations for Court and Detention Services - Estimated Annual Net Revenue: \$4,500,000.00

BACKGROUND

This Supplemental Agreement No. 3 will continue to provide the City with the collection of delinquent fines and fees for violations of City ordinances, traffic, and state laws, excluding parking violations. Court and Detention Services is responsible for the collection and processing of fines and fees associated with Class C misdemeanor and civil violations enforced within the City limits. Cases which are unresolved and become delinquent are assigned to a private vendor for collection. This Supplemental Agreement will enable the department to continue timely collection of delinquent amounts for traffic, ordinance, and state law violations.

Per State law, Gila LLC dba Municipal Services Bureau will receive a 30 percent add-on commission which is paid by the defendant on cases originating on or after June 18, 2003. No commission will be paid on cases preceding that date, in accordance with current interpretation of State law.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On October 22, 2014, this item was remanded by City Council for briefing on November 5, 2014.

On November 5, 2014, City Council was briefed regarding this matter.

On November 12, 2014, City Council authorized a three-year service contract, with three one-year renewal options, for the collection of delinquent fines and fees for violations of City ordinances, traffic, and state laws, excluding parking violations with Gila LLC dba Municipal Services Bureau by Resolution No. 14-1985.

The Budget, Finance, and Audit Committee was briefed by memorandum regarding this matter on April 10, 2017.

On April 26, 2017, City Council authorized Supplemental Agreement No. 2 to exercise the first of three one-year renewal options to the service contract, for the collection of delinquent fines and fees for violations of City ordinances, traffic, and state laws, excluding parking violations with Gila LLC dba Municipal Services Bureau by Resolution No. 17-0680.

The Public Safety and Criminal Justice Committee was briefed by memorandum regarding this matter on August 24, 2018.

Authorize **(1)** an application for and acceptance of the Comprehensive Selective Traffic Enforcement (STEP) Program Grant (Grant No. 2019-Dallas-S-1YG-0060, CFDA No. 20.600) from the U.S. Department of Transportation passed through the Texas Department of Transportation in an amount not to exceed \$891,260.50 for travel expenses and overtime reimbursement for the period October 1, 2018 through September 30, 2019; **(2)** the establishment of appropriations in an amount not to exceed \$891,260.50 in the Comprehensive Selective Traffic Enforcement Program-STEP FY19 Fund; **(3)** the receipt and deposit of grant funds in an amount not to exceed \$891,260.50 in the Comprehensive Selective Traffic Enforcement Program-STEP FY19 Fund; **(4)** a local cash match in an amount not to exceed \$224,280.26; and **(5)** execution of the grant agreement for the Comprehensive Selective Traffic Enforcement (STEP) Program - Total not to exceed \$1,115,540.76 - Financing: Texas Department of Transportation Grant Funds (\$891,260.50) and General Funds (\$224,280.26) (subject to appropriations)

BACKGROUND

The Comprehensive Selective Traffic Enforcement Program (STEP) Grant provides for the reimbursement of overtime salaries paid to officers and supervisors enforcing specific traffic laws at targeted locations. The focus is on driving while intoxicated (DWI) violations, speeding, occupant restraint use, and traffic control device violations. The goals are: **(1)** to increase effective enforcement and adjudication of traffic safety-related laws to reduce fatal and serious injury crashes, **(2)** to reduce the number of DWI related crashes, injuries and fatalities, and **(3)** to increase occupant restraint use in all passenger vehicles and trucks.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On September 25, 2013, City Council authorized an application for and acceptance of the Comprehensive Selective Traffic Enforcement Program Grant from the U.S. Department of Transportation pass through for travel expenses and overtime reimbursement for the period October 1, 2013 through September 30, 2014; a city

contribution of pension; and execution of the grant agreement by Resolution No. 13-1689.

On August 27, 2014, City Council authorized an application for and acceptance of the Comprehensive Selective Traffic Enforcement Program Grant from the U.S. Department of Transportation pass through for travel expenses and overtime reimbursement for the period October 1, 2014 through September 30, 2015; a city contribution of pension; and execution of the grant agreement by Resolution No. 14-1383.

On August 26, 2015, City Council authorized an application for and acceptance of the Comprehensive Selective Traffic Enforcement Program Grant as a pass through grant from the U.S. Department of Transportation for travel expenses and overtime reimbursement for the period October 1, 2015 through September 30, 2016; a local cash match of city pension contribution; and execution of the grant agreement by Resolution No. 15-1551.

On September 28, 2016, City Council authorized an application for and acceptance of the Comprehensive Selective Traffic Enforcement Program Grant from the U.S. Department of Transportation passed through the Texas Department of Transportation for travel expenses and overtime reimbursement for the period October 1, 2016 through September 30, 2017; a city contribution of pension; and execution of the grant agreement by Resolution No. 16-1574.

