

### Bond Program Briefing: No. 3 Options and Partnership Matching Funds

Park and Recreation Board September 1, 2016

# **Agenda for Briefing**

- Introduction
- 2003 and 2006 Bond Programs
- Needs Inventory by Tiers
- Preliminary Options/Order of Magnitude of Park and Recreation Bond Program
- Fair Park Potential Bond Proposition
- Partnership Matching Funds
- Next Steps

## Introduction

- Park and Recreation provides an economic impact to the City and improves the quality of life for its citizens
   Health; Environmental; Leisure and Educational Activities
- The Park and Recreation Department (PARD) currently has a total of **\$2.27B in needs**
- PARD last received bond funds 10 years ago
   Typically there are bond programs every 4 years
- If PARD received \$150M in bond funds every 4 years it would take over 15 bond programs or 61 years to complete the current needs, and further needs would accumulate during that timeframe

### Introduction - continued

- PARD staff proposes that the 2017 Bond Program for Park and Recreation focuses on:
  - Neighborhood and Community Parks:
    - Repairing what's broken
    - Replacement of obsolete items
    - Improving services for the public

- Recreation Centers
- Implementing the Aquatics Master Plan, Phase 2
- Maximizing private/grant match dollar contributions to the City

### **Previous Bond Programs**

| 2003 Bond Program  | Examples of Projects  | Total: \$100,520,000 |
|--|---|----------------------|
| Park and Recreation –<br>Proposition 2: Neighborhood<br>and Community Park,<br>Playground and Recreation<br>Facilities | Park site improvements; master plans;<br>accessibility and code; land acquisition;<br>recreation centers, etc.  | \$ 57,290,000        |
| Park and Recreation –<br>Proposition 11: Major and<br>Citywide Park and<br>Recreation Facilities                       | Arboretum, Zoo, Fair Park, downtown<br>parks, Bahama Beach, land acquisition,<br>Dealey Plaza, Elm Fork Athletic Complex,<br>grant matching funds, etc. | \$ 43,230,000        |

- Major Maintenance:
  - HVAC replacements
  - Roof replacements
  - Gym floor replacements
  - Structural repairs
  - Replacement of finishes
- Renovations
- Expansions
  - Gymnasiums
  - Multi-purpose rooms
- New Recreation Centers / Replacements

\* Description of Recreation Center needs categories in Appendix

### **Descriptions of Options**

#### Park system wide:

- Aquatics Master Plan Implementation
- Linear Trails
- ADA / Code
  - ADA Parking / Access
  - Code required modifications not included in individual project funding

### Signature Parks (not including those with match funding):

- White Rock Lake
- Kiest Park
- Crawford Park
- Turtle Creek Lake Greenbelt

#### Match Funding:

- Projects to be determined at later date

### **Fair Park Proposition**

| Items  | City | y Bond | Priva | ate Match |
|--|------|--------|-------|-----------|
| Tier 1 – Addresses Safety / Code / ADA                 | \$   | 31M    |       | -         |
| Tier 2 – Addresses major maintenance                   | \$   | 44M    |       | -         |
| Tier 3 – Addresses customer retention                  |      | -      | \$    | 25M       |
| Tier 4 – Addresses enhancements to customer experience |      | -      | \$    | 25M       |
| Total:   | \$   | 75M    | \$    | 50M       |

### Partnership Matching Funds

The following partnership groups have committed to raise matching funds, or have already raised funds:

| Organization / Project                                 | Private<br>Commitment | City Funds<br>Requested | Current Status of Fundraising  |
|--|-----------------------|-------------------------|--|
| Dallas Arboretum                                       | \$6.6M                | \$2.2M                  | Fundraising in progress, with \$375K<br>raised to date. Since the 2006 BP to<br>date, the Arboretum has<br>contributed \$66M in projects and<br>financed \$30M for a parking garage                            |
| Dallas Midtown Park<br>Foundation<br>(Midtown Commons) | \$15M                 | \$15M                   | Foundation commissioned visioning<br>study. Commitment to raise<br>matching funds if bond funds<br>approved  |
| Dallas Zoo   | \$12.5M               | \$12.5M                 | Commitment to raise matching<br>funds if bond funds approved.<br>Dallas Zoo has contributed \$21M in<br>projects since 2006 BP and<br>anticipates raising more than the<br>private \$12.5M match after 2017 BP |

