DATE **May 25, 2018**

TO **Honorable Mayor and Members of the City Council**

SUBJECT **Dallas Police Department Internal Assessment**

In December 2017, No Limit Investigative and Security Services conducted a transition assessment of the Dallas Police Department (DPD). The assessment was sponsored at the request of Chief U. Reneé Hall with concurrence of the Dallas City Manager, T.C. Broadnax. The assessment examined DPD's management of selected police functions and policies while addressing specific areas of concern identified by the Chief and command staff. By design, this assessment was not comprehensive, instead it provided evaluation to improve the listed department areas:

- General Management
- Patrol Operations
- Internal Affairs Division
- Media Relations
- Community Affairs
- Technology
- VICE Unit Operations

The full assessment is available and is being provided to the media upon request. Please contact me if you have any questions or would like a copy of the report, and my office will make one available to you.