On September 13, 2017, City Council authorized an application for and acceptance of the Comprehensive Selective Traffic Enforcement Program Grant from the U.S. Department of Transportation passed through the Texas Department of Transportation for travel expenses and overtime reimbursement for the period October 1, 2017 through September 30, 2018; a city contribution of pension; and execution of the grant agreement by Resolution No. 17-1438.

City Council was briefed by memorandum regarding this matter on August 24, 2018.

SUBJECT

Authorize payment to Dallas County for processing and maintaining City prisoners at the Lew Sterrett Criminal Justice Center, pursuant to Amendment No. 4 to the Criminal Justice Center Memorandum of Agreement with Dallas County previously approved on June 11, 1997, by Resolution No. 97-1995, for the period October 1, 2018 through September 30, 2019 - Not to exceed \$8,908,016.00 - Financing: General Fund (subject to appropriations)

BACKGROUND

On June 11, 1997, City Council authorized Amendment No. 4 to the Criminal Justice Center Memorandum of Agreement with Dallas County which established a new cost methodology for the housing of City prisoners at the Lew Sterrett Criminal Justice Center and adjusts the City's cost for jail services for FY 96-97, in an amount not to exceed \$4,647,714, by Resolution No. 97-1995. The new cost methodology is based on direct cost for providing intake/release and housing, indirect costs associated with Dallas County Central Services applicable to the jail contract and apportioned costs of certain Sheriff's Office operations. This methodology is reviewed yearly. This action will allow continuation of payments to Dallas County beginning October 1, 2018.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On September 25, 2013, City Council authorized payment to Dallas County for processing and housing prisoners at the Lew Sterrett Criminal Justice Center, pursuant to Amendment No. 4 to the Criminal Justice Center Memorandum of Agreement with Dallas County, previously approved on June 11, 1997, by Resolution No. 97-1995, for the period October 1, 2013 through September 30, 2014, by Resolution No. 13-1679.

On September 24, 2014, City Council authorized payment to Dallas County for processing and housing prisoners at the Lew Sterrett Criminal Justice Center, pursuant to Amendment No. 4 to the Criminal Justice Center Memorandum of Agreement with Dallas County, previously approved on June 11, 1997, by Resolution No. 97-1995, for the period October 1, 2014 through September 30, 2015, by Resolution No. 14-1595.

On September 22, 2015, City Council authorized payment to Dallas County for processing and housing prisoners at the Lew Sterrett Criminal Justice Center, pursuant to Amendment No. 4 to the Criminal Justice Center Memorandum of Agreement with Dallas County, previously approved on June 11, 1997, by Resolution No. 97-1995, for the period October 1, 2015 through September 30, 2016, by Resolution No. 15-1747.

On September 28, 2016, City Council authorized payment to Dallas County for processing and housing prisoners at the Lew Sterrett Criminal Justice Center, pursuant to Amendment No. 4 to the Criminal Justice Center Memorandum of Agreement with Dallas County, previously approved on June 11, 1997, by Resolution No. 97-1995, for the period October 1, 2016 through September 30, 2017, by Resolution No. 16-1560.

On September 27, 2017, City Council authorized payment to Dallas County for processing and maintaining City prisoners at the Lew Sterrett Criminal Justice Center, pursuant to Amendment No. 4 to the Criminal Justice Center Memorandum of Agreement with Dallas County, previously approved on June 11, 1997, by Resolution No. 97-1995, for the period October 1, 2017 through September 30, 2018, by Resolution No. 17-1536.

SUBJECT

Authorize renewal of the Interlocal Agreement with Dallas County, through Southwestern Institute of Forensic Sciences at Dallas, for the provision of forensic, drug, toxicological, environmental, and physical evidence analysis, and other similar medical/forensic analytical services for the period October 1, 2018 through September 30, 2019 - Not to exceed \$3,800,000.00 - Financing: Confiscated Monies Funds (\$1,000,000.00) (subject to appropriations) and General Funds (\$2,800,000.00) (subject to appropriations)

BACKGROUND

In 1969, the City withdrew from a joint Criminal Investigations Laboratory operation with Dallas County; therefore, laboratory services became a function of the Dallas County Medical Examiner's Office. The County's laboratory services are known as the Southwestern Institute of Forensic Sciences at Dallas (SWIFS). SWIFS provides a broad range of evidence analysis for both the Police and Fire Departments. In 1999, the first annual Interlocal Agreement for these services was approved.

SWIFS' services include analysis of drug evidence, DNA analysis and comparison, microscopic (trace) evidence analysis, examination of firearms and tool marks (matching bullets to weapons that fired them), and identification of fire accelerants. These services are vital to the successful investigation and prosecution of crime.

The proposed Interlocal Agreement will provide services from October 1, 2018 through September 30, 2019. The \$3,800,000 cost is shared between Dallas Police Department \$3,795,000 and with the Fire Department \$5,000. The cost is the same as the previous year.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On November 12, 2013, City Council authorized renewal of the Interlocal Agreement with Dallas County, through Southwestern Institute of Forensic Sciences at Dallas for the provision of forensic, drug, toxicological, environmental, and physical evidence

analysis, and other similar medical/forensic analytical services by Resolution No. 13-1943.

