#### Encampment Resolution Schedule July 27-31, 2020

The Office of Homeless Solutions (OHS) has scheduled several sites for homeless encampment resolution the week of July 27<sup>th</sup> through July 31<sup>st</sup>. The sites are listed on the attached schedule.

Many of these sites were previously serviced the weeks beginning July 13<sup>th</sup> and July 20<sup>th</sup>. OHS' operation includes repetitive cleaning of the known areas of the City with concentrations of encampments. Repetitive service to concentrations of encampments is a recognized strategy to ending the recurrence of encampments and to encourage encampment residents to accept shelter and services.

The OHS Street Outreach teams have continued to engage with individuals to provide notice of clean-up and connect to resources and shelter. OHS Community Mobilization will meet with stakeholders to determine long-term sustainability of encampment sites and will provide periodic updates. Please direct any questions to Nadia Chandler Hardy, Assistant City Manager or Kevin Oden, Interim Director of Office of Homeless Solutions.

#### New Updates

#### Mortgage Rental Assistance Program (MRAP) Distribution Update

The City is deploying a multi-pronged approach in administering program funds. In Round 1, the distribution of funds was expedited with 150 City staff spanning 13 departments. As the City reopened in Phase I and staff returned to their primary department duties. A smaller group of staff were used to maintain the program, process payments and administer the 3 nonprofits charged with overseeing a portion of program funds. With the City Council allocating an additional \$10M to MRAP in June that must be spent by December 2020, the City will further utilize nonprofit partners to leverage relationships with communities that don't typically come to the City for assistance. The nonprofits have systems in place that can expedite payments and logarithms designed to distribute funds at a district wide level using weekly lotteries that offer multiple opportunities to receive an award until all funding is spent. Round 2 MRAP awards will be announced this week see <a href="https://dallascityhall.com/Pages/Corona-Virus.aspx">https://dallascityhall.com/Pages/Corona-Virus.aspx</a> for details. For more information please contact Thor Erickson, Housing Manager, at 214-670-3632 or <a href="https://dallascityhall.com">https://dallascityhall.com</a>.

### Ashley Bell, SBA Regional Administrator and White House Advisor comes to Dallas to connect with Black-owned Businesses

On Tuesday, July 28, 2020, Ashley Bell, SBA Regional Administrator and White House Advisor, hosted an interactive virtual town hall called "Access Live" along with local leaders, lenders and resource partners. Zarin Gracey, Director of the Office of Business Diversity and Courtney Pogue, Director of Economic Development were among the panelists on the call. The objective was to have 100,000 black-owned businesses in the DFW market to join the call to highlight ways that Black-owned small businesses can financially recover from the COVID-19 global pandemic utilizing existing resources. Mr. Bell visited a few black-owned Dallas businesses and ended the tour at City Hall. A similar virtual town hall was also hosted in Atlanta in May 2020 to reach 100,000 black-owned businesses across the south. For more information about the town hall and tour, please contact Zarin Gracey, at <u>zarin.gracey@dallascityhall.com</u>.

#### Library RFID Conversion is a Winner During COVID-19 Days

City Council approved the Dallas Public Library's two-year project to implement Radio Frequency Identification (RFID) in June 2019. The Library is ahead of the original schedule which included the arduous process of physically tagging each and every piece of the Dallas Public Library's large collection of materials. Being closed during COVID-19 has allowed staff to place greater focus on this project and we have completed the conversion process at all 28 branch locations. We will re-direct concentration on the remaining floors of the J. Erik Jonsson Central Library to continue our efforts to complete the conversion ahead of schedule.

DATE July 31, 2020

#### SUBJECT Taking Care of Business – July 30, 2020

Our dedicated RFID team, further challenged with COVID-19 restrictions, has learned many things through this project and safely worked through the demanding physical labor involved. Please join me in recognizing the Library RFID Team as they enthusiastically proceed with the implementation of this system-wide efficiency. If you have questions, please contact Jo Giudice, Director of Library at Maryjo.Giudice@dallascityhall.com.

#### Dallas Love Field Launches Two New Initiatives

The Department of Aviation has two new initiatives at Dallas Love Field, both geared toward customer safety. The Department finalized installation of automated exit lanes that open as customers approach and close directly behind them. This new exit process replaces the open exit to the Love Landing area on the second level and better secures the airport's sterile area from potential breaches.

As reported last week, Love Field has also partnered with Southwest Airlines to host a thermal temperature screening pilot program. Thermal screening cameras will be placed near the entrance of the TSA checkpoint. In its beginning stages, the cameras will be tested, and data will be gathered to guide future decision-making about travel during the COVID-19 pandemic. Testing will begin in the first week of August. Should you have any questions or for more information, please contact Director of Aviation Mark Duebner at mark.duebner@dallascityhall.com or 214-670-6077.

Dallas Fire-Rescue Department Media Requests: July 21 - 27, 2020.

<u>Wednesday</u>, July 22<sup>nd</sup>: All local news desks - Can you provide Information on a 2 alarm fire at 6466 Ridgecrest Rd?

<u>**City Response</u>** - At 11:01 Dallas Fire-Rescue units responded to a 911 call for a structure fire at the East Town Apartments, located at 6415 Melody Lane, near Interstate 75 and Northwest Highway.</u>

When firefighters arrived at the 2-story apartment building, they observed fire and smoke coming from the first and second floors. All residents had self-evacuated prior to DFR arrival, so attack teams were able to focus on suppression efforts and extinguish the fire within the hour. A second alarm request was transmitted for manpower as a result of the elevated temperatures.

According the investigators, the fire appears to have begun on a first-floor patio. The flames caught onto a small fence surrounding the patio and spread vertically to the eaves and the apartment directly above. Firefighters were able to access the building and limit the fire damage to those two units; but not before it displaced two families. Thankfully, the apartment complex was able to assist both families with on-site accommodations.

There were no reported injuries during the course of this incident; and though the point of origin was identified, the exact cause is undetermined.

Thursday, July 23<sup>rd</sup>: In response to the growing numbers of positive COVID-19 tests, among the members of Dallas Fire-Rescue, the department has put together a video, incorporating testimonies from some of those members, as well as the men and women who supervise, and oversee their care and well-being, to convey exactly how serious this pandemic is. Members talk about a variety of topics, including the wearing of masks and the practicing of social distancing, among other safety measures, all in an effort to protect yourself, your families and the citizens of Dallas. The video can be viewed at the following link: <a href="https://www.youtube.com/watch?v=OfcNO-UA748">https://www.youtube.com/watch?v=OfcNO-UA748</a>

**Friday, July 24<sup>th</sup>: All local news desks -** Hearing your folks ask for the ME out on this call at Lake Ray Hubbard. Any info, sir?

<u>**City Response</u>** - DFR units were dispatched to Lake Ray Hubbard, at 12:33, after someone spotted a body in the water and called 911. DFR units recovered the body, which is hung up on debris, at approximately 14:00; after which, custody of the body was transferred to the Medical Examiner to determine cause of death and identification.</u>

Any follow-up questions should be directed to the Dallas Police Department.