### Partnership Matching Funds

| Organization / Project  | Private<br>Commitment                                    | City Funds<br>Requested            | Current Status of Fundraising   |
|---|--|------------------------------------|---|
| Circuit Trail Conservancy   | \$23M<br>(\$10M private,<br>\$8M COG and<br>\$5M County) | \$20M                              | Fundraising in progress. Have<br>\$4M in letters of intent; \$8M<br>from COG; \$5M from County.<br>Also committed to raising<br>additional funds for<br>endowment - \$13M |
| Elm Fork Greenbelt Trail and<br>Nature Center                             | \$2M   | \$4.1M                             | The Boone Family Foundation<br>is willing to commit<br>\$2,000,000. Possible TP&WD<br>and Dallas County grants  |
| Ferguson Road Initiative (FRI)<br>(White Rock Hills Recreation<br>Center) | \$30M  | \$5M                               | FRI is pursuing funding opportunities. Hiring a development firm.   |
| Friends of the Katy Trail   | \$20M  | \$10M                              | Fundraising in progress   |
| Klyde Warren Park and Akard<br>Sky Park                                   | \$50M  | \$40M<br>(Park, TIF, Eco.<br>Dev.) | Commitment to raise<br>matching funds if bond funds<br>approved   |

### Partnership Matching Funds - continued

| Organization / Project  | Private<br>Commitment  | City Funds<br>Requested     | Current Status of Fundraising   |
|---|------------------------|-----------------------------|---|
| Northaven Trail Phase 1<br>(Valleydale Dr. over US Hwy 75 to<br>White Rock Creek Trail,<br>Cottonwood Trail and So Pac Trail) | \$7M                   | \$5M                        | County has committed \$7M,<br>with \$5M match required from<br>City. Construction plans are<br>funded; plans to be completed<br>in 2017   |
| Parks for Downtown Dallas   | \$35M                  | \$35M                       | <b>\$35M has already been raised</b> .<br>Funding was already provided<br>for design of Carpenter Plaza,<br>Harwood Park and Pacific Plaza  |
| Southern Gateway Public<br>Green/Deck   | \$40M +<br>Private TBD | TBD<br>(Park, Eco.<br>Dev.) | \$40M committed by Regional<br>Transportation Council for<br>structure subject to funding of<br>park from City/Private<br>partnership (Phase 1). An<br>additional \$93.6M needs to be<br>raised |
| Totals  | \$241.1M               | \$148.8M+                   |   |

Note: In the event of future private fundraising for other neighborhood parks or potential grants, consider including an additional \$1.2M in City matching funds

### Partnership Matching Funds – Fair Park

| Organization / Project                    | Private<br>Commitment | City Funds<br>Requested | Current Status of<br>Fundraising  |

### **Questions/Answers**

### Appendix – Table of Contents

 Description of Recreation Center Needs Categories

### Description of Recreation Center Needs

| Category  | Description  |
|---|--|
| Major Maintenance   | Replacement and/or repair of a system,<br>such as HVAC equipment, roof<br>replacement, structural repairs,<br>replacement of lighting, code issues, etc  |
| Major Maintenance – Priority Grading:   |  |
| <ul> <li>Priority 1: Building system failure</li> <li>Currently critical - Immediate</li> </ul>   | The facility is closed or facing imminent closure, and closure impacts service delivery  |
| <ul> <li>Priority 2: High risk of building system<br/>failure / opportunities for reducing<br/>O&amp;M expenses         <ul> <li>Potentially critical - Year 1</li> </ul> </li> </ul> | <ul> <li>Probable, obsolete system, requires<br/>extreme O&amp;M</li> <li>Code violation/update required with<br/>potential life safety concerns</li> <li>Energy efficiency retrofits</li> </ul> |
| <ul> <li>Priority 3: Moderate risk of building system<br/>failure         <ul> <li>Necessary/Not yet critical – Years 2-5</li> </ul> </li> </ul>                                      | - Approaching end of useful life   |

### Description of Recreation Center Needs - continued

| Category  | Description                                  |
|---|--|
| Major Maintenance – Priority Grading - continued: |  |
| - Priority 4: Recommended                         | Replacements/repairs needed in Years<br>6-10 |
| - Priority 5: Long term requirements              | Beyond 10 Years                              |

Note: Day to day maintenance items are <u>**not**</u> bond program eligible (i.e. replacing filters, etc.)

### **Description of Recreation Center Needs - continued**

| Category                      | Description  |
|-------------------------------|--|
| Replacement recreation center | Replace an existing recreation center<br>with a new recreation center, either at<br>the same location or another location  |
| New recreation center         | Construction of a new recreation center<br>to serve a community that is currently<br>not served, or a new center to service<br>different programs not currently served |
| Renovations                   | Replacement of finishes, either exterior<br>or interior; reconfiguration of spaces;<br>ADA improvements  |