On November 12, 2014, City Council authorized renewal of the Interlocal Agreement with Dallas County, through the Southwestern Institute of Forensic Sciences at Dallas, for the provision of forensic, drug, toxicological, environmental, and physical evidence analysis, and other similar medical/forensic analytical services for the period October 1, 2014 through September 30, 2015, by Resolution No. 14-1914.

On October 28, 2015, City Council authorized renewal of the Interlocal Agreement with Dallas County, through Southwestern Institute of Forensic Sciences at Dallas for the provision of forensic, drug, toxicological, environmental, and physical evidence analysis, and other similar medical/forensic analytical services for the period October 1, 2015 through September 30, 2016, by Resolution No. 15-1962.

On October 11, 2016, City Council authorized renewal of the Interlocal Agreement with Dallas County, through Southwestern Institute of Forensic Sciences at Dallas for the provision of forensic, drug, toxicological, environmental, and physical evidence analysis, and other similar medical/forensic analytical services for the period October 1, 2016 through September 30, 2017, by Resolution No. 16-1676.

On September 13, 2017, City Council authorized renewal of the Interlocal Agreement with Dallas County, through Southwestern Institute of Forensic Sciences at Dallas for the provision of forensic, drug, toxicological, environmental, and physical evidence analysis, and other similar medical/forensic analytical services for the period October 1, 2017 through September 30, 2018, by Resolution No. 17-1437.

City Council was briefed by memorandum regarding this matter on August 24, 2018.

FISCAL INFORMATION

Confiscated Monies Funds - \$1,000,000.00 (subject to appropriations)

General Fund - \$2,800,000.00 (subject to appropriations)

STRATEGIC PRIORITY: Public Safety
AGENDA DATE: September 12, 2018
COUNCIL DISTRICT(S): All
DEPARTMENT: Police Department
EXECUTIVE: Jon Fortune

SUBJECT

Authorize **(1)** the Dallas Police Department to receive funds in the amount of \$600,000.00 from various federal, state and local law enforcement agencies including, but not limited to those shown (list attached) for reimbursement of overtime for investigative services for FY 2018-19; **(2)** a City contribution Federal Insurance Contributions Act costs in the amount of \$8,700.00; and **(3)** execution of the agreements - Total not to exceed \$608,700.00 - Financing: General Fund (\$8,700.00) (subject to appropriations) and Various Federal, State and Local Law Enforcement Agencies (\$600,000.00)

BACKGROUND

The Dallas Police Department is routinely asked to participate in various federal, state and local law enforcement investigation task forces and receives reimbursement for expenses associated with those task forces from the sponsoring federal, state, or local agency involved. The reimbursed expenses are generally for the Dallas Police Department officers' overtime associated with the investigations. Occasionally, the task force agreement specifies reimbursement for other miscellaneous expenses.

The Dallas Police Department participates in approximately 18 to 25 task forces per year for varying lengths of time. Each task force investigation is usually confidential, and the officers assigned to the investigation are generally undercover officers. Each task force agreement specifies the nature, time period, and maximum amount of reimbursement the City may receive and must be signed by an authorized official of the City.

The purpose of this agenda item is to create a better tracking-monitoring system on all task force activities. In fiscal year 1999-00, the Dallas Police Department initiated a procedure to obtain approval for all task force participation through one City Council resolution in lieu of processing an Administrative Action for each task force each fiscal year. This procedure ensures that the agreements are processed in a routine, but confidential manner.

Funding allocations represent projections only and are subject to modification based upon the progress and needs of the investigation. Additionally, resources are contingent upon the availability of federal, state, and local funds as well as the availability of Dallas Police Department officers to work on a task force as planned. Approval of this item will ensure that all task force revenues are authorized to be deposited, and subsequently, the general fund will be reimbursed consistent with the original overtime expenditures.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On October 23, 2013, City Council authorized the expenditure of funds, acceptance of reimbursement and execution of agreements with federal and state law enforcement agencies by Resolution No. 13-1842.

On September 24, 2014, City Council authorized the expenditure of funds, acceptance of reimbursement and execution of agreements with federal and state law enforcement agencies by Resolution No. 14-1601.

On August 26, 2015, City Council authorized the expenditure of funds, acceptance of reimbursement and execution of agreements with federal and state law enforcement agencies by Resolution No. 15-1553.

On September 28, 2016, City Council authorized the expenditure of funds, acceptance of reimbursement and execution of agreements with federal and state law enforcement agencies by Resolution No. 16-1575.

On September 13, 2017, City Council authorized the expenditure of funds, acceptance of reimbursement and execution of agreements with federal and state law enforcement agencies by Resolution No. 17-1440.

City Council was briefed by memorandum regarding this matter on August 24, 2018.

