Memorandum

DATE August 7, 2020

TO Honorable Mayor and Members of the City Council

SUBJECT Draft List of Potential Candidates for ENVS Advisory Committee

The Comprehensive Environmental and Climate Action Plan (CECAP), (Council Resolution #20-688), includes a requirement that "the City Manager identify and convene an Environment and Sustainability Advisory Committee, under guidelines established by the City Manager, comprised of professionals and community members to advise on environment, sustainability, and CECAP implementation." This interim advisory group will be comprised of 15 members, ten of which will be selected by the Council Committee on Environment and Sustainability (ENVS).

Each ENVS Council Committee member is asked to nominate two advisory committee members. Staff have worked with local stakeholders to develop a list of potential advisory committee members. The full City Council may submit nominations for the potential member list as well. Council Committee members may choose their two nominees from these names but are not limited to this list of candidates. Once the Council Committee's ten members are selected, staff will select the five remaining seats to ensure the advisory committee reflects a diverse range of backgrounds, experience, and expertise. If a candidate is submitted by more than one Councilmember, that candidate will be nominated to serve on the advisory committee, and staff will work with the nominating Council Members to select an additional candidate(s) for consideration.

Staff recommend that the ENVS Advisory Committee includes representatives from the business community, environmental advocacy groups, and environmental/public health fields. To ensure a wide array of expertise, including subject matter experts in each of the eight CECAP sectors, special consideration will be given to candidates with experience working in the following subject areas:

- Building energy efficiency
- Renewable energy
- Multi-modal transportation
- Zero waste
- Water resource management
- Ecosystem/green space conservation

- Urban agriculture/food security
- Air quality
- Environmental advocacy
- Environmental justice
- Public health

To support this process, a draft ENVS Advisory Committee Candidate list is attached and it includes each person's primary area of interest/expertise. ENVS Council Committee members are asked to submit their selections to the ENVS Chair by August 18, 2020.

If you have any questions or comments, please contact Liz Cedillo-Pereira at (214) 671-5087.

Joey Zapata

Assistant City Manager

DATE August 7, 2020 Page 2

SUBJECT Draft List of Potential Candidates for ENVS Advisory Committee
