

Dallas Park and Recreation Board September 1, 2016

Missions and Goals

Community Nature Related Outreach
Baseline Natural Resource Inventory
Pollinator Conservation
Citizen Science

June 11, 2016
William Blair, Jr. Park
3000 Rochester Street, Dallas, Texas 75215

Join the first Dallas Park & Recreation BioBlitz!

What is a BioBlitz?

Community members will be led by a certified Wildlife Biologist, Master Naturalists and scientists to locate and identify as many different species of vegetation and wildlife within the park using the *iNaturalist* app. Volunteers of all ages are welcome.