FISCAL INFORMATION

General Fund (subject to appropriations) - \$8,700.00

Various Federal, State and Local Law Enforcement Agencies - \$600,000.00

STRATEGIC PRIORITY: Public Safety
AGENDA DATE: September 12, 2018
COUNCIL DISTRICT(S): All
DEPARTMENT: Office of Strategic Partnerships & Government Affairs
EXECUTIVE: Kimberly Bizer Tolbert

SUBJECT

Authorize the **(1)** application for and acceptance of the FY 2018 Edward Byrne Justice Assistance Grant from the U.S. Department of Justice, Bureau of Justice Assistance for a broad range of activities to help control and prevent crime, and to improve the criminal justice system (Grant No. TBD, CFDA No. 16.738), in the amount of \$943,403.00 for the period October 1, 2017 through September 30, 2021; **(2)** execution of the Fiscal Agency and Funds Sharing Agreement between the City of Dallas, Dallas County and eligible units of local government; **(3)** receipt and deposit of funds in an amount not to exceed \$943,403.00 in the Bureau of Justice Assistance Grant FY18 17-21 Fund; **(4)** establishment of appropriations in an amount not to exceed \$943,403.00 in the Bureau of Justice Assistance Grant FY18 17-21 Fund; and **(5)** execution of the grant agreement and all documents required by the grant - Not to exceed \$943,403.00 - Financing: U.S. Department of Justice Grant Funds

BACKGROUND

Part E of Title 1 of the Omnibus Crime Control and Safe Streets Act of 1968, as amended, and the Edward Byrne Memorial Justice Assistance Grant (JAG) Program (the "JAG Program") authorize the Bureau of Justice Assistance (the "BJA") to make funds available to units of local government in order to support a broad range of activities to prevent and control crime and to improve the criminal justice system.

The JAG Program is the primary provider of federal criminal justice funding to state and local jurisdictions. JAG funds can support all components of the criminal justice system from multijurisdictional drug and gang task forces to crime prevention and domestic violence programs, courts, corrections, treatment, and justice information sharing initiatives. JAG funded projects may address crime through the provision of services directly to individuals and/or communities and by improving the effectiveness and efficiency of criminal justice systems, processes, and procedures.

In recent years, the City of Dallas has used the JAG grant to fund salaries, benefits, and other associated costs for the Community Prosecution program. Other past projects include Fair and Impartial Policing Training and Sharepoint implementation for the Dallas Police Department. For the 2018 award (Application No 2018-H3567-TX-DJ),

Dallas will fund salaries and benefits for three Community Prosecutors. 10 percent of the total award is also used to reimburse administrative expenses associated with managing the grant.

The City of Dallas, Dallas County, and certain units of local government designated by the BJA are eligible for 2018 JAG funding and have been certified by the BJA as a disparate jurisdiction. The application guidelines ask for one fiscal agent to apply for, accept, and disburse funds throughout the disparate jurisdiction. Dallas County and all eligible units of local government in the disparate jurisdiction have agreed to designate the City of Dallas as the applicant and fiscal agent for the JAG Program.

Dallas County and the eligible cities agree and acknowledge that as a certified disparate jurisdiction, the Parties must reach an agreement regarding the sharing of funds prior to submitting a JAG application with the BJA. Accordingly, this resolution will authorize the City Manager to set forth the following: (i) the amount of funds originally allocated by the BJA before the Parties were certified to be disparate jurisdictions; (ii) the amounts to be transferred among the respective jurisdictions, including the amount to be paid to the City of Dallas as the fiscal agent for the jurisdiction; and (iii) the final amount for each of the Parties.

Initial Allocations

For 2018, the BJA has determined the Initial Allocations of JAG Funds for the parties as follows:

Dallas County	\$ 0.00
Balch Springs	\$ 15,844.00
Carrollton	\$ 14,660.00
Dallas	\$694,378.00
DeSoto	\$ 12,318.00
Duncanville	\$ 12,419.00
Garland	\$ 53,402.00
Grand Prairie	\$ 38,540.00
Irving	\$ 37,835.00
Lancaster	\$ 13,124.00
Mesquite	\$ 38,238.00
Richardson	<u>\$ 12,645.00</u>
Total	\$943,403.00

Amounts to be Transferred

All jurisdictions, with the exception of the City of Richardson, have agreed that 30 percent of their funds will be allocated to Dallas County per Department of Justice (DOJ) guidelines that require fund sharing with any unit of government that bears more

than 50 percent of the costs of prosecution or incarceration. Richardson has chosen to reallocate its total award of \$12,645.00 to the County.

