CITY OF DALLAS

DATE September 25, 2020

TO Honorable Mayor and Members of the City Council

SUBJECT **Updated Organizational Chart and New Executive Leadership Team Assignments**

To ensure the continued success of each City Council Member and support the critical and unique needs of your respective City Council districts, the City Manager's Office will continue to provide Executive Team Liaison Assignments. Attached I have included the updated City organizational chart which will reflect a few changes to the liaison and committee assignments. My executive team members are each assigned to two City Council Members to serve as liaisons. The intent is to (1) provide direct access regarding important issues; (2) serve as a communication link between the City Council and staff departments, as appropriate; (3) provide support and coordination of staff for community meetings and special events, and (4) to ensure action items are recorded and prioritized to the City Manager's Office, as necessary.