The eligible cities agree to have the following funds transferred to Dallas County pursuant to the Funds Sharing and Fiscal Agency Agreement as follows:

Dallas County	\$ 0.00
Balch Springs	\$ 4,753.20
Carrollton	\$ 4,398.00
Dallas	\$ 208,313.40
DeSoto	\$ 3,695.40
Duncanville	\$ 3,725.70
Garland	\$ 16,020.60
Grand Prairie	\$ 11,562.00
Irving	\$ 11,350.50
Lancaster	\$ 3,937.20
Mesquite	\$ 11,471.40
Richardson	\$ <u>12,645.00</u>
Total	\$ 291,872.40

This leaves adjusted allocations as follows:

Dallas County	\$ 291,872.40
Balch Springs	\$ 11,090.80
Carrollton	\$ 10,262.00
Dallas	\$ 486,064.60
DeSoto	\$ 8,622.60
Duncanville	\$ 8,693.30
Garland	\$ 37,381.40
Grand Prairie	\$ 26,978.00
Irving	\$ 26,484.50
Lancaster	\$ 9,186.80
Mesquite	\$ 26,766.60
Richardson	\$ <u>00.00</u>
Total	\$ 943,403.00

Fiscal Agent Grant Administration Fees

The following amounts reflect each participant's grant administration fee deducted from their adjusted allocations, which shall be transferred to the Fiscal Agent, the City of Dallas.

Dallas County	\$ 20,431.07
Balch Springs	\$ 776.36

Carrollton	\$ 718.34
Dallas	\$ 62,326.60
DeSoto	\$ 603.58
Duncanville	\$ 608.53
Garland	\$ 2,616.70
Grand Prairie	\$ 1,888.46
Irving	\$ 1,853.92
Lancaster	\$ 643.08
Mesquite	\$ 1,873.66
Richardson	\$ <u>0.00</u>

Total \$ 94,340.30

Final Allocations

The following amounts reflect the JAG funds each jurisdiction shall receive upon acceptance of and disbursements of funds from the BJA in accordance with the Funds Sharing and Fiscal Agency Agreement.

Dallas County	\$271,441.33
Balch Springs	\$ 10,314.44
Carrollton	\$ 9,543.66
Dallas	\$518,078.29
DeSoto	\$ 8,019.02
Duncanville	\$ 8,084.77
Garland	\$ 34,764.70
Grand Prairie	\$ 25,089.54
Irving	\$ 24,630.59
Lancaster	\$ 8,543.72
Mesquite	\$ 24,892.94
Richardson	\$ <u>0.00</u>

Total \$943,403.00

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On September 25, 2013, City Council authorized an application for and acceptance of the FY 2013 Edward Byrne Memorial Justice Assistance Grant from the U.S. Department of Justice to be used for a broad range of activities to help control and prevent crime, and to improve the criminal justice system for the period of October 1, 2012 through September 30, 2016; execution of the Fiscal Agency and Funds Sharing Agreement between the City of Dallas, Dallas County and eligible units of local government; and execution of the grant agreement by Resolution No. 13-1687.

On May 28, 2014, City Council authorized an application for and acceptance of the FY 2014 Edward Byrne Memorial Justice Assistance Grant from the U.S. Department of

Justice to be used for a broad range of activities to help control and prevent crime, and to improve the criminal justice system for the period of October 1, 2013 through September 30, 2017; execution of the Fiscal Agency and Funds Sharing Agreement between the City of Dallas, Dallas County and eligible units of local government; and execution of the grant agreement by Resolution No. 14-0828.

On June 10, 2015, City Council authorized an application for and acceptance of the FY 2015 Edward Byrne Memorial Justice Assistance Grant from the U.S. Department of Justice to be used for a broad range of activities to help control and prevent crime, and to improve the criminal justice system for the period of October 1, 2014 through September 30, 2018; execution of the Fiscal Agency and Funds Sharing Agreement between the City of Dallas, Dallas County and eligible units of local government; and execution of the grant agreement by Resolution No. 15-1056.

On June 22, 2016, City Council authorized an application for and acceptance of the FY 2016 Edward Byrne Memorial Justice Assistance Grant from the U.S. Department of Justice to be used for a broad range of activities to help control and prevent crime, and to improve the criminal justice system for the period of October 1, 2015 through September 30, 2019; execution of the Fiscal Agency and Funds Sharing Agreement between the City of Dallas, Dallas County and eligible units of local government; and execution of the grant agreement by Resolution No. 16-1064.

On September 13, 2017, City Council authorized an application for the FY 2017 Edward Byrne Memorial Justice Assistance Grant from the U.S. Department of Justice to be used for a broad range of activities to help control and prevent crime, and to improve the criminal justice system for the period of October 1, 2016 through September 30, 2020; and the execution of the Fiscal Agency and Funds Sharing Agreement between the City of Dallas, Dallas County and eligible units of local government by Resolution No. 17-1424.

On August 8, 2018, City Council authorized an acceptance of the FY 2017 Edward Byrne Memorial Justice Assistance Grant from the U.S. Department of Justice to be used for a broad range of activities to help control and prevent crime, and to improve the criminal justice system for the period of October 1, 2016 through September 30, 2020; and execution of the grant agreement by Resolution No. 18-1053.

Information about this item will be provided to the Public Safety and Criminal Justice Committee on August 24, 2018.

FISCAL INFORMATION

U.S. Department of Justice Grant Funds - \$943,403.00

STRATEGIC PRIORITY: Public Safety
AGENDA DATE: September 12, 2018
COUNCIL DISTRICT(S): All
DEPARTMENT: Police Department
EXECUTIVE: Jon Fortune

SUBJECT

Authorize a Memorandum of Understanding with Dallas County to allow the Dallas Police Department to share law enforcement incident data with other agencies through the Dallas County Incident Management Module Software - Financing: No cost consideration to the City

BACKGROUND

This agreement will allow the Dallas Police Department to share and receive data from other local governments/law enforcement agencies to assist in the management of public safety response activities during both emergency and non-emergency operations.

Dallas County has acquired the software necessary for agencies to communicate and has outlined responsibilities on the use of the data.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

City Council was briefed by memorandum regarding this matter on August 24, 2018.

FISCAL INFORMATION

No cost consideration to the City.

STRATEGIC PRIORITY: Public Safety
AGENDA DATE: September 12, 2018
COUNCIL DISTRICT(S): All
DEPARTMENT: Police Department
EXECUTIVE: Jon Fortune

SUBJECT

Authorize donation agreements with the National Insurance Crime Bureau for the acceptance of vehicles to be utilized by the Dallas Police Department for bait vehicle operations - Financing: No cost consideration to the City

BACKGROUND

The National Insurance Bureau is donating (6) vehicles to the Dallas Police Department for use in bait vehicle operations. Bait vehicles are used to apprehend offenders and curtail vehicle burglary and theft.

These vehicles include:

- 2006 Jeep Commander
- 2007 Mazda MCX
- 2007 Chevrolet Tahoe
- 2004 Chevrolet Tahoe
- 2007 Honda Accord
- 2000 Chevrolet Silverado

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

City Council was briefed by memorandum regarding this matter on August 24, 2018.

FISCAL INFORMATION

No cost consideration to the City.

Memorandum

CITY OF DALLAS

DATE August 24, 2018

TO Honorable Mayor and Members of the City Council

SUBJECT **School Crossing Guard Program Update**

The third-party agreement with All City Management Services (ACMS) began on August 1st. Since then they have been diligently working to hire guards and transition eligible guards from Dallas County Schools. On August 20, 2018, the 2018-2019 school year began for most independent school districts (ISD) and private schools (within Dallas city limits). ACMS deployed a total of 360 guards covering all 254 warranted locations across the city.

The following table provides the number of warranted crossings and number of crossing guards assigned as designated by each City Council District; some crossings will have multiple guards due to intersection size and traffic flow.

Council District	# of Locations Warranted*	# of Crossing Guards for Locations Warranted
1	28	35
2	25	36
3	15	22
4	36	54
5	22	31
6	16	26
7	23	34
8	20	31
9	11	15
10	16	19
11	9	12
12	14	18
13	9	13
14	10	14
Total	254	360

*Based on School Crossing Guard Assessment Criteria set forth by City’s Department of Transportation

Although the City’s school crossing guard program serves only elementary schools, the City has been made aware that school crossing guard services were provided at three Dallas Independent School District (DISD) high schools (Conrad, Emmet & Fannin, James) under a previous agreement with Dallas County Schools. Staff is currently working with DISD to assess the need for services at specific high school intersections and we anticipate an interlocal agreement will be placed on the City Council voting

DATE August 24, 2018
SUBJECT **School Crossing Guard Program Update**

agenda by October 2018 for consideration. The proposed agreement will add the responsibility to staff the additional locations to the existing ACMS contract with the understanding that DISD will reimburse the City for the cost of services provided at these locations.

City staff will continue to work with the multiple ISD's within the city limits to assess intersections and the need for school crossing guards to ensure the safety of children walking to and from schools.

Should you have any questions or concerns, please contact Cheritta Johnson, Assistant Director in Courts and Detention Services.

Update Items

[Encampment Resolution Schedule - August 21 and 28, 2018](#)

The Office of Homeless Solutions (OHS) has scheduled the following sites for homeless encampment resolution on Tuesday, August 21 and 28, 2018:

August 21, 2018 – Complete as of 4:00 pm	August 28, 2018
<ul style="list-style-type: none">• Marvin D Love Freeway at Polk Street (District 4)• R.L. Thornton Freeway at Ledbetter Drive (District 4)• 2792 Julius Schepps Freeway (District 7)• Julius Schepps Freeway at Lamar (District 7)• 1883 Martin Luther King Boulevard (District 7)• Martin Luther King Boulevard at Harwood Street (District 7)• Al Lipscomb Way at I-45 Interstate (District 7)• Martin Luther King Boulevard at South Boulevard (District 7)• I-20 Interstate at Ledbetter Drive/West (District 8)• I- 20 Interstate at Ledbetter Drive/East (District 8)	<ul style="list-style-type: none">• 4900 E R L Thornton Freeway (District 2)• 600 S. Peak St (District 2)• 500 S. Haskell Ave (District 2)• 600 Hill St (District 2)• 2929 Hickory St (District 7)• 2799 E R L Thornton Freeway (District 2)• 2600 Dawson St (District 7)• 2698 Taylor St (District 2)• 1200 S. St Paul St (District 2)• 500 Houston St (District 14)

OHS Street Outreach team will continue to engage with homeless individuals to provide notice of clean-up and connect to resources and shelter. OHS Community Mobilization staff are meeting with stakeholders to determine long-term sustainability of encampment sites and will provide periodic updates. Should you have any questions or concerns, please contact Nadia Chandler Hardy, Chief of Community Services and Monica Hardman, Managing Director of Office of Homeless Solutions.

[Homeless Solutions Strategy](#)

The Office of Homeless Solutions briefed City Council on August 1, 2018 and received direction to proceed with Tracks 1, 3, and 4 of the Homeless Solutions Strategy.

- Track 1, which aims to increase existing shelter capacity, will be implemented immediately upon City Council approval of the Dallas Life contract, which adds an additional 150 beds and Bridge Steps contract for an additional 50 beds. These items

DATE August 24, 2018

SUBJECT **Taking Care of Business – August 21, 2018**

are respectively scheduled for August 22, 2018 and September 26, 2018 City Council voting agendas.

- Track 3 (Master Lease/Landlord Incentive Program) will be implemented pending City Council approval of a \$1.3M budget enhancement as part of the overall FY2019 Budget Adoption Process.
- Track 4 (New Housing development) is related to the implementation of the 2017 Bond which voters approved \$20 million for supportive housing and homeless assistance facilities. The first Request For Proposals (RFP) is tentatively scheduled for Fall 2018.

Should you have any questions or concerns, please contact Nadia Chandler Hardy, Chief of Community Services and Monica Hardman, Managing Director of Office of Homeless Solutions.

New Items

[City of Dallas/DISD Joint Executive Team Quarterly Meeting](#)

On Friday, August 17, 2018 the City of Dallas Executive Leadership Team (ELT) and Dallas Independent School District (DISD) Executive Team convened for the quarterly meeting to discuss and provide updates on the joint strategic education initiatives. The ELT presented the City of Dallas FY 2018-19 proposed budget, an update on Goals for Dallas 2030, an overview of the City's teen pregnancy initiative, and a briefing on the State of Fair Park.

The Superintendent and his team updated the City on matters regarding the first day of school, TEA Accountability, and provided a briefing on the upcoming tax ratification election (TRE) and recent DISD achievements. The teams also discussed ways for the City to promote DISD's recent achievements, especially through opportunities such as town halls and community events. DISD is working on preparing informational handouts, and we will provide those to your offices when available. Should you have questions or concerns, please contact Brett Wilkinson, Managing Director, Office of Strategic Partnerships and Government Affairs.

[Census Complete Count Committee](#)

On Wednesday, August 15, the Census Complete Count Committee (CCC), met as a whole body for the first time. The meeting was well attended, with over 40 participants representing a broad cross section of the Dallas community. The Regional Census Bureau Director, Cathy Lacy, was in attendance and provided an overview of upcoming expectations and goals from chairs of the Hard to Count, Media, Partnerships and Fundraising Subcommittees. Well ahead of the curve in comparison to other CCC's nationwide, the Committee plans to convene for a full CCC training workshop in October and will begin monthly meetings following training. Should you have questions or concerns, please contact Brett Wilkinson, Managing Director, Office of Strategic Partnerships and Government Affairs.

[Mandatory Ethics Training](#)

A mandatory online ethics training for City of Dallas employees is currently underway, and so far, the response has been extremely positive. Previous ethics trainings were provided in-person to groups of employees; however, this is the first time the City has conducted a city-wide online training. The training is based on the Code of Ethics and includes a Knowledge Check for specific job categories. Employees have four weeks to complete the training and after just two weeks there is already a 38% completion rate. Should you have any questions or concerns, please contact Michelle Ranum, Ethics Officer.

SUBJECT **Taking Care of Business – August 21, 2018**

[Back to School Grease Abatement Outreach Contest](#)

Dallas Water Utilities (DWU) is conducting a back-to-school grease abatement contest with the public schools. Teachers and students will plan, record, and share a public video on social media demonstrating their “Defend Your Drains” 2018 goals. DWU Pretreatment Laboratory Services staff will judge the videos and the winning school will receive \$1,000 in school supplies. The contest will run from August 20, 2018 through September 21, 2018. Should you have any questions or concerns, please contact Terry Lowery, Director of Dallas Water Utilities.

[Media Inquiries](#)

As of August 20th, the City has received media requests from various news outlets regarding the following topics:

- DAS and Dallas Street Dog Advocates
- Downtown Sewage Line Back-up

Please see the attached document compiling information provided to the media outlets for the week of August 14th – August 20th for your reference and in the event you are contacted by the press. Should you have any questions or concerns, please contact Kimberly Bizer Tolbert, Chief of Staff.

Look Ahead

[#MyDallas Mega Citizenship Workshop](#)

Planning and coordination efforts continue for the #MyDallas Mega Citizenship Workshop to take place at the Dallas Public Library Central Branch on Saturday, October 13, 2018. A City-wide email announcement calling for volunteers for the event went out last week and has produced a groundswell of interest on the part of City employees. Flyers calling for volunteers were also posted on all City of Dallas bulletin boards and distributed by Welcoming Task Force members to promote the event. Six volunteer training sessions are scheduled during the months of September and October. Should you have any questions or concerns, please contact Liz Cedillo-Pereira, Director of the Office of Welcoming Communities and Immigrant Affairs.

**Public Affairs & Outreach
Media Requests
August 14 – August 20**

August 15; Amanda Jess, Dallas Morning News; I'm with the Dallas Morning News and I am working on a story about the organization Dallas Street Dog Advocates. I'm just wondering if DAS is aware of the organization or has worked with them on any occasions. I understand that they do a lot of work south of Dowdy Ferry Road and wanted to confirm that since that area is outside of city limits, DAS can't take in animals found there.

City Response: Dallas Animal Services only takes in animals from within the City of Dallas limits.

Follow up: Have they worked at all with Dallas Street Dog Advocates?

City Response: That organization pulls animals from the DAS shelter.

August 17; Adam Lidgett, Law360.com; My name is Adam Lidgett and I'm a reporter with Law360. I'm doing a story on the city of Dallas moving to dismiss a lawsuit from Stericycle Environmental Solutions Inc. filed over the Dallas Water Utilities Department's notice it would terminate Stericycle's access to the Dallas sewer system for the discharge of Stericycle's treated wastewater. I was looking to see if you had a comment on that. I'm on deadline for about 4 p.m. EST today so if someone could get back to me by then that would be great.

City Response: The City of Dallas does not comment on pending litigation.

August 19; Steve Young, FOX 4; Do you have any information about a downtown Dallas sewage line(or lines) backing up and flooding downtown Dallas businesses, including KDFW/Fox4 News at 411 N. Griffin? What has caused this to occur? How many other downtown businesses have been impacted? For example, we have heard the YMCA and AT&T may have been impacted. Any details you can forward would be much appreciated. Thanks. Steve Young. Fox4 News. Dallas. (214)-720-3155.

City Response: Wastewater Collection was notified about a blocked sewer around 3 p.m. today. Staff arrived at approximately 4. The blockage was to a 6 inch main in San Jacinto near Griffin. The blockage has been cleared.

Dallas Police media:

August 14; Fox 4, NBC 5, WFAA, CBS 11, DMN; inquiries related to a shooting in the 4000 block of North Central Expy.

City Response:

On August 14, 2018, officers responded to the 4200 block of Oak Lawn Avenue in Highland Park, regarding a shooting. According to witnesses, a female was observed exiting the passenger door of a silver pickup truck and had an injury to her arm. The male driver of the silver truck informed the witnesses that the female needed assistance. The male then fled the

City of Dallas

location in the silver truck. The female had a gunshot wound to her arm and was transported to a local hospital with non-life threatening injuries.

Dallas police detectives responded to the location and began canvassing the area for witnesses and video evidence. While on scene, detectives were informed that a vehicle accident occurred approximately a mile away within Highland Park city limits involving a silver pickup truck driven by a suspect later identified as Devyn Flowers. Suspect Flowers fled the accident scene into an active shopping center within the City of Highland Park. Suspect Flowers was subsequently taken into custody by the Highland Park Police Department. Suspect Flowers was injured and was transported to a local hospital with non-life threatening injuries.

Detectives then researched calls within the City of Dallas and noticed a 911 Burglary call in the 4000 block of N. Central Expressway. Detectives responded to the scene of the Burglary call and contacted the caller. The caller informed detectives that he observed a male and female suspect in a silver truck break into his vehicle and took property. According to the caller, as the suspects fled the location they drove at him in their vehicle in an attempt to strike him. The caller then fired multiple rounds into the vehicle striking both suspects.

The caller was transported to the Dallas Police Department Headquarters to be interviewed. Detectives completed two Aggravated Assault reports involving the shooting of the suspects. This case will be referred to the Dallas County Grand Jury.

The following suspects were filed on for Aggravated Robbery:
Crystal French, 32-year-old Black Female
Devyn Flowers, 30-year-old Black Male

At the time of this report, the Highland Park Police Department stated they may be proceeding with charges of Failure to Stop and Render Aid (FSRA) in regard to the Hit and Run of the accident the suspects had within their city limits.

This incident will be documented on Dallas Police Case Numbers 179735-2018 and 179736-2018.
